1984 CHAPTER 30

B E IT ENACTED by the Queen's most Excellent Majesty, by and with the advice and consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the authority of the same, as follows:—

PART I

FOOD GENERALLY

Composition and labelling of food

1.—(l) A person is guilty of an offence who—

(a) adds any substance to food,

(b) uses any substance as an ingredient in the preparation of food,

(c) abstracts any constituent from food, or

(d) subjects food to any other process or treatment.

---

Offences as to preparation and sale of injurious foods.
so as (in any such case) to render the food injurious to health, with intent that the food shall be sold for human consumption in that state.

(2) A person is guilty of an offence who—

(a) sells for human consumption,

(b) offers, exposes or advertises for sale for human consumption, or has in his possession for the purpose of such sale, any food rendered injurious to health by means of any operation described in subsection (1), subject to subsections (3) and (4).

(3) In proceedings under this section for an offence consisting of the advertisement for sale of any food, it is a defence for the person charged to prove that, being a person whose business it is to publish, or arrange for the publication of, advertisements, he received the advertisement for publication in the ordinary course of business.

(4) In determining for the purposes of this Act whether an article of food is injurious to health, regard shall be had not only to the probable effect of that article on the health of a person consuming it, but also to the probable cumulative effect of articles of substantially the same composition on the health of a person consuming such articles in ordinary quantities.

2.—(1) If a person sells to the purchaser's prejudice any food which is not—

(a) of the nature, or

(b) of the substance, or

(c) of the quality,

of the food demanded by the purchaser, he is guilty of an offence, subject to section 3.

(2) In subsection (1) the reference to sale shall be construed as a reference to sale for human consumption; and in proceedings under that subsection it is not a defence that the purchaser was not prejudiced because he bought for analysis or examination.

3.—(1) In proceedings under section 2 for an offence consisting of the sale of food—

(a) to which any substance has been added, or

(b) in the preparation of which any substance has been used as an ingredient, or

(c) from which any constituent has been abstracted, or

(d) which has been subjected to any other process or treatment,
other than food thereby rendered injurious to health, it is a defence to prove that—

(i) the operation in question was not carried out fraudulently, and

(ii) the article was sold with a notice attached to it of adequate size, distinctly and legibly printed and conspicuously visible, stating explicitly the nature of the operation, or was sold in a wrapper or container displaying such a notice.

(2) In proceedings under section 2 in respect of any food containing some extraneous matter, it is a defence to prove that the presence of that matter was an unavoidable consequence of the process of collection or preparation.

(3) In proceedings under section 2 in respect of diluted whisky, brandy, rum or gin, it is a defence to prove that—

(a) the spirit in question had been diluted with water only; and

(b) its alcoholic strength by volume was still not lower than 37.2 per cent.

4.—(1) The Ministers may, so far as appears to them to be necessary or expedient in the interests of the public health, or otherwise for the protection of the public, or to be called for by any Community obligation, make regulations for any of the following purposes—

(a) for requiring, prohibiting or regulating the addition of any specified substance, or any substance of any specified class, to food intended for sale for human consumption or any class of such food, or the use of any such substance as an ingredient in the preparation of such food, and generally for regulating the composition of such food;

(b) for requiring, prohibiting or regulating the use of any process or treatment in the preparation of any food intended for sale for human consumption, or any class of such food;

(c) for prohibiting or regulating the sale, possession for sale, offer or exposure for sale, consignment, or delivery, of food which does not comply with any of the regulations, or in relation to which an offence against the regulations has been committed or would have been committed if any relevant act or omission had taken place in England and Wales, or in Northern Ireland, subject to subsection (5), or for prohibiting or regulating the importation of any such food as is mentioned above;
(d) for prohibiting or regulating the sale, possession for sale, or offer, exposure or advertisement for sale, of any specified substance, or of any substance of any specified class, with a view to its use in the preparation of food for human consumption, and the possession of any such substance for use in the preparation of food intended for sale for human consumption.

(2) In the exercise of their functions under this section the Ministers shall have regard to the desirability of restricting, so far as practicable, the use of substances of no nutritional value as foods or as ingredients of foods.

(3) Regulations made under this section may apply to cream, and to any food containing milk, but otherwise shall not apply to milk.

(4) Regulations so made may provide that, where any food is certified by a public analyst as being food to which the regulations apply so far as they are made under paragraph (c) of subsection (1), that food may be treated for the purposes of section 9, or in any corresponding Northern Ireland enactment, as being unfit for human consumption.

Those regulations may be—

(a) in relation to such cases as may be specified, and

(b) subject to such exceptions as may be allowed,

by or under the regulations, but nothing in any such regulations shall be taken as prejudicing the generality of the powers conferred by section 9, or in any corresponding Northern Ireland enactment.

(5) So far as this section relates to importation it applies to Northern Ireland.

5.—(1) To enable the Ministers to exercise their functions under section 4—

(a) they may by order require every person who at the date of the order or at any subsequent time carries on a business which includes the production, importation or use of substances of any class specified in the order to provide the Minister (within such time as may be so specified) with the particulars mentioned in paragraph (b);

(b) those particulars shall be such as may be so specified of the composition and use of any such substance sold in the course of that business for use in the preparation of food for human consumption, or used for that purpose in the course of that business.
(2) Without prejudice to the generality of subsection (1), an order made under that subsection may require the following particulars to be provided in respect of any substance—

(a) particulars of the composition and chemical formula of the substance;

(b) particulars of the manner in which the substance is used or proposed to be used in the preparation of food;

(c) particulars of any investigations carried out by or to the knowledge of the person carrying on the business in question, for the purpose of determining whether and to what extent the substance, or any product formed when the substance is used as mentioned above, is injurious to, or in any other way affects, health;

(d) particulars of any investigations or inquiries carried out by or to the knowledge of the person carrying on the business in question for the purpose of determining the cumulative effect on the health of a person consuming the substance in ordinary quantities.

(3) No particulars provided in accordance with an order under this section, and no information relating to any individual business obtained by means of such particulars, shall, without the previous consent in writing of the person carrying on the business in question, be disclosed except—

(a) in accordance with directions of the Minister, so far as may be necessary for the purposes of section 4 or of any corresponding enactment for the time being in force in Scotland or Northern Ireland,

(b) for the purposes of any proceedings for an offence against the order or any report of those proceedings,

and a person who discloses any such information or particulars in contravention of this subsection is guilty of an offence.

(4) Section 51 of the Patents Act 1949 (which secures inventions against anticipation in certain cases) applies in relation—

(a) to the disclosure of any invention made in pursuance of an order under this section, and

(5) to anything done in consequence of any such disclosure, as it applies in relation to such communications of inventions as are therein mentioned, and to anything done in consequence of such communications.

(5) So far as this section relates to importation it applies to Northern Ireland, and accordingly the words "production" and "or use" shall be omitted from subsection (1).
6.—(1) A person who gives with any food sold by him, or displays with any food exposed by him for sale, a label, whether or not attached to or printed on the wrapper or container, which—
   (a) falsely describes the food, or
   (b) is calculated to mislead as to its nature, or its substance or its quality,
is guilty of an offence, unless he proves that he did not know, and could not with reasonable diligence have ascertained, that the label was of such character as mentioned above.

