

Mental Health Act 1983

1983 CHAPTER 20

PART III

PATIENTS CONCERNED IN CRIMINAL PROCEEDINGS OR UNDER SENTENCE

Remands to hospital

35 Remand to hospital for report on accused's mental condition

- (1) Subject to the provisions of this section, the Crown Court or a magistrates' court may remand an accused person to a hospital specified by the court for a report on his mental condition.
- (2) For the purposes of this section an accused person is—
 - (a) in relation to the Crown Court, any person who is awaiting trial before the court for an offence punishable with imprisonment or who has been arraigned before the court for such an offence and has not yet been sentenced or otherwise dealt with for the offence on which he has been arraigned ;
 - (b) in relation to a magistrates' court, any person who has been convicted by the court of an offence punishable on summary conviction with imprisonment and any person charged with such an offence if the court is satisfied that he did the act or made the omission charged or he has consented to the exercise by the court of the powers conferred by this section.
- (3) Subject to subsection (4) below, the powers conferred by this section may be exercised if—
 - (a) the court is satisfied, on the written or oral evidence of a registered medical practitioner, that there is reason to suspect that the accused person is suffering from mental illness, psychopathic disorder, severe mental impairment or mental impairment; and
 - (b) the court is of the opinion that it would be impracticable for a report on his mental condition to be made if he were remanded on bail;

but those powers shall not be exercised by the Crown Court in respect of a person who has been convicted before the court if the sentence for the offence of which he has been convicted is fixed by law.

- (4) The court shall not remand an accused person to a hospital under this section unless satisfied, on the written or oral evidence of the registered medical practitioner who would be responsible for making the report or of some other person representing the managers of the hospital, that arrangements have been made for his admission to that hospital and for his admission to it within the period of seven days beginning with the date of the remand; and if the court is so satisfied it may, pending his admission, give directions for his conveyance to and detention in a place of safety.
- (5) Where a court has remanded an accused person under this section it may further remand him if it appears to the court, on the written or oral evidence of the registered medical practitioner responsible for making the report, that a further remand is necessary for completing the assessment of the accused person's mental condition.
- (6) The power of further remanding an accused person under this section may be exercised by the court without his being brought before the court if he is represented by counsel or a solicitor and his counsel or solicitor is given an opportunity of being heard.
- (7) An accused person shall not be remanded or further remanded under this section for more than 28 days at a time or for more than 12 weeks in all; and the court may at any time terminate the remand if it appears to the court that it is appropriate to do so.
- (8) An accused person remanded to hospital under this section shall be entitled to obtain at his own expense an independent report on his mental condition from a registered medical practitioner chosen by him and to apply to the court on the basis of it for his remand to be terminated under subsection (7) above.
- (9) Where an accused person is remanded under this section—
 - (a) a constable or any other person directed to do so by the court shall convey the accused person to the hospital specified by the court within the period mentioned in subsection (4) above ; and
 - (b) the managers of the hospital shall admit him within that period and thereafter detain him in accordance with the provisions of this section.
- (10) If an accused person absconds from a hospital to which he has been remanded under this section, or while being conveyed to or from that hospital, he may be arrested without warrant by any constable and shall, after being arrested, be brought as soon as practicable before the court that remanded him ; and the court may thereupon terminate the remand and deal with him in any way in which it could have dealt with him if he had not been remanded under this section.

36 Remand of accused person to hospital for treatment

- (1) Subject to the provisions of this section, the Crown Court may, instead of remanding an accused person in custody, remand him to a hospital specified by the court if satisfied, on the written or oral evidence of two registered medical practitioners, that he is suffering from mental illness or severe mental impairment of a nature or degree which makes it appropriate for him to be detained in a hospital for medical treatment.
- (2) For the purposes of this section an accused person is any person who is in custody awaiting trial before the Crown Court for an offence punishable with imprisonment

Status: This is the original version (as it was originally enacted).

(other than an offence the sentence for which is fixed by law) or who at any time before sentence is in custody in the course of a trial before that court for such an offence.

