as the case may be.

- (5) Without prejudice to the generality of sub-paragraph (4) above, where a power conferred by an Act is expressed to be exercisable in relation to enactments contained in Acts passed before or in the same Session as the Act conferring the power, the power is also exercisable in relation to provisions of this Act which reproduce such enactments.

*General saving for old transitional provisions and savings*

- 2       The repeal (or revocation) by this Act of any transitional provision or saving relating to the coming into force of a provision reproduced in this Act does not affect the operation of the transitional provision or saving in so far as it is not specifically reproduced in this Act but remains capable of having effect in relation to the corresponding provision of this Act or otherwise.
- 3       The repeal by this Act of an enactment previously repealed subject to savings does not affect the continued operation of those savings.

*Use of existing forms, etc.*

- 4       Any reference to an enactment repealed (or revoked) by this Act which is contained in a document made, served or issued on or after the commencement of that repeal (or revocation) shall be construed, except so far as a contrary intention appears, as a reference or, as the context may require, as including a reference to the corresponding provision of this Act.
