*Migration of settlements, non-resident settlements and dual resident settlements*

#### **80 Trustees ceasing to be resident in U.K**

- (1) This section applies if the trustees of a settlement become at any time (“the relevant time”) neither resident nor ordinarily resident in the United Kingdom.
- (2) The trustees shall be deemed for all purposes of this Act—
  - (a) to have disposed of the defined assets immediately before the relevant time, and

  - (b) any assets are situated in the United Kingdom and either used in or for the purposes of the trade or used or held for the purposes of the branch or agency, the assets falling within paragraph (b) above shall not be defined assets.

---

*Status: This is the original version (as it was originally enacted).*

---

- (a) they are of a description specified in any double taxation relief arrangements, and
  - (b) were the trustees to dispose of them immediately before the relevant time, the trustees would fall to be regarded for the purposes of the arrangements as not liable in the United Kingdom to tax on gains accruing to them on the disposal.
- (6) Section 152 shall not apply where the trustees—
- (a) have disposed of the old assets, or their interest in them, before the relevant time, and
  - (b) acquire the new assets, or their interest in them, after that time,
- unless the new assets are excepted from this subsection by subsection (7) below.
- (7) If at the time when the new assets are acquired—
- (a) the trustees carry on a trade in the United Kingdom through a branch or agency, and
  - (b) any new assets are situated in the United Kingdom and either used in or for the purposes of the trade or used or held for the purposes of the branch or agency,
- the assets falling within paragraph (b) above shall be excepted from subsection (6) above.
- (8) In this section “the old assets” and “the new assets” have the same meanings as in section 152.

  - (b) within the period of 6 months beginning with the death, the trustees of the settlement become resident and ordinarily resident in the United Kingdom.
- (2) That section shall apply as if the defined assets were restricted to such assets (if any) as—
- (a) would be defined assets apart from this section, and
  - (b) fall within subsection (3) or (4) below.
- (3) Assets fall within this subsection if they were disposed of by the trustees in the period which—
- (a) begins with the death, and
  - (b) ends when the trustees become resident and ordinarily resident in the United Kingdom.
- (4) Assets fall within this subsection if—
- (a) they are of a description specified in any double taxation relief arrangements,
  - (b) they constitute settled property of the settlement at the time immediately after the trustees become resident and ordinarily resident in the United Kingdom, and
  - (c) were the trustees to dispose of them at that time, the trustees would fall to be regarded for the purposes of the arrangements as not liable in the United Kingdom to tax on gains accruing to them on the disposal.
- (5) Subsection (6) below applies where—

- (a) at any time the trustees of a settlement become resident and ordinarily resident in the United Kingdom as a result of the death of a trustee of the settlement, and
  - (b) section 80 applies as regards the trustees of the settlement in circumstances where the relevant time (within the meaning of that section) falls within the period of 6 months beginning with the death.
- (6) That section shall apply as if the defined assets were restricted to such assets (if any) as—
- (a) would be defined assets apart from this section, and
  - (b) fall within subsection (7) below.
- (7) Assets fall within this subsection if—
- (a) the trustees acquired them in the period beginning with the death and ending with the relevant time, and
  - (b) they acquired them as a result of a disposal in respect of which relief is given under section 165 or in relation to which section 260(3) applies.

