(2) Subsection (1) above is without prejudice to any power to grant a degree or licence in dentistry which a medical authority may possess apart from the provisions of this Act.

(3) In this section "medical authority" means any of the universities or other bodies who choose appointed members of the General Medical Council, but also includes any of the universities and other bodies in the Republic of Ireland which immediately before 30th April 1979 were entitled to choose such members.

(4) References in this Act to a dental authority are references to a medical authority who grant degrees, licences or other diplomas in dentistry.

(2) On any such representation the Privy Council may direct the authority to desist from attempting to impose any such obligation, and if the authority do not comply with the direction the Privy Council may order that the authority shall cease to have power to grant degrees or licences in dentistry so long as they continue to attempt to impose any such obligation.

(c) direct that the current period of conditional registration shall be extended for such further period from the time when it would otherwise expire as may be specified in the direction;

but the Committee shall not extend any period of conditional registration under this section by more than twelve months at a time.

(5) Where the Health Committee give any direction under this section the registrar shall forthwith serve on the person to whom it applies a notification of the direction and of his right to appeal against it under section 29 below; and where the Committee under subsection (4) above revoke any direction or requirement of a direction the registrar shall forthwith serve on the person to whom the direction applied or, as the case may be, applies a notification of the revocation.

Appeals.

29.—(1) Where a person is notified—

(a) under subsection (4) of section 27 above that a determination has been made in respect of him under that section, or

(b) under subsection (5) of section 28 above that a direction has been given in respect of him under that section,

he may, within twenty-eight days from the service of the notification, appeal to Her Majesty in Council against that determination or, on any question of law, against that direction.

(2) An appeal under this section from the Professional Conduct Committee or the Health Committee shall be made in accordance with such rules as Her Majesty may by Order in Council provide in relation to that Committee for the purposes of this section; and the Judicial Committee Act 1833 shall apply in relation to each of those Committees as it applies in relation to a
court falling within section 3 of that Act (appeals to Her Majesty in Council to be referred to the Judicial Committee of the Privy Council).

(3) Without prejudice to the application of that Act, on an appeal under this section the Judicial Committee may, in their report, recommend to Her Majesty in Council—

(a) that the appeal be dismissed;
(b) that the appeal be allowed and that the determination or direction appealed against be quashed;
(c) that such other determination or direction as the Professional Conduct Committee or (as the case may be) the Health Committee could have made or given be substituted for the determination or direction appealed against; or
(d) that the case be remitted to the Professional Conduct Committee or the Health Committee to dispose of the case under section 27 or 28 above in accordance with the directions of the Judicial Committee.

(4) The Council may appear as respondent on any appeal under this section; and for the purpose of enabling directions to be given as to the costs of any such appeal the Council shall be deemed to be a party to it, whether they appear on the hearing of the appeal or not.

30.—(1) Where no appeal is brought against any determination or direction under section 27 or 28 above within the period mentioned in section 29(1) above, the determination or direction shall take effect at the expiry of that period.

(2) Where an appeal is so brought against any such determination or direction, then (subject to section 31(2) below) the determination or direction shall not take effect until such time as the appeal is dismissed or withdrawn or is struck out for want of prosecution.

(3) If—

(a) the Professional Conduct Committee on making any determination in respect of a person under section 27 above, or
(b) the Health Committee on giving a direction for suspension in respect of a person under section 28(1) or (2) above,

are satisfied that it is necessary for the protection of members of the public, or that it would be in the best interests of that person, to do so, they may order that his registration in the register shall be suspended forthwith; and in that event his registration in the register shall be suspended by virtue of this
subsection from the time when the order is made until the time when the period for bringing an appeal against the said determination or direction under section 29 above expires or, if such an appeal is brought, the appeal is determined or withdrawn or is struck out for want of prosecution.

(4) Where the Professional Conduct Committee or the Health Committee make an order under subsection (3) above the registrar shall forthwith serve on the person to whom it applies a notification of the order and of his right to make an application under subsection (6) below.

(5) If when an order is made under subsection (3) above the person to whom it applies is neither present nor represented at the proceedings, that subsection shall have effect as if, for the reference to the time when the order is made, there were substituted a reference to the time when notification of the order is served under subsection (4) above.

