SCHEDULE 5

SOLID FUEL

PART I

GENERAL

Sales by net weight

- 2 (1) Subject to sub-paragraphs (2) and (3) below, solid fuel shall be sold only by net weight
- (2) There shall be exempted from the requirements of subparagraph (1) above—
- (a) briquettes in a quantity not exceeding 14 pounds, and
 - (b) any solid fuel pre-packed in a securely closed container marked with an indication of quantity by net weight.
- (3) In the case of any area in Scotland which the Secretary of State may by order specify for the purposes of this sub-paragraph, solid fuel for delivery in that area may be sold by volume in a quantity of 0.2 cubic metre or a multiple of 0.2 cubic metre.