## **82 Past trustees: liability for tax**

- (1) This section applies where—
- (a) section 80 applies as regards the trustees of a settlement (“the migrating trustees”), and
  - (b) any capital gains tax which is payable by the migrating trustees by virtue of section 80(2) is not paid within 6 months from the time when it became payable.
- (2) The Board may, at any time before the end of the period of 3 years beginning with the time when the amount of the tax is finally determined, serve on any person to whom subsection (3) below applies a notice—
- (a) stating particulars of the tax payable, the amount remaining unpaid and the date when it became payable;
  - (b) stating particulars of any interest payable on the tax, any amount remaining unpaid and the date when it became payable;
  - (c) requiring that person to pay the amount of the unpaid tax, or the aggregate amount of the unpaid tax and the unpaid interest, within 30 days of the service of the notice.
- (3) This subsection applies to any person who, at any time within the relevant period, was a trustee of the settlement, except that it does not apply to any such person if—
- (a) he ceased to be a trustee of the settlement before the end of the relevant period, and
  - (b) he shows that, when he ceased to be a trustee of the settlement, there was no proposal that the trustees might become neither resident nor ordinarily resident in the United Kingdom.
- (4) Any amount which a person is required to pay by a notice under this section may be recovered from him as if it were tax due and duly demanded of him; and he may recover any such amount paid by him from the migrating trustees.
- (5) A payment in pursuance of a notice under this section shall not be allowed as a deduction in computing any income, profits or losses for any tax purposes.

- (6) For the purposes of this section—
- (a) where the relevant time (within the meaning of section 80) falls within the period of 12 months beginning with 19th March 1991, the relevant period is the period beginning with that date and ending with that time;
  - (b) in any other case, the relevant period is the period of 12 months ending with the relevant time.

### **83 Trustees ceasing to be liable to U.K. tax**

- (1) This section applies if the trustees of a settlement, while continuing to be resident and ordinarily resident in the United Kingdom, become at any time (“the time concerned”) trustees who fall to be regarded for the purposes of any double taxation relief arrangements—
- (a) as resident in a territory outside the United Kingdom, and
  - (b) as not liable in the United Kingdom to tax on gains accruing on disposals of assets (“relevant assets”) which constitute settled property of the settlement and fall within descriptions specified in the arrangements.
- (2) The trustees shall be deemed for all purposes of this Act—
- (a) to have disposed of their relevant assets immediately before the time concerned, and
  - (b) immediately to have reacquired them, at their market value at that time.

### **84 Acquisition by dual resident trustees**

- (1) Section 152 shall not apply where—
- (a) the new assets are, or the interest in them is, acquired by the trustees of a settlement,
  - (b) at the time of the acquisition the trustees are resident and ordinarily resident in the United Kingdom and fall to be regarded for the purposes of any double taxation relief arrangements as resident in a territory outside the United Kingdom,
  - (c) the assets are of a description specified in the arrangements, and
  - (d) were the trustees to dispose of the assets immediately after the acquisition, the trustees would fall to be regarded for the purposes of the arrangements as not liable in the United Kingdom to tax on gains accruing to them on the disposal.
- (2) In this section “the new assets” has the same meaning as in section 152.

### **85 Disposal of interests in non-resident settlements**

- (1) Subsection (1) of section 76 shall not apply to the disposal of an interest in settled property, other than one treated under subsection (2) of that section as made in consideration of obtaining the settled property, if at the time of the disposal the trustees are neither resident nor ordinarily resident in the United Kingdom.
- (2) Subject to subsections (4) and (9) below, subsection (3) below applies where—
- (a) section 80 applies as regards the trustees of a settlement,