(6) A person whose registration in the register has been suspended under subsection (3) above may apply to the court for an order terminating the suspension, and the decision of the court on any such application shall be final.

(7) In subsection (6) above “the court”—

(a) in the case of a person whose address in the register is in Scotland, means the Court of Session;

(b) in the case of a person whose address in the register is in Northern Ireland, means the High Court in Northern Ireland; and

(c) in the case of any other person, means the High Court in England and Wales.

31.—(1) Where any such direction as is mentioned in section 28(2), (3) or (4)(c) above is given while a person’s registration is subject to conditions or suspended by virtue of a direction under this Act, his registration shall continue to be conditional or suspended throughout any period which may intervene between the time when (but for this subsection) his registration would cease to be conditional or suspended, as the case may be, and the time when—

(a) the period for bringing an appeal against the direction under section 29 above expires; or

(b) if such an appeal is brought, the appeal is determined or withdrawn or is struck out for want of prosecution.

(2) If, however, on the determination of any appeal under section 29 above any such direction as is mentioned in section 28(2), (3) or (4)(c) above takes effect after the time when (but for
subsection (1) above) the current period of conditional registration or suspension referred to in the said provision of section 28 would have ended, the period for which that direction is to have effect shall be treated as having started to run at that time.

32.—(1) Where the Preliminary Proceedings Committee ("the Committee")—

(a) decide that the case of a person who is alleged to have been convicted as mentioned in section 27(1) above, or to have been guilty of any such misconduct as is there mentioned, ought to be referred to the Professional Conduct Committee under that section, and

(b) are satisfied that it is necessary for the protection of members of the public to make an order under this section in respect of that person,

they may order that his registration in the register shall be suspended in accordance with the following provisions of this section pending the determination of his case by the Professional Conduct Committee.

(2) The Committee may make any such order notwithstanding—

(a) in the case of a person alleged to have been convicted as aforesaid, that any proceedings by way of appeal are pending in respect of the conviction in question; or

(b) in the case of a person alleged to have been guilty of any such misconduct as aforesaid, that any criminal charge has been, or might be, brought in respect of the alleged misconduct.

(3) No order shall be made under this section in respect of a person unless he has been afforded an opportunity of appearing before the Committee and of being heard on the question whether such an order should be made in his case; and for the purposes of this subsection a person may be represented before the Committee by counsel or a solicitor, or (if rules under paragraph 8 of Schedule 1 to this Act so provide and he so elects) by a person of such other description as may be specified in the rules.

(4) Where the Committee make an order under this section the registrar shall forthwith serve on the person to whom it applies a notification of the order and of his right to make an application for the termination of the order under subsection (8) below; and the registration of that person in the register shall be suspended by virtue of this section from the time when the notification is so served until such time as the order is revoked under subsection (5) or (6) below.
(5) Any order under this section shall be reviewed by the Committee not later than three months after the date of its making and subsequently at intervals of not more than three months; and where the Committee on any such review are satisfied that the continuation in force of the order is not necessary for the protection of members of the public they shall revoke the order.

(6) Where the case of a person to whom an order under this section applies is determined by the Professional Conduct Committee under section 27 above, the Professional Conduct Committee shall revoke the order either forthwith or, if they make an order for immediate suspension taking effect under section 30(5) above, as from the time when that order so takes effect.

(7) Where an order under this section is revoked under subsection (5) or (6) above the registrar shall forthwith serve on the person concerned a notification of the revocation of the order.

(8) Subsections (6) and (7) of section 30 above shall have effect in relation to an order under this section as they have effect in relation to an order of the Professional Conduct Committee under subsection (3) of that section.

33.—(1) While a person's registration in the register is suspended by virtue of a determination, direction or order under this Part of this Act, he shall be treated as not being registered in the register, notwithstanding that his name still appears in it.

(2) Schedule 3 to this Act (which contains supplementary provisions relating to professional conduct and health cases) shall have effect.

34.—(1) Where a person's name has been erased from the register in consequence of a determination under section 27 above, the name of that person shall not again be entered in the register except by direction of the Council; and the Council may, subject to subsection (2) below, direct that the name of that person shall be restored to the register.

