- (3) Any dispute as to whether compensation should be paid under sub-paragraph (2) above, or as to the amount of any such compensation, shall be referred to the arbitration of a single arbitrator appointed by agreement between the parties to the dispute or, in default of agreement, by the Secretary of State.
- (4) Until the coming into force of Part III of the New Roads and Street Works Act 1991, a payment of compensation under this paragraph shall be treated for the purposes of section 32 of the Public Utilities Street Works Act 1950 (provisions against duplication of compensation) as made under an enactment passed before that Act of 1950; but nothing in this sub-paragraph shall be taken to prejudice the power of the Secretary of State under that Act of 1991 to make an order bringing Part III of that Act into force on different days for different purposes (including the purposes of this paragraph).

##### *Compensation in respect of pipe-laying works on private land*

- 2 (1) If the value of any interest in any relevant land is depreciated by virtue of the exercise by the Authority of any power to carry out pipe-laying works on private land, the person entitled to that interest shall be entitled to compensation from the Authority of an amount equal to the amount of the depreciation.

  - (c) no such compensation shall be payable in respect of the interest of the mortgagee (as distinct from the interest which is subject to the mortgage); and
  - (d) any such compensation which is payable in respect of the interest which is subject to the mortgage shall be paid to the mortgagee, or, if there is more than one mortgagee, to the first mortgagee, and shall in either case be applied by him as if it were proceeds of sale.
- (4) Where, apart from this sub-paragraph, any person entitled to an interest in any land would be entitled under paragraph 2 above to an amount of compensation in respect of any works, there shall be deducted from that amount an amount equal to the amount by which the carrying out of the works has enhanced the value of any other land which—
