- (1) This section applies where—
- (a) on or after 6th April 1982 land (in this section referred to as “the old land”) is disposed of by any person (in this section referred to as “the landowner”) to an authority exercising or having compulsory powers; and
 - (b) the landowner did not take any steps, by advertising or otherwise, to dispose of the old land or to make his willingness to dispose of it known to the authority or others; and
 - (c) the consideration for the disposal is applied by the landowner in acquiring other land (in this section referred to as “the new land”) not being land excluded from this paragraph by section 111B below.
- (2) Subject to section 111B below, in a case where the whole of the consideration for the disposal was applied as mentioned in subsection (1)(c) above, the landowner, on making a claim as respects the consideration so applied, shall be treated for the purposes of this Act—
- (a) as if the consideration for the disposal of the old land were (if otherwise of a greater amount or value) of such amount as would secure that on the disposal neither a gain nor a loss accrues to him; and
 - (b) as if the amount or value of the consideration for the acquisition of the new land were reduced by the excess of the amount or value of the actual consideration for the disposal of the old land over the amount of the consideration which he is treated as receiving under paragraph (a) above.
- (3) If part only of the consideration for the disposal of the old land was applied as mentioned in subsection (1)(c) above, then, subject to section 111B below, if the part of the consideration which was not so applied (in this subsection referred to as “the unexpended consideration”) is less than the amount of the gain (whether all chargeable gain or not) accruing on the disposal of the old land, the landowner, on making a claim as respects the consideration which was so applied, shall be treated for the purposes of this Act—

Status: Point in time view as at 01/02/1991.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 1982. (See end of Document for details)

- (5) For the purposes of this section—
- (a) subsection (2) of section 115 below shall apply in relation to subsection (2)(a) and subsection (2)(b) above as it applies in relation to subsection (1)(a) and subsection (1)(b) of that section; and
 - (b) subsection (3) of that section shall apply as if any reference to the new assets were a reference to the new land, any reference to the old assets were a reference to the old land and any reference to that section were a reference to this.
- (6) Where this section applies, any such amount as is referred to in subsection (2) of section 110 above shall be treated as forming part of the consideration for the disposal of the old land and, accordingly, so much of that subsection as provides for a deemed disposal of other land shall not apply.
- (7) The provisions of this Act fixing the amount of the consideration deemed to be given for the acquisition or disposal of assets shall be applied before this section is applied.
- (8) In this section— “land” includes any interest in or right over land; and “authority exercising or having compulsory powers” shall be construed in accordance with section 108(5) above.

- for the purposes of this subsection “a material time” means any time during the period of six years beginning on the date of the acquisition referred to in the said paragraph (c).
- (2) If, at any time during the period of six years referred to in subsection (1) above, land which at the beginning of that period was not excluded from section 111A(1)(c) above by virtue of that subsection becomes so excluded, the amount of any chargeable gain accruing on the disposal of the old land shall be redetermined without regard to any relief previously given under

- (3) In determining what sum (if any) was taken into account as mentioned in subsection (2) (b) above, account shall be taken of any provision of any enactment which, for the purpose of the computation under the said Chapter II, increases, excludes or reduces the whole or any part of any item of expenditure falling within the said section 32 or provides for it to be written-down.

- (a) if there is an unindexed gain, the indexation allowance shall be deducted from the gain and, if the allowance exceeds the unindexed gain, the excess shall constitute a loss;
 - (b) if there is an unindexed loss, the indexation allowance shall be added to it so as to increase the loss; and
 - (c) if the unindexed gain or loss is nil, there shall be a loss equal to the indexation allowance];

and, accordingly, at the end of subsection (1) of section 28 of that Act (computation of gains accruing on the disposal of assets) there shall be added the words “and sections 86 and 87 of the Finance Act 1982”.

- [^{F23}(5) Notwithstanding anything in section 29 of the Capital Gains Tax Act 1979 (losses to be computed in like manner as gains)—
- (a) this section does not apply to a disposal on which a loss accrues ; and
 - (b) in any case where, on a disposal to which this section does apply, the indexation allowance exceeds the gross gain, no loss shall result and, accordingly, the disposal shall be one on which, after taking account of the indexation allowance, neither a gain nor a loss accrues.]