(2) An application for the restoration of a name to the register shall not be made to the Council—

(a) within ten months from the date of erasure, or

(b) within ten months from a previous application.

(3) The Council shall refer any application under this section to the Professional Conduct Committee for determination by them.
Effect of disqualification in another member State

35.—(1) A person who is subject to a disqualifying decision in a member State in which he is or has been established in dental practice shall not be entitled to be registered under section 15(1)(b) above.

(2) A disqualifying decision in a member State in respect of a person is a decision made by responsible authorities in that State and—

(a) expressed to be made on the grounds that he has committed a criminal offence or has misconduted himself in a professional respect, and

(b) having in that State the effect either that he is no longer registered or otherwise officially recognised as a dental practitioner, or that he is prohibited from practising there.

(3) If a person is registered under section 15(1)(b) above when he is subject to a disqualifying decision the registrar, on being satisfied that the person was at that time and still is subject to the decision, shall remove his name from the register.

(4) If, by reason of his being subject to a disqualifying decision, a person is refused registration or has his name erased from the register by the registrar under the foregoing provisions of this section then—

(a) the registrar shall, on request, state in writing the grounds for the refusal or erasure;

(b) the person may appeal by giving notice in writing to the Council; and

(c) any such appeal shall be referred to and determined by the Professional Conduct Committee who shall direct the registrar whether the person is or is not entitled to be registered or should or should not have his name erased from the register, as the case may be;

and paragraphs 2 and 5 of Schedule 3 to this Act shall apply to appeals under this section as they apply in relation to proceedings of the Professional Conduct Committee under section 27 above, except that the Council shall have power to make rules with respect to all or any of the matters mentioned in paragraph 2(2) but shall not be required to do so and separate rules may be made by virtue of this subsection as respects proceedings under it.

(5) If a person who has been registered under section 15(1)(b) above becomes subject to a disqualifying decision his case shall stand referred to the Professional Conduct Committee as the case of a person alleged to have been convicted as mentioned in subsection (1) of section 27 above or to have been guilty of any such misconduct as is there mentioned; and the Committee, on
being satisfied that he is subject to the disqualifying decision, may exercise their powers under that subsection on the assumption that the criminal offence or professional misconduct on the grounds of which the disqualifying decision was made constitutes such conduct as, under paragraph (a) or (b) of that subsection, justifies the exercise of their powers under that subsection.

Visiting EEC practitioners

36. Schedule 4 to this Act (which makes provision for persons established in dental practice in other member States to render dental services during a visit to the United Kingdom without being registered under this Act) shall have effect.

PART IV

RESTRICTIONS ON PRACTICE OF DENTISTRY AND ON CARRYING ON BUSINESS OF DENTISTRY

The practice of dentistry

37.—(1) For the purposes of this Act, the practice of dentistry shall be deemed to include the performance of any such operation and the giving of any such treatment, advice or attendance as is usually performed or given by dentists; and any person who performs any operation or gives any treatment, advice or attendance on or to any person as preparatory to or for the purpose of or in connection with the fitting, insertion or fixing of dentures, artificial teeth or other dental appliances shall be deemed to have practised dentistry within the meaning of this Act.

(2) Dental work shall not be treated for the purposes of this Act as amounting to the practice of dentistry if it is undertaken under the direct personal supervision of a registered dentist—

(a) by a person recognised by a dental authority as a student of dentistry, or by a person recognised by a medical authority as a medical student, as part of a course of instruction approved by that authority for students of that kind, or as part of an examination so approved, or

(b) by any person as part of a course of instruction which he is following in order to qualify for membership of a class of dental auxiliaries or as part of examinations which must be passed in order to qualify for membership of a class of dental auxiliaries;

but, subject to that, a person who undertakes dental work in the course of his studies (whether or not under the supervision of a registered dentist) shall be treated for the purposes of this Act as practising dentistry if he would have been treated for those purposes as practising dentistry if he had undertaken that work in the course of earning his livelihood.
(3) In this section "medical authority" means one of the universities and other bodies who choose appointed members of the General Medical Council.

