Work permits

Section 123: Advice about work permit, &c

294. **Section 123** inserts a new paragraph into subsection (1) and a new subsection (3) in section 82 of the 1999 Act. The effect is that applications for an immigration employment document will become a “relevant matter” for the purposes of the regulatory scheme established by Part V of the 1999 Act. This means that anyone who provides advice and/or services regarding work permit applications or any other document relating to the employment of a foreign national in the course of a business will be subject to the regulatory scheme established by Part V of the 1999 Act and administered by the Immigration Services Commissioner.
