- (1) It shall be the function of the Authority to regulate, in accordance with this Part, the provision of the following services, namely—
 - (a) sound broadcasting services to which this section applies and which are provided from places in the United Kingdom;

Status: This is the original version (as it was originally enacted).

- (b) licensable sound programme services (as defined by section 112(1)) which are provided from places in the United Kingdom by persons other than the BBC; and
- (c) additional services (as defined by section 114(1)) which are provided from places in the United Kingdom;

and in this Part “independent radio service” means a service falling within paragraph (a), (b) or (c) above.

(2) This section applies to—

- (a) any sound broadcasting service which is provided, on a frequency or frequencies assigned to the Authority under subsection (4)—
 - (i) for any such minimum area of the United Kingdom as the Authority may determine in accordance with section 98(2) (a “national service”), or

 - (iii) for a particular establishment or other defined location, or a particular event, in the United Kingdom (a “restricted service”); and
- (b) any sound broadcasting service (other than one provided by the BBC) which consists—
 - (i) in the transmission of sound programmes by satellite from a place in the United Kingdom for general reception there, or
 - (ii) in the transmission of such programmes by satellite from a place outside the United Kingdom for general reception there, if and to the extent that the programmes included in the service consist of material provided by a person in the United Kingdom who is in a position to determine what is to be included in the service (so far as it consists of programme material provided by him),

and any such service is referred to in this Part as a “satellite service”.

(3) For the purposes of this Part satellite services shall be regarded as provided by the following persons—

- (a) a service falling within subsection (2)(b)(i)—
 - (i) shall, if and to the extent that the programmes included in it consist of material provided by a person in the United Kingdom who is in a position to determine what is to be included in the service (so far as it consists of programme material provided by him), be regarded as provided by that person (whether the programmes are transmitted by him or not), but
 - (ii) shall otherwise be regarded as provided by the person by whom the programmes are transmitted; and
- (b) a service falling within subsection (2)(b)(ii) shall be regarded as provided by the person by whom the programme material in question is provided as mentioned in that provision.

(4) For the purposes of this Part the Secretary of State may by notice assign to the Authority such frequencies as he may determine; and any frequency so assigned shall be taken to be so assigned for the purpose only of being used for the provision of one or more independent radio services.

Status: This is the original version (as it was originally enacted).

- (5) Any frequency assigned by the Secretary of State under subsection (4) may be so assigned for use only in such area or areas as may be specified by the Secretary of State when making the assignment.
- (6) The Secretary of State may by notice revoke the assignment under subsection (4) of any frequency specified in the notice, and may do so whether or not that frequency is for the time being one on which an independent radio service is being provided.

85 Licensing functions of Authority

- (1) Subject to subsection (2), the Authority may, in accordance with the following provisions of this Part, grant such licences to provide independent radio services as they may determine.
- (2) The Authority shall do all that they can to secure the provision within the United Kingdom of—
 - (a) a diversity of national services each catering for tastes and interests different from those catered for by the others and of which—
 - (i) one is a service the greater part of which consists in the broadcasting of spoken material, and
 - (ii) another is a service which consists, wholly or mainly, in the broadcasting of music which, in the opinion of the Authority, is not pop music; and
 - (b) a range and diversity of local services.
- (3) It shall be the duty of the Authority to discharge their functions as respects the licensing of independent radio services in the manner which they consider is best calculated—
 - (a) to facilitate the provision of licensed services which (taken as a whole) are of high quality and offer a wide range of programmes calculated to appeal to a variety of tastes and interests; and
 - (b) to ensure fair and effective competition in the provision of such services and services connected with them.
- (4) Subsection (3)(b) shall not be construed as affecting the discharge by the Director General of Fair Trading, the Secretary of State or the Monopolies and Mergers Commission of any of his or their functions in connection with competition.
- (5) The Secretary of State may by order make such amendments of subsection (2)(a) as he considers appropriate—
 - (a) for including in that provision a requirement that one of the national services there referred to should be a service of a particular description, or
 - (b) for removing such a requirement from that provision;and (without prejudice to the generality of section 200(2)(b)) any such order may make such consequential amendments of section 98(1)(b)(iii) as the Secretary of State considers appropriate.
- (6) In subsection (2)(a)(ii) “pop music” includes rock music and other kinds of modern popular music which are characterised by a strong rhythmic element and a reliance on electronic amplification for their performance (whether or not, in the case of any particular piece of rock or other such music, the music in question enjoys a current popularity as measured by the number of recordings sold).

