33 Advance notification to OFCOM

(1) A person shall not—
   (a) provide a designated electronic communications network,
   (b) provide a designated electronic communications service, or
   (c) make available a designated associated facility,
unless, before beginning to provide it or to make it available, he has given a notification to OFCOM of his intention to provide that network or service, or to make that facility available.

(2) An electronic communications network, electronic communications service or associated facility is designated for the purposes of this section if it is of a description of networks, services or facilities that is for the time being designated by OFCOM as a description of networks, services or facilities for which notification under this section is required.

(3) A person who has given a notification for the purposes of subsection (1) must, before—
   (a) providing or making available the notified network, service or facility with any significant differences, or
   (b) ceasing to provide it or to make it available,
give a notification to OFCOM of the differences or (as the case may be) of his intention to cease to provide the network or service or to make the facility available.

(4) A notification for the purposes of this section must—
   (a) be sent to OFCOM in such manner as OFCOM may require; and
   (b) contain all such information as OFCOM may require.

(5) The only information OFCOM may require a notification to contain is—
   (a) a declaration of the relevant proposal of the person giving the notification;
   (b) the time when it is intended that effect should be given to the relevant proposal;
   (c) particulars identifying the person giving the notification;
   (d) particulars identifying one or more persons with addresses in the United Kingdom who, for the purposes of matters relating to the notified network, service or facility, are authorised to accept service at an address in the United Kingdom on behalf of the person giving the notification;
   (e) particulars identifying one or more persons who may be contacted if there is an emergency that is caused by or affects the provision of the notified network, service or facility;
   (f) addresses and other particulars necessary for effecting service on or contacting each of the persons mentioned in paragraphs (c) to (e).

(6) The declaration of the relevant proposal that may be required under subsection (5) is whichever of the following is appropriate in the case of the person giving the notification—
   (a) a declaration of his proposal to provide the network or service described in the notification or to make available the facility so described;
(b) a declaration of his proposal to make the modifications that are so described of the network, service or facility specified in the notification; or
(c) a declaration of his proposal to cease to provide the network or service so specified or to cease to make available the facility so specified.

(7) Requirements imposed under subsection (4) are not to require a notification by a person to contain particulars falling within subsection (5)(d) in a case in which—
(a) that person is resident in a member State or has a place of business in a member State;
(b) the notification contains a statement under subsection (8);
(c) the notification sets out an address in a member State at which service will be accepted by the person who, in accordance with that statement, is authorised to accept it; and

    persons who, in their opinion, are likely to be affected by it.

(4) A designation for the purposes of section 33 may be framed by reference to any such
    description of networks, services or facilities, or such other factors, as OFCOM think

(2) A charge fixed under section 38 for a charging year may be fixed in terms providing for a deduction from the charge on a proportionate basis to be made for a part of the year during which—

(4) A charge may be fixed so as to be referable to a time before it is fixed to the extent only that both—

(a) the imposition of the charge, and

(b) the amount of the charge,

are required by, and consistent with, the statement of charging principles in force at the beginning of the charging year.
(5) Before making or revising a statement of charging principles, OFCOM must consult such of the persons who, in OFCOM’s opinion, are likely to be affected by those principles as they think fit.

(6) The way in which a statement of charging principles must be made or may be revised is by the publication of the statement or revised statement in such manner as OFCOM consider appropriate for bringing it to the attention of the persons who, in their opinion, are likely to be affected by it.

(7) References in this section to a statement of charging principles are references to a statement by OFCOM of the principles that they are proposing to apply in fixing charges under section 38 for a charging year.

(8) In this section “charging year” has the same meaning as in section 38.

(3) A notification under this section is one which—
   (a) sets out the determination made by OFCOM; and

(b) OFCOM have allowed the notified charge payer an opportunity of making representations about the notified determination; and

(c) the period allowed for the making of the representations has expired.

(3) Where a notification under section 40 relates to more than one contravention, a separate penalty may be imposed in respect of each contravention.

(4) Where such a notification relates to a continuing contravention, no more than one penalty may be imposed in respect of the period of contravention specified in the notification.

(5) The amount of a penalty imposed under this section is to be such amount, not exceeding twice the amount of the charge fixed for the relevant year, as OFCOM determine to be—

(10) The provisions of this section do not affect OFCOM’s power, apart from those

42 Suspending service provision for non-payment

(1) OFCOM may give a direction under this section to a person who is a communications provider or who makes associated facilities available (“the contravening provider”) if they are satisfied—
   (a) that he is or has been in \[F67\] serious or repeated \[F66\] contravention of requirements to
       pay administrative charges fixed under section 38 (whether in respect of the whole or a part of the charges);
   (b) that the contraventions are not contraventions relating only to charges in respect of the application to the contravening provider of SMP apparatus conditions;

\[F68\] (ba) that, in the case of a single serious contravention, a notification has been given to the contravening provider under section 40 and the period for making representations under that section has expired;\]
Communications Act 2003 (c. 21)
Part 2 – Networks, services and the radio spectrum
Chapter 1 – Electronic communications networks and services

(c) that the bringing of proceedings for the recovery of the amounts outstanding has failed to secure complete compliance by the contravening provider with the requirements to pay the charges fixed in his case, or has no reasonable prospect of securing such compliance;

(d) that an attempt, by the imposition of penalties under section 41, to secure such compliance has failed; and

(e) that the giving of the direction is appropriate and proportionate to the contravention in respect of which it is given.

(2) A direction under this section is—

(a) a direction that the entitlement of the contravening provider to provide electronic communications networks or electronic communications services, or to make associated facilities available, is suspended (either generally or in relation to particular networks, services or facilities); or

(b) a direction that that entitlement is restricted in the respects set out in the direction.

(3) A direction under this section—

(a) must specify the networks, services and facilities to which it relates; and

(4) A direction under this section—

(a) in providing for the effect of a suspension or restriction to be postponed may provide for it to take effect only at a time determined by or in accordance with the terms of the direction; and

(b) in connection with the suspension or restriction contained in the direction or with the postponement of its effect, may impose such conditions on the contravening provider as appear to OFCOM to be appropriate for the purpose of protecting that provider’s customers.

(5) Those conditions may include a condition requiring the making of payments—

(a) by way of compensation for loss or damage suffered by the contravening provider’s customers as a result of the direction; or

(b) in respect of annoyance, inconvenience or anxiety to which they have been put in consequence of the direction.

(6) OFCOM are not to give a direction under this section unless they have—

(a) notified the contravening provider of the proposed direction and of the conditions (if any) which they are proposing to impose by that direction;

(b) provided him with an opportunity of making representations about the proposals and of proposing steps for remedying the situation; and

(c) considered every representation and proposal made to them during the period allowed by them for the contravening provider to take advantage of that opportunity.

(7) That period is such reasonable period as OFCOM may specify, beginning with the day of the giving of the notification.

(8) If OFCOM consider it appropriate to do so (whether or not in consequence of any representations or proposals made to them), they may revoke a direction under this section, or modify its conditions—
(a) with effect from such time as they may direct;
(b) subject to compliance with such requirements as they may specify; and
(c) to such extent and in relation to such networks, services or facilities, or parts of a network, service or facility, as they may determine.

(9) For the purposes of this section there are repeated contraventions by a person of requirements to pay administrative charges to the extent that—
(a) in the case of a previous notification given to that person under section 40, OFCOM have determined for the purposes of section 41(2) that such a contravention did occur; and
(b) in the period of \[F73 24\] months following the day of the making of that determination, one or more further notifications have been given to that person in respect of the same or different failures to pay administrative charges.

**Enforcement of directions under s. 42**

(1) A person is guilty of an offence if he provides an electronic communications network or electronic communications service, or makes available any associated facility—

(b) in contravention of a restriction contained in such a direction.

(2) A person guilty of an offence under subsection (1) shall be liable—
(a) on summary conviction, to a fine not exceeding the statutory maximum;
(b) on conviction on indictment, to a fine.

(3) The duty of a person to comply with a condition of a direction under section 42 shall be a duty owed to every person who may be affected by a contravention of the condition.

(4) Where a duty is owed by virtue of subsection (3) to a person—
(a) a breach of the duty that causes that person to sustain loss or damage, and
(b) an act which—
   (i) by inducing a breach of the duty or interfering with its performance, causes that person to sustain loss or damage, and
   (ii) is done wholly or partly for achieving that result, shall be actionable at the suit or instance of that person.

(5) In proceedings brought against a person by virtue of subsection (4)(a) it shall be a defence for that person to show that he took all reasonable steps and exercised all due diligence to avoid contravening the condition in question.

§ 48A. Domestic consultation for section 45 conditions

(1) This section applies where OFCOM propose to set, modify or revoke—

- (a) SMP apparatus conditions; or
- (b) any other conditions set under section 45 where what is proposed would, in OFCOM’s opinion, have a significant impact on a market for any of the services, facilities, apparatus or directories in relation to which they have functions under this Chapter.

(2) But this section does not apply where the proposal is of EU significance and in OFCOM’s opinion—
(a) there are exceptional circumstances; and
(b) there is an urgent need to act in order to safeguard competition and to protect the interests of consumers.

(3) OFCOM must publish a notification—
   (a) stating that they are proposing to set, modify or revoke the conditions that are specified in the notification;
   (b) setting out the effect of those conditions, modifications or revocations;
   (c) giving their reasons for making the proposal; and
   (d) specifying the period within which representations may be made to OFCOM about their proposal.

(4) That period must end no less than one month after the day of the publication of the notification.

(5) But where OFCOM are satisfied that there are exceptional circumstances justifying the use of a shorter period, the period specified as the period for making representations may be whatever shorter period OFCOM consider reasonable in those circumstances.

(6) OFCOM must—
   (a) consider every representation about the proposal made to them during the period specified in the notification; and
   (b) have regard to every international obligation of the United Kingdom (if any) which has been notified to them for the purposes of this paragraph by the Secretary of State.

(7) Where the proposal is not of EU significance, OFCOM may then give effect to it, with any modifications that appear to OFCOM to be appropriate.

   (b) taking a decision to lift its reservations in accordance with paragraph (5)(b) of that Article.

(b) that domestic and small business customers have the right to use those procedures free of charge; and

c) that where public communications providers are in contravention of conditions set in accordance with the preceding provisions of this section, the providers follow such procedures as may be required by the general conditions.

(c) give, in the case of every communications provider to whom the arrangements apply, a right to each of his domestic and small business customers to use the procedures free of charge;

(b) whether or in what manner to exercise their powers under subsections (3) to (5),

(b) the need to secure that there is consistency between the different procedures for the time being approved by OFCOM; and
(c) the need to secure that the number of different sets of procedures so approved is kept to a minimum.

(8) In this section—
“approval” means approval for the purposes of subsection (5) of section 52 and “approve” and “approved” are to be construed accordingly;
“dispute procedures” means any such procedures as may fall to be approved for the purposes of that subsection; and
“domestic and small business customer” has the same meaning as in section 52.

(1) OFCOM may set conditions under this section that apply to persons other than communications providers and relate to—

   (b) the transfer of allocations to and from such persons; and
   (c) the use of telephone numbers by such persons.

   (b) the transfer of allocations; or
   (c) the use of telephone numbers.

(3) Subsection (10) of section 45 applies to OFCOM’s power to set a condition under this section as it applies to their power to set a condition under that section.

(4) Sections 47 to 49 apply in relation to—
   (a) the setting of conditions under this section and the modification and revocation of such conditions; and
   (b) the giving, modification or withdrawal of any direction, approval or consent for the purposes of a condition under this section,

as they apply in the case of general conditions and in the case of directions, approvals and consents given for the purposes of general conditions.

   (b) applies for the allocation of a telephone number, or is allocated such a number,

to comply with any conditions set under this section.

(6) That duty shall be enforceable in civil proceedings by OFCOM—
   (a) for an injunction;
   (b) for specific performance of a statutory duty under section 45 of the Court of Session Act 1988 (c. 36); or
   (c) for any other appropriate remedy or relief.

(7) Subsection (6) does not apply in the case of a person against whom the obligations contained in the condition in question are enforceable (by virtue of his having become a communications provider) as obligations imposed by general conditions.

60 Modification of documents referred to in numbering conditions

(1) This section applies where numbering conditions for the time being have effect by reference to provisions, as they have effect from time to time, of—
   (a) the National Telephone Numbering Plan; or
   (b) another document published by OFCOM.

(2) OFCOM must not revise or otherwise modify the relevant provisions unless they are satisfied that the revision or modification is—
(a) objectively justifiable in relation to the matters to which it relates;
(b) not such as to discriminate unduly against particular persons or against a particular description of persons;
(c) proportionate to what the modification is intended to achieve; and
(d) in relation to what it is intended to achieve, transparent.

(3) Before revising or otherwise modifying the relevant provisions, OFCOM must publish a notification—
(a) stating that they are proposing to do so;
(b) specifying the Plan or other document that they are proposing to revise or modify;
(c) setting out the effect of their proposed revisions or modifications;
(d) giving their reasons for making the proposal; and
(e) specifying the period within which representations may be made to OFCOM about their proposal.

(4) That period must be one ending not less than one month after the day of the publication of the notification.

(5) OFCOM may give effect, with or without modifications, to a proposal with respect to which they have published a notification under subsection (3) only if—
(a) they have considered every representation about the proposal that is made to them within the period specified in the notification; and
(b) they have had regard to every international obligation of the United Kingdom (if any) which has been notified to them for the purposes of this paragraph by the Secretary of State.

(6) The publication of a notification under this section must be in such manner as appears to OFCOM to be appropriate for bringing the contents of the notification to the attention of such persons as OFCOM consider appropriate.

(7) In this section—
“numbering conditions” means—
(a) general conditions the making of which is authorised by section 57 or 58;
(b) conditions set under section 59;

61 Withdrawal of telephone number allocations

(1) Where OFCOM have allocated telephone numbers for the purposes of any numbering conditions, they may withdraw that allocation if, and only if, the case is one in which the withdrawal of an allocation is authorised by this section.
(2) The withdrawal of an allocation is authorised (subject to section 62) if—
   (a) consent to the withdrawal is given by the person to whom the numbers are for the time being allocated;
   (b) the withdrawal is made for the purposes of a transfer of the allocation required by numbering conditions;
   (c) the withdrawal is made for the purposes of a numbering reorganisation applicable to a particular series of telephone numbers;
   (d) the withdrawal is made in circumstances specified in the numbering conditions and for the purpose of securing that what appears to OFCOM to be the best and most efficient use is made of the numbers and other data that are appropriate for use as telephone numbers;
   (e) the allocated numbers are numbers that have not been adopted during such period after their allocation as may be specified in the numbering conditions; or
   (f) the allocated numbers are comprised in a series of numbers which have not to a significant extent been adopted or used during such period as may be so specified.

(3) The withdrawal of an allocation is also authorised where—
   (a) there have been serious or repeated contraventions, by the person to whom the allocation is for the time being allocated, of the numbering conditions; and
   (b) it appears to OFCOM that the taking of other steps in respect of the contraventions is likely to prove ineffective for securing future compliance.

(4) The withdrawal of an allocation is also authorised where—
   (a) the person to whom the allocation is for the time being allocated is not a communications provider; and
   (b) it appears to OFCOM that contraventions by that person of numbering conditions makes the withdrawal of the allocation appropriate.

(5) OFCOM’s power to set conditions specifying circumstances for the purposes of subsection (2)(d), and their power to withdraw an allocation in the specified circumstances, are each exercisable only in a manner that does not discriminate unduly—
   (a) against particular communications providers;
   (b) against particular users of the allocated numbers; or
   (c) against a particular description of such providers or users;
and the purposes for which those powers may be exercised do not include the carrying out of a numbering reorganisation of the sort mentioned in subsection (2)(c).

(6) Where OFCOM are proposing to withdraw an allocation in exercise of the power conferred by virtue of subsection (2)(e) or (f), they must—
   (a) give a notification of their proposal;
   (b) consider any representations made to them about the proposal within the period of one month following the day on which the notification is given; and
   (c) ensure that the withdrawal (if OFCOM decide to proceed with it after considering those representations) does not take effect until the end of the three months beginning with the end of the period mentioned in paragraph (b).
(7) A notification for the purposes of subsection (6) must be given in such manner as OFCOM consider appropriate for bringing it to the attention of—

(a) the person to whom the numbers to which the proposed withdrawal relates are for the time being allocated;

(b) every person appearing to OFCOM to be a person to whom communications are or may be transmitted using one of those numbers for identifying the destination or route;

(c) every person who uses one or more of those numbers for obtaining access to services or for communication; and

(d) every other person who, in OFCOM’s opinion, is likely to be affected by the proposal.

(8) For the purposes of this section there are repeated contraventions by a person of numbering conditions to the extent that—

[F113 (a) in the case of a previous notification of a contravention given to that person under section 96A, OFCOM have given a confirmation decision to that person under section 96C(2) in respect of the contravention; and

(b) in the period of 24 months following the giving of that confirmation decision, one or more further confirmation decisions have been given to the person in respect of contraventions of numbering conditions;
]

and for the purposes of this subsection it shall be immaterial whether the confirmation decisions related to the same contravention or to different contraventions of the same or different conditions.

(9) In this section “numbering conditions” means—

(a) general conditions the making of which is authorised by section 58; or

(b) conditions set under section 59.

---

62 Numbering reorganisations

(1) This section applies to the withdrawal of an allocation for the purposes of a numbering reorganisation that is applicable to a particular series of telephone numbers.

(2) The allocation is to be withdrawn only if the reorganisation, so far as it relates to numbers of any description, is not such as to discriminate unduly—
(a) against particular communications providers;
(b) against particular users of the allocated numbers; or
(c) against a particular description of such providers or users.

(3) The allocation must not be withdrawn if the reorganisation fails to provide for withdrawn allocations to be replaced by allocations of telephone numbers so nearly resembling the numbers to which the withdrawal relates as the purpose of the reorganisation allows.

(4) Where a replacement allocation is made for the purposes of the re-organisation—
(a) no payment is to be made to OFCOM in respect of the making of the replacement allocation; but
(b) subsection (5) is to apply.

(5) Where this subsection applies—
(a) a provision for the making of periodic payments in respect of the withdrawn allocation is to be treated, to the extent that OFCOM determine that it should, as a provision requiring the making of periodic payments in respect of the replacement allocation; and
(b) OFCOM may, if they think fit, make such repayments or adjustments of a provision for payment as appear to them to be appropriate in consequence of differences between—
   (i) the numbers to which the withdrawn allocation relates; and
   (ii) the numbers to which the replacement allocation relates.

63 General duty as to telephone numbering functions

(1) It shall be the duty of OFCOM, in the carrying out of their functions under sections 56 to 62—
   (a) to secure that what appears to them to be the best use is made of the numbers that are appropriate for use as telephone numbers; and
   (b) to encourage efficiency and innovation for that purpose.

(2) It shall also be the duty of OFCOM, in carrying out those functions, to secure that there is no undue discrimination by communications providers against other communications providers in relation to the adoption of telephone numbers for purposes connected with the use by one communications provider, or his customers, of an electronic communications network or electronic communications service provided by another.

(3) In this section “number” has the same meaning as in section 56.
64 Must-carry obligations

(1) General conditions may include conditions making any provision that OFCOM consider appropriate for securing that particular services are broadcast or otherwise transmitted by means of the electronic communications networks described in the conditions.

(2) A general condition containing provision authorised by this section is not (subject to subsection (4)) to require a service to be broadcast or otherwise transmitted by means of an electronic communications network unless—

(a) the service is included in the list of must-carry services; and

(b) the effect of the requirement is confined to networks by means of which public electronic communications services are provided that are used by a significant number of end-users as their principal means of receiving television programmes.

(3) That list is as follows—

(a) any service of television programmes provided by the BBC so far as it is provided in digital form and is a service in relation to which OFCOM have functions;

(b) the Channel 3 services so far as provided in digital form;

(c) Channel 4 so far as provided in digital form;

(d) Channel 5 so far as provided in digital form;

(e) S4C Digital;

(f) the digital public teletext service.

(4) General conditions making provision authorised by this section in relation to a listed service must, to such extent as OFCOM consider appropriate (and subject to subsection (5))—

(a) apply the requirement to broadcast or otherwise transmit that service to every service which is an ancillary service by reference to the listed service [including, but not limited to, a service enabling access for disabled end-users]; and

(b) provide for the listed service to be treated for the purposes of the conditions as constituting such other services comprised in or provided with that service as may be determined by OFCOM.

(5) General conditions making provision authorised by this section must also comply with all such restrictions (if any) as may be imposed by order made by the Secretary of State as to the maximum and minimum amounts, or proportions, of available capacity that are to be required by such conditions to be used in the case of a network for the broadcasting or other transmission of particular services, or descriptions of service.
(6) In making an order under subsection (5) the Secretary of State must have regard to—
   (a) the objective of securing that services included in the list of must-carry services, and the other services to which conditions set in accordance with this section are likely to be applied by virtue of subsection (4), are available for reception by as many members of the public in the United Kingdom as practicable; and
   (b) the need to secure that the amount of capacity available in the case of every network for making other services available is reasonable and, accordingly, that the burden of complying with conditions set in accordance with this section is proportionate to the public benefit to be secured by that objective.

(7) It shall be the duty of the Secretary of State from time to time to review—
   (a) the list of must-carry services; and
   (b) any requirements for the time being in force under this section with respect to the terms on which services must be broadcast or otherwise transmitted.

(8) Where the Secretary of State carries out such a review, he must consult the following about the matters under review—
   (a) OFCOM; and
   (b) such persons who, in his opinion, are likely to be affected by a modification of the list of must-carry services, or who represent any of those persons, as he thinks fit.

(9) If, on such a review, he considers it appropriate to do so, the Secretary of State may by order modify the list of must-carry services.

(10) In determining whether it is appropriate for the purposes of subsection (9) to add a service to the list of must-carry services or to remove it, the Secretary of State must have regard, in particular, to—
   (a) the public benefit to be secured by the addition of the service to the list, or by its retention in the list;
   (b) the extent to which the service (if it were not included in the list) would nevertheless be made available to an acceptable technical standard by means of the networks to which conditions set in accordance with this section apply;
   (c) the capacity left available, after the requirements of those conditions have been complied with, for the broadcasting or other transmission of material by means of each of those networks; and
   (d) the need to secure that the burden of complying with conditions so set is proportionate to the objective of securing that the services in the list of must-carry services, and the other services to which conditions set in accordance with this section are likely to be applied by virtue of subsection (4), are available for reception by as many members of the public in the United Kingdom as practicable.

