(4) Any person who suffers loss by the extinguishment of a right or the vesting of any apparatus under this paragraph shall be entitled to compensation from the Agency.

(5) Any compensation payable under this paragraph shall be determined in accordance with the Land Compensation Act 1961.

**Power to override easements and other rights**

6 (1) The erection, construction or carrying out, or maintenance, of any building or work on land which has been acquired by the Agency under section 21A above, whether done by the Agency or by a person deriving title under the Agency, is authorised by virtue of this paragraph if it is done in accordance with planning permission even if it involves—

(a) interference with an interest or right to which this paragraph applies; or

(b) a breach of a restriction as to the user of land arising by virtue of a contract.

(2) Nothing in this paragraph authorises interference with—

(4) Any use of consecrated land authorised by sub-paragraph (1) above shall be subject to such provisions as may be prescribed by such regulations for prohibiting or restricting the use of the land, either absolutely or until the prescribed consent has been obtained, so long as any church or other building used or formerly used for religious worship, or any part of such a building, remains on the land.

(5) Any regulations made for the purposes of this paragraph—
(a) shall contain such provisions as appear to the Secretary of State to be required for securing that any use of land which is subject to compliance with the regulations is, as nearly as may be, subject to the same control as is imposed by law in the case of a similar use authorised by an enactment not contained in this Act or by a Measure or as it would be proper to impose on a disposal of the land in question otherwise than in pursuance of an enactment or Measure;
(b) shall contain such requirements relating to the disposal of any such land as is mentioned in sub-paragraphs (3) and (4) above as appear to the Secretary of State necessary for securing that the provisions of those sub-paragraphs are complied with in relation to the use of the land; and

(8) Provision shall be made by any regulations made for the purposes of this paragraph—

(a) for requiring the persons in whom the land is vested to publish notice of their intention to carry out the removal and re-interment of any human remains or the disposal of any monuments;

(b) for enabling the personal representatives or relatives of any deceased person themselves to undertake the removal and re-interment of the remains of the deceased, and the disposal of any monument commemorating the deceased, and for requiring the persons in whom the land is vested to defray the expenses of such removal, re-interment and disposal, not exceeding such amount as may be prescribed; and

(c) for requiring compliance with such reasonable conditions (if any) as may be imposed in the case of consecrated land, by the bishop of the diocese, with respect to the manner of removal, and the place and manner of re-interment, of any human remains and the disposal of any monuments and with any directions given in any case by the Secretary of State with respect to the removal and re-interment of any human remains.

may be used by any person in any manner in accordance with planning permission in spite of anything in any enactment relating to land of that kind or in any enactment by which the land is specially regulated.

(2) Sub-paragraph (1) does not authorise any act or omission on the part of any person which is actionable at the suit of any person on any ground other than contravention of any such enactment as is mentioned in that sub-paragraph.

   (b) in relation to any erection, construction or carrying out of building or work so authorised, references in section 10 of that Act to the acquiring authority shall be construed as references to the persons by whom the building or work in question is erected, constructed or carried out.

10 (1) Nothing in paragraph 7 or 8 above authorises any act or omission on the part of any authority or body corporate in contravention of any limitation imposed by law on their capacity by virtue of their constitution.

(2) Any power conferred by paragraph 7 or 8 above to use land in a manner mentioned in that paragraph shall be construed as a power to use the land, whether or not it involves the erection, construction or carrying out of any building or work or the maintenance of any building or work.

Extinguishment of rights of way, and rights as to apparatus, of statutory undertakers

11 (1) This paragraph applies where any land has been acquired by the Agency under section 21A above and—
   (a) there subsists over that land a right vested in or belonging to statutory undertakers for the purpose of the carrying on of their undertaking, being a right of way or a right of laying down, erecting, continuing or maintaining apparatus on, under or over that land; or
   (b) there is on, under or over the land apparatus vested in or belonging to statutory undertakers for the purpose of the carrying on of their undertaking.
(2) The Agency, if satisfied that the extinguishment of the right or the removal of the apparatus is necessary for the purpose of carrying out any development, may serve on the statutory undertakers a notice—
   (a) stating that, at the end of the period of 28 days beginning with the day of service of the notice or such longer period as may be specified in it, the right will be extinguished; or
   (b) requiring that the apparatus be removed before the end of that period.

(3) The statutory undertakers on whom a notice is served under sub-paragraph (2) above may, before the end of the period of 28 days beginning with the day on which the notice was served, serve a counter-notice on the Agency—
   (a) stating that they object to all or any provisions of the notice; and
   (b) specifying the grounds of their objection.

