- (4) In sub-paragraph (1) above, the reference to the prescribed amount is to an amount calculated in accordance with the method for the time being specified in regulations made for the purposes of section 591 of the Taxes Act 1988 as the method to be used for calculating the amount of any surplus funds.

#### *Carry forward of losses*

- 3 (1) Where, in any accounting period, the relevant expenditure of a programme contractor exceeds his relevant income, the excess shall be carried forward to the following accounting period and treated as relevant expenditure for that period for the purpose of computing his profits for that period.
- (2) When a programme contractor’s contract with the Authority comes to an end, no losses incurred at any time during the currency of that contract may be carried forward under this paragraph and set against income attributable to any subsequent contract between him and the Authority.

#### *Computation of profits of programme contractors*

- 4 (1) It shall be the duty of the Authority—

### *Disputes*

- 5 (1) For the purposes of the principal sections and this Schedule—
- (a) the amount of any advertising revenue, or
  - (b) the amount of any profits, or
  - (c) the amount of any additional payments, or of an instalment of additional payments,
- shall, in the event of a disagreement between the Authority and the programme contractor, be the amount determined by the Authority.
- (2) No determination of the Authority under this paragraph shall be called in question in any court of law, or be the subject of any arbitration; but nothing in this sub-paragraph shall prevent the bringing of proceedings for judicial review.

### *Accounting periods*

- 6 (1) Subject to the provisions of this Schedule, each period for which a body corporate which is a programme contractor makes up a profit and loss account which is laid before the body corporate in general meeting shall be an accounting period, whether that period is a year or not.
- (2) If part of the said period for which a profit and loss account is made up falls before, and part after—
- (a) the commencement of a relevant order under section 32, or
  - (b) the time when the programme contractor begins or ceases to provide programmes for broadcasting by the Authority,
- the two parts shall be treated as separate accounting periods.

In paragraph (a) “relevant order” means, in the application of this Schedule in relation to the additional payments mentioned in subsection (1)(b) or (as the case may be) subsection (2)(b) of section 32, an order having effect in relation to those payments.

- (3) Where two parts of such a period as is mentioned in sub-paragraph (1) fall to be divided from each other under sub-paragraph (2)(a), section 32(4) shall have effect as if the profits and advertising revenue for each part were the profits and advertising revenue for the whole multiplied by—

$$\frac{X}{X+Y}$$

where X and Y are respectively the number of weeks in that part and the number of weeks in the other part, counting (in each case) an odd four days or more as a week.

- (4) If sub-paragraph (2)(b) would produce an accounting period of three months or less, that period shall be added on to the accounting period (if any) which precedes or succeeds it (and which does not fall to be divided from it under sub-paragraph (2)(b)).
- (5) A contract which varies another contract may modify the preceding provisions of this paragraph.
- (6) Nothing in this paragraph shall create an accounting period during which the programme contractor is not providing programmes for broadcasting by the Authority.

Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- 7 If a programme contractor is not a body corporate the contractor's accounting periods shall be such as the Authority may direct, or as may be provided in the contract.

#### *Information*

- 8 (1) Every contract shall impose on the contractor such requirements with respect to the furnishing of information to the Authority as appear to the Authority, after consultation with the Secretary of State, to be requisite—
- (a) for enabling the Authority to perform their functions under the provisions of the principal sections and this Schedule, and
  - (b) for enabling the Authority to furnish to the Secretary of State such information as he may require for the purpose of determining whether, and in what manner, to exercise his powers of making orders under the said provisions.
- (2) Without prejudice to the generality of sub-paragraph (1), the duty imposed on the Authority by that sub-paragraph includes the duty to impose, so far as is reasonably practicable, such requirements as will enable the Authority to determine the amounts (if any) which, in relation to any programme contractor, are to be treated as advertising revenue and relevant income and relevant expenditure for the computation of profits by virtue, respectively, of paragraphs 1 and 2.
- (3) It shall be the duty of the Authority to furnish to the Secretary of State such information (whether obtained from contractors or otherwise) as is in their possession and is required by the Secretary of State for the purpose of determining whether, and in what manner, to exercise his powers of making orders under the said provisions.
- 9 It shall be the duty of the Authority in framing any contract to include terms ensuring that the Authority will have the right to inspect accounts and records—
- (a) of the programme contractor, and
  - (b) of any subsidiary of the programme contractor,
- for the purpose of discharging their functions under the principal sections and this Schedule.

#### *Interpretation*

- 10 (1) In this Schedule, and in the principal sections, except where the context otherwise requires—