(11) The Secretary of State may also, if (whether on such a review or in any other circumstances) he considers it appropriate to do so, by order make provision imposing requirements as to what, as between—
   (a) the person providing a must-carry service, and
   (b) the person providing a network by means of which it is to be provided,
   are to be the terms on which the service is to be broadcast or otherwise transmitted, in pursuance of general conditions set in accordance with this section, by means of that network.
(12) An order under subsection (11) may provide for the terms to be determined by OFCOM in accordance with the provisions of the order.

(13) Before making an order under subsection (5), and before making an order under subsection (11) in a case in which there has been no review under subsection (7), the Secretary of State must consult—

(a) OFCOM, and

(b) such persons who, in his opinion, are likely to be affected by the order, or who represent any of those persons, as he thinks fit.

(14) Section 362 applies for construing this section as it applies for the purposes of Part 3.

SMP conditions: procedure

78 Circumstances required for the setting of SMP conditions

(1) For the purposes of this Chapter a person shall be taken to have significant market
power in relation to a market if he enjoys a position which amounts to or is equivalent
to dominance of the market.

(2) References in this section to dominance of a market must be construed in accordance
with any applicable provisions of Article 14 of the Framework Directive.

(3) A person is to be taken to enjoy a position of dominance of a market if he is one of a
number of persons who enjoy such a position in combination with each other.

(4) A person or combination of persons may also be taken to enjoy a position of dominance
of a market by reason wholly or partly of his or their position in a closely related
market if the links between the two markets allow the market power held in the closely
related market to be used in a way that influences the other market so as to strengthen
the position in the other market of that person or combination of persons.

(5) The matters that must be taken into account in determining whether a combination of
persons enjoys a position of dominance of a services market include, in particular, the
79 Market power determinations

(1) Before making a market power determination, OFCOM must—
   (a) identify (by reference, in particular, to area and locality) the markets which in
       their opinion are the ones which in the circumstances of the United Kingdom
       are the markets in relation to which it is appropriate to consider whether to
       make the determination; and
   (b) carry out an analysis of the identified markets.

(2) In identifying or analysing any services market for the purposes of this Chapter,
    OFCOM must take due account of all applicable guidelines and recommendations
    which—
    (a) have been issued or made by the European Commission in pursuance of the
        provisions of a [F3EU] instrument; and
    (b) relate to market identification and analysis.

(3) In considering whether to make or revise a market power determination in relation
    to a services market, OFCOM must take due account of all applicable guidelines and
    recommendations which—
    (a) have been issued or made by the European Commission in pursuance of the
        provisions of a [F3EU] instrument; and
    (b) relate to market analysis or the determination of what constitutes significant
        market power.

(4) The way in which—
    (a) a market is to be identified for the purposes of this section, or
    (b) a market power determination is to be made,
    is by the publication of a notification containing the identification or determination.

(5) Notifications for the purposes of subsection (4)—
    (a) may be given separately;
    (b) may be contained in a single notification relating to both the identification of a
        market and the making of a market determination in relation to that market; or
    (c) may be contained in a single notification under section 48(1) with respect to
        the setting or modification of an SMP condition and either—
            (i) the making of the market power determination by reference to which
                OFCOM set or modify that condition; or
            (ii) the making of that market power determination and the identification
                of the market in relation to which they make that determination.

(6) The publication of a notification under this section must be in such manner as appears
    to OFCOM to be appropriate for bringing the contents of the notification to the
    attention of the persons who, in OFCOM’s opinion, are likely to be affected by the
    matters notified.
(7) References in this section to guidelines and recommendations issued by the European Commission and to a [EU] instrument include references, respectively, to guidelines and recommendations issued after the commencement of this section and to a [EU] instrument made after the commencement of this section.

80 Proposals for identifying markets and for market power determinations

[F137(1) Where section 80A applies, OFCOM must comply with the applicable requirements of that section and section 80B before—
(a) identifying a market for the purposes of making a market power determination, or
(b) making a market power determination.

(1A) Where section 80A does not apply because of subsection (2) of that section—
(a) any identification of a market or market power determination must be temporary; and
(b) the notification published under section 79(4) containing the identification or determination must state the period for which the identification or determination is to have effect.

(1B) Where OFCOM propose to extend or make permanent any such temporary identification or determination—
(a) sections 80A and 80B(1) do not apply in relation to the proposal; and
(b) subsections (2) to (8) of section 80B apply in relation to the proposal as if the words from the beginning of subsection (2) to “appropriate” were omitted.

(7) The power of OFCOM to [F138] identify a market or make a market power determination is subject to section 83].
80A. Domestic consultation for market identifications and market power determinations

(1) This section applies where—
   (a) OFCOM propose—
       (i) to identify a market for the purposes of making a market power determination; or
       (ii) to make a market power determination; and
   (b) (in the case of a services market) the proposed identification or determination is in OFCOM’s opinion likely to result in the setting, modification or revocation of SMP services conditions that will have a significant impact on the market.

(2) But this section does not apply where the proposal is of EU significance and in OFCOM’s opinion—
   (a) there are exceptional circumstances; and
   (b) there is an urgent need to act in order to safeguard competition and to protect the interests of consumers.

(3) OFCOM must publish a notification of what they are proposing to do.

(4) Notifications for the purposes of subsection (3)—
   (a) may be given separately;
   (b) may be contained in a single notification relating to both the identification of a market and the making of a market power determination in relation to that market; or
   (c) may be contained in a single notification under section 48A(3) with respect to the setting or modification of an SMP condition and either—
       (i) the making of the market power determination by reference to which OFCOM are proposing to set or modify that condition; or
       (ii) the making of that market power determination and the identification of the market in relation to which they are proposing to make that determination.

(5) A notification under this section relating to a proposal to identify a market or to make a market power determination must—
   (a) state that OFCOM are proposing to identify that market or to make that market power determination;
   (b) set out the effect of the proposal;
   (c) give their reasons for making the proposal; and
   (d) specify the period within which representations may be made to OFCOM about their proposal.

(6) That period must be a period of not less than one month after the day of the publication of the notification.

(7) But where OFCOM are satisfied that there are exceptional circumstances justifying the use of a shorter period, the period specified as the period for making representations may be whatever shorter period OFCOM considers reasonable in those circumstances.
(8) The publication of a notification under this section must be in such manner as appears to OFCOM to be appropriate for bringing the contents of the notification to the attention of the persons who, in OFCOM’s opinion, are likely to be affected by the matters notified.

(9) OFCOM must—
   (a) consider every representation about the proposal made to them during the period specified in the notification; and
   (b) have regard to every international obligation of the United Kingdom (if any) which has been notified to them for the purposes of this paragraph by the Secretary of State.

(10) Where the proposal is not of EU significance, OFCOM may then give effect to it, with any modifications that appear to OFCOM to be appropriate.

---

80B. **EU consultation for market identifications and market power determinations**

(1) This section applies where, after complying with section 80A(9) in relation to a proposal of EU significance, OFCOM wish to proceed with the proposal.

(2) After making any modifications of the proposal that appear to OFCOM to be appropriate, OFCOM must send a copy of the proposal, and of a statement setting out the reasons for it, to—
   (a) the European Commission;
   (b) BEREC; and
   (c) the regulatory authorities in every other member State.

(3) If at the end of the period of one month referred to in paragraph (3) of Article 7 of the Framework Directive no indication has been given to OFCOM by the Commission under paragraph (4) of that Article, OFCOM may give effect to the proposal, with any modifications that appear to them to be appropriate.

(4) Before giving effect to the proposal under subsection (3), OFCOM must consider any comments made by—
   (a) the Commission;
   (b) BEREC; and
   (c) any regulatory authority in any other member State.

(5) Subsections (6) to (8) apply where such an indication is given by the Commission to OFCOM during that period.

(6) If under Article 7(5)(a) of the Framework Directive the Commission requires OFCOM to withdraw the proposal, OFCOM must amend or withdraw the proposal within 6 months of the date of the Commission’s decision.

(7) Where the proposal is amended under subsection (6), section 80 applies in relation to the amended proposal as if it were a new proposal.
(8) OFCOM may give effect to the proposal, with any modifications that appear to them to be appropriate—
   
   (a) if the Commission takes a decision to lift its reservations in accordance with paragraph (5)(b) of Article 7 of the Framework Directive; or
   
   (b) if at the end of the period of 2 months referred to in paragraph (4) of that Article the Commission has neither required OFCOM to withdraw the proposal under paragraph (5)(a) nor lifted its reservations under paragraph (5)(b).

(2) Where the market area includes the whole or a part of the United Kingdom, OFCOM must enter into and maintain arrangements with the other relevant regulatory authorities about—
   (a) the extent to which the agreement of all the relevant regulatory authorities is required for the doing of any of the things mentioned in subsection (3); and
   (b) the procedures to be followed for securing that agreement where it is required.

(3) Those things are—

   (c) the setting of a condition the setting of which requires such a determination to have been made;
   (d) the modification or revocation of such a condition.

(4) OFCOM must not do any of the things mentioned in subsection (3) except in accordance with arrangements maintained under that subsection.

(5) Those arrangements may include arrangements requiring OFCOM, when doing any of those things, to comply with—

(1) This section applies where OFCOM have identified and analysed a services market for the purposes of making a market power determination.

(2) OFCOM [F142 may (and, when required to do so by section 84A, must)] carry out further analyses of the identified market for one or both of the following purposes—

(4) Before carrying out a further analysis under subsection (2), OFCOM may review any decision of theirs identifying the markets which it was appropriate to consider for the purpose of carrying out an earlier analysis.

(5) Where, on such a review, OFCOM conclude that the appropriate markets have changed—
   (a) they must identify the markets they now consider to be the appropriate ones; and
   (b) those markets shall be the identified markets for the purposes of the further analysis.

(7) Sections 79 to 83 apply—
   (a) in relation to the identification of a services market for the purposes of reviewing a market power determination under this section, as they apply in relation to the identification of such a market for the purpose of making a market determination; and

(b) the condition is set by reference to a market power determination made in relation to a market in which OFCOM are satisfied there has been no material change since the determination was made.

(2) OFCOM must not modify or revoke SMP services conditions applying to a person except in a case falling within subsection (3) or (4).

(3) The first case is where, for the purpose of determining whether to make the modification or revocation, OFCOM have—

(a) carried out a further analysis under section 84 of the market in question; and

(b) reviewed the market power determination for the time being in force in that person’s case.

(4) The second case is where OFCOM are satisfied that there has not—

(a) in the case of an unmodified condition, since the condition was set, or

(b) in any other case, since the condition was last modified, been a material change in the market identified or otherwise used for the purposes of the market power determination by reference to which the condition was set or last modified.

(5) OFCOM must not modify SMP apparatus conditions applying to a person except where, for the purpose of determining whether to make the modification or revocation, they have—

(a) carried out a further analysis under section 85 of the market in question; and

(b) reviewed the market power determination for the time being in force in that person’s case.

(6) A change is a material change for the purposes of subsection (1) or (4) if it is one that is material to—

(a) the setting of the condition in question; or

(b) the modification or revocation in question.
SMP services conditions: subject-matter

87 Conditions about network access etc.

(1) Where OFCOM have made a determination that a person to whom this section applies ("the dominant provider") has significant market power in an identified services market, they shall—
   (a) set such SMP conditions authorised by this section as they consider it appropriate to apply to that person in respect of the relevant network or relevant facilities; and
   (b) apply those conditions to that person.

(2) This section applies to—
   (a) a person who provides a public electronic communications network; and
   (b) a person who makes available facilities that are associated facilities by reference to such a network.

(3) This section authorises SMP conditions requiring the dominant provider to give such entitlements as OFCOM may from time to time direct as respects—
   (a) the provision of network access to the relevant network;
   (b) the use of the relevant network; and
   (c) the availability of the relevant facilities.

(4) In determining what conditions authorised by subsection (3) to set in a particular case, OFCOM must take into account, in particular, the following factors—
   (a) the technical and economic viability [F146](including the viability of other network access products, whether provided by the dominant provider or another person)] , having regard to the state of market development, of installing and using facilities that would make the proposed network access unnecessary;
   (b) the feasibility of the provision of the proposed network access;
   (c) the investment made by the person initially providing or making available the network or other facility in respect of which an entitlement to network access is proposed [F147](taking account of any public investment made)] ;
   (d) the need to secure effective competition [F148](including, where it appears to OFCOM to be appropriate, economically efficient infrastructure based competition] in the long term;
   (e) any rights to intellectual property that are relevant to the proposal; and
   (f) the desirability of securing that electronic communications services are provided that are available throughout the member States.

(5) The conditions authorised by subsection (3) may include provision—
   (a) for securing fairness and reasonableness in the way in which requests for network access are made and responded to; and
   (b) for securing that the obligations contained in the conditions are complied with within the periods and at the times required by or under the conditions.

[F149](5A) The SMP conditions authorised by this section also include a condition which—
   (a) is of a technical or operational nature; and
(b) appears to OFCOM to be appropriate for securing the proper operation of an electronic communications network in compliance with a condition under subsection (3).

(5B) A condition falling within subsection (5A) may provide that compliance with the condition is not required unless a person on whom an entitlement is or may be conferred in pursuance of a requirement imposed by a condition under subsection (3) fulfils such technical or operational requirements as may be specified by OFCOM.

(5C) It shall be the duty of OFCOM, when setting a condition falling within subsection (5A), to ensure that it contains all such provision as they consider appropriate for the purpose of taking account of the relevant international standards.

(6) The SMP conditions authorised by this section also include one or more of the following—

(a) a condition requiring the dominant provider not to discriminate unduly against particular persons, or against a particular description of persons, in relation to matters connected with network access to the relevant network or with the availability of the relevant facilities;

(b) a condition requiring the dominant provider to publish, in such manner as OFCOM may from time to time direct, all such information as they may direct for the purpose of securing transparency in relation to such matters;

(c) a condition requiring the dominant provider to publish, in such manner as OFCOM may from time to time direct, the terms and conditions on which he is willing to enter into an access contract;

(d) a condition requiring the terms and conditions on which the dominant provider is willing to enter into an access contract to include such terms and conditions as may be specified or described in the condition;

(e) a condition requiring the dominant provider to make such modifications as OFCOM may direct of any offer by that provider which sets out the terms and conditions on which he is willing to enter into an access contract.

(7) The SMP conditions authorised by this section also include conditions requiring the dominant provider to maintain a separation for accounting purposes between such different matters relating—

(a) to network access to the relevant network, or

(b) to the availability of the relevant facilities,

as OFCOM may from time to time direct.

(8) The SMP conditions authorised by subsection (7) include conditions imposing requirements about the accounting methods to be used in maintaining the separation.

(9) The SMP conditions authorised by this section also include (subject to section 88) conditions imposing on the dominant provider—

(a) such price controls as OFCOM may direct in relation to matters connected with the provision of network access to the relevant network, or with the availability of the relevant facilities;

(b) such rules as they may make in relation to those matters about the recovery of costs and cost orientation;

(c) such rules as they may make for those purposes about the use of cost accounting systems; and

(d) obligations to adjust prices in accordance with such directions given by OFCOM as they may consider appropriate.
(10) The SMP conditions authorised by subsection (9) include conditions requiring the application of presumptions in the fixing and determination of costs and charges for the purposes of the price controls, rules and obligations imposed by virtue of that subsection.

(11) Where OFCOM set a condition authorised by this section which imposes rules on the dominant provider about the use of cost accounting systems, it shall be their duty also to set, and to apply to him, an SMP condition which imposes on him an obligation—

(a) to make arrangements for a description to be made available to the public of the cost accounting system used in pursuance of that condition; and

(b) to include in that description details of—

(i) the main categories under which costs are brought into account for the purposes of that system; and

(ii) the rules applied for the purposes of that system with respect to the allocation of costs.

(12) In this section—

“access contract” means—

(a) a contract for the provision by a person to whom this section applies to another person of network access to the relevant network; or

(b) a contract under which the relevant facilities are made available by a person to whom this section applies to another person;

“the relevant facilities”, in relation to a person to whom this section applies, means the associated facilities made available by that person in relation to a public electronic communications network; and

“the relevant network”, in relation to such a person, means the public electronic communications network provided by him.

88 Conditions about network access pricing etc.

(1) OFCOM are not to set an SMP condition falling within section 87(9) except where—

(a) it appears to them from the market analysis carried out for the purpose of setting that condition that there is a relevant risk of adverse effects arising from price distortion; and
(b) it also appears to them that the setting of the condition is appropriate for the purposes of—
   (i) promoting efficiency;
   (ii) promoting sustainable competition; and
   (iii) conferring the greatest possible benefits on the end-users of public electronic communications services.

(2) In setting an SMP condition falling within section 87(9) OFCOM must take account of the extent of the investment in the matters to which the condition relates of the person to whom it is to apply.

(3) For the purposes of this section there is a relevant risk of adverse affects arising from price distortion if the dominant provider might—
   (a) so fix and maintain some or all of his prices at an excessively high level, or
   (b) so impose a price squeeze,
   as to have adverse consequences for end-users of public electronic communications services.

(4) In considering the matters mentioned in subsection (1)(b) OFCOM may—
   (a) have regard to the prices at which services are available in comparable competitive markets;
   (b) determine what they consider to represent efficiency by using such cost accounting methods as they think fit.

(5) In this section “the dominant provider” has the same meaning as in section 87.

**89 Conditions about network access in exceptional cases**

(1) This section applies where—
   (a) OFCOM have made a determination that a person (“the dominant provider”) has significant market power in an identified services market;
   (b) that person is the provider of an electronic communications network or a person who makes associated facilities available; and
   (c) OFCOM consider that there are exceptional circumstances making it appropriate for conditions with respect to the provision of network access to be applied to the dominant provider in addition to those that are required to be or may be applied to him apart from this section.

(2) OFCOM may set the additional SMP conditions and apply them to the dominant provider if—
   (a) they have submitted the additional conditions to the European Commission for approval; and
   (b) the Commission has approved the imposition on the dominant provider of the obligations contained in those conditions.

[F150 89A. Functional separation]

(1) This section applies where—

(a) OFCOM have made a determination that a person ("the dominant provider") has significant market power in an identified services market;

(b) that person is the provider of a public electronic communications network or a person who makes available facilities that are associated facilities by reference to such a network;

(c) it appears to OFCOM that the setting of conditions applying to the dominant provider under section 87 (and, where OFCOM think it appropriate, section 88) has failed to address competition problems identified by OFCOM in carrying out a market analysis for the purpose of setting or modifying those conditions; and

(d) OFCOM have identified important and persisting competition problems or market failures in relation to the provision of network access.

(2) OFCOM may set an SMP services condition (referred to in this section and section 89B as a "functional separation condition") requiring the dominant provider to transfer activities relating to the provision of network access to an independently operating business entity which is a part of the dominant provider.

(3) Where a functional separation condition is imposed on the dominant provider, the products or services specified in the condition must be given to the dominant provider and to other persons—

(a) on the same timescales, terms and conditions, including those relating to price and service levels, and

(b) by means of the same systems and processes.

(4) A functional separation condition must, where relevant, specify—

(a) the precise nature and level of separation, specifying in particular the legal status of the entity to which activities are transferred;

(b) an identification of the assets of that entity and the products or services to be supplied by it;

(c) the governance arrangements (including incentive structures) to ensure the independence of the staff employed in that entity;

(d) rules for ensuring compliance with the obligations imposed by the condition;

(e) rules for ensuring transparency of operational procedures, in particular towards persons, other than the dominant provider, who in OFCOM’s opinion are likely to be affected by the condition; and

(f) a monitoring programme to ensure compliance, including a requirement for the publication of an annual report.
89B. Functional separation conditions: consultation and notification

(1) Where OFCOM propose to apply a functional separation condition to a person, they must submit their proposal, including the draft functional separation condition, to the European Commission.

(2) The proposal must set out—
(a) evidence justifying the conclusions mentioned in section 89A(1)(c) and (d);
(b) a reasoned assessment that there is little or no prospect of effective and sustainable infrastructure based competition within a reasonable time frame;
(c) an analysis of the expected impact of the condition on—
(i) OFCOM;
(ii) the person on whom the condition is to be imposed;
(iii) the staff of the entity to which activities are to be transferred;
(iv) the electronic communications sector as a whole;
(v) incentives to invest in the electronic communications sector, particularly with regard to the need to ensure social and territorial cohesion;
(vi) competition in the services market affected by the condition; and
(vii) other persons who in OFCOM’s opinion are likely to be affected by the condition, including, in particular, consumers; and
(d) an analysis of the reasons why a functional separation condition would be the most effective means of addressing important and persisting competition problems or market failures identified by OFCOM.

(3) OFCOM may set the functional separation condition and apply it to a person if—
(a) the Commission has approved the imposition on the person of the obligations contained in the condition, and
(b) OFCOM have considered the impact that the obligations contained in the condition and approved by the Commission are likely to have on SMP services conditions set in relation to the services markets which, in OFCOM’s opinion, will be affected by the proposed condition.

(4) A proposal for a functional separation condition is to be submitted to the European Commission under this section before OFCOM carry out a consultation under section 48A in relation to the condition.
89C. **Obligation to notify OFCOM of voluntary separation**

(1) This section applies where—

   (a) OFCOM have made a determination that a person (“the dominant provider”) has significant market power in an identified services market;

   (b) the dominant provider is the provider of a public electronic communications network or a person who makes associated facilities available; and

   (c) the dominant provider decides to transfer a substantial part or all of the dominant provider’s local access network assets to an independently operating business entity (which may be a part of the dominant provider or another person) for the purpose specified in subsection (2).

(2) That purpose is to use the assets to provide products or services to the dominant provider and to other persons—

   (a) on the same timescales, terms and conditions, including those relating to price and service levels; and

   (b) by means of the same systems and processes.

(3) The dominant provider must notify OFCOM of—

   (a) the decision to transfer the assets;

   (b) any changes to its intentions; and

   (c) the taking effect of the transfer.

(4) Where OFCOM receive a notification under this section, they must, as soon as reasonably practicable, consider the impact that the transfer is likely to have on SMP services conditions set in relation to the services markets which, in OFCOM’s opinion, will be affected by the proposed transfer.

(1) Where—
(a) OFCOM have made a determination that a person ("the dominant provider") has significant market power in an identified services market ("the relevant market"),

(b) the relevant market is one for the end-users of public electronic communications services that are available in that market, and

(c) it appears to OFCOM that the test in subsection (2) is satisfied in the case of that provider,

they shall set, and apply to that provider, such SMP conditions authorised by this section as they consider appropriate.

(2) That test is that OFCOM are unable, by the setting of conditions of the sorts specified in subsection (3), to perform, or fully to perform, their duties under section 4 in relation to the market situation in the relevant market.

(3) The sorts of conditions referred to in subsection (2) are—

(a) access-related conditions; and

(b) SMP conditions authorised or required by sections 87 to [F152]89 .

