Education Reform Act 1988

1988 CHAPTER 40

PART I

SCHOOLS

CHAPTER I

THE CURRICULUM

Preliminary

1 Duties with respect to the curriculum

(1) It shall be the duty—
   (a) of the Secretary of State as respects every maintained school;
   (b) of every local education authority as respects every school maintained by
       them; and
   (c) of every governing body or head teacher of a maintained school as respects
       that school;

to exercise their functions (including, in particular, the functions conferred on them
by this Chapter with respect to religious education, religious worship and the National
Curriculum) with a view to securing that the curriculum for the school satisfies the
requirements of this section.

(2) The curriculum for a maintained school satisfies the requirements of this section if it
is a balanced and broadly based curriculum which—
   (a) promotes the spiritual, moral, cultural, mental and physical development of
       pupils at the school and of society; and
   (b) prepares such pupils for the opportunities, responsibilities and experiences of
       adult life.
Principal provisions

2 The National Curriculum

(1) The curriculum for every maintained school shall comprise a basic curriculum which includes—
   (a) provision for religious education for all registered pupils at the school; and
   (b) a curriculum for all registered pupils at the school of compulsory school age (to be known as “the National Curriculum”) which meets the requirements of subsection (2) below.

(2) The curriculum referred to in subsection (1)(b) above shall comprise the core and other foundation subjects and specify in relation to each of them—
   (a) the knowledge, skills and understanding which pupils of different abilities and maturities are expected to have by the end of each key stage (in this Chapter referred to as “attainment targets”);
   (b) the matters, skills and processes which are required to be taught to pupils of different abilities and maturities during each key stage (in this Chapter referred to as “programmes of study”); and
   (c) the arrangements for assessing pupils at or near the end of each key stage for the purpose of ascertaining what they have achieved in relation to the attainment targets for that stage (in this Chapter referred to as “assessment arrangements”).

(3) Subsection (1)(a) above shall not apply in the case of a maintained special school.

3 Foundation subjects and key stages

(1) Subject to subsection (4) below, the core subjects are—
   (a) mathematics, English and science; and
   (b) in relation to schools in Wales which are Welsh-speaking schools, Welsh.

(2) Subject to subsection (4) below, the other foundation subjects are—
   (a) history, geography, technology, music, art and physical education;
   (b) in relation to the third and fourth key stages, a modern foreign language specified in an order of the Secretary of State; and
   (c) in relation to schools in Wales which are not Welsh-speaking schools, Welsh.

(3) Subject to subsections (4) and (5) below, the key stages in relation to a pupil are as follows—
   (a) the period beginning with his becoming of compulsory school age and ending at the same time as the school year in which the majority of pupils in his class attain the age of seven;
   (b) the period beginning at the same time as the school year in which the majority of pupils in his class attain the age of eight and ending at the same time as the school year in which the majority of pupils in his class attain the age of eleven;
   (c) the period beginning at the same time as the school year in which the majority of pupils in his class attain the age of twelve and ending at the same time as the school year in which the majority of pupils in his class attain the age of fourteen;
the period beginning at the same time as the school year in which the majority of pupils in his class attain the age of fifteen and ending with the majority of pupils in his class ceasing to be of compulsory school age.

(4) The Secretary of State may by order—
(a) amend the foregoing provisions of this section; or
(b) provide that, in relation to any subject specified in the order, subsection (3) above shall have effect as if for the ages of seven and eight there mentioned there were substituted such other ages, less than eleven and twelve respectively, as may be so specified.

(5) The head teacher of a school may elect, in relation to a particular pupil and a particular subject, that subsection (3) above shall have effect as if any reference to the school year in which the majority of pupils in that pupil’s class attained a particular age were a reference to the school year in which that pupil attained that age.

(6) In this section—
“class”, in relation to a particular pupil and a particular subject, means the teaching group in which he is regularly taught that subject or, where there are two or more such groups, such one of them as may be designated by the head teacher of the school;
“school”, except in subsection (5) above and the above definition, includes part of a school.

(7) For the purposes of this section a school in Wales is a Welsh-speaking school if more than one half of the following subjects, namely—
(a) religious education; and
(b) the subjects other than English and Welsh which are foundation subjects in relation to pupils at the school;
are taught (wholly or partly) in Welsh.

4 Duty to establish the National Curriculum by order

(1) It shall be the duty of the Secretary of State so to exercise the powers conferred by subsection (2) below as—
(a) to establish a complete National Curriculum as soon as is reasonably practicable (taking first the core subjects and then the other foundation subjects); and
(b) to revise that Curriculum whenever he considers it necessary or expedient to do so.

(2) The Secretary of State may by order specify in relation to each of the foundation subjects—
(a) such attainment targets;
(b) such programmes of study; and
(c) such assessment arrangements;
as he considers appropriate for that subject.

(3) An order made under subsection (2) above may not require—
(a) that any particular period or periods of time should be allocated during any key stage to the teaching of any programme of study or any matter, skill or process forming part of it; or
(b) that provision of any particular kind should be made in school timetables for the periods to be allocated to such teaching during any such stage.

(4) An order under subsection (2) above may, instead of containing the provisions to be made, refer to provisions in a document published by Her Majesty’s Stationery Office and direct that those provisions shall have effect or, as the case may be, have effect as amended by the order.

(5) An order under subsection (2)(c) above may authorise the making of such provisions giving full effect to or otherwise supplementing the provisions made by the order as appear to the Secretary of State to be expedient; and any provisions made under such an order shall, on being published by Her Majesty’s Stationery Office, have effect for the purposes of this Chapter as if made by the order.

5 Courses leading to external qualifications

(1) No course of study leading to a qualification authenticated by an outside person shall be provided for pupils of compulsory school age by or on behalf of any maintained school unless the qualification is for the time being approved by the Secretary of State or by a designated body and either—

(a) a syllabus provided by the outside person for the purposes of the course is for the time being approved by such a body; or

(b) criteria so provided for determining a syllabus for those purposes are for the time being so approved.

(2) An approval under this section may be given either generally or in relation to particular cases.

(3) In this section—

“designated” means designated by the Secretary of State;

“outside person”, in relation to a school, means a person other than a member of staff of the school.

Religious education

6 Collective worship

(1) Subject to section 9 of this Act, all pupils in attendance at a maintained school shall on each school day take part in an act of collective worship.

(2) The arrangements for the collective worship in a school required by this section may, in respect of each school day, provide for a single act of worship for all pupils or for separate acts of worship for pupils in different age groups or in different school groups.

(3) The arrangements for the collective worship in a county or voluntary school required by this section shall be made—

(a) in the case of a county school, by the head teacher after consultation with the governing body; and

(b) in the case of a voluntary school, by the governing body after consultation with the head teacher.

(4) Subject to subsection (5) below, the collective worship in every maintained school required by this section shall take place on the school premises.
(5) If the governing body of—
   (a) an aided or special agreement school; or
   (b) a grant-maintained school;
are of opinion that it is desirable that any act of collective worship in the school required by this section should, on a special occasion, take place elsewhere than on the school premises, they may make such arrangements for that purpose as they think appropriate.

(6) The powers of a governing body under subsection (5) above shall not be so exercised as to derogate from the rule that, in every such school as is there mentioned, the collective worship required by this section must normally take place on the school premises.

(7) For the purposes of this section—
   “maintained school” does not include a maintained special school; and
   “school group” means any group in which pupils are taught or take part in other schools activities.

7 Special provisions as to collective worship in county schools

(1) Subject to the following provisions of this section, in the case of a county school the collective worship required in the school by section 6 of this Act shall be wholly or mainly of a broadly Christian character.

(2) For the purposes of subsection (1) above, collective worship is of a broadly Christian character if it reflects the broad traditions of Christian belief without being distinctive of any particular Christian denomination.

(3) Every act of collective worship required by section 6 of this Act in the case of a county school need not comply with subsection (1) above provided that, taking any school term as a whole, most such acts which take place in the school do comply with that subsection.

(4) Subject to subsections (1) and (3) above—
   (a) the extent to which (if at all) any acts of collective worship required by section 6 of this Act which do not comply with subsection (1) above take place in a county school;
   (b) the extent to which any act of collective worship in a county school which complies with subsection (1) above reflects the broad traditions of Christian belief; and
   (c) the ways in which those traditions are reflected in any such act of collective worship;
shall be such as may be appropriate having regard to any relevant considerations relating to the pupils concerned which fall to be taken into account in accordance with subsection (5) below.

(5) Those considerations are—
   (a) any circumstances relating to the family backgrounds of the pupils concerned which are relevant for determining the character of the collective worship which is appropriate in their case; and
   (b) their ages and aptitudes.
(6) Where under section 12 of this Act a standing advisory council on religious education determine that it is not appropriate for subsection (1) above to apply in the case of any county school, or in the case of any class or description of pupils at such a school, then, so long as that determination has effect—
   (a) that subsection shall not apply in relation to that school or (as the case may be) in relation to those pupils; and  
   (b) the collective worship required by section 6 of this Act in the case of that school or those pupils shall not be distinctive of any particular Christian or other religious denomination (but this shall not be taken as preventing that worship from being distinctive of any particular faith).

8 Religious education required in the basic curriculum: further provisions

(1) Section 2(1)(a) of this Act is subject to section 9 of this Act.

(2) The religious education for which provision is required by section 2(1)(a) to be included in the basic curriculum for any particular maintained school shall be religious education of the kind required by such of the provisions of sections 26 to 28 of the 1944 Act or sections 84 to 86 of this Act as apply in the case of that school.

(3) Any agreed syllabus which after this section comes into force is adopted or deemed to be adopted under Schedule 5 to that Act (which, as amended by this Act, provides for the preparation, adoption and reconsideration of an agreed syllabus of religious education) shall reflect the fact that the religious traditions in Great Britain are in the main Christian whilst taking account of the teaching and practices of the other principal religions represented in Great Britain.

9 Exceptions, special arrangements and supplementary and consequential provisions

(1) It shall not be required, as a condition of any pupil attending any maintained school, that he shall attend or abstain from attending any Sunday school or any place of religious worship.

(2) For the purposes of subsections (3) to (10) below “maintained school” does not include a maintained special school.

(3) If the parent of any pupil in attendance at any maintained school requests that he may be wholly or partly excused—
   (a) from attendance at religious worship in the school;  
   (b) from receiving religious education given in the school in accordance with the school’s basic curriculum; or  
   (c) both from such attendance and from receiving such education;  
the pupil shall be so excused accordingly until the request is withdrawn.

(4) Where in accordance with subsection (3) above any pupil has been wholly or partly excused from attendance at religious worship or from receiving religious education in any school, and the responsible authority are satisfied—
   (a) that the parent of the pupil desires him to receive religious education of a kind which is not provided in the school during the periods of time during which he is so excused;
(b) that the pupil cannot with reasonable convenience be sent to another
maintained school where religious education of the kind desired by the parent
is provided; and
(c) that arrangements have been made for him to receive religious education of
that kind during school hours elsewhere;
the pupil may be withdrawn from the school during such periods of time as are
reasonably necessary for the purpose of enabling him to receive religious education
in accordance with the arrangements.

(5) In this section “the responsible authority” means—
(a) in relation to a county or voluntary school, the local education authority; and
(b) in relation to a grant-maintained school, the governing body.

(6) A pupil may not be withdrawn from school under subsection (4) above unless the
responsible authority are satisfied that the arrangements there mentioned are such as
will not interfere with the attendance of the pupil at school on any day except at the
beginning or end of the school session or, if there is more than one, of any school
session on that day.

(7) Where the parent of any pupil who is a boarder at a maintained school requests that
the pupil be permitted—
(a) to attend worship in accordance with the tenets of a particular religious
denomination on Sundays or other days exclusively set apart for religious
observance by the religious body to which his parent belongs; or
(b) to receive religious education in accordance with such tenets outside school
hours;
the governing body of the school shall make arrangements for affording to the pupil
reasonable opportunities for doing so.

(8) Arrangements made under subsection (7) above may provide for affording facilities
for such worship or education on the school premises, but the arrangements shall not
entail expenditure by the responsible authority.

(9) In this section—
(a) references to religious worship in a school include references to religious
worship which under section 6 of this Act takes place otherwise than on the
school premises; and
(b) references to religious education given in a school in accordance with
the school’s basic curriculum are references to such education given in
accordance with the provision included in the school’s basic curriculum by
virtue of section 2(1)(a) of this Act.

(10) Schedule 1 to this Act shall have effect for making amendments of the enactments
there mentioned consequential on the provisions of this Chapter relating to religious
education.

Standing advisory councils on religious education

11 Standing advisory councils on religious education

(1) It shall be the duty of every local education authority to constitute a standing advisory council on religious education—

(a) to advise the authority upon such matters connected with religious worship in county schools and the religious education to be given in accordance with an agreed syllabus as the authority may refer to the council or as the council may see fit; and

(1) It shall be the duty of the council, on an application made by the head teacher of any county school after consultation with the governing body, to consider whether it is appropriate for the requirement for Christian collective worship to apply in the case of that school, or in the case of any class or description of pupils at that school.

References in this section to the requirement for Christian collective worship are references to the requirement imposed by section 7(1) of this Act.
(2) In determining whether it is appropriate for that requirement to apply in the case of any such school or in the case of any class or description of pupils at such a school, the council shall have regard to any circumstances relating to the family backgrounds of the pupils at the school or of the pupils of the particular class or description in question which are relevant for determining the character of the collective worship appropriate in their case.

(3) The council shall give any head teacher who has made an application to them under this section written notification of their decision on the application.

(4) Where the council determine on any application under this section that it is not appropriate for the requirement for Christian collective worship to apply in the case of the school or any class or description of pupils at the school concerned, that determination shall take effect for the purposes of section 7 of this Act on such date as may be specified in the notification of their decision under subsection (3) above.

(5) Any determination of the council under this section by virtue of which the requirement for Christian collective worship does not for the time being apply in the case of any school or any class or description of pupils at any school shall be reviewed by the council—

(a) at any time on an application made by the head teacher of the school after consultation with the governing body; and

(b) in any event not later than the end of the period of five years beginning with the date on which the determination first took effect or (where it has since been reviewed under this subsection) with the effective date of the decision on the last such review.

(6) On any review under subsection (5)(b) above the council shall afford the head teacher an opportunity of making representations with respect to the determination under review; and the head teacher shall consult the governing body before making any such representations.

(7) On any review under subsection (5) above the council may confirm (with or without variation) or revoke the determination under review (without prejudice, in a case where they revoke the determination, to any further determination under this section); and they shall give the head teacher of the school written notification of their decision specifying the effective date of that decision for the purposes of subsection (5)(b) above.

(8) Any determination of the council which is required to be reviewed under subsection (5)(b) above shall cease to have effect, if not confirmed on such a review, at the end of the period there mentioned.

(9) The governing body of any county school, on being consulted by the head teacher under this section, may if they think fit take such steps as they consider appropriate for consulting all persons appearing to them to be parents of registered pupils at the school.

26 Admissions to county and voluntary schools

(1) The authority responsible for determining the arrangements for the admission of pupils to any county or voluntary school shall not fix as the number of pupils in any relevant age group it is intended to admit to the school in any school year a number which is less than the relevant standard number.

(2) Where any number fixed for the purposes of any such arrangements subsisting when subsection (1) above comes into force as the number of pupils in any such age group it is intended to admit to the school concerned in any school year is less than the relevant standard number, the arrangements shall have effect (subject to the following provisions of this section) as if the number so fixed were a number equal to the relevant standard number.

(3) Notwithstanding any provision of the articles of government of the school, but subject to section 33 of the 1986 Act (consultations about admissions between authorities concerned), the authority responsible for determining the arrangements for the admission of pupils to any such school may fix as the number of pupils in any relevant age group it is intended to admit to the school in any school year a number which exceeds the relevant standard number.

(4) A proposal may be made in accordance with the following provisions of this section for fixing as the number of pupils in any such age group it is intended to admit to any such school in any school year a number which exceeds both—
   (a) the relevant standard number; and
   (b) any number fixed or proposed to be fixed for that purpose by the authority responsible for determining the arrangements for admission of pupils to the school.

