(3) A registered adoption society is to be treated as registered in respect of any facility of the Adoption Service unless it is a condition of its registration that it does not provide that facility.
(4) No application for registration under Part 2 of the Care Standards Act 2000 [F2 or Part 1 of the Regulation and Inspection of Social Care (Wales) Act 2016] may be made in respect of an adoption society which is an unincorporated body.

3 Maintenance of Adoption Service

(1) Each local authority must continue to maintain within their area a service designed to meet the needs, in relation to adoption, of—

(a) children who may be adopted, their parents and guardians,
(b) persons wishing to adopt a child, and

and for that purpose must provide the requisite facilities.

(2) Those facilities must include making, and participating in, arrangements—
(a) for the adoption of children, and
(b) for the provision of adoption support services.

(3) As part of the service, the arrangements made for the purposes of subsection (2)(b)—
(a) must extend to the provision of adoption support services to persons who are
within a description prescribed by regulations,

(4) A local authority may provide any of the requisite facilities by securing their provision by—

(b) other persons who are within a description prescribed by regulations of persons who may provide the facilities in question.

(5) The facilities of the service must be provided in conjunction with the local authority’s other social services and with registered adoption societies in their area, so that help may be given in a co-ordinated manner without duplication, omission or avoidable delay.

(6) The social services referred to in subsection (5) are the functions of a local authority which are social services functions within the meaning of the Local Authority Social Services Act 1970 (c. 42) or for the purposes of the 2014 Act (which, in each case, include], in particular, those functions in so far as they relate to children).
