### **COMMENTARY ON SECTIONS**

#### ***Schedule 2: Provisions supplementary to Part 2***

#### **Part 3: Police and Criminal Evidence and the Terrorism Act**

#### **Execution of process in other domestic jurisdictions**

#### ***Section 86: Process for obtaining excluded and special procedure material***

252. This section amends the Police and Criminal Evidence Act 1984 to apply section 4 of the Summary Jurisdiction (Process) Act 1881 to orders and warrants for special procedure and excluded material. The 1881 Act currently enables process issued by a court of summary jurisdiction in England & Wales to be endorsed for execution in Scotland and vice versa. However these arrangements do not apply to search warrants and production orders in respect of 'special procedure' material (e.g. bank details) or excluded material, since such warrants and orders can be issued and made only by a circuit judge, who does not constitute a court of summary jurisdiction. Comparable provision is made in relation to Northern Ireland.
