

## SCHEDULES

### SCHEDULE 23

#### ROAD USER CHARGING

##### *Exclusions for motor vehicles not on roads*

- 31 A charging scheme may not authorise or require—
- (a) the imposition of charges in respect of a motor vehicle by reference to its presence in a charging area at a time at which the vehicle is not on a road;
  - (b) the examination, for any purpose relating to or connected with this Schedule, regulations or a charging scheme, of a motor vehicle found in a charging area at a time at which the vehicle is not on a road; or
  - (c) the fitting of an immobilisation device to, or the removal of, a motor vehicle found in a charging area at a time at which the vehicle is not on a road.
