 - (a) conditions specified in the regulations; or
 - (b) rules of general application specified in or made under the regulations.
- 7
- (1) Requiring permits or the conditions to which permits are subject to be reviewed by regulators (whether periodically or in any specified circumstances).
 - (2) Authorising or requiring the variation of permits or such conditions by regulators (whether on applications made by holders of permits or otherwise).
 - (3) Regulating the making of changes—
 - (a) in the operation of the installations or plant to which permits relate, or
 - (b) in the case of permits for the carrying on of activities otherwise than in the course of operating any installation or plant, in the carrying on of the activities.
- 8
- (1) Regulating the transfer or surrender of permits.
 - (2) Authorising the revocation of permits by regulators.
 - (3) Authorising the imposition by regulators of requirements with respect to the taking of preventive or remedial action (by holders of permits or other persons) in connection with the surrender or revocation of permits.
- 9 Authorising the Secretary of State to make schemes for the charging by regulators of fees or other charges in respect of, or in respect of an application for—
- (a) the grant of a permit,
 - (b) the variation of a permit or the conditions to which it is subject, or
 - (c) the transfer or surrender of a permit,
- or in respect of the subsistence of a permit.
- 10 Authorising, or authorising a Minister of the Crown to make schemes for, the charging by Ministers of the Crown or public or local authorities of fees or other charges in respect of—
- (a) the testing or analysis of substances,
 - (b) the validating of, or of the results of, any testing or analysis of substances, or
 - (c) assessing how the environment might be affected by the release into it of any substances,

Status: Point in time view as at 13/11/2003.

Changes to legislation: There are currently no known outstanding effects for the Pollution Prevention and Control Act 1999. (See end of Document for details)

in cases where the testing, analysis, validating or assessing is in any way in anticipation of, or otherwise in connection with, the making of applications for the grant of permits or is carried out in pursuance of conditions to which any permit is subject.

Information, publicity and consultation

- 11 Enabling persons of any specified description (whether or not they are holders of permits) to be required—
- (a) to compile information—
 - (i) on emissions within the meaning of the regulations;
 - (ii) on energy consumption and on the efficiency with which energy is used;
 - (iii) on waste within the meaning of the regulations and on the destinations of such waste;
 - (b) to provide such information in such manner as is specified in the regulations.
- 12 Securing—
- (a) that publicity is given to specified matters;
 - (b) that regulators maintain registers of specified matters (but excepting information which under the regulations is, or is determined to be, commercially confidential and subject to any other exceptions specified in the regulations) which are open to public inspection;
 - (c) that copies of entries in such registers, or of specified documents, may be obtained by members of the public.
- 13 Requiring or authorising regulators to carry out consultation in connection with the exercise of any of their functions; and providing for them to take into account representations made to them on consultation.

Enforcement and offences

- 14 (1) Conferring on regulators functions with respect to the monitoring and inspection of the carrying on of activities to which permits relate, including—
- (a) power to take samples or to make copies of information;
 - (b) power to arrange for preventive or remedial action to be taken at the expense of holders of permits.
- (2) Authorising regulators to appoint suitable persons to exercise any such functions and conferring powers (such as those specified in section 108(4) of the ^{M1}Environment Act 1995) on persons so appointed.

- 15 (1) Authorising regulators to serve on holders of permits—
- (a) notices requiring them to take remedial action in respect of contraventions, actual or potential, of conditions to which their permits are subject;

Status: Point in time view as at 13/11/2003.

Changes to legislation: There are currently no known outstanding effects for the Pollution Prevention and Control Act 1999. (See end of Document for details)

- (b) notices requiring them to provide such financial security as the regulators serving the notices consider appropriate pending the taking of remedial action in respect of any such contraventions;
 - (c) notices requiring them to take steps to remove imminent risks of serious environmental pollution (whether or not arising from any such contraventions).
- (2) Providing for the enforcement of such notices by proceedings in the High Court or any court of competent jurisdiction in Scotland.
- 16 Authorising regulators to suspend the operation of permits so far as having effect to authorise the carrying on of activities to which they relate.
- 17 The creation of offences and dealing with matters relating to such offences, including—
- (a) the provision of defences; and
 - (b) evidentiary matters.
- 18 Enabling, where a person has been convicted of an offence under the regulations—
- (a) a court dealing with that person for the offence to order the taking of remedial action (in addition to or instead of imposing any punishment); or
 - (b) a regulator to arrange for such action to be taken at that person's expense.

