PART I

ADMINISTRATION

1 Planning authorities

- (1) The planning authority for the purposes of this Act shall be the local authority and the district of the planning authority shall be the area of the local authority.
- (2) In any enactment or instrument made under or by virtue of an enactment, a reference to a planning authority shall, unless otherwise provided, or unless the context otherwise requires, be construed as a reference to a local authority.

2 Enterprise zones

- (1) An order under paragraph 5 of Schedule 32 to the Local Government, Planning and Land Act 1980 (designation of enterprise zone) may provide that the enterprise zone authority shall be the planning authority for the zone for such purposes of the planning Acts and in relation to such kinds of development as may be specified in the order.

- (2) Without prejudice to the generality of paragraph 15(1) of that Schedule (modification of orders by the Secretary of State), an order under that paragraph may provide that the enterprise zone authority shall be the planning authority for the zone for different purposes of the planning Acts or in relation to different kinds of development.
- (3) Where such provision as is mentioned in subsection (1) or (2) is made by an order designating an enterprise zone or, as the case may be, an order modifying such an order, while the zone subsists the enterprise zone authority shall be, to the extent mentioned in the order (as it has effect subject to any such modifications) and to the extent that it is not already, the planning authority for the zone in place of any authority who would otherwise be the planning authority for the zone.
- (4) The Secretary of State may by regulations make transitional and supplementary provision in relation to a provision of an order under paragraph 5 of that Schedule made by virtue of subsection (1).
- (5) Such regulations may modify any provision of the planning Acts or any instrument made under any of them or may apply any such enactment or instrument (with or without modification) in making such transitional or supplementary provision.

- (2) Where an order under subsection (8)(a) of that section confers any functions on an urban development corporation in relation to any area the corporation shall have those functions in place of any authority (except the Secretary of State) who would otherwise have them in that area.

PART II

- (1) It shall be the duty of the planning authority to keep under review the matters which may be expected to affect the development of their district or the planning of its development.
- (2) A planning authority may, if they think fit, institute a survey, examining the matters referred to in subsection (1), of the whole or any part of their district, and references in subsection (3) to the district of a planning authority shall be construed as including any part of that district which is the subject of a survey under this subsection.

- (3) Without prejudice to the generality of subsections (1) and (2), the matters to be kept under review and examined under those subsections shall include—

 - (c) without prejudice to paragraph (a), the communications, transport system and traffic of that district and, so far as they may be expected to affect that district, of any neighbouring districts;
 - (d) any considerations not mentioned in paragraphs (a), (b) or (c) which may be expected to affect any matters so mentioned;
 - (e) such other matters as may be prescribed;
 - (f) any changes already projected in any of the matters mentioned in any of the previous paragraphs and the effect which those changes are likely to have on the development of that district or the planning of such development.
- (4) A planning authority shall, for the purpose of discharging their functions under this section of keeping under review and examining any matters relating to the district of another planning authority, consult that other authority about those matters.

- (a) consider any objections to the plan or proposals so far as made in accordance with regulations,
 - (b) give any person who made such an objection and has not withdrawn it an opportunity of appearing before and being heard by a person appointed by him for the purpose, and
 - (c) if a local inquiry or other hearing is held, also give such an opportunity to the planning authority and such other persons as he thinks fit,
- but if a local inquiry or other hearing into the objections has already been held by the authority he need not cause any other inquiry or hearing to be held.
- (4) In considering the plan or proposals the Secretary of State may consult or consider the views of any planning authority or any other person; but he need not do so, or give an opportunity for the making of representations or objections, or cause a local inquiry or other hearing to be held, unless required to do so by subsection (3).

 - (b) if they decide that planning permission should be granted subject to the same conditions as those subject to which the previous permission was granted, they shall refuse the application.

- (3) Special provision may be made with respect to such applications—

(3) The conditions mentioned in subsection (2)(a) are—

- (a) that the land has become incapable of reasonably beneficial use in its existing state,
- (b) in a case where planning permission was granted subject to conditions or was modified by the imposition of conditions, that the land cannot be rendered capable of reasonably beneficial use by the carrying out of the permitted development in accordance with those conditions, and
- (c) in any case, that the land cannot be rendered capable of reasonably beneficial use by the carrying out of any other development for which planning permission has been granted or for which the planning authority or the Secretary of State has undertaken to grant planning permission.

(4) The conditions mentioned in subsection (2)(b) are—

- (a) that by reason of the order the land is incapable of reasonably beneficial use in its existing state, and
- (b) that it cannot be rendered capable of reasonably beneficial use by the carrying out of any development for which planning permission has been granted, whether by that order or otherwise.

- (a) until the expiration of 3 months beginning with the date of the service of the repairs notice, and

 - (ii) in any other case, when the order is withdrawn or the Secretary of State decides not to confirm it.
- (8) No purchase notice shall be served in respect of an interest in land while the land is incapable of reasonably beneficial use by reason only of such an order as is mentioned in subsection (1)(c), except by virtue of a claim under subsection (2)(b).

89 Circumstances in which land incapable of reasonably beneficial use

Where, for the purpose of determining whether the conditions specified in section 88(3) or (4) are satisfied in relation to any land, any question arises as to what is or would in any particular circumstances be a reasonably beneficial use of that land, then, in determining that question for that purpose, no account shall be taken of any prospective development other than any development specified in paragraph 1 or 2 of Schedule 11.

Duties of authorities on service of purchase notice

90 Action by planning authority on whom purchase notice is served

 - (b) that another local authority or statutory undertakers specified in the response notice have agreed to comply with it in their place, or
 - (c) that for reasons so specified the planning authority are not willing to comply with the purchase notice and have not found any other local authority or statutory undertakers who will agree to comply with it in their place, and that they have sent the Secretary of State a copy of the purchase notice and of the response notice.

Status: This is the original version (as it was originally enacted).

- (2) A response notice must be served before the end of the period of 3 months beginning with the date of service of the purchase notice.
- (3) Where the planning authority on whom a purchase notice is served by an owner or lessee have served a response notice on him in accordance with subsection (1)(a) or (b), the planning authority or, as the case may be, the other local authority or statutory undertakers specified in the response notice shall be deemed—

 - (b) to have served a notice to treat in respect of it on the date of service of the response notice.
- (4) Where the planning authority propose to serve such a response notice as is mentioned in subsection (1)(c), they must first send the Secretary of State a copy—
 - (a) of the proposed response notice, and
 - (b) of the purchase notice.
- (5) Where the planning authority on whom a purchase notice is served by an owner or lessee do not serve a response notice on him before the end of the period mentioned in subsection (2)—
 - (a) the purchase notice shall be deemed to be confirmed at the end of that period, and
 - (b) subsection (3) shall apply as if the authority had served a response notice on him on the last day of that period.
- (6) A notice to treat which is deemed to have been served by virtue of subsection (3)(b) or (5)(b) may not be withdrawn under section 39 of the Land Compensation (Scotland) Act 1963.

91 Procedure on reference of purchase notice to Secretary of State

- (1) Where a copy of a purchase notice is sent to the Secretary of State under section 90(4), he shall consider whether to confirm the notice or to take other action under section 92 in respect of it.
- (2) Before confirming a purchase notice or taking such other action, the Secretary of State shall give notice of his proposed action—
 - (a) to the person who served the purchase notice,
 - (b) to the planning authority on whom it was served, and
 - (c) if the Secretary of State proposes to substitute any other local authority or statutory undertakers for the planning authority on whom the notice was served, to them.
- (3) A notice under subsection (2) shall specify the period (which must not be less than 28 days from its service) within which any of the persons, authorities or statutory undertakers on whom it is served may require the Secretary of State to give them an opportunity of appearing before, and being heard by, a person appointed by the Secretary of State for the purpose.
- (4) If within that period any of those persons, authorities or statutory undertakers so require, the Secretary of State shall, before he confirms the purchase notice or takes any other action under section 92 in respect of it, give each of them such an opportunity.

Status: This is the original version (as it was originally enacted).

- (5) If, after any of those persons, authorities or statutory undertakers have appeared before and been heard by the appointed person, or the persons, authorities and undertakers concerned have agreed to dispense with a hearing, it appears to the Secretary of State to be expedient to take action under section 92 otherwise than in accordance with the notice given by him, the Secretary of State may take that action accordingly.

92 Action by Secretary of State in relation to purchase notice

- (1) Subject to the following provisions of this section and to section 93(3), if the Secretary of State is satisfied that the conditions specified in subsection (3) or, as the case may be, subsection (4) of section 88 are satisfied in relation to a purchase notice, he shall confirm the notice.
- (2) If it appears to the Secretary of State to be expedient to do so, he may, instead of confirming the purchase notice—
- (a) in the case of a notice served on account of the refusal of planning permission, grant planning permission for the development in question;
 - (b) in the case of a notice served on account of planning permission for development being granted subject to conditions, revoke or amend those conditions so far as appears to him to be required in order to enable the land to be rendered capable of reasonably beneficial use by the carrying out of that development;
 - (c) in the case of a notice served on account of the revocation of planning permission by an order under section 65, cancel the order;
 - (d) in the case of a notice served on account of the modification of planning permission by such an order by the imposition of conditions, revoke or amend those conditions so far as appears to him to be required in order to enable the land to be rendered capable of reasonably beneficial use by the carrying out of the development in respect of which the permission was granted; or
 - (e) in the case of a notice served on account of the making of an order under section 71 or paragraph 1 of Schedule 8, revoke the order or, as the case may be, amend the order so far as appears to him to be required in order to prevent the land from being rendered incapable of reasonably beneficial use by the order.
- (3) If it appears to the Secretary of State that the land, or any part of the land, to which the purchase notice relates could be rendered capable of reasonably beneficial use within a reasonable time by the carrying out of any other development for which planning permission ought to be granted, he may, instead of confirming the purchase notice or, as the case may be, of confirming it so far as it relates to that part of the land, direct that, if an application for planning permission for that development is made, it must be granted.
- (4) If it appears to the Secretary of State to be expedient that another local authority or statutory undertakers should acquire the interest of the owner or lessee for the purpose of any of their functions, he may, if he confirms the notice, modify it, in relation to either the whole or any part of the land to which the purchase notice relates, by substituting another local authority or statutory undertakers for the planning authority on whom the notice was served.
- (5) Any reference in section 91 to the taking of action by the Secretary of State under this section includes a reference to the taking by him of a decision not to confirm

the purchase notice either on the grounds that any of the conditions referred to in subsection (1) are not satisfied or by virtue of section 93.