140 Increase of gross profit by reference to royalties in kind.

- (1) This section applies where part of a participator's share of the oil won and saved from an oil field is delivered by him in a chargeable period to the Secretary of State pursuant to a requirement imposed under the terms of a licence granted under the ^{M41} Petroleum (Production) Act 1934.
- (2) In determining for the purposes of APRT the gross profit accruing to the participator from the field in the chargeable period the aggregate of the amounts mentioned in paragraphs (a), (b) and (c) of subsection (5) of section 2 of the principal Act shall be increased by multiplying it by a fraction of which—
- (a) the numerator is the total of the quantity of oil won from the field which is delivered or relevantly appropriated by him in the period including the oil delivered to the Secretary of State; and
 - (b) the denominator is that total excluding the oil delivered to the Secretary of State.

Status: Point in time view as at 01/02/1991.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 1982. (See end of Document for details)

- (3) Where oil is delivered pursuant to a requirement which relates to oil of one or more kinds but not to others, subsection (2) above shall apply only in relation to oil of the kind or kinds to which the requirement relates ; and where oil is delivered pursuant to a requirement which specifies different proportions in relation to different kinds of oil, that subsection shall apply separately in relation to each of those kinds.
- (4) For the purposes of subsection (5) of section 2 of the principal Act as it applies in determining for the purposes of APRT the gross profit accruing to a participator, the exclusion by paragraph 4 of Schedule 3 to that Act of oil delivered to the Secretary of State under the terms of a licence granted under the said Act of 1934 shall be deemed to extend to oil which is inadvertently delivered to him in excess of the amount required ; and oil so delivered shall be treated for the purposes of this section as delivered pursuant to a requirement imposed under the terms of such a licence.

141 Reduction of gross profit by reference to exempt allowance.

- (1) For the purposes of APRT there shall be for each oil field in each chargeable period an exempt allowance of 500,000 metric tonnes of oil divided between the participators in shares proportionate to their shares of the oil won and saved from the field during the period.
- (2) If the gross profit accruing to a participator in a chargeable period from a field exceeds the cash equivalent of his share of the exempt allowance, the gross profit shall be reduced to an amount equal to the excess.
- (3) If the gross profit accruing to a participator in a chargeable period from a field does not exceed the cash equivalent of his share of the exempt allowance, the gross profit shall be reduced to nil.
- (4) Subject to subsection (5) below, the cash equivalent of a participator's share of the exempt allowance for an oil field for a chargeable period shall be equal to such proportion of the gross profit accruing to him from the field in that period (before any reduction under this section) as his share of the exempt allowance bears to his share, exclusive of excluded oil within the meaning of section 10 of the principal Act, of the oil won and saved from the field during the period.
- (5) If a participator in an oil field so elects by notice in writing given to the Board at the time when he makes his return under paragraph 2 of Schedule 2 to the principal Act for a chargeable period, the cash equivalent of his share of the exempt allowance for the field for that period shall be determined under subsection (4) above—
 - (a) to the extent that his share of that exempt allowance does not exceed his share of the oil (other than gas) won and saved from the field in the period, as if in computing the gross profit accruing to him in the period all amounts relating to gas fell to be disregarded; and

Changes to legislation: There are currently no known outstanding effects for the Finance Act 1982. (See end of Document for details)

- (b) to the extent, if any, that his share of that allowance exceeds his share of the oil (other than gas) so won and saved, as if in computing the gross profit so accruing all amounts relating to oil other than gas fell to be disregarded.
- (6) In this section references to a participator’s share of the oil won and saved from a field are to his share as expressed in metric tonnes and for that purpose 1,100 cubic metres of oil consisting of gas at a temperature of 15 degrees centigrade and pressure of one atmosphere shall be counted as equivalent to one metric tonne of oil other than gas.