(5) The proposal may be made—
   (a) where the authority responsible for determining those arrangements is the local education authority, by the governing body of the school; and
   (b) where that authority is the governing body of the school, by the local education authority.

(6) Any such proposal—
   (a) shall be made in writing;
   (b) may relate to one or more relevant age groups; and
   (c) may relate to a particular school year or to each school year falling within any period specified in the proposal.

(7) If the authority to whom such a proposal is made do not give the proposing authority notice in writing rejecting the proposal before the end of the period of two months beginning with the day next following that on which the proposal was received it shall be the duty of the former authority to give effect to the proposal in the admission arrangements.

(8) Where the authority to whom such a proposal is made give such notice before the end of that period, the proposing authority may within twenty-eight days of receiving that notice fix as the number of pupils in any such age group it is intended to admit to any such school in any school year a number which exceeds the relevant standard number.
notice make an application to the Secretary of State for an order under section 27(5) of this Act increasing the relevant standard number.

(9) For the purposes of section 6(3)(a) of the 1980 Act (which excludes the duty to comply with a parent’s preference as to the school at which education is to be provided for his child if compliance with the preference would prejudice the provision of efficient education or the efficient use of resources), no such prejudice shall be taken to arise from the admission to a school in any school year of a number of pupils in any relevant age group which does not exceed—
(a) the relevant standard number; or
(b) the number fixed in accordance with this section as the number of pupils in that age group it is intended to admit to the school in that school year;
whichever is the greater.

(10) Any reference in this section to the relevant standard number is a reference, in relation to any school and in relation to any relevant age group and school year, to the standard number applying under section 27 of this Act to the school in relation to that year and age group.

27 Standard numbers for admissions

(1) Subject to subsections (3), (4) and (5) below, if pupils in any age group were admitted to any county or voluntary school in the school year immediately preceding the commencement year, the standard number applying to the school for that age group in the commencement year and any subsequent school year shall be—
(a) the appropriate pre-commencement number; or
(b) the number of pupils in that age group admitted in the school year immediately preceding the commencement year;
whichever is the greater.

(2) In this Chapter “the commencement year” means the school year beginning next after section 26(1) of this Act comes into force; and the reference in subsection (1)(a) above to the appropriate pre-commencement number is a reference—
(a) in the case of a secondary school, to the standard number applying to the school under section 15 of the 1980 Act in relation to the age group in question in the school year immediately preceding the commencement year; and
(b) in the case of a primary school, to the number applicable in relation to the school and in relation to the age group in question in accordance with section 29 of this Act.

(3) Subject to subsections (4) and (5) below, if proposals under section 12 or 13 of the 1980 Act (which impose certain requirements in relation to the establishment and alteration of schools) have fallen to be implemented in relation to any county or voluntary school, the number stated in the proposals in accordance with subsection (2) of section 12 (or that subsection as applied by section 13) for any school year and age group shall be the standard number applying to the school for that age group—
(a) in any school year to which this subsection applies in relation to which the proposals have been wholly implemented; and
(b) subject to any variation made by the Secretary of State, in any such school year in relation to which they have been partly implemented.
This subsection applies to the commencement year and any subsequent school year.

(4) The Secretary of State may by order applying to county or voluntary schools of any class or description vary any standard number that would otherwise apply by virtue of the preceding provisions of this section.

(5) Subject to subsections (6) and (7) below, the Secretary of State may by order vary any standard number that would otherwise apply to an individual school by virtue of the preceding provisions of this section or any order made under subsection (4) above.

(6) An order under subsection (5) above reducing a standard number may only be made on the application of the authority responsible for determining the arrangements for the admission of pupils to the school, and is subject to the procedure under section 28 of this Act.

(7) An order under subsection (5) above increasing a standard number may be made on the application of that authority or on an application made by any other authority in accordance with section 26(8) of this Act; and on any such application the Secretary of State may—

(a) refuse to make such an order;
(b) make an order increasing the standard number to the number proposed; or
(c) after consultation with both the local education authority and the governing body of the school, make an order increasing the standard number to such number (less than the number proposed) as he thinks desirable.

(8) The authority responsible for determining the arrangements for the admission of pupils to any such school shall keep under review any standard numbers applying under this section to the school, having regard to any change in the school’s capacity to accommodate pupils as compared with its capacity at the beginning of the school year to which those standard numbers first applied (whether in accordance with this section or section 15 of the 1980 Act).

(9) References in subsection (3) above to proposals under section 12 or 13 of the 1980 Act are references to the proposals with any modifications made by the Secretary of State under either of those sections; and any standard number applying under that subsection is without prejudice to the application under that subsection of a new standard number if further proposals fall to be implemented under those sections.

28 Procedure for reduction of standard number

(1) Where the authority responsible for determining the arrangements for the admission of pupils to any county or voluntary school intend to apply to the Secretary of State for an order under subsection (5) of section 27 of this Act reducing any standard number applying to the school under that section, they shall publish their proposals with respect to the reduction in such manner as may be required by regulations made by the Secretary of State and submit to him a copy of the published proposals together with their application.

(2) The published proposals shall be accompanied by a statement which explains the effect of—

(a) subsections (3) and (4) below, where the proposals are published by a local education authority; or
(b) subsection (5) below, where the proposals are published by the governing body of the school.

(b) the governing body of any school affected by the proposals; and
(c) any local education authority concerned.

(b) make an order reducing the standard number to the number proposed; or
(c) after consultation with both the local education authority and the governing body of the school, make an order reducing the standard number to such number (greater than the number proposed) as he thinks desirable.

(7) The Secretary of State shall not make an order reducing any standard number applying to a school for any age group in any year unless he is satisfied that the reduction is necessary, having regard to any reduction in the school’s capacity to accommodate pupils as compared with its capacity at the beginning of the school year to which the current standard number first applied in relation to that age group (whether in accordance with section 27 of this Act or section 15 of the 1980 Act).

(8) A local education authority shall not make an application under this section for an order reducing any standard number applying to a school without first consulting the governing body of the school; and the governing body of a school shall not make such an application without first consulting the local education authority.

(b) for the words “it applies” there shall be substituted the words “they apply”; and

(b) “reception class” means a class in which education is provided which is suitable to the requirements of pupils aged five and any pupils under or over that age whom it is expedient to educate together with pupils of that age.”

32 Interpretation of Chapter II

(1) For the purposes of this Chapter, a school’s capacity to accommodate pupils is changed if—

(a) as a result of changes in the availability or use of accommodation at the school, there is any change in the amount of accommodation available for use by pupils at the school; or
(b) as a result of changes in the requirements applicable to the school under regulations made under section 10 of the 1944 Act (requirements as to school premises), there is any change in the number of pupils for whom accommodation may lawfully be provided at the school; and a school’s capacity to accommodate pupils is reduced if the result of the changes is, in a case within paragraph (a) above, less accommodation or, in a case within paragraph (b) above, a reduction in the number there mentioned.

(2) Any reference in this Chapter to a relevant age group, in relation to a school, is a reference to an age group in which pupils are normally admitted to the school.

(3) In this Chapter “the commencement year” has the meaning given by section 27(2).

(4) If by virtue of any orders made under section 236 of this Act subsection (1) of section 26 of this Act comes into force on different dates in relation to schools of different categories, the reference to the coming into force of that subsection—

(a) in subsection (2) of that section; and

(b) in subsection (2) of section 27 of this Act;

shall be read, for the purposes of the application of those sections in relation to schools of any category, as a reference to its coming into force in relation to schools of that category.

**CHAPTER III**

**FINANCE AND STAFF**

*Financing of schools maintained by local education authorities*

### 33 Schemes for financing county and voluntary schools

(1) It shall be the duty of every local education authority to prepare a scheme in accordance with this Chapter and submit it for the approval of the Secretary of State in accordance with section 34 of this Act.

(2) The scheme shall provide for—

(a) the determination in respect of each financial year of the authority, for each school required to be covered by the scheme in that year, of the share to be appropriated for that school in that year of the part of the general schools budget of the authority for that year which is available for allocation to individual schools under the scheme (referred to below in this Chapter, in relation to such a school, as the school’s budget share); and

(b) the delegation by the authority of the management of a school’s budget share for any year to the governing body of the school where such delegation is required or permitted by or under the scheme.

(3) For the purposes of this Chapter, a school is required to be covered in any financial year by a scheme made under this section by a local education authority if either—

(a) immediately before the beginning of that year it is a county or voluntary school maintained by that authority; or

(b) at any time during that year it becomes a county or voluntary school so maintained (whether by virtue of being established as a new school of that
description or by virtue of becoming a county or voluntary school where it was not, immediately before it became so, a school of either description).

(4) For the purposes of this Chapter—
   (a) references, in relation to any local education authority, to the general schools budget of the authority for any financial year, are references to the amount appropriated by the authority for meeting expenditure in that year in respect of all schools required to be covered in that year by any scheme made under this section by that authority; and
   (b) the part of the general schools budget of any such authority for any financial year which is available for allocation to individual schools under a scheme under this section (referred to below in this Chapter, in relation to any such authority, as the authority’s aggregated budget for the year) is the amount remaining after deducting from the amount of the general schools budget of the authority for that year—
      (i) the amount of any expenditure of the authority in that year on heads or items of expenditure which fall in accordance with section 38 of this Act to be left out of account in determining the authority’s aggregated budget for the year (referred to below in this Chapter as excepted heads or items of expenditure); and
      (ii) any other amounts which fall in accordance with the scheme to be deducted in determining the authority’s aggregated budget for the year.

(5) In relation to any scheme under this section, any reference in subsection (4) above to an amount is a reference to an amount determined (and from time to time revised) in accordance with the scheme; and a scheme under this section must provide for all amounts relevant to the determination of a school’s budget share under the scheme for any financial year to be determined initially before the beginning of that year.

(6) In this Chapter—
   (a) references to a school in respect of which financial delegation is required for any financial year under a scheme under this section are references to a school conducted by a governing body to whom the local education authority concerned are for the time being required by or under the scheme to delegate the management of the school’s budget share for that year (and the governing body of such a school are said to have a right to a delegated budget for the year);
   (b) references to a school which has a delegated budget are references to a school conducted by a governing body to whom a local education authority have for the time being delegated the management of the school’s budget share for any financial year in pursuance of such a scheme (whether that delegation is required by the scheme or not); and
   (c) references, in relation to any scheme under this section, to excluded expenditure under the scheme are references to the aggregate of any amounts which fall in the case of that scheme to be deducted by virtue of subsection (4) (b)(ii) above in determining the aggregated budget of the authority concerned for any financial year.
34 Preparation and imposition of schemes

(1) A scheme prepared by a local education authority under section 33 of this Act shall be submitted to the Secretary of State on or before such date as the Secretary of State may by order direct, either generally or in relation to any local education authority, or any class or description of such authorities, specified in the order.

(2) In preparing a scheme under that section a local education authority shall take into account any guidance given by the Secretary of State (whether generally or in relation to that authority or to any class or description of local education authorities to which that authority belongs) as to the provisions he regards as appropriate for inclusion in the scheme.

(3) The Secretary of State shall publish any guidance given by him for the purposes of this section in such manner as he thinks fit.

(4) Before preparing such a scheme a local education authority shall consult the governing body and the head teacher of every county or voluntary school maintained by the authority.

(5) Such a scheme shall not come into force until it has been approved by the Secretary of State or until such date as the Secretary of State may, in giving his approval, specify; and the Secretary of State may approve such a scheme—

(a) either without modifications or with such modifications as he thinks fit after consulting the authority concerned; and

(b) subject to such conditions as he may specify in giving his approval.

(6) If in the case of any local education authority either—

(a) the authority fail to submit a scheme as required by subsection (1) above; or

(b) it appears to the Secretary of State that a scheme submitted by the authority as required by that subsection does not accord with any guidance given by him for the purposes of this section and cannot be made to do so merely by modifying it;

he may, after consulting the authority and such other persons as he thinks fit, impose a scheme making such provision of a description required to be made by a scheme under section 33 of this Act in relation to the financing by the authority of county and voluntary schools as he considers appropriate.

(7) A scheme imposed by the Secretary of State by virtue of subsection (6) above—

(a) shall be treated as if made under section 33 by the local education authority concerned; and

(b) shall come into force on such date as may be specified in the scheme.

35 Replacement and variation of schemes

(1) Subject to the following provisions of this section, a scheme may be replaced or varied by a subsequent scheme made under section 33 of this Act by the local education authority concerned.

(2) Section 33 shall apply for the purposes of a scheme replacing or varying a previous scheme with the omission of subsection (1); and subsection (1) of section 34 of this Act shall not apply in relation to such a scheme.

(3) A scheme prepared by a local education authority under section 33 which—
(a) replaces a previous scheme; or
(b) makes any significant variation of a previous scheme;
shall be submitted to the Secretary of State for his approval.

(4) A scheme under section 33 varying a previous scheme which is not required by
subsection (3)(b) above to be submitted to the Secretary of State for his approval is
referred to below in this section as a “minor variation scheme”.

(5) Subsections (4) and (5) of section 34 shall not apply in relation to a minor variation
scheme.

(6) The Secretary of State may by order specify what descriptions of variation are to be
regarded as significant for the purposes of subsection (3)(b) above.

(7) Where a local education authority propose to make a scheme under section 33 which
in their opinion is a minor variation scheme, the authority shall notify the Secretary of
State in writing of their proposal, giving brief particulars of the nature of the variations
proposed to be made by the scheme.

(8) In any such case the authority shall, if so required by the Secretary of State before
the end of the period of two months beginning with the date on which he receives
notification under subsection (7) above of the authority’s proposal, send to him a copy
of their proposed scheme; and it shall be for the Secretary of State to determine whether
or not any variation proposed to be made by the scheme falls within any description
of variation specified in an order under subsection (6) above.

(9) A scheme made under section 33 may also be varied by a direction given by the
Secretary of State, as from such date as may be specified in the direction.

(10) Before giving such a direction the Secretary of State shall consult the local education
authority concerned and such other persons as he thinks fit.

36 Delegation to governing body of management of school’s budget share

(1) This section applies where in the case of any local education authority the authority’s
financial provision for county and voluntary schools is subject to regulation by a
scheme.

(2) Subject to section 37(4) of this Act, in the case of any county or voluntary school
maintained by the authority in respect of which financial delegation is required for
any financial year under the scheme, it shall be the duty of the authority to put at the
disposal of the governing body of the school in respect of that year a sum equal to the
school’s budget share for that year to be spent for the purposes of the school.

(3) The times at which, and the manner in which, any such sum is put at the disposal of
the governing body shall be such as may be provided by or under the scheme.

(4) Subject to section 49(1) of this Act, the authority may not delegate to the governing
body of any school required to be covered by the scheme in any financial year the
power to spend any sum appropriated by the authority for the purposes of the school
in that year otherwise than as required or permitted under the scheme.

(5) The governing body of any school which has a delegated budget—
(a) shall be entitled, subject to any provision made by or under the scheme, to
spend any sum made available to them in respect of the school’s budget share
for any financial year as they think fit for the purposes of the school; and
(b) may delegate to the head teacher, to such extent as may be permitted by or under the scheme, their power under paragraph (a) above in relation to any part of that sum.

(6) The governors of a school shall not incur any personal liability in respect of anything done in good faith in the exercise or purported exercise of their power under subsection (5) above.

37 Withdrawal of delegation

(1) Where it appears to a local education authority, in the case of any school in respect of which financial delegation is required for the current financial year under a scheme, that the governing body of the school—
   (a) have been guilty of a substantial or persistent failure to comply with any requirements applicable under the scheme; or
   (b) are not managing the appropriation or expenditure of the sum put at their disposal for the purposes of the school in a satisfactory manner;
the authority may suspend the governing body’s right to a delegated budget by giving the governing body (subject to subsection (3) below) not less than one month’s notice of suspension.

