Status: This is the original version (as it was originally enacted).

the number stated in the proposals in accordance with subsection (2) of section 12 (or that subsection as applied by section 13) for any school year and age group shall be the standard number applying to the school for that age group—

- (a) in any school year to which this subsection applies in relation to which the proposals have been wholly implemented; and
- (b) subject to any variation made by the Secretary of State, in any such school year in relation to which they have been partly implemented.

- (6) An order under subsection (5) above reducing a standard number may only be made on the application of the authority responsible for determining the arrangements for the admission of pupils to the school, and is subject to the procedure under section 28 of this Act.
- (7) An order under subsection (5) above increasing a standard number may be made on the application of that authority or on an application made by any other authority in accordance with section 26(8) of this Act; and on any such application the Secretary of State may—
 - (a) refuse to make such an order;
 - (b) make an order increasing the standard number to the number proposed; or
 - (c) after consultation with both the local education authority and the governing body of the school, make an order increasing the standard number to such number (less than the number proposed) as he thinks desirable.
- (8) The authority responsible for determining the arrangements for the admission of pupils to any such school shall keep under review any standard numbers applying under this section to the school, having regard to any change in the school's capacity to accommodate pupils as compared with its capacity at the beginning of the school year to which those standard numbers first applied (whether in accordance with this section or section 15 of the 1980 Act).
- (9) References in subsection (3) above to proposals under section 12 or 13 of the 1980 Act are references to the proposals with any modifications made by the Secretary of State under either of those sections; and any standard number applying under that subsection is without prejudice to the application under that subsection of a new standard number if further proposals fall to be implemented under those sections.
