- (a) he is not entitled to a protected right for the purposes of this Chapter in respect of those inland waters; or
 - (b) the loss or damage which he has sustained in his capacity as owner of those rights is not attributable to any such breach of statutory duty as is mentioned in subsection (2) or (3) of section 60 below or is in addition to any loss or damage attributable to any such breach.

- and any reference to an owner of fishing rights is a reference to the person for the time being entitled to those rights.

57 Emergency variation of licences for spray irrigation purposes.

- (1) This section applies where at any time—
- (a) one or more licences under this Chapter are in force in relation to a source of supply authorising water abstracted in pursuance of the licences to be used for the purpose of spray irrigation, or for that purpose together with other purposes; and
 - (b) by reason of exceptional shortage of rain or other emergency, it appears to the ^{F136}[appropriate agency] that it is necessary to impose a temporary restriction on the abstraction of water for use for that purpose.
- (2) Subject to subsections (3) and (4) below, where this section applies the ^{F136}[appropriate agency] may serve a notice on the holder of any of the licences reducing, during such period as may be specified in the notice, the quantity of water authorised to be abstracted in pursuance of the licence from the source of supply for use for the purpose of spray irrigation; and, in relation to that period, the licence shall have effect accordingly subject to that reduction.
- (3) The ^{F136}[appropriate agency] shall not serve a notice under this section in respect of abstraction of water from underground strata unless it appears to the ^{F136}[appropriate agency] that such abstraction is likely to affect the flow, level or volume of any inland waters which are ^{F137}[not discrete waters].
- (4) In the exercise of the power conferred by this section in a case where there are two or more licences under this Chapter in force authorising abstraction from the same source of supply either at the same point or at points which, in the opinion of the ^{F136}[appropriate agency], are not far distant from each other—
- (a) the ^{F136}[appropriate agency] shall not serve a notice under this section on the holder of one of the licences unless a like notice is served on the holders of the other licences in respect of the same period; and
 - (b) the reductions imposed by the notices on the holders of the licences shall be so calculated as to represent, as nearly as appears to the ^{F136}[appropriate agency] to be practicable, the same proportion of the quantity of water authorised by the licences (apart from the notices) to be abstracted for use for the purpose of spray irrigation.
- (5) The provisions of this section shall have effect without prejudice to the exercise of any power conferred by sections 51 to 54 above.

- (3) Any reference in this Act to water contained in underground strata is a reference to water so contained otherwise than in a sewer, pipe, reservoir, tank or other underground works constructed in any such strata; but for the purposes of this Act water for the time being contained in—
 - (a) a well, borehole or similar work, including any adit or passage constructed in connection with the well, borehole or work for facilitating the collection of water in the well, borehole or work; or
 - (b) any excavation into underground strata, where the level of water in the excavation depends wholly or mainly on water entering it from those strata, shall be treated as water contained in the underground strata into which the well, borehole or work was sunk or, as the case may be, the excavation was made.
- (4) Until the coming into force of Part III of the ^{M108}New Roads and Street Works Act 1991, the definition of “street” in subsection (1) above shall have effect as if the reference to that Part were a reference to the ^{M109}Public Utilities Street Works Act 1950; but nothing in this section shall be taken—
 - (a) to prejudice the power of the Secretary of State under that Act of 1991 to make an order bringing Part III of that Act into force on different days for different purposes (including the purposes of this section); or
 - (b) in the period before the coming into force of that Part, to prevent references in this Act to a street, where the street is a highway which passes over a bridge or through a tunnel, from including that bridge or tunnel.
- (5) For the purposes of any provision of this Act by or under which power is or may be conferred on any person to recover the expenses incurred by that person in doing anything, those expenses shall be assumed to include such sum as may be reasonable in respect of establishment charges or overheads.
- (6) References in this Act to the later or latest of two or more different times or days are, in a case where those times or days coincide, references to the time at which or, as the case may be, the day on which they coincide.
- (7) For the purposes of this Act—
 - (a) references in this Act to more than one Minister of the Crown, in relation to anything falling to be done by those Ministers, are references to those Ministers acting jointly; and
 - (b) any provision of this Act by virtue of which any function of a Minister of the Crown is exercisable concurrently by different Ministers, shall have effect as providing for that function also to be exercisable jointly by any two or more of those Ministers.