(4) The reference in subsection (2) to the market situation in the relevant market is a reference to the situation revealed by such market analyses of that market as may have been carried out for the purposes of this Chapter.

(5) The SMP conditions authorised by this section are conditions imposing on the dominant provider such regulatory controls as OFCOM may from time to time direct in relation to the provision by that provider of any public electronic communications service to the end-users of that service.

(6) Where OFCOM set a condition which is authorised by this section and imposes regulatory control on tariffs or other matters to which costs are relevant, they shall also set, and apply to the dominant provider, an SMP condition which requires him, to the extent that they consider it appropriate—

(a) to use such cost accounting systems as may be determined by them;

(b) to have the use of those systems audited annually by a qualified auditor; and

(c) to publish an annual statement about compliance by the dominant provider with the obligations imposed by virtue of paragraph (a).

(b) if the appointment to carry out such auditing as is mentioned in subsection (6) (b) were an appointment as a statutory auditor, would not be prohibited from acting by section 1214 of that Act (independence requirement).]

SMP apparatus conditions: subject-matter

93 Conditions about apparatus supply

(1) Where OFCOM have made a determination that a person (“the dominant supplier”) has significant market power in an identified apparatus market, they may—
   (a) set such SMP conditions authorised by this section as they consider it appropriate to apply to that person in respect of the supply of electronic communications apparatus; and
   (b) apply those conditions to that person.

(2) This section authorises the setting of SMP conditions of each of the following descriptions—
   (a) conditions requiring the dominant supplier to maintain such a separation for accounting purposes between matters relating to the supply of electronic communications apparatus and other matters as may be described in the conditions;
   (b) conditions imposing requirements about the accounting methods to be used in maintaining the separation; and
   (c) conditions imposing such rules as OFCOM may make, for the purpose of securing the maintenance of the separation, about the use of cost accounting systems.

(3) This section also authorises the setting of SMP conditions imposing price controls in relation to the hiring of telephones which are hardwired to an electronic communications network.

(4) Conditions set under this section must not make provision in relation to the supply of electronic communications apparatus unless the apparatus is of a description of apparatus as respects the supply of which the dominant supplier has been found to have significant market power.
(5) For the purposes of this section a telephone is hardwired to an electronic communications network where, in order for it to be used with that network—

(a) it has to be physically attached to apparatus comprised in the network; and

(b) the attachment has to be effected by a process that requires the use of a tool.

Enforcement of conditions

94  Notification of contravention of [\textsuperscript{F156}SMP apparatus] conditions

(1) Where OFCOM determine that there are reasonable grounds for believing that a person is contravening, or has contravened, [\textsuperscript{F157}an SMP apparatus condition] 5, they may give that person a notification under this section.

(2) A notification under this section is one which—

(a) sets out the determination made by OFCOM;

(b) specifies the condition and contravention in respect of which that determination has been made; and

(c) specifies the period during which the person notified has an opportunity of doing the things specified in subsection (3).

(3) Those things are—

(a) making representations about the matters notified;

(b) complying with notified conditions of which he remains in contravention; and

(c) remedying the consequences of notified contraventions.

(4) Subject to subsections (5) to (7) and section 98(3), the period for doing those things must be the period of one month beginning with the day after the one on which the notification was given.

(5) OFCOM may, if they think fit, allow a longer period for doing those things either—

(a) by specifying a longer period in the notification; or

(b) by subsequently, on one or more occasions, extending the specified period.

(6) The person notified shall have a shorter period for doing those things if a shorter period is agreed between OFCOM and the person notified.

(7) The person notified shall also have a shorter period if—

(a) OFCOM have reasonable grounds for believing that the contravention is a repeated contravention;

(b) they have determined that, in those circumstances, a shorter period would be appropriate; and

(c) the shorter period has been specified in the notification.

(8) A notification under this section—

(a) may be given in respect of more than one contravention; and
(b) if it is given in respect of a continuing contravention, may be given in respect of any period during which the contravention has continued.

(9) Where a notification under this section has been given to a person in respect of a contravention of a condition, OFCOM may give a further notification in respect of the same contravention of that condition if, and only if—

(a) the contravention is one occurring after the time of the giving of the earlier notification;

(b) the contravention is a continuing contravention and the subsequent notification is in respect of so much of a period as falls after a period to which the earlier notification relates; or

(c) the earlier notification has been withdrawn without a penalty having been imposed in respect of the notified contravention.

[F158](10) Before giving a notification under this section, OFCOM must consider whether it would be more appropriate to proceed under the Competition Act 1998.

(10A) OFCOM must not give a notification under this section if they consider that it would be more appropriate to proceed under the Competition Act 1998.

(10B) In a case where OFCOM decide that it would be more appropriate to proceed under the Competition Act 1998, they must publish a statement to that effect in such manner as they consider appropriate for bringing their decision to the attention of persons whom they consider are likely to be affected by it.

(11) For the purposes of this section a contravention is a repeated contravention, in relation to a notification with respect to that contravention, if—

(a) a previous notification under this section has been given in respect of the same contravention or in respect of another contravention of the same condition; and

(b) the subsequent notification is given no more than twelve months after the day of the making by OFCOM of a determination for the purposes of section 95(2) or 96(2) that the contravention to which the previous notification related did occur.

   (b) OFCOM have allowed the notified provider an opportunity of making representations about the matters notified; and
   (c) the period allowed for the making of the representations has expired.

(2) OFCOM may impose a penalty on the notified provider if he—
   (a) has, in one or more of the respects notified, been in contravention of a condition specified in the notification under section 94; and

      (i) for complying with the notified condition; and
      (ii) for remedying the consequences of the notified contravention of that condition.

(3) Where a notification under section 94 relates to more than one contravention, a separate penalty may be imposed in respect of each contravention.

(4) Where such a notification relates to a continuing contravention, no more than one penalty may be imposed in respect of the period of contravention specified in the notification.

(5) OFCOM may also impose a penalty on the notified provider if he has contravened, or is contravening, a requirement of an enforcement notification given under section 95 in respect of the notified contravention.

(6) Where OFCOM impose a penalty on a person under this section, they shall—
   (a) within one week of making their decision to impose the penalty, notify that person of that decision and of their reasons for that decision; and
   (b) in that notification, fix a reasonable period after it is given as the period within which the penalty is to be paid.

(7) A penalty imposed under this section—
   (a) must be paid to OFCOM; and
   (b) if not paid within the period fixed by them, is to be recoverable by them accordingly.

(2) A notification under this section is one which—

(a) sets out the determination made by OFCOM;

(b) specifies the condition and contravention in respect of which that determination has been made;

(c) specifies the period during which the person notified has an opportunity to make representations;

(ii) remedy the consequences of the contravention;

(e) specifies any penalty which OFCOM are minded to impose in accordance with section 96B;

(f) where the contravention is serious, specifies any direction which OFCOM are minded to give under section 100; and

(b) the contravention is a continuing contravention and the subsequent notification is in respect of so much of a period as falls after a period to which the earlier notification relates; or

(5) Before giving a notification under this section, OFCOM must consider whether it would be more appropriate to proceed under the Competition Act 1998.

(6) OFCOM must not give a notification under this section if they consider that it would be more appropriate to proceed under the Competition Act 1998.

(7) In a case where OFCOM decide that it would be more appropriate to proceed under the Competition Act 1998, they must publish a statement to that effect in such manner as they consider appropriate for bringing their decision to the attention of persons whom they consider are likely to be affected by it.]
96B. Penalties for contravention of conditions

(1) This section applies where a person is given a notification under section 96A which specifies a proposed penalty.

(2) Where the notification relates to more than one contravention, a separate penalty may be specified in respect of each contravention.

(3) Where the notification relates to a continuing contravention, no more than one penalty may be specified in respect of the period of contravention specified in the notification.

(4) But, in relation to a continuing contravention, a penalty may be specified in respect of each day on which the contravention continues after—
   (a) the giving of a confirmation decision under section 96C(4)(c) which requires immediate action; or
   (b) the expiry of any period specified in the confirmation decision for complying with a requirement so specified.

   (b) inform the person that they are satisfied with the person’s representations and that no further action will be taken.
(3) OFCOM may not give a confirmation decision to a person unless, after considering any representations, they are satisfied that the person has, in one or more of the respects notified, been in contravention of a condition specified in the notification under section 96A.

(4) A confirmation decision—
   (a) must be given to the person without delay;
   (b) must include reasons for the decision;
   (c) may require immediate action by the person to comply with requirements of a kind mentioned in section 96A(2)(d), or may specify a period within which the person must comply with those requirements; and

Suspending service provision for breach of SMP services condition

(1) OFCOM may give a direction under this section to a person who provides a public electronic communications network, or a person who makes available facilities that are associated facilities by reference to such a network, if OFCOM are satisfied that—

(a) the person is or has been in contravention of conditions set under sections 87 to 91; and

(b) the provision of an electronic communications service by the person on that public electronic communications network could result in significant harm to competition.

(2) A direction under this section is given where OFCOM give a confirmation decision under section 96C to the person in respect of a direction proposed in a notification under section 96A.

(3) A direction under this section is—

(a) a direction that the entitlement of the person to provide an electronic communications service over the public electronic communications network to which the contravened condition relates is suspended (either generally or in relation to particular services); or

(b) a direction that the person may not begin to provide an electronic communications service over the public electronic communications network to which the contravened provision relates.

(4) A direction under this section—

(a) must specify the electronic communications services to which it relates, and

(b) takes effect for an indefinite period beginning with the time at which a confirmation decision relating to the direction is given to the person under section 96C.

(5) A direction under this section—

(a) may provide for a suspension or prohibition to take effect only at a time determined by or in accordance with the terms of the direction; and

(b) in connection with a suspension or prohibition contained in the direction or with the postponement of its effect, may impose such conditions on the person to whom it is given as appear to OFCOM to be appropriate for the purpose of protecting that person’s customers.

(6) Those conditions may include a condition requiring the making of payments—

(a) by way of compensation for loss or damage suffered by the person’s customers as a result of the direction; or

(b) in respect of annoyance, inconvenience or anxiety to which they have been put in consequence of the direction.

(7) If OFCOM consider it appropriate to do so (whether or not in consequence of representations or proposals made to them), they may revoke a direction under this section or modify its conditions—

(a) with effect from such time as they may direct;

(b) subject to compliance with such requirements as they may specify; and

(c) to such extent and in relation to such services, or parts of a service, as they may determine.]
101 Suspending apparatus supply for contraventions of conditions

(1) OFCOM may give a direction under this section to a person who supplies electronic communications apparatus (“the contravening supplier”) if they are satisfied—

(a) that he is or has been in serious and repeated contravention of any SMP apparatus conditions;

(b) that an attempt, by the imposition of penalties or the giving of enforcement notifications under section 95 or both, to secure compliance with the contravened conditions has failed; and

(c) that the giving of the direction is appropriate and proportionate to the seriousness (when repeated as they have been) of the contraventions.

(2) A direction under this section is—

(a) a direction to the contravening supplier to cease to act as a supplier of electronic communications apparatus (either generally or in relation to apparatus of a particular description); or

(b) a direction imposing such restrictions as may be set out in the direction on the supply by that supplier of electronic communications apparatus (either generally or in relation to apparatus of a particular description).

(3) A direction under this section takes effect, except so far as it otherwise provides, for an indefinite period beginning with the time at which it is notified to the person to whom it is given.

(4) A direction under this section—

(a) may provide for a prohibition or restriction to take effect only at a time determined by or in accordance with the terms of the direction; and

(b) in connection with a prohibition or restriction contained in the direction or with the postponement of its effect, may impose such conditions on the contravening supplier as appear to OFCOM to be appropriate for the purpose of protecting that supplier’s customers.

(5) Those conditions may include a condition requiring the making of payments—

(a) by way of compensation for loss or damage suffered by the contravening supplier’s customers as a result of the direction; or

(b) in respect of annoyance, inconvenience or anxiety to which they have been put in consequence of the direction.

(6) If OFCOM consider it appropriate to do so (whether or not in consequence of representations or proposals made to them), they may at any time revoke a direction under this section or modify its conditions—

(a) with effect from such time as they may direct;

(b) subject to compliance with such requirements as they may specify; and

(c) to such extent and in relation to such apparatus or descriptions of apparatus as they may determine.
(7) For the purposes of this section there are repeated contraventions by a person of SMP apparatus conditions to the extent that—
   (a) in the case of a previous notification given to that person under section 94, OFCOM have determined for the purposes of section 95(2) or 96(2) that such a contravention did occur;
   (b) in the period of twelve months following the day of the making of that determination, one or more further notifications have been given to that person in respect of contraventions of an SMP apparatus condition; and
   (c) the previous notification and the subsequent ones all relate to contraventions of the same condition (whether the same contravention or different contraventions).

### 102 Procedure for directions under ss. 100 and 101

(1) Except in an urgent case, [F184 or a case where Condition A in section 100 is satisfied,] OFCOM are not to give a direction under section 100 or 101 unless they have—
   (a) notified the contravening provider or contravening supplier of the proposed direction and of the conditions (if any) which they are proposing to impose by that direction;
   (b) provided him with an opportunity of making representations about the proposals and of proposing steps for remedying the situation; and
   (c) considered every representation and proposal made to them during the period allowed by them for the contravening provider or the contravening supplier to take advantage of that opportunity.

[F185 (2) That period must be—
   (a) in relation to a direction under section 100, such reasonable period as OFCOM may determine, and
   (b) in relation to a direction under section 101, a period ending not less than one month after the day of the giving of the notification.]

(3) As soon as practicable after giving a direction under section 100 or 101 in an urgent case, OFCOM must, provide the contravening provider or contravening supplier with an opportunity of—
   (a) making representations about the effect of the direction and of any of its conditions; and
   (b) proposing steps for remedying the situation.

[F186 (3A) In relation to a direction under section 100 in an urgent case, as soon as practicable after the period allowed by OFCOM for making those representations has ended (and in any event within 3 months beginning with the day on which the direction was given), they must determine—
   (a) whether the contravention providing the grounds for the giving of the direction did occur; and}
(b) whether the circumstances made it an urgent case justifying the giving of the direction.

(3B) The period of 3 months mentioned in subsection (3A) may be extended by up to 3 months if OFCOM—

(a) require additional time to consider representations received; or

(b) decide that it is necessary to obtain additional information from the person in order to make a determination under subsection (3A).

(4) A case is an urgent case for the purposes of this section if OFCOM—

(a) consider that it would be inappropriate, because the contraventions in question fall within subsection (5), to allow time, before giving a direction under section 100 or 101, for the making and consideration of representations; and

(b) decide for that reason to act in accordance with subsection (3), instead of subsection (1).

(5) The contraventions fall within this subsection if they have resulted in, or create an immediate risk of—

(a) a serious threat to the safety of the public, to public health or to national security;

(b) serious economic or operational problems for persons (apart from the contravening provider or contravening supplier) who are communications providers or persons who make associated facilities available; or

(c) serious economic or operational problems for persons who make use of electronic communications networks, electronic communications services or associated facilities.

(6) In this section—

[F187 “contravening provider” means a person who is a communications provider or makes associated facilities available;]

“contravening supplier” has the same meaning as in section 101.

   (a) in the case of a person to whom it is applied by a direction given by OFCOM; and
   (b) in the case of the Secretary of State or any Northern Ireland department where the Secretary of State or that department is providing or proposing to provide an electronic communications network.

   (a) the purposes of the provision by him of an electronic communications network; or
   (b) the purposes of the provision by him of a system of infrastructure which he is making available, or proposing to make available, for use by providers of electronic communications networks for the purposes of the provision by them of their networks.
A direction applying the electronic communications code in any person’s case may provide for that code to have effect in his case—

(a) in relation only to such places or localities as may be specified or described in the direction;

(b) for the purposes only of the provision of such electronic communications network, or part of an electronic communications network, as may be so specified or described; or

system of infrastructure

, or part of a 

system of infrastructure

, as may be so specified or described.

The Secretary of State may by order provide for the electronic communications code to have effect for all purposes with a different amount substituted for the amount for the time being specified in paragraph [F201]85(7) of the code (minimum compensation).

    end no less than one month after the day of the publication of the notification.

(10) The publication by OFCOM of a notification for any of the purposes of this section

   (a) that they are entitled to give a notification under section 110 with respect to a contravention by a person (“P”) of a requirement imposed by virtue of any restrictions or conditions under section 109;
   (b) that there are reasonable grounds for suspecting that the case is an urgent case; and
   (c) that the urgency of the case makes it appropriate for OFCOM to take action under this section.

   (a) a serious threat to the safety of the public, to public health or to national security;
   (b) serious economic or operational problems for persons (other than P) who are communications providers or persons who make associated facilities available; or
   (c) serious economic or operational problems for persons who make use of electronic communications networks, electronic communications services or associated facilities.

(6) Subject to subsection (7), where the application of the electronic communications code is suspended in a person’s case, the person is not entitled to exercise any right conferred by or by virtue of the code.

(7) The suspension of the application of the electronic communications code in a person’s case does not, except so far as otherwise provided by a scheme contained in an order under section 117—
   (a) affect (as between the original parties to it) any agreement entered into for the purposes of the code or any agreement having effect in accordance with it;

Suspension of application of code

(1) OFCOM may suspend the application of the electronic communications code in any person’s case if they are satisfied—

(a) that he is or has been in serious or repeated contravention of requirements to pay administrative charges fixed under section 38 (whether in respect of the whole or a part of the charges);

(b) [F222(aa) that, in the case of a single serious contravention, a notification has been given to the contravening provider under section 40 and the period for making representations under that section has expired;]

(ba) that [F223, in the case of a repeated contravention] the bringing of proceedings for the recovery of the amounts outstanding has failed to secure complete compliance by the contravening provider with the requirements to pay the charges fixed in his case, or has no reasonable prospect of securing such compliance;

(c) [F225, in the case of a repeated contravention] an attempt, by the imposition of penalties under section 41, to secure such compliance has failed; and

(d) that the suspension of the application of the code is appropriate and proportionate to the contravention.

(2) OFCOM may, to the extent specified in subsection (3), suspend the application in that person’s case of the electronic communications code if—

(a) the electronic communications code has been applied by a direction under section 106 in any person’s case; and

(b) OFCOM give a direction under section 42, 100 (including that section as applied by section 105D), 132 or 140 for the suspension or restriction of that person’s entitlement to provide an electronic communications network, or a part of such a network.

(3) The extent, in any person’s case, of a suspension under subsection (2) must not go beyond the application of the code for the purposes of so much of an electronic communications network as that person is prohibited from providing by virtue of the suspension or restriction of his entitlement to provide such a network, or part of a network.

(4) OFCOM may, to the extent specified in subsection (5), suspend the application in that person’s case of the electronic communications code if—

(a) the electronic communications code has been applied by a direction under section 106 in any person’s case; and

(b) that person is a person in whose case there have been repeated or serious contraventions of requirements imposed by virtue of any restrictions or conditions under section 109.

(5) The extent, in any person’s case, of a suspension under subsection (4) must not go beyond the following applications of the code in his case—

(a) its application for the purposes of electronic communications networks, or parts of such a network, which are not yet in existence at the time of the suspension;

(b) its application for the purposes of conduit systems, or parts of such systems, which are not yet in existence or not yet used for the purposes of electronic communications networks; and
(c) its application for other purposes in circumstances in which the provision of an electronic communications network, or part of such a network, would not have to cease if its application for those purposes were suspended.

(6) A suspension under this section of the application of the code in any person’s case must be by a further direction given to that person by OFCOM under section 106.

(7) The statement required by section 107(8) to be included, in the case of a direction for the purposes of this section, in the statement of OFCOM’s proposal is a statement of their proposal to suspend the application of the code.

(8) A suspension of the application of the electronic communications code in any person’s case—
   (a) shall cease to have effect if the suspension is under subsection (2) and the network suspension or restriction ceases to have effect; but
   (b) subject to that shall continue in force until such time (if any) as it is withdrawn by OFCOM.

(9) In subsection (8) the reference to the network suspension or restriction, in relation to a suspension of the application of the electronic communications code, is a reference to the suspension or restriction of an entitlement to provide an electronic communications network, or part of such a network, which is the suspension or restriction by reference to which the application of the code was suspended under subsection (2).

(10) Subject to subsection (11), where the application of the electronic communications code is suspended in a person’s case, he shall not, while it is so suspended, be entitled to exercise any right conferred on him by or by virtue of the code.

(11) The suspension, in a person’s case, of the application of the electronic communications code does not, except so far as otherwise provided by a scheme contained in an order under section 117—
   (a) affect (as between the original parties to it) any agreement entered into for the purposes of the code or any agreement having effect in accordance with it;
   (b) affect anything done under the code before the suspension of its application;
   (c) require the removal of, or prohibit the use of, any apparatus lawfully installed on, in or over any premises before that suspension.

(12) Subsection (9) of section 42 applies for the purposes of subsection (1) as it applies for the purposes of that section.

[F229](13) For the purposes of subsection (4) there are repeated contraventions by a person of conditions or restrictions under section 109 if—
   (a) in the case of a previous notification given to the person under section 110, OFCOM have given a confirmation decision to the person under section 111(2);
   (b) in the period of 24 months following the giving of that confirmation decision, one or more further confirmation decisions have been given to the person in respect of contraventions of a condition or restriction under section 109; and
   (c) the previous confirmation decision and the subsequent ones all relate to contraventions of the same condition or restriction (whether the same contravention or different contraventions).]
Procedure for directions under s. 113

(1) Except in an urgent case[^230], or a case of a single serious contravention,[^231] OFCOM are not to give a direction under section 113(4) suspending the application of the electronic communications code in the case of any person (“the operator”) unless they have—

(a) notified the operator of the proposed suspension and of the steps (if any) that they are proposing to take under section 117;

(b) provided him with an opportunity of making representations about the proposals and of proposing steps for remedying the situation that has given rise to the proposed suspension; and

(c) considered every representation and proposal made to them during the period allowed by them for the operator to take advantage of that opportunity.

[^230]: That period is such reasonable period as OFCOM may specify, beginning with the day on which the notification is given.[^231]

(2) As soon as practicable after giving a direction under section 113 in an urgent case, OFCOM must provide the operator with an opportunity of—

(a) making representations about the effect of the direction and of any steps taken under section 117 in connection with the suspension; and
(b) proposing steps for remedying the situation that has given rise to the situation.

[F232](3A) As soon as practicable after the period allowed by OFCOM for making those representations has ended (and in any event within 3 months beginning with the day on which the direction was given), they must determine—

(a) whether the contravention providing the grounds for the giving of the direction did occur; and

(b) whether the circumstances made it an urgent case justifying the giving of the direction.

