  - (c) the date or dates on which that payment or those payments are to be made.
- (3) In making any determination for the purposes of paragraph (b) of subsection (2), the amount or, as the case may be, the aggregate of the amounts mentioned in that paragraph shall be such as to include—
- (a) a sum equal to the capital value determined under paragraph (a) of that subsection; and
  - (b) interest, payable at such rate as may be determined by the Minister, on so much (if any) of that sum as may from time to time be outstanding after the beginning of the financial year mentioned in the said paragraph (a).
- (4) For the purposes of this section, the capital value mentioned in paragraph (a) of subsection (2) shall either—

payments by way of adjustment, of an amount equal in the aggregate to the amount of the required adjustment, shall instead be made by the Minister to the persons administering the scheme or, as the case may require, by those persons to the Minister, before the expiration of the period of six months beginning with the date on which the amount of the required adjustment is determined.
- (10) The Minister may give a direction to the persons administering a B.R. pension scheme requiring them to furnish to him—

and the following provisions of this section (and sections 52C and 52D) shall apply in relation to any such section of a new scheme as if any reference to a guaranteed pension scheme included a reference to such a section.

- (3) For the purposes of this section, a “substitution order” is an order under this section the effect of which is—
- (a) to terminate, from the termination date, the Minister’s liability to make to the persons administering the guaranteed pension scheme in question payments under section 52(1) in relation to the scheme; and
  - (b) to impose on the Minister, in substitution for that liability, an obligation to make to those persons, subject to and in accordance with the following provisions of this section, one or more other payments (the “substitution payments”) in relation to that scheme.
- (4) Subject to the following provisions of this section, the amount of the substitution payments to be made in the case of a guaranteed pension scheme shall be equal in the aggregate to the sum of—

  - (b) the aggregate amount of any interest which is dealt with as mentioned in subsection (8)(b)(ii) in the case of the scheme.
- (5) A substitution order must specify—

  - (b) the date which, for the purposes of this section, is to be the termination date in relation to that scheme, being a date not earlier than one month after the coming into force of the substitution order.
- (6) Any determination for the purposes of this section of the capital value of the unfunded obligations in the case of a guaranteed pension scheme shall either—
- (a) be made by the Minister; or
  - (b) if the Minister so requires in the particular case, be made by the actuary to the guaranteed pension scheme in question and approved by the Minister.
- (7) A substitution order may specify—
- (a) the amount or amounts, or the method of determining the amount or amounts, of the substitution payments,
  - (b) the date or dates on which the substitution payments are to be made,
  - (c) circumstances (which may, if the Minister so desires, be defined by reference to the opinion of any person) in which substitution payments are to be made,

  - (i) to be paid to the persons administering the guaranteed pension scheme in question, or
  - (ii) to be added to the outstanding balance of the capital value, (or to be dealt with partly in one of those ways and partly in the other);

and the provision that may be made by virtue of paragraph (a) includes provision for the rate of interest to be calculated by reference to any variable or to be such rate as the Minister may from time to time determine and specify in a notice to the persons administering the scheme in question.

- (12) In this section—
  - “the capital value of the unfunded obligations”, in the case of any guaranteed pension scheme, means such amount as is, in the opinion of the person determining that capital value pursuant to subsection (6), the capital equivalent of the payments that would, apart from this section, have been expected to be made by the Minister under section 52(1) in relation to that scheme after the termination date in the case of that scheme;
  - “occupational pension scheme” means an occupational pension scheme as defined in section 1 of the Pension Schemes Act 1993;
  - “the terminal period”, in the case of any guaranteed pension scheme, means—

### **52C Adjustments arising in connection with orders under s.52B.**

- (5) Where, in the case of a guaranteed pension scheme, the funding of the relevant pension obligations has, by virtue of subsection (3) of section 54, been left out of account in making a determination under subsection (1) of that section, the termination year amount in the case of that scheme shall be the difference between—
  - (a) what that amount would have been, apart from this subsection; and
  - (b) the amount of any income accruing for the terminal period which may be applied towards the payment of such of the pensions, increases and expenses payable under or incurred in connection with the scheme as correspond to those obligations.

  - (5) Any order under section 52B may make different provision for different cases or for different classes or descriptions of case.
  - (6) It shall be the duty of any person to whom a direction is given under section 52A or 52C to comply with and give effect to that direction; and compliance with any such direction shall be enforceable by civil proceedings by the Minister for an injunction or interdict or for any other appropriate relief.