*Status: This is the original version (as it was originally enacted).*

- (b) after the relevant time (within the meaning of that section) a person disposes of an interest created by or arising under the settlement and the circumstances are such that subsection (1) above prevents section 76(1) applying, and
  - (c) the interest was created for his benefit, or he otherwise acquired it, before the relevant time.
- (3) For the purpose of calculating any chargeable gain accruing on the disposal of the interest, the person disposing of it shall be treated as having—
  - (a) disposed of it immediately before the relevant time, and
  - (b) immediately reacquired it,at its market value at that time.
- (4) Subsection (3) above shall not apply if section 83 applied as regards the trustees in circumstances where the time concerned (within the meaning of that section) fell before the time when the interest was created for the benefit of the person disposing of it or when he otherwise acquired it.
- (5) Subsection (7) below applies where—
  - (a) section 80 applies as regards the trustees of a settlement,
  - (b) after the relevant time (within the meaning of that section) a person disposes of an interest created by or arising under the settlement and the circumstances are such that subsection (1) above prevents section 76(1) applying,
  - (c) the interest was created for his benefit, or he otherwise acquired it, before the relevant time, and
  - (d) section 83 applied as regards the trustees in circumstances where the time concerned (within the meaning of that section) fell in the relevant period.
- (6) The relevant period is the period which—
  - (a) begins when the interest was created for the benefit of the person disposing of it or when he otherwise acquired it, and
  - (b) ends with the relevant time.
- (7) For the purpose of calculating any chargeable gain accruing on the disposal of the interest, the person disposing of it shall be treated as having—
  - (a) disposed of it immediately before the time found under subsection (8) below, and
  - (b) immediately reacquired it,at its market value at that time.
- (8) The time is—
  - (a) the time concerned (where there is only one such time), or
  - (b) the earliest time concerned (where there is more than one because section 83 applied more than once).
- (9) Subsection (3) above shall not apply where subsection (7) above applies.

## **86 Attribution of gains to settlors with interest in non-resident or dual resident settlements**

- (1) This section applies where the following conditions are fulfilled as regards a settlement in a particular year of assessment—
  - (a) the settlement is a qualifying settlement in the year;

---

*Status: This is the original version (as it was originally enacted).*

---

- (b) the trustees of the settlement fulfil the condition as to residence specified in subsection (2) below;
  - (c) a person who is a settlor in relation to the settlement (“the settlor”) is domiciled in the United Kingdom at some time in the year and is either resident in the United Kingdom during any part of the year or ordinarily resident in the United Kingdom during the year;
  - (d) at any time during the year the settlor has an interest in the settlement;
  - (e) by virtue of disposals of any of the settled property originating from the settlor, there is an amount on which the trustees would be chargeable to tax for the year under section 2(2) if the assumption as to residence specified in subsection (3) below were made;
  - (f) paragraph 3, 4 or 5 of Schedule 5 does not prevent this section applying.
- (2) The condition as to residence is that—
- (a) the trustees are not resident or ordinarily resident in the United Kingdom during any part of the year, or
  - (b) the trustees are resident in the United Kingdom during any part of the year or ordinarily resident in the United Kingdom during the year, but at any time of such residence or ordinary residence they fall to be regarded for the purposes of any double taxation relief arrangements as resident in a territory outside the United Kingdom.
- (3) Where subsection (2)(a) above applies, the assumption as to residence is that the trustees are resident or ordinarily resident in the United Kingdom throughout the year; and where subsection (2)(b) above applies, the assumption as to residence is that the double taxation relief arrangements do not apply.
- (4) Where this section applies—
- (a) chargeable gains of an amount equal to that referred to in subsection (1)(e) above shall be treated as accruing to the settlor in the year, and
  - (b) those gains shall be treated as forming the highest part of the amount on which he is chargeable to capital gains tax for the year.
- (5) Schedule 5 (which contains provisions supplementary to this section) shall have effect.

## **87 Attribution of gains to beneficiaries**

- (1) This section applies to a settlement for any year of assessment during which the trustees are at no time resident or ordinarily resident in the United Kingdom if the settlor or one of the settlors is at any time during that year, or was when he made his settlement, domiciled and either resident or ordinarily resident in the United Kingdom.
- (2) There shall be computed in respect of every year of assessment for which this section applies the amount on which the trustees would have been chargeable to tax under section 2(2) if they had been resident or ordinarily resident in the United Kingdom in the year; and that amount, together with the corresponding amount in respect of any earlier such year so far as not already treated under subsection (4) below or section 89(2) as chargeable gains accruing to beneficiaries under the settlement, is in this section and sections 89 and 90 referred to as the trust gains for the year.
- (3) Where as regards the same settlement and for the same year of assessment—
  - (a) chargeable gains, whether of one amount or of 2 or more amounts, are treated as accruing by virtue of section 86(4), and