(3B) The period of 3 months mentioned in subsection (3A) may be extended by up to 3 months if OFCOM—

(a) require additional time to consider representations received; or

(b) decide that it is necessary to obtain additional information from the person in order to make a determination under subsection (3A).

(3C) If OFCOM decide that the contravention did occur and that the direction was justified, they may confirm the direction.

(3D) If not, they must revoke it.]

(4) A case is an urgent case for the purposes of this section if OFCOM—

(a) consider that it would be inappropriate, because the circumstances appearing to OFCOM to require the suspension fall within subsection (5), to allow time, before giving a direction under section 113, for the making and consideration of representations; and

(b) decide for that reason to act in accordance with subsection (3), instead of subsection (1).

(5) Circumstances fall within this subsection if they have resulted in, or create an immediate risk of—

(a) a serious threat to the safety of the public, to public health or to national security;

(b) serious economic or operational problems for persons (apart from the operator) who are communications providers or persons who make associated facilities available; or

(c) serious economic or operational problems for persons who make use of electronic communications networks, electronic communications services or associated facilities.

(1) Where it appears to OFCOM—
(a) that the electronic communications code has ceased or is to cease to apply, to any extent, in the case of any person (“the former operator”),
(b) that it has ceased or will cease so to apply for either of the reasons specified in subsection (2), and

(6) Section 403 applies to the power of OFCOM to make an order under this section.

[F239]*Procedure for setting, modifying and revoking premium rate services conditions*

(1) The way in which conditions are to be set or modified under section 120 is by the publication of a notification setting out the conditions or modifications.

(2) The way in which such a condition is to be revoked is by the publication of a notification stating that the condition is revoked.

(3) Before setting such conditions, or modifying or revoking a condition so set, OFCOM must publish a notification—

(a) stating that they are proposing to set, modify or revoke the conditions that are specified in the notification;

(b) setting out the effect of those conditions, modifications or revocations;

(c) giving their reasons for making the proposal; and

(d) specifying the period within which representations may be made to OFCOM about their proposal.

(3) That period must end no less than one month after the day of the publication of the notification.

(4) But where OFCOM are satisfied that there are exceptional circumstances justifying the use of a shorter period, the period specified as the period for making representations may be whatever shorter period OFCOM consider reasonable in those circumstances.

(5) OFCOM may give effect to the proposal, with any modifications that appear to OFCOM to be appropriate, after—

(a) considering every representation about the proposal made to them during the period specified in the notification; and

(b) having regard to every international obligation of the United Kingdom (if any) which has been notified to them for the purposes of this paragraph by the Secretary of State.

(6) The publication of a notification under this section must be in such manner as appears to OFCOM to be appropriate for bringing the contents of the notification to the attention of the persons who, in OFCOM’s opinion, are likely to be affected by its contents.
121 Approval of code for premium rate services

(1) If it appears to OFCOM—
   (a) that a code has been made by any person for regulating the provision and contents of premium rate services, and the facilities made available in the provision of such services;
   (b) that the code contains provision for regulating, to such extent (if any) as they think fit, the arrangements made by the providers of premium rate services for promoting and marketing those services; and
   (c) that it would be appropriate for them to approve that code for the purposes of section 120,

they may approve that code for those purposes.

(2) OFCOM are not to approve a code for those purposes unless they are satisfied—
   (a) that there is a person who, under the code, has the function of administering and enforcing it; and
   (b) that that person is sufficiently independent of the providers of premium rate services;
   (c) that adequate arrangements are in force for funding the activities of that person in relation to the code;
   (d) that the provisions of the code are objectively justifiable in relation to the services to which it relates;
   (e) that those provisions are not such as to discriminate unduly against particular persons or against a particular description of persons;
   (f) that those provisions are proportionate to what they are intended to achieve; and
   (g) that, in relation to what those provisions are intended to achieve, they are transparent.

(3) OFCOM are not for those purposes to approve so much of a code as imposes an obligation as respects a premium rate service on a person who is a provider of the service by virtue only of section 120(12) (“the relevant provider”) unless they are satisfied that the obligation—
   (a) arises only if there is no one who is a provider of the service otherwise than by virtue of section 120(12) against whom it is practicable to take action; and
   (b) arises only after a notice identifying the service and setting out respects in which requirements of the code have been contravened in relation to it has been given to the relevant provider by the person responsible for enforcing the code; and
(c) is confined to an obligation to secure that electronic communications networks provided by the relevant provider are not used for making the service available to persons who are in the United Kingdom.

(4) The provision that may be contained in a code and approved under this section includes, in particular, provision about the pricing of premium rate services and provision for the enforcement of the code.

(5) The provision for the enforcement of a code that may be approved under this section includes—

(a) provision for the payment, to a person specified in the code, of a penalty not exceeding the maximum penalty for the time being specified in section 123(2); and

[F240 (aa) provision that applies where there is or has been more than one contravention of the code or directions given in accordance with it by a person and which enables—

(i) a single penalty (which does not exceed that maximum penalty) to be imposed on the person in respect of all of those contraventions, or

(ii) separate penalties (each of which does not exceed that maximum penalty) to be imposed on the person in respect of each of those contraventions,

according to whether the person imposing the penalty determines that a single penalty or separate penalties are appropriate and proportionate to those contraventions;]

(b) provision requiring a provider of a premium rate service to secure that the provision of the service is suspended or otherwise ceases or is restricted in any respect;

(c) provision for the imposition on a person, in respect of a contravention of the code, of a temporary or permanent prohibition or restriction on his working in connection with the provision of premium rate services or, in the case of a body corporate, on its providing such services or on its carrying on other activities in connection with their provision.

(6) OFCOM may, at any time, for the purposes of section 120—

(a) approve modifications that have been made to an approved code; or

(b) withdraw their approval from an approved code.

(7) Where OFCOM give or withdraw an approval for the purposes of section 120, they must give notification of their approval or of its withdrawal.

(8) The notification must be published in such manner as OFCOM consider appropriate for bringing it to the attention of the persons who, in OFCOM’s opinion, are likely to be affected by the approval or withdrawal.
122 Orders by OFCOM in the absence of a code under s. 121

(1) OFCOM may make an order under this section if, at any time, they consider that there is no code in force to which they think it would be appropriate to give, or to continue to give, their approval under section 121.

(2) An order under this section may make such of the following provisions as OFCOM think fit—
   
   (a) provision imposing requirements with respect to the provision and contents of premium rate services, and with respect to the facilities made available in the provision of such services (including provision about pricing);
   
   (b) provision imposing requirements with respect to the arrangements made by the providers of premium rate services for the promotion and marketing of those services;
   
   (c) provision for the enforcement of requirements imposed by virtue of paragraph (a) or (b);
   
   (d) provision making other arrangements for the purposes of those requirements.

(3) The power to make provision by an order under this section includes, in particular—
   
   (a) power to establish a body corporate with the capacity to make its own rules and to establish its own procedures;
   
   (b) power to determine the jurisdiction of a body established by such an order or, for the purposes of the order, of any other person;
   
   (c) power to confer jurisdiction with respect to any matter on OFCOM themselves;
   
   (d) power to provide for a person on whom jurisdiction is conferred by the arrangements to make awards of compensation, to direct the reimbursement of costs or expenses, or to do both;
   
   (e) power to provide for such a person to enforce, or to participate in the enforcement of, any awards or directions made under such an order;
   
   (f) power to make provision falling within section 121(5)(c) for the enforcement of the provisions of the order; and
   
   (g) power to make such other provision as OFCOM think fit for the enforcement of such awards and directions.

(4) An order under this section may require such providers of premium rate services as may be determined by or under the order to make payments to OFCOM in respect of expenditure incurred by OFCOM in connection with—
   
   (a) the establishment and maintenance, in accordance with such an order, of any body corporate or procedure; or
   
   (b) the making of other arrangements for the purposes of the requirements of such an order.

(5) An order under this section is not to impose an obligation as respects a premium rate service on a person who is a provider of the service by virtue only of section 120(12) ("the relevant provider") unless the obligation—
   
   (a) arises only if there is no one who is a provider of the service otherwise than by virtue of section 120(12) against whom it is practicable to take action;
   
   (b) arises only after a notice identifying the service and setting out respects in which requirements of the order have been contravened in relation to it has been given to the relevant provider by OFCOM; and
(c) is confined to an obligation to secure that electronic communications networks provided by the relevant provider are not used for making the service available to persons who are in the United Kingdom.

(6) The consent of the Secretary of State is required for the making by OFCOM of an order under this section.

(7) Section 403 applies to the power of OFCOM to make an order under this section.

(8) A statutory instrument containing an order made by OFCOM under this section shall be subject to annulment in pursuance of a resolution of either House of Parliament.

123 Enforcement of s. 120 conditions

(1) Sections 94 to 96 apply in relation to a contravention of conditions set under section 120 as they apply in relation to a contravention of a condition set under section 45.

(1A) Subsection (1B) applies where a notification under section 94 as applied by this section relates to more than one contravention of—

(a) a code approved under section 121,
(b) directions given in accordance with such a code, or
(c) an order under section 122.

(1B) Section 96(3) as applied by this section enables OFCOM to impose—

(a) a single penalty in respect of all of those contraventions, or
(b) separate penalties in respect of each of those contraventions, according to whether OFCOM determine that a single penalty or separate penalties are appropriate and proportionate to those contraventions.

(2) The amount of each penalty imposed under section 96 as applied by this section is to be such amount not exceeding £250,000 as OFCOM determine to be—

(a) appropriate; and
(b) proportionate to the contravention in respect of which it is imposed.

(3) In making that determination OFCOM must have regard to—

(a) any representations made to them by the notified provider;
(b) any steps taken by him towards complying with the conditions contraventions of which have been notified to him under section 94 (as applied); and
(c) any steps taken by him for remedying the consequences of those contraventions.

(4) The Secretary of State may by order amend this section so as to substitute a different maximum penalty for the maximum penalty for the time being specified in subsection (2).

(5) No order is to be made containing provision authorised by subsection (4) unless a draft of the order has been laid before Parliament and approved by a resolution of each House.
124 Suspending service provision for contraventions of s. 120 conditions

(1) OFCOM may give a direction under this section to a person who is a communications provider (“the contravening provider”) if they are satisfied—

(a) that he is or has been in serious and repeated contravention of conditions set under section 120;

(b) that an attempt, by the imposition of penalties or the giving of enforcement notifications under section 95 (as applied by section 123) or both, to secure compliance with the contravened conditions has failed;

(c) that the giving of the direction is appropriate and proportionate to the seriousness (when repeated as they have been) of the contraventions; and

(d) that the giving of the direction is required for reasons of public policy.

(2) OFCOM may also give a direction under this section to a person who is a communications provider (“the contravening provider”) if they are satisfied—

(a) that he is, or has been, in contravention of conditions set under section 120 in respect of a premium rate service;

(b) that the circumstances of the contravention make it appropriate for OFCOM to suspend or restrict the provision of premium rate services provided by the contravening provider without the conditions set out in subsection (1) being satisfied; and

(c) that in those circumstances the giving of the direction is urgently required for reasons of public policy.

(3) A direction under this section is—

(a) a direction to the contravening provider to secure the suspension of the provision of premium rate services provided by him; or

(b) a direction requiring him to secure compliance with restrictions, set out in the direction, on the provision of such services.

(4) A direction under this section—

(a) must specify the services to which it relates; and

(b) except so far as it otherwise provides, takes effect for an indefinite period beginning with the time at which it is notified to the person to whom it is given.

(5) A direction under this section—

(a) in providing for the effect of a suspension or restriction to be postponed, may provide for it to take effect only at a time determined by or in accordance with the terms of the direction; and
(b) in connection with the suspension or restriction contained in the direction or with the postponement of its effect, may impose such conditions on the contravening provider as appear to OFCOM to be appropriate for the purpose of protecting that provider’s customers.

(6) Those conditions may include a condition requiring the making of payments—
(a) by way of compensation for loss or damage suffered by the contravening provider’s customers as a result of the direction; or
(b) in respect of annoyance, inconvenience or anxiety to which they have been put in consequence of the direction.

(7) If OFCOM consider it appropriate to do so (whether or not in consequence of representations or proposals made to them), they may revoke a direction under this section or modify its conditions—
(a) with effect from such time as they may direct;
(b) subject to compliance with such requirements as they may specify; and
(c) to such extent and in relation to such services as they may determine.

(8) Sections 102 and 103 apply in the case of a direction under this section as they apply in the case of a direction under section 100, but as if references in section 103(1) to an electronic communications network or electronic communications service were references to a premium rate service.

(9) For the purposes of this section there are repeated contraventions by a person of conditions set under section 120 to the extent that—
(a) in the case of a previous notification given to that person under section 94 (as applied by section 123), OFCOM have determined for the purposes of section 95(2) or 96(2) (as so applied) that such a contravention did occur; and
(b) in the period of twelve months following the day of the making of that determination, one or more further notifications have been given to that person in respect of contraventions of a condition set under section 120.

(10) For the purposes of this section the seriousness of repeated contraventions of conditions set under section 120 has to be determined by reference to the seriousness of the contraventions of the approved code or order by reference to which the conditions have effect.
(a) a subscriber to an internet access service has infringed the owner's copyright by means of the service; or
(b) a subscriber to an internet access service has allowed another person to use the service, and that other person has infringed the owner's copyright by means of the service.

(2) The owner may make a copyright infringement report to the internet service provider who provided the internet access service if a code in force under section 124C or 124D (an "initial obligations code") allows the owner to do so.

(3) A “copyright infringement report” is a report that—
(a) states that there appears to have been an infringement of the owner's copyright;
(b) includes a description of the apparent infringement;

(4) A code under this section may do any of the things mentioned in section 124C(3) to (5).

124E Contents of initial obligations code

(1) The criteria referred to in sections 124C(6) and 124D(6) are—

(a) that the code makes the required provision about copyright infringement reports (see subsection (2));
(b) that it makes the required provision about the notification of subscribers (see subsections (3) and (4));
(c) that it sets the threshold applying for the purposes of determining who is a relevant subscriber within the meaning of section 124B(3) (see subsections (5) and (6));
(d) that it makes provision about how internet service providers are to keep information about subscribers;
(e) that it limits the time for which they may keep that information;
(f) that it makes any provision about contributions towards meeting costs that is required to be included by an order under section 124M;
(g) that the requirements concerning administration and enforcement are met in relation to the code (see subsections (7) and (8));
(h) that the requirements concerning subscriber appeals are met in relation to the code (see section 124K);
(i) that the provisions of the code are objectively justifiable in relation to the matters to which it relates;
(j) that those provisions are not such as to discriminate unduly against particular persons or against a particular description of persons;
(k) that those provisions are proportionate to what they are intended to achieve; and
(l) that, in relation to what those provisions are intended to achieve, they are transparent.

(2) The required provision about copyright infringement reports is provision that specifies—

(a) requirements as to the means of obtaining evidence of infringement of copyright for inclusion in a report;
(b) the standard of evidence that must be included; and
(c) the required form of the report.

(3) The required provision about the notification of subscribers is provision that specifies, in relation to a subscriber in relation to whom an internet service provider receives one or more copyright infringement reports—

(a) requirements as to the means by which the provider identifies the subscriber;
(b) which of the reports the provider must notify the subscriber of; and
(c) requirements as to the form, contents and means of the notification in each case.
(4) The provision mentioned in subsection (3) must not permit any copyright infringement report received by an internet service provider more than 12 months before the date of a notification of a subscriber to be taken into account for the purposes of the notification.

(5) The threshold applying in accordance with subsection (1)(c) may, subject to subsection (6), be set by reference to any matter, including in particular one or more of—
   (a) the number of copyright infringement reports;
   (b) the time within which the reports are made; and
   (c) the time of the apparent infringements to which they relate.

(6) The threshold applying in accordance with subsection (1)(c) must operate in such a way that a copyright infringement report received by an internet service provider more than 12 months before a particular date does not affect whether the threshold is met on that date; and a copyright infringement list provided under section 124B must not take into account any such report.

(7) The requirements concerning administration and enforcement are—
   (a) that OFCOM have, under the code, the functions of administering and enforcing it, including the function of resolving owner-provider disputes;
   (b) that there are adequate arrangements under the code for OFCOM to obtain any information or assistance from internet service providers or copyright owners that OFCOM reasonably require for the purposes of administering and enforcing the code; and
   (c) that there are adequate arrangements under the code for the costs incurred by OFCOM in administering and enforcing the code to be met by internet service providers and copyright owners.

(8) The provision mentioned in subsection (7) may include, in particular—
   (a) provision for the payment, to a person specified in the code, of a penalty not exceeding the maximum penalty for the time being specified in section 124L(2);

(b) for the purposes of section 124J(1)(b), the requirements of subsections (2) to (11).

(2) The requirements of this subsection are—

(a) that the code confers on subscribers the right to bring a subscriber appeal and, in the case of a technical obligations code, a further right of appeal to the First-tier Tribunal;

(b) that there is a person who, under the code, has the function of determining subscriber appeals;
(c) that that person is for practical purposes independent (so far as determining subscriber appeals is concerned) of internet service providers, copyright owners and OFCOM; and

(d) that there are adequate arrangements under the code for the costs incurred by that person in determining subscriber appeals to be met by internet service providers, copyright owners and the subscriber concerned.

(3) The code must provide for the grounds of appeal (so far as an appeal relates to, or to anything done by reference to, a copyright infringement report) to include the following—

(a) that the apparent infringement to which the report relates was not an infringement of copyright;

(b) that the report does not relate to the subscriber's IP address at the time of the apparent infringement.

(4) The code must provide for the grounds of appeal to include contravention by the copyright owner or internet service provider of the code or of an obligation regulated by the code.

(5) The code must provide that an appeal on any grounds must be determined in favour of the subscriber unless the copyright owner or internet service provider shows that, as respects any copyright infringement report to which the appeal relates or by reference to which anything to which the appeal relates was done (or, if there is more than one such report, as respects each of them)—

(a) the apparent infringement was an infringement of copyright, and

(b) the report relates to the subscriber's IP address at the time of that infringement.

(6) The code must provide that, where a ground mentioned in subsection (3) is relied on, the appeal must be determined in favour of the subscriber if the subscriber shows that

(b) to make an award of compensation to be paid by a copyright owner or internet service provider to a subscriber affected by such an act or omission; and

(c) where the appeal is determined in favour of the subscriber, to direct the copyright owner or internet service provider to reimburse the reasonable costs of the subscriber.

(8) The code must provide that the power to direct the reimbursement of costs under subsection (7)(c) is to be exercised to award reasonable costs to a subscriber whose appeal is successful, unless the person deciding the appeal is satisfied that it would be unjust to give such a direction having regard to all the circumstances including the conduct of the parties before and during the proceedings.

(9) In the case of a technical obligations code, the powers of the person determining subscriber appeals must include power—
(a) on an appeal in relation to a technical measure or proposed technical measure

(d) to remit the decision whether to confirm the technical measure, or any matter relating to that decision, to OFCOM.

(b) any such subscriber appeal or further appeal has been determined, abandoned or otherwise disposed of.

(a) securing that his misuse is brought to an end and is not repeated, and

(b) remedying the consequences of the notified misuse, as may be specified in the notification.

(4) A decision of OFCOM to give an enforcement notification to a person must fix a reasonable period for the taking of the steps required by the notification.

(6) That duty shall be enforceable in civil proceedings by OFCOM—

(a) for an injunction;

Communications Act 2003 (c. 21)

Part 2 – Networks, services and the radio spectrum

Chapter 1 – Electronic communications networks and services

141 Suspending apparatus supply for information contraventions

(1) OFCOM may give a direction under this section to a person who supplies electronic communications apparatus (“the contravening supplier”) if they are satisfied—

(a) that he is or has been in serious and repeated contravention of requirements imposed under section 135;

(b) that an attempt, by the imposition of penalties under section 139 or the bringing of proceedings for an offence under section 144, to secure compliance with the contravened requirements has failed; and

(c) that the giving of the direction is appropriate and proportionate to the seriousness (when repeated as they have been) of the contraventions.

(2) A direction under this section is—

(a) a direction to the contravening supplier to cease to act as a supplier of electronic communications apparatus (either generally or in relation to apparatus of a particular description); or

(b) a direction imposing such restrictions as may be set out in the direction on the supply by that supplier of electronic communications apparatus (either generally or in relation to apparatus of a particular description).

(3) A direction under this section takes effect, except so far as it otherwise provides, for an indefinite period beginning with the time at which it is notified to the person to whom it is given.

(4) A direction under this section—

(a) may provide for a prohibition or restriction to take effect only at a time determined by or in accordance with the terms of the direction; and

(b) in connection with a prohibition or restriction contained in the direction or with the postponement of its effect, may impose such conditions on the contravening supplier as appear to OFCOM to be appropriate for the purpose of protecting that supplier’s customers.

(5) Those conditions may include a condition requiring the making of payments—

(a) by way of compensation for loss or damage suffered by the contravening supplier’s customers as a result of the direction; or

(b) in respect of annoyance, inconvenience or anxiety to which they have been put in consequence of the direction.

(6) If OFCOM consider it appropriate to do so (whether or not in consequence of representations or proposals made to them), they may revoke a direction under this section or modify its conditions—

(a) with effect from such time as they may direct;

(b) subject to compliance with such requirements as they may specify; and

(c) to such extent and in relation to such apparatus or descriptions of apparatus as they may determine.

(7) For the purposes of this section contraventions by a person of requirements imposed under section 135 are repeated contraventions if—

(a) in the case of a previous notification given to that person under section 138, OFCOM have determined for the purposes of section 139(2) that such a contravention did occur; and
(b) in the period of twelve months following the day of the making of that
determination, one or more further notifications have been given to that person
in respect of contraventions of such requirements;
and for the purposes of this subsection it shall be immaterial whether the notifications

requirements.

142 Procedure for directions under ss. 140 and 141

(1) Except in an urgent case, \[F308\] or a case where a proposed direction has been notified
to a person in accordance with section 138(2)(f) \[OF\]
OF\ 140 or 141 unless they have—
(a) notified the contravening provider or contravening supplier of the proposed
direction and of the conditions (if any) which they are proposing to impose
by that direction;
(b) provided him with an opportunity of making representations about the
proposals and of proposing steps for remedying the situation; and
(c) considered every representation and proposal made to them during the period
allowed by them for the contravening provider or the contravening supplier
to take advantage of that opportunity.

\[F309\](2A) That period must be—
(a) in relation to a direction under section 140, such reasonable period as
OF\ may determine, and
(b) in relation to a direction under section 141, a period ending not less than one
month after the day of the giving of the notification.\]

(3) As soon as practicable after giving a direction under section 140 or 141 in an urgent
case, OFCOM must provide the contravening provider or contravening supplier with
an opportunity of—
(a) making representations about the effect of the direction and of any of its
conditions; and
(b) proposing steps for remedying the situation.

\[F310\](3A) In relation to a direction under section 140 in an urgent case, as soon as practicable
after the period allowed by OFCOM for making those representations has ended (and
in any event within 3 months beginning with the day on which the direction was given),
they must determine—
(a) whether the contravention providing the grounds for the giving of the direction
did occur; and
(b) whether the circumstances made it an urgent case justifying the giving of the
direction.