- 10 (1) The Secretary of State may by order designate—
- (a) any occupational pension scheme which would not, apart from this paragraph, be included among the pension schemes which are B.R. pension schemes for the purposes of Part III of the 1980 Act, or
  - (b) any section of an occupational pension scheme, being a section which would not, apart from this paragraph, be included among those schemes,
- as a pension scheme which is to be treated as included among those schemes for the purpose of requiring or enabling him to make to the persons administering the scheme payments under section 52(1), 52A, 52B or 52C of that Act in respect of qualifying pension rights transferred (whether under paragraph 4 above or otherwise) so as to become pension rights under that scheme.
- (2) An order under sub-paragraph (1) above may make provision, in any case where qualifying pension rights of any persons are, or are to be, transferred as mentioned in that sub-paragraph, for treating those persons as constituting a section of the occupational pension scheme to which those qualifying pension rights are, or are to be, so transferred.
  - (3) No order shall be made under sub-paragraph (1) above except after consultation with the trustees of the occupational pension scheme to which the qualifying pension rights are, or are to be, transferred.

*Status: This is the original version (as it was originally enacted).*

---

- (4) Subject to the following provisions of this paragraph, Part III of the 1980 Act shall have effect as if any reference in that Part to a B.R. pension scheme included a reference to a designated scheme.
- (5) Where qualifying pension rights are transferred to a designated scheme as mentioned in sub-paragraph (1) above, the proportion referred to in section 52(1)(a) of the 1980 Act in its application by virtue of this paragraph in relation to the designated scheme shall, instead of being determined under section 54 of that Act, be taken to be the proportion which has been determined under that section in relation to the B.R. pension scheme from which the qualifying pension rights are transferred; and references in Part III of that Act to that proportion shall be construed accordingly.
- (6) In the application of Part III of the 1980 Act in relation to a designated scheme, references in that Part to “the relevant pension obligations” shall, in relation to the designated scheme, be construed—
- (a) as if the reference in section 53(1)(a) of that Act to obligations of the Board which were owed on 1st January 1975 in connection with the scheme were a reference to so much of the obligations of the Board which were owed on that date in connection with a B.R. pension scheme as are obligations in respect of qualifying pension rights transferred to the designated scheme; and
  - (b) as if the reference in section 53(1)(c) of that Act to an obligation of the Board arising after that date to pay or secure the payment of increases payable under the scheme included a reference to so much of any such obligation of the Board in respect of a B.R. pension scheme as is an obligation in respect of qualifying pension rights transferred to the designated scheme.
- (7) In the application of section 55 of the 1980 Act in relation to a designated scheme, paragraph (a) of subsection (1) (which requires the proportion of the scheme’s outgoings which corresponds to the relevant pension obligations to be determined before the beginning of each financial year or, in the case of the first financial year, as soon as practicable after the passing of that Act) shall be taken to require the proportion mentioned in that paragraph to be determined—
- (a) before the beginning of the financial year in question, or
  - (b) as soon as practicable after the coming into force of the order under sub-paragraph (1) above by virtue of which the scheme in question is a designated scheme,
- and paragraph (b) of that subsection shall be construed accordingly.
- (8) The power to give a direction under section 57 of the 1980 Act (which provides for certain determinations to be made as if no transfer had taken place and as if no payment representing the pension rights in question had been made) shall be exercisable in any case where the whole or any part of a person’s accrued pension rights under a B.R. pension scheme or a designated scheme are transferred (whether under paragraph 4 above or otherwise) to—
- (a) a designated scheme, or
  - (b) a pension scheme established by the Board,
- as it is in the case of any such transfer as is mentioned in that section.
- (9) Without prejudice to sub-paragraph (8) above, where in any financial year the whole or any part of a person’s accrued pension rights under a B.R. pension scheme are transferred to a designated scheme, it shall be assumed, for the purposes of any determination of the aggregate amount of the pensions, increases and expenses

payable under or incurred in connection with the B.R. pension scheme in that financial year, that the payment of any sum representing those pension rights had not been made.