Status: This is the original version (as it was originally enacted).

- (7) An order shall not be made under subsection (5) unless a draft of it has been laid before and approved by a resolution of each House of Parliament.

- and nothing in this Part shall be construed as affecting the operation of this subsection or of section 88(1) or (2)(b) or (c) or 89(1).

- (7) A licence granted to any person under this Part shall not be transferable to any other person without the previous consent in writing of the Authority.
- (8) Without prejudice to the generality of subsection (7), the Authority shall not give their consent for the purposes of that subsection unless they are satisfied that any such other person would be in a position to comply with all of the conditions included in the licence which would have effect during the period for which it is to be in force.
- (9) The holding by any person of a licence to provide any service shall not relieve him of any requirement to hold a licence under section 1 of the Wireless Telegraphy Act 1949

or section 7 of the Telecommunications Act 1984 in connection with the provision of that service.

 - (b) that any requirements imposed by or under Parts III to V of that Schedule are complied with by or in relation to persons holding licences in relation to which those requirements apply.
- (2) The Authority may accordingly—

 - (ii) whether any such requirements as are mentioned in subsection (1)(b) would preclude them from granting a licence to him, and
 - (iii) if so, what steps would be required to be taken by or in relation to him in order for any such requirements to be complied with;
 - (b) revoke the award of a licence to a body where a relevant change takes place after the award, but before the grant, of the licence;
 - (c) make the grant of a licence to any person conditional on the taking of any specified steps that appear to them to be required to be taken as mentioned in paragraph (a)(iii);

any provisions of this Part relating to the awarding of licences of the kind in question shall (subject to subsection (4)) have effect as if the person to whom the licence was awarded or granted had not made an application for it.

- (4) Those provisions shall not so have effect if the Authority decide that it would be desirable to publish a fresh notice under this Part in respect of the grant of a licence, or (as the case may be) a further licence, to provide the service in question.
- (5) Every licence shall include such conditions as the Authority consider necessary or expedient to ensure that where—
 - (a) the holder of the licence is a body, and

 - (b) any change in the persons having control over or interests in the body,being (in either case) a change which is such that, if it fell to the Authority to determine whether to award the licence to the body in the new circumstances of the case, they would be induced by the change to refrain from so awarding it.

 - (e) such information as the Authority may reasonably require—
 - (i) as to the applicant's present financial position and his projected financial position during the period for which the licence would be in force, and
 - (ii) as to the arrangements which the applicant proposes to make for, and in connection with, the transmission of his proposed service; and
 - (f) such other information as the Authority may reasonably require for the purpose of considering the application.
- (4) At any time after receiving such an application and before determining it the Authority may require the applicant to furnish additional information under any of paragraphs (a), (c), (e) and (f) of subsection (3).
- (5) Any information to be furnished to the Authority under this section shall, if they so require, be in such form or verified in such manner as they may specify.

- (6) The Authority shall, as soon as reasonably practicable after the date specified in a notice under this section as the closing date for applications, publish in such manner as they consider appropriate—
- (a) the name of every person who has made an application to them in pursuance of the notice;
 - (b) the proposals submitted by him under subsection (3)(a); and
 - (c) such other information connected with his application as the Authority consider appropriate.
- (7) In this section “programme” does not include an advertisement.
- (8) In this Part “cash bid”, in relation to a licence, means an offer to pay to the Authority a specified amount of money in respect of the first complete calendar year falling within the period for which the licence is in force (being an amount which, as increased by the appropriate percentage, is also to be payable in respect of subsequent years falling wholly or partly within that period).