(3B) The period of 3 months mentioned in subsection (3A) may be extended by up to 3
months if OFCOM—
(a) require additional time to consider representations received; or
(b) decide that it is necessary to obtain additional information from the person in order to make a determination under subsection (3A).

(4) A case is an urgent case for the purposes of this section if OFCOM—
(a) consider that it would be inappropriate, because the contraventions in question fall within subsection (5), to allow time, before giving a direction under section 140 or 141, for the making and consideration of representations; and
(b) decide for that reason to act in accordance with subsection (3), instead of subsection (1).

(5) The contraventions fall within this subsection if they have resulted in, or create an immediate risk of—
(a) a serious threat to the safety of the public, to public health or to national security;
(b) serious economic or operational problems for persons (apart from the contravening provider or contravening supplier) who are communications providers or persons who make associated facilities available; or
(c) serious economic or operational problems for persons who make use of electronic communications networks, electronic communications services or associated facilities.

(6) In this section—
“contravening provider” has the same meaning as in section 140; and
“contravening supplier” has the same meaning as in section 141.

   (b) a dispute is referred back to OFCOM under section 186(6).

(2) OFCOM must—

189 Disputes involving other member States

(1) This section applies where it appears to OFCOM that a dispute referred or referred back to them under this Chapter [F336(other than a dispute falling within section 185(1))] relates partly to a matter falling within the jurisdiction of the regulatory authorities of another member State.

(2) A dispute relates to matters falling within the jurisdiction of the regulatory authorities of another member State to the extent that—
(a) it relates to the carrying on of activities by one or both of the parties to the dispute in more than one member State or to activities carried on by different parties to the dispute in different member States; and
(b) the activities to which the dispute relates, so far as they are carried on in another member State, are carried on in the member State for which those authorities are the regulatory authorities.

(3) For the purposes of subsection (2) the activities that are carried on in a member State include anything done by means of an electronic communications network, or part of such a network, which is situated in that member State.

(4) Before taking any steps under this Chapter in relation to the reference or the dispute, OFCOM [F337(a)] must co-ordinate their efforts with the other regulatory authorities within whose jurisdiction the matter falls,
(b) may consult BEREC in order to bring about a consistent resolution of the dispute, and
(c) may request BEREC to adopt an opinion as to the action to be taken to resolve the dispute."

(5) It shall be the duty of OFCOM to secure that steps taken in relation to the reference or dispute (whether taken by them or by the other regulatory authorities) are, so far as practicable, agreed between OFCOM and those authorities.\[F338\] Where an opinion is received from BEREC in relation to the reference or dispute, it shall be the duty of OFCOM to secure that steps taken in relation to the reference or dispute take account of the opinion (whether the opinion was requested by OFCOM or by the other regulatory authorities)\].

(6) Accordingly, section 188 is to have effect in relation to the reference as if the period for making a determination which is specified in subsection (5) of that section were such period (if any) as may be agreed between—

(a) OFCOM; and
(b) the other regulatory authorities within whose jurisdiction the matter falls.

\[F339\] OFCOM must—

(a) ensure, so far as practicable, that a period agreed under subsection (6) is long enough for BEREC to provide an opinion, if one has been requested by OFCOM or by the other regulatory authorities, and

(b) agree to any necessary extension of the period if an opinion is requested from BEREC (by OFCOM or by the other regulatory authorities) after the period has been agreed.

(8) Subsection (7) does not apply if the dispute in question has resulted in, or creates an immediate risk of—

(a) a serious threat to the safety of the public, to public health or to national security;

(b) serious economic or operational problems for persons who are communications providers or persons who make associated facilities available; or

(c) serious economic or operational problems for persons who make use of electronic communications networks, electronic communications services or associated facilities, or for other users of the radio spectrum.]\[
Chapter 3 – Disputes and appeals

190 Resolution of referred disputes

(1) Where OFCOM make a determination for resolving a dispute referred to them under this Chapter, their only powers are those conferred by this section.

(2) Their main power (except in the case of a dispute relating to rights and obligations conferred or imposed by or under the enactments relating to the management of the radio spectrum) is to do one or more of the following—
   (a) to make a declaration setting out the rights and obligations of the parties to the dispute;
   (b) to give a direction fixing the terms or conditions of transactions between the parties to the dispute;
   (c) to give a direction imposing an obligation, enforceable by the parties to the dispute, to enter into a transaction between themselves on the terms and conditions fixed by OFCOM; and
   (d) for the purpose of giving effect to a determination by OFCOM of the proper amount of a charge in respect of which amounts have been paid by one of the parties of the dispute to the other, to give a direction, enforceable by the party to whom the sums are to be paid, requiring the payment of sums by way of adjustment of an underpayment or overpayment.

(2A) In relation to a dispute falling within section 185(1), OFCOM must exercise their powers under subsection (2) in the way that seems to them most appropriate for the purpose of securing—
   (a) efficiency;
   (b) sustainable competition;
   (c) efficient investment and innovation; and
   (d) the greatest possible benefit for the end-users of public electronic communications services.

(3) Their main power in the excepted case is just to make a declaration setting out the rights and obligations of the parties to the dispute.

(4) Nothing in this section prevents OFCOM from exercising the following powers in consequence of their consideration under this Chapter of any dispute—
   (a) their powers under Chapter 1 of this Part to set, modify or revoke general conditions, universal service conditions, access related conditions, privileged supplier conditions or SMP conditions;
   (b) their powers to vary, modify or revoke wireless telegraphy licences or grants of recognised spectrum access;
   (c) their power to make, amend or revoke regulations under section 8 or 45 of the Wireless Telegraphy Act 2006.

(5) In the case of a dispute referred back to OFCOM under section 186(6)—
   (a) OFCOM may, in making their determination, take account of decisions already made by others in the course of an attempt to resolve the dispute by alternative means; and
   (b) the determination made by OFCOM may include provision ratifying decisions so made.

(6) Where OFCOM make a determination for resolving a dispute, they may require a party to the dispute—
(a) to make payments to another party to the dispute in respect of costs and expenses incurred by that other party in consequence of the reference of the dispute to OFCOM, or in connection with it; and
(b) to make payments to OFCOM in respect of costs and expenses incurred by them in dealing with the dispute.

and may determine the amount of the costs and when the costs are to be paid.]

(6A) OFCOM may not, under subsection (6)(a), require a party to the dispute to make payments to another party unless OFCOM have considered—
   (a) the conduct of the party before and after the reference to OFCOM (including, in particular, whether any attempt has been made to resolve the dispute), and
   (b) whether OFCOM has made a decision in the party’s favour in respect of the whole or a part of the dispute.

(6B) OFCOM may not, under subsection (6)(b), require payments to be made to them by a party to the dispute unless—
   (a) the dispute relates to the rights and obligations of the parties to the dispute under the enactments relating to the management of the radio spectrum, or
   (b) they have considered the matters referred to in subsection (6A)(a) and (b).]

A determination made by OFCOM for resolving a dispute referred or referred back to them under this Chapter binds all the parties to the dispute.

Subsection (8) is subject to section 192.

Recovery of CMA's costs in respect of price control references

(1) Where a determination is made on a price control matter referred by virtue of section 193, the CMA may make an order in respect of the costs incurred by it in connection with the reference (a “costs order”).
(2) A costs order may require the payment to the CMA of some or all of those costs by such parties to the appeal which gave rise to the reference, other than OFCOM, as the CMA considers appropriate.

(3) A costs order must—

(a) set out the total costs incurred by the CMA in connection with the reference, and

(b) specify the proportion of those costs to be paid by each party to the appeal in respect of whom the order is made.

(4) In deciding on the proportion of costs to be paid by a party to the appeal the CMA must, in particular, consider—

(a) the extent to which the determination on the reference upholds OFCOM's decision in relation to the price control matter in question,

(b) the extent to which the costs were attributable to the involvement in the appeal of the party, and

(c) the conduct of the party.

(5) A costs order—

(a) must be made as soon as reasonably practicable after the making of the determination on the reference, but

(b) does not take effect unless the Tribunal, in deciding the appeal which gave rise to the reference, decides the price control matter which is the subject of the reference in accordance with the determination of the CMA (see section 193(6)).

(6) In a case where the Tribunal decides the price control matter in question otherwise than as mentioned in subsection (5)(b), the CMA may make an order under this subsection in respect of the costs incurred by it in connection with the reference.

(7) Subsections (2) to (4) apply in relation to an order under subsection (6) as they apply in relation to an order under subsection (1), but for that purpose the reference in subsection (4)(a) to the determination on the reference is to be read as a reference to the decision of the Tribunal mentioned in subsection (6).

(8) An order under subsection (6) must be made as soon as reasonably practicable after the decision of the Tribunal mentioned in that subsection.

(9) An amount payable to the CMA by virtue of an order made under this section is recoverable summarily as a civil debt (but this does not affect any other method of recovery).

(10) The CMA must pay any sums it receives by virtue of this section into the Consolidated Fund.

(11) The functions of the CMA under this section, other than those under subsections (9) and (10), are to be carried out on behalf of the CMA by the group constituted by the chair of the CMA in relation to the reference in question.

licence for a service replacing the licensed service which would differ from the
licensed service in—
(a) the area for which it would be provided; or
(b) the times of the day, or days of the week, between or on which it would be
provided.

(8) In all cases in which—
(a) the applicant notifies OFCOM that he accepts the terms notified to him under
subsection (4A)(c), and
(b) they are not required or allowed by subsections (5) to (7) to refuse a renewal,
they must grant the renewal as soon as reasonably practicable.

(9) But OFCOM must not grant a renewal under this section more than eighteen months
before the end of the licensing period from the end of which the renewal will take
effect.

(10) Where a licence is renewed under this section, it must be renewed on the same terms
and conditions, subject only to such modifications as are required to give effect—
(a) to any determination under subsection (4A)(a);
(b) in accordance with the determination under subsection (4A)(b), to the
requirements imposed by section 217(4).

(11) Nothing in this section requires OFCOM, following the receipt of an application for
the renewal of a licence—
(a) to make a decision or determination, or
(b) to take any other step under this section,
at any time after an order under section 230 has come into force preventing the renewal
of the licence.

(12) For the purposes of this section a licensing period, in relation to a licence, is—
(a) the period beginning with the commencement of this section and ending with
the initial expiry date for that type of licence; or
(b) any subsequent period of ten years beginning with the end of the previous
licensing period for that type of licence.

(13) In this section “tender notice” means a notice under section 15 of the 1990 Act.

(2) The area determined under section 216(4A)(a) for the licence—
   (a) must include all or part of the area to which the licence being renewed currently relates, and
   (b) may include all or part of another area if the holder of the licence to provide a Channel 3 service for the other area gives (and does not withdraw) consent before the determination is made.]

Financial terms of licence renewed under s. 216

(1) The determination under [F402 section 216(4A)(b)] must comprise—
   (a) a determination of the amount which the holder of the renewed licence will be required by the conditions of that licence to pay to OFCOM in respect of the first complete calendar year falling within the renewal period; and
   (b) a determination of the percentage of qualifying revenue for each accounting period of the licence holder falling within the renewal period which the holder of that licence will be required by those conditions to pay to OFCOM.

(2) The amount determined under subsection (1)(a) must be equal to the amount which, in OFCOM’s opinion, would have been the cash bid of the licence holder were the licence (instead of being renewed) to be granted for the period of the renewal on an application made in accordance with section 15 of the 1990 Act.

(3) For the purposes of subsection (1)(b)—
   (a) different percentages may be determined for different accounting periods; and
   (b) the percentages that may be determined for an accounting period include a nil percentage.
The renewed licence is required, as renewed, to include conditions requiring the licence holder to pay to OFCOM—

(a) in addition to any fees required to be paid by virtue of section 4(1)(b) of the 1990 Act, but

(b) instead of the amounts payable under the corresponding provision applicable under the conditions of the licence to the period before the renewal takes effect,

the amounts specified in subsection (5).

(5) Those amounts are—

(a) in respect of the first complete calendar year falling within the renewal period, the amount determined under subsection (1)(a);

(b) in respect of each subsequent year falling wholly or partly within the renewal period, that amount increased by the appropriate percentage; and

(c) in respect of each accounting period of the licence holder falling within the renewal period, an amount representing a specified percentage of qualifying revenue for that accounting period.

(6) The percentage specified for the purposes of subsection (5)(c) in respect of an accounting period must be the amount determined for that period under subsection (1)(b).

(7) In this section—

“the appropriate percentage” and “qualifying revenue” each has the same meaning as in section 19 of the 1990 Act; and

“renewal period”, in relation to a licence, means the period for which the licence is in force by reason of its renewal.

The public teletext service

218 Duty to secure the provision of a public teletext service

(1) OFCOM must do all that they can to secure the provision, in accordance with this Chapter and Part 1 of the 1996 Act, of a teletext service that is available nationwide.

(2) The service must consist of—

(a) a single teletext service provided in digital form with a view to its being broadcast by means of a television multiplex service; and

(b) for so long as Channel 4, S4C and one or more Channel 3 services are broadcast in analogue form, an analogue teletext service.
(3) The service, if licensed to do so in accordance with section 219, may continue to include an analogue teletext service after it is no longer required under subsection (2) (b) to include such a service.

(4) The analogue teletext service that must be or may be comprised in the public teletext service is a single additional television service that uses the combined spare capacity available for the provision of additional television services on the frequencies on which Channel 3 services, Channel 4 and S4C (or any of them) are broadcast in analogue form.

(5) For so long as the public teletext service must consist of both a teletext service provided in digital form and an analogue teletext service, OFCOM must secure that both services are provided by the same person.

(6) But nothing in this section—
   (a) requires the contents of the two services comprised in the public teletext service to be the same;
   (b) prevents the service from including different items for different parts of the United Kingdom or prevents the different items from being made available only in the parts of the United Kingdom for which they are included; or
   (c) prevents the licence holder from making arrangements authorised by virtue of section 220 for the provision of the whole or a part of the public teletext service by another.

(7) OFCOM must exercise their powers—
   (a) to make frequencies available for the purposes of Channel 3 services, Channel 4 and S4C; and
   (b) to make determinations for the purposes of section 48(2)(b) of the 1990 Act (determinations of spare capacity),

   in a manner that takes account of their duty under this section.
(4) An assessment under subsection (3)(a) must take account of alternative uses for the capacity that would be available if the public teletext service were not provided.

(5) OFCOM must publish every report under this section—
   (a) as soon as practicable after they send it to the Secretary of State, and
   (b) in such manner as they consider appropriate.

(6) “Capacity” means capacity on the frequencies on which Channel 3 services, Channel 4, S4C and television multiplex services are broadcast.

   (b) any subsequent period of ten years beginning with the end of the previous licensing period F405 for that type of licence.

(4) The licence must contain the conditions that OFCOM consider appropriate for the purpose of performing their duty under section 263.

(6) It shall be unlawful to impose a charge in contravention of a condition imposed under subsection (5).

(7) The service authorised by a licence under this section, so far as it comprises a service provided in digital form, is a qualifying service for the purposes of Part 1 of the 1996 Act.

(8) Schedule 10 (which makes further provision about the award and grant of the licence for the public teletext service and about the conditions and enforcement of that licence) shall have effect.
220  Delegation of provision of public teletext service

of that service may be provided by a person authorised by the licence holder.

(2) The conditions of the licence to provide the public teletext service apply in relation
to its provision by a person authorised to do so on the licence holder’s behalf as they
apply to its provision by the licence holder.

(3) A contravention of those conditions by a person so authorised shall be treated for the
purposes of this Chapter and the 1990 Act as a contravention on the part of the licence
holder.

(4) In this section “eligible person” means a person who is not a disqualified person under
Part 2 of Schedule 2 to the 1990 Act in relation to the licence for the public teletext
service.

221  Replacement of existing public teletext provider’s licence

(1) It shall be the duty of OFCOM to make an offer under this section to the person who,
when the offer is made, is the holder of the licence to provide the existing service (the
“existing licence”).

(2) The offer made to a person under this section—
   (a) must be an offer to exchange his existing licence for a replacement licence; and
(b) must be made as soon as practicable after the television transfer date.

(3) The replacement licence is to be one which is granted—

(a) for the purposes of section 218 of this Act; and

(b) in accordance with section 219 of this Act and the provisions of Part 1 of the 1990 Act;

but Part 1 of Schedule 10 to this Act is not to apply in the case of the replacement licence.

(4) Where OFCOM make an offer under this section, the service which they are proposing to license by or under the replacement licence must be a service which comprises both

(a) a service that appears to OFCOM to be equivalent in all material respects to the existing service; and

(b) a service that appears to them to be equivalent in all material respects to the teletext service in digital form which that person is required to provide by virtue of section 30 of the 1996 Act.

(5) The offer must propose the inclusion in the replacement licence of conditions as to the payment of amounts to OFCOM which require the payment of—

(a) the same amount in respect of each complete calendar year falling wholly or partly within the period for which the replacement licence is in force, and

(b) an amount equal to the same percentage of the qualifying revenue for each accounting period of the licence holder falling within that period, as would have been payable under the existing licence had that licence continued in force until the end of the period for which the replacement licence is granted.

(6) That offer must also propose conditions allowing amounts paid for a period under the existing licence to be set off against liabilities for the same period arising under the replacement licence.

(7) An offer under this section must set out—

(a) the terms of the proposed replacement licence;

(b) the conditions on which OFCOM are proposing to grant the replacement licence;

(c) the period for which the offer is open;

(d) the time as from which it is proposed the replacement licence will take effect if the offer is accepted; and

(e) the time from which the existing licence will cease to have effect if the offer is not accepted.

(8) The times set out under subsection (7) must—

(a) in the case of the time set out under paragraph (d), be in the period of twelve months beginning with the television transfer date; and

(b) in the case of the time set out under paragraph (e), be in the period of eighteen months after the end of the period set out under paragraph (e) of that subsection.

(9) Where the person to whom an offer has been made under this section elects, by notification to OFCOM, to exchange his licence for the replacement licence offered to him—
(a) he is entitled to be granted the replacement licence in the terms, and on the conditions, set out in the offer; and
(b) the replacement licence shall come into force, and the existing licence cease to have effect, at the time specified in the offer, or such later time as OFCOM may, with the consent of that person, direct.

(10) Where the person to whom an offer has been made under this section—
(a) does not elect, during the period for which the offer is open, to exchange the existing licence for the replacement licence, or
(b) rejects the offer before the end of that period,
the existing licence shall have effect as if the period for which it is to continue in force ended with the time specified in the offer for the purposes of subsection (7)(e).

(11) In this section “the existing service” means the teletext service which—
(a) is being provided immediately before the television transfer date on the combined spare capacity available for the provision of additional television services on frequencies on which Channel 3 services and Channel 4 are provided; and

222 Renewal of public teletext licence

(1) The holder of the licence to provide the public teletext service may apply to OFCOM for the renewal of his licence for a period of ten years from the end of the licensing period current at the time of the application.

(2) An application for renewal may only be made in the period which—
(a) begins four years before the end of the current licensing period; and
(b) ends three months before the day that OFCOM have determined to be the day by which they would need to publish a tender notice if they were proposing to grant a fresh licence to take effect from the end of that period.

(3) A determination for the purposes of subsection (2)(b)—
(a) must be made at least one year before the day determined; and
(b) must be notified by OFCOM to the holder, at the time of the determination, of the licence to provide the public teletext service.

(4) Where OFCOM receive an application under this section for the renewal of a licence, they must—
(a) decide whether they will be renewing the licence;
(b) if they decide that they will be, determine in accordance with section 223 the financial terms on which the licence will be renewed; and
(c) notify the applicant of their decision and determination.

(5) Section 17(5) to (7) of the 1990 Act (suspect sources of funds) apply in relation to an applicant for a renewal under this section as they apply in relation to an applicant mentioned in section 17(5) of that Act, but as if—
   (a) references to the award of a licence were references to its renewal; and
   (b) the reference in subsection (7)(a) to section 19(1) of that Act were a reference to paragraph 7 of Schedule 10.

(6) OFCOM may decide not to renew the licence if they are not satisfied that the applicant (if his licence were renewed) would provide a service complying with the requirements imposed under Chapter 4 of this Part by conditions relating to—
   (a) the public service remit for the public teletext service;
   (b) news; and
   (c) regional matters.

(7) OFCOM may also decide not to renew the licence if they propose to grant a fresh licence for the public teletext service which would differ in any material respect from the licensed service.

(8) In all cases in which—
   (a) the applicant notifies OFCOM that he accepts the terms notified to him under subsection (4)(c), and
   (b) they are not required or allowed by subsections (5) to (7) to refuse a renewal, they must grant the renewal as soon as reasonably practicable.

(9) But OFCOM must not grant a renewal under this section more than eighteen months before the end of the licensing period from the end of which the renewal will take effect.

(10) Where a licence is renewed under this section, it must be renewed on the same terms and conditions subject only to such modifications as are required to give effect, in accordance with the determination under subsection (4)(b), to paragraph 7 of Schedule 10.

(11) Nothing in this section requires OFCOM, following the receipt of an application for the renewal of a licence—
   (a) to make a decision or determination, or
   (b) to take any other step under this section, at any time after an order under section 230 has come into force preventing the renewal of the licence.

(12) For the purposes of this section a licensing period is—
   (a) the period beginning with the commencement of this section and ending with the initial expiry date [F406 for the licence to provide the public teletext service]; or
   (b) any subsequent period of ten years beginning with the end of the previous licensing period [F407 for that type of licence].

(13) In this section “tender notice” means a notice under paragraph 1 of Schedule 10.

   (b) a determination of the percentage of qualifying revenue for each accounting period of the licence holder falling within the renewal period which he will be required by those conditions to pay to OFCOM.

(2) The amount determined under subsection (1)(a) must be equal to the amount which, in OFCOM’s opinion, would have been the cash bid of the licence holder were the licence (instead of being renewed) to be granted for the period of the renewal on an application made in accordance with Part 1 of Schedule 10.

(3) For the purposes of subsection (1)(b)—
   (a) different percentages may be determined for different accounting periods; and
   (b) the percentages that may be determined for an accounting period include a nil percentage.

(4) In this section “renewal period”, in relation to a licence, means the period for which the licence is in force by reason of its renewal.

   (c) the licence to provide the public teletext service.