(2) A person who publishes, or is a party to the publication of, an advertisement (not being such a label so given or displayed by him as mentioned above) which—
   (a) falsely describes any food, or
   (b) is calculated to mislead as to the nature, or the substance or the quality of any food,
is guilty of an offence, subject to subsection (3); and in any proceedings under this subsection against the manufacturer, producer or importer of the food, it rests on the defendant to prove that he did not publish, and was not a party to the publication of, the advertisement.

(3) In proceedings under subsection (2) it is a defence for the person charged to prove either—
   (a) that he did not know, and could not with reasonable diligence have ascertained, that the advertisement was of such a character as is described in that subsection, or
   (b) that, being a person whose business it is to publish, or arrange for the publication of, advertisements, he received the advertisement for publication in the ordinary course of business.

(4) For the purposes of this section, a label or advertisement which is calculated to mislead as to the nutritional or dietary value of any food is calculated to mislead as to the quality of the food.

(5) In proceedings for an offence under this section the fact that a label or advertisement in respect of which the offence is alleged to have been committed contained an accurate statement of the composition of the food shall not preclude the court from finding that the offence was committed.

(6) In this section references to sale shall be construed a references to sale for human consumption.

7.—(1) The Ministers may make regulations for imposing requirements as to, and otherwise regulating—
   (a) the labelling, marking or advertising of food intended for sale for human consumption; and
(b) the descriptions which may be applied to such food.

This provision is without prejudice to section 6.

(2) Regulations made under this section—

(a) may apply to cream, and to any food containing milk (but shall not otherwise apply to milk);

(b) may provide for any purpose authorised by paragraph (c) of section 4(1) in the case of regulations under that section.

(3) So far as this section relates to importation it applies to Northern Ireland.

Food unfit for human consumption

8.—(1) A person who—

(a) sells, or offers or exposes for sale, or has in his possession for the purpose of sale or of preparation for sale, or

(b) deposits with, or consigns to, any person for the purpose of sale or of preparation for sale, any food intended for, but unfit for, human consumption is guilty of an offence, subject to subsection (3).

(2) Where food in respect of which an offence under paragraph (a) of subsection (1) has been committed was sold to the offender by some other person, that person is also guilty of an offence, subject to subsection (3).

(3) Where a person is charged with an offence under paragraph (b) of subsection (1), or under subsection (2), it is a defence for him to prove either—

(a) that he gave notice to the person with whom he deposited, or to whom he consigned or sold, the food in question that it was not intended for human consumption; or

(b) that, at the time when he delivered or despatched it to that person, either it was fit for human consumption or he did not know, and could not with reasonable diligence have ascertained, that it was unfit for human consumption.

(4) If a person licensed under section 1 of the Slaughterhouses 1974 c. 3. Act 1974 to keep a slaughterhouse is convicted of an offence under this section, the court may cancel his licence, in addition to any other punishment.

(5) The justice of the peace before whom any food is brought under section 9 may, but need not, be a member of the court...
before which a person is charged with an offence under this section in relation to that food.

Examination and seizure of suspected food.

9.—(1) An authorised officer of a council—
   (a) may at all reasonable times examine any food intended for human consumption which has been sold, or is offered or exposed for sale, or is in the possession of, or has been deposited with or consigned to, any person for the purpose of sale or of preparation for sale; and
   (b) if it appears to him to be unfit for human consumption, may seize it and remove it in order to have it dealt with by a justice of the peace.

(2) An officer who seizes any food under subsection (1) shall inform the person in whose possession the food was found of his intention to have it dealt with by a justice of the peace, and any person who under section 8 might be liable to a prosecution in respect of the food shall, if he attends before the justice of the peace upon the application for its condemnation, be entitled to be heard and to call witnesses.

(3) If it appears to a justice of the peace that any food brought before him, whether seized under the provisions of this section or not, is unfit for human consumption, he shall condemn it and order it to be destroyed or to be so disposed of as to prevent it from being used for human consumption.

(4) If a justice of the peace refuses to condemn any food seized under this Part by an authorised officer of a council, the council shall compensate the owner of the food for any depreciation in its value resulting from its seizure and removal.

Food as prizes etc.

10. Sections 8 and 9 apply—
   (a) in relation to any food which is intended for human consumption and is offered as a prize or reward in connection with any entertainment to which the public are admitted, whether on payment of money or not, as if the food were, or had been, exposed for sale by each person concerned in the organisation of the entertainment;
   (b) in relation to any food which is intended for human consumption and is offered as a prize or reward or given away for the purpose of advertisement, or in furtherance of any trade or business, as if the food were, or had been, exposed for sale by the person offering or giving away the food; and
(c) in relation to any food which is intended for human consumption and is exposed or deposited in any premises for the purpose of being so offered or given away as mentioned above, as if the food were, or had been, exposed for sale by the occupier of the premises.

In this section “entertainment” includes any social gathering, amusement, exhibition, performance, game, sport or trial of skill.

11.—(1) If an authorised officer of a council has reason to suspect that any vehicle or container contains any food—

(a) which is intended for sale for human consumption, or

(b) which is in the course of delivery after sale for human consumption,

he may examine the contents of the vehicle or container, subject to subsections (4) and (5).

(2) For that purpose the officer may, if necessary, detain the vehicle or container.

(3) If the officer finds any food which appears to him to be intended for, but unfit for, human consumption, he may deal with it as food falling within section 9(1), and subsections (2) to (4) of that section shall apply accordingly.

(4) Nothing in this section authorises the detention of—

(b) any vehicle belonging to a railway company and used by them for the purposes of their undertaking;

(b) offer or expose for sale, or

(c) have in his possession for the purpose of sale or of preparation for sale,
any part of, or product derived wholly or partly from, an animal which has been slaughtered in a knacker's yard or of which the carcase has been brought into a knacker's yard.

(2) A person who contravenes subsection (1) is guilty of an offence, and, if he is licensed under section 1 of the Slaughterhouses Act 1974 to keep either a slaughterhouse or a knacker's yard, the court may, in addition to any other punishment, cancel his licence.

Hygiene

13.—(1) The Ministers may make such regulations as appear to them to be expedient for securing the observance of sanitary and cleanly conditions and practices in connection with—

(a) the sale of food for human consumption, or

(b) the importation, preparation, transport, storage, packaging, wrapping, exposure for sale, service or delivery of food intended for sale or sold for human consumption, or otherwise for the protection of the public health in connection with those matters.

(2) Without prejudice to the generality of subsection (1), regulations made under this section may provide—

(a) for imposing requirements as to the construction, layout, drainage, equipment, maintenance, cleanliness, ventilation, lighting, water-supply and use of premises in, at or from which food is sold for human consumption, or offered, exposed, stored or prepared for sale, for human consumption (including any parts of such premises in which apparatus and utensils are cleansed, or in which refuse is disposed of or stored);

(b) for imposing requirements as to the provision, maintenance and cleanliness of sanitary and washing facilities in connection with such premises, the disposal of refuse and the maintenance and cleanliness of apparatus, equipment, furnishings and utensils used in such premises, and in particular for imposing requirements that every sanitary convenience situated in such premises shall be supplied with water through a suitable flushing appliance;

(c) for prohibiting or regulating the use of any specified materials, or of materials of any specified class, in the manufacture of apparatus or utensils designed for use in the preparation of food for human consumption, and the sale or importation for sale of apparatus or utensils designed for such use and containing any specified materials, or materials of any specified class;

(f) for securing the inspection of animals intended for slaughter, and of carcases of animals, for the purpose of ascertaining whether meat intended for sale for human consumption is fit for such consumption;

(j) for prohibiting or regulating, or enabling local authorities to prohibit or regulate, the sale for human consumption, or the offer, exposure or distribution for sale for human consumption, of shellfish taken from beds or other layings for the time being designated by or under the regulations.