93 Power to refuse to confirm purchase notice where land has restricted use by virtue of previous planning permission

- (1) This section applies where a purchase notice is served in respect of land which consists in whole or in part of land which has a restricted use by virtue of an existing planning permission.
- (2) For the purposes of this section, land is to be treated as having a restricted use by virtue of an existing planning permission if it is part of a larger area in respect of which planning permission has previously been granted (and has not been revoked) and either—
 - (a) it remains a condition of the planning permission (however expressed) that that part shall remain undeveloped or be preserved or laid out in a particular way as amenity land in relation to the remainder, or
 - (b) the planning permission was granted on an application which contemplated (expressly or by necessary implication) that the part should not be comprised in the development for which planning permission was sought, or should be preserved or laid out as mentioned in paragraph (a).
- (3) Where a copy of the purchase notice is sent to the Secretary of State under section 90(4), although satisfied that the land has become incapable of reasonably beneficial use in its existing state, he need not confirm the notice under section 92(1) if it appears to him that the land having a restricted use by virtue of an existing planning permission ought, in accordance with that permission, to remain undeveloped or, as the case may be, remain or be preserved or laid out as amenity land in relation to the remainder of the large area for which that planning permission was granted.

94 Effect of Secretary of State's action in relation to purchase notice

- (1) Where the Secretary of State confirms a purchase notice—
 - (a) the planning authority on whom the purchase notice was served, or
 - (b) if under section 92(4) the Secretary of State modified the purchase notice by substituting another local authority or statutory undertakers for that planning authority, that other authority or those undertakers,shall be deemed to be authorised to acquire the interest of the owner or lessee compulsorily in accordance with the relevant provisions, and to have served a notice to treat in respect of it on such date as the Secretary of State may direct.
- (2) If, before the end of the relevant period, the Secretary of State has neither—
 - (a) confirmed the purchase notice, nor
 - (b) taken any such action in respect of it as is mentioned in section 92(2) or (3), nor
 - (c) notified the owner or lessee by whom the notice was served that he does not propose to confirm the notice,the notice shall be deemed to be confirmed at the end of that period, and the authority on whom the notice was served shall be deemed to be authorised as mentioned in subsection (1) and to have served a notice to treat in respect of the owner's interest at the end of that period.

Status: This is the original version (as it was originally enacted).

- (3) Subject to subsection (4), for the purposes of subsection (2) the relevant period is the period of 6 months beginning with the date on which a copy of the purchase notice was sent to the Secretary of State.
- (4) The relevant period does not run if the Secretary of State has before him at the same time both—
- (a) a copy of the purchase notice sent to him under section 90(4), and
 - (b) a notice of appeal under section 47, 130 or 154 of this Act or under section 18 or 35 of the Planning (Listed Buildings and Conservation Areas) (Scotland) Act 1997 (appeals against refusal of listed building consent, etc. and appeals against listed building enforcement notices) or under section 19 of the Planning (Hazardous Substances) (Scotland) Act 1997 (appeals against decisions and failure to take decisions relating to hazardous substances) relating to any of the land to which the purchase notice relates.
- (5) Where—
- (a) the Secretary of State has notified the owner or lessee by whom a purchase notice has been served of a decision on his part to confirm, or not to confirm, the notice, and
 - (b) that decision is quashed under Part XI,
- the purchase notice shall be treated as cancelled, but the owner or lessee may serve a further purchase notice in its place.
- (6) The reference in subsection (5) to a decision to confirm, or not to confirm, the purchase notice includes—
- (a) any decision not to confirm the notice in respect of any part of the land to which it relates, and
 - (b) any decision to grant any permission, or give any direction, instead of confirming the notice, in respect of any part (or the whole) of the land to which it relates.
- (7) For the purposes of determining whether a further purchase notice under subsection (5) was served within the period prescribed for the service of purchase notices, the planning decision in consequence of which the notice was served shall be treated as having been made on the date on which the decision of the Secretary of State was quashed.
- (8) A notice to treat which is deemed to have been served by virtue of subsection (1) or (2) may not be withdrawn under section 39 of the Land Compensation (Scotland) Act 1963.

Compensation

95 Special provisions as to compensation where purchase notice served

- (1) Where compensation is payable by virtue of section 76 in respect of expenditure incurred in carrying out any work on land, any compensation payable in respect of the acquisition of an interest in the land in pursuance of a purchase notice shall be reduced by an amount equal to the value of those works.
- (2) Where—

Status: This is the original version (as it was originally enacted).

- (a) the Secretary of State directs under section 92(3) that, if an application for it is made, planning permission must be granted for the development of any land, and
 - (b) on a claim made to the planning authority within the prescribed time and in the prescribed manner, it is shown that the permitted development value of the interest in that land in respect of which the purchase notice was served is less than its Schedule 11 value,
- the planning authority shall pay the person entitled to that interest compensation of an amount equal to the difference.
- (3) If the planning permission mentioned in subsection (2)(a) would be granted subject to conditions for regulating the design or external appearance, or the size or height of buildings, or for regulating the number of buildings to be erected on the land, the Secretary of State may direct that in assessing any compensation payable under subsection (2) those conditions must be disregarded, either altogether or to such extent as may be specified in the direction.
 - (4) The Secretary of State may give a direction under subsection (3) only if it appears to him to be reasonable to do so having regard to the local circumstances.
 - (5) Sections 86 and 87 shall have effect in relation to compensation under subsection (2) as they have effect in relation to compensation to which those sections apply.
 - (6) In this section—
 - “permitted development value”, in relation to an interest in land in respect of which a direction is given under section 92(3), means the value of that interest calculated with regard to that direction, but on the assumption that no planning permission would be granted otherwise than in accordance with that direction, and
 - “Schedule 11 value”, in relation to such an interest, means the value of that interest calculated on the assumption that planning permission would be granted—
 - (a) subject to the conditions set out in Schedule 12, for any development of a class specified in paragraph 1 of Schedule 11, and
 - (b) for any development of a class specified in paragraph 2 of Schedule 11.
 - (7) Where a purchase notice in respect of an interest in land is served in consequence of an order under section 71 or paragraph 1 of Schedule 8, then if—

Status: This is the original version (as it was originally enacted).

- (b) the claimant has such an interest in other agricultural land (“the unaffected area”) comprised in the same agricultural unit as that to which the notice relates.
- (2) Where this section applies the claimant may serve on the acquiring authority a counter-notice—

 - (b) requiring the acquiring authority to purchase his interest in the whole of the unaffected area.
- (3) Subject to subsection (4), “other relevant land” in subsection (2) means—
- (a) land which is comprised in the same agricultural unit as the land to which the notice to treat relates and in which the claimant does not have such an interest as is mentioned in subsection (1), and
 - (b) land which is comprised in any other agricultural unit occupied by the claimant on the date on which the notice to treat is deemed to have been served and in respect of which he is then entitled to a greater interest than as tenant for a year or from year to year.
- (4) Where a notice to treat has been served or is deemed under this Chapter or Schedule 15 to have been served in respect of any of the unaffected area or in respect of other relevant land as defined in subsection (3), then, unless and until the notice to treat is withdrawn, this section and section 97 shall have effect as if that land did not form part of the unaffected land or, as the case may be, did not constitute other relevant land.
- (5) Where a counter-notice is served under subsection (2) the claimant shall also serve a copy of it on any other person who has an interest in the unaffected area (but failure to comply with this subsection shall not invalidate the counter-notice).
- (6) A counter-notice under subsection (2) and any copy of that notice required to be served under subsection (5) must be served within the period of 2 months beginning with the date on which the notice to treat is deemed to have been served.
- (7) This section is without prejudice to the rights conferred by sections 91 and 92 of the Lands Clauses Consolidation (Scotland) Act 1845 (provisions as to divided land).

97 Effect of counter-notice under section 96

- (1) If the acquiring authority do not within the period of 2 months beginning with the date of service of a counter-notice under section 96 agree in writing to accept the counter-notice as valid, the claimant or the authority may, within 2 months after the end of that period, refer it to the Lands Tribunal.
- (2) On such a reference the Lands Tribunal shall determine whether the claim in the counter-notice is justified and declare the counter-notice valid or invalid accordingly.
- (3) Where a counter-notice is accepted as valid under subsection (1) or declared to be valid under subsection (2), the acquiring authority shall be deemed—
 - (a) to be authorised to acquire compulsorily the interest of the claimant in the land to which the requirement in the counter-notice relates under the same provision of this Chapter as they are authorised to acquire the other land in the agricultural unit in question, and

Status: This is the original version (as it was originally enacted).