(2) The Secretary of State may (on one or more occasions) by order postpone the initial expiry date for one or more of the types of licence mentioned in subsection (1).
(3) Where the Secretary of State makes an order under this section at a time after he has fixed a date for digital switchover, the date to which the initial expiry date is postponed must be a date not less than eighteen months after the date for digital switchover.

(4) The Secretary of State must exercise his power to postpone the initial expiry date if it at any time appears to him that that date would otherwise fall within the period of eighteen months immediately following the date fixed for digital switchover.

(5) Where an order under this section extends a licensing period for which a licence has been granted in accordance with section 214 or 219, the 1990 Act and this Part shall have effect (subject to subsection (7)) as if the licence had originally been granted for the extended period.

(6) Where an order under this section extends the period for which a licence is to continue in force—
   
   (a) that order shall not affect the earliest time at which an application for the renewal of that licence may be made in accordance with section 216(2)(a) or 222(2)(a);
   
   (b) as soon as reasonably practicable after making the order, OFCOM must make such modification of any determination made by them in the case of that licence for the purposes of section 216(2)(b) or 222(2)(b) as they consider appropriate in consequence of the extension; and
   
   (c) neither section 216(3)(a) nor section 222(3)(a) applies to the making of that modification.

(8) In this section a reference to the date for digital switchover is a reference to the date fixed by the Secretary of State for the purposes of this section as the date which appears to him, in consequence of directions given by him for the purposes of the conditions of the licences for the relevant public broadcasting services, to be the date after which none of those services will be broadcast to any significant extent in analogue form.

(9) In this section “the relevant public broadcasting service” means any of the following—
   
   (a) the services comprised in Channel 3; and
   
   (b) Channel 5.
Application for review of financial terms of replacement licences

(1) The holder of a replacement licence granted under section 215 or 221 may apply to OFCOM, at any time in the first or any subsequent review period, for a review of the financial terms on which that licence is held.

(2) For the purposes of this section the first review period is the period which—
   (a) begins four years before the first notional expiry date; and
   (b) ends with the day before the day that OFCOM have determined to be the one by which they would need to publish a tender notice if they were proposing to grant a fresh licence to take effect from the first notional expiry date.

(3) For the purposes of this section a subsequent review period in the case of a replacement licence is so much (if any) of the following period as falls before the end of the initial expiry date, namely, the period which—
   (a) begins four years before a subsequent notional expiry date; and
   (b) ends with the day before the day that OFCOM have determined to be the one by which they would need to publish a tender notice if they were proposing to grant a fresh licence to take effect from that notional expiry date.

(4) A determination for the purposes of subsection (2)(b) or (3)(b) in respect of a replacement licence—
   (a) must be made at least one year before the day determined; and
   (b) must be notified by OFCOM to the person who, at the time of the determination, holds the licence in question.

(5) No application under this section for a review of the financial terms on which a replacement licence is held is to be made—
   (a) at any time when an application under section 226 for a review of those terms is pending; or
   (b) at any time in the period of twelve months following the day on which a determination by OFCOM on such an application is notified to the licence holder.

(6) For the purposes of this section an application for a review under section 226 is pending from the time when the application is made until the end of the day on which OFCOM’s determination on the review is notified to the licence holder.

(7) In this section—
   “the first notional expiry date”, in relation to a replacement licence, means the date with which (apart from this Act) the existing licence would have expired if not renewed;
   “subsequent notional expiry date”, in relation to a replacement licence, means—
   (a) in a case in which an application by the licence holder for a review under this section was made during the review period beginning four years before the last notional expiry date, the tenth anniversary of the date on which OFCOM’s determination on that review was notified to the licence holder; and
   (b) in any other case, the tenth anniversary of the last notional expiry date;
“tender notice” means a notice under section 15(1) of the 1990 Act or (as the case may be) paragraph 1 of Schedule 10.

(8) In subsection (7) “existing licence” has the same meaning as in section 215 or (as the case may be) 221.

226 Application for review of financial terms in consequence of new obligations

(1) This section applies where an order is made under section 411 that brings section 272, 273 or 274 (or any two or more of them) into force for the purpose of including conditions in the regulatory regime for—
   (a) a Channel 3 service;
   (b) Channel 5; or
   (c) the public teletext service.

(2) The holder of a licence in which conditions mentioned in section 272, 273 or 274 will fall to be included when the order comes into force may apply to OFCOM, at any time in the review period, for a review of the financial terms on which the licence is held.

(3) For the purposes of this section the review period in the case of an order under section 411 is the period which—
   (a) begins with the day on which the order is made; and
   (b) ends with the time at which, by virtue of the order, one or more of sections 272, 273 and 274 come into force in the case of the licence in question.

(4) If in the case of the same order there is more than one time falling within subsection (3) (b), the review period ends with the later or latest of them.

227 Reviews under ss. 225 and 226

(1) This section applies where an application is made under section 225 or 226 for a review of the financial terms on which a licence is held.

(2) As soon as reasonably practicable after receiving the application, OFCOM must—
   (a) determine the amount to be paid to them under the conditions of the licence for the first calendar year falling wholly or partly within the period under review to begin after the application date; and
   (b) determine the percentage to be used for computing the payments to be made to them under those conditions in respect of each accounting period falling within the period under review to begin after that date.
(3) The amount determined under subsection (2)(a) must be equal to the amount which, in OFCOM’s opinion, would have been the cash bid of the licence holder were the licence being granted afresh on an application made in accordance with—  
(a) section 15 of the 1990 Act (licences for Channel 3 service or Channel 5); or 
(b) paragraph 3 of Schedule 10 to this Act.

(4) The determination required by subsection (2)(b) is a determination of the percentage of qualifying revenue for each accounting period that is to be paid to OFCOM.

(5) For the purposes of subsection (2)(b)—  
(a) different percentages may be determined for different accounting periods; and  
(b) the percentages that may be determined for an accounting period include a nil percentage.

(6) In making their determinations on an application under section 226 OFCOM are to have regard, in particular, to any additional costs that are likely to be incurred by the licence holder in consequence of the commencement of so much of section 272, 273 or 274 (or any two or more of them) as is brought into force by the commencement order in question.

(7) References in this section to qualifying revenue for an accounting period are to be construed—  
(a) in the case of the holder of a licence to provide a Channel 3 service or Channel 5, in accordance with section 19 of and Part 1 of Schedule 7 to the 1990 Act; and  
(b) in the case of the holder of the licence to provide the public teletext service, in accordance with Part 3 of Schedule 10 to this Act.

**228 Giving effect to reviews under ss. 225 and 226**

(1) As soon as reasonably practicable after making a determination under section 227 on an application under section 225 or 226, OFCOM must give a notification of their determination to the applicant.

(2) The notification must set out—  
(a) the determination made by OFCOM;  
(b) the modifications of the applicant’s licence that are required to give effect to the determination;  
(c) a date by which the applicant must notify OFCOM whether or not he accepts the determination and modifications; and
(d) a subsequent date by which the applicant’s licence will cease to have effect if he does not.

(3) The modifications set out in accordance with subsection (2)(b) must secure that the amount falling to be paid under the conditions of the applicant’s licence for each calendar year subsequent to that for which an amount has been determined in accordance with section 227(2)(a) is the amount so determined as increased by the appropriate percentage.

(4) In the case of a determination on an application under section 225, the date specified in accordance with subsection (2)(d) must not fall before whichever is the earlier of—

(a) the next notional expiry date after the application for the review; and
(b) the end of the licensing period in which that application was made.

(5) Where the applicant notifies OFCOM that he accepts the determination—

(a) his licence is to have effect with the modifications set out in OFCOM’s notification; and
(b) all such adjustments by way of payment or repayment as may be necessary for giving effect to the modifications are to be made in respect of any payments already made for years or periods affected by the modifications.

(6) Where the applicant does not, before the date specified in accordance with paragraph (c) of subsection (2), notify OFCOM that he accepts the determination, his licence shall have effect as if the period for which it is to continue in force ended with the time specified in accordance with paragraph (d) of that subsection.

240 Abolition of separate licences for certain television services

(1) The authorisations that are to be capable of being granted on or after the television transfer date by or under a licence under Part 1 of the 1990 Act do not include the authorisation of the provision, as such, of—
(a) any satellite television service (as defined, disregarding its repeal by this Act, in section 43(1) of the 1990 Act); or
(b) any licensable programme service (as defined, disregarding its repeal by this Act, in section 46(1) of that Act).

(2) Subsection (1) does not affect OFCOM’s power, by means of a licence authorising the provision of a service falling within section 211(1), to authorise the provision of
so much of any formerly regulated television service as is comprised in the licensed service.

(3) So much of any relevant existing licence as authorises the provision of a service which consists in or includes a television licensable content service—

(a) shall have effect, on and after the television transfer date, as a licence under Part 1 of the 1990 Act authorising the provision of the television licensable content service comprised in the licensed service;

(b) shall so have effect as a licence which, notwithstanding its terms and conditions, is to continue in force until such time as it is surrendered or is revoked in accordance with provisions of this Chapter or of the 1990 Act; and

(c) shall otherwise have effect as a licence on the same terms and conditions as those on which it had effect immediately before the television transfer date.

(4) It shall be the duty of OFCOM to exercise their power under section 3 of the 1990 Act to make such variations of any licence having effect in accordance with subsection (3) of this section as (after complying with subsection (4)(b) of that section) they consider appropriate for the purpose of performing their duty under section 263 of this Act.

(5) In this section—

“formerly regulated television service” means a service mentioned in subsection (1); and

“relevant existing licence”, means any licence which—

(a) was granted by the Independent Television Commission under Part 1 of the 1990 Act before the television transfer date; and

(7) In any case where a wireless telegraphy licence is deemed by virtue of subsection (6) to contain a limitation falling within subsection (5) and the person providing the television multiplex service in question—

(a) ceases to be licensed under Part 1 of the 1996 Act in respect of that service, or

(b) ceases to exist,

Abolition of separate licences for certain sound services

(1) The authorisations that are to be capable of being granted on or after the radio transfer date by or under a licence under Part 3 of the 1990 Act do not include the authorisation of the provision, as such, of—
   (a) any satellite service (as defined, disregarding its repeal by this Act, in section 84(2)(b) of the 1990 Act); or
   (b) any licensable sound programme service (as defined, disregarding its repeal by this Act, in section 112(1) of that Act).

(2) Subsection (1) does not affect OFCOM’s power, by means of a licence authorising the provision of a service falling within section 245(1), to authorise the provision of so much of any formerly regulated radio service as is comprised in the licensed service.

(3) So much of any relevant existing licence as authorises the provision of a service which consists in or includes a radio licensable content service—
   (a) shall have effect, on and after the radio transfer date, as a licence under Part 3 of the 1990 Act authorising the provision of the radio licensable content service comprised in the licensed service;
   (b) shall so have effect as a licence which, notwithstanding its terms and conditions, is to continue in force until such time as it is surrendered or is revoked in accordance with provisions of the 1990 Act; and
   (c) shall otherwise have effect as a licence on the same terms and conditions as those on which it had effect immediately before the radio transfer date.

(4) It shall be the duty of OFCOM to exercise their power under section 86 of the 1990 Act to make such variations of any licence having effect in accordance with subsection (3) of this section as (after complying with subsection (5)(b) of that section) they consider appropriate for the purpose of performing their duty under section 263 of this Act.

(5) In this section—
   “formerly regulated radio service” means a service mentioned in subsection (1); and
   “relevant existing licence” means any licence which—
   (a) was granted by the Radio Authority under Part 3 of the 1990 Act before the radio transfer date; and

252 Extension of licence periods

(1) In subsection (1) of section 86 of the 1990 Act (period of licences), for the words from “for such period” onwards there shall be substituted “(subject to a suspension of the licence under section 111B)—

(a) in the case of a licence to provide radio licensable content services, until such time as it is surrendered or is revoked in accordance with any of the following provisions of this Part; and

(b) in any other case, until whichever is the earlier of any such time or the end of the period specified in the licence.”

(2) For subsection (3) of that section there shall be substituted—

“(3) A licence to provide a local or national service or to provide an additional service must specify a period of no more than twelve years as the period for which it is to be in force.”

253 Extension and modification of existing licences

(1) A person who immediately before the radio transfer date holds a pre-transfer national licence or a pre-transfer local licence is entitled, in accordance with the following provisions of this section, to apply to OFCOM for an extension of the licence.

(2) The period for which a licence may be extended on such an application is a period ending not more than four years after the end of the period for which it was granted originally or (if it has been renewed) for which it was last renewed.

(3) An application under subsection (1) may only be made in the period which—

(a) begins three years before the date on which the licence would otherwise expire; and

(b) ends three months before the day that OFCOM have determined to be the day by which they would need to publish a notice under section 98(1) or 104(1) of the 1990 Act if they were proposing to grant a fresh licence to take effect from that date.

(4) A determination for the purposes of subsection (3)(b)—

(a) must be made at least one year before the day determined; and

(b) must be notified by OFCOM to the person who holds the licence in question.

(5) An application under subsection (1)—

(a) must be made in such manner,

(b) must contain such information about the applicant, his business and the service he proposes to provide, and

(c) must be accompanied by such fee (if any), as OFCOM may determine.
(6) If, on an application for an extension under subsection (1), OFCOM are satisfied as to the matters mentioned in subsection (7), they shall—
   (a) modify the licence by extending the period for which the licence is to be in force by such period authorised by subsection (2) as they think fit; and
   (b) make such other modifications as appear to them to be necessary for the purpose of securing that the provisions of the licence correspond to those that would be contained in a national sound broadcasting licence or (as the case may be) a local sound broadcasting licence granted after the radio transfer date.

(7) Those matters are—
   (a) the ability of the licence holder to maintain the service for the period of the extension; and
   (b) the likelihood of a contravention by the licence holder of a requirement imposed by—
      (i) a condition included in the licence by virtue of section 106 of the 1990 Act; or
      (ii) a condition of the licence varied in accordance with subsection (8).

(8) For the purposes of the modification under this section of a national licence, OFCOM shall determine an amount which is to be payable to OFCOM by the licence holder in respect of the first complete calendar year falling within the period for which the licence is extended; and
   (b) may, in relation to any accounting period of the licence holder during the period of the extension, modify a condition included in the licence in pursuance of section 102(1)(c) of the 1990 Act (additional payments to be made in respect of national licences) by specifying a different percentage of the qualifying revenue for that accounting period from that which was previously specified in the condition.

(9) The amount determined by OFCOM under subsection (8)(a) must be the amount which, in OFCOM’s opinion, would have been the cash bid of the licence holder were the licence (instead of being extended) being granted afresh on an application made in accordance with section 98 of the 1990 Act.

(10) For the purposes of subsection (8)(b)—
   (a) different percentages may be specified for different accounting periods; and
   (b) the percentages that may be specified for an accounting period include a nil percentage.

(11) The modifications set out in accordance with subsection (6)(b) must secure—
   (a) that the amount falling to be paid under the conditions of the licence for each calendar year subsequent to that for which an amount has been determined in accordance with subsection (8)(a) is the amount so determined as increased by the appropriate percentage; and
   (b) that such adjustments as are appropriate are made as respects sums already paid in respect of any year or accounting period to which a modification under subsection (8) applies.

(12) Where OFCOM have granted a person’s application under this section, the extensions and modifications take effect only if that person—
(a) has been notified by OFCOM of their proposals for modifications by virtue of subsection (6)(b) or (8)(b), and for the making of a determination under subsection (8)(a); and

(b) has consented to the extension on the terms proposed.

(13) In this section—
“the appropriate percentage” has the same meaning as in section 102 of the 1990 Act;
“national sound broadcasting licence” means a licence under Part 3 of the 1990 Act to provide a sound broadcasting service which, under subsection (4)(a) of section 245 is a national service for the purposes of that section;
“pre-transfer licence” means a licence which was granted under Part 3 of the 1990 Act before the radio transfer date and has not been modified under this section or renewed at any time on or after that date;
“pre-transfer local licence” means a pre-transfer licence which was granted as a local licence (within the meaning of Part 3 of the 1990 Act, as it had effect without the amendments made by this Act);

““simulcast radio service” means a simulcast radio service within the meaning given by section 41(2) of the Broadcasting Act 1996 for the purposes of Part 2 of that Act;”.

(3) After that subsection there shall be inserted—

(4) In section 98(7) (construction of section), after “this section” there shall be inserted—
“(1A) If, in a case in which one or more of the applicants has made a proposal to provide a simulcast radio service corresponding to the service to be licensed (a “simulcast applicant”), the highest cash bid is made by an applicant who is not a simulcast applicant, OFCOM may—
(a) disregard the requirement imposed by subsection (1); and
(b) award the licence to the simulcast applicant whose cash bid is the highest of the bids submitted by simulcast applicants.

(2) Where—
(a) two or more applicants for a licence have submitted cash bids specifying an identical amount and that amount is higher than the amount of every other bid, or
(b) two or more simulcast applicants have submitted cash bids specifying an identical amount and that amount is higher than the amount of every other bid submitted by a simulcast applicant,
OFCOM must invite those applicants and (in a case falling within paragraph (b)) every applicant who has made a higher bid to submit further cash bids in respect of that licence.

(2A) OFCOM may decide not to invite an applicant to submit a further cash bid under subsection (2) if—
(a) the applicant is not a simulcast applicant and they propose to exercise their power under subsection (1A); or
(b) they propose to exercise their power under subsection (3).

(2B) Subsection (2A) is not to be construed as preventing OFCOM from making a decision to exercise their power under subsection (1A) or (3) after they have received further bids in response to invitations under subsection (2).

(2C) In this Part references to a person’s cash bid, in relation to a person who has submitted a further cash bid in pursuance of subsection (2), have effect as references to his further bid.”

(5) For so long as the public teletext service comprises both—
   (a) an analogue teletext service, and
   (b) a teletext service provided in digital form,
the conditions imposed under this section must require the public service remit of the public teletext service to be fulfilled separately in the case of each of those services.

266  Statements of programme policy

(1) The regulatory regime for every licensed public service channel includes a condition requiring the provider of the channel—
   (a) as soon as practicable after the coming into force of this section and subsequently at annual intervals, to prepare a statement of programme policy; and
   (b) to monitor his own performance in the carrying out of the proposals contained in the statements made in pursuance of the condition.

(2) The condition must require every statement of programme policy prepared in accordance with the condition to set out the proposals of the provider of the channel for securing that, during the following year—
   (a) the public service remit for the channel will be fulfilled; and
   (b) the duties imposed on the provider by virtue of sections 277 to 296 will be performed.
The condition must also require every such statement to contain a report on the performance of the provider of the channel in the carrying out, during the period since the previous statement, of the proposals contained in that statement.

The condition must also provide that every such statement—

(a) must be prepared having regard to guidance given by OFCOM;
(b) must be prepared taking account of the reports previously published by OFCOM under sections 264 and 358;
(c) must take special account of the most recent such reports;
(d) must be published by the provider of the channel in question as soon as practicable after its preparation is complete; and
(e) must be published in such manner as, having regard to any guidance given by OFCOM, the provider considers appropriate.

In preparing guidance about the preparation of such a statement, OFCOM must have regard, in particular, to the matters which, in the light of the provisions of section 264(4) and (6), they consider should be included in statements of programme policy.

It shall be the duty of OFCOM—

(a) from time to time to review the guidance for the time being in force for the purposes of this section; and
(b) to make such revisions of that guidance as they think fit.

The conditions of a licence to provide a licensed public service channel may provide that a previous statement of policy made by the provider of the channel is to be treated for the purposes of this Part—

(a) as if it were a statement made in relation to such period as may be so specified; and
(b) were a statement of programme policy for the purposes of a condition imposed under this section.

The reference in subsection (7) to a previous statement of policy is a reference to any statement made by the provider of the channel—

(a) whether before or after the commencement of this section, for the purposes of his application for a Broadcasting Act licence for the channel; or
(b) at any time before the commencement of this section, for any other purpose.

A condition under subsection (7) cannot contain provision the effect of which is to postpone the time at which a licence holder is required to make the first statement of programme policy which (apart from that subsection) he is required to make in pursuance of a condition imposed under this section.

267 Changes of programme policy

(1) The regulatory regime for every licensed public service channel includes a condition requiring compliance with subsection (2) in the case of a statement of programme policy containing proposals for a significant change.

(2) This subsection requires the provider of the channel—

(a) to consult OFCOM before preparing the statement; and

(b) to take account, in the preparation of the statement, of any opinions expressed to the provider of the channel by OFCOM.

(3) A condition imposed under this section must further provide that, if it appears to OFCOM that a statement of programme policy has been prepared by the provider of the channel in contravention of a condition imposed under subsection (1), the provider is—

(a) to revise that statement in accordance with any directions given to him by OFCOM; and

(b) to publish a revision of the statement in accordance with any such directions only after the revision has been approved by OFCOM.

(4) A change is a significant change for the purposes of this section if it is a change as a result of which the channel would in any year be materially different in character from in previous years.

(5) In determining for the purposes of any condition under this section whether a change is a significant change—

(a) regard must be had to any guidance issued by OFCOM;

(b) the changes to be considered include any changes that, together with any proposed change for a particular year, would constitute a change occurring gradually over a period of not more than three years; and

(c) the previous years with which a comparison is to be made must be those immediately preceding the year in which the change is made, or in which the changes comprised in it began to occur.

(6) It shall be the duty of OFCOM—

(a) from time to time to review the guidance for the time being in force for the purposes of this section; and

(b) to make such revisions of that guidance as they think fit.

268 Statements of service policy by the public teletext provider

(1) The regulatory regime for the public teletext service includes a condition requiring the public teletext provider—

(a) as soon as practicable after the coming into force of this section and subsequently at annual intervals, to prepare a statement of service policy; and

(b) to monitor his own performance in the carrying out of the proposals contained in statements made in pursuance of the condition.
(2) The condition must require every statement of service policy prepared in accordance with the condition to set out the proposals of the public teletext provider for securing that, during the following year, the public service remit for the public teletext service will be fulfilled.

(3) The condition must also require every such statement to contain a report on the performance of the public teletext provider in the carrying out, during the period since the previous statement, of the proposals contained in that statement.

(4) The condition must provide that the proposals or report for a period in the course of which the public teletext service will comprise or has comprised both—
   (a) an analogue teletext service, and
   (b) a teletext service provided in digital form,
must deal separately with each of those services.

(5) The condition must also provide that every statement in pursuance of the condition—
   (a) must be prepared having regard to guidance given by OFCOM;
   (b) must be prepared taking account of the reports previously published by OFCOM under sections 264 and 358;
   (c) must take special account of the most recent such reports;
   (d) must be published by the public teletext provider as soon as practicable after its preparation is complete; and
   (e) must be published in such manner as, having regard to any guidance given by OFCOM, that provider considers appropriate.