In this subsection "animals" includes poultry.

(3) Regulations under this section may make different provisions in relation to different classes of business; and, without prejudice to the foregoing provisions of this section or section 118, any such regulations imposing requirements in respect of premises may—

(a) impose on the occupier of the premises and, in the case of requirements of a structural character, on any owner of the premises who either lets them for use for a purpose to which the regulations apply or permits them to be so used after notice from the authority charged with the enforcement of the regulations, responsibility for compliance with those requirements;

(b) provide, subject to such limitations and safeguards as may be specified, for conferring, in relation to particular premises, exemptions from the operation of specified provisions contained in regulations made for the purposes of paragraph (a) or paragraph (b) of subsection (2) while there is in force a certificate of the local authority to the effect that compliance with those pro-
visions cannot reasonably be required with respect to the premises or any activities carried on in them.

(4) If any person who has incurred, or is about to incur, expenditure in securing that the requirements of regulations made under this section, being requirements of a structural character, are complied with in respect of any premises owned or occupied by him claims that the whole or any part of the expenditure ought to be borne by any other person having an interest in the premises, he may apply to the county court.

(5) The court may make such order concerning the expenditure or its apportionment as appears to the court, having regard to all the circumstances of the case, including the terms of any contract between the parties, to be just and equitable; and any order made under this subsection may direct that any such contract as mentioned above shall cease to have effect in so far as it is inconsistent with the terms of the order.

(6) Regulations made under this section may impose in respect of accommodation in home-going ships, and in respect of vehicles, stalls and places other than premises, any such requirements as may be imposed under the regulations in respect of premises.

(7) References in this section to food shall be construed as references to food other than milk, except that—

(a) regulations under this section relating to importation may apply to milk; and

(b) any regulations under this section may apply to any food containing milk.

(8) The Ministers shall from time to time take such steps as they think expedient for publishing codes of practice in connection with matters which may be made the subject of regulations under this section, for the purpose of giving advice and guidance to persons responsible for compliance with such regulations.

(9) If a person convicted of an offence against any regulations made under this section with respect to slaughterhouses or knackers' yards is the holder of a licence under section 1 of the Slaughterhouses Act 1974 in respect of the premises where the offence was committed, the court may, in addition to any other punishment, cancel the licence.

(10) So far as this section relates to importation it applies to Northern Ireland.
14.—(1) The provisions of this section have effect where a person is proceeded against by a local authority for an offence against regulations made under section 13 in respect—

(a) of any premises used as catering premises; or

(b) of any business carried on at such premises.

(2) If the person is convicted of the offence and the court thinks it expedient to do so—

(a) having regard to the gravity of the offence or (in the case of an offence committed in respect of premises) to the unsatisfactory nature of the premises, or

(b) having regard to any offences against regulations made under section 13 of which the person has been previously convicted,

the court may, on the application of the local authority, make an order disqualifying that person from using those premises as catering premises for such period not exceeding 2 years as may be specified in the order.

(3) An order under this section shall not be made against any person unless the local authority have, not less than 14 days before the date of the hearing, given that person written notice of their intention to apply for an order to be made against him.

(4) A person subject to an order under this section is guilty of an offence if, while the order is in force—

(a) he uses the premises to which the order relates as catering premises; or

(b) he participates in the management of any business in the course of which the premises are so used by another person.

(5) A person so subject may, from time to time after the expiry of 6 months from the date on which the order came into force, apply to the court before which he was convicted, or by which the order was made, to revoke the order; but where such an application is refused by the court a further application under this subsection shall not be entertained if made within 3 months of the refusal.

(6) On any such application the court may, if it thinks proper having regard to all the circumstances of the case, including in particular—

(a) the person's conduct subsequent to the conviction, and

(b) any improvement in the state of the premises to which the order relates,

grant the application.
PART I

The court to which an application under subsection (5) is made has power to order the applicant to pay the whole or any part of the costs of the application.

Byelaws as to food.

15. A local authority may make byelaws for securing the observance of sanitary and cleanly conditions and practices—

(a) in connection with the handling, wrapping and delivery of food sold or intended for sale for human consumption; and

(b) in connection with the sale or exposure for sale in the open air of food intended for human consumption.

(a) the sale, or the manufacture for the purpose of sale, of ice-cream, or the storage of ice-cream intended for sale, or

(b) the preparation or manufacture of sausages or potted, pressed, pickled or preserved food intended for sale, unless they are registered under this section for that purpose by the local authority.

For the purposes of this subsection—

(i) “sale” means sale for human consumption;

(ii) the preparation of meat or fish by any process of cooking shall be deemed to be the preservation of that meat or fish.

Special designations of milk, and their use

38.—(1) Provision may be made by regulations, to be made by the Ministers and called "Milk (Special Designation) Regulations"—

(a) for prescribing, in relation to milk of any description, such designation (a "special designation") as the Ministers consider appropriate; and

(b) for the granting of licences to producers and sellers of milk authorising the use of a special designation, and for prescribing the periods for which and the conditions subject to which licences, or licences of any particular class, are to be granted under the regulations.

(2) Provision made by such regulations for the granting of licences authorising the use of a special designation shall be for the granting of them by the following—

(a) as respects licences authorising the use of a special designation of raw milk by the producer of the milk, the Minister;

(b) as respects other licences, either the Minister or county councils, food and drugs authorities or local authorities, as may be provided by the regulations.

(3) Part I of Schedule 4 has effect with respect to the provision by such regulations of—

(4) The conditions prescribed by such regulations subject to which licences may be granted may include conditions as to the payment of fees.

For the purpose of a sale or advertisement of milk as, or as part of, a meal or refreshments, a special designation may be used by a person who does not hold a licence authorising the use of that designation in connection with the milk if—

(a) the milk is milk bought by him; and

(b) that designation was used for the purpose of the sale of milk to him.

(2) A person is guilty of an offence who, for the purpose of the sale or advertisement of any milk, refers to that milk by any such description, not being a special designation, as is calculated falsely to suggest—

(a) that there is in force a licence authorising the use of a special designation in connection with that milk; or

(b) that the milk is tested, approved or graded by any competent person; or

(c) that the cows from which the milk is derived are free from the infection of tuberculosis or of any other disease.

(3) In any proceedings taken under subsection (2) it rests on the person charged to prove the truth of any suggestion which, in the court’s opinion, his acts or conduct, as proved by the prosecution, are or is calculated to convey.

(4) Where there has been a breach of a condition subject to which a licence authorising the use of a special designation is granted, but the licence has not been revoked or suspended, the breach shall not be treated as rendering the use of the designation unauthorised for any of the purposes of this section or of any other provision of this Act.