142 Consequences of crediting APRT against liability for petroleum revenue tax.

- (1) If it appears to the Board—
 - (a) that any amount of APRT credit which has been set off against a participator’s assessed liability to petroleum revenue tax for any chargeable period ought not to have been so set off, or that the amount so set off has become excessive, or
 - (b) that, disregarding any liability to or credit for APRT, a participator is entitled to a repayment of petroleum revenue tax for any chargeable period,
 then, for the purpose of securing that the liabilities of the participator to petroleum revenue tax and APRT (including interest on unpaid tax) for the chargeable period in question are what they ought to have been, the Board may make such assessments to, and shall make such repayments of, petroleum revenue tax and APRT as in their judgment are necessary in the circumstances.
- (2) In a case falling within paragraph (a) of subsection (1) above, any necessary assessment to petroleum revenue tax may, where the revised amount of set off is ascertained as a result of an appeal, be made at any time before the expiry of the period of six years beginning at the end of the chargeable period in which the appeal is finally determined; and in a case falling within paragraph (b) of that subsection any necessary assessment to APRT may be made at any time before the expiry of the period of six years beginning at the end of the chargeable period in which the participator became entitled as mentioned in that paragraph.
- (3) F50
- (5) Paragraphs 13, 14 and 15 of Schedule 2 to the principal Act (payment of tax, appeals and interest on tax) apply in relation to an assessment to petroleum revenue tax under subsection (1) above as they apply to an assessment under that Schedule.

 - (c) a mobile crane, works truck or fisherman's tractor; or
 - (d) a vehicle which, though constructed or adapted for use for the conveyance of goods or burden, is not so used for hire or reward or for or in connection with a trade or business.

- 12 (1) This paragraph and paragraph 13 below apply to agricultural machines which do not draw trailers.
- (2) Subject to paragraph 13 below, a vehicle to which this paragraph applies shall not be chargeable with duty by virtue of this Schedule by reason of the fact that it is constructed or adapted for use and used for the conveyance of permitted goods or burden if they are carried in or on not more than one appliance and the conditions mentioned in sub-paragraph (3) below are satisfied.
- (3) The conditions are that—
 - (a) the appliance is fitted either to the front or to the back of the vehicle;
 - (b) the appliance is removable;
 - (c) the area of the horizontal plane enclosed by vertical lines passing through the outside edges of the appliance is not, when the appliance is in the position in which it is carried when the vehicle is travelling and the appliance is loaded, greater than—
 - (i) 0.65 of a square metre, if the appliance is carried at the front; or
 - (ii) 1.394 square metres, if it is carried at the back.
- (4) In sub-paragraph (2) above "permitted goods or burden" means goods or burden the haulage of which is permissible under paragraph 2(1) of Schedule 3 to this Act.

 - (b) to three-wheeled vehicles; or

- 13 (1) This paragraph shall have effect in relation to any vehicle fitted with an appliance of any description prescribed for the purposes of all or any of the provisions of this paragraph by regulations under this paragraph.
- (2) The limitation in paragraph 12(2) above to one appliance shall have effect as a limitation to two appliances of which at least one must be an appliance prescribed for the purposes of this sub-paragraph ; but if two appliances are used they must be fitted at opposite ends of the vehicle.
- (3) Regulations under this paragraph may provide for all or any of the following matters where an appliance prescribed for the purposes of this paragraph is being used, that is to say, that paragraph 12(2) above shall not apply unless the prescribed appliance is fitted to the prescribed end of the vehicle, or unless the use of the prescribed or any appliance is limited to prescribed goods or burden or to use in prescribed circumstances.
- (4) Regulations under this paragraph may provide that paragraph 12(3)(c) above shall not have effect in relation to appliances prescribed for the purposes of this sub-paragraph, but that in relation to those appliances paragraph 12(5)(a) above shall have effect with the substitution of such shorter distance as may be prescribed.
- (5) In sub-paragraphs (2) to (4) above references to use are references to use for the carriage of goods or burden ; and regulations under this paragraph may make different provision in relation to different descriptions of prescribed appliances.

- (a) a vehicle licence has been taken out for a tractor unit having two axles which is to be used only with semi-trailers with not less than two axles or for a tractor unit having two axles which is to be used only with semi-trailers with not less than three axles; and
 - (b) the rate of duty paid on taking out the licence is equal to or exceeds the rate of duty applicable to a tractor unit having two axles—
 - (i) which has a plated train weight equal to the maximum laden weight at which a tractor unit having two axles may lawfully be used in Great Britain with a semi-trailer with a single axle; and
 - (ii) which is to be used with semi-trailers with any number of axles.