(6) In preparing guidance about the preparation of such a statement, OFCOM must have regard, in particular, to the matters which, in the light of the provisions of section 264(4) and (6), they consider should be included in statements of service policy by the public teletext provider.

(7) It shall be the duty of OFCOM—
   (a) from time to time to review the guidance for the time being in force for the purposes of this section; and
   (b) to make such revisions of that guidance as they think fit.

(8) The conditions of the licence to provide the public teletext service may provide that a previous statement of policy made by the public teletext provider is to be treated for the purposes of this Part—
   (a) as if it were a statement made in relation to such period as may be so specified; and
   (b) were a statement of service policy for the purposes of a condition imposed under this section.

(9) The reference in subsection (8) to a previous statement of policy is a reference to any statement made by the public teletext provider—
   (a) whether before or after the commencement of this section, for the purposes of his application for a Broadcasting Act licence for the public teletext service or for the existing service (within the meaning of section 221); or
   (b) at any time before the commencement of this section, for any other purpose.

(10) A condition under subsection (8) cannot contain provision the effect of which is to postpone the time at which a licence holder is required to make the first statement of
service policy which (apart from that subsection) he is required to make in pursuance of a condition imposed under this section.

269  Changes of service policy

(1) The regulatory regime for the public teletext service includes a condition requiring compliance with subsection (2) in the case of a statement of service policy containing proposals for a significant change.

(2) This subsection requires the provider of the service—
   (a) to consult OFCOM before preparing the statement; and
   (b) to take account, in the preparation of the statement, of any opinions expressed to the provider of the service by OFCOM.

(3) A condition imposed under this section must further provide that, if it appears to OFCOM that a statement of service policy has been prepared by the public teletext provider in contravention of a condition imposed under subsection (1), that provider is—
   (a) to revise that statement in accordance with any directions given to him by OFCOM; and
   (b) to publish a revision of the statement in accordance with any such directions only after the revision has been approved by OFCOM.

(4) A change is a significant change for the purposes of this section if it is a change as a result of which the service would in any year be materially different in character from in previous years.

(5) In determining for the purposes of any condition under this section whether a change is a significant change—
   (a) regard must be had to any guidance issued by OFCOM;
   (b) the changes to be considered include any changes that, together with any proposed change for a particular year, would constitute a change occurring gradually over a period of not more than three years;
   (c) the previous years with which a comparison is to be made must be those immediately preceding the year in which the change is made, or in which the changes comprised in it began to occur; and
   (d) any change that is a significant change in relation to so much of the public teletext service as is provided in digital form or in relation to so much of it as is provided in analogue form is to be regarded as a significant change in relation to the whole service.

(6) It shall be the duty of OFCOM—
   (a) from time to time to review the guidance for the time being in force for the purposes of this section; and
   (b) to make such revisions of that guidance as they think fit.
270 Enforcement of public service remits

(1) This section applies if OFCOM are of the opinion that the provider of a licensed public service channel or the public teletext provider—

(a) has failed to fulfil the public service remit for that channel or the public teletext service; or

(b) has failed, in any respect, to make an adequate contribution towards the fulfilment of the purposes of public service television broadcasting in the United Kingdom.

(2) This section does not apply unless—

(a) OFCOM are of the opinion that the failure of the provider is serious and is not excused by economic or market conditions; and

(b) OFCOM determine that the situation requires the exercise of their powers under this section.

(3) In making a determination under subsection (2)(b), OFCOM must have regard, in particular, to—

(a) the public service remit of that provider;

(b) the statements of programme policy or statements of service policy made (or treated as made) by the provider under section 266 or 268;

(c) the record generally of the provider in relation to the carrying out of obligations imposed by conditions of licences under the 1990 Act and the 1996 Act (including past obligations);

(d) the effectiveness and efficiency of the provider in monitoring his own performance; and

(e) general economic and market conditions affecting generally the providers of television programme services or the providers of television multiplex services, or both of them.

(4) OFCOM shall have power to give directions to the provider to do one or both of the following—

(a) to revise the provider’s latest statement of programme policy, or statement of service policy, in accordance with the directions; and

(b) to take such steps for remedying the provider’s failure as OFCOM may specify in the direction as necessary for that purpose.

(5) A direction given under this section must set out—

(a) a reasonable timetable for complying with it; and

(b) the factors that will be taken into account by OFCOM in determining—

(i) whether or not a failure of the provider has been remedied; and

(ii) whether or not to exercise their powers under subsection (6).

(6) If OFCOM are satisfied—

(a) that the provider of a public service channel or the public teletext provider has failed to comply with a direction under this section,
(b) that that provider is still failing to fulfil the public service remit for that channel or service or adequately to contribute to the fulfilment of the purposes of public service television broadcasting in the United Kingdom, and

(c) that it would be both reasonable and proportionate to the seriousness of that failure to vary the provider’s licence in accordance with this subsection, OFCOM may, by notice to the provider, vary that licence so as to replace self-regulation with detailed regulation.

(7) For the purposes of subsection (6) a variation replacing self-regulation with detailed regulation is a variation which—

(a) omits the conditions imposed by virtue of sections 265 to 269; and

(b) replaces those conditions with such specific conditions as OFCOM consider appropriate for securing that the provider—

(i) fulfils the public service remit for his service; and

(ii) makes an adequate contribution towards the fulfilment of the purposes of public service television broadcasting in the United Kingdom.

(8) If, at any time following a variation in accordance with subsection (6) of a provider’s licence, OFCOM consider that detailed regulation is no longer necessary, they may again vary the licence so as, with effect from such time as they may determine—

(a) to provide for the conditions required by virtue of sections 265 to 269 again to be included in the regulatory regime for the service provided by that provider; and

(b) to remove or modify some or all of the specific conditions inserted under that subsection.

(9) Before giving a direction under this section to a provider or exercising their power under this section to vary a provider’s licence, OFCOM must consult that provider.

(10) In accordance with section 265(5), the reference in subsection (1) to a failure to fulfil the public service remit for the public teletext service includes a failure to fulfil that remit as respects only one of the services comprised in that service.

271 Power to amend public service remits

(1) The Secretary of State may by order modify any one or more of the following—

(a) the public service remit for any licensed public service channel or for the public teletext service;

(b) the purposes of public service television broadcasting in the United Kingdom (within the meaning given by subsection (4) of section 264);

(c) the matters to which OFCOM are to have regard under subsections (5) and (6) of that section.

(2) The Secretary of State is not to make an order under this section except where—

(a) OFCOM have made a recommendation for the making of such an order in their most recent report under section 229 or 264; or
(b) subsection (3) applies to the order.

(3) This subsection applies to an order if—
(a) it is made by the Secretary of State less than twelve months after the date on which he has received a report under section 229;
(b) he has considered that report; and
(c) he is satisfied that the making of the order is required, notwithstanding the absence of a recommendation by OFCOM, by circumstances or other matters which are dealt with in that report or which (in his opinion) should have been.

(4) Before including a recommendation for the making of an order under this section in a report under section 229 or 264, OFCOM must consult—
(a) members of the public in the United Kingdom;
(b) such public service broadcasters as they consider are likely to be affected if the Secretary of State gives effect to the recommendation they are proposing to make; and
(c) such of the other persons providing television and radio services as OFCOM consider appropriate.

(5) Before making an order under this section, the Secretary of State must consult the persons mentioned in subsection (6) about its terms (even if the order is the one recommended by OFCOM).

(6) Those persons are—
(a) OFCOM;
(b) such public service broadcasters as they consider are likely to be affected by the order; and
(c) such of the other persons providing television and radio services as he considers appropriate.

(7) No order is to be made containing provision authorised by this section unless a draft of the order has been laid before Parliament and approved by a resolution of each House.

(8) In this section “public service broadcaster” means any of the persons who are public service broadcasters for the purposes of section 264.

**F450271A Remediying failure by C4C to perform media content duties**

(1) This section applies if OFCOM are satisfied—
(a) that C4C have failed to comply with a direction under section 198D in respect of a failure to perform one or more of their duties under section 198A,
(b) that C4C are still failing to perform that duty or those duties, and
(c) that it would be both reasonable and proportionate to the seriousness of the failure to vary the licence under which Channel 4 is licensed (“the Channel 4 licence”) in accordance with this section.

(2) OFCOM may, by notice to C4C, vary the Channel 4 licence by adding such conditions, or making such modifications of conditions, as OFCOM consider appropriate for
remedying (entirely or partly) C4C’s failure to perform the duty or duties under section 198A.

(3) If, at any time following such a variation, OFCOM consider that any of the additional conditions or modifications is no longer necessary, they may again vary the licence with effect from such time as they may determine.

(4) OFCOM must consult C4C before exercising their power under this section to vary the Channel 4 licence.

Must-offer obligations etc. affecting public service television

272 Must-offer obligations in relation to networks

(1) The regulatory regime for—
   (a) every licensed public service channel,
   (b) the public teletext service, and
   (c) every licensed television service added by order under section 64 to the list of must-carry services,

includes the conditions that OFCOM consider appropriate for securing the three objectives set out in this section (so far as they are not secured by provision made under section 243).

(2) The first objective is that the channel or other service, so far as it is provided in digital form, is at all times offered as available (subject to the need to agree terms) to be broadcast or distributed by means of every appropriate network.

(3) The second objective is that the person providing the channel or other service does his best to secure that arrangements are entered into, and kept in force, that ensure—
   (a) that the channel or other service, so far as it is provided in digital form, is broadcast or distributed on appropriate networks; and
   (b) that the broadcasting and distribution of the channel or other service, in accordance with those arrangements, result in its being available for reception, by means of appropriate networks, by as many members of its intended audience as practicable.

(4) The third objective is that the arrangements entered into and kept in force for the purpose of securing the second objective prohibit the imposition, for or in connection with the provision of an appropriate network, of any charge that is attributable (whether directly or indirectly) to the conferring of an entitlement to receive the channel or other service in question in an intelligible form by means of that network.

(5) The three objectives apply only in relation to times when the channel or other service in its digital form is included in the list of must-carry services in section 64.

(6) Conditions imposed under this section in relation to a channel or other service must, to such extent as OFCOM consider appropriate—

(a) require arrangements made or kept in force for the purpose of securing the second objective to apply in the case of every service which is an ancillary service by reference to the channel or other service in question as they apply to the channel or other service itself; and

(b) provide for the channel or other service to which the conditions apply to be treated, in relation to particular appropriate networks, as constituting such services comprised in or provided with that channel or other service as may be determined by OFCOM.

(7) In this section—
“appropriate network” means (subject to subsection (8)) an electronic communications network by means of which public electronic communications services are provided that are used by a significant number of end-users as their principal means of receiving television programmes;
“intended audience”, in relation to a channel or other service, means—
(a) if the channel or other service is one provided only for a particular area or locality of the United Kingdom, members of the public in that area or locality;
(b) if the channel or other service is one provided for members of a particular community, members of that community; and

273 Must-offer obligations in relation to satellite services

(1) The regulatory regime for—
(a) every licensed public service channel,
(b) the public teletext service, and
(c) every other licensed television service specified for the purposes of this section in an order made by the Secretary of State,
includes the conditions that OFCOM consider appropriate for securing the three objectives set out in this section (so far as they are not secured by conditions imposed under section 272).
(2) The first objective is that the channel or other service, so far as it is provided in digital form, is at all times offered as available (subject to the need to agree terms) to be broadcast by means of every satellite television service that is available for reception by members of the public in the whole or a part of the United Kingdom.

(3) The second objective is that the person providing the channel or other service does his best to secure that arrangements are entered into, and kept in force, that ensure—

(a) that the channel or other service, so far as it is provided in digital form, is broadcast by means of satellite television services that are broadcast so as to be available for reception by members of the public in the United Kingdom; and

(b) that the broadcasting, in accordance with those arrangements, of the channel or other service by means of those satellite television services results in its being available for reception in an intelligible form and by means of those services by as many members of its intended audience as practicable.

(4) The third objective is that the arrangements entered into and kept in force for the purpose of securing the second objective prohibit the imposition, for or in connection with the provision of a satellite television service, of any charge that is attributable (whether directly or indirectly) to the conferring of an entitlement to receive the channel or other service in question in an intelligible form by means of that service.

(5) The three objectives apply only in relation to a time when the channel or service is included, in its digital form, in the list of services that are must-provide services for the purposes of section 274.

(6) Conditions imposed under this section in relation to a channel or other service must, to such extent as OFCOM consider appropriate—

(a) require arrangements made or kept in force for the purpose of securing the second objective to apply in the case of every service which is an ancillary service by reference to the channel or other service in question as they apply to the channel or other service itself; and

(b) provide for the channel or other service to which the conditions apply to be treated, in relation to particular satellite television services, as constituting such services comprised in or provided with the channel or other service as may be determined by OFCOM.

(7) In this section—

“intended audience”, in relation to a channel or other service, means—

(a) if the channel or other service is one provided only for a particular area or locality of the United Kingdom, members of the public in that area or locality;

(b) if the channel or other service is one provided for members of a particular community, members of that community; and

(c) in any other case, members of the public in the United Kingdom;

“licensed television service” means a service falling to be licensed under Part 1 of the 1990 Act or Part 1 of the 1996 Act; and

“satellite television service” means a service which—

(a) consists in or involves the broadcasting of television programme services from a satellite; and

(b) is used by a significant number of the persons by whom the broadcasts are received in an intelligible form as their principal means of receiving television programmes.
(8) An order under section 411 must not appoint a day for provisions of this section to come into force that falls less than six months after the day on which the order is made.

274 Securing reception of must-provide services in certain areas

(1) The regulatory regime for—
(a) every licensed public service channel,
(b) the public teletext service, and
(c) every licensed television service added by order under section 275 to the list of must-provide services,
includes the conditions that OFCOM consider appropriate for securing that arrangements satisfying the requirements of this section are entered into and maintained by all the persons who provide must-provide services.

(2) The conditions imposed on a person under this section may include the conditions that OFCOM consider appropriate for securing, in a case where—
(a) the persons providing must-provide services fail to enter into or maintain arrangements satisfying the requirements of this section, and
(b) OFCOM make and impose arrangements of their own instead,
that the person bound by the conditions is required to act in accordance with arrangements imposed by OFCOM.

(3) The arrangements that are to be entered into, or may be imposed, are arrangements that secure—
(a) that a facility for receiving each must-provide service is made available to every member of the intended audience for that service who is unable, without the use of that facility, to receive it in an intelligible form and free of charge;
(b) that the facility is one under which every such member of the intended audience for a must-provide service is entitled, free of charge, to receive in an intelligible form so much of a service broadcast from a satellite as includes that must-provide service;
(c) that the cost of making that facility available is shared, in appropriate proportions, by all the persons providing must-provide services;
(d) that procedures are established and maintained for dealing with complaints from persons claiming to be entitled to receive a service free of charge, and for resolving disputes about the existence or extent of such an entitlement;
(e) that the availability of those procedures is adequately publicised in accordance with guidance given from time to time by OFCOM.

(4) Arrangements entered into by the providers of must-provide services for the purposes of subsection (3), and any modifications of such arrangements made by the parties to them, are to have effect only if approved by OFCOM.
(5) Before imposing any arrangements for the purposes of a condition under subsection (2), OFCOM must consult all the persons who provide must-provide services.

(6) For the purposes of this section the reception of a service is not free of charge—

(a) if reception of the service is made conditional on the acceptance of an entitlement to receive another service in relation to which a charge is imposed (whether directly or indirectly);

(b) if a charge is made for or in connection with the provision of a service which is an ancillary service in relation to the service in question;

(c) if any consideration is required from the persons to whom it is made available for the provision of assistance for disabled people in respect of programmes included in the service; or

(d) if any other consideration is required to be given, by the person entitled to receive it, for or in connection with its provision or availability.

(7) A service is not prevented from being free of charge by a requirement to pay sums in accordance with regulations under section 365.

(8) The quality of reception that is required before someone is to be treated for the purposes of any conditions imposed under this section as able to receive a service in an intelligible form is to be determined by OFCOM.

(9) References in this section to a facility for receiving a must-provide service include references to—

(a) software to be used in giving effect to the entitlement to receive a must-provide service in an intelligible form, and

(b) apparatus to be used in associating apparatus capable of being used for receiving such a service, or for putting it into an intelligible form, with a person having such an entitlement,

but do not otherwise include references to apparatus.

(10) In this section—

“intended audience”, in relation to a must-provide service, means—

(a) if the service is one provided only for a particular area or locality of the United Kingdom, members of the public in that area or locality;

(b) if the service is one provided for members of a particular community, members of that community; and

(c) in any other case, members of the public in the United Kingdom;

“licensed television service” means a service falling to be licensed under Part 1 of the 1990 Act or Part 1 of the 1996 Act;

“must-provide service” means a service for the time being included in the list of must-provide services in section 275.

(11) An order under section 411 must not appoint a day for provisions of this section to come into force that falls less than six months after the day on which the order is made.

275 Must-provide services for the purposes of s. 274

(1) For the purposes of section 274 the list of must-provide services is as follows—
(a) every service of television programmes provided by the BBC so far as it is provided in digital form and is a service in relation to which OFCOM have functions;
(b) the Channel 3 services so far as provided in digital form;
(c) Channel 4 so far as provided in digital form;
(d) Channel 5 so far as provided in digital form;
(e) S4C Digital;
(f) the digital public teletext service.

(2) The Secretary of State may by order modify the list of must-provide services in subsection (1).

(3) In determining whether it is appropriate, by an order under subsection (2), to add a service to the list of must-provide services or to remove a service from that list, the Secretary of State must have regard, in particular, to—
(a) the public benefit to be secured by the addition of the service to the list, or by its retention in the list;
(b) the likely effect of the proposed modification as respects the costs to be borne, under arrangements entered into or imposed under section 274, by the persons who, after the coming into force of the modification, would have to be parties to those arrangements; and
(c) the extent to which that effect is proportionate to the benefit mentioned in paragraph (a).

276 Co-operation with the public teletext provider

(1) The regulatory regime for every Channel 3 service and for Channel 4 includes the conditions that OFCOM consider appropriate for securing that the provider of the service or channel grants access to the facilities mentioned in subsection (2)—
(a) to the public teletext provider; and
(b) to any person authorised by virtue of section 220 to provide the whole or a part of the public teletext service on his behalf.

(2) Those facilities are the facilities that are reasonably required by the public teletext provider or the authorised person for the purposes of, or in connection with, the provision of the public teletext service.

(3) A licence holder granting access to facilities in pursuance of a condition imposed under this section may require the public teletext provider or authorised person to pay a reasonable charge in respect of the facilities.

(4) In the event of a dispute, the amount of the charge is to be determined by OFCOM.

(3) The Secretary of State may by order amend subsection (1) by substituting a different percentage for the percentage for the time being specified in that subsection.

(4) The Secretary of State may also by order provide for the regulatory regime for every licensed public service channel to include conditions falling within subsection (5), either instead of or as well as those falling within subsection (1).

(5) The conditions falling within this subsection are those that OFCOM consider appropriate for securing that, in each year, not less than the percentage specified in the order of the programming budget for that year for that channel is applied in the acquisition of independent productions.

(6) The power to make an order under subsection (4) includes power to provide that conditions that have previously ceased under such an order to be included in the regulatory regime for every licensed public service channel are again so included, in addition to or instead of the conditions already so included (apart from the exercise of that power) by virtue of this section.
(7) The Secretary of State is not to make an order for the regulatory regime of every licensed public service channel to include or exclude conditions falling within subsection (1) or conditions falling within subsection (5) unless—

   (b) thereby increasing the percentage applicable for the purposes of those conditions to the subsequent year or years.

   (b) power to make different provision for different licensed public service channels as to whether conditions falling within subsection (1) or conditions falling within subsection (5), or both, are included in the regulatory regimes for those services.

(11) Before making an order under this section the Secretary of State must consult OFCOM, the BBC and the Welsh Authority.

   (b) that the time allocated to the broadcasting of original productions is split in what appears to them to be an appropriate manner between peak viewing times and other times.

(2) The proportion determined by OFCOM for the purposes of subsection (1)—
   (a) must, in the case of each licensed public service channel, be such proportion as OFCOM consider appropriate for ensuring that the channel is consistently of a high quality; and
   (b) may, for the purposes of paragraph (b) of that subsection, be expressed as the cumulative effect of two different minimum proportions, one applying to peak viewing times and the other to other times.

(3) A condition contained in a licence by virtue of this section may provide—
   (a) that specified descriptions of programmes are to be excluded in determining the programmes a proportion of which is to consist of original productions;
   (b) that, in determining for the purposes of the condition whether a programme is of a description of programmes excluded by virtue of paragraph (a), regard is to be had to any guidance prepared and published, and from time to time revised, by OFCOM.

(4) Before imposing a condition under this section, OFCOM must consult the person on whom it is to be imposed.

(5) The requirement to consult is satisfied, in the case of the imposition of a condition by way of a variation of a licence, by compliance with section 3(4)(b) of the 1990 Act (obligation to give opportunity to make representations about variation).

(6) References in this section, in relation to a licensed public service channel, to original productions are references to programmes of such description as the Secretary of State may by order specify as describing the programmes that are to be original productions for the purposes of this section.

(a) have been approved for the purposes of licence conditions imposed under section 291 of the Communications Act 2003; or

(4) If—

(a) no suitable networking arrangements exist by the networking date, or

(b) the suitable networking arrangements that exist at that date cease to apply to all regional Channel 3 providers on or after that date,

OFCOM may impose on all regional Channel 3 providers the networking arrangements that OFCOM consider appropriate.

(5) For the purposes of subsection (4) arrangements are suitable networking arrangements if it appears to OFCOM that they—

(a) have been submitted to them for approval or have been approved by them; and
(b) will be in force as approved networking arrangements when the persons awarded licences begin to provide their licensed services.

(6) Arrangements imposed under this section come into force on the date determined by OFCOM.

(7) The regulatory regime for every regional Channel 3 service includes the conditions that OFCOM consider appropriate for securing that the licence holder complies with the provisions of any networking arrangements imposed under this section.

(8) Where—
(a) networking arrangements are imposed under this section,
(b) other networking arrangements are entered into between the licence holders bound by the imposed arrangements, and
(c) the other arrangements entered into are approved by OFCOM,
the imposed arrangements shall cease to have effect on the coming into force of the other arrangements as approved networking arrangements.

(1) Section 106 of the 1990 Act (requirements as to character and coverage of local and national radio services) shall be amended as follows.

(2) In subsection (1), the words from “except” onwards shall be omitted.