- (3) The court shall not remand an accused person under this section to a hospital unless it is satisfied, on the written or oral evidence of the registered medical practitioner who would be in charge of his treatment or of some other person representing the managers of the hospital, that arrangements have been made for his admission to that hospital and for his admission to it within the period of seven days beginning with the date of the remand; and if the court is so satisfied it may, pending his admission, give directions for his conveyance to and detention in a place of safety.
- (4) Where a court has remanded an accused person under this section it may further remand him if it appears to the court, on the written or oral evidence of the responsible medical officer, that a further remand is warranted.
- (5) The power of further remanding an accused person under this section may be exercised by the court without his being brought before the court if he is represented by counsel or a solicitor and his counsel or solicitor is given an opportunity of being heard.
- (6) An accused person shall not be remanded or further remanded under this section for more than 28 days at a time or for more than 12 weeks in all; and the court may at any time terminate the remand if it appears to the court that it is appropriate to do so.
- (7) An accused person remanded to hospital under this section shall be entitled to obtain at his own expense an independent report on his mental condition from a registered medical practitioner chosen by him and to apply to the court on the basis of it for his remand to be terminated under subsection (6) above.
- (8) Subsections (9) and (10) of section 35 above shall have effect in relation to a remand under this section as they have effect in relation to a remand under that section.

Hospital and guardianship orders

37 Powers of courts to order hospital admission or guardianship

- (1) Where a person is convicted before the Crown Court of an offence punishable with imprisonment other than an offence the sentence for which is fixed by law, or is convicted by a magistrates' court of an offence punishable on summary conviction with imprisonment, and the conditions mentioned in subsection (2) below are satisfied, the court may by order authorise his admission to and detention in such hospital as may be specified in the order or, as the case may be, place him under the guardianship of a local social services authority or of such other person approved by a local social services authority as may be so specified.
- (2) The conditions referred to in subsection (1) above are that—
 - (a) the court is satisfied, on the written or oral evidence of two registered medical practitioners, that the offender is suffering from mental illness, psychopathic disorder, severe mental impairment or mental impairment and that either—
 - (i) the mental disorder from which the offender is suffering is of a nature or degree which makes it appropriate for him to be detained in a hospital for medical treatment and, in the case of psychopathic disorder or mental impairment, that such treatment is likely to alleviate or prevent a deterioration of his condition; or

Status: This is the original version (as it was originally enacted).

- (ii) in the case of an offender who has attained the age of 16 years, the mental disorder is of a nature or degree which warrants his reception into guardianship under this Act; and
 - (b) the court is of the opinion, having regard to all the circumstances including the nature of the offence and the character and antecedents of the offender, and to the other available methods of dealing with him, that the most suitable method of disposing of the case is by means of an order under this section.
- (3) Where a person is charged before a magistrates' court with any act or omission as an offence and the court would have power, on convicting him of that offence, to make an order under subsection (1) above in his case as being a person suffering from mental illness or severe mental impairment, then, if the court is satisfied that the accused did the act or made the omission charged, the court may, if it thinks fit, make such an order without convicting him.
- (4) An order for the admission of an offender to a hospital (in this Act referred to as " a hospital order ") shall not be made under this section unless the court is satisfied on the written or oral evidence of the registered medical practitioner who would be in charge of his treatment or of some other person representing the managers of the hospital that arrangements have been made for his admission to that hospital in the event of such an order being made by the court, and for his admission to it within the period of 28 days beginning with the date of the making of such an order; and the court may, pending his admission within that period, give such directions as it thinks fit for his conveyance to and detention in a place of safety.
- (5) If within the said period of 28 days it appears to the Secretary of State that by reason of an emergency or other special circumstances it is not practicable for the patient to be received into the hospital specified in the order, he may give directions for the admission of the patient to such other hospital as appears to be appropriate instead of the hospital so specified ; and where such directions are given—
 - (a) the Secretary of State shall cause the person having the custody of the patient to be informed, and
 - (b) the hospital order shall have effect as if the hospital specified in the directions were substituted for the hospital specified in the order.
- (6) An order placing an offender under the guardianship of a local social services authority or of any other person (in this Act referred to as " a guardianship order ") shall not be made under this section unless the court is satisfied that that authority or person is willing to receive the offender into guardianship.
- (7) A hospital order or guardianship order shall specify the form or forms of mental disorder referred to in subsection (2)(a) above from which, upon the evidence taken into account under that subsection, the offender is found by the court to be suffering; and no such order shall be made unless the offender is described by each of the practitioners whose evidence is taken into account under that subsection as suffering from the same one of those forms of mental disorder, whether or not he is also described by either of them as suffering from another of them.
- (8) Where an order is made under this section, the court shall not pass sentence of imprisonment or impose a fine or make a probation order in respect of the offence or make any such order as is mentioned in paragraph (b) or (c) of section 7(7) of the Children and Young Persons Act 1969 in respect of the offender, but may make any other order which the court has power to make apart from this section ; and for