- (b) to have served a notice to treat in respect of that land on the date on which notice to treat is deemed to have been served under that provision.
- (4) A claimant may withdraw a counter-notice at any time before the compensation payable in respect of a compulsory acquisition in pursuance of the counter-notice has been determined by the Lands Tribunal or at any time before the end of 6 weeks beginning with the date on which it is determined.
- (5) Where a counter-notice is withdrawn by virtue of subsection (4) any notice to treat deemed to have been served in consequence of it shall be deemed to have been withdrawn.
- (6) Without prejudice to subsection (5), a notice to treat deemed to have been served by virtue of this section may not be withdrawn under section 39 of the Land Compensation (Scotland) Act 1963.
- (7) The compensation payable in respect of the acquisition of an interest in land in pursuance of a notice to treat deemed to have been served by virtue of this section shall be assessed on the assumptions mentioned in section 5(2), (3) and (4) of the Land Compensation (Scotland) Act 1973.
- (8) Where by virtue of this section the acquiring authority become or will become entitled to a lease of any land but not to the interest of the lessor—
 - (a) the authority shall offer to renounce the lease to the lessor on such terms as the authority consider reasonable,
 - (b) the question of what is reasonable may be referred to the Lands Tribunal by the authority or the lessor and, if at the expiration of the period of 3 months after the date of the offer mentioned in paragraph (a) the authority and the lessor have not agreed on the question and that question has not been referred to the Tribunal by the lessor, it shall be so referred by the authority, and
 - (c) if that question is referred to the Tribunal, the lessor shall be deemed—
 - (i) to have accepted the renunciation of the lease at the expiry of one month after the date of the determination of the Tribunal or on such other date as the Tribunal may direct, and
 - (ii) to have agreed with the authority on the terms of surrender which the Tribunal has held to be reasonable.
- (9) For the purposes of subsection (8) any terms as to renunciation contained in the lease shall be disregarded.
- (10) Where the lessor—
 - (a) refuses to accept any sum payable to him by virtue of subsection (8), or
 - (b) refuses or fails to make out his title to the satisfaction of the acquiring authority,they may pay into the bank within the meaning of section 3 of the Lands Clauses Consolidation (Scotland) Act 1845 any such sum payable to the lessor and sections 75, 76, 77 and 79 of that Act shall apply to that sum with the necessary modifications.
- (11) Where an acquiring authority who become entitled to the lease of any land as mentioned in subsection (8) are a body incorporated by or under any enactment, the corporate powers of the authority shall, if they would not otherwise do so, include the power to farm that land.

98 Provisions supplemental to sections 96 and 97

CHAPTER II

INTERESTS AFFECTED BY PLANNING PROPOSALS: BLIGHT

Preliminary

100 Scope of Chapter II

- (1) This Chapter shall have effect in relation to land falling within any paragraph of Schedule 14 (land affected by planning proposals of public authorities etc.); and in this Chapter such land is referred to as “blighted land”.
- (2) Subject to the provisions of sections 112 and 113, an interest qualifies for protection under this Chapter if—

Status: This is the original version (as it was originally enacted).

- (a) it is an interest in a hereditament or part of a hereditament and on the relevant date it satisfies one of the conditions mentioned in subsection (3), or
 - (b) it is an interest in an agricultural unit or part of an agricultural unit and on the relevant date it is the interest of an owner-occupier of the unit;
- and in this Chapter such an interest is referred to as “a qualifying interest”.
- (3) The conditions mentioned in subsection (2)(a) are—
- (a) that the annual value of the hereditament does not exceed such amount as may be prescribed for the purposes of this paragraph by an order made by the Secretary of State, and the interest is the interest of an owner-occupier of the hereditament, or
 - (b) that the interest is the interest of a resident owner-occupier of the hereditament.
- (4) The Secretary of State may by regulations substitute for any reference in this Chapter to “annual value” or “hereditament” such other reference as he may consider appropriate; and such regulations may make such supplemental or consequential amendments of this Act or any other enactment whether passed before or after this Act as the Secretary of State thinks fit.
- (5) In this section “the relevant date”, in relation to an interest, means the date of service of a notice under section 101 in respect of it.
- (6) In this Chapter “blight notice” means a notice served under section 101.

Blight notices

101 Notice requiring purchase of blighted land

- (1) Where the whole or part of a hereditament or agricultural unit is comprised in blighted land and a person claims that—
- (a) he is entitled to a qualifying interest in that hereditament or unit,
 - (b) he has made reasonable endeavours to sell that interest or the land falls within paragraph 14 or 15 of Schedule 14 and the powers of compulsory acquisition remain exercisable, and
 - (c) in consequence of the fact that the hereditament or unit or a part of it was, or was likely to be, comprised in blighted land, he has been unable to sell that interest except at a price substantially lower than that for which it might reasonably have been expected to sell if no part of the hereditament or unit were, or were likely to be, comprised in such land,
- he may serve on the appropriate authority a notice in the prescribed form requiring that authority to purchase that interest to the extent specified in, and otherwise in accordance with, this Chapter.
- (2) Subject to subsection (3), subsection (1) shall apply in relation to an interest in part of a hereditament or unit as it applies in relation to an interest in the whole of a hereditament or unit.
- (3) Subsection (2) shall not enable any person—
- (a) if he is entitled to an interest in the whole of a hereditament or agricultural unit, to make any claim or serve any notice under this section in respect of his interest in part of a hereditament or unit, or

Status: This is the original version (as it was originally enacted).

- (b) if he is entitled to an interest only in part of a hereditament or agricultural unit, to make or serve any such claim or notice in respect of his interest in less than the whole of that part.
- (4) In this Chapter—
- (a) subject to section 112(1), “the claimant”, in relation to a blight notice, means the person who served that notice, and
 - (b) any reference to the interest of the claimant, in relation to a blight notice, is a reference to the interest which the notice requires the appropriate authority to purchase as mentioned in subsection (1).
- (5) Where the claimant is a crofter or cottar, this section shall have effect as if—
- (a) in subsection (1)(b) for the word “sell” there were substituted the word “assign”,
 - (b) in subsection (1)(c) for the words from “sell that interest” to “to sell” there were substituted the words “assign his interest except at a price substantially lower than that for which he might reasonably have been expected to assign it”, and
 - (c) in subsections (1) and (4) for the word “purchase” there were substituted the words “take possession of”.

102 Counter-notice objecting to blight notice

- (1) Where a blight notice has been served in respect of a hereditament or an agricultural unit, the appropriate authority may serve on the claimant a counter-notice in the prescribed form objecting to the notice.
- (2) A counter-notice under subsection (1) may be served at any time before the end of the period of 2 months beginning with the date of service of the blight notice.
- (3) Such a counter-notice shall specify the grounds on which the appropriate authority object to the blight notice (being one or more of the grounds specified in subsection (4) or, as relevant, in section 110(1), 112(5) or 113(5)).
- (4) Subject to the following provisions of this section, the grounds on which objection may be made in a counter-notice to a notice served under section 101 are—
 - (a) that no part of the hereditament or agricultural unit to which the notice relates is comprised in blighted land;
 - (b) that the appropriate authority (unless compelled to do so by virtue of this Chapter) do not propose to acquire any part of the hereditament, or in the case of an agricultural unit any part of the affected area, in the exercise of any relevant powers;
 - (c) that the appropriate authority propose in the exercise of relevant powers to acquire a part of the hereditament or, in the case of an agricultural unit, a part of the affected area specified in the counter-notice, but (unless compelled to do so by virtue of this Chapter) do not propose to acquire any other part of that hereditament or area in the exercise of any such powers;
 - (d) in the case of land falling within paragraph 1 or 10 but not 11, 12 or 13 of Schedule 14, that the appropriate authority (unless compelled to do so by virtue of this Chapter) do not propose to acquire in the exercise of any relevant powers any part of the hereditament or, in the case of an agricultural unit, any part of the affected area during the period of 15 years from the date of the

Status: This is the original version (as it was originally enacted).

- counter-notice or such longer period from that date as may be specified in the counter-notice;
- (e) that, on the date of service of the notice under section 101, the claimant was not entitled to an interest in any part of the hereditament or agricultural unit to which the notice relates;
 - (f) that (for reasons specified in the counter-notice) the interest of the claimant is not a qualifying interest;
 - (g) that the conditions specified in paragraphs (b) and (c) of section 101(1) are not fulfilled.
- (5) Where the appropriate enactment confers power to acquire rights in or over land, subsection (4) shall have effect as if—

PART VII

SPECIAL CONTROLS

CHAPTER I

TREES

General duty of planning authorities as respects trees

159 Planning permission to include appropriate provision for preservation and planting of trees

It shall be the duty of the planning authority—

- (a) to ensure, whenever it is appropriate, that in granting planning permission for any development adequate provision is made, by the imposition of conditions, for the preservation or planting of trees, and
- (b) to make such orders under section 160 as appear to the authority to be necessary in connection with the grant of such permission, whether for giving effect to such conditions or otherwise.

Tree preservation orders

160 Power to make tree preservation orders

- (1) If it appears to a planning authority that it is expedient in the interests of amenity to make provision for the preservation of trees or woodlands in their district, they may for that purpose make an order with respect to such trees, groups of trees or woodlands as may be specified in the order.
- (2) An order under subsection (1) is in this Act referred to as a “tree preservation order”.
- (3) A tree preservation order may, in particular, make provision—
- (a) for prohibiting (subject to any exemptions for which provision may be made by the order) the cutting down, topping, lopping, uprooting, wilful damage or wilful destruction of trees except with the consent of the planning authority, and for enabling that authority to give their consent subject to conditions;
 - (b) for securing the replanting, in such manner as may be prescribed by or under the order, of any part of a woodland area which is felled in the course of forestry operations permitted by or under the order;

Status: This is the original version (as it was originally enacted).