(4) Where no counter-notice is served under sub-paragraph (3) above—
   (a) any right to which the notice relates shall be extinguished at the end of the period specified in the notice; and
   (b) if, at the end of the period so specified in relation to any apparatus, any requirement of the notice as to the removal of the apparatus has not been complied with, the Agency may remove the apparatus and dispose of it in any way they think appropriate.

(5) If a counter-notice is served under sub-paragraph (3) above, the Agency may either—
   (a) withdraw the notice (but without prejudice to the service of a further notice); or
   (b) apply to the Secretary of State and the appropriate Minister for an order under this sub-paragraph embodying the provisions of the notice with or without modification.

(6) Where by virtue of this paragraph—
   (a) any right vested in or belonging to statutory undertakers is extinguished; or
   (b) any requirement is imposed on statutory undertakers, those undertakers shall be entitled to compensation from the Agency.

(7) Sections 280 and 282 of the Town and Country Planning Act 1990 (measure of compensation for statutory undertakers) apply to compensation under sub-paragraph (6) above as they apply to compensation under section 279(2) of that Act.

Orders under paragraph 11

12 (1) Before making an order under sub-paragraph (5) of paragraph 11 above, the Ministers proposing to make the order—
   (a) shall afford to the statutory undertakers on whom a notice was served under sub-paragraph (2) of that paragraph an opportunity of objecting to the application for the order; and
   (b) if any objection is made, shall consider the objection and afford to those statutory undertakers and to the Agency an opportunity of
appearing before, and being heard by, a person appointed by the Secretary of State and the appropriate Minister for the purpose.

(2) The Ministers may then, if they think fit, make the order in accordance with the application either with or without modification.

(3) Where an order is made under paragraph 11(5) above—

(a) any right to which the order relates shall be extinguished at the end of the period specified in that behalf in the order; and

(b) if, at the end of the period so specified in relation to any apparatus, any requirement of the order as to the removal of the apparatus has not been complied with, the Agency may remove the apparatus and dispose of it in any way they think appropriate.

Notice for same purposes as paragraph 11 but given by statutory undertakers to Agency

13 (1) This paragraph applies where any land has been acquired by the Agency under section 21A above and—

(a) there is on, under or over the land apparatus vested in or belonging to statutory undertakers; and

(b) the undertakers claim that development to be carried out on the land is such as to require, on technical or other grounds connected with the carrying on of their undertaking, the removal or re-siting of the apparatus affected by the development.

(2) The undertakers may serve on the Agency a notice claiming the right to enter on the land and carry out such works for the removal or re-siting of the apparatus or any part of it as may be specified in the notice.

(3) Where, after the land has been acquired as mentioned in sub-paragraph (1) above, development of the land begins to be carried out, no notice under sub-paragraph (2) above may be served after the end of the period of 21 days beginning with the day on which the development commenced.

(4) Where a notice is served under sub-paragraph (2) above, the Agency may, before the end of the period of 28 days beginning with the day on which the notice was served, serve a counter-notice on the statutory undertakers—

(a) stating that they object to all or any of the provisions of the notice; and

(b) specifying the grounds of their objection.

(5) Where no counter-notice is served under sub-paragraph (4) above, the statutory undertakers shall, after the end of that period of 28 days, have the rights claimed in their notice.

(6) If a counter-notice is served under sub-paragraph (4) above, the statutory undertakers who served the notice under this paragraph may either—

(a) withdraw it; or

(b) apply to the Secretary of State and the appropriate Minister for an order under this sub-paragraph conferring on the undertakers the rights claimed in the notice or such modified rights as the Secretary of State and the appropriate Minister think it appropriate to confer on them.
(7) Where, by virtue of this paragraph or an order of Ministers made under it, statutory undertakers have the right to execute works for the removal or re-siting of apparatus, they may arrange with the Agency for the works to be carried out by the Agency, under the superintendence of the undertakers, instead of by the undertakers themselves.

(8) Where works are carried out for the removal or re-siting of statutory undertakers’ apparatus, being works which the undertakers have the right to carry out by virtue of this paragraph or an order of Ministers made under it, the undertakers shall be entitled to compensation from the Agency.

(9) Sections 280 and 282 of the Town and Country Planning Act 1990 (measure of compensation for statutory undertakers) apply to compensation under sub-paragraph (8) above as they apply to compensation under section 279(4) of that Act.