the purposes of this subsection " sentence of imprisonment" includes any sentence or order for detention.

38 Interim hospital orders

- (1) Where a person is convicted before the Crown Court of an offence punishable with imprisonment (other than an offence the sentence for which is fixed by law) or is convicted by a magistrates' court of an offence punishable on summary conviction with imprisonment and the court before or by which he is convicted is satisfied, on the written or oral evidence of two registered medical practitioners—
 - (a) that the offender is suffering from mental illness, psychopathic disorder, severe mental impairment or mental impairment; and
 - (b) that there is reason to suppose that the mental disorder from which the offender is suffering is such that it may be appropriate for a hospital order to be made in his case,the court may, before making a hospital order or dealing with him in some other way, make an order (in this Act referred to as " an interim hospital order") authorising his admission to such hospital as may be specified in the order and his detention there in accordance with this section.
- (2) In the case of an offender who is subject to an interim hospital order the court may make a hospital order without his being brought before the court if he is represented by counsel or a solicitor and his counsel or solicitor is given an opportunity of being heard.
- (3) At least one of the registered medical practitioners whose evidence is taken into account under subsection (1) above shall be employed at the hospital which is to be specified in the order.
- (4) An interim hospital order shall not be made for the admission of an offender to a hospital unless the court is satisfied, on the written or oral evidence of the registered medical practitioner who would be in charge of his treatment or of some other person representing the managers of the hospital, that arrangements have been made for his admission to that hospital and for his admission to it within the period of 28 days beginning with the date of the order; and if the court is so satisfied the court may, pending his admission, give directions for his conveyance to and detention in a place of safety.
- (5) An interim hospital order—
 - (a) shall be in force for such period, not exceeding 12 weeks, as the court may specify when making the order; but
 - (b) may be renewed for further periods of not more than 28 days at a time if it appears to the court, on the written or oral evidence of the responsible medical officer, that the continuation of the order is warranted ;but no such order shall continue in force for more than six months in all and the court shall terminate the order if it makes a hospital order in respect of the offender or decides after considering the written or oral evidence of the responsible medical officer to deal with the offender in some other way.
- (6) The power of renewing an interim hospital order may be exercised without the offender being brought before the court if he is represented by counsel or a solicitor and his counsel or solicitor is given an opportunity of being heard.

- (7) If an offender absconds from a hospital in which he is detained in pursuance of an interim hospital order, or while being conveyed to or from such a hospital, he may be arrested without warrant by a constable and shall, after being arrested, be brought as soon as practicable before the court that made the order ; and the court may thereupon terminate the order and deal with him in any way in which it could have dealt with him if no such order had been made.

39 Information as to hospitals

- (1) Where a court is minded to make a hospital order or interim hospital order in respect of any person it may request—
- (a) the Regional Health Authority for the region in which that person resides or last resided; or
 - (b) any other Regional Health Authority that appears to the court to be appropriate,
- to furnish the court with such information as that Authority has or can reasonably obtain with respect to the hospital or hospitals (if any) in its region or elsewhere at which arrangements could be made for the admission of that person in pursuance of the order, and that Authority shall comply with any such request.
- (2) In its application to Wales subsection (1) above shall have effect as if for any reference to any such Authority as is mentioned in paragraph (a) or (b) of that subsection there were substituted a reference to the Secretary of State, and as if for the words " in its region or elsewhere " there were substituted the words " in Wales " .