(5) Section 47 applies for the interpretation of the references in this section to selling milk, but as if the definition of milk in that section were omitted.

Compulsory use of special designations in specified areas, and licences for specified areas

The purpose of all sales of milk by retail for human consumption (other than catering sales) where the place of sale is in an area in which this subsection is in operation under the following provisions of this Part in that behalf, and subject to this Part.
PART II

(3) Notwithstanding that the place of sale is not in a specified area, the use of a special designation is obligatory also for the purpose of a sale of milk by retail for human consumption (other than a catering sale) if—

(a) the milk is delivered from an establishment, whether in or outside a specified area; and

(b) there is carried on at that establishment a business of selling milk which includes any sales for the purpose of which the use of a special designation is obligatory under subsection (1).

(4) Subsections (1) and (3) do not apply to the selling of milk as mentioned in those subsections by a producer of milk from cows to persons—

(a) employed by him in or in connection with such production, or

(b) employed by him otherwise in agriculture,

if he does not engage in any other selling of milk as mentioned in those subsections.

(5) A person who sells milk without the use of a special designation under a sale for the purpose of which the use of a special designation is obligatory by virtue of this section is guilty of an offence.

(6) Section 47 applies for the interpretation of this section.

41.—(1) This section applies—

(a) to catering sales; and

(b) to sales of milk to a person who carries on a business which consists of or comprises making catering sales (in this section called "a caterer").

(2) Subject to this Part, a catering sale made in a specified area—

(a) is lawful (unless it is for any reason unlawful apart from this subsection) if the caterer bought the milk under a sale for the purpose of which a special designation was used, or if he holds a licence authorising him to use a special designation in connection with the milk, whether the designation is used for the purpose of the catering sale or not, but

(b) otherwise shall be unlawful.
(3) Subject to this Part, on a sale of milk to a caterer, being a sale for the purpose of which the use of a special designation would be obligatory by section 40 if it were a sale by retail, the use of such a designation is obligatory, except where—

(a) the caterer buys the milk with a view to subjecting it to a process to which milk is required to be subjected as a condition of the use of a special designation in connection with it, and he is the holder of a licence authorising him to use that designation; or

(b) the caterer buys the milk for the purposes of a business of his as a milk dealer or a manufacturer of milk products other than his business as a caterer.

(4) A person is guilty of an offence—

(5) A person is not guilty of an offence under subsection (3) if at the time of the sale in question he had reasonable cause to believe that the conditions specified in paragraph (a) or paragraph (b) of that subsection were satisfied as to that sale or that the buyer was not a caterer.

(6) Section 47 applies for the interpretation of this section.

42.—(1) Notwithstanding anything in subsection (1) or subsection (3) of section 40, or in section 41(3), selling milk as mentioned in those subsections without the use of a special designation is permissible if done with the Minister's consent.

(2) The Minister may give consents for the purposes of this section—

(a) either generally as respects selling milk as mentioned in those subsections or restricted to a particular retailer or establishment or otherwise, and

(b) either unconditionally or subject to conditions, as may appear to him to be requisite to meet any circumstances in which use of a special designation which would be obligatory under those subsections apart from the consent appears to him to be for the time being not reasonably practicable.

(3) A catering sale made in a specified area is not unlawful under section 41(2) if the milk was sold to the caterer with consent given by the Minister for the purposes of this section.
(4) Section 47 applies for the interpretation of this section.

43.—(1) The Ministers may at any time order that section 40(1) shall come into operation in any area in which it is not then in operation, or shall cease to be in operation in any area in which it is then in operation.

(2) Before making an order under this section the Ministers shall consult with such representative organisations as appear to them substantially to represent the interests concerned with the purposes of the order.

(3) For the purposes of this Part—

(a) if a contract of sale of milk is made in one place and the milk is delivered under the contract in another place, the place of sale shall, except in a case falling within paragraph (b), be taken to be the place where the milk is so delivered;

(b) if a contract of sale of milk is made in one place and the milk is delivered under the contract to a carrier for transport to another place, the place of the sale shall be taken to be that other place.

(4) Part II of Schedule 4 has effect as respects the application of Part I of that Schedule to a licence held by a retailer for a specified area.

(5) Section 47 applies for the interpretation of this section.

(a) install, maintain and operate apparatus for the subjecting of milk to any process to which it is required to be subjected as a condition of the use of a special designation in connection with it, and

(b) provide any other facilities for that purpose,

in any case in which it appears to him as respects—

(i) any area which is a specified area, or

(ii) an area as to which the Ministers propose to make an order bringing section 40(1) into operation,

that facilities for the application of such treatment sufficient to provide for supplies of milk of that designation in that area in requisite quantities are not available and are not likely otherwise to become available.
(2) Where the Minister provides facilities under this section—

(a) he may either buy the milk to be treated and re-sell it, otherwise than by retail or to a caterer for the purposes of his business as such, after treatment; or

(b) apply the treatment to milk of others.

(3) The Minister may arrange with local authorities or other persons for the doing, on his behalf and at his expense, of things which he is authorised by this section to do, and it shall be within the powers of local authorities to carry out arrangements so made.

(4) Section 47 applies for the interpretation of this section; and in this section “local authority” means a local authority within the meaning of the Local Government Act 1972.

46.—(1) Such a breach of condition as is mentioned in section 45, constituted by an act or omission for which the holder of the licence is liable to any punishment imposed by or under any enactment other than that section, does not render the holder of the licence guilty of an offence under that section.

(2) Such a breach of condition as is mentioned in section 45 does not render the holder of the licence guilty of an offence under that section unless it was the later, or a later, of two or more such breaches, occurring within a period of 12 months, of conditions either of that licence or of that licence and a
PART II

former licence by way of renewal of which that licence was granted, and was committed either—

(a) after the licensing authority had given him notice in writing as to an earlier of those two or more breaches informing him of his being alleged to have committed it, and warning him of the liability to prosecution imposed by section 45; or

(b) after he had been convicted of an offence under that section because of an earlier of those two or more breaches.

(3) In the case of any prosecution in respect of such a breach of condition as is mentioned in section 45 which would otherwise render the holder of the licence guilty of an offence under that section, it is a defence for him to prove the following matters (either as to that breach, or as to the earlier breach relied on for the purpose of subsection (2) of this section, unless it is one under which he has been convicted of such an offence)—

(a) that neither he nor any servant or agent of his—

(i) did or knew of the doing of, any act that constituted the breach or can reasonably be regarded as having been the cause or among the causes of it, or

(ii) omitted to do, or knew of an omission to do, any act the omission of which constituted the breach, or the doing of which can reasonably be regarded as a precaution that would have prevented it; and

(b) if the breach was in connection with milk that had been sold to him, or had been delivered to him after being subjected to a process to which it was required to be subjected as a condition of the use of the special designation to which his licence related, that that designation—

(i) was used for the purpose of the sale to him or in connection with the delivery to him, as the case may be, and

(ii) was so used without any breach, discoverable by the exercise of reasonable diligence on the part of himself or any servant or agent of his, of any condition, relating to receptacles, to closing, to fastening or to marking, of a licence to use that designation held by the person who sold the milk to him or subjected it to the process, as the case may be.