Status: Point in time view as at 01/02/1991.

Textual Amendments

F74 Sch. 13 para. 3 repealed by Finance Act 1985 (c. 54), ss. 68, 98(6), Schs. 19 Pt. I and 27 Pt. VII for disposals made on or after 6 April 1985 or 1 April 1985 for companies, 2 July 1986 for gilt-edged securities (Capital Gains Tax Act 1979 (c. 14, SIF 63:2) Sch. 2) and qualifying corporate bonds (Finance Act 1984 (c. 43, SIF 40:1) s. 64), or 28 February 1986 for other securities within the meaning of Finance Act 1985 (c. 54) Part II Ch. IV

- 3 (1) The provisions of this paragraph apply in relation to a disposal by the transferee of the asset acquired by him on a disposal to which paragraph 2 above applies; and in this paragraph—
- (a) “the initial disposal” means the disposal to which paragraph 2 above applies;
 - (b) “the subsequent disposal” means the disposal to which this paragraph applies; and
 - (c) “the transferor” and “the transferee” have the same meaning as in paragraph 2 above.
- (2) If the subsequent disposal is one on which a loss accrues (and, accordingly, is one to which section 86 of this Act does not apply) then, for the purposes of the ^{M71} Capital Gains Tax Act 1979, the amount of that loss shall be taken to be reduced by—
- (a) an amount equal to the indexation allowance (if any) on the initial disposal; or
 - (b) such an amount as will secure that, on the subsequent disposal, neither a gain nor a loss accrues,
- whichever is the less.
- (3) The following provisions of this paragraph apply where the initial disposal is one to which paragraph 2 above applies by reason only of any of the following enactments applying to the initial disposal, namely—
- (a) section 267 or section 273 of [^{F75}the Taxes Act 1970]; or
 - (b) section 44 of the Capital Gains Tax Act 1979; or
 - (c) section 148 of this Act.
- [^{F76}(d) subsection (4) of section 7 of the Finance (No. 2) Act 1983.]
- [^{F77}(e) paragraph 2 of Schedule 2 to the Trustee Savings Banks Act 1985.]
- (4) For the purpose of calculating the indexation allowance (if any) to which the transferee is entitled on the subsequent disposal in a case where the initial disposal falls within sub-paragraph (3) above and the transferor made that disposal outside the qualifying period,—
- (a) subsection (1) of section 86 of this Act shall have effect with the omission of paragraph (b); and

Status: Point in time view as at 01/02/1991.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 1982. (See end of Document for details)

- (b) the indexed rise in any item of relevant allowable expenditure falling within section 32(1)(a) of the Capital Gains Tax Act 1979 shall be calculated as if, in the definition of RI in the formula in section 87(2) of this Act, the words “which is the twelfth month after that” were omitted, and as if section 87(3)(a) of this Act were also omitted.
- (5) For the purpose of calculating the indexation allowance (if any) to which the transferee is entitled on the subsequent disposal in a case where the initial disposal falls within sub-paragraph (3) above and the transferor made that disposal within the qualifying period (so that he was not entitled to any indexation allowance) the transferor’s acquisition of the asset shall be treated as being the transferee’s acquisition of it.
- (6) If, in a case where sub-paragraph (5) above applies, the subsequent disposal is itself a disposal to which paragraph 2 above applies, that sub-paragraph shall again apply so that the original transferor’s acquisition of the asset shall be treated as being the acquisition of it by the transferee under the subsequent disposal; and so on if there is a series of disposals to which paragraph 2 above applies, all occurring within twelve months of the first such disposal.

Receipts etc. which are not treated as disposals but affect relevant allowable expenditure

- 4 (1) This paragraph applies where, in determining the relevant allowable expenditure in relation to a disposal to which section 86 of this Act applies, account is required to be taken, as mentioned in subsection (3) of that section, of any provision of any enactment which, by reference to a relevant event [^{F78}occurring after the beginning of the qualifying period], reduces the whole or any part of an item of expenditure as mentioned in that subsection.
- (2) For the purpose of determining, in a case where this paragraph applies, the indexation allowance (if any) to which the person making the disposal is entitled, not account shall in the first instance be taken of the provision referred to in sub-paragraph (1) above in calculating the indexed rise in the item of expenditure to which that provision applies but, from that indexed rise as so calculated, there shall be deducted a sum equal to the indexed rise (determined as for the purposes of the actual disposal) in a notional item of expenditure which—
- (a) is equal to the amount of the reduction effected by the provision concerned; and
- (b) was incurred on the date of the relevant event referred to in sub-paragraph (1) above.