40 Effect of hospital orders, guardianship orders and interim hospital orders

- (1) A hospital order shall be sufficient authority—
- (a) for a constable, an approved social worker or any other person directed to do so by the court to convey the patient to the hospital specified in the order within a period of 28 days ; and
 - (b) for the managers of the hospital to admit him at any time within that period and thereafter detain him in accordance with the provisions of this Act.
- (2) A guardianship order shall confer on the authority or person named in the order as guardian the same powers as a guardianship application made and accepted under Part II of this Act.
- (3) Where an interim hospital order is made in respect of an offender—
- (a) a constable or any other person directed to do so by the court shall convey the offender to the hospital specified in the order within the period mentioned in section 38(4) above; and
 - (b) the managers of the hospital shall admit him within that period and thereafter detain him in accordance with the provisions of section 38 above.
- (4) A patient who is admitted to a hospital in pursuance of a hospital order, or placed under guardianship by a guardianship order, shall, subject to the provisions of this subsection, be treated for the purposes of the provisions of this Act mentioned in Part I of Schedule 1 to this Act as if he had been so admitted or placed on the date of the order in pursuance of an application for admission for treatment or a guardianship application, as the case may be, duly made under Part II of this Act, but subject to any modifications of those provisions specified in that Part of that Schedule.

- (5) Where a patient is admitted to a hospital in pursuance of a hospital order, or placed under guardianship by a guardianship order, any previous application, hospital order or guardianship order by virtue of which he was liable to be detained in a hospital or subject to guardianship shall cease to have effect; but if the first-mentioned order, or the conviction on which it was made, is quashed on appeal, this subsection shall not apply and section 22 above shall have effect as if during any period for which the patient was liable to be detained or subject to guardianship under the order, he had been detained in custody as mentioned in that section.

Restriction orders

41 Power of higher courts to restrict discharge from hospital

- (1) Where a hospital order is made in respect of an offender by the Crown Court, and it appears to the court, having regard to the nature of the offence, the antecedents of the offender and the risk of his committing further offences if set at large, that it is necessary for the protection of the public from serious harm so to do, the court may, subject to the provisions of this section, further order that the offender shall be subject to the special restrictions set out in this section, either without limit of time or during such period as may be specified in the order; and an order under this section shall be known as " a restriction order ".
- (2) A restriction order shall not be made in the case of any person unless at least one of the registered medical practitioners whose evidence is taken into account by the court under section 37(2)(a) above has given evidence orally before the court.
- (3) The special restrictions applicable to a patient in respect of whom a restriction order is in force are as follows—
- (a) none of the provisions of Part II of this Act relating to the duration, renewal and expiration of authority for the detention of patients shall apply, and the patient shall continue to be liable to be detained by virtue of the relevant hospital order until he is duly discharged under the said Part II or absolutely discharged under section 42, 73, 74 or 75 below ;
 - (b) no application shall be made to a Mental Health Review Tribunal in respect of a patient under section 66 or 69(1) below;
 - (c) the following powers shall be exercisable only with the consent of the Secretary of State, namely—
 - (i) power to grant leave of absence to the patient under section 17 above;
 - (ii) power to transfer the patient in pursuance of regulations under section 19 above ; and
 - (iii) power to order the discharge of the patient under section 23 above ;and if leave of absence is granted under the said section 17 power to recall the patient under that section shall vest in the Secretary of State as well as the responsible medical officer; and
 - (d) the power of the Secretary of State to recall the patient under the said section 17 and power to take the patient into custody and return him under section 18 above may be exercised at any time;
- and in relation to any such patient section 40(4) above shall have effect as if it referred to Part II of Schedule 1 to this Act instead of Part I of that Schedule.

Status: This is the original version (as it was originally enacted).