(4) Section 47 applies for the interpretation of this section.

(3) If it appears to a sampling officer that any food or substance, of which he has procured a sample for the purpose of analysis by a public analyst, was manufactured or put into its wrapper or container by a person (not being a person to whom one part of the sample is required to be given under Part I of Schedule 7) having his name and an address in the United Kingdom displayed on the wrapper or container, the officer shall, unless he decides not to have an analysis made, within three days of procuring the sample send to that person a notice informing him—

(a) that the sample has been procured by the officer; and
(b) where the sample was taken or, as the case may be, from whom it was purchased.

(4) Where a sample taken or purchased by a sampling officer has been analysed by a public analyst, any person to whom a part of the sample was given under Part I of Schedule 7 shall be entitled, on payment to the authority by whose officer the sample was procured of a fee of 5p to be supplied with a copy of the certificate given by the public analyst under section 79(5).

81.—(1) The provisions of this Act relating—

(a) the proper officer or any other authorised officer of the council may by written notice to the proper officer or other authorised officer of a food and drugs authority within whose area the dairy is situated, or through whose area the milk is transported, request him to procure samples of the milk, and

(b) it is the duty of an officer who receives such a notice to procure, as soon as is practicable, samples of the milk in question and to forward those samples to the officer who gave the notice, or to such person as that officer may direct,

and for the purposes of this Act samples so procured shall be deemed to have been procured within the area for which the officer who gave the notice acts.

(3) So much of any contract as requires a purveyor of milk, on a sample of milk being procured under this Act—

(a) to send to the person from whom he obtained the milk any part of that sample, or

(b) to give to that person notice that a sample has been so procured,

shall be void.

(4) It is a defence for a person charged with an offence under this Act, or regulations made under this Act, in respect of a sample of milk taken after the milk has left his possession, to prove—

(b) any fee for analysis shall be payable to the analyst by the food and drugs authority of the area in which the sample is procured.

(2) The Minister shall communicate the result of the analysis of any such sample to the food and drugs authority, and upon that communication the authority shall have the like duty to cause proceedings to be taken as if one of their officers had procured the sample and sent it to be analysed.

84. Where a person procures a sample consisting of a food or substance contained in unopened containers, and the division into parts of the food or substance contained in those containers—

(a) is not reasonably practicable, or

(b) might affect the composition, or impede the proper analysis, of the contents,

the provisions of Part I of Schedule 7, or of section 83, as the case may be, with respect to the division of samples into parts shall be deemed to be complied with if the person procuring the sample divides the containers into the requisite number of lots and deals with each lot as if it were a part in the manner provided by those provisions; and references in this Act to a part of a sample shall be construed accordingly.

85. A local authority may, at the request of a person who has in his possession any food which has not been sold and is not intended for sale, and on payment by that person of such fee, if any, as may be fixed by the authority, arrange to have the food examined.

(ii) that an application for admission, or the giving of such a notice, would defeat the object of the entry, or that the case is one of urgency, or that the premises are unoccupied or the occupier temporarily absent,

the justice may by warrant signed by him authorise the council by any authorised officer to enter the premises, if need be by force.

(3) An authorised officer entering any premises by virtue of this section, or of a warrant issued under it, may take with him such other persons as may be necessary, and on leaving any unoccupied premises which he has entered by virtue of such a warrant shall leave them as effectively secured against trespassers as he found them.

beginning with the date on which the sample was procured.

(3) Subsection (2) does not apply where the justice of the peace before whom the information is laid certifies that he is satisfied on oath that having regard to the circumstances of the particular case it was not practicable to lay the information at an earlier date; but a prosecution in respect of a sample of milk shall not in any case be begun after the expiry of 42 days beginning with the date on which the sample was procured.

(4) Where a sample has been procured under this Act, any proceedings in respect of the article or substance sampled shall be taken before a court having jurisdiction in the place where the sample was procured; but—

(a) where a sample procured within one area is for the purposes of this Act deemed to have been procured within another area, proceedings may, at the prosecutor’s option, be taken either before a court having jurisdiction in the area within which the sample was procured, or before a court having jurisdiction in the area within which it is deemed to have been procured; and

(b) where the article or substance sampled was sold and actually delivered to the purchaser, proceedings may, if the prosecutor so elects, be taken before a court having jurisdiction at the place of delivery.

(5) In any proceedings under this Act in respect of an article or substance sampled—

(a) the summons shall not be made returnable less than 14 days from the day on which it is served; and
PART VI  

(b) a copy of any certificate of analysis obtained on behalf of the prosecutor, and of any certificate given by a justice under subsection (3), shall be served with the summons.

(6) In any proceedings under this Act, where a sample has been procured in such circumstances that its division into parts is required by this Act, the part of the sample retained by the person who procured it shall be produced at the hearing.

(7) Any regulations or order made under this Act and extending to Northern Ireland shall provide for applying, in relation to offences under them, the provisions—

(a) of this section, or

(b) of any corresponding Northern Ireland enactment,

subject to any such modifications or adaptations as may be specified in the regulations or order.

(8) Notwithstanding subsection (1), a person is not liable to be prosecuted for an offence under this Act or regulations made under this Act which was committed before 1st January 1983.

Proceedings by Government departments and councils.  

96.—(1) Without prejudice to their powers of enforcement under any provision of this Act—

(a) the authorities specified in the first column of Schedule 8 may, where they are of opinion that the general interests of consumers are affected, institute proceedings for any of the offences specified in relation to them respectively in the second column of that Schedule; but,

(b) except as otherwise expressly provided by this Act, proceedings shall not be instituted by any of those authorities for an offence against any such provisions of this Act, or of any regulations made under it, which it is the duty of any council to execute and enforce.

(2) A food and drugs authority or a local authority may institute proceedings under any section of, or any regulations made under, this Act if, and only if, they are the authority charged with its execution and enforcement, except that a local authority may institute proceedings under section 2 if the offence alleged relates to food which is alleged to contain some extraneous matter.

Evidence of analysis.  

97.—(1) In any proceedings under this Act, the production by one of the parties—

(a) of a document purporting to be a certificate of a public analyst in the form prescribed under section 79(5), or

(b) of a document supplied to him by the other party as being a copy of such a certificate.
shall be sufficient evidence of the facts stated in it, unless, in the first-mentioned case, the other party requires that the analyst shall be called as a witness.

(2) In any such proceedings, if a sample of milk has been taken by an officer of one authority at the request of an officer of another authority, a document—

(a) which purports to be a certificate signed by the officer who took the sample, and

(b) which states that the provisions of this Act with respect to the manner in which samples are to be dealt with were complied with,

shall, if a copy of it has been served on the defendant with the summons, be sufficient evidence of compliance with those provisions, unless the defendant requires that the officer shall be called as a witness.

(3) In any such proceedings, if a defendant intends—

(a) to produce a certificate of a public analyst, or

(b) under subsection (1), to require that a public analyst shall be called as a witness, or

(c) under subsection (2), to require that a sampling officer shall be called as a witness,

notice of his intention, together, in the first-mentioned case, with a copy of the certificate, shall be given to the other party at least three clear days before the day on which the summons is returnable, and, if this requirement is not complied with, the court may, if it thinks fit, adjourn the hearing on such terms as it thinks proper.

