The Investigating Committee.

4.—(1) There shall continue to be a committee of the Council known as the Investigating Committee, for the preliminary investigation of cases in which it is alleged that an individual or body corporate is liable to have made against him or it a disciplinary order or a direction under section 19 below.

(2) Any such case is hereafter in this Act referred to as a “disciplinary case”.

(3) It shall be the function of the Investigating Committee to decide whether a disciplinary case ought to be referred to the Disciplinary Committee to be dealt with by them in accordance with the following provisions of this Act.

6.—(1) The Council may set up a committee for any purpose (other than a purpose for which this Act requires that there shall be a committee of the Council) and may delegate to a committee set up under this section, with or without restrictions or conditions, as they think fit, any functions exercisable by them except the following—

PART I

(5) For the purposes of this section a member of the Council shall not be deemed to have ceased by reason of retirement to be a member of it if he has again been nominated or elected a member of it not later than the date of his retirement.

PART II

- (3) Rules under this section which provide for the erasure of a name from the register or list on failure to pay a fee shall provide for its restoration to the register or list on the making of the prescribed application in that behalf and on payment of that fee and any additional fee prescribed in respect of the restoration.

(4) In the case of an individual or body corporate whose name does not appear in any such copy of a register or list as altered, a certified copy, under the hand of the registrar, of the entry relating to that individual or body corporate in the register or list shall be evidence of the entry.

PART II

Training and Qualifications

Approval of
training
institutions and
qualifications.

12.—(1) The Council may approve for the purposes of this Act any institution (hereafter in this Act referred to as “an approved training institution”) where the instruction given to persons training as opticians appears to the Council to be such as to secure to them adequate knowledge and skill for the practice of their profession.

(2) The Council may approve for the purposes of this Act any qualification (hereafter in this Act referred to as “an approved qualification”) which appears to the Council to be granted to candidates who reach such a standard of proficiency at a qualifying examination as to secure to them adequate knowledge and skill for the practice of their profession.

(3) An institution may be approved under this section as suitable for the giving of all, or some part of, the instruction necessary for the training of ophthalmic opticians or of dispensing opticians, or of both, and a qualification may be so approved as suitable to be granted to ophthalmic opticians or to dispensing opticians.

(4) Where the Council have refused to approve an institution or qualification under this section as suitable for any purpose, the Privy Council, on representations being made to them within one month of the refusal, may, if they think fit, after considering the representations and after communicating with the Council, order the Council to approve the institution or qualification as suitable for that purpose.

(5) The Council shall from time to time publish a list of approved training institutions and approved qualifications, indicating the purpose for which the approval was granted.

Supervision of
training
institutions and
qualifying
examinations.

13.—(1) It shall be the duty of the Council to keep themselves informed of the nature of the instruction given by any approved training institution to persons training as opticians and of the examinations on the results of which approved qualifications are granted.

(2) For the purposes of their duty under subsection (1) above the Council may appoint persons to visit approved training institutions and to attend at the examinations held by the bodies which grant approved qualifications.

(3) No visitor shall interfere with the giving of any instruction or the holding of any examination.

(4) It shall be the duty of visitors to report to the Council—

- (a) as to the sufficiency of the instruction given by the institutions visited by them, or of the examinations attended by them; and
- (b) as to any other matters relating to such institutions or examinations which may be specified by the Council either generally or in any particular case.

(5) Where it appears to the Council (as a result of a report under subsection (4) above or otherwise)—

PART II

(a) that—

(i) the instruction given by any approved training institution to persons training as opticians; or

(ii) the examinations taken by such persons,

are not such as to secure the possession by them of adequate knowledge and skill for the practice of their profession; and

(b) that for that reason the approval of the institution or qualification in question should be withdrawn,

the Council shall give notice in writing to the institution or body of their opinion, sending with the notice a copy of any report on which their opinion is based.

(6) On the receipt of the notice the institution or body may, within such period (not being less than one month) as the Council may have specified in the notice, make to the Council observations on the notice and any report sent with it or objections to the notice and report.

(7) As soon as may be after the expiration of the period specified under subsection (6) above the Council shall determine whether or not to withdraw their approval of the institution or qualification, taking into account any observations or objections duly made under that subsection.

(8) The Council shall give notice in writing of any decision under this section to withdraw approval of an institution or qualification to the institution or body concerned and the decision shall not take effect until the expiration of one month from the date of the giving of the notice or, if during that time that institution or body makes representations with respect to the decision to the Privy Council, until the representations are finally dealt with.

(9) Where an institution has been approved as suitable for more than one purpose, the Council, instead of entirely withdrawing approval of the institution, may withdraw approval in relation to one or some of the purposes only and references in this section to the withdrawal of approval shall be construed accordingly.

(10) Where the Council have decided to withdraw approval of an institution or a qualification (whether entirely or to a limited extent), the Privy Council, on representations being made to them within one month from the giving of notice of the decision may, if they think fit, after considering the representations and after communicating with the Council, order the Council to annul the withdrawal of approval or, in the case of an institution approved as suitable for more than one purpose, to withdraw approval in relation to one or some of the purposes only.