Reorganisations, reconstructions etc.

- 5 (1) This paragraph applies where,—
- (a) by virtue of section 78 of the Capital Gains Tax Act 1979, on a reorganisation the original shares (taken as a single asset) and the new holding (taken as a single asset) fall to be treated as the same asset acquired as the original shares were acquired; and
 - (b) on the reorganisation, a person gives or becomes liable to give any consideration for his new holding or any part of it.
- (2) Where this paragraph applies, so much of the consideration referred to in sub-paragraph (1)(b) above as, on a disposal to which section 86 of this Act applies of the new holding, will, by virtue of section 79(1) of the Capital Gains Tax Act 1979, be treated as having been given for the original shares, shall be treated for the purposes of section 87 of this Act as an item of relevant allowable expenditure incurred not at the time the original shares were acquired but at the time the person concerned gave or became liable to give the consideration (and, accordingly, subsection (5) of section 87 of this Act shall not apply in relation to that item of expenditure).
- (3) In the preceding provisions of this paragraph the expressions “reorganisation”, “the original shares” and “the new holding” have the meanings assigned by section 77 of the Capital Gains Tax Act 1979 except that in a case where, by virtue of any other provision of Chapter II of Part IV of that Act (which extends to conversion of securities, company reconstructions and amalgamations etc.) sections 78 and 79 of that Act apply in circumstances other than a reorganisation (within the meaning of section 77 of that Act), those expressions shall be construed in like manner as they fall to be construed in sections 78 and 79 as so applied.

Calls on shares etc.

- 6 (1) Sub-paragraph (2) below applies where,—
- (a) on a disposal to which section 86 of this Act applies, the relevant allowable expenditure is or includes the amount or value of the consideration given for the issue of shares or securities in, or debentures of, a company; and

Status: Point in time view as at 01/02/1991.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 1982. (See end of Document for details)

- (b) the whole or some part of that consideration was given after the expiry of the [^{F79}period of twelve months beginning on the date of the issue of the shares, securities or debentures].
- (2) For the purpose of computing the indexation allowance (if any) on the disposal referred to in sub-paragraph (1)(a) above,—
- (a) so much of the consideration as was given after the expiry of the [^{F79}period referred to in sub-paragraph (1)(b) above] shall be regarded as an item of expenditure separate from any consideration given during that period; and
 - (b) subsection (5) of section 87 of this Act shall not apply to that separate item of expenditure which, accordingly, shall be regarded as incurred at the time the consideration in question was actually given.

Options

- 7 (1) This paragraph applies where, on a disposal to which section 86 of this Act applies, the relevant allowable expenditure includes both—
- (a) the cost of acquiring an option binding the grantor to sell (in this paragraph referred to as “the option consideration”); and
 - (b) the cost of acquiring what was sold as a result of the exercise of the option (in this paragraph referred to as “the sale consideration”).
- [^{F80}(2) Where this paragraph applies, the qualifying period in relation to the disposal referred to in sub-paragraph (1) above shall not begin until the date of the sale resulting from the exercise of the option].

- (a) the option consideration and the sale consideration shall be regarded as separate items of expenditure; and
 - (b) subsection (5) of section 87 of this Act shall apply to neither of those items and, accordingly, they shall be regarded as incurred when the option was acquired and when the sale took place, respectively.
- (4) The preceding provisions of this paragraph have effect notwithstanding section 137 of the ^{M73} Capital Gains Tax Act 1979 (under which the grant of an option and the transaction entered into by the grantor in fulfilment of his obligations under the option are to be treated as a single transaction); but expressions used in this paragraph have the same meaning as in that section and subsection (6) of that section (division of consideration for option both to sell and to buy) applies for the purpose of determining the cost of acquiring an option binding the grantor to sell.