- (c) for applying, in relation to any consent under the order, and to applications for such consent, any of the provisions of this Act mentioned in subsection (4), subject to such adaptations and modifications as may be specified in the order.
- (4) The provisions referred to in subsection (3)(c) are—
- (a) the provisions of Part III relating to planning permission and to applications for planning permission, except sections 32, 34, 35, 36(2) and (3), 38, 58 to 62, 69 and 70 and Schedules 6 and 7, and section 65 of the Planning (Listed Buildings and Conservation Areas) (Scotland) Act 1997,

 - (c) section 263.
- (5) A tree preservation order may be made so as to apply, in relation to trees to be planted pursuant to any such conditions as are mentioned in section 159(a), as from the time when those trees are planted.
- (6) Without prejudice to any other exemptions for which provision may be made by a tree preservation order, nothing in such an order shall prohibit the uprooting, felling or lopping of trees if—
- (a) it is urgently necessary in the interests of safety,
 - (b) it is necessary for the prevention or abatement of a nuisance, or
 - (c) it is in compliance with any obligation imposed by or under an Act of Parliament,
- so long as, where paragraph (a) or (b) applies, notice in writing of the proposed operations is given to the planning authority as soon as practicable after the operations become necessary.
- (7) This section shall have effect subject to—
- (a) section 39(2) of the Housing and Planning Act 1986 (saving for effect of section 2(4) of the Opencast Coal Act 1958 on land affected by a tree preservation order despite its repeal), and
 - (b) section 15 of the Forestry Act 1967 (licences under that Act to fell trees comprised in a tree preservation order).

161 Form of and procedure applicable to orders

- (1) Subject to section 163 and 249, a tree preservation order shall not take effect until it is confirmed by the planning authority and the planning authority may confirm any such order either without modification or subject to such modifications as they consider expedient.
- (2) As soon as a tree preservation order is confirmed, the planning authority shall record it in the appropriate Register of Sasines or, as the case may be, register it in the Land Register of Scotland.
- (3) Provision may be made by regulations with respect to—
 - (a) the form of tree preservation orders, and
 - (b) the procedure to be followed in connection with the confirmation of such orders.

- (4) Without prejudice to the generality of subsection (3), the regulations may make provision—
- (a) that, before a tree preservation order is confirmed by the planning authority, notice of the making of the order shall be given to the owners, lessees and occupiers of land affected by the order and to such other persons, if any, as may be specified in the regulations,
 - (b) that objections and representations with respect to the order, if duly made in accordance with the regulations, shall be considered before the order is confirmed by the planning authority, and
 - (c) that copies of the order, when confirmed by the authority, shall be served on such persons as may be specified in the regulations.

162 Orders affecting land where Forestry Commissioners interested

- (1) In relation to land in which the Forestry Commissioners have an interest, a tree preservation order may be made only if—
- (a) there is not in force in respect of the land a plan of operations or other working plan approved by the Commissioners under a forestry dedication agreement, and
 - (b) the Commissioners consent to the making of the order.
- (2) For the purposes of subsection (1), the Forestry Commissioners have an interest in land if—
- (a) they have made a grant or loan under section 1 of the Forestry Act 1979 in respect of it, or
 - (b) there is a forestry dedication agreement in force in respect of it.
- (3) A tree preservation order in respect of such land shall not have effect so as to prohibit, or to require any consent for, the cutting down of a tree in accordance with a plan of operations or other working plan approved by the Forestry Commissioners, and for the time being in force, under a forestry dedication agreement or under the conditions of a grant or loan made under section 1 of the Forestry Act 1979.
- (4) In this section—
- (a) “a forestry dedication agreement” means an agreement entered into with the Commissioners under section 5 of the Forestry Act 1967; and
 - (b) references to provisions of the Forestry Act 1967 and the Forestry Act 1979 include references to any corresponding provisions replaced by those provisions or by earlier corresponding provisions.

163 Provisional tree preservation orders

- (1) If it appears to a planning authority that a tree preservation order proposed to be made by that authority should take effect immediately without previous confirmation, they may include in the order as made by them a direction that this section shall apply to the order.
- (2) Notwithstanding section 161(1), an order which contains such a direction—
- (a) shall take effect provisionally on such date as may be specified in it, and
 - (b) shall continue in force by virtue of this section until—

Status: This is the original version (as it was originally enacted).

- (i) the expiration of a period of 6 months beginning with the date on which the order was made, or
 - (ii) the date on which the order is confirmed,
- whichever first occurs.
- (3) Provision shall be made by regulations for securing that the notices to be given of the making of a tree preservation order containing a direction under this section shall include a statement of the effect of the direction.

164 Power for Secretary of State to make tree preservation orders

- (1) If it appears to the Secretary of State that it is expedient that a tree preservation order, or an order amending or revoking such an order, should be made, he may himself make such an order.
- (2) Such an order made by the Secretary of State shall have the same effect as if it had been made by the planning authority and confirmed by them under this Chapter.
- (3) The Secretary of State shall not make such an order without consulting the planning authority.
- (4) The provisions of this Chapter and of any regulations made under it with respect to the procedure to be followed in connection with the making and confirmation of any order mentioned in subsection (1) and the service of copies of it as confirmed shall have effect, subject to any necessary modifications, in relation to any proposal by the Secretary of State to make such an order by virtue of subsection (1), its making by him and the service of copies of it.

Compensation for loss or damage caused by orders etc.

165 Compensation in respect of tree preservation orders

- (1) A tree preservation order may make provision for the payment by the planning authority, subject to such exceptions and conditions as may be specified in the order, of compensation in respect of loss or damage caused or incurred in consequence of—
 - (a) the refusal of any consent required under the order, or
 - (b) the grant of any such consent subject to conditions.
- (2) Except in so far as may be otherwise provided by section 166(5), any tree preservation order or any regulations made under this Act, any question of disputed compensation under this section shall be referred to and determined by the Lands Tribunal.
- (3) In relation to the determination of any such question, the provisions of sections 9 and 11 of the Land Compensation (Scotland) Act 1963 shall apply subject to any necessary modifications and to the provisions of any regulations made under this Act.

166 Compensation in respect of requirement as to replanting of trees

- (1) This section applies where—
 - (a) a requirement is imposed by the planning authority or the Secretary of State under a tree preservation order for securing the replanting of all or any part of a woodland area which is felled in the course of forestry operations permitted by or under the order, and

Status: This is the original version (as it was originally enacted).

- (b) the Forestry Commissioners decide not to make any grant or loan under section 1 of the Forestry Act 1979 in respect of the replanting by reason that the requirement frustrates the use of the woodland area for the growing of timber or other forest products for commercial purposes and in accordance with the rules or practice of good forestry.
- (2) Where this section applies, the planning authority exercising functions under the tree preservation order shall be liable, on the making of a claim in accordance with this section, to pay compensation in respect of such loss or damage, if any, as is caused or incurred in consequence of compliance with the requirement.
 - (3) The Forestry Commissioners shall, at the request of the person under a duty to comply with such a requirement as is mentioned in subsection (1)(a), give a certificate stating—
 - (a) whether they have decided not to make such a grant or loan as is mentioned in subsection (1)(b), and
 - (b) if so, the grounds for their decision.
 - (4) A claim for compensation under this section must be served on the planning authority—
 - (a) within 12 months from the date on which the requirement was made, or
 - (b) where an application has been made to the Secretary of State for the determination of any question relating to the reasonableness of a requirement, within 12 months from the date of the determination of the Secretary of State, but subject in either case to such extension of that period as the planning authority may allow.
 - (5) Any question of disputed compensation under this section shall be determined in accordance with section 70 of the Countryside (Scotland) Act 1967.

Consequences of tree removal etc.

167 Replacement of trees

- (1) If any tree in respect of which a tree preservation order is for the time being in force—
 - (a) is removed, uprooted or destroyed in contravention of the order, or
 - (b) except in the case of a tree to which the order applies as part of a woodland, is removed, uprooted or destroyed or dies at a time when its felling or uprooting is authorised only by virtue of section 160(6)(a),it shall be the duty of the owner of the land to plant another tree of an appropriate size and species at the same place as soon as he reasonably can.
- (2) The duty imposed by subsection (1) does not apply to an owner if on application by him the planning authority dispense with it.
- (3) In respect of trees in a woodland it shall be sufficient for the purposes of this section to replace the trees removed, uprooted or destroyed by planting the same number of trees—
 - (a) on or near the land on which the trees removed, uprooted or destroyed stood, or
 - (b) on such other land as may be agreed between the planning authority and the owner of the land,

and in such places as may be designated by the planning authority.

- (4) In relation to any tree planted pursuant to this section, the relevant tree preservation order shall apply as it applied to the original tree.
- (5) The duty imposed by subsection (1) on the owner of any land shall attach to the person who is from time to time the owner of the land.

168 Enforcement of duties as to replacement of trees

 - (a) the provisions of section 167, or
 - (b) any conditions of a consent given under a tree preservation order which require the replacement of trees,are not complied with in the case of any tree or trees, the authority may serve on the owner of the land a notice requiring him, within such period as may be specified in the notice, to plant a tree or trees of such size and species as may be so specified.
- (2) A notice under subsection (1) may be served by a planning authority only within 2 years from the date on which the failure to comply with those provisions or conditions came to the knowledge of the authority.

169 Appeal against section 168 notice

 - (b) that in all the circumstances of the case the duty imposed by section 167 should be dispensed with in relation to any tree;
 - (c) that the requirements of the notice are unreasonable in respect of the period or the size or species of trees specified in it;
 - (d) that the planting of a tree or trees in accordance with the notice is not required in the interests of amenity or would be contrary to the practice of good forestry;
 - (e) that the place on which the tree is or trees are required to be planted is unsuitable for that purpose.
- (2) An appeal under subsection (1) may be made either by giving written notice to the Secretary of State before the end of the period specified in accordance with section 168(3), or by sending such notice to him in a properly addressed and prepaid letter posted to him at such time that, in the ordinary course of post, it would be delivered to him before the end of that period.