38.—(1) A person who is not a registered dentist, a visiting EEC practitioner entered in the list of such practitioners, or a registered medical practitioner shall not practise or hold himself out, whether directly or by implication, as practising or as being prepared to practise dentistry.

(2) Any person who acts in contravention of subsection (1) above shall be liable on summary conviction to a fine not exceeding the fifth level on the standard scale.

(3) Summary proceedings for an offence under this section may be brought within the period of six months beginning with the date on which evidence sufficient in the opinion of the prosecutor to warrant the proceedings came to his knowledge; but no such proceedings shall be brought by virtue of this subsection more than two years after the commission of the offence.

(4) For the purposes of subsection (3) above a certificate signed by or on behalf of the prosecutor and stating the date on which such evidence as is mentioned in that subsection came to his knowledge shall be conclusive evidence of that date, and any certificate purporting to be so signed shall be taken to have been so signed unless the contrary is proved.

39.—(1) A person who is not a registered dentist, a visiting EEC practitioner entered in the list of such practitioners or a registered medical practitioner shall not take or use the titles of dentist, dental surgeon or dental practitioner, either alone or in combination with any other word.

(2) No person shall take or use any title or description implying that he is a registered dentist unless he is a registered dentist.

(3) Any person who acts in contravention of this section shall be liable on summary conviction to a fine not exceeding the fifth level on the standard scale.

Restrictions on carrying on the business of dentistry

40.—(1) For the purposes of this Act a person shall be treated as carrying on the business of dentistry if, and only if, he or a partnership of which he is a member receives payment for services rendered in the course of the practice of dentistry by him or by a partner of his, or by an employee of his or of all or any of the partners.
(2) Notwithstanding subsection (1) above, the receipt of payments—

(a) by an authority providing national health services, or

(b) by a person providing dental treatment for his employees without a view to profit, or

(c) by a person providing dental treatment without a view to profit under conditions approved by the Secretary of State or the Department of Health and Social Services for Northern Ireland,

shall not constitute the carrying on of the business of dentistry for the purposes of this Act.

41.—(1) Subject to the provisions of this section, an individual who is not a registered dentist or a registered medical practitioner shall not carry on the business of dentistry unless he was engaged in carrying on the business of dentistry on 21st July 1955, and any individual who contravenes this section shall be liable on summary conviction to a fine not exceeding the fifth level on the standard scale.

(2) The exemption conferred by subsection (1) above on persons who were carrying on the business of dentistry on the date there mentioned shall not extend to any person who has at any time ceased to be a registered dentist in consequence of his name being erased from the register, or his registration in it being suspended, under section 27 above.

(3) This section shall not operate to prevent a person from carrying on the business of dentistry during any period for which his registration in the register is suspended by virtue of a direction under Part III of this Act or by virtue of an order under section 30(3)(b) or section 32 above; and subsections (4) and (6) below shall apply in relation to a person whose registration is so suspended as they apply in relation to a registered dentist.

(4) Where a registered dentist or registered medical practitioner who died after 3rd July 1956 was at his death carrying on a business or practice constituting the business of dentistry, this section shall not operate to prevent his personal representatives or his widow or any of his children, or trustees on behalf of his widow or any of his children, from carrying on the business of dentistry in continuance of that business or practice during the three years beginning with his death.

(5) Where a registered dentist or a registered medical practitioner who died before 4th July 1956 was at his death carrying on a business or practice constituting the business of dentistry, this section shall not operate to prevent his widow, or trustees on behalf of his widow, from carrying on the business of
dentistry in continuance of that business or practice at any
time during her life.

(6) Where a registered dentist or registered medical prac-
titioner becomes bankrupt at a time when he is carrying on a
business or practice constituting the business of dentistry, this
section shall not operate to prevent his trustee in bankruptcy,
or in Northern Ireland the official assignee, from carrying on
the business of dentistry in continuance of that business or
practice during the three years beginning with the bankruptcy.

42.—(1) No body corporate, other than one exempted under
section 43 below, shall carry on the business of dentistry.

(2) Any body corporate contravening this section shall be
liable on summary conviction to a fine not exceeding the third
level on the standard scale.