(2) Any such notice shall specify the grounds for the proposed suspension, giving particulars of any failure alleged on the part of the governing body to comply with any requirements applicable under the scheme and of any alleged mismanagement on their part; and a copy of the notice shall be given to the head teacher of the school at the same time as the notice is given to the governing body.

(3) A local education authority may suspend the right to a delegated budget of any governing body to whom they have given notice under subsection (1) above before the expiry of the period of notice if it appears to them to be necessary to do so by reason of gross incompetence or mismanagement on the part of that governing body or other emergency; but in such a case the authority shall immediately give to the Secretary of State written notification of their action and the reasons for it.

(4) During any period when a governing body’s right to a delegated budget is suspended under this section the duty of the local education authority concerned under section 36(2) of this Act shall not apply in relation to that governing body.

(5) It shall be the duty of the authority concerned—
   (a) to review before the beginning of every financial year any suspension under this section which is for the time being in force;
   (b) for the purposes of that review, to afford the governing body concerned and the head teacher of the school an opportunity of making representations with respect to the suspension and to have regard to any representations made by that body or the head teacher; and
   (c) to revoke any such suspension where they consider it appropriate to do so.

(6) The authority shall give the governing body concerned and the head teacher written notification of their decision on any such review.

(7) The revocation of any such suspension shall take effect as from the beginning of the next following financial year.

(8) A governing body shall be entitled to appeal to the Secretary of State against—
(a) the imposition of any suspension under this section; and
(b) any refusal of a local education authority to revoke any such suspension on
any review required under this section.

(9) On any such appeal the Secretary of State—
(a) may allow or reject the appeal; and
(b) shall have regard, in making his determination, to the gravity of the default
on the part of the governing body and the likelihood of its continuance or
recurrence.

38 Schemes: determination of budget shares

(1) The provision to be included in a scheme for determining the budget share for any
financial year of each school required to be covered by the scheme in that year shall
require that share to be determined (and from time to time revised) by the application
of a formula laid down by the scheme for the purpose of dividing among all such
schools the aggregated budget for that year of the local education authority concerned.

(2) In this section “formula” includes methods, principles and rules of any description,
however expressed; and references in this Chapter, in relation to a scheme, to the
allocation formula under the scheme, are references to the formula laid down by the
scheme in accordance with subsection (1) above.

(3) The allocation formula under a scheme—
(a) shall include provision for taking into account, in the case of each school
required to be covered by the scheme in any financial year, the number and
ages of registered pupils at that school on such date or dates as may be
determined by or under the scheme in relation to that year; and
(b) may include provision for taking into account any other factors affecting the
needs of individual schools which are subject to variation from school to
school (including, in particular, the number of registered pupils at a school
who have special educational needs and the nature of the special educational
provision required to be made for them).

(4) In the case of any scheme, the following heads or items of expenditure, so far as
taken into account in determining the general schools budget of the local education
authority concerned for any financial year, shall be left out of account in determining
the authority’s aggregated budget for that year—
(a) all expenditure of a capital nature;
(b) all expenditure in respect of the repayment of the principal of, the payment of
interest on and the discharge of any other financial obligation in connection
with any loan raised to meet expenditure of a capital nature;
(c) expenditure falling to be taken into account in determining central government
grants of any prescribed description; and
(d) such other items of expenditure as may be prescribed.

39 Schemes: provision for financial delegation

(1) A scheme shall include provision for requiring, in the case of each secondary school
required to be covered by the scheme in any financial year, the delegation by the local
education authority concerned to the governing body of the school of the management
of the school’s budget share for that year.
(2) A scheme shall include provision for requiring, in the case of each primary school required to be covered by the scheme in any financial year which—
   (a) satisfies the qualifying condition on a qualifying date in relation to that year which falls before the beginning of that year; or
   (b) falls in accordance with the scheme to be regarded as qualifying for delegation in respect of that year on the assumption that, if a forecast made in accordance with the scheme of the number of registered pupils it will have on a qualifying date in relation to that year which falls within that year proves to be correct, it will satisfy the qualifying condition on that date;
   the delegation by the local education authority concerned to the governing body of the school of the management of the school’s budget share for that year.

(3) For the purposes of this section—
   (a) a primary school is to be treated as satisfying the qualifying condition at any time when it has two hundred or more registered pupils; and
   (b) “qualifying date” means, in relation to any financial year, any date which is a qualifying date in accordance with any provision made by or under the scheme in question.

(4) References in this Chapter to the delegation requirement under any scheme are references—
   (a) in relation to a secondary school required to be covered by the scheme in any financial year, to any provision included in the scheme by virtue of subsection (1) above; and
   (b) in relation to a primary school required to be covered by the scheme in any financial year, to any provision included in the scheme by virtue of subsection (2) above.

(5) The application of the delegation requirement under a scheme in relation to any school is subject to section 40 of this Act in the case of any school to which that section applies.

(6) Subject to subsections (7) and (8) below, once the delegation requirement under a scheme applies in relation to a primary school in respect of any financial year it shall continue to apply in respect of each succeeding financial year.

(7) Subject to subsection (8) below, the delegation requirement under a scheme shall cease to apply in relation to a primary school to which that requirement for the time being applies if the number of registered pupils at the school—
   (a) falls below the number for the time being required under subsection (3)(a) above for such a school to be treated as satisfying the qualifying condition or, in the case of a school to which that requirement applies by virtue of any provision made under subsection (2)(b) above, either fails to reach or falls below that number; and
   (b) remains below that number for such period as may be specified in the scheme.

(8) Where subsection (7) above applies in the case of any primary school the delegation requirement under the scheme in question shall cease to apply in relation to the school as from the beginning of the financial year beginning next after the period mentioned in paragraph (b) of that subsection comes to an end in the case of that school.

(9) The application of subsections (7) and (8) above in relation to any school is without prejudice to the subsequent application of the delegation requirement under the
scheme in question in relation to that school in respect of any financial year subsequent to that mentioned in subsection (8).

(10) A scheme may provide for the delegation by the local education authority concerned to the governing body of any school to which the delegation requirement under the scheme does not apply in any financial year of the management of the school’s budget share for that year.

(11) Any delegation by a local education authority under a scheme to the governing body of any school of the management of the school’s budget share shall be subject to such conditions as may be imposed by or under the scheme.

(12) Conditions so imposed may in particular relate to—
   (a) the arrangements to be made for management of the expenditure of any sum made available to the governing body of any school in accordance with the scheme (and in particular for authorising expenditure, or transactions involving commitments to expenditure, to be met from any such sum);
   (b) the keeping and audit of accounts and records with respect to such expenditure, and the keeping of records with respect to such transactions; and
   (c) the provision to the local education authority concerned by the governing body of—
      (i) copies of accounts and records required to be kept by virtue of any condition imposed under paragraph (b) above; and
      (ii) such other documents and information relating to the application of any such sum as the authority may from time to time require.

40 Initial implementation of delegation requirements under schemes

(1) The delegation requirement under a scheme shall not apply in relation to any school which comes within the scheme in any financial year falling within the scheme’s initial period until a date specified in the scheme.

(2) For the purposes of this section, a scheme’s initial period (subject to any order made under subsection (4) below) is the period of three years beginning with the date on which the scheme comes into force.

(3) Different dates may be specified under subsection (1) above in relation to different schools or categories of school and in relation to schools coming within the scheme in different financial years or at different times within the same financial year; but—
   (a) each date so specified must coincide with the beginning of a financial year; and
   (b) no date may be so specified which falls after the beginning of the financial year next following the end of the scheme’s initial period.

(4) The Secretary of State may by order—
   (a) substitute a date specified in the order for any date specified in a scheme under subsection (1) above (including one so specified by virtue of a previous order under this subsection); and
   (b) extend any scheme’s initial period until such date as may be specified in the order.

(5) For the purposes of this section, a school—
(a) comes within a scheme in any financial year if that financial year is the first financial year in which the school is required to be covered by the scheme; and
(b) comes within the scheme at the beginning of that year if it is then a school required to be so covered and otherwise at the time within that year when it first becomes such a school.

41 Extension of delegation requirement under schemes in the case of primary schools

(1) The Secretary of State may by regulations—
   (a) amend paragraph (a) of subsection (3) of section 39 of this Act by substituting a lower number for the number of registered pupils for the time being required under that paragraph for a primary school to be treated as satisfying the qualifying condition for the purposes of that section; or
   (b) amend subsection (1) of that section so as to require a scheme to include such provision as is there mentioned in relation to primary schools as well as secondary schools and make in any other provisions of this Chapter such consequential amendments as appear to him to be required.

(2) Any such regulations may provide that any scheme shall have effect with such modifications as appear to the Secretary of State to be appropriate in consequence of any provision made in those regulations by virtue of subsection (1)(a) or (b) above.

42 Publication of schemes and financial statements, etc

(1) A scheme shall be published in such manner as may be prescribed—
   (a) on its coming into force; and
   (b) on such subsequent occasions as may be prescribed.

(2) The following provisions of this section apply where in the case of any local education authority the authority’s financial provision for county and voluntary schools is subject to regulation by a scheme.

(3) Before the beginning of each financial year the authority shall prepare a statement of the financial provision they plan to make in that year for county and voluntary schools maintained by them.

(4) The statement shall contain the following particulars in relation to the financial year in question—
   (a) the amount of the general schools budget of the authority for that year (as initially determined for the purposes of the scheme);
   (b) the amount of the authority’s aggregated budget for that year (as so determined);
   (c) such particulars as may be prescribed of amounts deducted in respect of—
      (i) excepted heads or items of expenditure; or
      (ii) excluded expenditure under the scheme;
      in arriving at the amount specified in the statement by virtue of paragraph (b) above;
   (d) such particulars of the allocation formula under the scheme as may be prescribed;
(c) in the case of each school required to be covered by the scheme in that year, the planned expenditure per pupil arising from the division of the school’s budget share (as so determined) by the initial pupil number;

(f) in the case of each such school, the planned expenditure per pupil on excepted services arising from the division of the amount of the expenditure on such services planned by the authority for the purposes of the school by the initial pupil number;

(g) in the case of each such school, the planned expenditure per pupil arising from the division by the initial pupil number of so much of the authority’s excluded expenditure under the scheme (as so determined) as is appropriated by the authority for meeting expenditure for the purposes of the school;

(h) in the case of each such school, the amount of any expenditure of a capital nature planned for the purposes of the school;

(i) such particulars as may be prescribed of the basis on which the authority determine in the case of each such school—
   (i) the amount of expenditure on excepted services by reference to which the information required to be included in the statement under paragraph (f) above is determined; and
   (ii) the part of the authority’s excluded expenditure under the scheme by reference to which the information required to be included in the statement under paragraph (g) above is determined; and

(j) such further information with respect to the financial provision the authority plan to make in that year for county and voluntary schools maintained by them as may be prescribed.

(5) For the purposes of subsection (4) above—

(a) “the initial pupil number” means, in relation to a financial year, the number of registered pupils at the school in question required under the scheme to be used in applying the allocation formula under the scheme for initial determination of the school’s budget share for the year; and

(b) services are excepted services, in relation to a financial year, if expenditure on those services in that year is an excepted item of expenditure.

(6) After the end of each financial year the authority shall prepare a statement containing such information with respect to—

(a) expenditure actually incurred in that year for the purposes of all schools required to be covered by the scheme; and

(b) expenditure so incurred which was incurred, or is treated by the authority as having been incurred, for the purposes of each such school; as may be prescribed.

(7) A statement prepared under this section shall be prepared in such form, and published in such manner and at such times, as may be prescribed.

(8) The authority shall furnish the governing body of each school required to be covered by the scheme in any financial year with a copy of each statement prepared by the authority under this section in relation to that year.

(9) The governing body of each such school shall secure that a copy of any such statement furnished to them under subsection (8) above is available for inspection (at all reasonable times and free of charge) at the school.
43  **Application of schemes to special schools**

(1) The Secretary of State may by regulations provide for requiring or authorising schemes—

(a) to cover special schools maintained by local education authorities; and

(b) to include provision, in the case of any such school which by virtue of any regulations made under paragraph (a) above is required or authorised to be covered by a scheme, for the delegation by the authority concerned of the management of the school’s budget share for any financial year to the governing body of the school.

(2) Regulations under this section—

(a) may make in any provisions of this Chapter such amendments as appear to the Secretary of State to be required in consequence of any provision made in those regulations by virtue of subsection (1) above; and

(b) may provide that any scheme shall have effect with such modifications as appear to the Secretary of State to be appropriate in consequence of any provision so made.

44  **Staff employed by the local education authority**

(2) None of the following shall have effect in relation to a school to which this section for the time being applies—

(b) any provision made by the articles of government in accordance with any of sections 36 to 41 of that Act (procedure for appointments, suspensions and dismissals); and

(c) any provision of section 40 of that Act (appointment and dismissal of clerk to the governing body) other than subsection (5).

(3) Subject to the following provisions of this section—

(a) the appointment, suspension and dismissal of staff at a school to which this section for the time being applies and the determination of their duties, grading and remuneration; and

(b) the application in relation to such staff of—

(i) any disciplinary rules and procedures; and

(ii) any procedures for affording to them opportunities for seeking redress of any grievances relating to their employment;

shall be subject to Schedule 3 to this Act.

(4) Within the period of five years beginning with the date on which the financial year begins in which any county, controlled or special agreement school first has a delegated budget under a scheme, it shall be the duty of the local education authority concerned to amend the articles of government of the school so as to include a statement indicating that provisions made by the articles in accordance with any of
sections 36 to 41 of the 1986 Act (specifying those provisions) are superseded by this section and Schedule 3 to this Act during any period when the school has a delegated budget.

(5) This section is subject to the provisions of sections 27 and 28 of the 1944 Act (which relate to religious education).

(3) Subject to any provision of the articles of government of any such school other than any provision for the time being excluded by subsection (2) above from applying to the school, the governing body of the school shall have (if they would not otherwise do so apart from any provision of the articles so excluded) power to appoint, suspend and dismiss staff as they think fit.

(4) Subsection (6) below applies if in the case of any such school—

(12) Subject to—
   (a) any requirements imposed by the Secretary of State under subsection (7) above; and
   (b) any requirements with respect to the application of maintenance grant contained in the articles of government of the school;

(2) Payments in respect of maintenance grant for any such school in respect of any financial year may be made, before any amount has been determined in accordance with grant regulations as the amount of such grant payable for that year in respect of that school, by reference to an estimate of the amount which will be so payable made by the Secretary of State.

(3) Where in respect of any financial year any over-payment of maintenance grant is made to the governing body of such a school a sum equal to the amount of that over-payment shall be recoverable from the governing body by the Secretary of State.

(4) Where any sum is payable by the governing body of such a school to the Secretary of State—

   (b) by way of repayment of special purpose grant or capital grant (whether by virtue of any such requirement as is mentioned in section 79(11) of this Act or otherwise);

the Secretary of State may (without prejudice to any other mode of recovery) recover the whole or any part of that sum by deducting it from any grant payable by him to the governing body.
(5) References in this section, in relation to any such school, to an overpayment of maintenance grant in respect of any financial year are references to any amount by which the aggregate amount of any payments in respect of maintenance grant made to the governing body of the school in respect of that year exceeds the amount finally determined in accordance with grant regulations as the amount of maintenance grant payable for that year in respect of the school.

(4) Subject to any provision made by such regulations by virtue of subsection (6) below, recoupment regulations shall provide for the total amount so recoverable to be determined by reference to any amount determined under grant regulations as the amount of the maintenance grant payable in respect of the school and the financial year in question (as from time to time revised).

(5) The amount of any sum so recoverable shall be determined—
   (a) where before the determination of the amount of that sum any amount has been determined under recoupment regulations as the total amount recoverable by virtue of subsection (1) above in respect of the school and financial year in question, by reference to any amount so determined as the total amount so recoverable; and
   (b) in any other case, by reference to any amount estimated by the Secretary of State as the amount which will initially be so determined as the total amount so recoverable;

which the Secretary of State considers it appropriate to adopt for the time being as a basis for determining the amounts of sums so recoverable.