 - (b) giving such further information as may be so prescribed.
- (4) The Secretary of State may prescribe the procedure to be followed on appeals under this section, and (without prejudice to the generality of the foregoing provisions of this subsection) in so prescribing—
 - (a) may specify the time within which an appellant is to submit a statement under subsection (3) and the matters on which information is to be given in such a statement;
 - (b) may require the planning authority to submit, within such time as may be specified, a statement indicating the submissions which they propose to put forward on the appeal;

- (10) Schedule 4 applies to appeals under this section.

- (1) If, within the period specified in a notice under section 168(1) for compliance with it, or within such extended period as the planning authority may allow, any trees which are required to be planted by a notice under that section have not been planted, the planning authority may—
 - (a) enter the land and plant those trees, and
 - (b) recover from the person who is then the owner or lessee of the land any expenses reasonably incurred by them in doing so.

 - (b) he has not, and since the date of the service on him of the demand for payment has not had, in his hands on behalf of that other person sufficient money to discharge the whole demand of the authority,his liability shall be limited to the total amount of the money which he has or has had in his hands on behalf of that other person.
- (9) A planning authority who by reason of subsection (8) have not recovered the whole of any such expenses from a trustee, tutor, curator, factor or agent may recover any unpaid balance from the person on whose behalf the rent is received.

PART I

REQUIREMENTS RELATING TO DISCONTINUANCE OF MINERAL WORKING

Orders requiring discontinuance of mineral working

- 1 (1) If, having regard to the development plan and to any other material considerations, it appears to a planning authority that it is expedient in the interests of the proper planning of their district (including the interests of amenity)—
- (a) that any use of land for development consisting of the winning and working of minerals or involving the deposit of refuse or waste materials in, on or under the land should be discontinued, or that any conditions should be imposed on the continuance of that use of land,
 - (b) that any buildings or works on land so used should be altered or removed, or
 - (c) that any plant or machinery used for the winning and working of or depositing of minerals should be altered or removed,
- the planning authority may by order require the discontinuance of that use, or impose such conditions as may be specified in the order on the continuance of it or, as the case may be, require such steps as may be so specified to be taken for the alteration or removal of the buildings or works or plant or machinery.
- (2) Subsections (2) to (5) and (7) of section 71 and section 72 apply to orders under this paragraph as they apply to orders under section 71.

 - (b) specified in the order.
- (4) In a case where—
- (a) the use specified in an aftercare condition is a use for agriculture,
 - (b) the land was in use for agriculture immediately before the development began or had previously been used for agriculture and had not been used for any authorised purpose since its use for agriculture ceased, and
 - (c) the planning authority is aware of or can readily ascertain the physical characteristics of the land when it was last used for agriculture,
- the land is brought to the required standard when its physical characteristics are restored, so far as it is practicable to do so, to what they were when it was last used for agriculture.
- (5) In any other case where the use specified in an aftercare condition is a use for agriculture, the land is brought to the required standard when it is reasonably fit for that use.

Prohibition of resumption of mineral working

- 3 (1) Where it appears to the planning authority that development of land consisting of the winning and working of minerals or involving the depositing of mineral waste has occurred, but the winning and working or depositing has permanently ceased, the planning authority may by order—

 - (b) it appears to the planning authority, on the evidence available to them at the time when they make the order, that resumption of the winning and working or the depositing to any substantial extent at the site is unlikely.
- (3) The requirements mentioned in sub-paragraph (1) are—

 - (c) a requirement that any condition subject to which planning permission for the development was granted or which has been imposed by virtue of any provision of this Act shall be complied with, and
 - (d) a restoration condition.
- (4) If—

 - (c) the planning authority is aware of or can readily ascertain the physical characteristics of the land when it was last used for agriculture,
- the land is brought to the required standard when its physical characteristics are restored, so far as it is practicable to do so, to what they were when it was last used for agriculture.
- (7) In any other case where the use specified is a use for agriculture the land is brought to the required standard when it is reasonably fit for that use.

- 1 (1) In this Schedule—
- “dormant site” means a Phase I or Phase II site in, on or under which no minerals development has been carried out to any substantial extent at any time in the period beginning on 22nd February 1982 and ending with 6th June 1995 otherwise than by virtue of a planning permission which is not a relevant planning permission relating to the site;
- “first list”, in relation to a planning authority, means the list prepared by them pursuant to paragraph 3;
- “mineral site” has the meaning given by sub-paragraph (2);

Status: This is the original version (as it was originally enacted).

“old mining permission” has the meaning given by paragraph 10(1) of Schedule 8;

“owner”, in relation to any land, has the meaning given by paragraph 22(1) of Schedule 8;

“Phase I site” and “Phase II site” have the meaning given by paragraph 2;

“relevant planning permission” means any planning permission, other than an old mining permission or a planning permission granted by a development order, granted after 30th June 1948 for minerals development; and

“second list”, in relation to a planning authority, means the list prepared by them pursuant to paragraph 4.

- (2) For the purposes of this Schedule, but subject to sub-paragraph (3), “mineral site” means—
- (a) in a case where it appears to the planning authority to be expedient to treat as a single site the aggregate of the land to which any two or more relevant planning permissions relate, the aggregate of the land to which those permissions relate, and
 - (b) in any other case, the land to which a relevant planning permission relates.
- (3) In determining whether it appears to them to be expedient to treat as a single site the aggregate of the land to which two or more relevant planning permissions relate a planning authority shall have regard to any guidance issued for the purpose by the Secretary of State.
- (4) Any reference (however expressed) in this Schedule to an old mining permission or a relevant planning permission relating to a mineral site is a reference to the mineral site, or some part of it, being the land to which the permission relates; and where any such permission authorises the carrying out of development consisting of the winning and working of minerals but only in respect of any particular mineral or minerals, that permission shall not be taken, for the purposes of this Schedule, as relating to any other mineral in, on or under the land to which the permission relates.
- (5) For the purposes of this Schedule, a mineral site which is a Phase I site or a Phase II site is active if it is not a dormant site.
- (6) For the purposes of this Schedule, working rights are restricted in respect of a mineral site if any of—
- (a) the size of the area which may be used for the winning and working of minerals or the depositing of mineral waste,
 - (b) the depth to which operations for the winning and working of minerals may extend,
 - (c) the height of any deposit of mineral waste,
 - (d) the rate at which any particular mineral may be extracted,
 - (e) the rate at which any particular mineral waste may be deposited,
 - (f) the period at the expiry of which any winning or working of minerals or depositing of mineral waste is to cease, or
 - (g) the total quantity of minerals which may be extracted from, or of mineral waste which may be deposited on, the site,
- is restricted or reduced in respect of the mineral site in question.

Status: This is the original version (as it was originally enacted).

- (7) For the purposes of this Schedule, where an application is made under paragraph 9 for the determination of the conditions to which the relevant planning permissions relating to the mineral site to which the application relates are to be subject, those conditions are finally determined when—
- (a) the proceedings on the application, including any proceedings on or in consequence of an application under section 239, have been determined, and
 - (b) any time for appealing under paragraph 11(1), or applying or further applying under paragraph 9, (where there is a right to do so) has expired.

Phase I and II sites

- 2 (1) This paragraph has effect for the purposes of determining which mineral sites are Phase I sites, which are Phase II sites, and which are neither Phase I nor Phase II sites.
- (2) A mineral site is neither a Phase I site nor a Phase II site where—
- (a) all the relevant planning permissions which relate to the site have been granted after 21st February 1982, or
 - (b) some only of the relevant planning permissions which relate to the site have been granted after 21st February 1982, and the parts of the site to which those permissions relate constitute the greater part of that site.
- (3) With the exception of those mineral sites which, by virtue of sub-paragraph (2), are neither Phase I nor Phase II sites, every mineral site is either a Phase I site or a Phase II site.
- (4) Subject to sub-paragraph (2), where any part of a mineral site is situated within—
- (a) a site in respect of which a notification under section 28 of the Wildlife and Countryside Act 1981 (sites of special scientific interest) is in force,

- that site is a Phase I site.
- (5) Subject to sub-paragraphs (2) and (4), where—
- (a) all the relevant planning permissions which relate to a mineral site, and which were not granted after 21st February 1982, were granted after 7th December 1969, or
 - (b) the parts of a mineral site to which relate such of the relevant planning permissions relating to the site as were granted after 7th December 1969 but before 22nd February 1982 constitute a greater part of the site than is constituted by those parts of the site to which no such relevant planning permission relates but to which a relevant planning permission granted on or before 7th December 1969 does relate,
- the mineral site is a Phase II site.
- (6) Every other mineral site, that is to say any mineral site other than one—
- (a) which is, by virtue of sub-paragraph (2), neither a Phase I nor a Phase II site,
 - (b) which is a Phase I site by virtue of sub-paragraph (4), or
 - (c) which is a Phase II site by virtue of sub-paragraph (5),
- is a Phase I site.

Status: This is the original version (as it was originally enacted).

(7) In ascertaining, for the purposes of sub-paragraph (2) or (5), whether any parts of a mineral site constitute the greater part of that site, or whether a part of a mineral site is greater than any other part, that mineral site shall be treated as not including any part of the site—

- (a) to which an old mining permission relates, or
- (b) which is a part where minerals development has been (but is no longer being) carried out and which has, in the opinion of the planning authority, been satisfactorily restored;

Compensation

- 15 (1) This paragraph applies in a case where—
- (a) an application made under paragraph 9 in respect of an active Phase I or II site is finally determined, and
 - (b) the requirements of either sub-paragraph (2) or (3) are satisfied.
- (2) The requirements of this sub-paragraph are—
- (a) that the conditions to which the relevant planning permissions relating to the site are to be subject were determined by the planning authority,

 - (c) the authority gave notice under paragraph 10(2)(d) and either—

 - (ii) that notice stated that, in the authority’s opinion, the restriction in question would not be such as would so prejudice either of those matters but an appeal under paragraph 11(1) in respect of the giving of the notice has been allowed.
- (3) The requirements of this sub-paragraph are that the conditions to which the relevant planning permissions are to be subject were determined by the Secretary of State (whether upon an appeal under paragraph 11(1)(a) or upon a reference under paragraph 13) and—

Status: This is the original version (as it was originally enacted).