(3) Where a body corporate is convicted of an offence under
this section, every director and manager of the body shall, unless
he proves that the offence was committed without his
knowledge, be guilty of the like offence.

43.—(1) A body corporate may, subject to the following
provisions of this Part of this Act, carry on the business of
dentistry if—

(a) it was carrying on the business of dentistry on 21st
July 1955, and

(b) it carries on no business other than dentistry or some
business ancillary to the business of dentistry, and

(c) a majority of the directors are registered dentists, and

(d) all its operating staff are either registered dentists or
dental auxiliaries.

(2) Paragraph (a) of subsection (1) above shall not apply—

(a) to a society registered under the Industrial and Provi-
dent Societies Act 1965 or the Industrial and Provident
Societies Act (Northern Ireland) 1969, or

(b) to a body corporate coming into existence on the
reconstruction of a body corporate carrying on busi-
ness on the date mentioned in that paragraph, or
coming into existence on the amalgamation of two or
more such bodies.

(3) Paragraph (b) of subsection (1) above shall not apply to
a body corporate which was carrying on the business of
dentistry before 28th July 1921 so as to prevent it from carrying
on any business which that body was at that date lawfully en-
titled to carry on.
PART IV

(4) Every body corporate carrying on the business of dentistry shall in every year transmit to the registrar a statement in the prescribed form containing the names and addresses of all persons who are its directors or managers or who perform dental operations in connection with its business, and if any such body corporate fails to do so, it shall be deemed to be carrying on the business of dentistry in contravention of the provisions of section 42 above.

(5) If a body corporate exempted by this section ceases at any time to carry on the business of dentistry, the exemption conferred by this section shall not extend to that body on any subsequent occasion when it carries on the business of dentistry.

(6) Nothing in this section shall prevent a body corporate from carrying on the business of dentistry in the circumstances mentioned in subsections (4), (5) and (6) of section 41 above, and subsection (4) above shall not apply in those circumstances.

(7) In this section "prescribed" means prescribed by regulations made by the Council.

Withdrawal of privilege from body corporate.

44.—(1) Where—

(a) a body corporate has been convicted of an offence under section 42 above, or

(b) the name of a director of a body corporate has been erased from the register under section 27 above, or

(c) a director of a body corporate has been convicted under section 38 or 41 above,

the Professional Conduct Committee may, subject to subsection (3) below, direct that the exemption conferred by section 43 above shall cease to extend to that body corporate as from such date as the Committee may specify.

(2) Where—

(a) the name of a member of the operating staff of a body corporate has been erased from the register under section 27 above, and

(b) in the opinion of the Professional Conduct Committee the act or omission constituting the offence or serious professional misconduct on account of which his name was erased was instigated or connived at by a director of the body corporate, or, if the act or omission was a continuing act or omission, a director of the body corporate had, or reasonably ought to have had, knowledge of its continuance,

the Committee may, subject to subsection (3) below, direct that the exemption conferred by section 43 above shall cease to
extend to that body corporate as from such date as the Committee may specify.

(3) The Professional Conduct Committee shall not take a case into consideration under subsection (1) or (2) above while proceedings by way of appeal are pending which may result in that subsection being rendered inapplicable in that case, nor during the period in which any such proceedings may be brought.

(4) Where the Professional Conduct Committee determine under subsection (1) or (2) above that the exemption conferred by section 43 above shall cease to extend to a body corporate, the Committee shall notify the body corporate of their determination and that body may, within twenty-eight days of the notification, in accordance with such rules as Her Majesty may by Order in Council provide for the purposes of this section, appeal to Her Majesty in Council—

(a) in the case of a determination under subsection (1) above, on the ground that, notwithstanding the conviction or (as the case may be) the erasure of the name, the Committee's decision was unjustified;

(b) in the case of a determination under subsection (2) above, on the ground that the opinion of the Committee as to the matters referred to in paragraph (b) of that subsection was incorrect or that, although that opinion was correct, the Committee's decision was unjustified.

(5) The provisions of sections 29 and 30(1) and (2) above shall, with the necessary modifications, apply for the purposes of subsection (4) above as they apply in relation to an appeal under section 29 against a determination of the Professional Conduct Committee.