- (4) A hospital order shall not cease to have effect under section 40(5) above if a restriction order in respect of the patient is in force at the material time.
- (5) Where a restriction order in respect of a patient ceases to have effect while the relevant hospital order continues in force, the provisions of section 40 above and Part I of Schedule 1 to this Act shall apply to the patient as if he had been admitted to the hospital in pursuance of a hospital order (without a restriction order) made on the date on which the restriction order ceased to have effect.
- (6) While a person is subject to a restriction order the responsible medical officer shall at such intervals (not exceeding one year) as the Secretary of State may direct examine and report to the Secretary of State on that person ; and every report shall contain such particulars as the Secretary of State may require.

42 Powers of Secretary of State in respect of patients subject to restriction orders

- (1) If the Secretary of State is satisfied that in the case of any patient a restriction order is no longer required for the protection of the public from serious harm, he may direct that the patient shall cease to be subject to the special restrictions set out in section 41(3) above ; and where the Secretary of State so directs, the restriction order shall cease to have effect, and section 41(5) above shall apply accordingly.
- (2) At any time while a restriction order is in force in respect of a patient, the Secretary of State may, if he thinks fit, by warrant discharge the patient from hospital, either absolutely or subject to conditions; and where a person is absolutely discharged under this subsection, he shall thereupon cease to be liable to be detained by virtue of the relevant hospital order, and the restriction order shall cease to have effect accordingly.
- (3) The Secretary of State may at any time during the continuance in force of a restriction order in respect of a patient who has been conditionally discharged under subsection (2) above by warrant recall the patient to such hospital as may be specified in the warrant.
- (4) Where a patient is recalled as mentioned in subsection (3) above—
 - (a) if the hospital specified in the warrant is not the hospital from which the patient was conditionally discharged, the hospital order and the restriction order shall have effect as if the hospital specified in the warrant were substituted for the hospital specified in the hospital order;
 - (b) in any case, the patient shall be treated for the purposes of section 18 above as if he had absented himself without leave from the hospital specified in the warrant, and, if the restriction order was made for a specified period, that period shall not in any event expire until the patient returns to the hospital or is returned to the hospital under that section.
- (5) If a restriction order in respect of a patient ceases to have effect after the patient has been conditionally discharged under this section, the patient shall, unless previously recalled under subsection (3) above, be deemed to be absolutely discharged on the date when the order ceases to have effect, and shall cease to be liable to be detained by virtue of the relevant hospital order accordingly.
- (6) The Secretary of State may, if satisfied that the attendance at any place in Great Britain of a patient who is subject to a restriction order is desirable in the interests of justice or for the purposes of any public inquiry, direct him to be taken to that place; and where a patient is directed under this subsection to be taken to any place he shall, unless the

Secretary of State otherwise directs, be kept in custody while being so taken, while at that place and while being taken back to the hospital in which he is liable to be detained.

43 Power of magistrates' courts to commit for restriction order

- (1) If in the case of a person of or over the age of 14 years who is convicted by a magistrates' court of an offence punishable on summary conviction with imprisonment—
 - (a) the conditions which under section 37(1) above are required to be satisfied for the making of a hospital order are satisfied in respect of the offender; but
 - (b) it appears to the court, having regard to the nature of the offence, the antecedents of the offender and the risk of his committing further offences if set at large, that if a hospital order is made a restriction order should also be made,the court may, instead of making a hospital order or dealing with him in any other manner, commit him in custody to the Crown Court to be dealt with in respect of the offence.
- (2) Where an offender is committed to the Crown Court under this section, the Crown Court shall inquire into the circumstances of the case and may—
 - (a) if that court would have power so to do under the foregoing provisions of this Part of this Act upon the conviction of the offender before that court of such an offence as is described in section 37(1) above, make a hospital order in his case, with or without a restriction order;
 - (b) if the court does not make such an order, deal with the offender in any other manner in which the magistrates' court might have dealt with him.
- (3) The Crown Court shall have the same power to make orders under sections 35, 36 and 38 above in the case of a person committed to the court under this section as the Crown Court has under those sections in the case of an accused person within the meaning of section 35 or 36 above or of a person convicted before that court as mentioned in section 38 above.
- (4) The power of a magistrates' court under section 38 of the Magistrates' Courts Act 1980 (which enables such a court to commit an offender to the Crown Court where the court is of the opinion that greater punishment should be inflicted for the offence than the court has power to inflict) shall also be exercisable by a magistrates' court where it is of the opinion that greater punishment should be inflicted as aforesaid on the offender unless a hospital order is made in his case with a restriction order.
- (5) The power of the Crown Court to make a hospital order, with or without a restriction order, in the case of a person convicted before that court of an offence may, in the same circumstances and subject to the same conditions, be exercised by such a court in the case of a person committed to the court under section 5 of the Vagrancy Act 1824 (which provides for the committal to the Crown Court of persons who are incorrigible rogues within the meaning of that section).