(6) Recoupment regulations may provide for reducing any amount which would otherwise fall to be determined under the regulations as the total amount recoverable from any authority by virtue of subsection (1) above in respect of any school for any financial year by reference to any excess amounts recovered under this section in respect of any previous financial year.

(7) For the purposes of subsection (6) above an excess amount is recovered under this section in respect of any financial year if the aggregate amount of the sums recovered under this section for that year from the former maintaining authority for any grant-maintained school—

(8) The Secretary of State may recover sums due to him under this section from such an authority in either or both of the following ways—

(a) by requiring the authority to pay the whole or any part of any such sum at such time or times as he thinks fit; and

(b) by deducting, at such time or times as he thinks fit, the whole or any part of any such sum from any grant payable by him to the authority under any enactment (whether passed before or after this Act).

(9) Any sums received by the Secretary of State by virtue of this section shall be paid into the Consolidated Fund.

   (a) that the money or that part of it was derived or (as the case may be) those investments were acquired otherwise than from grants paid by him under this Chapter; and
   (b) that it ought to be paid, or the investments ought to be transferred, to a local education authority or to some other person;

he may require the governing body to pay that money, or an amount equal to the part in question, or to transfer those investments, to such local education authority or other person as he may specify, either beneficially or to be held on trust for such purposes as he may specify.

(3) Without prejudice to the power of the Secretary of State under subsection (2) above, any payment of money or transfer of investments under this section shall be free of any trusts on which the money or investments are held by the governing body before the payment or transfer is made.

97 Discharge, transfer and termination of liabilities, etc

(1) Subsection (2) below applies where in the case of any grant-maintained school conducted or formerly conducted by a governing body in liquidation an order is made by virtue of section 95(2) of this Act vesting the school premises in any persons proposing to establish an independent school on those premises (“W”).

      (i) discharging any liabilities of the governing body other than liabilities required by virtue of paragraph (a) above to be discharged by the new owners; and

   (b) in any other case, any such liabilities shall be terminated on the dissolution date.

(5) Where—
   (a) a school is established in pursuance of any proposals under section 13 of the 1980 Act on the premises of a discontinued grant-maintained school; and
   (b) any liabilities of the governing body of that grant-maintained school have been terminated under subsection (4)(b) above;

the amount of those liabilities shall be treated for the purposes of section 14 of the 1944 Act (restrictions on discontinuance of voluntary schools) as expenditure incurred by the Secretary of State (otherwise than in connection with repairs) in respect of the premises of the new school.

(6) Where in any case to which subsection (3) above applies the school premises are vested in any persons by an order made by virtue of section 95(1) of this Act, an order under section 94 of this Act may require an amount equal to the whole or any part of the amount required for discharging any liabilities of the governing body and meeting the costs of the winding up to be deducted from the consideration otherwise payable by virtue of section 95 of this Act to the local education authority concerned and paid by the persons in whom the premises are so vested to the Secretary of State.

(3) Any reduction by virtue of subsection (2) above shall be disregarded in determining the amount of any sums expended by the persons in whom the school premises are vested by the order on the provision of a site for the new school or of the school buildings; but an amount equal to the amount of that reduction shall be treated as having been paid by the Secretary of State to the governing body of the new school—

   (b) the reference to the purchase money paid in respect of such an acquisition includes a reference to any compensation paid by the landlord on the quitting of any such premises by the governing body or the trustees of the school (whether or not the compensation is required to be paid by section 37 of that Act).

In this subsection expressions to which a meaning is given for the purposes of that Act have the same meaning as in that Act.
102 Variation of trust deeds relating to grant-maintained schools, etc

(1) The Secretary of State may by order make such modifications of any trust deed or other instrument relating to any school as, after consultation with the governing body of the school and the trustees (if any), appear to him to be requisite—

(a) in consequence of the approval of proposals for acquisition of grant-maintained status for the school;

(b) for removing any inconsistency between the provisions of that trust deed or other instrument and any provisions included or proposed to be included in any instrument or articles of government made for the school under this Chapter which it appears to him to be expedient to remove in the interests of the school; or

(c) in consequence of any proposals with respect to a change in the character or an enlargement of the premises of the school which fall to be implemented under section 89 of this Act.

(2) Any modification made by an order under this section may be made to have permanent effect or to have effect for such period as may be specified in the order.

(3) Any provision of any instrument relating to any land held for the purposes of any voluntary school which—

(a) confers on any person an option to acquire an interest in that land; or

(b) provides (in whatever terms) for the determination or forfeiture of any such interest;

in the event of the school’s ceasing to be a voluntary school or (as the case may be) ceasing to be maintained by a specified local education authority shall, if the school becomes a grant-maintained school, have effect as if the event referred to were the school’s ceasing to be a school which is either a grant-maintained school or a voluntary school.

103 Publication of information and reports and returns by governing bodies of grant-maintained schools

(1) The governing body of every grant-maintained school shall publish, at such times and in such manner as may be required by regulations made by the Secretary of State, such information with respect to the school as may be so required.

(2) The governing body of every such school shall make such reports and returns, and give such information, to the Secretary of State as he may require.

(3) The governing body of every such school shall make such reports and returns, and give such information, to any local education authority by whom any functions are exercisable—

(d) references to a change in the character of a school include, in particular, changes in character resulting from education beginning or ceasing to be provided for pupils above or below a particular age, for boys as well as girls or for girls as well as boys, or from the making or alteration of arrangements for the admission of pupils by reference to ability or aptitude;

   (i) except where any provision made by virtue of section 5 of that Act (appointment of parent governors by governing body) applies, to the holding of an election under that Act; and
   (ii) where any such provision applies, to the making of an appointment in accordance with that provision;

(2) In relation to any proposals for acquisition of grant-maintained status required to be published under section 62 of this Act in respect of any school, the reference in subsection (1)(a) above to the originating ballot is a reference—

(a) where subsection (1) of that section applies, to the ballot by reference to which it applies; and

(b) where the proposals are required to be published by virtue of a requirement imposed by the Secretary of State under subsection (4) or (12) of that section, to the last ballot held in accordance with section 61 of this Act in relation to the school before that requirement was imposed.

(3) In this Chapter—

“incorporation date” means, in relation to a grant-maintained school, the date on which the initial governing body of the school is incorporated under this Chapter; and

“premises” includes any interest in or easement, right or charge in, to or over premises.

CHAPTER V

MISCELLANEOUS

City colleges

105 Agreements for establishment, etc., of city technology colleges and city colleges for the technology of the arts

(1) The Secretary of State may enter into an agreement with any person under which—

(a) that person undertakes to establish and maintain, and to carry on or provide for the carrying on of either—

(i) an independent school to be known as a city technology college; or

(ii) an independent school to be known as a city college for the technology of the arts;

and having (in each case) such characteristics as are specified in the agreement and in subsection (2) below; and

(b) the Secretary of State agrees to make payments to that person in consideration of those undertakings.

(2) The characteristics mentioned above are that the school—

(a) is situated in an urban area;

(b) provides education for pupils of different abilities who have attained the age of eleven years but not the age of nineteen years and who are wholly or mainly drawn from the area in which the school is situated; and

(c) has a broad curriculum with an emphasis—

(i) in the case of a school to be known as a city technology college, on science and technology; or
(ii) in the case of a school to be known as a city college for the technology of the arts, on technology in its application to the performing and creative arts.

(3) An agreement under this section shall make any payments by the Secretary of State dependent on the fulfilment of—

(a) conditions and requirements imposed for the purpose of securing that no charge is made in respect of admission to the school or, subject to such exceptions as may be specified in the agreement, in respect of education provided at the school; and

(b) such other conditions and requirements with respect to the school as are specified in the agreement.

(4) Payments under an agreement under this section may be in respect of capital or current expenditure and, in so far as they relate to the latter, the agreement shall provide for their continuance (subject to the fulfilment of the conditions and requirements mentioned in subsection (3) above) for a period of not less than seven years or for an indefinite period terminable by the Secretary of State by not less than seven years written notice.

(5) Where such payments relate to capital expenditure, the agreement shall provide for the repayment to the Secretary of State, in the event at any time of the school discontinuing or ceasing to have the characteristics specified in the agreement and in subsection (2) above, of sums determined by reference to—

(a) the value at that time of the school premises and other assets held for the purposes of the school; and

(b) the extent to which expenditure incurred in providing those assets was met by payments under the agreement.

(6) Without prejudice to subsection (4) above an agreement under this section may provide for indemnifying a person, in the event of the agreement being terminated by the Secretary of State, for expenditure—

(a) incurred by that person in carrying out the undertakings mentioned in subsection (1) above; or

(b) incurred by that person (otherwise than by virtue of subsection (5) above) in consequence of the termination of the agreement.

Charges in maintained schools

106 Prohibition of charges, etc., in maintained schools

(1) No charge shall be made in respect of admission to any maintained school.

(2) Subject to subsection (3) below and section 107 of this Act, no charge shall be made in respect of the education provided for registered pupils at any such school during school hours.

(3) Subsection (2) above shall not apply in relation to—

(a) individual tuition in playing any musical instrument; or

(b) any education provided at a grant-maintained school in pursuance of arrangements made under section 57(5) of this Act.
(4) No charge shall be made in respect of education provided for a registered pupil at any maintained school where the education is education to which subsection (2) above does not apply if it is—
   (a) required as part of any syllabus for a prescribed public examination which is a syllabus for which the pupil is being prepared at the school; or
   (b) provided in pursuance of any of the duties imposed by section 10(1)(b) or (2)(a) of this Act;
   but this subsection shall not apply in relation to education provided at a grant-maintained school in pursuance of arrangements made under section 57(5) of this Act.

(5) No charge shall be made in respect of the entry of a registered pupil at any maintained school for any prescribed public examination in any syllabus for that examination for which the pupil has been prepared at the school.

(6) Neither the parent of any such pupil nor the pupil himself shall be required to pay for or supply any materials, books, instruments or other equipment for use for the purposes of or in connection with—
   (a) education provided for the pupil at the school in respect of which by virtue of this section no charge may be made; or
   (b) any syllabus for a prescribed public examination which is a syllabus for which the pupil has been prepared at the school.

(7) No charge shall be made in respect of transport provided for a registered pupil at any such school where the transport is either—
   (a) incidental to education provided for the pupil at the school in respect of which by virtue of this section no charge may be made; or
   (b) provided for the purpose of enabling him to meet any examination requirement for any syllabus for a prescribed public examination which is a syllabus for which he has been prepared at the school.

(8) For the purposes of subsection (7)(a) above, transport is incidental to education provided for registered pupils at any such school if it is provided for the purpose of carrying such pupils—
   (a) to or from any part of the school premises in which education is provided for those pupils, from or to any other part of those premises; or
   (b) to or from any place outside the school premises in which education is provided for those pupils under arrangements made by or on behalf of the governing body or the local education authority, from or to the school premises or any other such place.

(9) Nothing in this section shall be read as prohibiting the making of a charge in respect of board and lodging provided for a registered pupil at any such school on a residential trip.

(10) In this Chapter “residential trip” means any trip—
   (a) which is arranged for registered pupils at any maintained school by or on behalf of the governing body or the local education authority; and
   (b) which requires the pupils taking part to spend one or more nights away from their usual overnight accommodation.

(11) For the purposes of this section, a pupil shall be regarded as having been prepared at a school for a syllabus for any prescribed public examination if any part of the education
provided with a view to preparing him for that examination in that syllabus has been
provided for him at that school.

107  Provision for cases where education is provided partly during and partly outside
school hours

(1) Where a period allowed for any educational activity at a maintained school falls partly
during school hours and partly outside school hours—

(a) if fifty per cent. or more of the time occupied by that period together with
any connected school travelling time falls during school hours, so much of
the education provided during that period as is provided outside school hours
shall be treated for the purposes of section 106(2) of this Act as provided
during school hours; and

(b) in any other case, so much of the education provided during that period as is
provided during school hours shall be treated for those purposes as provided
outside school hours.

(2) In this section “school travelling time” means time spent on travel during school
hours; and for the purposes of subsection (1)(a) above, such time is connected school
travelling time in relation to any educational activity if it is spent by the pupils taking
part in the activity in getting to or from the place where the activity takes place.

(3) Where any education provided at a maintained school is provided on a residential trip

(a) if the number of school sessions taken up by the trip is equal to or greater
than fifty per cent. of the number of half days spent on the trip, any education
provided on the trip which is provided outside school hours shall be treated for
the purposes of section 106(2) of this Act as provided during school hours; and

(b) in any other case, any education provided on the trip which is provided during
school hours shall be treated for those purposes as provided outside school
hours.

(4) In this section a “half day” means any period of twelve hours ending with noon or
midnight on any day.

(5) Where fifty per cent. or more of a half day is spent on a residential trip, the whole
of that half day shall be treated for the purposes of subsection (3) above as spent on
the trip.

(6) For the purposes of that subsection, a school session on any day on which such a
session takes place at the school concerned shall be treated as taken up by a residential
trip on which education is provided for registered pupils at the school if the time spent
on the trip occupies fifty per cent. or more of the time allowed for that session at the
school.

108  Recovery of wasted examination fees

(1) Notwithstanding section 106(5) of this Act, where—

(a) the governing body of any maintained school or the local education authority
have paid or are liable to pay any fee in respect of the entry of a registered pupil
at the school for a public examination in any syllabus for that examination; and

(b) the pupil fails without good reason to meet any examination requirement for
that syllabus;
that body or authority may recover the amount of the fee from the pupil’s parent.

(2) It shall be for the body or authority who have paid or are liable to pay the fee in question to determine for the purposes of this section any question whether a pupil who has failed to meet any such examination requirement had good reason for the failure.

109  Permitted charges

(1) Subject to subsection (2) below, a charge may be made in respect of—
   (a) education or transport provided for a registered pupil at any maintained school other than education or transport in respect of which by virtue of section 106 of this Act or section 55(1) of the 1944 Act no charge may be made;
   (b) the entry of any such pupil for a public examination in any syllabus for that examination otherwise than in circumstances in which by virtue of section 106(5) of this Act no charge may be made; and
   (c) board and lodging provided for any such pupil on a residential trip.

(2) A charge may not be made—
   (a) by virtue of subsection (1)(a) above in respect of the provision for a pupil of education or transport; or
   (b) by virtue of subsection (1)(b) above in respect of the entry of a pupil for an examination in any syllabus for that examination; unless the education or transport is provided or the pupil is entered for the examination in that syllabus by agreement with his parent; and any education, transport or examination entry in respect of which a charge may be made by virtue of either of those provisions is referred to below in this section as an “optional extra”.

(3) The following provisions of this section apply in relation to any charge permitted under this section, other than a charge in respect of education provided at a grant-maintained school in pursuance of arrangements made under section 57(5) of this Act; and any charge to which those provisions apply is referred to in those provisions as a regulated charge.

(4) The amount of any regulated charge shall be payable by the parent of the pupil concerned.

(5) A regulated charge shall not exceed the cost of the provision of the optional extra or the board and lodging in question.

(6) Without prejudice to the generality of subsection (5) above, the cost of the provision of an optional extra includes costs, or an appropriate proportion of the costs—
   (a) incurred in respect of the provision of any materials, books, instruments or other equipment used for the purposes of or in connection with the provision of the optional extra;
   (b) attributable to the provision of non-teaching staff for any purpose connected with the provision of the optional extra; or
   (c) attributable to the provision of teaching staff engaged under contracts for services for the purpose of providing it.

(7) Subject to subsection (8) below, the cost of the provision of an optional extra shall not be taken as including any costs attributable to the provision of teaching staff other than staff engaged as mentioned in subsection (6)(c) above.
(8) Where the optional extra in question consists of tuition in playing any musical instrument the cost of its provision shall include costs, or an appropriate proportion of the costs, attributable to the provision of teaching staff employed for the purpose of providing the tuition.

(9) Where charging is permitted under this section and the charge would be a regulated charge, the question of whether any charge in respect of the optional extra or the board and lodging should be made, and the amount of any charge to be made, shall be determined—

(a) in a case where the cost of the provision of the optional extra or board and lodging is met by, or from funds at the disposal of, the governing body, by the governing body; and

(b) in any other case, by the local education authority.

