7 The toll period.

- (1) A toll order shall provide for tolls to be chargeable for a period (the “toll period”) specified in or determined in accordance with the order.
- (2) The order may provide for the toll period to end—
- (a) on a date, or at the end of a period, specified in the order, or
 - (b) on a date determined by reference to—
 - (i) the achievement of a specified financial objective, or
 - (ii) the passage of a specified number of vehicles,
 or such other factors, or combinations of factors, as may be specified in the order, or
 - (c) on whichever is the earlier or later of dates specified in or determined in accordance with the order.
- (3) In the case of a toll order authorising the charging of tolls by a concessionaire, it is for the highway authority to decide any matter relevant to determining the date on which the toll period ends.

8 Amount of tolls chargeable by concessionaire.

- (1) A toll order authorising the charging of tolls by a concessionaire shall specify the maximum tolls which may be charged if, and only if, the road to which the order relates consists of or includes a major crossing to which there is no reasonably convenient alternative.
- (2) The Secretary of State may make provision by regulations as to what is to be treated as a major crossing for this purpose and as to the circumstances in which another route is to be taken to be, or not to be, a reasonably convenient alternative.
- (3) Subject to any such regulations, a major crossing means a crossing of navigable waters more than 100 metres wide and a reasonably convenient alternative means another crossing (other than a ferry) which is free of toll and is within five miles of the crossing in question.

For this purpose—

Changes to legislation: New Roads and Street Works Act 1991, Cross Heading: Toll orders is up to date with all changes known to be in force on or before 21 April 2024. - (a) the width of tidal waters shall be ascertained by reference to the mean high-water mark and the width of other waters by reference to the ordinary limits of the waters, and
 - (b) the distance between two crossings shall be taken to be the shortest distance between the centre lines of the two crossings.
- (4) The order shall specify the maximum tolls which may be charged for the use of the crossing or any length of the road including the crossing; and if the condition as to absence of a reasonably convenient alternative is satisfied in relation to certain types of traffic only, the order shall make provision only in relation to those types of traffic.

If that condition ceases to be satisfied, generally or in relation to certain types of traffic, the provisions of the order as to maximum tolls shall cease to apply, or cease to apply to that type of traffic, for so long as that remains the case.

- (5) The order may specify different maxima for different descriptions of traffic (which need not correspond with the classes of traffic prescribed by the special road scheme) and may provide for the amounts to be varied in accordance with a formula specified in the order.
- (6) Regulations under this section shall be made by statutory instrument and shall not be made unless a draft of them has been laid before and approved by a resolution of each House of Parliament.

Any regulations so made do not apply in relation to an order if notice of the draft order, and of the relevant draft special road scheme, have been published before the regulations come into force.

9 Amount of tolls chargeable by highway authority.

- (1) A toll order authorising the charging of tolls by the highway authority shall in every case specify the maximum tolls which may be charged for the use of the road or any length of the road in respect of which tolls are charged.
- (2) The order may specify different maxima for different descriptions of traffic (which need not correspond with the classes of traffic prescribed by the special road scheme) and may provide for the amounts to be varied in accordance with a formula specified in the order.

10 Application of enactments relating to monopolies, &c.

- (1) [^{F4}For the purposes of the Enterprise Act 2002, a person] authorised by a toll order to charge tolls shall be deemed to supply a service, namely, providing the facility to use the road in return for the toll charged.

section 11 (variation or revocation of order),
sections 13 to 17 (further provisions with respect to tolls), and
section 18 (annual report by Secretary of State).

- (5) An extension toll order made by the Secretary of State, and an instrument made by the Secretary of State confirming an extension toll order made by [F9 a strategic highways company or] a local highway authority, shall be made by statutory instrument which shall be subject to annulment in pursuance of a resolution of either House of Parliament.
