

Coal Mining Subsidence Act 1991

1991 CHAPTER 45

PART III

ADDITIONAL REMEDIES

Agricultural losses

26 Farm loss payments

Where land constituting or included in an agricultural unit is affected by subsidence damage, Schedule 6 to this Act (which confers on any occupier displaced from the land a right, in certain circumstances, to receive a farm loss payment) shall apply if, by reason of deterioration due to the damage in the condition of the land, the land cannot profitably be used for agricultural purposes.