(10) The whole or any part of the amount of any charge the local education authority determine under subsection (9)(b) above to make—

(a) shall, if the governing body so determine, be met by, or from funds at the disposal of, the governing body; and

(b) shall not, to the extent that it is so met, be payable by the parent of the pupil concerned.

110 Charges and remissions policies

(1) Every governing body of a maintained school and every local education authority shall determine and keep under review a policy with respect to the provision of, and the classes or descriptions of case in which they propose to make charges for, any optional extra or board and lodging in respect of which charges are permitted by section 109 of this Act, other than education provided at a grant-maintained school in pursuance of arrangements made under section 57(5) of this Act.

(2) No such body or authority shall make such a charge unless they have both—

(a) determined a policy under subsection (1) above with respect to the making of such charges (their “W”); and

(b) determined a policy (their “W”)—

(i) setting out any circumstances in which they propose to remit (in whole or in part) any charge which would otherwise be payable to them in accordance with their charging policy; and

(ii) in the case of such a policy determined by the governing body of any school other than a grant-maintained school, setting out also any circumstances in which the governing body propose to meet (in whole or in part) any charge payable to the local education authority in accordance with the authority’s charging policy for any optional extra or board and lodging provided for a registered pupil at the school.

(3) Any remissions policy determined by the governing body of a maintained school or by a local education authority shall provide for complete remission of any charges otherwise payable in respect of board and lodging provided for a pupil on a residential trip if—

(a) the education provided on the trip is education in respect of which by virtue of section 106 no charge may be made; and

(b) his parents are in receipt of income support or family credit in respect of any period wholly or partly comprised in the time spent on the trip.
(4) Any such body or authority shall keep under review any remissions policy determined by them under this section.

(5) In this section “optional extra” has the same meaning as in section 109 of this Act.

111 Charges for board and lodging at boarding schools

(1) Subject to the following provisions of this section, where any registered pupil at any maintained school is provided at the school with board and lodging at the expense of a local education authority or the governing body of the school, charges shall be payable in respect of the board and lodging by the parent of the pupil concerned to that authority or body.

(2) Where the board and lodging are provided for the pupil—
   (a) at a school maintained by a local education authority; and
   (b) under arrangements made by the authority on the ground mentioned in subsection (4) below;
   the authority shall remit the whole of the charges payable under this section.

(3) Where the board and lodging are provided for the pupil—
   (a) at a grant-maintained school; and
   (b) under arrangements made by a local education authority on the ground mentioned in subsection (4) below;
   the whole of the charges payable under this section shall be payable by the authority instead of by the pupil’s parent.

(4) The ground referred to in subsections (2)(b) and (3)(b) above is that, in the opinion of the authority concerned, education suitable to the pupil’s age, ability and aptitude and to any special educational needs he may have cannot otherwise be provided by the authority for him.

(5) Where a local education authority are satisfied that payment of the full charges payable under this section would involve financial hardship to the parent of the pupil concerned, the authority—
   (a) in the case of charges payable to the authority, shall remit so much of those charges as falls in accordance with subsection (6) below to be so remitted; and
   (b) in the case of charges payable to the governing body of a grant-maintained school in respect of board and lodging provided under arrangements made by the authority, shall pay so much of those charges as falls in accordance with that subsection to be so paid.

(6) In the case of any such charges, the amount that falls to be remitted or paid by a local education authority by virtue of subsection (5) (a) or (b) above is—
   (a) such part of those charges as the authority consider ought not to be paid by the pupil’s parent in order to avoid such hardship as is mentioned in that subsection; or
   (b) if in their opinion such hardship cannot otherwise be avoided, the whole of those charges.
Miscellaneous

112 Extension of powers as to trusts for religious education

(1) Section 2 of the Education Act 1973 (special powers as to certain trusts for religious education) shall be amended as follows.

(2) For subsection (1) there shall be substituted the following subsections—

“(1) Where the premises of a voluntary school or a grant-maintained school have ceased (whether before or after the passing of the Education Reform Act 1988) to be used for a voluntary school or, as the case may be, a grant-maintained school, or in the opinion of the Secretary of State it is likely they will cease to be so used, then subject to subsections (2) to (4) below, he may by order made by statutory instrument make new provision as to the use of any endowment if it is shown either—

(a) that the endowment is or has been held wholly or partly for or in connection with the provision at the school of religious education in accordance with the tenets of a particular religious denomination; or

(b) that the endowment is or has been used wholly or partly for or in connection with the provision at the school of such religious education and that (subject to subsection (1C) below) the requirements of subsection (1A) below are fulfilled.

(1A) The requirements of this subsection are—

(a) that the school was or has been maintained as a voluntary school since 1st April 1945 (the coming into force of Part II of the Education Act 1944) or, in the case of a grant-maintained school, was so maintained from that date until immediately before it became a grant-maintained school; and

(b) that religious education in accordance with the tenets of the denomination concerned—

(i) is, and from that date has been, provided at the school; or

(ii) where the premises have ceased to be used for the purposes of the school, was provided at the school from that date until immediately before the premises ceased to be so used;

in pursuance of section 27 or 28 of that Act (religious education in voluntary schools) or section 85 or 86 of the Education Reform Act 1988 (religious education in grant-maintained schools which were formerly voluntary schools).

(1B) For the purposes of this section—

“endowment” includes property not subject to any restriction on the expenditure of capital; and

“shown” means shown to the satisfaction of the Secretary of State.

(1C) For the purposes of this section—

(a) where in the case of any school falling within subsection (1A)(a) above it is shown—

(i) that religious education in accordance with the tenets of a particular denomination is provided at the school; or
(ii) where the premises have ceased to be used for the purposes of the school, such religious education was so provided immediately before the premises ceased to be so used; such religious education shall be taken to have been provided at the school from 1st April 1945; and

(b) where religious education in accordance with such tenets is shown to have been given to any pupils at a controlled school or a grant-maintained school which was a controlled school immediately before it became a grant-maintained school, the religious education shall be taken to have been given to them at the request of their parents; unless the contrary is shown.”

(3) In subsection (4) for the words from “in connection with voluntary schools or” to “such a school” there shall be substituted the following paragraphs—

“(a) in connection with schools which are voluntary schools or grant-maintained schools; or

(b) partly in connection with such schools (or either description of such schools) and partly in other ways related to the locality served by the voluntary school or grant-maintained school at the premises that have gone or are to go out of use for such a school;”.

113 Schemes under the Endowed Schools Acts

(1) Where under any provision (however expressed) of a scheme made under the Endowed Schools Acts 1869 to 1948 the power of the trustees under the scheme to apply any property to which the scheme relates for purposes authorised by the scheme is subject to the approval or order of any other person—

(a) the scheme shall have effect as if no such approval or order was required; and

(b) no liability shall be deemed to have been incurred in respect of any failure before the passing of this Act to obtain any such approval or order.

(2) The Secretary of State may, on the application of any person whose approval or order would but for this section be required under such a scheme, direct that that requirement shall continue to have effect notwithstanding subsection (1)(a) above; but no liability shall be deemed to have been incurred in respect of any failure before the making of such a direction to obtain any such approval or order.

114 Extension of power to require local education authority to defray expenses of establishing controlled school

In section 2 of the Education (Miscellaneous Provisions) Act 1953 (power to require local education authority to defray expenses of establishing controlled school), in paragraph (b) (which limits the power conferred by that section to cases where the new school is required for pupils for whom accommodation in some other voluntary or grant-maintained school has ceased to be available) after the words “for whom” there shall be inserted the words “or for a substantial proportion of whom”.

115 Power to determine times of school sessions, etc

The following section shall be substituted for section 21 of the 1986 Act—
“21  Terms, holidays and sessions

(1) The articles of government for every county, controlled and maintained special school shall provide for it to be the duty of the local education authority to determine the dates at which the school terms and holidays are to begin and end.

(2) The articles of government for every such school shall provide for it to be the duty of the governing body to determine the times at which the school session or, if there is more than one, each school session is to begin and end on any day and, where the governing body propose to make any change in those times, for it to be their duty—

(a) to consult the local education authority and the head teacher before taking any of the actions mentioned in paragraphs (b) to (g) below;

(b) to include a statement in the report they are required to prepare by virtue of section 30 of this Act—

(i) indicating that they propose to make a change in those times;

(ii) specifying the proposed change and when they propose that it should take effect; and

(iii) drawing attention to any comment on the proposal included as an annex to the report by virtue of paragraph (c) below and including such response to the comment as they may consider appropriate;

(c) if so required by the local education authority, to include as an annex to that report such written comment on the proposal as the authority may provide for that purpose;

(d) to provide an opportunity for discussion of the proposal at a parents' meeting held by virtue of section 31 of this Act;

(e) to consider any comments made at the meeting on the proposal before determining whether any change in those times should be made and (if so) whether the proposal should be implemented with or without any modification;

(f) not to effect any change in those times except at the beginning of a school year; and

(g) not less than three months before any change in those times is to take effect—

(i) to inform the local education authority; and

(ii) to take such steps as are reasonably practicable to secure that the parents of all registered pupils at the school are informed; of the change and of when it is to take effect.

(1) A scheme shall include provision for requiring, in the case of each institution required to be covered by the scheme in any financial year which satisfies the qualifying condition on a qualifying date in relation to that year, the delegation by the local education authority concerned to the governing body of the institution of the management of the institution’s budget share for that year.

(2) For the purposes of this section—
   (a) an institution is to be treated as satisfying the qualifying condition at any time when its total full-time equivalent enrolment number is two hundred or more; and
   (b) “qualifying date” means, in relation to any financial year, any date which is a qualifying date in accordance with any provision made by or under the scheme in question.

(3) References in this Chapter to the delegation requirement under any scheme are references to any provision included in the scheme by virtue of subsection (1) above.

(4) The application of the delegation requirement under a scheme in relation to any institution is subject to section 145 of this Act in the case of any institution to which that section applies.

(5) Subject to subsections (6) and (7) below, once the delegation requirement under a scheme applies in relation to an institution in respect of any financial year it shall continue to apply in respect of each succeeding financial year.

(6) Subject to subsection (7) below, the delegation requirement under a scheme shall cease to apply in relation to any institution to which that requirement for the time being applies if the institution’s total full-time equivalent enrolment number—
   (a) falls below the number an institution’s total full-time equivalent enrolment number is for the time being required under subsection (2)(a) above to equal or
exceed for the institution to be treated as satisfying the qualifying condition; and
(b) remains below that number for such period as may be specified in the scheme.

(7) Where subsection (6) above applies in the case of any institution the delegation requirement under the scheme in question shall cease to apply in relation to the institution as from the beginning of the financial year beginning next after the period mentioned in paragraph (b) of that subsection comes to an end in the case of that institution.

(8) The application of subsections (6) and (7) above in relation to any institution is without prejudice to the subsequent application of the delegation requirement under the scheme in question in relation to that institution if it satisfies the qualifying condition on a qualifying date in relation to any financial year subsequent to that mentioned in subsection (7).

(9) In the case of any institution required to be covered by a scheme in any financial year to which the delegation requirement under the scheme does not apply, the scheme may provide for the delegation by the local education authority concerned to the governing body of the institution of the management of the institution’s budget share for that year.

(10) Any delegation by a local education authority under a scheme to the governing body of any institution of the management of the institution’s budget share for any financial year shall be subject to such conditions as may be imposed by or under the scheme.

(11) Conditions so imposed may (in particular) relate to the application of the whole of the budget share of any institution or of any part of the budget share of any institution determined by or under the scheme, and different conditions may be imposed in relation to any parts so determined.

(12) The governing body of any institution required to be covered by a scheme shall give to the local education authority concerned such information as the authority may from time to time require for the purposes of the exercise of their functions under this Chapter.

(3) The provision authorised by subsection (2)(b) above includes in particular provision limiting the delegation requirement to delegation for such purposes, and in relation to expenditure of such descriptions, as may be specified in the scheme.

(4) For the purposes of this section, a scheme’s initial period (subject to any order made under subsection (6) below) is the period of three years beginning with the date on which the scheme comes into force.
(5) Different dates may be specified under subsection (1) or (2) above in relation to different institutions or categories of institution and different purposes of any modification or exclusion made under subsection (2) above, and in relation to institutions coming within the scheme in different financial years or at different times within the same financial year; but—
   (a) each date so specified must coincide with the beginning of a financial year; and
   (b) no date may be so specified which falls after the beginning of the financial year next following the end of the scheme’s initial period.

(6) The Secretary of State may by order—
   (a) substitute a date specified in the order for any date specified in a scheme under subsection (1) or (2) above (including one so specified by virtue of a previous order under this subsection); and
   (b) extend any scheme’s initial period until such date as may be specified in the order.

(7) For the purposes of this section, an institution—
   (a) comes within a scheme in any financial year if that financial year is the first financial year in which the institution is required to be covered by the scheme; and
   (b) comes within the scheme at the beginning of that year if it is then an institution required to be so covered and otherwise at the time within that year when it first becomes such an institution.

specified must satisfy in order to be covered by a scheme or to fall within any provision for delegation made by virtue of paragraph (b) or (c) above.

(3) The requirements that may be imposed in relation to such institutions by regulations made under subsection (2) above include, in particular, requirements with respect to the government of, and the approval by the Secretary of State of instruments and articles of government for, such institutions.

(2) The Secretary of State may by regulations require every local education authority operating a scheme to publish, before the beginning of every financial year, such information as to the operation of the scheme as may be required by the regulations.

(3) The information shall be published in such form and manner as may be prescribed.

(4) For the purposes of subsection (2) above a local education authority is an authority operating a scheme if the authority’s financial provision for any institutions maintained or assisted by the authority is subject to regulation by a scheme.

   in the event of the institution’s ceasing to be maintained or assisted by a local education authority or (as the case may be) by the authority in question shall, if the institution becomes an institution within the PCFC funding sector or a grant-aided institution, have effect as if the event referred to were the institution’s ceasing to be a publicly funded institution.

Disposal of functions and property of ILEA

165 Development plans for education

(1) Not later than such date as the Secretary of State may direct each inner London council shall prepare and publish a plan (referred to in this section as a “development plan”)—
   (a) describing the manner in which the council proposes to perform the functions of a local education authority for its area (in this Part referred to, in relation to each such council, as the council’s “LEA functions”); and
   (b) giving the additional information required by subsection (2) below.

(2) A council’s development plan shall—
   (a) list the property belonging to ILEA which, in the council’s opinion, needs to be transferred to it for the purpose of enabling it properly to perform its LEA functions;
   (b) specify—
      (i) all schools situated inside the council’s area which are currently maintained by ILEA; and
      (ii) any schools situated outside the council’s area which are currently so maintained and which the council would wish to maintain in exercise of its LEA functions; and
   (c) give particulars of the management structure (within the meaning of section 169 of this Act) which the council proposes to adopt for the purpose of the exercise of those functions.

(3) In preparing a development plan, a council shall—
   (a) consult the local authorities for adjacent areas; and
   (b) take into account any guidance given by the Secretary of State (whether as to the contents of the plan or as to consultation with any other persons, and whether as to such plans generally or as to the particular council’s plan).

(4) Guidance given by the Secretary of State for the purposes of subsection (3)(b) above shall be published in such manner as the Secretary of State thinks fit.

(5) A development plan shall be published in such manner as the council concerned considers likely to bring it to the attention of persons (both inside and outside its area) who may be affected by the performance by the council of its LEA functions, and the council shall make copies of the plan readily available, during office hours, to persons wishing to inspect it.

166 Responsibility for schools

(1) The Secretary of State shall by an order or orders made at any time before the abolition date designate in relation to each inner London council—
   (a) the ILEA maintained schools which it is to be that council’s duty to maintain; and
(b) the ILEA grant-maintained schools in respect of which functions exercisable by ILEA are to be exercisable instead by that council.

(2) The Secretary of State may by an order or orders so made designate in relation to any local education authority specified in the order (other than an inner London council)—

(a) any ILEA maintained school which it is to be that authority’s duty to maintain; or

(b) any ILEA grant-maintained school in respect of which functions exercisable by ILEA are to be exercisable instead by that authority;

and shall so designate any such school which is not designated by an order under subsection (1) above.

