- (1) The Secretary of State may by regulations provide that where—
- (a) application is made for a licence under [^{F1}the Vehicle Excise and Registration Act 1994] for a vehicle to which section 47 of this Act applies, and
 - (b) in the case of an application relating to a vehicle to which that section applies by virtue of subsection (2)(b) of that section, it appears from the application that the vehicle has been used on roads (whether in Great Britain or elsewhere) before the date of the application,
- the licence shall not be granted unless one of the following conditions is satisfied.
- (2) Those conditions are that—
- (a) there is produced such evidence as may be prescribed of the granting of an effective test certificate or (if it is so prescribed) there is produced such a certificate or the Secretary of State is provided with a copy of it, or
 - [^{F2}(aa) the records maintained under section 45(6B) of this Act provide evidence of the granting of an effective test certificate, or]
 - (b) there is made such a declaration as may be prescribed that the vehicle is not intended to be used during the period for which the licence is to be in force except for a purpose prescribed under subsection (6), or in an area prescribed under subsection (7), of section 47, or
 - (c) in the case of an application relating to a vehicle to which section 47 applies by virtue of subsection (2)(b) of that section, the owner of the vehicle declares in writing the year in which the vehicle was manufactured, and the specified period from the date of manufacture has not expired.

(3) The Secretary of State may by regulations provide that where application is made for a licence under the ^{M1}Vehicles (Excise) Act 1971 for a goods vehicle to which section 53(2) of this Act applies or for a vehicle of any class to which section 63(1) of this Act applies, the licence shall not be granted unless the requirements of subsection (4), subsection (5) or subsection (6) below are satisfied.

(4) The requirements of this subsection are that—

- (a) on any application, after the relevant date within the meaning of section 53(2), for a licence for a vehicle to which section 53(2) applies, there is produced evidence that an effective goods vehicle test certificate is in force for the vehicle,
- (b) on the first application, after the day appointed by regulations made by virtue of section 63(1), for a licence for a vehicle of any class to which those regulations apply, there is produced evidence that there is or are one or more certificates in force for the vehicle under sections 54 to 58 of this Act from which it appears that the vehicle complies with all the relevant type approval requirements prescribed by those regulations.

[^{F3}(4A) In relation to any application referred to in subsection (3) above the requirement set out in subsection (4)(b) above shall be taken to be satisfied if there is produced evidence that an [^{F4}EU certificate of conformity] has effect with respect to the vehicle.]

(5) The requirements of this subsection are that there is made such a declaration as may be prescribed that the vehicle is not intended to be used during the period for which the licence is to be in force except for a purpose or in an area prescribed under paragraph (a) of section 53(5) or 63(5) of this Act.

(6) The requirements of this subsection are that there is produced in respect of the vehicle a certificate of temporary exemption issued by virtue of paragraph (b) of section 53(5) or paragraph (c) of section 63(5) which exempts that vehicle from the provisions of section 53(2) or 63(1) of this Act, as the case may be, for a period which includes the date on which the licence is to come into force.

(7) Regulations under subsection (3) above may be made so as to apply to such classes only of vehicles as may be specified in the regulations.

(8) For the purposes of this section the date of manufacture of a vehicle shall be taken to be the last day of the year during which its final assembly is completed, except where after that day modifications are made to the vehicle before it is sold or supplied by retail, and in that excepted case shall be taken to be the last day of the year during which the modifications are completed.

(9) In this section—

“appropriate period” has the same meaning as in section 47 of this Act,

“effective goods vehicle test certificate” means, in relation to an application for a licence for a vehicle, a goods vehicle test certificate relating to the vehicle which will be in force on the date on which the licence is to come into force,
