- (5B) For the purposes of this section, in a case falling within subsection (1ZA) above “the appropriate notional price for the shares of any of the companies subject to the offer is such price as—
- (a) had the shares of that company, and of each of the other companies, instead of being subject to the offer, been subject to separate offers to the public in respect of each company at fixed prices, and
 - (b) had those separate offers been made at the time at which the public offer was in fact made,
- might reasonably have been expected to be the fixed price for the shares of that company under the separate offer of those shares; but where subsection (5C) below applies, the amount determined in accordance with this subsection as the notional price for the shares of any company shall be varied in accordance with that subsection.
- (5C) If the amounts determined in accordance with subsection (5B) above as the appropriate notional prices for the shares of each of the companies subject to the public offer are such that, had the price for the combination of shares subject to the public offer been determined by aggregating the appropriate notional price (as so determined) for each one of the shares comprised in the combination, the price for the combination would have been different from the actual fixed price or (as the case may be) lowest successfully tendered price, then those amounts shall each be varied by multiplying them by the fraction of which—
- (a) the numerator is the actual fixed or lowest successfully tendered price for the combination of shares subject to the public offer; and
 - (b) the denominator is the different price mentioned above;
- and those amounts, as so varied, shall be the appropriate notional prices for the purposes of this section.”
- (9) In section 77 of that Act (scope of provisions about unapproved employee share schemes) in subsection (1), for the words “Subject to subsections (2) and (3) below” there shall be substituted the words “Subject to subsections (2) to (4) below”, and after subsection (3) (exemption where the acquisition is made in pursuance of an offer to the public) there shall be added—
- “(4) Where, in a case falling within subsection (1ZA) of section 68 above, subsection (1) of that section—
- (a) applies or applied in relation to such a benefit as is there mentioned, or
 - (b) would so apply or have applied, had there been any such benefit,
- any acquisition made on or after 16th January 1991 in pursuance of any of the offers which, in that case, fall to be regarded by virtue of subsection (1ZB) of that section as together constituting a single offer of shares to the public for the purposes of subsection (1) of that section shall be regarded for the purposes of subsection (3) above as an acquisition made in pursuance of an offer to the public.”
- (10) The amendments made by subsection (9) above shall be deemed to have come into force on 16th January 1991.