99 Procedure to be followed by Authority in connection with consideration of applications for national licences

- (1) Where a person has made an application for a national licence in accordance with section 98, the Authority shall not proceed to consider whether to award him the licence on the basis of his cash bid in accordance with section 100 unless it appears to them—
- (a) that his proposed service would both—
 - (i) comply with any requirement specified under subsection (1)(b)(iii) or (iv) of section 98, and
 - (ii) consist of such a diversity of programmes as is mentioned in subsection (3)(a) of that section; and
 - (b) that he would be able to maintain that service throughout the period for which the licence would be in force.
- (2) Any reference to an applicant in section 100 (except in section 100(9)(b)) is accordingly a reference to an applicant in whose case it appears to the Authority that the requirements of subsection (1)(a) and (b) above are satisfied.

100 Award of national licence to person submitting highest cash bid

- (1) Subject to the following provisions of this section, the Authority shall, after considering all the cash bids submitted by the applicants for a national licence, award the licence to the applicant who submitted the highest bid.
- (2) Where two or more applicants for a particular licence have submitted cash bids specifying an identical amount which is higher than the amount of any other cash bid submitted in respect of the licence, then (unless they propose to exercise their power under subsection (3) in relation to the licence) the Authority shall invite those applicants to submit further cash bids in respect of that licence; and, in relation to any person who has submitted a further cash bid in pursuance of this subsection, any reference in this Part to his cash bid is a reference to that further bid.
- (3) The Authority may disregard the requirement imposed by subsection (1) and award the licence to an applicant who has not submitted the highest bid if it appears to them

Status: This is the original version (as it was originally enacted).

that there are exceptional circumstances which make it appropriate for them to award the licence to that applicant; and where it appears to the Authority, in the context of the licence, that any circumstances are to be regarded as exceptional circumstances for the purposes of this subsection, those circumstances may be so regarded by them despite the fact that similar circumstances have been so regarded by them in the context of any other licence or licences.

- (4) If it appears to the Authority, in the case of the applicant to whom (apart from this subsection) they would award the licence in accordance with the preceding provisions of this section, that there are grounds for suspecting that any relevant source of funds is such that it would not be in the public interest for the licence to be awarded to him—
 - (a) they shall refer his application to the Secretary of State, together with—
 - (i) a copy of all documents submitted to them by the applicant, and
 - (ii) a summary of their deliberations on the application; and
 - (b) they shall not award the licence to him unless the Secretary of State has given his approval.
- (5) On such a reference the Secretary of State may only refuse to give his approval to the licence being awarded to the applicant in question if he is satisfied that any relevant source of funds is such that it would not be in the public interest for the licence to be so awarded.
- (6) In subsections (4) and (5) “relevant source of funds”, in relation to an applicant, means any source of funds to which he might (directly or indirectly) have recourse for the purpose of—
 - (a) paying any amounts payable by him by virtue of section 102(1), or
 - (b) otherwise financing the provision of his proposed service.
- (7) Where the Authority are, by virtue of subsection (4), precluded from awarding the licence to an applicant, the preceding provisions of this section shall (subject to subsection (11)) have effect as if that person had not made an application for the licence.
- (8) Where the Authority have awarded a national licence to any person in accordance with this section, they shall, as soon as reasonably practicable after awarding the licence—
 - (a) publish the matters specified in subsection (9) in such manner as they consider appropriate; and
 - (b) grant the licence to that person.
- (9) The matters referred to in subsection (8)(a) are—
 - (a) the name of the person to whom the licence has been awarded and the amount of his cash bid;
 - (b) the name of every other applicant in whose case it appeared to the Authority that the requirement specified in section 99(1)(a) was satisfied;
 - (c) where the licence has, by virtue of subsection (3) above, been awarded to an applicant who has not submitted the highest cash bid, the Authority’s reasons for the licence having been so awarded; and
 - (d) such other information as the Authority consider appropriate.
- (10) In a case where the licence has been awarded to any person by virtue of the operation of this section, in accordance with any provision of this Part, on the revocation of an earlier grant of the licence, subsection (9) shall have effect as if—
 - (a) paragraph (b) were omitted; and

Status: This is the original version (as it was originally enacted).