---

*Status: This is the original version (as it was originally enacted).*

---

- (b) an amount falls to be computed under subsection (2) above, the amount so computed shall be treated as reduced by the amount, or aggregate of the amounts, mentioned in paragraph (a) above.
- (4) Subject to the following provisions of this section, the trust gains for a year of assessment shall be treated as chargeable gains accruing in that year to beneficiaries of the settlement who receive capital payments from the trustees in that year or have received such payments in any earlier year.
- (5) The attribution of chargeable gains to beneficiaries under subsection (4) above shall be made in proportion to, but shall not exceed, the amounts of the capital payments received by them.
- (6) A capital payment shall be left out of account for the purposes of subsections (4) and (5) above to the extent that chargeable gains have by reason of the payment been treated as accruing to the recipient in an earlier year.
- (7) A beneficiary shall not be charged to tax on chargeable gains treated by virtue of subsection (4) above as accruing to him in any year unless he is domiciled in the United Kingdom at some time in that year.
- (8) In computing an amount under subsection (2) above in respect of the year 1991-92 or a subsequent year of assessment, the effect of sections 77 to 79 shall be ignored.
- (9) For the purposes of this section a settlement arising under a will or intestacy shall be treated as made by the testator or intestate at the time of his death.
- (10) Subsection (1) above does not apply in relation to any year beginning before 6th April 1981; and the reference in subsections (4) and (5) to capital payments received by beneficiaries do not include references to any payment received before 10th March 1981 or any payment received on or after that date and before 6th April 1984 so far as it represents a chargeable gain which accrued to the trustees before 6th April 1981.

## **88 Gains of dual resident settlements**

- (1) Section 87 also applies to a settlement for any year of assessment beginning on or after 6th April 1991 if—
- the trustees are resident in the United Kingdom during any part of the year or ordinarily resident in the United Kingdom during the year,
  - at any time of such residence or ordinary residence they fall to be regarded for the purposes of any double taxation relief arrangements as resident in a territory outside the United Kingdom, and
  - the settlor or one of the settlors is at any time during that year, or was when he made his settlement, domiciled and either resident or ordinarily resident in the United Kingdom.
- (2) In respect of every year of assessment for which section 87 applies by virtue of this section, section 87 shall have effect as if the amount to be computed under section 87(2) were the assumed chargeable amount; and the reference in section 87(2) to the corresponding amount in respect of an earlier year shall be construed as a reference to the amount computed under section 87(2) apart from this section or (as the case may be) the amount computed under section 87(2) by virtue of this section.
- (3) For the purposes of subsection (2) above the assumed chargeable amount in respect of a year of assessment is the lesser of the following 2 amounts—

---

*Status: This is the original version (as it was originally enacted).*

---

- (a) the amount on which the trustees would be chargeable to tax for the year under section 2(2) on the assumption that the double taxation relief arrangements did not apply;
  - (b) the amount on which, by virtue of disposals of protected assets, the trustees would be chargeable to tax for the year under section 2(2) on the assumption that those arrangements did not apply.
- (4) For the purposes of subsection (3)(b) above assets are protected assets if—
- (a) they are of a description specified in the double taxation relief arrangements, and
  - (b) were the trustees to dispose of them at any relevant time, the trustees would fall to be regarded for the purposes of the arrangements as not liable in the United Kingdom to tax on gains accruing to them on the disposal.
- (5) For the purposes of subsection (4) above—
- (a) the assumption specified in subsection (3)(b) above shall be ignored;
  - (b) a relevant time is any time, in the year of assessment concerned, when the trustees fall to be regarded for the purposes of the arrangements as resident in a territory outside the United Kingdom;
  - (c) if different assets are identified by reference to different relevant times, all of them are protected assets.
- (6) In computing the assumed chargeable amount in respect of a particular year of assessment, the effect of sections 77 to 79 shall be ignored.
- (7) For the purposes of section 87 as it applies by virtue of this section, capital payments received before 6th April 1991 shall be disregarded.