(3) For the purposes of this section—

(a) a school is an ILEA maintained school if it is a county, voluntary, nursery or special school maintained by ILEA; and

(b) a school is an ILEA grant-maintained school if it is a grant-maintained school which was maintained by ILEA immediately before it became a grant-maintained school.

(4) A school may be designated—

(a) in relation to a council by an order under subsection (1) above; or

(b) in relation to a local education authority by an order under subsection (2) above;

whether it is inside or outside the area of that council or authority.

(5) Subject to subsection (6) below, as from the abolition date each inner London council and any other local education authority shall maintain and, except in accordance with the Education Acts 1944 to 1988, shall not cease to maintain any school—

(a) which is designated in relation to that council or authority by an order under subsection (1)(a) or (2)(a) above; and

(b) which immediately before that date was maintained by ILEA.

(6) Any such council or authority may, with the consent of the Secretary of State, agree with any other local education authority for the maintenance by that authority of any school which by virtue of subsection (5) above would otherwise fall to be maintained by the council or the first-mentioned authority.

(7) Any functions which, immediately before the abolition date, were exercisable by ILEA in relation to, or in relation to registered pupils at, any school which is designated in relation to any such council or in relation to any other local education authority by an order under subsection (1)(b) or (2)(b) above shall, as from that date, be exercisable instead by that council or (as the case may be) by that authority.

(8) Where after the date on which an order under subsection (1) or (2) above is made any school designated under paragraph (a) of either of those subsections becomes a grant-maintained school, it shall be treated for the purposes of subsection (7) above as having been designated under paragraph (b) of subsection (1) or (2) (as the case may require).

167 Removal of certain governors

(1) On the abolition date—

(a) any person appointed by ILEA as governor of any institution to which this subsection applies; and
(b) any person co-opted as governor of any such institution;
shall cease to hold office.

(2) Subsection (1) above applies to the following institutions—
(a) any school which immediately before the abolition date was maintained by
ILEA; and
(b) any institution other than a school which immediately before that date was
maintained or assisted by ILEA.

(3) On that date any person appointed by an inner London council as governor of a primary
school by virtue of any provision included in the instrument of government of the
school in accordance with section 7(1) of the 1986 Act (appointment of governor by
minor authority) shall cease to hold office.

(4) On and after that date the instrument of government of any school to which that section
applies shall have effect as if it made the provision that would have been required by
section 3 of that Act if section 7(1) had not applied (and with the omission of any
provision included by virtue of subsection (6)(a) of section 7).

(5) Neither subsection (1) nor subsection (3) above shall be taken as prejudicing any
subsequent appointment or co-option as governor of the school or other institution
concerned of a person who by virtue of that subsection ceases to hold office as
governor of that school or institution.

168 Transfers of property, rights and liabilities

(1) The Secretary of State may by an order or orders made at any time before the abolition
date provide for the transfer to each inner London council of—
(a) such of the property, rights and liabilities of ILEA (other than excepted rights
and liabilities) as, in his opinion, need to be so transferred for the purpose of
enabling that council properly to perform its LEA functions; and
(b) such of the rights and liabilities of ILEA (other than excepted rights and
liabilities) as, in his opinion, it is appropriate to transfer to that council for
the purposes of or in connection with the exercise by that council by virtue of
section 166 of this Act of functions in relation to, or in relation to registered
pupils at, any grant-maintained school which were formerly exercisable by
ILEA.

(2) The Secretary of State may by such an order or orders provide for the transfer to any
local authority other than an inner London council of such of the property, rights
and liabilities of ILEA (other than excepted rights and liabilities) as do not in his opinion
fall to be transferred to such a council by virtue of subsection (1) above.

(3) Any transfer for which provision is made by order under this section may be on such
terms, including financial terms, as the Secretary of State thinks fit and the Secretary
of State may by order create or impose such new rights or liabilities in respect of what
is transferred as appear to him to be necessary or expedient.

(4) The Secretary of State may by order confer on any inner London council or local
authority to which property is transferred by or under the order any statutory functions
which before the abolition date were exercisable in relation to that property by ILEA.

(5) In this section “excepted rights and liabilities” means rights and liabilities arising
under contracts of employment between ILEA and its employees.
169 Approval of management structure and senior appointments in initial period

(1) References in this section to the management structure of an inner London council for the purpose of the exercise of its LEA functions are references to any aspect of the council’s organisation and its arrangements for managing its affairs in relation to the exercise of those functions which the Secretary of State determines ought to be subject to approval under this section with a view to securing the proper performance by the council of those functions during the initial period.

In this section “the initial period” means the period of five years beginning with the abolition date.

(2) The reference in subsection (1) above to a council’s organisation and its arrangements for managing its affairs in relation to the exercise of its LEA functions includes in particular its staffing arrangements and the determination of the duties to be performed by its employees concerned in the exercise of those functions.

(3) It shall be the duty of each inner London council to adopt and to maintain during the initial period a management structure for the purpose of the exercise of its LEA functions which is for the time being approved by the Secretary of State under this section.

(4) Such a council shall not before the end of the initial period make an appointment to which this subsection applies except after consultation with the Secretary of State.

(5) Subsection (4) above applies to the appointment of a person—

(a) to be the chief education officer of the council; or

(b) to any designated post forming part of the management structure of the council for the time being approved under this section.

(6) In subsection (5)(b) above “designated” means designated for the purposes of subsection (4) above by a direction given by the Secretary of State.

(7) For the purposes of the consultation required by subsection (4) above a council proposing to make an appointment to which that subsection applies shall send to the Secretary of State particulars showing the name, previous experience and qualifications of the persons from whom the council proposes to make a selection.

(8) If the Secretary of State is of opinion that any person whose name is submitted to him under subsection (7) above is not a fit person to hold the appointment in question, he may give a direction prohibiting that person’s appointment.

Staff

170 Establishment and functions of staff commission

(1) The Secretary of State shall establish a staff commission for the purpose of—

(a) advising the Secretary of State on the steps necessary to safeguard the interests of the staff employed by relevant authorities so far as affected by any provision made by or under this Part;

(b) considering and keeping under review—

(i) the arrangements for the recruitment of staff by those authorities in consequence of any such provision; and
(ii) the arrangements for any transfer of the staff of those authorities in consequence of any such provision; and

c) considering such staffing problems arising in consequence of, and such other matters relating to staff of any body affected by, any such provision as may be referred to the commission by the Secretary of State.

(2) The Secretary of State may give directions to the staff commission as to their procedure and to any relevant authority with respect to—

(a) the implementation of any advice given by the commission; and

(b) the payment by a relevant authority of any expenses incurred by the commission in doing anything requested by the authority;

and it shall be the duty of the commission and of a relevant authority to comply with any direction given to it under this subsection.

(3) Any expenses incurred by the staff commission under this section and not recovered from a relevant authority shall be paid by the Secretary of State.

(4) The relevant authorities for the purposes of this section are—

(a) ILEA and the inner London councils;

(b) the London Residuary Body; and

(c) any local authority other than an inner London council to which functions or property of ILEA will be or have been transferred by order under section 168 of this Act.

171 Remuneration of employees

(1) If—

(a) ILEA proposes to fix for any employee or class of employees of ILEA a rate of remuneration greater than the rate for the time being applicable to that employee or class of employees; and

(b) the new rate is to take effect as from a date (“W”) falling after 30th September 1989;

ILEA shall notify each inner London council in writing of the proposal and the proposed date of increase.

(2) The employee or class of employees to whom any such proposal relates shall not be paid at the new rate—

(a) until the end of the period of four weeks beginning with the date immediately following the notification date; and

(b) where a complaint is made in accordance with subsection (3) below, unless payment at the new rate is authorised by the Secretary of State.

(3) Before the end of the period of two weeks beginning with the date immediately following the notification date, any three or more of the inner London councils may complain to the Secretary of State if they consider that the new rate is excessive having regard to levels of remuneration applicable in the case of persons employed by local authorities on work comparable to that on which the employee or class of employees concerned is employed.

(4) On receipt of such a complaint the Secretary of State—

(a) shall notify ILEA in writing of the complaint; and

(b) shall afford—
(i) to ILEA;
(ii) to each of the inner London councils; and
(iii) to such persons appearing to him to be representative of employees of ILEA as he considers appropriate in relation to the employee or class of employees concerned;

an opportunity of making representations to him with respect to the proposal.

(5) After considering any representations made to him under subsection (4)(b) above, the Secretary of State may—
(a) authorise payment at the new rate; or
(b) refuse to authorise such payment.

(6) The Secretary of State shall give written notification of his decision to ILEA, to each of the inner London councils, and to any other persons who made representations to him with respect to the proposal under subsection (4)(b) above.

(7) Subsection (8) below applies where by virtue of subsection (2) above the employee or class of employees to whom any proposal to which subsection (1) above relates is not paid at the new rate until after the proposed date of increase, and either—
(a) no complaint is made in accordance with subsection (3) above in respect of the new rate; or
(b) such a complaint is made but payment at the new rate is authorised by the Secretary of State.

(8) In any case to which this subsection applies, for the purpose of determining—
(a) the terms of any contract affected by section 172 of this Act; and
(b) any compensation payable in accordance with section 173 of this Act;
the employee or class of employees concerned shall be regarded as having been entitled under his or their contracts of employment with ILEA to remuneration at the new rate as from the proposed date of increase.

(9) In this section “the notification date” means, in relation to any proposal to which subsection (1) above applies, the date by which all the inner London councils have received notification of the proposal under that subsection.

172 Power to transfer staff

(1) This section applies to any person who—
(a) immediately before the abolition date is in the service of ILEA under a contract of employment which would have continued but for the abolition of ILEA; and
(b) is designated for the purposes of this section by an order made by the Secretary of State.

(2) The contract of employment between a person to whom this section applies and ILEA shall not be terminated by the abolition of ILEA but shall have effect as from the abolition date as if originally made between him and such successor authority (“W”) as may be specified in relation to that person by the order designating him for the purposes of this section.

(3) Without prejudice to subsection (2) above—
(a) all ILEA's rights, powers, duties and liabilities under or in connection with a contract to which that subsection applies shall by virtue of this section be transferred on the abolition date to the new employer; and
(b) anything done before that date by or in relation to ILEA in respect of that contract or the employee shall be deemed from that date to have been done by or in relation to the new employer.

(4) Subsections (2) and (3) above are without prejudice to any right of an employee to terminate his contract of employment if a substantial change is made to his detriment in his working conditions, but no such right shall arise by reason only of the change in employer effected by this section.

(5) An order under this section may designate a person either individually or as a member of a class or description of employees.

(6) In this section “successor authority” means—
(a) an inner London council;
(b) the London Residuary Body; and
(c) any local authority other than an inner London council to which functions or property of ILEA are transferred by order under section 168 of this Act.

173 Compensation for loss of employment or loss or diminution of emoluments

(1) This section applies to any person who suffers loss of employment or loss or diminution of emoluments which—
(a) is attributable to any provision made by or under this Part; and
(b) occurs in the circumstances mentioned in subsection (2) below.

(2) Those circumstances are—
(a) in the case of loss of employment, the employment in question is employment with ILEA or the London Residuary Body and the loss is suffered on or after the abolition date; and
(b) in the case of loss or diminution of emoluments, the loss or diminution arises from the termination of the employment of the person concerned with ILEA or that Body and is suffered on or after such date as may be specified in regulations made for the purposes of this section under section 24 of the Superannuation Act 1972 ("W").

(3) Compensation in respect of any such loss or diminution suffered by a person to whom this section applies shall, subject to subsection (4) below, be paid only in accordance with compensation regulations; and accordingly neither ILEA nor the London Residuary Body shall pay any such compensation under any other statutory provision, by virtue of any provision in a contract or otherwise.

(4) Subsection (3) above shall not preclude the making of any payment to which a person is entitled by virtue of contractual rights acquired by him before 21st November 1987.

(5) Compensation regulations shall not provide compensation for a person to whom this section applies in respect of any such loss or diminution as is mentioned in subsection (1) above so far as attributable to the termination on or before the abolition date of a contract made after 17th February 1988 which provides for the employment of that person for a fixed term extending beyond the abolition date.
(6) For the purpose of determining under section 82(5) or (6) or 84(3) of the Employment Protection (Consolidation) Act 1978—
   (a) whether the provisions of a new contract offered to a person employed by ILEA or the London Residuary Body differ from the corresponding provisions of his previous contract; and
   (b) whether employment under the new contract is suitable in relation to that person;
   there shall be treated as forming part of the remuneration payable under the new contract any compensation to which that person is or, if he accepted the offer, would be entitled in accordance with this section.

(7) Except as provided in subsection (6) above, nothing in this section shall be construed as affecting any entitlement to a redundancy payment under Part VI of the Act of 1978 mentioned above or to any payment by virtue of any provision of the Act of 1972 mentioned above other than section 24.

174 Continuity of employment in certain cases of voluntary transfer

(1) This section applies to a person who at any time on or after such date as may be specified by order made by the Secretary of State ceases to be employed by ILEA or the London Residuary Body (his “W”) if—
   (a) the termination of his employment is attributable to any provision made by or under this Part;
   (b) he is subsequently employed by another person (his “W”); and
   (c) by virtue of section 84, 94 or 95 of the Employment Protection (Consolidation) Act 1978 (renewal or re-engagement) that subsequent employment precludes his receiving any redundancy payment under Part VI of that Act.

(2) Where this section applies to a person Schedule 13 to that Act (computation of period of employment for the purposes of that Act) shall have effect in relation to that person as if it included the following provisions, that is to say—
   (a) the period of employment of that person with his former employer shall count as a period of employment with his new employer; and
   (b) the change of employer shall not break the continuity of the period of employment.

(3) Where this section applies to a person the period of his employment with his former employer shall count as a period of employment with his new employer for the purposes of any provision of his contract of employment with his new employer which depends on his length of service with that employer.

175 Offers of employment by inner London councils

(1) If at any time after such date as may be specified for the purposes of this section by an order made by the Secretary of State (“W”) an inner London council proposes to engage a person who is currently in the employment of ILEA it shall, if reasonably practicable, enter into, or offer to enter into, a contract of employment with him that meets the requirements of subsection (2) below.
(2) The contract must be such that the employment of the person concerned by the council will or would take effect either immediately on the ending of his employment by ILEA or after an interval of not more than four weeks after the ending of that employment.

(3) If an inner London council enters into a contract of employment with a person who has received or is entitled to receive a redundancy payment under Part VI of the Employment Protection (Consolidation) Act 1978—
   (a) by reason of his dismissal by ILEA at any time after the specified date; or
   (b) by virtue of section 178(1) of this Act;
the council shall, if the Secretary of State so directs, pay to the London Residuary Body an amount equal to that payment.

(4) The Secretary of State shall not give a direction under subsection (3) above in respect of the employment of any person by an inner London council if the council satisfies him—
   (a) that it could not reasonably have made that person an offer of employment on the terms and conditions of the contract mentioned in that subsection which, if accepted by him, would have precluded his entitlement to the redundancy payment; or
   (b) that the council has made such an offer but that the person concerned acted reasonably in refusing it or that he could reasonably have refused such an offer if it had been made by the council.

(5) In any case in which an amount is payable by a council under subsection (3) above the council shall also pay to the London Residuary Body an amount equal to any compensation under the regulations referred to in section 173(2) of this Act which has been paid or is payable to the person concerned before the time when he enters into the contract.

(6) A former member of an inner London council shall not be disqualified by virtue of section 116 of the Local Government Act 1972 for being appointed by that council to a paid office if—
   (a) he is, or at any time between the passing of this Act and the abolition date has been, in the employment of ILEA; and
   (b) he is appointed not later than twelve months after that date and with the consent of the Secretary of State.

(7) For the purposes of subsection (2) above employment ending on a Friday or a Saturday shall be treated as ending immediately before the following Monday and the interval of four weeks shall be calculated as if any such employment had ended at that time.