- (b) the matters specified in that subsection included an indication of the circumstances in which the licence has been awarded to that person.
- (11) Subsections (1) to (6) shall not have effect as mentioned in subsection (7) if the Authority decide that it would be desirable to publish a fresh notice under section 98 in respect of the grant of the licence; and similarly, where any of the following provisions of this Part provides, in connection with the revocation of a licence, for this section to have effect as if the former holder of the licence had not made an application for it, this section shall not so have effect if the Authority decide that it would be desirable to publish a fresh notice under this Part in respect of the grant of a further licence to provide the service in question.

101 Failure to begin providing licensed service and financial penalties on revocation of licence

- (1) If at any time after a national licence has been granted to any person but before the licence has come into force—
- (a) that person indicates to the Authority that he does not intend to provide the service in question, or
 - (b) the Authority for any other reason have reasonable grounds for believing that that person will not provide that service once the licence has come into force,
- then, subject to subsection (2)—
- (i) the Authority shall serve on him a notice revoking the licence as from the time the notice is served on him, and
 - (ii) section 100 shall (subject to section 100(11)) have effect as if he had not made an application for the licence.
- (2) Subsection (1) shall not apply in the case of any person by virtue of paragraph (b) of that subsection unless the Authority have served on him a notice stating their grounds for believing that he will not provide the service in question once his licence has come into force; and they shall not serve such a notice on him unless they have given him a reasonable opportunity of making representations to them about the matters complained of.
- (3) Where the Authority revoke a national licence under this section or under any other provision of this Part, they shall serve on the licence holder a notice requiring him to pay to them, within a specified period, a financial penalty of the prescribed amount.
- (4) In subsection (3) “the prescribed amount” means—
- (a) where—
 - (i) the licence is revoked under this section, or
 - (ii) the first complete accounting period of the licence holder falling within the period for which the licence is in force has not yet ended,7 per cent. of the amount which the Authority estimate would have been the qualifying revenue for that accounting period (as determined in accordance with section 102(2) to (6)); and
 - (b) in any other case, 7 per cent. of the qualifying revenue for the last complete accounting period of the licence holder so falling (as so determined).
- (5) Any financial penalty payable by any body by virtue of subsection (3) shall, in addition to being recoverable from that body as provided by section 122(4), be recoverable by the Authority as a debt due to them from any person who controls that body.

Status: This is the original version (as it was originally enacted).

102 Additional payments to be made in respect of national licences

- (1) A national licence shall include conditions requiring the licence holder to pay to the Authority (in addition to any fees required to be so paid by virtue of section 87(1)(c))—
 - (a) in respect of the first complete calendar year falling within the period for which the licence is in force, the amount specified in his cash bid;
 - (b) in respect of each subsequent year falling wholly or partly within that period, the amount so specified as increased by the appropriate percentage; and
 - (c) in respect of each accounting period of his falling within the period referred to in paragraph (a), an amount representing such percentage of the qualifying revenue for that accounting period as was specified in relation to the licence under section 98(1)(d)(ii).
- (2) For the purposes of subsection (1)(c) the qualifying revenue for any accounting period of the licence holder shall (subject to subsection (6)) consist of all payments received or to be received by him or by any connected person—
 - (a) in consideration of the inclusion in the licensed service in that period of advertisements or other programmes, or
 - (b) in respect of charges made in that period for the reception of programmes included in that service.
- (3) If, in connection with the inclusion of any advertisements or other programmes whose inclusion is paid for by payments falling within subsection (2), any payments are made to the licence holder or any connected person to meet any payments payable by the licence holder by virtue of subsection (1)(c), those payments shall be regarded as made in consideration of the inclusion of the programmes in question.
- (4) In the case of an advertisement included under arrangements made between—
 - (a) the licence holder or any connected person, and
 - (b) a person acting as an advertising agent,
 the amount of any receipt by the licence holder or any connected person that represents a payment by the advertiser from which the advertising agent has deducted any amount by way of commission shall, except in a case falling within subsection (5), be the amount of the payment by the advertiser after the deduction of the commission.
- (5) If the amount deducted by way of commission as mentioned in subsection (4) exceeds 15 per cent. of the payment by the advertiser, the amount of the receipt in question shall be taken to be the amount of the payment less 15 per cent.
- (6) If, in any accounting period of the licence holder, the licence holder or any connected person derives, in relation to any programme to be included in the licensed service, any financial benefit (whether direct or indirect) from payments made by any person, by way of sponsorship, for the purpose of defraying or contributing towards costs incurred or to be incurred in connection with that programme, the qualifying revenue for that accounting period shall be taken for the purposes of subsection (1)(c) to include the amount of the financial benefit so derived by the licence holder or the connected person, as the case may be.
- (7) A national licence may include conditions—
 - (a) enabling the Authority to estimate before the beginning of an accounting period the amount due for that period by virtue of subsection (1)(c); and
 - (b) requiring the licence holder to pay the estimated amount by monthly instalments throughout that period.