(6) References in this section to the erasure of the name, or to the conviction, of a director of a body corporate include references to the erasure of the name, or to the conviction, of any person who was a director of a body corporate at the time of the offence or misconduct leading to the erasure or conviction.
Part V

Dental Auxiliaries

45.—(1) Subject to the provisions of this section and section 46 below, the Council may by statutory instrument make regulations for the establishment of classes of dental auxiliaries to undertake dental work of kinds prescribed by the regulations, being dental work amounting to the practice of dentistry.

(2) Regulations under this section may in particular make provision as respects any class so established—

(a) for prescribing the qualifications for becoming a member of that class;

(b) for prescribing the dental work which a member of that class may undertake and the conditions, if any, under which he may undertake it;

(c) for the establishment of a roll or record for that class.

(3) The regulations shall be so framed as to secure that provisions in the regulations as to the arrangements to be made for training persons to become members of a class of dental auxiliaries do not materially impair the facilities for the training of dental students.

(4) Regulations under this section may make provision for the appointment of persons to visit places providing courses of instruction approved by the Council under the regulations or to attend examinations so approved by them, and for the remuneration of such persons.

(5) If, after regulations have been made under this section establishing a class of dental auxiliaries, the Council propose to make further regulations varying the provisions relating to that class or abolishing that class, the further regulations shall be so framed as to secure that a person belonging to that class at the time when the further regulations are made is still permitted to do any dental work of a kind which he was previously permitted to do.

(6) The Council need not comply with subsection (5) above in framing the regulations if they are satisfied that reasonable steps have been taken to give each of the persons belonging to the class in question particulars of their proposals with an opportunity of raising objections and none of those persons has maintained any objection to those proposals.

(7) Where a roll or record is established for a class of dental auxiliaries, regulations under this section may, in particular, provide for—

(a) prescribing a fee to be charged when a person’s name is entered in the roll or record,
(b) prescribing a fee to be charged in respect of the retention of a person's name in the roll or record in any year subsequent to the year in which that person's name was first recorded, and

(c) authorising the person in charge of the roll or record to erase from the roll or record the name of a person who, after such notices and warnings as may be prescribed by the regulations, fails to pay a fee prescribed under paragraph (b) above.

(8) Section 38 above shall not operate to prevent a person doing anything which he is permitted to do by regulations under this section; and the prohibition contained in that section on a person holding himself out as practising or being prepared to practise dentistry shall not apply to a person for the time being permitted by regulations under this section to practise dentistry of any particular kind.

(9) The Council shall not make any regulations under this section unless a draft of those regulations, which has been approved by the Privy Council, has been laid before and approved by a resolution of each House of Parliament.

46.—(1) Regulations under section 45 above shall not permit a dental auxiliary of any class to undertake—

(a) the extraction of teeth other than deciduous teeth, or

(b) except in the course of the provision of national health services, the filling of teeth or the extraction of deciduous teeth, or

(c) the fitting, insertion or fixing of dentures or artificial teeth.

(2) Regulations under section 45 above shall be so framed as to secure that dental work amounting to the practice of dentistry carried out by a dental auxiliary in the course of the provision of national health services is carried out under the direction of a registered dentist; and it shall be the duty of the Council to secure, either by provision in the said regulations or otherwise, that, so long as they think it advisable, such work is only carried out after the registered dentist has examined the patient and has indicated to the dental auxiliary the course of treatment to be provided for the patient.

(3) Regulations under that section shall be so framed as to secure that dental work amounting to the practice of dentistry carried out by a dental auxiliary otherwise than in the course of providing national health services is carried out under the direct personal supervision of a registered dentist.
PART V

(4) Her Majesty may by Order in Council—

(a) provide that subsection (1)(b) above shall cease to have effect in relation to any class of dental auxiliaries specified in the Order;

(b) repeal, in subsection (2) above, the words “in the course of the provision of national health services” and subsection (3) above.

(5) An Order in Council under subsection (4) above shall not be made unless a draft of the Order has been laid before and approved by a resolution of each House of Parliament.

