

Highways Act 1980

1980 CHAPTER 66

PART IX

LAWFUL AND UNLAWFUL INTERFERENCE WITH HIGHWAYS AND STREETS

Danger or annoyance to users of highways and streets

163 Prevention of water falling on or flowing on to highway.

- (1) A competent authority may, by notice to the occupier of premises adjoining a highway, require him within 28 days from the date of service of the notice to construct or erect and thereafter to maintain such channels, gutters or downpipes as may be necessary to prevent—
- water from the roof or any other part of the premises falling upon persons using the highway, or
 - so far as is reasonably practicable, surface water from the premises flowing on to, or over, the footway of the highway.

For the purposes of this section the competent authorities, in relation to any highway, are the highway authority and also (where they are not the highway authority) the local authority for the area in which the highway is situated.

- (2) A notice under subsection (1) above may, at the option of the authority, be served on the owner of the premises in question instead of on the occupier or may be served on both the owner and the occupier of the premises.
- (3) A person aggrieved by a requirement under this section may appeal to a magistrates' court.
- (4) Subject to any order made on appeal, if a person on whom a notice is served under this section fails to comply with the requirement of the notice within the period specified in subsection (1) above he is guilty of an offence and liable to a fine not exceeding [^{F1}level 1 on the standard scale]; and if the offence is continued after conviction he is guilty of a further offence and liable to a fine not exceeding £2 for each day on which the offence is so continued.

Changes to legislation: Highways Act 1980, Section 163 is up to date with all changes known to be in force on or before 12 April 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details) [View outstanding changes](#)
