*Continuity of exercise of functions*

- 8 (1) Anything done (or deemed by any enactment to have been done) by or in relation to the Nature Conservancy Council before the appointed day shall, so far as is required for continuing its effect on and after that date, have effect as if done by or in relation to the appropriate new council.
- (2) Anything which immediately before the appointed day is in the process of being done by or in relation to the Nature Conservancy Council may be continued by or in relation to the appropriate new council as if it had been done by or in relation to that council.

*Construction of references to the Nature Conservancy Council*

- 9 (1) This paragraph applies to any agreement, any instrument and any other document subsisting immediately before the appointed day which refers (in whatever terms) to the Nature Conservancy Council, other than a scheme provided by that Council under paragraph 12 of Schedule 3 to the Nature Conservancy Council Act 1973.

- 10 (1) This paragraph applies to any provision of a local Act passed, or subordinate legislation made, before the appointed day which refers (in whatever terms) to the Nature Conservancy Council.
- (2) The Secretary of State may by order make such consequential modifications of any provision to which this paragraph applies as appear to him to be necessary or expedient.
- (3) Subject to any exercise of the power conferred by sub-paragraph (2) above, any provision to which this paragraph applies shall have effect on and after the appointed day with the substitution for each reference to the Nature Conservancy Council of a reference to such one or more of the new councils as may be appropriate, according as the provision relates to, or to things being done in or in connection with, England, Scotland or Wales.

*Pensions for Nature Conservancy Council staff*

- 11 (1) The repeal by this Act of paragraph 12 of Schedule 3 to the Nature Conservancy Council Act 1973 shall not affect the operation on and after the appointed day of any scheme provided by the Nature Conservancy Council for the payment to or in respect of its officers of pensions, allowances or gratuities.

- (2) Any such scheme shall have effect on and after the appointed day with the substitution for any reference to the Nature Conservancy Council of a reference to the Secretary of State.

*Existing nature reserves and areas of special scientific interest*

- 12 (1) This paragraph applies to any land which, immediately before the appointed day is—
- (a) a nature reserve (within the meaning of Part III of the 1949 Act) which is managed by, or under an agreement entered into with, the Nature Conservancy Council or which is the subject of a declaration under section 35 of the 1981 Act; or
  - (b) an area of special scientific interest which has been notified by the Nature Conservancy Council under section 28(1) of the 1981 Act or is treated by section 28(13) of that Act as having been notified under section 28(1)(a) of that Act or is an area to which an order under section 29(1) of that Act relates; and of which part is in England and part is in Wales or, as the case may be, part is in England and part is in Scotland (referred to as “the two parts” of such a reserve or area).
- (2) On and after the appointed day, the two parts of any reserve or area to which this paragraph applies shall be treated as if each were a distinct nature reserve or area of special scientific interest; and accordingly, so far as may be necessary for the purpose of applying paragraphs 8 and 9 above, anything done by or in relation to the Nature Conservancy Council affecting both parts of that reserve or area shall be treated as having been done by or in relation to each of the two parts separately.
- (3) On and after the appointed day the new council exercising functions as respects either part of a reserve or area to which this paragraph applies shall exercise those functions only after consultation with the new council exercising functions as respects the other part; and those councils may make arrangements for discharging any of those functions jointly.