- (ii) the authority gave a notice under paragraph 10(2)(d) stating that, in their opinion, the restriction in question would not be such as would so prejudice either of those matters but an appeal under paragraph 11(1)(b) in respect of the giving of that notice has been allowed,
 - or
 - (b) in a case where those conditions were determined upon a reference under paragraph 13, the Secretary of State gave notice under paragraph 10(2)(d) stating that, in his opinion, the restriction of working rights in question would be such as to prejudice adversely to an unreasonable degree either of the matters referred to in paragraph 10(2)(d)(i) and (ii).
- (4) In a case to which this paragraph applies Parts IV and X of this Act shall have effect as if an order made under section 65 had been confirmed by the Secretary of State under section 66 at the time when the application in question was finally determined and, as so confirmed, had effect to modify those permissions to the extent specified in sub-paragraph (5).
- (5) For the purposes of sub-paragraph (4), the order which is treated by virtue of that sub-paragraph as having been made under section 65 is one whose only effect adverse to the interests of any person having an interest in the land or minerals comprised in the mineral site is to restrict working rights in respect of the site to the same extent as the relevant restriction.
- (6) For the purposes of Schedule 13 and of any regulations made under that Schedule, the permissions treated as being modified by the order mentioned in sub-paragraph (4) shall be treated as if they were planning permissions for development which neither consists of nor includes any minerals development.

- (5) Schedule 4 shall apply to appeals to which this paragraph applies.

Interpretation

- 2 (1) For the purposes of this Schedule—
- “first review date”, in relation to a mining site, shall, subject to paragraph 5, be ascertained in accordance with paragraph 3;
- “mineral permission” means any planning permission, other than a planning permission granted by a development order, for minerals development;
- “mining site” means—
- (a) in a case where it appears to the planning authority to be expedient to treat as a single site the aggregate of the land to which any two or more mineral permissions relate, the aggregate of the land to which those permissions relate; and
- (b) in any other case, the land to which a mineral permission relates;
- “old mining permission” has the meaning given by paragraph 10(1) of Schedule 8; and
- “owner”, in relation to any land, has the meaning given by paragraph 22(1) of Schedule 8.
- (2) In determining whether it appears to them to be expedient to treat as a single site the aggregate of the land to which two or more mineral permissions relate a planning authority shall have regard to any guidance issued for the purpose by the Secretary of State.
- (3) Any reference (however expressed) in this Schedule to a mining site being a site to which relates—
- (a) an old mining permission, or
- (b) a mineral permission,
- is a reference to the mining site, or some part of it, being the land to which the permission relates.
- (4) For the purposes of this Schedule, an application made under paragraph 6 is finally determined when—
- (a) the proceedings on the application, including any proceedings on or in consequence of an application under section 239, have been determined, and
- (b) any time for appealing under paragraph 9(1), or applying or further applying under paragraph 6, (where there is a right to do so) has expired.

The first review date

- 3 (1) Subject to sub-paragraph (7), in a case where the mineral permissions relating to a mining site include an old mining permission, the first review date means—

Status: This is the original version (as it was originally enacted).

- (a) the date falling fifteen years after the date upon which, pursuant to an application made under paragraph 14 of Schedule 8, the conditions to which that old mining permission is to be subject are finally determined under that Schedule, or
- (b) where there are two or more old mining permissions relating to that site, and the date upon which those conditions are finally determined is not the same date for each of those permissions, the date falling fifteen years after the date upon which was made the last such final determination to be so made in respect of any of those permissions,

and paragraph 22(2) of that Schedule shall apply for the purposes of this sub-paragraph as it applies for the purposes of paragraph 10 and Part II of that Schedule.

- (2) Subject to sub-paragraph (7), in the case of a mining site which is a Phase I or II site within the meaning of Schedule 9, the first review date means the date falling fifteen years after the date upon which, pursuant to an application made under paragraph 9 of that Schedule, there is determined under that paragraph the conditions to which the relevant planning permissions (within the meaning of that Schedule) relating to the site are to be subject.

 - (a) which is not a Phase I or II site within the meaning of Schedule 9, and
 - (b) to which no old mining permission relates,the first review date is the date falling fifteen years after the date upon which was granted the most recent mineral permission which relates to the site.
- (4) Where, in the case of a mining site falling within sub-paragraph (3), the most recent mineral permission relating to that site relates, or the most recent such permissions (whether or not granted on the same date) between them relate, to part only of the site, and in the opinion of the planning authority it is expedient, for the purpose of ascertaining, under that sub-paragraph, the first review date in respect of that site, to treat that permission or those permissions as having been granted at the same time as the last of the other mineral permissions relating to the site, the first review date for that site shall be ascertained under that sub-paragraph accordingly.
- (5) A planning authority shall, in deciding whether they are of such an opinion as is mentioned in sub-paragraph (4), have regard to any guidance issued by the Secretary of State for the purpose.
- (6) Subject to sub-paragraph (7), in the case of a mining site—
 - (a) to which relates a mineral permission in respect of which an order has been made under section 65, or
 - (b) in respect of which, or any part of which, an order has been made under paragraph 1 of Schedule 8,the first review date shall be the date falling fifteen years after the date upon which the order took effect or, in a case where there is more than one such order, upon which the last of those orders to take effect took effect.

- (a) specify the mining site to which it relates,
 - (b) identify the mineral permissions relating to that site,

- (6) For the purposes of Schedule 13 and of any regulations made under that Schedule, the permissions treated as being modified by the order mentioned in sub-paragraph (4) shall be treated as if they were planning permissions for development which neither consists of nor includes any minerals development.

- (2) The requirements of the relevant enactments with respect to the publication and service of a notice of the making or confirmation of a compulsory purchase order shall apply to a notice under this paragraph given subsequently to the first-mentioned notice.
- 3 (1) Subject to sub-paragraph (2), a general vesting declaration shall not be executed before the end of the period of 2 months beginning with the date of the first publication of the notice complying with paragraph 2(1), or such longer period, if any, as may be specified in the notice.

- 4 As soon as may be after executing a general vesting declaration, the acquiring authority shall serve—
- (a) on every occupier of any of the land specified in the declaration (other than land in which there subsists a short tenancy or a long tenancy which is about to expire), and

- 6 At the end of the period specified in a general vesting declaration, the provisions of the Lands Clauses Acts and of section 6 of the Railways Clauses Consolidation (Scotland) Act 1845 (both as incorporated by Schedule 2 to the Acquisition Act 1947) and of the Land Compensation (Scotland) Act 1963 shall apply as if, on the date on which the declaration was made, a notice to treat had been served on every person on whom, under section 17 of the Lands Clauses Consolidation (Scotland) Act 1845 (on the assumption that they required to take the whole of the land specified in the declaration and had knowledge of all the parties referred to in that section) the acquiring authority could have served such a notice, other than—
- (a) any person entitled to an interest in the land in respect of which such a notice had actually been served before the end of that period, and
 - (b) any person entitled to a short tenancy or a long tenancy which is about to expire.
- 7 At the end of the period specified in a general vesting declaration, the land specified in the declaration, together with the right to enter upon and take possession of it, shall vest in the acquiring authority as if the circumstances in which under the said Act of 1845 an authority authorised to purchase land compulsorily have any power to expedite a notarial instrument (whether for vesting land or any interest in land in themselves or for extinguishing the whole or part of any feuduty, ground annual or

rent, or other payment or incumbrance) had arisen in respect of all the land and all interests in it, and the acquiring authority had duly exercised that power accordingly at the end of that period.

8 Where any land specified in a general vesting declaration is land in which there subsists a short tenancy or a long tenancy which is about to expire—

- (a) the right of entry conferred by paragraph 7 shall not be exercisable in respect of that land unless, after serving a notice to treat in respect of that tenancy, the acquiring authority have served upon every occupier of any of the land in which the tenancy subsists a notice stating that, at the end of such period as is specified in the notice (not being less than 14 days) from the date on which the notice is served, they intend to enter upon and take possession of such land as is specified in the notice, and that period has expired, and
- (b) the vesting of the land in the acquiring authority shall be subject to the tenancy until that period expires, or the tenancy comes to an end, whichever first occurs.

Recovery of compensation overpaid

9 Paragraphs 10 to 14 shall have effect where, after the acquiring authority have made a general vesting declaration in respect of any land, a person claims compensation in respect of the acquisition by the authority of an interest in any land by virtue of the declaration, and the authority pay compensation in respect of that interest.

10 If, in a case falling within paragraph 9, it is subsequently shown—

- (a) that the land, or the claimant's interest in it, was subject to an incumbrance which was not disclosed in the particulars of his claim, and
- (b) that by reason of that incumbrance the compensation paid exceeded the compensation to which the claimant was entitled in respect of that interest,

the acquiring authority may recover the amount of the excess from the claimant.

11 If in a case falling within paragraph 9, it is subsequently shown that the claimant was not entitled to the interest in question, either in the whole or in part of the land to which the claim related, the acquiring authority may recover from him an amount equal to the compensation paid, or to so much of that compensation as, on a proper apportionment of it, is attributable to that part of the land, as the case may be.