C48 See Finance Act 1985 (c. 54), s. 68 and Sch. 19 Part II

- 8 (1) The provisions of this Part of this Schedule have effect in relation to a number of securities of the same class which, immediately before the operative date, are held by one person in one capacity and, by virtue of section 65 of the ^{M74} Capital Gains Act 1979 are to be regarded for the purposes of that Act as indistinguishable parts of a single asset (in that section and in this Part of this Schedule referred to as a holding).
- (2) Subject to paragraph 9 below, on and after the operative date,—
- (a) the holding shall continue to be regarded as a single asset for the purposes of the Capital Gains Tax Act 1979 (but one which cannot grow by the acquisition of additional securities of the same class); and
 - (b) the holding shall be treated for the purposes of section 86 of this Act as having been acquired twelve months before the operative date; and
 - (c) every sum which, on a disposal of the holding occurring after the operative date, would be an item of relevant allowable expenditure shall be regarded for the purposes of section 87 of this Act as having been incurred at such a time that the month which determines RI, in the formula in subsection (2) of that section, is March 1982.
- (3) Nothing in sub-paragraph (2) above affects the operation of section 78 of the Capital Gains Tax Act 1979 (equation of original shares and new holding on a reorganisation etc.) in relation to the holding, but without prejudice to paragraph 5 above.
- (4) In this Part of this Schedule “the operative date” means—

- 9 (1) For the purposes of this paragraph there shall be ascertained—
- (a) the amount which would be the relevant allowable expenditure on a disposal of the whole of the holding on the day in 1982 which immediately precedes the operative date; and
 - (b) the amount which would have been the relevant allowable expenditure on a disposal of the whole of the holding (as then constituted) on the same day in 1981;
- and in this paragraph these amounts are referred to as the 1982 amount and the 1981 amount respectively.
- (2) If the 1982 amount exceeds the 1981 amount, paragraph 8(2) above shall not apply to the holding and the following provisions of this paragraph shall have effect in relation to it.
- (3) Where sub-paragraph (2) above applies, the identification rules set out in sub-paragraph (4) below shall be assumed to have applied in relation to every acquisition or disposal of securities which occurred after the day referred to in sub-paragraph (1) (b) above and before the operative date and which, apart from this paragraph, would have increased or reduced the size of the holding; and accordingly—
- (a) only such of the securities (if any) which constituted the holding on that day as are not identified, by virtue of those rules, with securities disposed of before the operative date shall be regarded as constituting the holding on the operative date; and
 - (b) all securities acquired after that day and before the operative date, so far as they are not so identified with securities disposed of before the operative date, shall be regarded as separate assets.
- (4) The identification rules referred to in sub-paragraph (3) above are—
- (a) that securities disposed of on an earlier date shall be identified before securities disposed of on a later date, and the identification of the securities first disposed of shall accordingly determine the securities which could be comprised in the later disposal; and
 - (b) that securities disposed of shall be identified with securities acquired on a later date rather than with securities acquired on an earlier date; and
 - (c) that securities disposed of shall be identified with securities acquired at different times on any one day in as nearly as may be equal proportions;
- and these rules shall have priority according to the order in which they are set out above.
- (5) In this paragraph and paragraph 10 below—
- (a) “the reduced holding” means the securities referred to in sub-paragraph (3) (a) above; and
 - (b) “relevant allowable expenditure” has, in relation to a disposal taking place at any time, the meaning assigned to it by subsection (2)(b) of section 86 of this Act in relation to a disposal to which that section applies.

- (6) Sub-paragraph (2) of paragraph 8 above shall apply in relation to the reduced holding but, so far as paragraph (c) of that sub-paragraph is concerned, subject to paragraph 10(1) below.
- 10 (1) For the purpose of computing the indexation allowance (if any) on a disposal of—
- (a) the reduced holding, or
 - (b) any other securities which, by virtue of sub-paragraph (3)(b) of paragraph 9 above, constitute one or more separate assets,
- the 1982 amount, as defined in that paragraph, shall be apportioned between the reduced holding and that asset or those assets in proportion to a number of securities comprised in each of them on the operative date.
- (2) In relation to a disposal on or after the operative date, the amount apportioned to the reduced holding or to any asset by virtue of sub-paragraph (1) above shall be regarded for all purposes of capital gains tax as the relevant allowable expenditure attributable to the securities comprised in the reduced holding or, as the case may be, in the asset in question.
- (3) For the purposes of section 87(5) of this Act any relevant allowable expenditure which is attributable to any securities by virtue of sub-paragraph (2) above shall be deemed to be expenditure falling within paragraph (a) of subsection (1) of section 32 of the ^{M75}Capital Gains Tax Act 1979.