176 **Provision of services and facilities by London Residuary Body**

(1) Subject to subsection (3) below, the Secretary of State may at any time by a direction require the London Residuary Body to provide, for the inner London councils and such other authorities or bodies or classes of authorities or bodies as may be specified in the direction, services or facilities of any description so specified.

(2) Any such direction shall specify the date (which must be a date falling on or after the abolition date) as from which the services or facilities in question are to be provided.
(3) The descriptions of services or facilities that may be so specified—
   (a) must be services or facilities of a description provided by ILEA at the date of the direction or (where the direction is given on or after the abolition date) immediately before the abolition date; and
   (b) subject to paragraph (a) above, include services or facilities of any description involving the provision for any council, authority or body of supplies required by them for the purposes of or in connection with the exercise of any of their functions (whether or not relating to education).

(4) It shall be the duty of the London Residuary Body to provide any services or facilities to which a direction under subsection (1) above relates—
   (a) as from the date specified in the direction under subsection (2) above; and
   (b) on such terms (including terms requiring the making of payments to the London Residuary Body by any council, authority or body to whom such services or facilities are provided) as may be specified in the direction.

(5) Any such direction may require such services or facilities to be provided on different terms for—
   (a) the inner London councils and any other authorities or bodies or classes of authorities or bodies specified in the direction; and
   (b) different authorities or bodies or classes of authorities or bodies so specified.

(6) Subject to subsection (7) below, the London Residuary Body may by agreement with one or more inner London councils, and on such terms as to payment or otherwise as the parties consider appropriate, provide the council or councils concerned with services or facilities of any description it would be within the power of the council or councils concerned to provide themselves in the exercise of any of their functions (whether or not relating to education).

(7) Any such agreement shall be subject to the approval of the Secretary of State.

177 Repayment by London Residuary Body of loans to ILEA

(1) Except so far as otherwise provided by any provision made under this Part, all the rights and liabilities of ILEA on the abolition date in respect of money borrowed by ILEA shall on that date become rights and liabilities of the London Residuary Body and those liabilities (both as respects principal and interest) shall be charged on the revenues of that body.

(2) For the purpose of providing the London Residuary Body with money to discharge those liabilities each inner London council shall on the abolition date be deemed to have borrowed from that body such sum as may be specified by or determined in accordance with an order made by the Secretary of State.

(3) That sum shall be deemed to have been borrowed on such terms as to repayment and the payment of interest as may be so specified or determined.

(4) For the purposes of paragraph 8 of Schedule 13 to the Local Government Act 1972 (borrowing for purposes of repaying sums borrowed under paragraph 1(b) of that Schedule), as it applies in relation to the London Residuary Body by virtue of section 75 of the 1985 Act, the amount of any liabilities in respect of principal to which that Body is for the time being subject under subsection (1) above shall be treated as money borrowed by that Body under paragraph 1(b) of that Schedule.
(5) An inner London council may, during the period within which it is required to discharge its liabilities in respect of principal under subsection (2) above, borrow money for the purpose of discharging those liabilities.

(6) In subsection (1) above the reference to money borrowed by ILEA includes a reference to any money borrowed by any other authority whose rights and liabilities in respect of that money have been transferred to ILEA.

178 Liability of London Residuary Body for redundancy and compensation payments

(1) Any person who—
   (a) immediately before the abolition date is in the service of ILEA under a contract of employment which would have continued but for the abolition of ILEA; and
   (b) is not designated for the purposes of section 172 of this Act;
shall be entitled to receive from the London Residuary Body any redundancy payment under Part VI of the Employment Protection (Consolidation) Act 1978 which he would have been entitled to receive from ILEA if ILEA had not been abolished but had dismissed him by reason of redundancy immediately before the abolition date.

(2) As respects any such redundancy payment—
   (a) the London Residuary Body shall be treated as the employer of the person concerned for the purposes of sections 101, 102, 104, 108 and 119 of that Act (ancillary provisions about redundancy payments);
   (b) references to the relevant date in sections 81(4), 82(1) and 101 of that Act and in Schedule 4 to that Act shall be construed as references to the day before the abolition date; and
   (c) the calculation date for the purposes of Part II of Schedule 14 to that Act (calculation of a week’s pay) shall be the day before the abolition date.

(3) Any person who—
   (a) immediately before the abolition date is in the service of ILEA under a contract of employment made on or before 17th February 1988 which is a contract for a fixed term extending beyond the abolition date; and
   (b) is not designated for the purposes of section 172 of this Act;
shall, if the contract made no provision for its prior termination by ILEA, be entitled to receive from the London Residuary Body an amount equal to any damages which he would have been entitled to recover from ILEA if ILEA had not been abolished but had dismissed him immediately before the abolition date.

(4) Any person who—
   (a) immediately before the abolition date is in the service of ILEA under a contract of employment (whether or not for a fixed term) providing for its termination by ILEA on payment of compensation for loss of employment; and
   (b) is not designated for the purposes of section 172 of this Act;
shall be entitled to receive from the London Residuary Body an amount equal to the compensation which he would have been entitled to receive from ILEA if ILEA had not been abolished but had terminated the contract immediately before that date.
(5) In subsection (4) above “compensation for loss of employment” does not include any payment to be made under the contract in lieu of notice.

(6) Where the amount of compensation payable under a contract differs according to the reasons for its termination the amount payable under subsection (4) above shall be determined on the assumption that the contract was terminated by reason of redundancy within the meaning of the Employment Protection (Consolidation) Act 1978.

179 Payment of pensions and pensions increase by London Residuary Body

(1) All liabilities of ILEA in respect of pensions payable by it shall on the abolition date become liabilities of the London Residuary Body.

(2) The reference in subsection (1) above to pensions includes a reference to allowances, grants or other benefits in respect of past service, death, injury or disease (whether of the pensioner or another person) and any such compensation as is mentioned in section 8(1)(b) or (c) of the Pensions (Increase) Act 1971.

(3) At the end of Part II of Schedule 2 to that Act (pensions payable out of local funds) there shall be inserted—

“A pension payable by the London Residuary Body, being a pension which would fall within any of the foregoing paragraphs of this Part of this Schedule if references to a local authority had continued to include references to the Inner London Education Authority.”

(4) In paragraph 1(5) of Schedule 3 to that Act (cases where increase of pension is to be reimbursed by the last employing authority) after “64B” there shall be inserted the words “and 64C”.

(5) The London Residuary Body shall pay—

(a) any increase which by virtue of regulations under section 5(2) of that Act would have been payable on or after the abolition date by ILEA; and

(b) any payment which is analogous to a pensions increase and would have been payable on or after that date by ILEA by virtue of regulations under section 13(3) of that Act.

180 Custody of residuary property, etc

(1) On the abolition date all residuary property, rights and liabilities of ILEA shall vest in the London Residuary Body.

(2) In subsection (1) above “residuary property, rights and liabilities” means—

(a) any property for the vesting of which provision is not otherwise made by or under this Part; and

(b) subject to subsection (3) below, any rights and liabilities which are not transferred, extinguished or otherwise dealt with by any provision so made.

(3) This section shall not be construed—

(a) as continuing in force any contract of employment made by ILEA; or

(b) as imposing any liability on the London Residuary Body in respect of the termination of any such contract by the abolition of ILEA;
but the rights and liabilities to which this section applies shall include any rights and liabilities attributable to anything done or omitted under or in respect of such a contract before the abolition date except any liability to make a payment prohibited by section 173(3) of this Act.

(4) The Secretary of State may by order confer on the London Residuary Body any statutory functions which before the abolition date were exercisable by ILEA in relation to any property, rights or liabilities which are vested in that body by this section.

(5) Without prejudice to section 232(5) of this Act, the provision that may be made by an order under subsection (4) above includes provision amending any enactment or any instrument made under any enactment.

181 Power of London Residuary Body to pay compensation

(1) The London Residuary Body may pay compensation—
   (a) to any former officer of ILEA who sustained an injury in the course of his employment with ILEA; or
   (b) to the widow or widower or child of any former officer of ILEA who, in the course of his employment with ILEA, died or sustained an injury resulting in death.

(2) Subsection (1) above applies irrespective of whether the employment with ILEA of the officer in question came to an end on or before the abolition date.

(3) The London Residuary Body may pay compensation to any person in respect of loss suffered by him in consequence of any damage to property in respect of which it appears to them that a claim might have been brought against ILEA had ILEA not been abolished.

(4) Any compensation payable under this section may be paid either—
   (a) by way of a lump sum; or
   (b) by way of periodical payments of such amounts and payable at such times and for such periods as the London Residuary Body may from time to time determine having regard to all the circumstances of the case.

(5) The payment of compensation under this section shall not affect any right or claim to damages or compensation which—
   (a) any such officer as is mentioned in subsection (1)(a) or (b) above or his widow or widower or child; or
   (b) any such person as is mentioned in subsection (3) above; may have against any person other than the London Residuary Body or, except so far as may be agreed when the compensation is granted, against the London Residuary Body by virtue of section 180 of this Act.

182 Preparation of ILEA’s final accounts

(1) It shall be for the London Residuary Body to discharge in relation to ILEA’s accounts for any period ending before the abolition date—
   (a) any functions under the regulations in force under Part III of the Local Government Finance Act 1982 which would have fallen to be discharged on or after that date by ILEA or any of its officers; and
(b) any functions under those regulations which fell to be so discharged before that date but have not been discharged.

(2) As respects anything falling to be done on or after the abolition date in relation to those accounts the provisions of Part III of that Act shall have effect as if those accounts were accounts of the London Residuary Body but so that—

(a) the documents to which an auditor has the right of access under section 16(1) shall include any documents relating to ILEA which are in the possession of an inner London council; and

(b) the persons who may be required to give information or an explanation under section 16(2) or 28(1) shall include any person who was an officer or member of ILEA at any time during the period to which the accounts relate and who is an officer or member of such a council.

(3) Any requirement under section 29(1) of that Act in respect of a claim, return or account of ILEA, and any consent under section 30(1)(a) of that Act in respect of information relating to ILEA, may, on or after the abolition date, be made or given by the London Residuary Body.

(4) That body shall have a right of access at all reasonable times to all such documents as are mentioned in subsection (2)(a) above which appear to it to be needed for the purpose of discharging its functions under this section and may require any such person as is mentioned in subsection (2)(b) above to give it any such information or explanation as it thinks necessary for that purpose.

(5) Any person who without reasonable excuse fails to comply with any requirement under subsection (4) above shall be liable on summary conviction to a fine not exceeding level 3 on the standard scale and to an additional fine not exceeding £40 for each day on which the offence continues after his conviction of the offence.

183 Directions of Secretary of State

(1) In exercising the functions conferred on it by or under this Part the London Residuary Body shall comply with any directions given to it by the Secretary of State.

(2) No transaction entered into by that body in exercise of any of those functions shall be invalid by reason only of a failure to comply with any direction given under this section.

(3) The Secretary of State shall publish any directions given by him under this section.

Financial provisions and winding up of London Residuary Body

184 Preparatory expenditure of inner London councils

(1) Without prejudice to the powers conferred by section 137 of the Local Government Act 1972 (which authorises a local authority to incur expenditure which it considers is in the interests of its area or inhabitants of its area), an inner London council may incur expenditure in making preparations for the exercise on and after the abolition date of its LEA functions.

(2) Where before the passing of this Act any such council has incurred such expenditure, that expenditure shall be treated after the passing of this Act as authorised by subsection (1) above.
(3) The Secretary of State may pay grants to an inner London council in respect of such expenditure incurred or to be incurred by the council in any financial year ending before the abolition date.

(4) The Secretary of State may make any payment in respect of such a grant subject to compliance by the council concerned with such conditions as he may determine.

185 London Residuary Body: financial provisions

(1) The London Residuary Body may in respect of any financial year beginning on or after the abolition date make levies on the rating authorities in inner London to meet all liabilities falling by virtue of this Part to be discharged by it for which provision is not otherwise made.

(2) The amount to be levied by that body in respect of any financial year from each such authority shall be determined by apportioning the total amount to be levied by that body under this section in respect of that year between those authorities in proportion to the population of their respective areas.

(3) For the purposes of subsection (2) above the population of any area shall be taken to be—

   (a) in relation to any financial year in respect of which the London Residuary Body makes any levy under section 74 of the 1985 Act, the number applicable by virtue of subsection (2) of that section; and

   (b) in relation to any other financial year, the number estimated by the Registrar General and certified by him to the Secretary of State by reference to such date as the Secretary of State may from time to time direct.

(4) In section 74 of the 1985 Act, as it applies in relation to the London Residuary Body—

   (a) subsection (1) shall not apply in relation to liabilities of that body to which subsection (1) above applies; and

   (b) the reference in subsection (2) to the total amount to be levied by that body in respect of any financial year shall not include any amount to be so levied by virtue of this section;

but subsections (3) to (5) of that section (procedure for the levy and application of enactments relating to precepts and rates) shall apply in relation to a levy under this section as they apply in relation to a levy under that section.

(5) A demand issued under subsection (3) of that section to a rating authority in inner London relating to a payment or payments in respect of a levy under that section may relate also to a payment or payments in respect of a levy under this section, but if it does so shall state separately the payment or payments required in respect of each levy.

(6) Without prejudice to the borrowing powers of the London Residuary Body by virtue of section 75 of the 1985 Act but subject to subsection (7) below, that body may borrow by way of temporary loan or overdraft from a bank or otherwise any sums which it may require for the purpose of defraying any expenses incurred by it before the abolition date which are attributable to any provision made by or under this Part.

(7) The sums borrowed by that body under subsection (6) above—

   (a) shall not exceed such amount as the Secretary of State may determine; and

   (b) shall be repaid before the end of the financial year beginning with the abolition date.
(8) Section 77 of the 1985 Act (treatment and distribution of capital and other money) shall apply in relation to capital money received by the London Residuary Body of any description specified for the purposes of this section by an order made by the Secretary of State as if—

(a) subsection (2) were omitted and any reference to an authority or authorities to which subsection (1) of that section applies were a reference to a rating authority or (as the case may be) the rating authorities in inner London; and

(b) the references in subsection (4) of that section to the area for which that body is established and to a levy were respectively references to inner London and to a levy under this section.

(9) Except as provided by subsection (8) above section 77 shall not apply in relation to capital money of a description within that subsection.

(10) The Secretary of State may by order provide, in relation to capital money received by the London Residuary Body of any description not within subsection (8) above, for the application of that money, or of such part of that money as may be specified in the order, for such purposes connected with the abolition of ILEA as may be so specified.

(11) In this section—

(a) references to inner London are references to the area comprising the areas of all the inner London councils; and

(b) “capital money” has the same meaning as in section 77 of the 1985 Act.

186 **Transitional functions of London Residuary Body in respect of block grant**

(1) Any payment which by virtue of any provision of Part VI of the Local Government, Planning and Land Act 1980 would but for this Act have fallen to be made on or after the abolition date by or to ILEA in respect of block grant payable for a year ending before that date shall instead be made by or to the London Residuary Body.

(2) Any information, notice, representation or request under section 65, 66 or 67 of that Act which but for this Act would have fallen to be given or made by or to ILEA on or after the abolition date in respect of block grant payable for a year ending before that date shall instead be given or made by or to the London Residuary Body.

187 **Winding-up of London Residuary Body**

(1) Except as respects any of its functions under this Part for the discharge of which provision will be or is likely to be required after the end of the period of three years beginning with the abolition date, it shall be the duty of the London Residuary Body to use its best endeavours to secure that its work under this Part is completed as soon as practicable and in any event before the end of that period.

(2) As respects—

(a) any such functions; and

(b) any property, rights and liabilities transferred to it, or held, acquired or incurred by it by virtue of, or in the exercise of any of its functions under, this Part;

that body shall if it considers it appropriate to do so make such arrangements as are practicable for their transfer to a local authority or to some other body or bodies or
submit proposals to the Secretary of State for effecting such transfers by orders made by him for the purpose.

(3) Any such arrangements or proposals shall be made or (as the case may be) submitted, so far as practicable, before the end of the period of two years beginning with the abolition date.