Appeals

- 19 Conferring rights of appeal in respect of decisions made, notices served or other things done (or omitted to be done) under the regulations; and making provision for (or for the determination of) matters relating to the making, considering and determination of such appeals (including provision for or in connection with the holding of inquiries or hearings).

General

- 20 (1) Making provision which, subject to any modifications that the Secretary of State considers appropriate, corresponds or is similar to—
- (a) any provision made by or under, or capable of being made under, Part I or II of the ^{M2}Environmental Protection Act 1990 or made by any of sections 157, 158 and 160 of that Act; or
 - (b) any provision made, or capable of being made, under section 2(2) of the ^{M3}European Communities Act 1972 in connection with one of the relevant directives.
- (2) In sub-paragraph (1) “the relevant directives” means—
- (a) Council Directive [96/61/EC](#) concerning integrated pollution prevention and control;
 - (b) Council Directive [75/442/EEC](#) on waste, as amended; and
 - (c) any other directive of the Council of the European Communities designated by the Secretary of State for the purposes of this paragraph by order made by statutory instrument.
- (3) Making provision about the application of the regulations to the Crown.

Status: Point in time view as at 13/11/2003.

PART II

SUPPLEMENTARY PROVISIONS

Particular types of pollution

- 21 The regulations may provide for specified provisions of the regulations to have effect in relation only to such environmental pollution as is specified.

[^{F1}Emissions quota trading schemes: penalties

Textual Amendments

F1 Sch. 1 para. 21A and preceding cross-heading inserted (13.11.2003) by [Waste and Emissions Trading Act 2003 \(c. 33\)](#), ss. 38, 40

- 21A (1) The regulations may authorise the inclusion in a trading scheme of—
- (a) provision for penalties in respect of contraventions of provisions of the scheme;
 - (b) provision for the amount of any penalty under the scheme to be such as may be set out in, or calculated in accordance with—
 - (i) the scheme, or
 - (ii) the regulations (including regulations made after the scheme).
- (2) In this paragraph “ trading scheme ” means a scheme of the kind mentioned in paragraph 1(3).]

Determination of matters by regulators

- 22 The regulations may make provision for anything which, by virtue of paragraphs 5 to 8, could be provided for by the regulations to be determined under the regulations by regulators.

Imposition of conditions

- 23 In connection with the determination of conditions as mentioned in paragraph 6(3)
- (a) the regulations may in particular provide—
 - (a) for such conditions to be determined in the light of any specified general principles and any directions or guidance given under the regulations;
 - (b) for such guidance to include guidance sanctioning reliance by a regulator on any arrangements referred to in the guidance to operate to secure a particular result as an alternative to imposing a condition.

Status: Point in time view as at 13/11/2003.

*Changes to legislation: There are currently no known outstanding effects for the
 Pollution Prevention and Control Act 1999. (See end of Document for details)*

Charging schemes

- 24 The regulations may—
- (a) require any such scheme as is mentioned in paragraph 9 or 10 to be so framed that the fees and charges payable under the scheme are sufficient, taking one year with another, to cover such expenditure (whether or not incurred by the regulator or other person to whom they are so payable) as is specified;
 - (b) authorise any such scheme to make different provision for different cases (and specify particular kinds of such cases).

Offences

- 25 (1) The regulations may provide for any such offence as is mentioned in paragraph 17 to be triable—
- (a) only summarily; or
 - (b) either summarily or on indictment.
- (2) The regulations may provide for such an offence to be punishable—
- (a) on summary conviction by—
 - (i) imprisonment for a term not exceeding such period as is specified (which may not exceed six months), or
 - (ii) a fine not exceeding such amount as is specified (which may not exceed £20,000),
 or both; or
 - (b) on conviction on indictment by—
 - (i) imprisonment for a term not exceeding such period as is specified (which may not exceed five years), or
 - (ii) a fine,
 or both.

Interpretation

- 26 In this Schedule—
- “functions” includes powers and duties;
 - “the regulations” means regulations under section 2;
 - “specified” means specified in regulations under that section.