- (8) Such a licence may in particular include conditions—
- (a) authorising the Authority to revise any estimate on one or more occasions, and to adjust the instalments payable by the licence holder to take account of the revised estimate;
 - (b) providing for the adjustment of any overpayment or underpayment.
- (9) Where—
- (a) the first complete accounting period of the licence holder falling within the period referred to in subsection (1)(a) (“the licence period”) does not begin at the same time as that period, or
 - (b) the last complete accounting period of his falling within the licence period does not end at the same time as that period,
- any reference in subsection (1)(c) to an accounting period of his shall include a reference to such part of the accounting period preceding that first complete accounting period, or (as the case may be) following that last complete accounting period, as falls within the licence period; and other references to accounting periods in this Part shall be construed accordingly.
- (10) In this Part “the appropriate percentage”, in relation to any year (“the relevant year”), means the percentage which corresponds to the percentage increase between—
- (a) the retail prices index for the month of November in the year preceding the first complete calendar year falling within the period for which the licence in question is in force; and
 - (b) the retail prices index for the month of November in the year preceding the relevant year;

and for this purpose “the retail prices index” means the general index of prices (for all items) published by the Central Statistical Office of the Chancellor of the Exchequer.

- (1) Where—
- (a) any change in the persons having control over—
 - (i) a body to which a national licence has been awarded or transferred in accordance with this Part of this Act, or
 - (ii) an associated programme provider,takes place within the relevant period, and
 - (b) that change takes place without having been previously approved for the purposes of this section by the Authority,
- then (subject to subsection (5)) the Authority may, if the licence has not yet been granted, refuse to grant it to the body referred to in paragraph (a)(i) above or, if it has already been granted, serve on that body a notice revoking it.

- (2) In subsection (1)—
- “associated programme provider”, in relation to such a body as is mentioned in paragraph (a)(i) of that subsection, means any body which is connected with that body and appears to the Authority to be, or to be likely to be, involved to any extent in the provision of programmes for inclusion in the licensed service; and

Status: This is the original version (as it was originally enacted).

“the relevant period”, in relation to a national licence, means the period beginning with the date of the award of the licence and ending on the first anniversary of the date of its coming into force;

and paragraph 3 in Part I of Schedule 2 to this Act shall have effect for the purposes of this subsection as if a body to which a national licence has been awarded but not yet granted were the holder of such a licence.

- (3) The Authority shall refuse to approve for the purposes of this section such a change as is mentioned in subsection (1)(a) if it appears to them that the change would be prejudicial to the provision under the licence, by the body referred to in subsection (1)(a)(i), of a service which accords with the proposals submitted under section 98(3)(a) by that body (or, as the case may be, by the person to whom the licence was originally awarded).
- (4) The Authority may refuse so to approve any such change if, in any circumstances not falling within subsection (3), they consider it appropriate to do so.
- (5) The Authority shall not under subsection (1) refuse to grant a licence to, or serve a notice on, any body unless they have given it a reasonable opportunity of making representations to them about the matters complained of.
- (6) Where under subsection (1) the Authority refuse to grant a licence to any body, section 100 shall (subject to section 100(11)) have effect as if that body had not made an application for the licence; and, where under that subsection they serve on any body a notice revoking its licence, subsections (6) and (7) of section 111 shall apply in relation to that notice as they apply in relation to a notice served under subsection (3) of that section.