12 Any question arising under paragraph 10 or 11—

- (a) as to the amount of the compensation to which the claimant was entitled in respect of an interest in land, or
- (b) as to the apportionment of any compensation paid,

shall be referred to and determined by the Lands Tribunal; and in relation to the determination of any such question, the provisions of section 9 of the Land Compensation (Scotland) Act 1963 shall apply, subject to any necessary modifications.

13 Subject to paragraph 12, any amount recoverable by the acquiring authority under paragraph 10 or 11 shall be recoverable in any court of competent jurisdiction.

- 19 Paragraph 4 of Schedule 2 to the Acquisition Act 1947 shall not apply to land in respect of which a general vesting declaration is made under this Act.

Status: This is the original version (as it was originally enacted).

- (2) Except as provided by paragraph 29, a notice of objection to severance served by any person shall not have effect if it is served more than 28 days after the date on which the notice required by paragraph 4 above is served on him.
- 21 Where a notice of objection to severance is served in respect of a person's interest in any land (in this Part referred to as "the land proposed to be severed"), and is so served within the time allowed in accordance with paragraph 20(2), then, notwithstanding anything in paragraph 7—

 - (b) if he is entitled to possession of that land, the acquiring authority shall not be entitled to enter upon or take possession of it,

- 23 If the acquiring authority do not take action in accordance with paragraph 22 within the period allowed by that paragraph, then at the end of that period they shall be deemed to have acted in accordance with sub-paragraph (a) of that paragraph.

- (a) in the case of a house, building or factory, without material detriment, or
 - (b) in the case of a park or garden, without seriously affecting the amenity or convenience of the house,
- paragraph 21 shall thereupon cease to have effect in relation to that notice.

- 27 (1) If on such a reference the Lands Tribunal does not make a determination in accordance with paragraph 26, the Tribunal shall determine the area of that land (being the whole of it or a part of it which includes the part comprised in the general vesting declaration) which the acquiring authority ought to be required to take; and the general vesting declaration shall have effect, in relation to the interest in that area of the person who served the notice of objection to severance, as if the whole of that area had been comprised in the general vesting declaration, whether apart from this Schedule the acquiring authority could have been authorised to acquire that interest in the whole of that area or not.
- (2) Where sub-paragraph (1) applies, and part of the area determined by the Lands Tribunal was not comprised in the compulsory purchase order, the general vesting declaration shall have effect as mentioned in that sub-paragraph as if the whole of that area had been comprised in the compulsory purchase order as well as in the declaration.
- 28 Where by virtue of paragraph 22(a), 23, 25 or 27 a general vesting declaration is to have effect in relation to a different area of land from that originally comprised in the declaration, the acquiring authority shall alter accordingly the description of the land affected by the declaration.
- 29 (1) Where in accordance with paragraph 20(1) a person is entitled to serve a notice of objection to severance, and it is proved—

 - (b) that a notice of objection to severance served by him was served not more than 28 days after the date on which he first had knowledge of the execution of the general vesting declaration,
- that notice shall have effect notwithstanding that it is served after the time allowed in accordance with paragraph 20(2) has expired.

 - (d) paragraph 26 shall not have effect in relation to that notice, but without prejudice to the making by the Tribunal of any such determination as is mentioned in that paragraph.

Compensation

- 30 Where any of the land specified in a general vesting declaration under this Act has become vested in an acquiring authority by virtue of paragraphs 6 to 8, the acquiring authority shall be liable to pay the like compensation, and the like interest on the compensation agreed or awarded, as they would have been required to pay if they had taken possession of the land under paragraph 3 of Schedule 2 to the Acquisition Act 1947.

Status: This is the original version (as it was originally enacted).

- 31 Sections 56 to 60 and sections 63 to 66 of the Lands Clauses Consolidation (Scotland) Act 1845 (absent and untraced owners) and sections 117 to 119 of that Act (interests omitted from purchase) shall not apply to the compensation to be paid for any interest in land in respect of which a notice to treat is deemed to have been served by virtue of paragraphs 6 to 8.

Charges and tenancies

- 32 (1) Where land specified in a general vesting declaration under this Act is, together with other land not so specified, charged with a charge, such proportion of the charge as may be apportioned under section 109 of the Lands Clauses Consolidation (Scotland) Act 1845 to the first mentioned land shall, subject to sub-paragraph (3), be treated as having been extinguished by virtue of paragraphs 6 to 8 on the vesting of that land in the acquiring authority under those paragraphs.
- (2) Where by virtue of sub-paragraph (1) a portion of a charge is treated as having been extinguished, sections 108 to 111 of the Act of 1845 shall have effect as if the extinguishment had taken place under section 110 of that Act.
- (3) If, in the circumstances described in sub-paragraph (1), the person entitled to the charge and the owner of the land subject to it enter into an agreement to that effect, sections 108 to 111 of the Act of 1845 shall have effect as if, at the time of the vesting of the land in the acquiring authority under paragraphs 6 to 8, the person entitled to the charge had released that land from the charge on the condition mentioned in section 109 of that Act; and in that case no part of the charge shall be treated as having been extinguished as regards the remaining part of the land charged with it.
- (4) In this paragraph “charge” means any such feuduty, ground annual or rent or other payment or incumbrance as is mentioned in the introductory words to sections 107 to 111 of the Act of 1845.

- 33 Where land specified in a general vesting declaration under this Act is, together with other land not so specified, comprised in a tenancy for a term of years unexpired, section 112 of the Lands Clauses Consolidation (Scotland) Act 1845 shall have effect in relation to it as if for references to the time of the apportionment of rent mentioned in it there were substituted references to the time of the vesting of the tenancy in the acquiring authority.

- 34 Where any of the land specified in a general vesting declaration under this Act has become vested in an acquiring authority under paragraphs 6 to 8, any person who, in consequence of it, is relieved from any liability (whether in respect of a feuduty, ground annual, rent, interest on a heritable security or any other payment) and makes any payment as in satisfaction or part satisfaction of that liability shall, if he shows that when he made the payment he did not know of the facts which constituted the cause of his being so relieved, or of one or more of those facts, be entitled to recover the sum paid from the person to whom it was paid.

Miscellaneous

- 35 Where, after land has become vested in an acquiring authority under paragraphs 6 to 8, a person retains possession of any document relating to the title to the land, he shall be deemed to have given to the acquiring authority an acknowledgement in writing of the right of the acquiring authority to production of that document and to delivery of copies of it and (except where he retains possession of the document as

- 36 (1) The time within which a question of disputed compensation, arising out of an acquisition of an interest in land in respect of which a notice to treat is deemed to have been served by virtue of paragraphs 6 to 8, may be referred to the Lands Tribunal shall be 6 years from the date at which the person claiming compensation, or a person from whom he derives title, first knew, or could reasonably be expected to have known, of the vesting of the interest by virtue of those paragraphs.
- (2) In reckoning the period of 6 years referred to in sub-paragraph (1), no account shall be taken of any period during which the person claiming compensation or the person from whom he derives title was under legal disability by reason of nonage or otherwise.

- (2) In determining for the purposes of this paragraph what period a tenancy still has to run at the date of a general vesting declaration it shall be assumed—

- (8) In this paragraph “the relevant area”, in relation to an order, means the area in which any road or land to which the order relates is situated.

- (4) The Secretary of State may publish such a notice where the planning authority certify that they have begun to take such steps, in accordance with regulations made by virtue of section 263, as are requisite in order to enable them to obtain planning permission for the relevant development.

- (5) Paragraph 1(5) shall not be construed as authorising the Secretary of State to make an order under section 202 of which notice has been published by virtue of sub-paragraph (1) until planning permission is granted for the development which occasions the making of the order.

Further procedure in anticipation of planning permission, etc.

- 3 (1) Where a planning authority would, if planning permission for any development had been granted under Part III, have power to make an order under section 207 authorising the stopping-up or diversion of a road in order to enable that development to be carried out, then, notwithstanding that such permission has not been granted, the authority may, in the circumstances specified in sub-paragraphs (3) to (5), publish notice of the draft of such an order in accordance with the following provisions of this Schedule.

 - (b) a copy or copies of the notice shall be affixed to some conspicuous object or objects on the land.
- 7 If no representations or objections are duly made, or if any so made are withdrawn, the authority by whom the order was made may, instead of submitting the order to the Secretary of State themselves confirm the order (but without any modification).
- 8 (1) This paragraph applies where any representation or objection duly made is not withdrawn.
 - (2) If the objection is made by a local authority, the Secretary of State shall, before confirming the order, cause a local inquiry to be held.
 - (3) If the representation or objection is made by a person other than a local authority, the Secretary of State shall, before confirming the order, either—
 - (a) cause a local inquiry to be held, or
 - (b) give any person by whom any representation or objection has been duly made and not withdrawn an opportunity of being heard by a person appointed by the Secretary of State for the purpose.
 - (4) After considering the report of the person appointed under sub-paragraph (2) or (3) to hold the inquiry or hear representations or objections, the Secretary of State may confirm the order, with or without modifications.
 - (5) In the case of an order under section 207 or 208, if objection is made by statutory undertakers on the ground that the order provides for the creation of a public right of way over land covered by works used for the purpose of their undertaking, or over the curtilage of such land, and the objection is not withdrawn, the order shall be subject to special parliamentary procedure.
 - (6) Notwithstanding anything in the previous provisions of this paragraph, the Secretary of State shall not confirm an order so as to affect land not affected by the order as submitted to him, except after—
 - (a) giving such notice as appears to him requisite of his proposal so to modify the order, specifying the time (which must not be less than 28 days from the date of the first publication of the notice) within which, and the manner in which, representations or objections with respect to the proposal may be made,
 - (b) holding a local inquiry or affording to any person by whom any representation or objection has been duly made and not withdrawn an opportunity of being heard by a person appointed by the Secretary of State for the purpose, and
 - (c) considering the report of the person appointed to hold the inquiry or, as the case may be, to hear representations or objections.
 - (7) In the case of an order under section 207 or 208, if objection is made by statutory undertakers on the ground that the order as modified would provide for the creation of a public right of way over land covered by works used for the purposes of their undertaking, or over the curtilage of such land, and the objection is not withdrawn, the order shall be subject to special parliamentary procedure.
- 9 (1) The Secretary of State shall not confirm an order under section 203, 207 or 208 which extinguishes a right of way over land under, in, on, over, along or across which there is any apparatus belonging to or used by statutory undertakers for the purposes of

- (2) Any such consent may be given subject to the condition that there are included in the order such provisions for the protection of the undertakers as they may reasonably require.
 - (3) The consent of statutory undertakers to any such order shall not be unreasonably withheld.
 - (4) Any question arising under this paragraph whether the withholding of consent is unreasonable, or whether any requirement is reasonable, shall be determined by whichever Minister is the appropriate Minister in relation to the statutory undertakers concerned.
- 10 Regulations may, subject to this Part, make such provision as the Secretary of State thinks expedient as to the procedure on the making, submission and confirmation of orders under sections 203, 206(1)(b), 207 and 208.

