1984 CHAPTER 30

PART III

MARKETS

59 Information for market officer

The person in charge of any vehicle in which, and any other person by whom, animals, poultry or other articles are brought for sale in the market shall give to any authorised market officer such information—

- (a) as to their number and kind, or
- (b) in the case of articles on which charges are made by reference to weight, as to their weight,

as that officer may require.
