214 Consultation

- (1) An enforcer must not make an application for an enforcement order unless he has engaged in appropriate consultation with—
 - (a) the person against whom the enforcement order would be made, and
 - (b) the OFT (if it is not the enforcer).
- (2) Appropriate consultation is consultation for the purpose of—
 - (a) achieving the cessation of the infringement in a case where an infringement is occurring;
 - (b) ensuring that there will be no repetition of the infringement in a case where the infringement has occurred;
 - (c) ensuring that there will be no repetition of the infringement in a case where the cessation of the infringement is achieved under paragraph (a);
 - (d) ensuring that the infringement does not take place in the case of a Community infringement which the enforcer believes is likely to take place.
- (3) Subsection (1) does not apply if the OFT thinks that an application for an enforcement order should be made without delay.
- (4) Subsection (1) ceases to apply—
 - (a) for the purposes of an application for an enforcement order at the end of the period of 14 days beginning with the day after the person against whom the enforcement order would be made receives a request for consultation from the enforcer;
 - (b) for the purposes of an application for an interim enforcement order at the end of the period of seven days beginning with the day after the person against whom the interim enforcement order would be made receives a request for consultation from the enforcer.
- (5) The Secretary of State may by order make rules in relation to consultation under this section.
- (6) Such an order must be made by statutory instrument subject to annulment in pursuance of a resolution of either House of Parliament.
- (7) In this section (except subsection (4)) and in sections 215 and 216 references to an enforcement order include references to an interim enforcement order.

215 Applications

- (1) An application for an enforcement order must name the person the enforcer thinks—
 - (a) has engaged or is engaging in conduct which constitutes a domestic or a Community infringement, or
 - (b) is likely to engage in conduct which constitutes a Community infringement.

Status: Point in time view as at 20/06/2003. This version of this part contains provisions that are not valid for this point in time.

Changes to legislation: There are currently no known outstanding effects for the Enterprise Act 2002 (repealed), Part 8. (See end of Document for details)

- (2) A general enforcer may make an application for an enforcement order in respect of any infringement.
- (3) A designated enforcer may make an application for an enforcement order in respect of an infringement to which his designation relates.
- (4) A Community enforcer may make an application for an enforcement order in respect of a Community infringement.

 - (b) the Court of Session or the sheriff if the person against whom the order is sought carries on business or has a place of business in Scotland.
- (6) If an application for an enforcement order is made by a Community enforcer the court may examine whether the purpose of the enforcer justifies its making the application.
- (7) If the court thinks that the purpose of the Community enforcer does not justify its making the application the court may refuse the application on that ground alone.
- (8) The purpose of a Community enforcer must be construed by reference to the Injunctions Directive.
- (9) An enforcer which is not the OFT must notify the OFT of the result of an application under this section.

216 Applications: directions by OFT

- (1) This section applies if the OFT believes that an enforcer other than the OFT intends to apply for an enforcement order.
- (2) In such a case the OFT may direct that if an application in respect of a particular infringement is to be made it must be made—
 - (a) only by the OFT, or
 - (b) only by such other enforcer as the OFT directs.
- (3) If the OFT directs that only it may make an application that does not prevent—
 - (a) the OFT or any enforcer from accepting an undertaking under section 219, or
 - (b) the OFT from taking such other steps it thinks appropriate (apart from making an application) for the purpose of securing that the infringement is not committed, continued or repeated.
- (4) The OFT may vary or withdraw a direction given under this section.
- (5) The OFT must take such steps as it thinks appropriate to bring a direction (or a variation or withdrawal of a direction) to the attention of enforcers it thinks may be affected by it.
- (6) But this section does not prevent an application for an enforcement order being made by a Community enforcer.

Status: Point in time view as at 20/06/2003. This version of this part contains provisions that are not valid for this point in time.