## **89 Migrant settlements etc**

- (1) Where a period of one or more years of assessment for which section 87 applies to a settlement (“a non-resident period”) succeeds a period of one or more years of assessment for each of which section 87 does not apply to the settlement (“a resident period”), a capital payment received by a beneficiary in the resident period shall be disregarded for the purposes of section 87 if it was not made in anticipation of a disposal made by the trustees in the non-resident period.
- (2) Where—
- (a) a non-resident period is succeeded by a resident period, and
  - (b) the trust gains for the last year of the non-resident period are not (or not wholly) treated as chargeable gains accruing in that year to beneficiaries,
- then, subject to subsection (3) below, those trust gains (or the outstanding part of them) shall be treated as chargeable gains accruing in the first year of the resident period to beneficiaries of the settlement who receive capital payments from the trustees in that year; and so on for the second and subsequent years until the amount treated as accruing to beneficiaries is equal to the amount of the trust gains for the last year of the non-resident period.
- (3) Subsections (5) and (7) of section 87 shall apply in relation to subsection (2) above as they apply in relation to subsection (4) of that section.

## **90 Transfers between settlements**

- (1) If in a year of assessment for which section 87 or 89(2) applies to a settlement (“the transferor settlement”) the trustees transfer all or part of the settled property to the trustees of another settlement (“the transferee settlement”) then, subject to the following provisions—
  - (a) if section 87 applies to the transferee settlement for the year, its trust gains for the year shall be treated as increased by an amount equal to the outstanding trust gains for the year of the transferor settlement or, where part only of the settled property is transferred, to a proportionate part of those trust gains;
  - (b) if subsection (2) of section 89 applies to the transferee settlement for the year (otherwise than by virtue of paragraph (c) below), the trust gains referred to in that subsection shall be treated as increased by the amount mentioned in paragraph (a) above;
  - (c) if (apart from this paragraph) neither section 87 nor section 89(2) applies to the transferee settlement for the year, subsection (2) of section 89 shall apply to it as if the year were the first year of a resident period succeeding a non-resident period and the trust gains referred to in that subsection were equal to the amount mentioned in paragraph (a) above.
- (2) Subject to subsection (3) below, the reference in subsection (1)(a) above to the outstanding trust gains for the year of the transferor settlement is a reference to the amount of its trust gains for the year so far as they are not treated under section 87(4) as chargeable gains accruing to beneficiaries in that year.
- (3) Where section 89(2) applies to the transferor settlement for the year, the reference in subsection (1)(a) above to the outstanding trust gains of the settlement is a reference to the trust gains referred to in section 89(2) so far as not treated as chargeable gains accruing to beneficiaries in that or an earlier year.
- (4) This section shall not apply to a transfer so far as it is made for consideration in money or money’s worth.

## **91 Increase in tax payable under section 87 or 89(2)**

- (1) This section applies where—
  - (a) a capital payment is made by the trustees of a settlement on or after 6th April 1992,
  - (b) the payment is made in a year of assessment for which section 87 applies to the settlement or in circumstances where section 89(2) treats chargeable gains as accruing in respect of the payment,
  - (c) the whole payment is, in accordance with sections 92 to 95, matched with a qualifying amount of the settlement for a year of assessment falling at some time before that immediately preceding the one in which the payment is made, and
  - (d) a beneficiary is charged to tax in respect of the payment by virtue of section 87 or 89(2).
- (2) The tax payable by the beneficiary in respect of the payment shall be increased by the amount found under subsection (3) below, except that it shall not be increased beyond the amount of the payment; and an assessment may charge tax accordingly.

