Meaning of “credit-token”

92 Meaning of “credit-token”

- (1) In this Chapter “credit-token” means a credit card, debit card or other card, a token, a document or other object given to a person by another person (“X”) who undertakes—
 - (a) on the production of it, to supply money, goods or services on credit, or
 - (b) if a third party (“Y”) supplies money, goods or services on its production, to pay Y for what is supplied.
- (2) A card, token, document or other object can be a credit-token even if—
 - (a) some other action is required in addition to its production in order for the money, goods or services to be supplied;
 - (b) X in paying Y may take a discount or commission.
- (3) For the purposes of this section—
 - (a) the use of an object given by X to operate a machine provided by X is to be treated as its production to X, and
 - (b) the use of an object given by X to operate a machine provided by Y is to be treated as its production to Y.