(4) Regulations made under section 4 or section 7 may prescribe a method of analysis for the purpose of ascertaining the presence in, or absence from, any food of any substance specified in the regulations, or the quantity of any such substance which is present in any food; and in any proceedings under this Act—

(a) for a contravention of any regulations made under either of those sections, or

(b) for an offence under section 2 or section 6,

in respect of any food alleged to contain, or not to contain, any substance specified as mentioned above, or any particular quantity of such a substance, evidence of an analysis carried out by the prescribed method shall be preferred to evidence of any other analysis or test.

(5) Subsection (4) applies to Northern Ireland so far as it relates—

(a) to those regulations and orders made under Part I which apply to Northern Ireland, and

C 4
PART VI

(b) to the enforcement and execution of those regulations and orders,

and accordingly that subsection is modified by the omission of the words "under this Act" and paragraph (b).

Presumptions.

98. For the purposes of this Act and of any regulations or byelaws made under this Act—

(a) any article commonly used for human consumption shall, if sold or offered, exposed or kept for sale, be presumed, until the contrary is proved, to have been sold or, as the case may be, to have been or to be intended for sale, for human consumption;

(b) any article commonly used for human consumption which is found on premises used for the preparation, storage, or sale of that article and any article commonly used in the manufacture of products for human consumption which is found on premises used for the preparation, storage or sale of those products, shall be presumed, until the contrary is proved, to be intended for sale, or for manufacturing products for sale, for human consumption;

(c) any substance capable of being used in the composition or preparation of any article commonly used for human consumption which is found on premises on which that article is prepared shall, until the contrary is proved, be presumed to be intended for such use.

Analysis by Government Chemist.

99.—(1) The court before which any proceedings are taken under this Act may, if it thinks fit, and upon the request of either party shall, cause the part of any sample produced before the court under section 95(6) to be sent to the Government Chemist, who shall—

(a) make an analysis, and

(b) transmit to the court a certificate of its result,

and the costs of the analysis shall be paid by the prosecutor or the defendant as the court may order.

(2) If, in a case where an appeal is brought, no action has been taken under subsection (1), its provisions shall apply also in relation to the court by which the appeal is heard.

(3) Any certificate of the results of an analysis transmitted by the Government Chemist under this section shall be signed by or on behalf of the Government Chemist, but—

(a) the analysis may be made by any person acting under the direction of the person by whom the certificate is signed; and
(b) any certificate so transmitted by the Government Chemist shall be evidence of the facts stated in it unless any party to the proceedings requires that the person by whom it is signed shall be called as a witness.

100.—(1) A person against whom proceedings are brought under this Act shall—

(a) upon information duly laid by him, and
(b) on giving to the prosecution not less than three clear days' notice of his intention,
be entitled to have any person to whose act or default he alleges that the contravention of the provisions in question was due brought before the court in the proceedings; and—

(i) if, after the contravention has been proved, the original defendant proves that the contravention was due to the act or default of that other person, that other person may be convicted of the offence; and
(ii) if the original defendant further proves that he has used all due diligence to secure that the provisions in question were complied with, he shall be acquitted of the offence.

(2) Where a defendant seeks to avail himself of the provisions of subsection (1)—

(a) the prosecution, as well as the person whom the defendant charges with the offence, shall have the right to cross-examine him, if he gives evidence, and any witness called by him in support of his pleas, and to call rebutting evidence;
(b) the court may make such order as it thinks fit for the payment of costs by any party to the proceedings to any other party to them.

(3) Where—

(a) it appears to the authority concerned that an offence has been committed in respect of which proceedings might be taken under this Act against some person, and
(b) the authority are reasonably satisfied that the offence of which complaint is made was due to an act or default of some other person and that the first-mentioned person could establish a defence under subsection (1),

they may cause proceedings to be taken against that other person without first causing proceedings to be taken against the first-mentioned person.

In any such proceedings the defendant may be charged with, and, on proof that the contravention was due to his act or
default, be convicted of, the offence with which the first-mentioned person might have been charged.

101.—(1) Where proceedings are brought against any person ("the defendant") in respect of a contravention of any provision of this Act, or of regulations made under this Act, and it is proved—

(a) that the contravention was due to the act or default of some other person, being an act or default which took place in Scotland or Northern Ireland, and

(b) that the defendant used all due diligence to secure compliance with those provisions,

the defendant shall, subject to subsection (2), be acquitted of the offence.

(2) The defendant shall not be entitled to be acquitted under this section unless within seven days from the date of the service of the summons on him he has given written notice to the prosecution of his intention to rely upon the provisions of this section, specifying the name and address of the person to whose act or default he alleges that the contravention was due, and has sent a like notice to that person.

(3) The person specified in a notice served under this section shall be entitled to appear at the hearing and to give evidence, and the court may, if it thinks fit, adjourn the hearing to enable him to do so.

(4) Where it is proved that the contravention of the provisions in question was due to the act or default of some person other than the defendant, being an act or default which took place in Scotland or Northern Ireland, the court shall (whether or not the defendant is acquitted) cause notice of the proceedings to be sent to the Minister.

102.—(1) In any proceedings for an offence under this Act, or any regulations made under this Act, being an offence consisting of selling, or offering, exposing or advertising for sale, or having in possession for the purpose of sale, any article or substance, it is a defence for the defendant to prove—

(a) that he purchased it as being an article or substance which could lawfully be sold or otherwise dealt with as mentioned above, or, as the case may be, could lawfully be so sold or dealt with under the name or description or for the purpose under or for which he sold or dealt with it, and with a written warranty to that effect; and

(b) that he had no reason to believe at the time of the commission of the alleged offence that it was otherwise; and
(c) that it was then in the same state as when he purchased it.

(2) A warranty is only a defence in proceedings under this Act if—

(a) the defendant—

(i) has, not later than three clear days before the date of the hearing, sent to the prosecutor a copy of the warranty with a notice stating that he intends to rely on it and specifying the name and address of the person from whom he received it, and

(ii) has also sent a like notice of his intention to that person, and

(b) in the case of a warranty given by a person resident outside the United Kingdom, the defendant proves that he had taken reasonable steps to ascertain, and did in fact believe in, the accuracy of the statement contained in it, and

(c) in the case of a prosecution in respect of a sample of milk procured from him, the defendant either—

(i) has within 60 hours after the sample was procured served such a notice as is mentioned in paragraph 12 of Schedule 7, or

(ii) not having served such a notice, proves that he had reasonable cause to believe that such a notice would have been of no effect by reason of the fact that the milk in question was a mixture of milk produced on more than one dairy farm.

(3) Where the defendant is a servant of the person who purchased the article or substance under a warranty, he shall be entitled to rely on the provisions of this section in the same way as his employer would have been entitled to do if he had been the defendant.

(4) The person by whom the warranty is alleged to have been given shall be entitled to appear at the hearing and to give evidence, and the court may, if it thinks fit, adjourn the hearing to enable him to do so.

(5) For the purposes of this section and section 103, a name or description entered in an invoice shall be deemed to be a written warranty that the article or substance to which the entry refers can be sold or otherwise dealt with under that name or description by any person without contravening any of the provisions of this Act or of regulations made under this Act.

