

Local Government Finance Act 1988

1988 CHAPTER 41

PART IV

PRECEPTS AND LEVIES

Precepts

73 Information

- (1) If the Secretary of State so requires by regulations, a charging authority shall supply prescribed information within a prescribed period to any precepting authority which has power to issue a precept to the charging authority.
- (2) Where regulations under Schedule 2 or 9 below impose a duty on a charging authority to supply information to any person, they may also require any appropriate precepting authority to supply the charging authority with prescribed information if the Secretary of State considers it to be information the charging authority needs in order to fulfil its duty.
- (3) For the purposes of subsection (2) above an authority is an appropriate precepting authority in relation to a charging authority if it has power to issue a precept to the charging authority.
