- (1) For the purposes of this Part a person shall be treated as undertaking a full-time course of education on a particular day if (and only if) he fulfils such conditions as may be prescribed by regulations made by the Secretary of State.
- (2) The regulations may include provision that—
 - (a) as regards any educational establishment of a prescribed description an individual (to be called a certification officer) may be designated by the appropriate registration officer, or otherwise identified, in accordance with prescribed rules;
 - (b) a certification officer shall at a prescribed time supply to a person who is pursuing or is about to pursue a course at the establishment, and who is of a prescribed description, a certificate in a prescribed form and containing prescribed particulars;
 - (c) conditions prescribed under subsection (1) above shall include a condition as to the possession of such a certificate;
 - (d) failure to supply a certificate to a person in accordance with the regulations is actionable by the person concerned as a breach of statutory duty.
- (3) The regulations shall include a statement of what courses constitute, in the Secretary of State's opinion, full-time courses of nursing education; but this is without prejudice to the power to provide, or not to provide, that a person undertaking such a course is to be treated as undertaking a full-time course of education for the purposes of this Part.
- (4) The regulations may include provision allowing or requiring the appropriate registration officer to revoke a designation of an individual as a certification officer.

Status: This is the original version (as it was originally enacted).

- (5) “The appropriate registration officer” means the registration officer for such charging authority as may be prescribed as regards the educational establishment concerned.
