

SCHEDULE 5

CONDITIONS TO WHICH SECTION 45 APPLIES

Conditions to which section 45 applies are conditions relating to any of the following matters—

- 1 The examination or testing of animals, the inoculation of animals, the keeping of any animal or herd away from other animals, or other measure for detecting the existence of disease in animals or preventing the contracting or spread of it
- 2 The marking, or keeping of records, of any animals, or other measures for their identification.
- 3 The subjection of milk to any process of heat-treatment, or to any cooling or other process, requirements in connection with the subjection of milk to such a process or as to the temperature or other conditions under which it is to be kept afterwards, or the recording or retention of evidence of the observance of such requirements.
- 4 Satisfaction of a test of milk, being a test related to the subjection of milk to such a process as is mentioned above or to the observance of any such requirements as are mentioned above.
- 5 Measures for securing that milk produced, or subjected to a process, as required by any condition is kept away from, and free from admixture with, other milk not so produced or subjected or other things, or is not subjected to some specified process.
- 6 The manner in which milk produced, or subjected to any process, in accordance with any conditions is to be dealt with or kept as respects the receptacles in which it is to be put or to remain, the closing or fastening of receptacles, or the marking of receptacles, or of things by which they are closed or fastened.
- 7 The manner of describing milk produced, or subjected to any process, in accordance with any conditions.
- 8 The making or keeping of records of milk produced, bought, subjected to any process, or sold.