103.—(1) A defendant who in any proceedings under this Act wilfully applies to any article or substance a warranty or certificate of analysis given in relation to any other article or substance is guilty of an offence.
PART VI

(2) A person who—

(a) sells an article or substance in respect of which a warrant might be pleaded under section 102, and

(b) gives to the purchaser a false warranty in writing in respect of that article or substance,

is guilty of an offence, unless he proves that when he gave the warranty he had reason to believe that the statements or description contained in it were accurate.

(3) Where the defendant in a prosecution under this Act relies successfully on a warranty given to him or to his employer, any proceedings under subsection (2) in respect of the warranty may at the prosecutor's option be taken either—

(a) before a court having jurisdiction in the place where a sample of the article or substance to which the warranty relates was procured; or

(b) before a court having jurisdiction in the place where the warranty was given.

Appeals

104.—(1) Where this Act or any regulations made under this Act provide for an appeal to a magistrates' court against a refusal or other decision of an authority, the procedure shall be by way of complaint for an order, and the Magistrates' Courts Act 1980 applies to the proceedings.

(2) The time within which such an appeal may be brought shall be 21 days from the date on which notice of the authority's refusal or other decision was served upon the person desiring to appeal, and for the purposes of this subsection the making of the complaint shall be deemed to be the bringing of the appeal.

(3) In any case where such an appeal lies, the document notifying to the person concerned the authority's decision in the matter shall state—

(a) the right of appeal to a magistrates' court; and

(b) the time within which such an appeal may be brought.

Further appeal to Crown Court.

105. Where a person aggrieved by an order, determination or other decision of a magistrates' court under this Act, or under any regulation made under this Act, is not by any other enactment authorised to appeal to the Crown Court, he may appeal to such a court.

Effect of court's decision.

106. Where on an appeal under this Act, or under any regulations made under this Act, a court varies or reverses any decision of an authority, it is the authority's duty—

(a) to give effect to the court's order; and
(b) in particular, to grant any necessary licence and to make any necessary entry in any register.

107.—(1) Where a decision of an authority under this Act, or under any regulations made under this Act, refusing, cancelling, suspending or revoking, registration or a licence, or a decision of a magistrates' court on appeal against such a decision, makes it unlawful for a person—

(a) to carry on any business which he, or his immediate predecessor in the business, was lawfully carrying on at the date when the decision of the authority was given, or

(b) to use any premises for any purpose for which he, or his immediate predecessor in the business, was lawfully using them at that date,

he may carry on that business and use those premises for that purpose until the time for appealing has expired and, if an appeal is lodged, until the appeal is finally disposed of or abandoned or has failed for want of prosecution.

(2) The provisions of subsection (1) with respect to the right to continue to carry on a business and to use premises shall apply also where the decision of a court in proceedings in respect of an offence under this Act, or under any regulations made under this Act, makes it unlawful for a person—

(a) to carry on a business which he was lawfully carrying on immediately before the decision was given; or

(b) to use any premises for any purpose for which he was then lawfully using them.

Compensation and arbitration

108. Where by Part I, except section 23, provision is made for the payment of compensation—

(a) if the compensation claimed does not exceed £50, all questions as to the fact of damage or loss, and liability for and the amount of compensation, may on the application of either party be determined by, and any compensation awarded may be recovered before, a magistrates' court;

(b) in any other case, a dispute arising as to the fact of damage or loss, or as to the amount of compensation, shall be determined by arbitration under this Act.

109. In arbitrations under this Act the reference shall, except where otherwise expressly provided, be to a single arbitrator to be appointed by agreement between the parties, or, in default of agreement—

(a) in relation to arbitrations under section 9(4) in respect
Part VI

of milk, or in respect of meat or meat products seized while in a slaughterhouse or in the course of importation, by the Minister;

(b) in relation to other arbitrations, by the Secretary of State.

Part VII

General and Supplemental

Acquisition of land, and order to permit works

110. A local authority may be authorised by the responsible Minister to purchase land compulsorily for the purposes of this Act, except for the purposes of paragraph (b) of section 50(1), and in relation to the compulsory purchase of land under this section—

(a) the Acquisition of Land Act 1981 applies; and

(b) "land" includes any interest in land and any easement or right in, to or over land.

In this section "the responsible Minister", in relation to the purposes of section 70, means the Minister, and in relation to the other purposes of this Act means the Secretary of State.

111. If, on a complaint made by the owner of any premises, it appears to a magistrates' court that the occupier of those premises prevents the owner from executing any work which he is by or under this Act required to execute, the court may order the occupier to permit the execution of the work.

In this section—

"owner" means the person for the time being receiving the rackrent of the premises, whether on his own account or as agent or trustee for any other person, or would so receive it if those premises were let at a rackrent;

"premises" includes messuages, buildings, lands, easements and hereditaments of any tenure;

"rackrent" means a rent which is not less than two thirds of the rent at which the property might reasonably be expected to let from year to year, free from all usual tenant's rates and taxes, and deducting from it the probable average annual cost of the repairs, insurance and other expenses (if any) necessary to maintain the property in a state to command such a rent.

Inquiries, and default

112. The appropriate Minister may cause a local inquiry to be held in any case where he is authorised by this Act—

(a) to determine any difference,
(b) to make any order,
(c) to frame any scheme,
(d) to give any consent, confirmation, sanction or approval, or
(e) otherwise to act under this Act,
and in any other case where he deems it advisable that a local inquiry should be held in relation to any matter with which this Act is concerned in any place.

This section does not apply to Parts IV and V; and in this section "the appropriate Minister", in relation to anything authorised to be done under this Act by the Minister or the Ministers, or the Secretary of State, means that Minister or those Ministers, or the Secretary of State, as the case may be.

113.—(1) If—

(a) a complaint is made to the appropriate Minister that any council or joint board have failed to discharge their functions under this Act in any case where they ought to have done so, or
(b) the appropriate Minister is of opinion that an investigation should be made as to whether any council or joint board have failed as mentioned in paragraph (a),

the appropriate Minister may cause a local inquiry to be held into the matter.

(2) If, after a local inquiry has been held in pursuance of this section, the appropriate Minister is satisfied that there has been such a failure on the part of the council or board in question, he may make an order declaring them to be in default and directing them for the purpose of removing the default to discharge such of their functions, and in such manner and within such time or times, as may be specified in the order.

(3) If a council or board with respect to whom an order has been made under subsection (2) fail to comply with any requirement of the order within the time limited by it for compliance with that requirement, the appropriate Minister, instead of enforcing the order by mandamus or otherwise may—

(a) if the body in default are the council or a joint board whose district lies wholly within one county, or a port health authority whose district (so far as it does not consist of water) lies wholly within one county, make an order transferring to the council of the county such of the functions of the body in default as may be specified in his order;
(b) in any other case, make an order transferring to himself such of the functions of the body in default as may be so specified.
PART VII

(4) Where under this section the appropriate Minister has made an order transferring to a county council or to himself any functions of a council or joint board—

(a) the appropriate Minister may by a subsequent order vary or revoke that order, but without prejudice to the validity of anything previously done under it; and

(b) when any order is so revoked the appropriate Minister may, either by the revoking order or by a subsequent order, provide as seems to him to be desirable with respect to the transfer, vesting and discharge of any property or liabilities acquired or incurred by the county council or by him in discharging any of the functions to which the order so revoked related.