104 Applications for other licences

- (1) Where the Authority propose to grant a licence to provide a local service, they shall publish, in such manner as they consider appropriate, a notice—
 - (a) stating that they propose to grant such a licence;

- (4) The Authority shall, at the request of any person and on the payment by him of such sum (if any) as the Authority may reasonably require, make available for inspection by that person any information furnished under subsection (2)(b) by the applicants for a local licence.
- (5) Where the Authority propose, in the case of any local licence which is due to expire (otherwise than by virtue of section 110), to grant a further licence to provide the service in question, they shall, in accordance with subsection (1), publish a notice under that subsection relating to the proposed grant of the further licence to provide that service, unless it appears to them that to do so would not serve to broaden the range of programmes available by way of local services to persons living in the area or locality for which that service has been provided.
- (6) The following applications, namely—
- (a) an application to be granted a local licence in a case where, in accordance with subsection (5), no notice is to be published under subsection (1), or

- (b) the extent to which any such proposed service would cater for the tastes and interests of persons living in the area or locality for which the service would be provided, and, where it is proposed to cater for any particular tastes and interests of such persons, the extent to which the service would cater for those tastes and interests;
- (c) the extent to which any such proposed service would broaden the range of programmes available by way of local services to persons living in the area or locality for which it would be provided, and, in particular, the extent to which the service would cater for tastes and interests different from those already catered for by local services provided for that area or locality; and

Status: This is the original version (as it was originally enacted).

- (d) the extent to which any application for the licence is supported by persons living in that area or locality.

Miscellaneous provisions relating to national and local services

106 Requirements as to character and coverage of national and local services

- (1) A national or local licence shall include such conditions as appear to the Authority to be appropriate for securing that the character of the licensed service, as proposed by the licence holder when making his application, is maintained during the period for which the licence is in force, except to the extent that the Authority consent to any departure on the grounds—
- (a) that it would not narrow the range of programmes available by way of independent radio services to persons living in the area or locality for which the service is licensed to be provided, or
 - (b) that it would not substantially alter the character of the service.
- (2) A national or local licence shall include conditions requiring the licence holder to secure that the licensed service serves so much of the area or locality for which it is licensed to be provided as is for the time being reasonably practicable.
- (3) A national licence shall include conditions enabling the Authority, where it appears to them to be reasonably practicable for the licensed service to be provided for any additional area falling outside the minimum area determined by them in accordance with section 98(2), to require the licence holder to provide the licensed service for any such additional area.
- (4) Subject to subsection (5), the Authority may, if they think fit, authorise the holder of a local licence, by means of a variation of his licence to that effect, to provide the licensed service for any additional area or locality adjoining the area or locality for which that service has previously been licensed to be provided.
- (5) The Authority shall only exercise the power conferred on them by subsection (4) if it appears to them that to do so would not result in a substantial increase in the area or locality for which the service in question is licensed to be provided.
- (6) As soon as practicable after the Authority have exercised that power in relation to any service, they shall publish, in such manner as they consider appropriate, a notice—
- (a) stating that they have exercised that power in relation to that service; and

 - (b) stating the effect of subsection (2); and
 - (c) specifying for the purposes of that subsection a period not exceeding twelve months.
- (2) If, at any time during the period specified in a notice under subsection (1), the Authority are satisfied that the licence holder has again failed to comply with any such condition or direction as is mentioned in that subsection (whether or not the same as the one specified in the notice), the Authority may direct him—
- (a) to provide the Authority in advance with such scripts and particulars of the programmes to be included in the licensed service as are specified in the direction; and
 - (b) in relation to such of those programmes as will consist of or include recorded matter, to produce to the Authority in advance for examination or reproduction such recordings of that matter as are so specified;

110 Power to impose financial penalty or suspend or shorten licence period

- (1) If the Authority are satisfied that the holder of a licence granted under this Chapter has failed to comply with any condition of the licence or with any direction given by them under or by virtue of any provision of this Part, they may (subject to the following provisions of this section) serve on him—

Status: This is the original version (as it was originally enacted).