(4) Not later than the end of that period of two years, the London Residuary Body shall submit to the Secretary of State a scheme for the winding up of that body and the disposal of its remaining functions, property, rights and liabilities so far as not dealt with in pursuance of subsection (2) above.

(5) The Secretary of State may by order provide—
   (a) for any such transfer or disposal as is mentioned in subsection (2) above; and
   (b) for giving effect (with or without modifications) to any scheme submitted to him under subsection (4) above.

(6) The power under subsection (5)(a) above applies irrespective of whether or not the London Residuary Body has submitted proposals with respect to the transfer or disposal in question and, if it has, whether the provision made is in accordance with those proposals or not.

(7) Without prejudice to the generality of the power under subsection (5) above and to section 232(5) of this Act, the provision that may be made by an order under subsection (5) above includes provision—
   (a) amending any enactment or any instrument made under an enactment; or
   (b) establishing new bodies corporate to receive any functions, property, rights or liabilities transferred by the order.

**Control of ILEA's contracts and dispositions**

188 **Control of contracts**

(1) This section applies to any contract in respect of which the consideration exceeds £15,000 and which is entered into after 22nd July 1987.

(2) Except with the consent of the Secretary of State, ILEA shall not after the passing of this Act enter into a contract to which this section applies.

(3) Subject to section 191(3)(b) of this Act, if at any time after 22nd July 1987 and before the passing of this Act ILEA has entered into a contract which would have been in contravention of the provisions of subsection (2) above if they had then been in force, the same consequences shall follow as if those provisions had been contravened by ILEA.

(4) Any consent for the purposes of this section may be given either in respect of a particular contract or in respect of contracts of any class or description and either unconditionally or subject to conditions.

(5) Any signification of consent, or of consent subject to specified conditions, given by the Secretary of State before the passing of this Act in respect of any contract to which this section applies shall be treated for the purposes of this section as a consent, or a consent subject to those conditions, given under this section.
(6) A contract shall not be void by reason only that it has been entered into in contravention of this section and (subject to section 190(2) of this Act) a person entering into a contract with ILEA shall not be concerned to enquire whether any consent required by this section has been given or complied with.

(7) Where the consideration or any of the consideration under a contract is not in money, the limit specified in subsection (1) above shall apply to the value of the consideration.

(8) This section does not apply to—
(a) a contract to dispose of land or to grant or dispose of any interest in land; or
(b) a contract of employment between ILEA and a person employed by it.

189 Control of disposals

(1) Subject to subsection (9) below, this section applies to any disposal of land which is made after 22nd July 1987.

(2) Except with the consent of the Secretary of State, ILEA shall not after the passing of this Act make a disposal to which this section applies.

(3) Subject to section 191(3)(b) of this Act, if at any time after 22nd July 1987 and before the passing of this Act ILEA has made a disposal which would have been in contravention of the provisions of subsection (2) above if they had then been in force, the same consequences shall follow as if those provisions had been contravened by ILEA.

(4) Any consent for the purposes of this section may be given either in respect of a particular disposal or in respect of disposals of any class or description and either unconditionally or subject to conditions.

(5) Any signification of consent, or of consent subject to specified conditions, given by the Secretary of State before the passing of this Act in respect of any disposal to which this section applies shall be treated for the purposes of this section as a consent, or a consent subject to those conditions, given under this section.

(6) This section has effect notwithstanding anything in section 123 of the Local Government Act 1972 (general power to dispose of land) or in any other enactment; and the consent required by this section shall be in addition to any consent required by subsection (2) of that section or by any other enactment.

(7) A disposal shall not be invalid or, in the case of a disposal which consists of a contract, void by reason only that it has been made or entered into in contravention of this section; and (subject to the provisions of section 190 of this Act) a person acquiring land, or entering into a contract to acquire land, from ILEA shall not be concerned to enquire whether any consent required by this section has been given or complied with.

(8) In this section references to disposing of land include references to—
(a) granting or disposing of any interest in land;
(b) entering into a contract to dispose of land or to grant or dispose of any such interest; and
(c) granting an option to acquire any land or any such interest.
(9) This section does not apply to a disposal falling within subsection (8)(a) above if it is made in pursuance of a contract entered into, or an option granted, on or before 22nd July 1987.

190 Wrongful contracts or disposals

(1) This section applies where ILEA—
   (a) has entered into any contract to which section 188 of this Act applies; or
   (b) has made any disposal to which section 189 of this Act applies;

   in contravention of that section (referred to below in this section as a wrongful contract or, as the case may be, a wrongful disposal).

(2) In the case of a wrongful contract or a wrongful disposal which consists in entering into a contract to dispose of any land or to grant or dispose of any interest in land, the aggrieved body may by notice in writing served on the other party to the contract repudiate the contract—
   (a) in the case of a wrongful contract, at any time before the contract is performed;
   (b) in the case of a wrongful disposal, at any time before the conveyance or grant of the land or interest in land to which it relates is completed or executed.

(3) In the case of a wrongful disposal which consists in granting an option to acquire any land or interest in land, the aggrieved body may by notice in writing served on the option holder repudiate the option at any time before it is exercised.

(4) A repudiation under subsection (2) or (3) above shall have effect as if made by ILEA.

(5) In the case of a wrongful disposal which consists in granting or disposing of any interest in land (whether or not in pursuance of any earlier disposal of a description falling within subsection (2) or (3) above)—
   (a) the aggrieved body may be authorised by the Secretary of State to purchase compulsorily the interest in land which was the subject of the disposal; and
   (b) whether or not the aggrieved body is so authorised, any sums which, apart from this provision, would fall to be included by reference to that disposal in ILEA’s capital receipts for the purposes of Part VIII of the Local Government, Planning and Land Act 1980 shall not be so included.

(6) The Acquisition of Land Act 1981 shall apply in relation to the compulsory purchase of land under subsection (5) above by an aggrieved body (other than the London Residuary Body) as if references in sections 12 and 13 of that Act to every owner of the land included references to the London Residuary Body.

(7) Where an aggrieved body (other than the London Residuary Body) acquires any interest in land by a compulsory purchase under subsection (5) above, the body shall be entitled to recover from the London Residuary Body an amount equal to the aggregate of—
   (a) the amount of compensation agreed or awarded in respect of that purchase, together with any interest payable by the council in respect of that compensation in accordance with section 11 of the Compulsory Purchase Act 1965; and
   (b) the amount of the costs and expenses incurred by the body in connection with the making of the compulsory purchase order.

(8) A body is an aggrieved body for the purposes of this section—
(a) in relation to a wrongful contract, if rights or liabilities under the contract have been transferred to, or have vested in, the body by or under this Part;
(b) in relation to a wrongful disposal of a description falling within subsection (2) or (3) above, if the land proposed to be disposed of, or in which an interest is proposed to be granted, has been so transferred or has so vested;
(c) in relation to a disposal of a description falling within subsection (5) above, if (but for the disposal)—
   (i) the interest disposed of would have been so transferred or would have so vested; or
   (ii) where the disposal consists in the granting of an interest in land, the land in which the interest was granted would have been so transferred, or would have so vested, free of the interest.

191 Penalties for contravention of section 188 or 189

(1) If, on an application under this section, it appears to the High Court that ILEA has entered into a contract in contravention of section 188 of this Act or has made a disposal in contravention of section 189 of this Act, the court may order any person responsible for authorising the contract or disposal who is, or was at the time of the conduct in question, a member of ILEA—
   (a) to be disqualified for being a member of ILEA; and
   (b) to be disqualified for a specified period for being a member of any local authority.

(2) Where the court has power to make an order under subsection (1) above in respect of any person, it may also order him to pay to ILEA or, in the case of an order made on or after the abolition date, to the London Residuary Body a sum not exceeding—
   (a) in the case of a contract in contravention of section 188, an amount equal to the amount or value of the consideration under the contract;
   (b) in the case of a disposal in contravention of section 189, an amount equal to the amount or value of the consideration for the disposal or, if there is no consideration or it is less than the market value of what was disposed of, an amount equal to that market value.

(3) No order shall be made under this section in respect of any person—
   (a) if the court is satisfied that he acted in the belief that the contract or disposal had the consent of the Secretary of State and that any conditions attached to the consent had been complied with; or
   (b) where the contract was entered into, or the disposal was made, on or before 17th February 1988.

(4) An application under this section may be made by any of the following—
   (a) an inner London council;
   (b) a local government elector for the area of such a council;

(5) In sections 80(1)(e), 86(b) and 87(1)(d) of the Local Government Act 1972 references to Part III of the Local Government Finance Act 1982 shall include references to this section.

Miscellaneous and supplementary

192 Charities

(1) Where immediately before the abolition date—
   (a) any property is held exclusively for charitable purposes by ILEA as sole trustee; and
   (b) the charity is primarily for the benefit of the area of a single inner London council;

that property shall on that date vest for the like purposes in that council.

(2) Where immediately before that date any power with respect to any such charity as is mentioned in subsection (1)(b) above was under the trusts of the charity vested in, or in the holder of any office connected with, ILEA, that power shall on that date vest in, or in the holder of the corresponding office connected with, the inner London council concerned.

(3) Where in the case of any such power vested in the holder of any office connected with ILEA there is no corresponding office connected with the inner London council concerned, that power shall on that date vest in the holder of such other office connected with that council as the Charity Commissioners may with the consent of that council and the office-holder concerned appoint.

(4) Where immediately before that date—
   (a) any property is held exclusively for charitable purposes by ILEA as sole trustee; and
   (b) subsection (1) above does not apply to that property;

that property shall on that date vest for the like purposes in the London Residuary Body or in such other person as the Charity Commissioners may appoint.

(5) Where immediately before that date any power with respect to any charity, other than any such charity as is mentioned in subsection (1)(b) above, was under the trusts of the charity vested in, or in the holder of any office connected with, ILEA, that power shall on that date vest in the London Residuary Body or in such other person as the Charity Commissioners may appoint.

(6) References above in this section to a power with respect to a charity shall not include references to any power of any person by virtue of being a charity trustee of that charity; but where under the trusts of any charity the charity trustees immediately before the abolition date included ILEA or the holder of an office connected with ILEA then, as from that date, those trustees shall instead include—
   (a) such of the inner London councils;
   (b) the holder of such office connected with such of those councils; or
   (c) such other person;

as the Charity Commissioners may appoint.

(7) If in any case an appointment is not made by the Charity Commissioners for the purposes of any of subsections (3) to (6) above before the abolition date, the London

(2) In exercising those functions, the Commissioners shall have regard to the need—

   (b) to enable qualifying institutions to provide education, promote learning and engage in research efficiently and economically; and
   (c) to apply the principles of justice and fairness.

(3) The following are qualifying institutions for the purposes of this section and sections 203 to 206 of this Act, namely—

(4) Schedule 11 to this Act shall have effect with respect to the Commissioners.

203 Duty of Commissioners

(1) The Commissioners shall exercise the powers conferred by section 204 of this Act with a view to securing that the statutes of each qualifying institution include—
   (a) provision enabling an appropriate body, or any delegate of such a body, to dismiss any member of the academic staff by reason of redundancy;
   (b) provision enabling an appropriate officer, or any delegate of such an officer, acting in accordance with procedures determined by the Commissioners, to dismiss any member of the academic staff for good cause;

(2) No provision such as is mentioned in subsection (1)(a) or (b) above which is included in the statutes of a qualifying institution by virtue of section 204 of this Act shall enable any member of the academic staff to be dismissed unless the reason for his dismissal may in the circumstances (including the size and administrative resources of the institution) reasonably be treated as a sufficient reason for dismissing him.

(3) Where any such provision as is mentioned in subsection (1) above is included in the statutes of a qualifying institution (whether by virtue of section 204 of this Act or otherwise) and—

(a) there is no requirement for any instrument which would have the effect of modifying the provision to be approved by Her Majesty in Council or to be laid before both Houses of Parliament; and

(b) but for this subsection, there would be no requirement for such an instrument to be approved by the Privy Council;

the Commissioners shall exercise the powers conferred by that section with a view to securing that no instrument which would have the effect of modifying the provision shall have that effect unless it has been approved by the Privy Council.

(4) Any reference in this section to academic staff includes a reference to persons whose terms of appointment or contracts of employment are, in the opinion of the Commissioners, so similar to those of academic staff as to justify their being treated as academic staff for the purposes of this section.

(5) For the purposes of this section the dismissal of a member of staff shall be taken to be a dismissal by reason of redundancy if it is attributable wholly or mainly to—

(a) the fact that the institution has ceased, or intends to cease, to carry on the activity for the purposes of which he was appointed or employed by the institution, or has ceased, or intends to cease, to carry on that activity in the place in which he carried out his work; or

(b) the fact that the requirements of that activity for members of staff to carry out work of a particular kind, or for members of staff to carry out work of a particular kind in that place, have ceased or diminished or are expected to cease or diminish.

(6) For the purposes of this section “good cause”, in relation to a member of the academic staff of a qualifying institution, means a reason which is related to his conduct or to his capability or qualifications for performing work of the kind which he was appointed or employed to do; and in this subsection—

(8) In this section and sections 204 to 206 of this Act “statutes”, in relation to an institution, includes any regulations, ordinances or other instruments which, in the opinion of the Commissioners, serve as statutes for the purposes of that institution and are designated as such by the Commissioners.

204 **Powers of Commissioners**

(1) For the purpose of performing the duty imposed on them by section 203 of this Act, the Commissioners may make such modifications of the statutes of any qualifying institution as they consider necessary or expedient.

(2) Modifications made for the purpose of securing that the statutes of a qualifying institution comply with the requirements of section 203(1)(a) of this Act shall not apply in relation to a person unless—
   
   (a) his appointment is made, or his contract of employment is entered into, on or after 20th November 1987; or
   
   (b) he is promoted on or after that date.

(3) For the purposes of this section a person shall be taken to be promoted on or after 20th November 1987 if (and only if) immediately before that date he is paid on a scale which provides for a maximum rate of remuneration (his former pay scale) and on or after that date the terms of his appointment, or of his contract of employment, are varied (whether with effect before or after that date) so that—
   
   (a) his rate of remuneration is increased to a rate which exceeds the highest point on his former pay scale at the date on which the increase takes effect; or
   
   (b) he is paid on another scale on which the highest point at the date the variation takes effect exceeds the highest point on his former pay scale at that date; or
   
   (c) he is paid on a basis which does not provide for a maximum rate of remuneration.

(4) For the purposes of subsection (3) above references, in relation to a pay scale, to the highest point on the scale at any date are references to the maximum rate of remuneration payable at that date in accordance with the scale whether on a regular or a discretionary basis.

(5) For the purposes of this section a person holding an office or position of any description shall not be taken to be promoted by reason only of any general variation of the terms of appointment or of contracts of employment of persons holding offices or positions of that description.

(6) Modifications such as are mentioned in subsection (2) above shall not apply in relation to a person who held an office or position at the institution in question immediately before 20th November 1987 by reason only of the fact that—
   
   (a) he is appointed to, or employed in, a different office or position at the institution instead of his former office or position if the terms of his appointment or of his contract of employment which relate to remuneration are the same as those of his former appointment or contract of employment;
(b) he is appointed to, or employed in, an additional office or position at the institution which carries no remuneration; or
(c) he is promoted or is appointed to, or employed in, a different office or position at the institution if he is so promoted, appointed or employed only on a temporary basis for a particular purpose with an expectation that the promotion will cease to have effect, or that he will resume his former office or position, when that purpose is accomplished.

(7) Modifications made for the purpose of securing that the statutes of a qualifying institution comply with the requirements of section 203(1)(b) of this Act shall not apply in relation to anything done or omitted to be done before the date on which the instrument making the modifications is approved under subsection (9) below.

(8) Subject to subsections (2) to (7) above, the Commissioners' powers under this section include power to make such incidental, supplementary and transitional provision as they consider necessary or expedient.

(9) No instrument made in the exercise of the Commissioners' powers under this section shall have effect unless it has been approved by Her Majesty in Council.