44 Committal to hospital under s. 43

- (1) Where an offender is committed under section 43(1) above and the magistrates' court by which he is committed is satisfied on written or oral evidence that arrangements have been made for the admission of the offender to a hospital in the event of an order

Status: This is the original version (as it was originally enacted).

being made under this section, the court may, instead of committing him in custody, by order direct him to be admitted to that hospital, specifying it, and to be detained there until the case is disposed of by the Crown Court, and may give such directions as it thinks fit for his production from the hospital to attend the Crown Court by which his case is to be dealt with.

- (2) The evidence required by subsection (1) above shall be given by the registered medical practitioner who would be in charge of the offender's treatment or by some other person representing the managers of the hospital in question.
- (3) The power to give directions under section 37(4) above, section 37(5) above and section 40(1) above shall apply in relation to an order under this section as they apply in relation to a hospital order, but as if references to the period of 28 days mentioned in section 40(1) above were omitted; and subject as aforesaid an order under this section shall, until the offender's case is disposed of by the Crown Court, have the same effect as a hospital order together with a restriction order, made without limitation of time.

45 Appeals from magistrates' courts

- (1) Where on the trial of an information charging a person with an offence a magistrates' court makes a hospital order or guardianship order in respect of him without convicting him, he shall have the same right of appeal against the order as if it had been made on his conviction; and on any such appeal the Crown Court shall have the same powers as if the appeal had been against both conviction and sentence.
- (2) An appeal by a child or young person with respect to whom any such order has been made, whether the appeal is against the order or against the finding upon which the order was made, may be brought by him or by his parent or guardian on his behalf.

Detention during Her Majesty's pleasure

46 Persons ordered to be kept in custody during Her Majesty's pleasure

- (1) The Secretary of State may by warrant direct that any person who, by virtue of any enactment to which this subsection applies, is required to be kept in custody during Her Majesty's pleasure or until the directions of Her Majesty are known shall be detained in such hospital (not being a mental nursing home) as may be specified in the warrant and, where that person is not already detained in the hospital, give directions for his removal there.
- (2) The enactments to which subsection (1) above applies are section 16 of the Courts-Martial (Appeals) Act 1968, section 116 of the Army Act 1955, section 116 of the Air Force Act 1955 and section 63 of the Naval Discipline Act 1957.
- (3) A direction under this section in respect of any person shall have the same effect as a hospital order together with a restriction order, made without limitation of time; and where such a direction is given in respect of a person while he is in the hospital, he shall be deemed to be admitted in pursuance of, and on the date of, the direction.

Transfer to hospital of prisoners, etc.

47 Removal to hospital of persons serving sentences of imprisonment, etc.

(1) if in the case of a person serving a sentence of imprisonment the Secretary of State is satisfied, by reports from at least two registered medical practitioners—

- (a) that the said person is suffering from mental illness, psychopathic disorder, severe mental impairment or mental impairment; and
- (b) that the mental disorder from which that person is suffering is of a nature or degree which makes it appropriate for him to be detained in a hospital for medical treatment and, in the case of psychopathic disorder or mental impairment, that such treatment is likely to alleviate or prevent a deterioration of his condition ;

the Secretary of State may, if he is of the opinion having regard to the public interest and all the circumstances that it is expedient so to do, by warrant direct that that person be removed to and detained in such hospital (not being a mental nursing home) as may be specified in the direction; and a direction under this section shall be known as " a transfer direction ".

