building consent which might be executed to the building, other than works for which the planning authority or the Secretary of State has undertaken to grant such consent.

- (2) A notice under subsection (1) must be served before the end of the period of 3 months beginning with the date of service of the listed building purchase notice.

- (1) Where a copy of a listed building purchase notice is sent to the Secretary of State under section 29(4), he shall consider whether to confirm the notice or to take other action under section 31 in respect of it.
- (2) Before confirming such a notice or taking such other action, the Secretary of State shall give notice of his proposed action—
  - (a) to the person who served the notice,
  - (b) to the planning authority on whom it was served, and
  - (c) if the Secretary of State proposes to substitute any other planning authority or statutory undertakers for the planning authority on whom the notice was served, to them.
- (3) A notice under subsection (2) shall specify the period (which must not be less than 28 days from its service) within which any of the persons, authorities or statutory undertakers on whom it is served may require the Secretary of State to give them

an opportunity of appearing before, and being heard by, a person appointed by the Secretary of State for the purpose.

- (4) If within that period any of those persons, authorities or statutory undertakers so requires, the Secretary of State shall, before he confirms the listed building purchase notice or takes any other action under section 31 in respect of it, give each of them such an opportunity.
- (5) If, after any of those persons, authorities or statutory undertakers have appeared before and been heard by the appointed person, or the persons, authorities and statutory undertakers concerned have agreed to dispense with such a hearing, it appears to the Secretary of State to be expedient to take action under section 31 otherwise than in accordance with the notice given by him, the Secretary of State may take that action accordingly.
- (6) In this section and sections 31 to 33, “land” means the building and the land in respect of which the notice under section 28(1) is served.

### **31 Action by Secretary of State in relation to listed building purchase notice**

- (1) Subject to the following provisions of this section, if the Secretary of State is satisfied that the conditions specified in section 28(2)(a) to (c) are satisfied in the case of any listed building purchase notice, he shall confirm the notice.
- (2) If the Secretary of State is satisfied that those conditions are fulfilled only in respect of part of the land, he shall confirm the notice only in respect of that part and the notice shall have effect accordingly.
- (3) The Secretary of State shall not confirm the notice unless he is satisfied that the land comprises such land contiguous or adjacent to the building as is in his opinion required—
  - (a) for preserving the building or its amenities,
  - (b) for affording access to it, or
  - (c) for its proper control or management.
- (4) If it appears to the Secretary of State to be expedient to do so he may, instead of confirming the notice—
  - (a) in the case of a notice served on account of the refusal of listed building consent for any works, grant such consent for those works,
  - (b) in the case of a notice served on account of such consent being granted subject to conditions, revoke or amend those conditions so far as it appears to him to be required in order to enable the land to be rendered capable of reasonably beneficial use by the carrying out of those works,
  - (c) in the case of a notice served on account of such consent being revoked by an order under section 21 or 24, cancel the order revoking the consent, or
  - (d) in the case of a notice served on account of such consent being modified by such an order by the imposition of conditions, revoke or amend those conditions so far as appears to him to be required in order to enable the land to be rendered capable of reasonably beneficial use by the carrying out of the works in respect of which the consent was granted.
- (5) If it appears to the Secretary of State that the land, or any part of it, could be rendered capable of reasonably beneficial use within a reasonable time by the carrying out—
  - (a) of any other works for which listed building consent ought to be granted, or

---

- (b) of any development for which planning permission ought to be granted, he may, instead of confirming the listed building purchase notice (or confirming it so far as it relates to that part), direct that if an application is made for such consent for those works, or as the case may be for planning permission for that development, it shall be granted.
- (6) If it appears to the Secretary of State, having regard to the probable ultimate use of the building or its site, that it is expedient to do so he may, if he confirms the notice, modify it in relation to either the whole or any part of the land, by substituting another planning authority or statutory undertakers for the authority on whom the notice was served.
- (7) Any reference in section 30 to the taking of action by the Secretary of State under this section includes a reference to the taking by him of a decision not to confirm the purchase notice on the grounds that any of the conditions referred to in subsection (1) of this section are not satisfied.

### **32 Effect of Secretary of State’s action in relation to listed building purchase notice**

- (1) Where the Secretary of State confirms a listed building purchase notice, the authority on whom the notice was served shall be deemed—
- (a) to be authorised to acquire the owner’s or lessee’s interest in the land compulsorily in accordance with the provisions of section 42, and
  - (b) to have served a notice to treat in respect of it on such date as the Secretary of State may direct.
- (2) If before the end of the relevant period the Secretary of State has neither—
- (a) confirmed the listed building purchase notice, nor
  - (b) notified the owner or lessee by whom it was served that he does not propose to confirm it, nor
  - (c) taken any such action in respect of it as is mentioned in subsection (4) or (5) of section 31,
- the notice shall be deemed to be confirmed at the end of that period and the authority on whom the notice was served shall be deemed to have been authorised as is mentioned in subsection (1)(a) and to have served a notice to treat in respect of the owner’s or lessee’s interest at the end of that period.
- (3) Where a listed building purchase notice is confirmed in respect of only part of the land, references in this section to the owner’s or lessee’s interest in the land are references to the owner’s or lessee’s interest in that part.
- (4) Where a listed building purchase notice is modified under section 31(6) by the substitution of another planning authority or statutory undertakers for the authority on whom the notice was served, the reference in subsection (1) to that authority is to that other planning authority or those statutory undertakers.
- (5) In this section “the relevant period” means, subject to subsection (6)—
- (a) the period of 9 months beginning with the date of the service of the listed building purchase notice, or
  - (b) if it ends earlier, the period of 6 months beginning with the date on which a copy of the purchase notice was sent to the Secretary of State.

- (6) The relevant period does not run if the Secretary of State has before him at the same time both—
- (a) a copy of the listed building purchase notice sent to him under section 29(4), and
  - (b) a notice of appeal under section 18 or 35 relating to any of the land to which the purchase notice relates.
- (7) Where any decision by the Secretary of State to confirm or not to confirm a listed building purchase notice (including any decision to confirm the notice only in respect of part of the land, or to give any direction as to the granting of listed building consent or planning permission) is quashed under section 58, the notice shall be treated as cancelled, but the owner or lessee may serve a further notice in its place.
- (8) For the purposes of determining whether such a further notice has been served within the period prescribed for the service of listed building purchase notices, the decision concerning listed building consent on account of which the notice has been served shall be treated as having been made on the date on which the decision of the Secretary of State was quashed.

### **33 Reduction of compensation on acquisition where section 25 compensation payable**

Where compensation is payable under section 25 in respect of expenditure incurred in carrying out any works to a building, any compensation which then becomes payable in respect of the acquisition of an interest in the land in pursuance of a listed building purchase notice shall be reduced by an amount equal to the value of those works.