ALTERNATIVE VALUATION OF ETHANE USED FOR PETROCHEMICAL PURPOSES

Modifications etc. (not altering text)

C51 See Finance Act 1986 (c. 41), s. 109(5) and Sch. 21

The election

- 1 (1) An election shall be made—
 - (a) in so far as it is to apply to ethane which is relevantly appropriated, by the participator alone; and
 - (b) in so far as it is to apply to ethane which is disposed of, by the participator and the person to whom it is disposed of.
- (2) An election shall be made in such form as may be prescribed by the Board and shall—
 - (a) identify, by reference to volume, chemical composition and initial treatment, the ethane to which the election is to apply;
 - (b) specify the period, beginning on or after the date of the election and not exceeding fifteen years, which is covered by the election;
 - (c) specify the price formula which is to apply for determining the market values of ethane during that period;
 - (d) specify the petrochemical purposes for which ethane to which the election applies will be used; and
 - (e) specify the place to or at which any such ethane is to be delivered or appropriated.
- (3) The reference in sub-paragraph (2)(a) above to initial treatment is a reference to such initial treatment (if any) as the ethane will have been subjected to before it is disposed of or relevantly appropriated.

Conditions for acceptance of an election

- 2 (1) Subject to sub-paragraphs (2) and (3) below, the Board shall accept an election if they are satisfied that, under a relevant contract (as defined in paragraph 3 below) for the sale at arm's length of the ethane to which the election applies, the contract prices would not differ materially from the market values determined in accordance with the price formula specified in the election ; and if the Board are not so satisfied they shall reject the election.
- (2) The Board shall reject an election if they are not satisfied that the price formula specified in the election is such that the market value of ethane disposed of or relevantly appropriated at any time during the period covered by the election will be readily ascertainable either by reference to the price formula alone or by reference to that formula and to information—
 - (a) which is, or is expected to be at that time, publicly available; and
 - (b) which is not related or dependent, in whole or to any substantial degree, to or on the activities of the person or persons making the election or any person connected or associated with him or them.

Status: Point in time view as at 01/02/1991.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 1982. (See end of Document for details)

- (3) The Board shall reject an election if, after receiving notice in writing from the Board, the person or, as the case may be, either of the persons by whom the election was made—
- (a) fails to furnish to the Board, before the appropriate date, any information which the Board may reasonably require for the purpose of determining whether the election should be accepted; or
 - (b) fails to make available for inspection, before the appropriate date, by an officer authorised by the Board any books, accounts or documents in his possession or power which contain any information relevant for that purpose.
- (4) In sub-paragraph (3) above “the appropriate date” means such date as may be specified in the notice concerned, being a date not earlier than one month after the date on which the notice was given.
- (5) Any notice under sub-paragraph (3) above shall be given within the period of three months beginning on the date of the election in question.
- 3 (1) In paragraph 2 above “relevant contract” means a contract which is entered into,—
- (a) if the price formula specified in the election is derived from an actual contract which is identified in the election and was entered into not more than two years before the date of the election, at the time at which that contract was entered into, and
 - (b) in any other case, at the time of the election in question,
- and which incorporates the terms specified in sub-paragraph (2) below, but it is not necessarily a contract for the sale of ethane for petrochemical purposes.
- (2) The terms referred to in sub-paragraph (1) above are—
- (a) that the ethane is required to be delivered at the place in the United Kingdom at which the seller could reasonably be expected to deliver it or, if there is more than one such place, the one nearest to the place of extraction; and
 - (b) that the price formula may be varied only in the event of a substantial and lasting change in the economic circumstances surrounding or underlying the contract and that any such variation may not take place before the expiry of the period of five years beginning on the date of the first delivery of ethane during the period covered by the election.

