Local rating

41 Local rating lists.

(1) In accordance with this Part the valuation officer for a billing authority shall compile, and then maintain, lists for the authority (to be called its local non-domestic rating lists).

(2) A list must be compiled on 1 April 1990 and on 1 April in every fifth year afterwards, subject to subsection (2A).

(2A) In the case of a billing authority in England—

(a) subsection (2) does not require a list to be compiled on 1 April 2015 and on 1 April in every fifth year afterwards, and

Partly occupied hereditaments.

(1) Where a hereditament is shown in a billing authority’s local non-domestic rating list and it appears to the authority that part of the hereditament is unoccupied but will remain so for a short time only the authority may require the valuation officer for the authority to apportion the rateable value of the hereditament between the occupied and unoccupied parts of the hereditament and to certify the apportionment to the authority.

(2) The reference in subsection (1) above to the rateable value of the hereditament is a reference to the rateable value shown under section 42(4) above as regards the hereditament for the day on which the authority makes its requirement.

(3) For the purposes of this section an apportionment under subsection (1) above shall be treated as applicable for any day which—

(a) falls within the operative period in relation to the apportionment, and

(b) is a day for which the rateable value shown under section 42(4) above as regards the hereditament to which the apportionment relates is the same as that so shown for the day on which the authority requires the apportionment.

(4) References in this section to the operative period in relation to an apportionment are references to the period beginning—

(a) where requiring the apportionment does not have the effect of bringing to an end the operative period in relation to a previous apportionment under subsection (1) above, with the day on which the hereditament to which the apportionment relates became partly unoccupied, and

(b) where requiring the apportionment does have the effect of bringing to an end the operative period in relation to a previous apportionment under subsection (1) above, with the day immediately following the end of that period, and

ending with the first day on which one or more of the events listed below occurs.

(5) The events are—

(a) the occupation of any of the unoccupied part of the hereditament to which the apportionment relates;

(b) the ending of the rate period in which the authority requires the apportionment;

(c) the requiring of a further apportionment under subsection (1) above in relation to the hereditament to which the apportionment relates;
(d) the hereditament to which the apportionment relates becoming completely unoccupied.

(6) Subsection (7) below applies where—

(a) a \[F112\] billing authority requires an apportionment under subsection (1) above, and

\[F113\] (b) the hereditament to which the apportionment relates—

(i) does not fall within a class prescribed under section 45(1)(d), or
(ii) would (if unoccupied) be zero-rated under section 45A.

(7) In relation to any day for which the apportionment is applicable, section 43 above shall have effect as regards the hereditament as if the following subsections were substituted for section 44(2)—

“(2) A is such part of the rateable value shown for the day under section 42(4) above as regards the hereditament as is assigned by the relevant apportionment to the occupied part of the hereditament.

(9) In relation to any day for which the apportionment is applicable, section 43 above shall have effect as regards the hereditament as if the following subsections were substituted for section 44(2)—

“(2) A is the sum of—

(a) such part of the rateable value shown for the day under section 42(4) above as regards the hereditament as is assigned by the relevant apportionment to the occupied part of the hereditament, and

\[F115\] (b) such part of that rateable value as is assigned by the relevant apportionment to the unoccupied part of the hereditament, divided by the number prescribed by the order under section 45(4A) as it has effect in relation to the hereditament.

(2A) In subsection (2) above “the relevant apportionment” means the apportionment under section 44A(1) below which relates to the hereditament and is treated for the purposes of section 44A below as applicable for the day.”

\[F116\] (9A) In relation to a day to which neither subsection (7) nor subsection (9) applies, an apportionment under subsection (1) does not have any effect in relation to the chargeable amount.

(10) References in subsections (1) to (5) above to the hereditament, in relation to a hereditament which is partly domestic property or partly exempt from local non-
domestic rating, shall, except where the reference is to the rateable value of the hereditament, be construed as references to such part of the hereditament as is neither domestic property nor exempt from local non-domestic rating.]

(11) For the purposes of subsection (10) above, the Secretary of State may rely on his estimate of the aggregate amounts and adjustments mentioned in that subsection.

(12) Once the actual aggregate amounts and adjustments for a particular relevant period are ascertained, the Secretary of State may amend regulations under this section in their application to a financial year which begins after the coming into force of the amending regulations and falls within the same or a later relevant period to reflect the

       may by order specify, and
   (b) the meter is owned by a person other than the consumer of the service.

(3) The Secretary of State may make regulations providing that in prescribed cases—
   (a) anything which would (apart from the regulations) be one hereditament shall be treated as more than one hereditament;

(a) are owned by the same person,
(b) are not domestic property, and

 Owners and occupiers.

(1) The owner of a hereditament or land is the person entitled to possession of it.

(a) which was used in or on the hereditament when it was last in use, or
(b) which is intended for use in or on the hereditament.

(6) A hereditament shall be treated as unoccupied if (apart from this subsection) it would be treated as occupied by reason only of—

(a) the use of it for the holding of public meetings in furtherance of a person’s candidature at a parliamentary or local government election, or

(7) In subsection (6) above “returning officer” shall be construed in accordance with section 24 or 35 of the Representation of the People Act 1983 (as the case may be).

(1) This subsection applies to a proposal for an alteration of a valuation list which, if made, would have the effect of rating as a non-water hereditament of a statutory water undertaking a hereditament which—
   (a) was previously so rated but ceased to be so rated by virtue of an alteration made on or after 4 December 1987,
   (b) was occupied for the purposes of the undertaking at the time of the proposal in pursuance of which the earlier alteration was made, and
   (c) was not at that time occupied for the purposes of the undertakers’ functions with respect to the supply of water.

(2) This subsection applies to a proposal for an alteration of a valuation list which—
   (a) would, if made, have the effect of reversing an alteration of the list made on or after 11 February 1988, and

(3) Where in the case of a proposal to which subsection (1) or (2) above applies there has been, since the making of the proposal in pursuance of which the earlier alteration was made, such a change of circumstances in relation to the hereditament to which the proposal relates as is mentioned in any of paragraphs (a) to (h) of section 68(4) of the 1967 Act, the change of circumstances shall be disregarded for the purposes of dealing with the proposal.

   (b) has the effect of reversing an alteration of the list made on or after 11 February 1988 and would not have fallen to be made but for section 121 above.

(5) An alteration to which subsection (4) above applies shall be deemed to have had effect
   (a) if the earlier alteration was made in pursuance of a proposal made before 10 March 1988, from that date, and
   (b) if the earlier alteration was made in pursuance of a proposal made on or after 10 March 1988, from the date that the earlier alteration had effect, notwithstanding in either case that the date from which the alteration is deemed to have had effect differs from the date provided by section 79(1) of the 1967 Act.

(6) For the purposes of subsection (1) above, a hereditament is rated as a non-water hereditament of a statutory water undertaking if its value is ascertained otherwise than in accordance with the provisions of Schedule 4 to the 1967 Act.

(4) If a sum in excess of an amount payable to an authority has been paid under any provision repealed under subsection (2) above, the Secretary of State shall calculate the amount equal to the excess and a sum equal to that amount shall be due from the authority to the Secretary of State.

(5) If the Secretary of State decides that a sum due under subsection (4) above is to be recoverable by deduction he may deduct a sum equalling (or sums together equalling) that sum from anything the authority is entitled to receive from him (whether by way of revenue support grant or otherwise).