PART II

(11) The Council may pay to visitors appointed under this section such fees and such travelling and subsistence allowances, to be paid as part of the expenses of the Council, as the Council may with the approval of the Privy Council determine.

PART III**DISCIPLINARY PROCEEDINGS**

orders.

“disciplinary order” means—

- (a) an erasure order;
- (b) a suspension order;
- (c) a penalty order;

“erasure order” means—

- (b) in relation to an enrolled body corporate, an order that its name shall be erased from the list in which it is enrolled;

“suspension order” means—

- (a) in relation to a registered optician, an order that his registration shall be suspended for a period specified in the order; and
- (b) in relation to an enrolled body corporate, an order that its enrolment in the list in which it is enrolled shall be suspended for a period specified in the order; and

“penalty order” means an order that a registered optician or an enrolled body corporate shall pay to the Council a sum specified in the order.

Suspension orders.

15.—(1) The period specified in a suspension order shall not exceed twelve months.

(2) While the registration of a person in the register is suspended by virtue of a suspension order, he shall be treated as not being registered, notwithstanding that his name still appears in the register.

(3) While the enrolment of a body corporate is suspended by virtue of a suspension order, it shall be treated as not being enrolled, notwithstanding that its name still appears in the list.

(4) Where a suspension order is made against a person or body corporate, the registrar shall make in the register or list a note of that fact and of the period for which the registration or enrolment is to be suspended; and the registrar shall erase the note at such time as the order for any reason ceases to have effect.

Penalty orders.

16.—(1) A penalty order may specify any sum not exceeding the maximum penalty.

(2) In this section “the maximum penalty” means £1,000 or such sum as is for the time being substituted in this definition by an order in force under subsection (3) below.

PART III

(3) If it appears to the Privy Council that there has been a change in the value of money since the last occasion when the maximum penalty was fixed, whether by the coming into force of the original penalty provision or by order under this section, the Privy Council may by order substitute for the sum specified in subsection (2) above such other sum as appears to them justified by the change.

(4) An order under subsection (3) above shall not affect the punishment for an offence committed before the order comes into force.

(5) A penalty order shall specify a period within which the sum specified in it is to be paid.

(6) The Council may recover the sum specified in a penalty order from the person or body against whom the order was made if that person or body does not pay it within the period specified in the order.

(7) The Council shall pay a sum paid under a penalty order or recovered under subsection (6) above into the Consolidated Fund.

(8) In subsection (3) above "the original penalty provision" means section 10C of the Opticians Act 1958 (which was inserted in that Act by section 4 of the Health and Social Security Act 1984 and is replaced by this section). 1958 c.32.

Powers of
Disciplinary
Committee.

the Committee may make a disciplinary order against him.

(2) If—

- (a) an enrolled body corporate is convicted of an offence under this Act, or of aiding, abetting, counselling or procuring the commission of, or inciting another person to commit, such an offence; or
- (b) in the case of a body corporate which is for the time being enrolled by virtue of paragraph (a), (c) or (d) of section 9(2) above, the Disciplinary Committee is of opinion that the condition, or any of the conditions, for the enrolment of the body corporate under that subsection is no longer satisfied,

the Committee may make a disciplinary order against that body corporate.

(3) Where a registered optician dies while he is either a director of an enrolled body corporate or the manager of that part of the business of an enrolled body corporate which consists of the testing of sight or the fitting and supply of optical appliances, he shall be deemed, for the purposes of subsection (2) above, to have continued to be a director of that body or a manager of that part of its business, as the case may be, until the expiration of three months beginning with the date of his death or until a director or manager is appointed in his place, whichever occurs first.

PART III

(4) If it appears to the Disciplinary Committee that a registered optician or an enrolled body corporate—

- (a) has contravened or failed to comply with any rules made under section 30 below; or
- (b) has failed to pay the sum specified in a penalty order within the period there specified,

the Committee may make a disciplinary order against the optician or body corporate.

(5) If it appears to the Disciplinary Committee—

- (a) that a registered optician or enrolled body corporate is engaged in the fitting and supply of optical appliances; and
- (b) that the arrangements made by the optician or body corporate for carrying on his practice or his or its business are not such as to secure that the fitting and supply of optical appliances in the course of that practice or business are carried out by, or under the supervision of—
 - (i) an ophthalmic optician registered in the register of ophthalmic opticians engaged or proposing to engage both in the testing of sight and in the fitting and supply of optical appliances; or
 - (ii) a registered dispensing optician,

the Committee may make a disciplinary order against that optician or body corporate.

(6) Where—

- (a) a disciplinary order is made against a director of an enrolled body corporate; or
- (b) a responsible officer of an enrolled body corporate is convicted of an offence under this Act; or
- (c) a disciplinary order is made against a registered optician employed by an enrolled body corporate and the act or omission constituting the ground on which the order was made was instigated or connived at by a responsible officer of the body corporate, or, if the act or omission was a continuing act or omission, a responsible officer of the body corporate had or reasonably ought to have had knowledge of its continuance,

the Disciplinary Committee may make a disciplinary order against the body corporate.