(5) This section does not apply to Part IV; and in this section "the appropriate Minister" means—

(a) the Secretary of State, in relation to functions of councils or joint boards under any of the following provisions—

(i) sections 15, 16, 17, 18 and 19,
(ii) sections 27 and 28,
(iii) sections 30 and 31,

(iv) section 74, so far as it relates to the enforcement and execution of sections 8 and 9 (except in their application to milk, or to meat or to meat products while in a slaughterhouse or in the course of importation) and to the enforcement and execution of section 35;

(b) the Secretary of State, in relation to functions of councils or joint boards under Part III;

(c) the Ministers, in relation to functions of councils or joint boards under regulations made under this Act;

(d) the Minister, in relation to any other functions of councils or joint boards.

114. If the Minister, after communication with a food and drugs authority, is of opinion—

(a) that the authority have failed in relation to any kind of food to execute or enforce any of the provisions of this Act which it is their duty to execute or enforce, and

(b) that their failure affects the general interests of consumers, or the general interests of agriculture in the United Kingdom,

he may by order empower an officer of his department to execute and enforce, or procure the execution and enforcement of, those provisions in relation to that kind of food.
Nothing in this section affects any other power exercisable by the Minister or a county council with respect to defaults of local authorities.

115.—(1) Any expenses—

(a) incurred by the appropriate Minister within the meaning of section 113 in discharging any functions of a council or joint board where he has by order under that section transferred those functions to himself, or

(b) incurred by the Minister or his officer under section 114, shall be paid in the first instance out of moneys provided by Parliament, but the amount of those expenses as certified by the appropriate Minister or the Minister, as the case may be, shall on demand be paid to him by the body in default, and shall be recoverable by him from them as a debt due to the Crown.

(2) For the purpose of raising the money so required the council or the joint board, or the food and drugs authority, as the case may be, shall have the like power as they have of raising money for defraying expenses incurred directly by them as such a council, board or authority.

(3) The payment of the expenses mentioned in subsection (1) shall to such extent as may be sanctioned by the Minister be a purpose for which a local authority, port health authority or joint board may borrow money in accordance with the statutory provisions relating to borrowing by such an authority or board.

Protection

116.—(1) An officer of a council is not personally liable in respect of any act done by him—

(a) in the execution or purported execution of this Act, and

(b) within the scope of his employment,

if he did that act in the honest belief that his duty under this Act required or entitled him to do it.

(2) Nothing in subsection (1) shall be construed as relieving a council from any liability in respect of the acts of their officers.

(3) Where—

(a) an action has been brought against an officer of a council in respect of an act done by him in the execution or purported execution of this Act, and

(b) the circumstances are such that he is not legally entitled to require the council to indemnify him,

the council may, nevertheless, indemnify him against the whole or a part of any damages and costs which he may have been ordered to pay or may have incurred, if they are satisfied—
PART VII

(i) that he honestly believed that the act complained of was within the scope of his employment; and

(ii) that his duty under this Act required or entitled him to do it.

(4) A public analyst appointed by a food and drugs authority shall for the purposes of this section be treated as being an officer of the authority whether or not he is employed whole-time.

117. A judge of any court or a justice of the peace shall not be disqualified from acting in cases arising under this Act by reason only of his being as one of several ratepayers, or as one of any other class of persons, liable in common with the others to contribute to, or be benefited by, any rate or fund out of which any expenses of a council are to be defrayed.

Subordinate legislation

118.—(1) Regulations made under Part I of this Act, Milk and Dairies Regulations and Milk (Special Designation) Regulations, may, without prejudice to the generality of the provisions under which they are made—

(a) modify for the purposes of the regulations any provision of this Act relating to the taking, analysis and examination of samples,

(b) apply, as respects matters to be dealt with by the regulations, any provision in any Act (including this Act) dealing with the like matters, with the necessary modifications and adaptations,

(c) (subject to paragraph 3 of Schedule 4) provide for an appeal to a magistrates' court against any refusal or other decision of an authority by whom the regulations are to be enforced and executed,

(d) authorise the making of charges for the purposes of the regulations, or for any services performed under them, and provide for the recovery of charges so made,

(e) provide that an offence under the regulations shall be triable either way,

(f) include provisions under which a person guilty of an offence under the regulations which is so triable is liable on summary conviction to a fine not exceeding the statutory maximum or such less amount as may be specified in the regulations and on conviction on indictment to either or both of the following—

(i) a fine not exceeding an amount specified in the regulations, or of an indefinite amount,
(ii) imprisonment for a term not exceeding two years or such shorter term as may be specified in the regulations,

(g) include provisions under which a person guilty of an offence under the regulations which is triable only summarily is liable on conviction to a fine not exceeding level 5 on the standard scale or such other level as may be specified in the regulations,

(h) make such ancillary and incidental provisions as appear to the Ministers to be necessary or desirable,

and regulations made under Part I, subject to such generality, may require persons carrying on any activity to which the regulations apply to keep and produce records and provide returns.

(2) Subsection (1), other than paragraphs (e) and (f), applies to an order made under section 5 as it applies to regulations made under Part I.

(3) The power conferred by paragraph (b) of subsection (1), in the case of Milk (Special Designation) Regulations, includes power, in dealing with the procuring of samples for the purpose of the enforcement of conditions of licences authorising the use of a special designation, to exclude provisions of Part II of Schedule 7 which may appear not to be appropriate for that purpose.

(4) Regulations made under section 13 or section 20, and any order made under section 17, may be made so as to apply throughout England and Wales or to apply only in such area or areas as may be specified in the regulations or order.

(5) Without prejudice to any other relevant power, any regulations made with respect to slaughterhouses or knackers' yards under section 13 may include provision for the regulations to come into force on different days fixed by, or by an order to be made under, those regulations in respect of different classes or descriptions of premises and different areas, and for different provisions to come into force on different days.

(6) Before making—

(a) any regulations to which subsection (1) applies, or

(b) an order under section 5 or section 17,

the Ministers shall consult with such organisations as appear to them to be representative of interests substantially affected by the regulations or by the order.

(7) Subsections (1), (2) and (6) apply to Northern Ireland so far as they relate—

(a) to those regulations and orders made under Part I which apply to Northern Ireland, or
(b) to the enforcement and execution of those regulations and orders,

(a) may by regulations provide as they consider necessary or expedient for the purpose of securing that the Community provision is administered, executed and enforced under this Act; and
(b) may apply such of the provisions of this Act as may be specified in the regulations in relation to the Community provision with such modifications, if any, as may be so specified.

(2) For the purpose of complying with any Community obligation, or for conformity with any provision made for that purpose, the Ministers may by regulations provide as to—

(b) the method to be used in analysing, testing or examining samples of any food so specified,
and regulations made by the Ministers for that purpose, or for conformity with any provision so made, may modify or exclude any provision of this Act relating to the procuring or analysis of, or dealing with, samples or to evidence of the results of an analysis or test.

120.—(1) Under this Act—
(a) any power to make regulations or orders, and
(b) the Secretary of State's power to make a declaration under section 16(5) or section 17(5),