(2) A transfer direction shall cease to have effect at the expiration of the period of 14 days beginning with the date on which it is given unless within that period the person with respect to whom it was given has been received into the hospital specified in the direction.

(3) A transfer direction with respect to any person shall have the same effect as a hospital order made in his case.

(4) A transfer direction shall specify the form or forms of mental disorder referred to in paragraph (a) of subsection (1) above from which, upon the reports taken into account under that subsection, the patient is found by the Secretary of State to be suffering; and no such direction shall be given unless the patient is described in each of those reports as suffering from the same form of disorder, whether or not he is also described in either of them as suffering from another form.

(5) References in this Part of this Act to a person serving a sentence of imprisonment include references—

- (a) to a person detained in pursuance of any sentence or order for detention made by a court in criminal proceedings (other than an order under any enactment to which section 46 above applies);
- (b) to a person committed to custody under section 115(3) of the Magistrates' Courts Act 1980 (which relates to persons who fail to comply with an order to enter into recognisances to keep the peace or be of good behaviour) ; and
- (c) to a person committed by a court to a prison or other institution to which the Prison Act 1952 applies in default of payment of any sum adjudged to be paid on his conviction.

48 Removal to hospital of other prisoners

(1) If in the case of a person to whom this section applies the Secretary of State is satisfied by the same reports as are required for the purposes of section 47 above that that person is suffering from mental illness or severe mental impairment of a nature or degree which makes it appropriate for him to be detained in a hospital for medical treatment and that he is in urgent need of such treatment, the Secretary of State shall have the

Status: This is the original version (as it was originally enacted).

same power of giving a transfer direction in respect of him under that section as if he were serving a sentence of imprisonment.

- (2) This section applies to the following persons, that is to say—
- (a) persons detained in a prison or remand centre, not being persons serving a sentence of imprisonment or persons falling within the following paragraphs of this subsection;
 - (b) persons remanded in custody by a magistrates' court;
 - (c) civil prisoners, that is to say, persons committed by a court to prison for a limited term (including persons committed to prison in pursuance of a writ of attachment), who are not persons falling to be dealt with under section 47 above ;
 - (d) persons detained under the Immigration Act 1971.
- (3) Subsections (2) to (4) of section 47 above shall apply for the purposes of this section and of any transfer direction given by virtue of this section as they apply for the purposes of that section and of any transfer direction under that section.

49 Restriction on discharge of prisoners removed to hospital

- (1) Where a transfer direction is given in respect of any person, the Secretary of State, if he thinks fit, may by warrant further direct that that person shall be subject to the special restrictions set out in section 41 above; and where the Secretary of State gives a transfer direction in respect of any such person as is described in paragraph (a) or (b) of section 48(2) above, he shall also give a direction under this section applying those restrictions to him.
- (2) A direction under this section shall have the same effect as a restriction order made under section 41 above and shall be known as " a restriction direction ".
- (3) While a person is subject to a restriction direction the responsible medical officer shall at such intervals (not exceeding one year) as the Secretary of State may direct examine and report to the Secretary of State on that person; and every report shall contain such particulars as the Secretary of State may require.

50 Further provisions as to prisoners under sentence

- (1) Where a transfer direction and a restriction direction have been given in respect of a person serving a sentence of imprisonment and before the expiration of that person's sentence the Secretary of State is notified by the responsible medical officer, any other registered medical practitioner or a Mental Health Review Tribunal that that person no longer requires treatment in hospital for mental disorder or that no effective treatment for his disorder can be given in the hospital to which he has been removed, the Secretary of State may—
- (a) by warrant direct that he be remitted to any prison or other institution in which he might have been detained if he had not been removed to hospital, there to be dealt with as if he had not been so removed; or