---

*Status: This is the original version (as it was originally enacted).*

---

- (3) The amount is one equal to the interest that would be yielded if an amount equal to the tax which would be payable by the beneficiary in respect of the payment (apart from this section) carried interest for the chargeable period at the rate of 10 per cent. per annum.
- (4) The chargeable period is the period which—
  - (a) begins with the later of the 2 days specified in subsection (5) below, and
  - (b) ends with 30th November in the year of assessment following that in which the capital payment is made.
- (5) The 2 days are—
  - (a) 1st December in the year of assessment following that for which the qualifying amount mentioned in subsection (1)(c) above is the qualifying amount, and
  - (b) 1st December falling 6 years before 1st December in the year of assessment following that in which the capital payment is made.
- (6) The Treasury may by order substitute for the percentage specified in subsection (3) above (whether as originally enacted or as amended at any time under this subsection) such other percentage as they think fit.
- (7) An order under subsection (6) above may provide that an alteration of the percentage is to have effect for periods beginning on or after a day specified in the order in relation to interest running for chargeable periods beginning before that day (as well as interest running for chargeable periods beginning on or after that day).
- (8) Sections 92 to 95 have effect for the purpose of supplementing subsections (1) to (5) above.

## **92 Qualifying amounts and matching**

- (1) If section 87 applies to a settlement for the year 1992-93 or a subsequent year of assessment the settlement shall have a qualifying amount for the year, and the amount shall be the amount computed for the settlement in respect of the year concerned under section 87(2).
- (2) The settlement shall continue to have the same qualifying amount (if any) for the year 1990-91 or 1991-92 as it had for that year by virtue of paragraph 2 of Schedule 17 to the Finance Act 1991 (subject to subsection (3) below).
- (3) Where—
  - (a) capital payments are made by the trustees of a settlement on or after 6th April 1991, and
  - (b) the payments are made in a year or years of assessment for which section 87 applies to the settlement or in circumstances where section 89(2) treats chargeable gains as accruing in respect of the payments,
 the payments shall be matched with qualifying amounts of the settlement for the year 1990-91 and subsequent years of assessment (so far as the amounts are not already matched with payments by virtue of this subsection).
- (4) In applying subsection (3) above—
  - (a) earlier payments shall be matched with earlier amounts;
  - (b) payments shall be carried forward to be matched with future amounts (so far as not matched with past amounts);

---

*Status: This is the original version (as it was originally enacted).*

---

- (c) a payment which is less than an unmatched amount (or part) shall be matched to the extent of the payment;
  - (d) a payment which is more than an unmatched amount (or part) shall be matched, as to the excess, with other unmatched amounts.
- (5) Where part only of a capital payment is taxable, the part which is not taxable shall not fall to be matched until taxable parts of other capital payments (if any) made in the same year of assessment have been matched; and subsections (3) and (4) above shall have effect accordingly.
- (6) For the purposes of subsection (5) above a part of a capital payment is taxable if the part results in chargeable gains accruing under section 87 or 89(2).

