

# Patents, Designs and Marks Act 1986

## 1986 CHAPTER 39

### **1 Registers of trade marks, designs and patents—computerisation etc.**

The amendments specified in Schedule 1 to this Act (which relate to computerisation of the registers there mentioned and to associated matters) shall have effect.

**Changes to legislation:**

There are currently no known outstanding effects for the Patents, Designs and Marks Act 1986, Section 1.