SCHEDULE 17

Section 251(5).

ENFORCEMENT AS RESPECTS WAR-TIME BREACHES BY THE CROWN OF PLANNING CONTROL

Preliminary

- 1 In this Schedule—
“authority” means an authority responsible for enforcing planning control,

Status: This is the original version (as it was originally enacted).

“compliance determination application” means an application under section 251(3), and

“compliance determination” means a determination given on such an application.

Making of compliance determination applications

- 2 (1) A compliance determination application may be made with respect to any land—
- (a) by the owner or occupier of the land, or
 - (b) by any person who proves that he has or intends to acquire an interest in the land which will be affected by a compliance determination or that he has borne any of the cost of carrying out works on the land during the war period.
- (2) In the case of land owned or occupied by or on behalf of the Crown, or leased to, or to a person acting on behalf of, the Crown, or land with respect to which it is proved that there is held, or intended to be acquired, by or on behalf of the Crown an interest in the land which will be affected as mentioned in sub-paragraph (1) or that any of the cost there mentioned has been borne by the Crown, a compliance determination application may be made by any person acting on behalf of the Crown.
- 3 A compliance determination application shall be accompanied by such plans and other information as are necessary to enable the application to be determined.
- 4 (1) The authority to whom a compliance determination application is made shall within 14 days from the receipt of the application publish notice of it in one or more local newspapers circulating in the area in which the land is situated and serve notice of it on any person appearing to the authority to be specially affected by the application.
- (2) The authority shall take into consideration any representations made to them in connection with the application within 14 days from the publication of the notice.

Determination of applications

- 5 (1) Where a compliance determination application is made to an authority the authority shall determine whether the works or use in question fail to comply with any planning control which the authority are responsible for enforcing and, if so, shall specify the control in question.
- (2) Where the authority determine that works or a use fail so to comply they shall further determine whether having regard to all relevant circumstances the works or use shall, notwithstanding the failure, be deemed so to comply, either unconditionally or subject to such conditions as to the time for which the works or use may be continued, the carrying out of alterations, or other matters, as the authority think expedient.

Appeals against compliance determinations or failure to make such determinations

- 6 (1) Where the applicant is aggrieved by a compliance determination, or where a person by whom representations have been made as mentioned in paragraph 4 is aggrieved by such a determination, he may appeal to the Secretary of State.
- (2) The applicant may also appeal if he is aggrieved by the failure of the authority to determine the application within 2 months from the last day on which representations under paragraph 4 may be made and has served notice on the authority that he appeals to the Secretary of State.

Status: This is the original version (as it was originally enacted).

- (3) An appeal under this paragraph must be made within the period of 28 days after the applicant has notice of the determination or, in the case of an appeal under subparagraph (2), after the applicant has served notice on the authority of the appeal, or within such extended period as the Secretary of State may allow.
- 7 (1) On such an appeal the Secretary of State may give, in substitution for the determination, if any, given by the authority, such determination as appears to him to be proper having regard to all relevant circumstances, or, if he is satisfied that the applicant was not a person entitled to make the application, may decide that the application is not to be entertained.
- (2) At any stage of the proceedings on such an appeal to him the Secretary of State may, and shall if so directed by the Court of Session, state in the form of a special case for the opinion of the Court of Session any question of law arising in connection with the appeal.
- 8 Subject to paragraph 9 and to any determination or decision of the Secretary of State on an appeal under paragraph 7, any compliance determination shall be final and any such failure to give a determination as mentioned in paragraph 6(2) shall be taken on the service of the notice there mentioned as a final refusal by the authority to entertain the application, and any determination or decision of the Secretary of State on an appeal under paragraph 7 shall be final.

Fresh applications where alteration in circumstances

- 9 Where a compliance determination has been given that works on land or a use of land shall not be deemed to comply with planning control or shall be deemed to comply with it subject to conditions, then if a person entitled to make a compliance determination application with respect to the land satisfies the authority or on appeal the Secretary of State that there has been a material change of circumstances since the previous application was determined, he may make a subsequent application and on such an application the authority or on appeal the Secretary of State may substitute for the compliance determination such determination as appears proper having regard to all relevant circumstances.

References of application to Secretary of State

- 10 (1) If it appears to the Secretary of State that it is expedient, having regard to considerations affecting the public interest (whether generally or in the locality concerned), that any compliance determination application to an authority, or any class or description of such applications, should instead of being determined by the authority be referred to him for decision, he may give directions to the authority requiring that application, or applications of that class or description, to be so referred.
- (2) This Schedule shall apply to any such reference as if it were an appeal under paragraph 6(2) following the failure of the authority to determine the application.

Information

- 11 The Secretary of State may give directions to any authority requiring them to furnish him with such information with respect to compliance determination applications received by them as he considers necessary or expedient in connection with the exercise of his functions under this Schedule.

Status: This is the original version (as it was originally enacted).

Opportunity for hearing

- 12 (1) On a compliance determination application the applicant may require the authority to give him an opportunity before the application is determined of appearing before and being heard by a person appointed by the authority for the purpose.
- (2) In the case of—
- (a) a compliance determination application referred to the Secretary of State for decision, or
 - (b) an appeal under this Schedule,
- the applicant or the authority may require the Secretary of State to give him or them an opportunity before the application or appeal is determined of appearing before and being heard by a person appointed by the Secretary of State for the purpose.

Notice of proposed enforcement

- 13 (1) This paragraph applies where before the relevant date any person proposes to take steps for enforcing a planning control in the case of such works or such a use as is mentioned in section 251(1).
- (2) Subject to sub-paragraph (4), unless a compliance determination application has been made in relation to the land which has not been finally determined, that person shall serve on every owner and occupier of the land not less than 28 days' notice of the proposal, and if within that period any person makes such an application in relation to the land and within 7 days of making it serves on the person proposing to take steps as aforesaid notice that the application has been made, no steps for enforcing the control shall be taken until the final determination of the application.
- (3) If such an application has been made which has not been finally determined, no such steps shall be taken until the final determination of it.
- (4) No notice shall be required under sub-paragraph (2) if steps for enforcing a planning control in the case of any works on land are begun within 28 days of the final determination of a compliance determination application in relation to the land.
- (5) For the purpose of this paragraph a compliance determination application shall be treated as having been finally determined notwithstanding that a subsequent application may be made under paragraph 9.

Power of entry

- 14 (1) At any time before the relevant date any officer of an authority shall, on producing, if so required, some duly authenticated document showing his authority to act for the purposes of this paragraph, have a right, subject to the provisions of this paragraph, to enter any premises at all reasonable hours—
- (a) for the purpose of ascertaining whether there are on the premises any works carried out during the war period which do not comply with planning control, or whether a use of the premises continues which was begun during that period and does not comply with it;
 - (b) where a compliance determination application has been made to the authority, for the purpose of obtaining any information required by the authority for the exercise of their functions under section 251 and this Schedule in relation to the application.

Status: This is the original version (as it was originally enacted).

- (2) Admission to any premises which are occupied shall not be demanded as of right unless 24 hours' notice of the intended entry has been served on the occupier.
- (3) Any person who wilfully obstructs any officer of an authority acting in the exercise of his powers under this section shall be guilty of an offence and liable on summary conviction to a fine not exceeding level 1 on the standard scale.
- (4) If any person who in compliance with this paragraph is admitted into a factory, workshop or workplace discloses to any person any information obtained by him in it with regard to any manufacturing process or trade secret, he shall, unless such disclosure was made in the performance of his duty, be guilty of an offence and liable on summary conviction to a fine not exceeding level 3 on the standard scale or to imprisonment for a term not exceeding 3 months.

Service of notices

- 15 (1) Any notice or other document required or authorised to be served under this Schedule may be served on any person either by delivering it to him, or by leaving it at his proper address, or by post.
- (2) Any such document required or authorised to be served upon an incorporated company or body shall be duly served if it is served upon the secretary or clerk of the company or body.
- (3) For the purposes of this paragraph and of section 7 of the Interpretation Act 1978, the proper address of any person upon whom any such document is to be served is—

 - (b) in any other case, the last known address of the person to be served.
- (4) If it is not practicable after reasonable enquiry to ascertain the name or address of an owner or occupier of land on whom any such document is to be served, the document may be served by addressing it to him by the description of “owner” or “occupier” of the premises (describing them) to which it relates, and by delivering it to some person on the premises or, if there is no person on the premises to whom it can be delivered, by affixing it, or a copy of it, to some conspicuous part of the premises.