Notice of acceptance or rejection

- 4 (1) Notice of the acceptance or rejection of an election shall be given to the party or, as the case may be, each of the parties to the election before the expiry of the period of three months beginning on—
- (a) the date of the election, or
 - (b) if a notice has been given under paragraph 2(3) above relating to the election, the date or, as the case may be, the last date which is the appropriate date, as defined in paragraph 2(4) above, in relation to such a notice.
- (2) If no such notice of acceptance or rejection is so given, the Board shall be deemed to have accepted the election and to have given notice of their acceptance on the last day of the period referred to in sub-paragraph (1) above.

Status: Point in time view as at 01/02/1991.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 1982. (See end of Document for details)

- (3) After notice of the acceptance of an election has been given under this paragraph, a change in the identity of the participator or, where appropriate, of the person to whom the ethane in question is disposed of shall not, of itself, affect the continuing operation of the election.

Market value ceasing to be readily ascertainable

- 5 (1) In any case where—
- (a) it appears to the Board that, at some time during the period covered by an election, the market value of ethane to which the election applies has ceased or is ceasing to be readily ascertainable as mentioned in paragraph 2(2) above, and
 - (b) the Board give notice of that fact to the party or, as the case may be, each of the parties to the election and in that notice specify a date for the purposes of this paragraph (which may be a date earlier than that on which the notice is given),
- then, subject to sub-paragraph (2) below, on the date so specified the election shall cease to have effect.

- (2) If—
- (a) within the period of three months beginning on the date of a notice under sub-paragraph (1)(b) above, the party or parties to the election by notice in writing given to the Board specify a new price formula, and
 - (b) the new price formula is accepted by the Board in accordance with paragraph 7 below,
- the election shall continue to have effect and, subject to paragraph 9 below, for the purpose of determining the market value, on and after the date specified in the notice under sub-paragraph (1)(b) above, of ethane to which the election applies, section 134 of this Act shall have effect as if the new price formula were the formula specified in the election.

Price formula ceasing to give realistic market values

- 6 (1) If, at any time after the expiry of the period of five years beginning on the date of the first delivery or relevant appropriation of ethane during the period covered by an election,—
- (a) it appears to the party or parties to the election or, as the case may be, to the Board that, by reason of any substantial and lasting change in any economic circumstances which were relevant at the time referred to in paragraph 3(1) above, the market values determined in accordance with the price formula specified in the election are no longer realistic; and
 - (b) the party or parties to the election give notice of that fact to the Board, or the Board give notice of that fact to the party or, as the case may be, each of the parties to the election,
- then, subject to the following provisions of this paragraph, sub-paragraph (2) below shall apply.
- (2) Where this sub-paragraph applies, the election shall not have effect with respect to any chargeable period beginning after the date of the notice under sub-paragraph (1) (b) above.

Status: Point in time view as at 01/02/1991.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 1982. (See end of Document for details)

- (3) Before the expiry of the period of three months beginning on the date on which a notice under sub-paragraph (1)(b) above given by the party or parties to the election is received by the Board, the Board shall give notice of acceptance or rejection of that notice to the party or parties concerned; and
- (a) if the Board give notice of rejection, sub-paragraph (2) above shall not apply; and
 - (b) if no notice of acceptance or rejection is in fact given as required by this sub-paragraph, the Board shall be deemed to have given notice of acceptance on the last day of the period of three months referred to above.
- (4) If a notice under sub-paragraph (1)(b) above which has been given by the party or parties to the election contains a new price formula, the Board shall first consider the notice without regard to that formula and if, following upon that consideration, the Board give a notice of acceptance under sub-paragraph (3) above, they shall then proceed to consider the new price formula.
- (5) In any case where—
- (a) sub-paragraph (4) above applies and the new price formula contained in the notice under sub-paragraph (1)(b) above is accepted by the Board in accordance with paragraph 7 below, or
 - (b) within the period of three months beginning on the date of a notice given by the Board under sub-paragraph (1)(b) above, the party or parties to the election by notice in writing given to the Board specify a new price formula which is accepted by the Board in accordance with paragraph 7 below,
- sub-paragraph (2) above shall not apply and for the purpose of determining, for any chargeable period beginning after the date of the notice under sub-paragraph (1)(b) above, the market value of ethane to which the election applies, section 134 of this Act shall have effect as if the new price formula were the formula specified in the election.