(7) In a case—

(a) where—

- (i) an enrolled body corporate is convicted of an offence under this Act; and
- (ii) the offence was instigated or connived at by a responsible officer of the body corporate, or, if the offence was a continuing offence, a responsible officer of the body corporate had or reasonably ought to have had knowledge of its continuance; or

PART III

(b) where—

- (i) a disciplinary order is made against an enrolled body corporate; and
- (ii) the act or omission constituting the ground on which the order was made was instigated or connived at by a responsible officer of the body corporate, or, if the act or omission was a continuing act or omission, a responsible officer of the body corporate had or reasonably ought to have had knowledge of its continuance,

the Disciplinary Committee may, if the responsible officer is a registered optician, make a disciplinary order against him.

(8) The Disciplinary Committee shall not take a case into consideration—

- (a) during any period within which proceedings by way of appeal may be brought which may result in subsection (6) or (7) above being rendered inapplicable in that case; or
- (b) while any such proceedings are pending.

(9) Where it appears to the Disciplinary Committee—

- (a) that a body corporate which carries on business as an ophthalmic or dispensing optician at more than one set of premises is liable to have a disciplinary order made against it; and
- (b) that the events giving rise to the liability were confined, or substantially confined, to a particular set of premises,

the Committee may, instead of making a disciplinary order against the body corporate, direct that the body corporate shall not use the title of optician, ophthalmic optician, dispensing optician, registered optician, enrolled optician or optometrist in connection with that set of premises; and if at any time thereafter it appears to the Committee that the body corporate has contravened a direction in force under this subsection, the Committee may make a disciplinary order against the body corporate.

(10) A direction under subsection (9) above shall remain in force until revoked, on an application made to them in that behalf, by the Disciplinary Committee.

(11) When the Disciplinary Committee—

- (a) make a disciplinary order against an individual or body corporate; or
- (b) direct that a body corporate shall not use any of the titles specified in subsection (9) above in connection with a set of premises,

the registrar shall serve on that individual or body a notification of the order or direction.

(12) Any power conferred by this section to make a disciplinary order is a power to make—

- (a) an erasure order;
- (b) a suspension order;
- (c) a penalty order; or

PART III

- (d) an erasure order or suspension order together with a penalty order.

(13) In this Act “responsible officer” means any director, manager, secretary or other similar officer of a body corporate, or of a branch or department of a body corporate, or any person purporting to act in any such capacity.

Restoration of
names erased as
result of
disciplinary cases
etc.

18.—(1) Where an erasure order has been made against an individual or body corporate, the name of that individual or body corporate shall not again be registered in any of the registers or lists unless the Disciplinary Committee on application made to them in that behalf otherwise direct.

(2) An application under subsection (1) above for the restoration of a name to the register or list from which it has been erased or for the entry of a name in one of the other registers or lists shall not be made to the Committee—

- (a) within ten months of the date of erasure; or
- (b) within ten months of the Committee’s decision on a previous application under that subsection.

Erasure from
register and list on
grounds of fraud
or error.

19.—(1) If it is proved to the satisfaction of the Disciplinary Committee that any entry in a register or list has been fraudulently or incorrectly made, the Committee may, if they think fit, direct that the entry shall be erased.

(2) An individual may be registered or a company enrolled in pursuance of any provision of this Act notwithstanding that his or its name has been erased under this section, but if it was so erased on the ground of fraud, that individual or company shall not be registered or enrolled except on an application in that behalf to the Disciplinary Committee, and on any such application the Committee may, if they think fit, direct that the individual or body corporate shall not be registered or enrolled, or shall not be registered or enrolled until the expiration of such period as may be specified in the direction.

(3) Where the Disciplinary Committee direct that the name of an individual or body corporate shall be erased from a register or list under this section, the registrar shall serve a notification of the direction on that individual or body.

Service of
notifications.

20.—(1) A notification under section 17 or 19 above which is required to be served on a person may be served by being delivered personally, or being sent by post in a registered letter or by the recorded delivery service.

1978 c.30.

(2) For the purposes of this section, and of section 7 of the Interpretation Act 1978 (which defines “service by post”) in its application to this section, a letter to a person other than a body corporate containing such a notification shall be deemed to be properly addressed if it is addressed to him at his address in the register or at his last known address if that address differs from his address in the register and it appears to the registrar that the notification is more likely to reach him at his last known address.

(3) A notification which is required to be served on a body corporate shall be duly served if it is served on the secretary or clerk of that body.

(4) For the purposes of this section, and of section 7 of the Interpretation Act 1978 in its application to this section, the proper address of a person, in the case of a body corporate or the secretary or clerk of a body corporate, shall be its address in the list or the address of its registered or principal office if that address differs from its address in the list and it appears to the registrar that the notification is more likely to reach the body corporate or its secretary or clerk there.