- (6) It is hereby declared that any exercise by the Authority of their powers under subsection (1) of this section in respect of any failure to comply with any condition or direction shall not preclude any exercise by them of their powers under section 109 in respect of that failure.

- (a) that the holder of a licence granted under this Chapter is failing to comply with any condition of the licence or with any direction given by them under or by virtue of any provision of this Part, and
 - (b) that that failure is such that, if not remedied, it would justify the revocation of the licence,
- they shall (subject to subsection (8)) serve on the holder of the licence a notice under subsection (2).
- (2) A notice under this subsection is a notice—
- (a) stating that the Authority are satisfied as mentioned in subsection (1);

- they shall (subject to subsection (8)) serve on him a notice revoking his licence.
- (4) If the Authority are satisfied in the case of any national licence—
- (a) that the holder of the licence has ceased to provide the licensed service before the end of the period for which the licence is to continue in force, and
 - (b) that it is appropriate for them to do so,
- they shall (subject to subsection (8)) serve on him a notice revoking his licence.
- (5) If the Authority are satisfied—
- (a) that the holder of a licence granted under this Chapter provided them, in connection with his application for the licence, with information which was false in a material particular, or
 - (b) that, in connection with his application for the licence, the holder of such a licence withheld any material information with the intention of causing them to be misled,

- (6) Subject to subsection (7), any notice served under subsection (3), (4) or (5) shall take effect as from the time when it is served on the licence holder.
- (7) If it appears to the Authority to be appropriate to do so for the purpose of preserving continuity in the provision of the service in question, they may provide in any such notice for it to take effect as from a date specified in it.
- (8) The Authority shall not serve any notice on a person under this section unless they have given him a reasonable opportunity of making representations to them about the matters complained of.

CHAPTER III

LICENSABLE SOUND PROGRAMME SERVICES

112 Licensable sound programme services

- (1) In this Part “licensable sound programme service” means (subject to subsection (2)) a service consisting in the provision by any person of sound programmes with a view to their being conveyed, by means of a telecommunication system, for reception—
 - (a) in two or more dwelling-houses in the United Kingdom, and
 - (b) otherwise than for the purpose of being received there by persons who have a business interest in receiving them,
 whether the telecommunication system is run by the person so providing the programmes or by some other person, and whether the programmes are to be so conveyed for simultaneous reception or for reception at different times in response to requests made by different users of the service.
- (2) Subsection (1) does not apply to—
 - (a) a service where the programmes are provided for transmission in the course of the provision of a sound broadcasting service;
 - (b) a service where the running of the telecommunication system does not require to be licensed under Part II of the Telecommunications Act 1984; or
 - (c) a two-way service (as defined by section 46(2)(c)).
- (3) It is hereby declared that the person who does either or both of the following things, that is to say—
 - (a) uses a telecommunication system for conveying sound programmes as mentioned in subsection (1), or
 - (b) runs a telecommunications system which is so used,
 is not to be regarded as providing a licensable sound programme service in respect of any such programmes except to the extent that they are provided by that person with a view to their being so conveyed by means of that system.
- (4) It is hereby also declared that where—

- (2) The amount of any financial penalty imposed on any person in pursuance of subsection (1)—
- (a) shall, if such a penalty has not previously been so imposed on that person during any period for which his licence has been in force (“the relevant period”), not exceed 3 per cent. of the qualifying revenue for his last complete accounting period falling within the relevant period (as determined in accordance with section 118(2)); and

and, in relation to a person whose first complete accounting period falling within the relevant period has not yet ended, paragraphs (a) and (b) above shall be construed as referring to 3, or (as the case may be) 5, per cent. of the amount which the Authority estimate to be the qualifying revenue for that accounting period (as so determined).

- (3) The Authority shall not serve on any person a notice under subsection (1) unless they have given him a reasonable opportunity of making representations to them about the matters complained of.