### **93 Matching: special cases**

- (1) Subsection (2) or (3) below applies (if the case permits) where—
- (a) a capital payment is made by the trustees of a settlement on or after 6th April 1992,
  - (b) the payment is made in a year of assessment for which section 87 applies to the settlement or in circumstances where section 89(2) treats chargeable gains as accruing in respect of the payment, and
  - (c) a beneficiary is charged to tax in respect of the payment by virtue of section 87 or 89(2).
- (2) If the whole payment is matched with qualifying amounts of the settlement for different years of assessment, each falling at some time before that immediately preceding the one in which the payment is made, then—
- (a) the capital payment (“the main payment”) shall be treated as being as many payments (“subsidiary payments”) as there are qualifying amounts,
  - (b) a qualifying amount shall be attributed to each subsidiary payment and each payment shall be quantified accordingly, and
  - (c) the tax in respect of the main payment shall be divided up and attributed to the subsidiary payments on the basis of a just and reasonable apportionment, and section 91 shall apply in the case of each subsidiary payment, the qualifying amount attributed to it and the tax attributed to it.
- (3) If part of the payment is matched with a qualifying amount of the settlement for a year of assessment falling at some time before that immediately preceding the one in which the payment is made, or with qualifying amounts of the settlement for different years of assessment each so falling, then—
- (a) only tax in respect of so much of the payment as is so matched shall be taken into account, and references below to the tax shall be construed accordingly,
  - (b) the capital payment shall be divided into 2, the first part representing so much as is matched as mentioned above and the second so much as is not,
  - (c) the second part shall be ignored, and
  - (d) the first part shall be treated as a capital payment, the whole of which is matched with the qualifying amount or amounts mentioned above, and the whole of which is charged to the tax,
- and section 91, or that section and subsections (1) and (2) above (as the case may be), shall apply in the case of the capital payment arrived at under this subsection, the qualifying amount or amounts, and the tax.

---

*Status: This is the original version (as it was originally enacted).*

---

- (4) Section 91 and subsections (1) to (3) above shall apply (with appropriate modifications) where a payment or part of a payment is to any extent matched with part of an amount.

#### **94 Transfers of settled property where qualifying amounts not wholly matched**

- (1) This section applies if—
- (a) in the year 1990-91 or a subsequent year of assessment the trustees of a settlement (“the transferor settlement”) transfer all or part of the settled property to the trustees of another settlement (“the transferee settlement”), and
  - (b) looking at the state of affairs at the end of the year of assessment in which the transfer is made, there is a qualifying amount of the transferor settlement for a particular year of assessment (“the year concerned”) and the amount is not (or not wholly) matched with capital payments.
- (2) If the whole of the settled property is transferred—
- (a) the transferor settlement’s qualifying amount for the year concerned shall be treated as reduced by so much of it as is not matched, and
  - (b) so much of that amount as is not matched shall be treated as (or as an addition to) the transferee settlement’s qualifying amount for the year concerned.
- (3) If part of the settled property is transferred—
- (a) so much of the transferor settlement’s qualifying amount for the year concerned as is not matched shall be apportioned on such basis as is just and reasonable, part being attributed to the transferred property and part to the property not transferred,
  - (b) the transferor settlement’s qualifying amount for the year concerned shall be treated as reduced by the part attributed to the transferred property, and
  - (c) that part shall be treated as (or as an addition to) the transferee settlement’s qualifying amount for the year concerned.
- (4) If the transferee settlement did not in fact exist in the year concerned, it shall be treated as having been made at the beginning of that year.
- (5) If the transferee settlement did in fact exist in the year concerned, this section shall apply whether or not section 87 applies to the settlement for that year or for any year of assessment falling before that year.

#### **95 Matching after transfer**

- (1) This section applies as regards the transferee settlement in a case where section 94 applies.
- (2) Matching shall be made under section 92 by reference to the state of affairs existing immediately before the beginning of the year of assessment in which the transfer is made, and the transfer shall not affect matching so made.
- (3) Subject to subsection (2) above, payments shall be matched with amounts in accordance with section 92 and by reference to amounts arrived at under section 94.

## 96 Payments by and to companies

- (1) Where a capital payment is received from a qualifying company which is controlled by the trustees of a settlement at the time it is received, for the purposes of sections 87 to 90 it shall be treated as received from the trustees.
- (2) Where a capital payment is received from the trustees of a settlement (or treated as so received by virtue of subsection (1) above) and it is received by a non-resident qualifying company, the rules in subsections (3) to (6) below shall apply for the purposes of sections 87 to 90.

(7) In sections 87 to 96 and in the preceding provisions of this section—

“settlement” and “settlor” have the meaning given by section 681(4) of the Taxes Act and “settlor” includes, in the case of a settlement arising under a will or intestacy, the testator or intestate, and
