49 The street authority and other relevant authorities.

- (1) In this Part “the street authority” in relation to a street means, subject to the following provisions—
 - (a) if the street is a maintainable highway, the highway authority, and
 - (b) if the street is not a maintainable highway, the street managers.
- (2) In the case of a highway for which the Secretary of State [^{F2}or a strategic highways company] is the highway authority but in relation to which a local highway authority acts as his [^{F3}or its] agent under section 6 of the ^{M1}Highways Act 1980, the local highway authority shall be regarded as the street authority for the purposes of section 53 (the street works register) and sections 54 to 60 (advance notice and co-ordination of works).
- (3) Subsection (1)(b) has effect subject to section 87 as regards the application of this Part to prospectively maintainable highways.
- (4) In this Part the expression “street managers”, used in relation to a street which is not a maintainable highway, means the authority, body or person liable to the public to maintain or repair the street or, if there is none, any authority, body or person having the management or control of the street.
- (5) The Secretary of State may by regulations make provision for exempting street managers from provisions of this Part which would otherwise apply to them as the street authority in relation to a street.

 - (a) where the works include the breaking up or opening of a public sewer in the street, the sewer authority;
 - (b) where the street is carried or crossed by a bridge vested in a transport authority, or crosses or is crossed by any other property held or used for the purposes of a transport authority, that authority; and
 - (c) where in any other case the street is carried or crossed by a bridge, the bridge authority.

50 Street works licences.

(1) The street authority may grant a licence (a “street works licence”) permitting a person—

- (a) to place, or to retain, apparatus in the street, and
- (b) thereafter to inspect, maintain, adjust, repair, alter or renew the apparatus, change its position or remove it,

and to execute for those purposes any works required for or incidental to such works (including, in particular, breaking up or opening the street, or any sewer, drain or tunnel under it, or tunnelling or boring under the street).

[^{F4}(1A) For the purposes of subsection (1), the works that are required for or incidental to works falling within paragraph (a) or (b) of that subsection include—

- (a) reinstatement of the street, and
- (b) where an undertaker has failed to comply with his duties under this Part with respect to reinstatement of the street, any remedial works.]

(2) A street works licence authorises the licensee to execute the works permitted by the licence without obtaining any consent which would otherwise be required to be given—

- (a) by any other relevant authority in its capacity as such, or
 - (b) by any person in his capacity as the owner of apparatus affected by the works;
- but without prejudice to the provisions of this Part as to the making of requirements by any such authority or person or as to the settlement of a plan and section and the execution of the works in accordance with them.

(3) A street works licence does not dispense the licensee from obtaining any other consent, licence or permission which may be required; and it does not authorise the installation of apparatus for the use of which the licence of the Secretary of State is required, unless and until that licence has been granted.

(4) The provisions of Schedule 3 have effect with respect to the grant of street works licences, the attachment of conditions and other matters.

(5) A street works licence may be granted—

- (a) to a person on terms permitting or prohibiting its assignment, or
- (b) to the owner of land and his successors in title;

and references in this Part to the licensee are to the person for the time being entitled by virtue of the licence to do anything permitted by it.

(6) Any licence, consent, permission or other authority for the execution in a street of any such works as are mentioned in subsection (1) granted or given by the street authority before the commencement of this Part has effect after the commencement of this Part as a street works licence; but subsection (2) does not apply in relation to such a licence.

This applies in particular to licences granted under section 181 of the ^{M2}Highways Act 1980 or any corresponding earlier enactment.

(7) The works referred to in subsection (1) above do not include works for road purposes.