47.—(1) Regulations under section 45 above may authorise members of a class of dental auxiliaries established by the regulations to use a title indicating their membership; and any person who wilfully uses that title when he is not authorised under the regulations to use that title shall be liable, on summary conviction, to a fine not exceeding the third level on the standard scale.

(2) Any member of a class of dental auxiliaries who uses any title or description reasonably calculated to suggest that he possesses any status or qualification connected with dentistry other than a status or qualification which he in fact possesses and which is indicated by particulars entered in the roll or record of the class in respect of him shall be liable, on summary conviction, to a fine not exceeding the third level on the standard scale.

(3) Where in the case of any class of dental auxiliaries regulations under section 45 above do not provide for a roll or record of the class in which particulars of status and qualifications may be entered, subsection (2) above shall have effect as if the words “and which is indicated by particulars entered in the roll or record of the class in respect of him” were omitted.

48.—(1) The Council shall refer to the Dental Auxiliaries Committee ("the Committee") all matters connected with ancillary dental services.

(2) Regulations under section 45 above may provide for entrusting to the Committee the duty of enforcing standards of conduct among dental auxiliaries and for enabling the Committee to withdraw from a person not conforming to those standards the right to undertake dental work as a dental auxiliary of all or any classes.

(3) In relation to any decision of the Committee under regulations made by virtue of subsection (2) above that a person’s name shall be erased from a roll or record established pursuant to section 45(2) above, sections 29 and 30(1) and (2) above shall, with the necessary modifications, apply as they apply in relation to a determination of the Professional Conduct Committee that a person’s name shall be erased from the register.
(4) References to the Committee in subsection (3) above include references to a sub-committee of the Committee.

PART VI
MISCELLANEOUS AND SUPPLEMENTARY

Termination of the 1927 Agreement

49.—(1) If Her Majesty's Government in the United Kingdom and the Government of the Republic of Ireland agree to terminate the Agreement with respect to the registration and control of dentists set out in Part II of the Schedule to the Medical and Dentists Acts Amendment Act 1927, Her Majesty may by Order in Council—

(a) effect such repeals in that Act and this Act, and

(b) make such modifications of this Act,
as appear to Her to be necessary or expedient in consequence of, or in connection with, the termination of the said Agreement.

(2) An Order in Council under this section may—

(a) appoint different days for different repeals or modifications to take effect under the Order; and

(b) contain such transitional and saving provisions as appear to Her Majesty to be necessary or expedient.

(3) An Order in Council under this section which repeals any provision by virtue of which a university or other body in the Republic of Ireland is a dental authority shall include provision preserving the right to registration or continued registration in the register of persons who, immediately before the coming into force of the Order, are entitled to be or are registered under section 15(1)(a) above in virtue of a qualification awarded by that university or body.

(4) An Order in Council made under this section shall be subject to annulment in pursuance of a resolution of either House of Parliament.

Supplementary

50.—(1) For the purposes of any relevant proceedings before the Professional Conduct Committee or the Dental Auxiliaries Committee in England and Wales or Northern Ireland, the Committee may administer oaths, and any party to the proceedings may sue out writs of subpoena ad testificandum and ducettum, but no person shall be compelled under any such writ to produce any document which he could not be compelled to produce on the trial of an action.
(2) Section 36 of the Supreme Court Act 1981 and section 67 of the Judicature (Northern Ireland) Act 1978 (subpoena issued by High Court to run throughout United Kingdom) shall apply in relation to any such proceedings in England and Wales and in Northern Ireland respectively as they apply in relation to causes or matters in the High Court.

(3) For the purposes of any relevant proceedings before the Professional Conduct Committee or the Dental Auxiliaries Committee in Scotland, the Committee may administer oaths and the Court of Session shall on the application of any party to the proceedings have the like power as in any action in that Court—

(a) to grant warrant for the citation of witnesses and havers to give evidence or to produce documents before the Committee, and for the issue of letters of second diligence against any witness or haver failing to appear after due citation;

(b) to grant warrant for the recovery of documents; and

(c) to grant commissions to persons to take the evidence of witnesses or to examine havers and receive their exhibits and productions.

(4) In this section "relevant proceedings"—