- (10) Without prejudice to section 59(1) of the 1980 Act (which provides that the making of payments under section 52(1) does not discharge certain relevant pension obligations), the making of any payment under section 52(1) of the 1980 Act to the persons administering a designated scheme shall not discharge any relevant pension obligation, so far as it is an obligation to pay pensions or increases of pensions under that or any other designated scheme, or under a B.R. pension scheme, or is an obligation to secure the payment of those pensions or increases.
- (11) Without prejudice to section 59(2) of the 1980 Act (power to amend pension scheme for certain purposes), if the persons administering an occupational pension scheme would not otherwise have power to do so, they may amend the scheme by instrument in writing for the purpose of enabling persons to be admitted as members of the scheme on the basis that payments will fall to be made under Part III of the 1980 Act in respect of qualifying pension rights of theirs which are transferred so as to become pension rights under the scheme.
- (12) Where the persons administering an occupational pension scheme have power, apart from sub-paragraph (11) above, to amend the scheme for the purpose mentioned in that sub-paragraph, they may exercise that power for that purpose without regard to any limitations on the exercise of the power and without compliance with any procedural provisions applicable to its exercise.
- (13) Any reference in Part III of the 1980 Act to a “financial year” shall, in relation to a designated scheme, be taken as a reference—
  - (a) to such period as—
    - (i) begins with the transfer of the qualifying pension rights in question, and
    - (ii) ends with the last day of an accounting year of the scheme, and is a period of not less than twelve months and less than two years; and
  - (b) to each successive accounting year of that scheme.
- (14) Where any provision of Part III of the 1980 Act requires anything to be done in, or in relation to, the first financial year of a B.R. pension scheme, that provision shall (so far as so requiring) be disregarded in the application of that Part in relation to a designated scheme.
- (15) In any case where—
  - (a) the whole or any part of a person’s accrued pension rights under a B.R. pension scheme are transferred so as to become pension rights under a designated scheme, and
  - (b) immediately before that transfer takes effect, relevant pension obligations a proportion of which, as determined for the purposes of section 52(1)(a) of the 1980 Act, has not been funded are owed in respect of those pension rights by the Board to the persons administering the pension scheme from which the pension rights are so transferred,

an order under sub-paragraph (1) above may provide for the benefit of that proportion of so much of those relevant pension obligations as are owed in respect of those pension rights to be transferred, so as to become relevant pension obligations owed

by the Board to the persons administering the pension scheme to which the pension rights are transferred.

(16) Where the benefit of any relevant pension obligations is transferred by virtue of sub-paragraph (15) above, the persons administering the pension scheme to which the benefit of those obligations is transferred shall have, in relation to the relevant pension obligations the benefit of which is so transferred, all the rights of the persons administering the pension scheme from which the benefit of those obligations is transferred.

(17) In this paragraph—

“the 1980 Act” means the Transport Act 1980;

“designated scheme” means an occupational pension scheme or, as the case may be, a section of any such scheme, which is designated under sub-paragraph (1) above;

“pension scheme” includes a section of a pension scheme;

“qualifying pension rights” means any pension rights as respects the whole or some part of which there are subsisting relevant pension obligations a proportion of which, as determined for the purposes of section 52(1)(a) of the 1980 Act, has not been funded;

and, subject to that, expressions used in this paragraph and in Part III of the 1980 Act have the same meaning in this paragraph as they have in that Part.

  - (b) the rules of the scheme prevent any member of the scheme from being a participant in the scheme.
- (4) A new scheme satisfies the conditions in this sub-paragraph if—

- (5) Classes or descriptions of person may be prescribed whose membership of, or participation in, a new scheme is to be disregarded for the purpose of determining whether the new scheme satisfies the conditions in sub-paragraph (3) or (4) above.
- (6) The power to give a guarantee under sub-paragraph (1)(b) above becomes exercisable in the case of any new scheme if the Secretary of State is of the opinion that it is desirable to give such a guarantee for the purpose of ensuring that the trustees of the scheme are, or will be, able to meet their liabilities to make payments in respect of pension rights under the scheme as those liabilities fall to be met.
- (7) The Secretary of State shall consider any representations made by the trustees of a new scheme which satisfies the conditions in sub-paragraph (4) above concerning their ability to meet their liabilities to make payments in respect of pension rights under the scheme.
- (8) Any guarantee under this paragraph shall be given in such manner, and on such terms and conditions, as the Secretary of State may, after consultation with the trustees of, and the actuary to, the scheme in question, think fit; and, without prejudice to the generality of the foregoing provisions of this sub-paragraph, the terms and conditions on which a guarantee under this paragraph may be given include terms and conditions—

    - (i) the policy to be followed in relation to the investment of assets held for the purposes of the scheme; and
    - (ii) the distribution of any surplus which may arise under the scheme; or
  - (c) requiring or precluding, or otherwise with respect to, amendment of the rules of the scheme;
- and the sub-paragraphs of paragraphs (a) and (b) above are without prejudice to the generality of the preceding provisions of the paragraph in question.
- (9) Any sums required by the Secretary of State to fulfil a guarantee given under this section shall be paid out of money provided by Parliament.
- (10) In this paragraph—
- “closed scheme” means a pension scheme—
    - (a) to which no new members are to be admitted; but
    - (b) under which pensions and other benefits continue to be provided;
  - “deferred pensioner”, in the case of any pension scheme, means a person who has pension rights under the scheme but who (so far as relating to those