(3) After subsection (1) (duty to ensure character preserved subject to departures that do not restrict service) there shall be inserted—

“(1A) Conditions included in a licence for the purposes of subsection (1) may provide that OFCOM may consent to a departure from the character of the licensed service if, and only if, they are satisfied—

“(1A) Conditions included in a licence for the purposes of subsection (1) may provide that OFCOM may consent to a departure from the character of the licensed service if, and only if, they are satisfied—
(a) that the departure would not substantially alter the character of the service;
(b) that the departure would not narrow the range of programmes available by way of relevant independent radio services to persons living in the area or locality for which the service is licensed to be provided;
(c) that, in the case of a local licence, the departure would be conducive to the maintenance or promotion of fair and effective competition in that area or locality; or
(d) that, in the case of a local licence, there is evidence that, amongst persons living in that area or locality, there is a significant demand for, or significant support for, the change that would result from the departure.

(1B) The matters to which OFCOM must have regard in determining for the purposes of this section the character of a service provided under a local licence include, in particular, the selection of spoken material and music in programmes included in the service.”

(4) For subsection (5) (restriction on power to extend licence to new area or locality) there shall be substituted—

“(5) OFCOM shall only exercise the power conferred on them by subsection (4) if it appears to them—

(b) that the increase that would result is justifiable in the exceptional circumstances of the case.”

(5) After subsection (6) of that section there shall be inserted—

“(7) In this section “relevant independent radio services” means the following services so far as they are services falling to be regulated under section 245 of the Communications Act 2003—

(a) the proposed departure; and

(b) the period in which representations may be made to OFCOM about the proposal.

(2) That period must end not less than 28 days after the date of publication of the notice.

(3) The notice must be published in such manner as appears to OFCOM to be appropriate for bringing it to the attention of the persons who, in OFCOM’s opinion, are likely to be affected by the departure.

(4) OFCOM—

(a) are not required to publish a notice under this section, and

(b) may specify a period of less than 28 days in such a notice as the period for representations,

if they consider that the publication of the notice, or allowing a longer period for representations, would result in a delay that would be likely prejudicially to affect the interests of the licence holder.

(5) OFCOM are not required under this section—

(a) to publish any matter that is confidential in accordance with subsection (6) or (7); or

(b) to publish anything that it would not be reasonably practicable to publish without disclosing such a matter.

(2) OFCOM must—
(a) draw up guidance as to how they consider the requirements of subsection (1) (a) and (b) should be satisfied; and
(b) have regard to that guidance in carrying out their functions in relation to local sound broadcasting services.

(3) The guidance may be different for different descriptions of services.

315 **Variations of radio multiplex licences affecting service characteristics**

For subsection (6) of section 54 of the 1996 Act (variations of radio multiplex licence affecting service characteristics) there shall be substituted—

“(6) Where the licence holder applies to OFCOM for the variation of a condition which—

(a) was imposed under subsection (1)(b), and

(b) relates to the characteristics of digital sound programme services to be broadcast under the licence,

then (subject to subsections (6A) and (6B)) OFCOM must vary the condition in accordance with the application.

(6A) OFCOM are not to vary a national radio multiplex licence in accordance with an application under subsection (6) if it appears to them that, if the application were granted, the capacity of the digital sound programme services broadcast under the licence to appeal to a variety of tastes and interests would be unacceptably diminished.

(6B) OFCOM are to vary a local radio multiplex licence in accordance with such an application only if they are satisfied—

(a) that the variation would not unacceptably narrow the range of programmes available by way of local digital sound programme services to persons living in the area or locality for which the licensed multiplex service is provided;

(b) that the variation would be conducive to the maintenance or promotion of fair and effective competition in that area or locality; or

(c) that there is evidence that, amongst persons living in that area or locality, there is a significant demand for, or significant support for, the change that would result from the variation.”
316 Conditions relating to competition matters

(1) The regulatory regime for every licensed service includes the conditions (if any) that OFCOM consider appropriate for ensuring fair and effective competition in the provision of licensed services or of connected services.

(2) Those conditions must include the conditions (if any) that OFCOM consider appropriate for securing that the provider of the service does not—
   (a) enter into or maintain any arrangements, or
   (b) engage in any practice,
which OFCOM consider, or would consider, to be prejudicial to fair and effective competition in the provision of licensed services or of connected services.

(3) A condition imposed under this section may require a licence holder to comply with one or both of the following—
   (a) a code for the time being approved by OFCOM for the purposes of the conditions; and
   (b) directions given to him by OFCOM for those purposes.

(4) In this section—
   “connected services”, in relation to licensed services, means the provision of programmes for inclusion in licensed services and any other services provided for purposes connected with, or with the provision of, licensed services; and
   “licensed service” means a service licensed by a Broadcasting Act licence.

317 Exercise of Broadcasting Act powers for a competition purpose

(1) This section applies to the following powers of OFCOM (their “Broadcasting Act powers”)—
   (a) their powers under this Part of this Act and under the 1990 Act and the 1996 Act to impose or vary the conditions of a Broadcasting Act licence;
   (b) every power of theirs to give an approval for the purposes of provision contained in the conditions of such a licence;
   (c) every power of theirs to give a direction to a person who is required to comply with it by the conditions of such a licence; and
   (d) every power of theirs that is exercisable for the purpose of enforcing an obligation imposed by the conditions of such a licence.
(2) Before exercising any of their Broadcasting Act powers for a competition purpose, OFCOM must consider whether a more appropriate way of proceeding in relation to some or all of the matters in question would be under the Competition Act 1998 (c. 41).

(3) If OFCOM decide that a more appropriate way of proceeding in relation to a matter would be under the Competition Act 1998, they are not, to the extent of that decision, to exercise their Broadcasting Act powers in relation to that matter.

(4) If OFCOM have decided to exercise any of their Broadcasting Act powers for a competition purpose, they must, on or before doing so, give a notification of their decision.

(5) A notification under subsection (4) must—
   (a) be given to such persons, or published in such manner, as appears to OFCOM to be appropriate for bringing it to the attention of the persons who, in OFCOM’s opinion, are likely to be affected by their decision; and
   (b) must describe the rights conferred by subsection (6) on the persons affected by that decision.

(6) A person affected by a decision by OFCOM to exercise any of their Broadcasting Act powers for a competition purpose may appeal to the Competition Appeal Tribunal against so much of that decision as relates to the exercise of that power for that purpose.

(7) Sections 192(3) to (5), (7) and (8), 194A and 196 apply in the case of an appeal under subsection (6) as they apply in the case of an appeal under section 192(2).

(8) The jurisdiction of the Competition Appeal Tribunal on an appeal under subsection (6) excludes—
   (a) whether OFCOM have complied with subsection (2); and
   (b) whether any of OFCOM’s Broadcasting Act powers have been exercised in contravention of subsection (3);
   and, accordingly, those decisions by OFCOM on those matters fall to be questioned only in proceedings for judicial review.

(9) For the purposes of this section a power is exercised by OFCOM for a competition purpose if the only or main reason for exercising it is to secure that the holder of a Broadcasting Act licence does not—
   (a) enter into or maintain arrangements, or
   (b) engage in a practice,
   which OFCOM consider, or would consider, to be prejudicial to fair and effective competition in the provision of licensed services or of connected services.

(10) Nothing in this section applies to—
   (a) the exercise by OFCOM of any of their powers under sections 290 to 294 or Schedule 11;
   (b) the exercise by them of any power for the purposes of any provision of a condition included in a licence in accordance with any of those sections;
   (c) the exercise by them of any power for the purpose of enforcing such a condition.

(11) In subsection (9) “connected services” and “licensed service” each has the same meaning as in section 316.
(12) References in this section to the exercise of a power include references to an exercise of a power in pursuance of a duty imposed on OFCOM by or under an enactment.

318 Review of powers exercised for competition purposes

(1) It shall be the duty of OFCOM, at such intervals as they consider appropriate, to carry out a review of so much of each of the following as has effect for a competition purpose—

(a) every code made or approved by them under or for the purposes of a broadcasting provision;
(b) the guidance issued by them under or for the purposes of broadcasting provisions; and
(c) every direction given by them under or for the purposes of a broadcasting provision.

(2) Before modifying or revoking, or withdrawing their approval from, anything which is subject to periodic review under this section, OFCOM must consult such persons as they consider appropriate.

(3) Subsection (2) applies irrespective or whether the modification, revocation or withdrawal is in consequence of a review under this section.

(4) For the purposes of this section a provision has effect for a competition purpose to the extent that its only or main purpose is to secure that the holder of a Broadcasting Act licence does not—

(a) enter into or maintain arrangements, or
(b) engage in a practice,
which OFCOM consider, or would consider, to be prejudicial to fair and effective competition in the provision of licensed services or of connected services.

(5) In this section “broadcasting provision” means—

(a) a provision of this Part of this Act, of the 1990 Act or of the 1996 Act, or

(3) The standards set by OFCOM under this section must be contained in one or more codes.

(4) In setting or revising any standards under this section, OFCOM must have regard, in particular and to such extent as appears to them to be relevant to the securing of the standards objectives, to each of the following matters—

(a) the degree of harm or offence likely to be caused by the inclusion of any particular sort of material in programmes generally, or in programmes of a particular description;

(f) the desirability of maintaining the independence of editorial control over programme content.

(5) OFCOM must ensure that the standards from time to time in force under this section include—

(a) minimum standards applicable to all programmes included in television and radio services; and

### 325 Observance of standards code

   (a) have been identified by them in the course of carrying out their functions; and
   (b) appear to them to raise questions of general broadcasting policy.

(4) The conditions of a licence which is granted by OFCOM for a programme service must, for the purpose of securing compliance—
   (a) with OFCOM’s standards code, so far as it relates to advertising [F480, the sponsorship of programmes and product placement], and
   (b) with any such requirements as are mentioned in section 321(4) which relate to advertising [F481, sponsorship and product placement] but go beyond that code, include a condition requiring the licence holder to comply with every direction given to him by OFCOM with respect to any of the matters mentioned in subsection (5).

(5) Those matters are—

(a) to include conditions with respect to the content of programmes included in any service in the licence to provide that service; or

(b) to include conditions in a licence requiring the holder of a licence to comply with directions given by OFCOM or by any other person.

326 Duty to observe fairness code

The regulatory regime for every programme service licensed by a Broadcasting Act licence includes the conditions that OFCOM consider appropriate for securing observance—

(a) in connection with the provision of that service, and

(b) in relation to the programmes included in that service,

of the code for the time being in force under section 107 of the 1996 Act (the fairness code).
Standards with respect to fairness

(1) Part 5 of the 1996 Act (functions of the Broadcasting Standards Commission which are transferred to OFCOM so far as they relate to codes of practice and complaints with respect to fairness and privacy) shall be amended as follows.

(2) No person shall be entitled to make a standards complaint under that Part at any time after the coming into force of this section, and no person shall be required to entertain any such complaint that is so made.

(3) In section 115 (consideration of fairness complaint)—
   (a) in subsection (4) (matters to be provided in response to a fairness complaint), after paragraph (d) there shall be inserted—
       “(da) to provide OFCOM with such other things appearing to OFCOM to be relevant to their consideration of the complaint, and to be in the possession of the relevant person, as may be specified or described by OFCOM;”
   (b) in subsection (7) (requests in relation to which the relevant person is required to secure the compliance of another), after paragraph (c) there shall be inserted—
       “(ca) a request to provide OFCOM with such other things appearing to OFCOM to be relevant to their consideration of the complaint, and to be in the possession of the person requested, as may be specified or described by OFCOM;”.

(4) For subsection (7) of section 119 (directions on determination of fairness complaint) there shall be substituted—

   “(7) The regulatory regime for every licensed service includes the conditions that OFCOM consider appropriate for securing that the licence holder complies with every direction given to him under this section.

   (7A) Section 263 of the Communications Act 2003 applies in relation to conditions included by virtue of subsection (7) in the regulatory regime for a licensed service as it applies in relation to conditions which are so included by virtue of a provision of Chapter 4 of Part 3 of that Act.

   (7B) It is hereby declared that, where—
       (a) OFCOM exercise their powers under this Part to adjudicate upon a fairness complaint or to give a direction under subsection (1), and
       (b) it appears to them that the matters to which the complaint in question relates consist in or include a contravention of the conditions of the licence for a licensed service,

       the exercise by OFCOM of their powers under this Part is not to preclude the exercise by them of their powers under any other enactment in respect of the contravention.

   (7C) Where OFCOM are proposing to exercise any of their powers in respect of a contravention of a licence condition in a case in which the contravention relates to matters that have been the subject-matter of a fairness complaint—
       (a) OFCOM may have regard, in the exercise of those powers, to any matters considered or steps taken by them for the purpose of adjudicating upon that complaint and to any direction given by them under this section; but

(b) steps taken for the purposes of this Part do not satisfy a requirement to give the licence holder in relation to whom those powers are to be exercised a reasonable opportunity, before they are exercised, of making representations to OFCOM.’’

(5) For subsection (2) of section 120 of that Act (reports on supplementary action taken in response to findings on fairness complaint) there shall be substituted—

“(2) Where the relevant programme was included in a licensed service, the licence holder shall send to OFCOM a report of any supplementary action taken by him or by any other person responsible for the making or provision of the relevant programme.”

(6) Any deficit or surplus shown (after applying this subsection for all previous years) by a statement under subsection (5) shall be—

### Enforcement of section 368D

(1) Where the appropriate regulatory authority determine that a provider of an on-demand programme service is contravening or has contravened section 368D they may do one or both of the following—

(a) give the provider an enforcement notification under this section;

(b) impose a financial penalty on the provider in accordance with section 368J.
(2) The appropriate regulatory authority must not make a determination as mentioned in subsection (1) unless there are reasonable grounds for believing that a contravention of section 368D is occurring or has occurred and they have allowed the provider an opportunity to make representations about that apparent contravention.

(3) An enforcement notification under this section is a notification which specifies the determination made as mentioned in subsection (1) and imposes requirements on the provider to take such steps for complying with section 368D and for remediying the consequences of the contravention of that section as may be specified in the notification.

(4) The requirements specified in an enforcement notification may in particular include requirements to do one or more of the following—

(a) cease providing or restrict access to—
   (i) a specified programme, or
   (ii) programmes of a specified description;
(b) cease showing or restrict access to—
   (i) a specified advertisement, or
   (ii) advertisements of a specified description;
(c) provide additional information to users of the service prior to the selection of a specified programme by the user for viewing;
(d) show an advertisement only with specified modifications;
(e) publish a correction in the form and place and at the time specified; or
(f) publish a statement of the findings of the appropriate regulatory authority in the form and place and at the time specified.

(5) An enforcement notification must—

(a) include reasons for the appropriate regulatory authority’s decision to give the enforcement notification, and
(b) fix a reasonable period for the taking of the steps required by the notification.

(6) Where a provider is required by an enforcement notification to publish a correction or a statement of findings, the provider may publish with the correction or statement of findings a statement that it is published in pursuance of the enforcement notification.

(7) It is the duty of a provider to whom an enforcement notification has been given to comply with it.

(8) That duty is enforceable in civil proceedings by the appropriate regulatory authority—

(a) for an injunction;
(b) for specific performance of a statutory duty under section 45 of the Court of Session Act 1988; or
(c) for any other appropriate remedy or relief.

(9) If a provider to whom an enforcement notification has been given does not comply with it within the period fixed by the appropriate regulatory authority in that enforcement notification the appropriate regulatory authority may impose a financial penalty on that provider in accordance with section 368J.
368J Financial penalties

(1) The amount of a penalty imposed on a provider under section 368BB or 368BD is to be such amount not exceeding 5 per cent. of the provider’s applicable qualifying revenue or £250,000 whichever is the greater amount, as the appropriate regulatory authority determine to be—
   (a) appropriate; and
   (b) proportionate to the contravention in respect of which it is imposed.

(2) In determining the amount of a penalty under subsection (1) the appropriate regulatory authority must have regard to any statement published by OFCOM under section 392 (guidelines to be followed in determining amount of penalties).

(4) For the purposes of subsection (3) the “qualifying revenue” for an accounting period consists of the aggregate of all the amounts received or to be received by the provider of the service to which the contravention relates or by any connected person in the accounting period—
   (a) for the inclusion in that service of advertisements, product placement and sponsorship; and
   (b) in respect of charges made in that period for the provision of programmes included in that service.

(5) For the purposes of subsection (4), “connected” has the same meaning as it has in the Broadcasting Act 1990 by virtue of section 202 of that Act.

(6) A financial penalty imposed under this section—
   (a) must be paid into the appropriate Consolidated Fund; and
   (b) if not paid within the period fixed by the appropriate regulatory authority, is to be recoverable by the appropriate regulatory authority as a debt due to them from the person obliged to pay it.

(7) For the purposes of subsections (3) and (6)—
   (a) the amount of a person’s qualifying revenue for an accounting period, or
   (b) the amount of any payment to be made into the appropriate Consolidated Fund by any person in respect of any such revenue,

is, in the event of a disagreement between the appropriate regulatory authority and that person, the amount determined by the appropriate regulatory authority.

(8) The references in this section to the payment of an amount into the appropriate Consolidated Fund—
(a) in the case of an amount received in respect of matters appearing to OFCOM to have no connection with Northern Ireland, is a reference to the payment of the amount into the Consolidated Fund of the United Kingdom;

(b) in the case of an amount received in respect of matters appearing to OFCOM to have a connection with Northern Ireland but no connection with the rest of the United Kingdom, is a reference to the payment of the amount into the Consolidated Fund of Northern Ireland; and

(c) in any other case, is a reference to the payment of the amount, in such proportions as OFCOM consider appropriate, into each of those Funds.

(i) an interest in only part of that property; or

(ii) separate interests in different parts of that property;

(b) a right of the third party against any of the pre-commencement regulators or against the Secretary of State is transformed into, or replaced by, two or more rights which do not include a right which, on its own, is equivalent (disregarding the person against whom it is enforceable) to the right against that regulator or (as the case may be) against the Secretary of State; or

(c) a liability of the third party to any of the pre-commencement regulators or to the Secretary of State is transformed into, or replaced by, two or
more separate liabilities at least one of which is a liability enforceable by a person other than the person by whom it was enforceable before being so transformed.

(3) Where—

(a) a third party would, apart from any provision of a transfer scheme, have become entitled to, or to exercise, any interest or right arising or exercisable in respect of the transfer or creation in accordance with such a scheme of any property, rights or liabilities, and

(b) the provisions of that scheme have the effect of preventing that person’s entitlement to, or to exercise, that interest or right from arising on any occasion in respect of anything mentioned in paragraph (a), and

(c) provision is not made by a transfer scheme for securing that an entitlement to, or to exercise, that interest or right or an equivalent interest or right, is preserved or created so as to arise in respect of the first occasion when corresponding circumstances next occur after the coming into force of the transfers for which the scheme provides,

the third party is to be entitled to such compensation as may be just in respect of the extinguishment of the interest or right.

(4) A liability to pay compensation under this paragraph shall fall on the persons mentioned in sub-paragraph (5) who (as the case may be)—

(a) have interests in the whole or any part of the property affected by the modification in question,

(b) are subject to the rights of the person to be compensated which are affected by the modification in question,

(c) are entitled to enforce the liabilities of the person to be compensated which are affected by that modification, or

(d) benefit from the extinguishment of the entitlement mentioned in sub-paragraph (3),

and that liability shall be apportioned between those persons in such manner as may be appropriate having regard to the extent of their respective interests, rights or liabilities or the extent of the benefit they respectively obtain from the extinguishment.

(5) Those persons are the pre-commencement regulators and the Secretary of State.

(6) Sub-paragraph (4) shall have effect subject to so much of any transfer scheme (including the one that gives rise to the liability) as makes provision for the transfer of any liability under that sub-paragraph to OFCOM.

(7) Any dispute as to whether, or as to the person by whom, any compensation is to be paid under this paragraph, and any dispute as to the amount of compensation to be paid by a person, shall be referred to and determined—

(a) where the claimant requires the matter to be determined in England and Wales or in Northern Ireland, by an arbitrator appointed by the Lord Chancellor, or

(b) where the claimant requires the matter to be determined in Scotland, by an arbiter appointed by the Lord President of the Court of Session.

(8) In this paragraph “third party”, in relation to provisions capable of giving rise to compensation under this paragraph, means any person other than—

(a) a pre-commencement regulator; and

SCHEDULE 3

PART 1

KEY CONCEPTS

Introductory

(1) This Part defines some key concepts used in this code.

(2) For definitions of other terms used in this code, see—
   (a) paragraph 94 (meaning of “the court”),
   (b) paragraph 105 (meaning of “occupier”),
   (c) paragraph 108 (general interpretation),
   (d) section 32 (meaning of electronic communications networks and services), and
   (e) section 405 (general interpretation).
The operator

2 In this code “operator” means—

(a) where this code is applied in any person's case by a direction under section 106, that person, and

(b) where this code applies by virtue of section 106(3)(b), the Secretary of State or (as the case may be) the Northern Ireland department in question.

The code rights

3 For the purposes of this code a “code right”, in relation to an operator and any land, is a right for the statutory purposes—

(a) to install electronic communications apparatus on, under or over the land,

(b) to keep installed electronic communications apparatus which is on, under or over the land,

(c) to inspect, maintain, adjust, alter, repair, upgrade or operate electronic communications apparatus which is on, under or over the land,

(d) to carry out any works on the land for or in connection with the installation of electronic communications apparatus on, under or over the land or elsewhere,

(e) to carry out any works on the land for or in connection with the maintenance, adjustment, alteration, repair, upgrading or operation of electronic communications apparatus which is on, under or over the land or elsewhere,

(f) to enter the land to inspect, maintain, adjust, alter, repair, upgrade or operate any electronic communications apparatus which is on, under or over the land or elsewhere,

(g) to connect to a power supply,

(h) to interfere with or obstruct a means of access to or from the land (whether or not any electronic communications apparatus is on, under or over the land), or

(i) to lop or cut back, or require another person to lop or cut back, any tree or other vegetation that interferes or will or may interfere with electronic communications apparatus.

The statutory purposes

4 In this code “the statutory purposes”, in relation to an operator, means—

(a) the purposes of providing the operator's network, or

(b) the purposes of providing an infrastructure system.

Electronic communications apparatus, lines and structures

5 (1) In this code “electronic communications apparatus” means—

(a) apparatus designed or adapted for use in connection with the provision of an electronic communications network,

(b) apparatus designed or adapted for a use which consists of or includes the sending or receiving of communications or other signals that are transmitted by means of an electronic communications network,

(c) lines, and
(d) other structures or things designed or adapted for use in connection with the provision of an electronic communications network.

(2) References to the installation of electronic communications apparatus are to be construed accordingly.

(3) In this code—

“line” means any wire, cable, tube, pipe or similar thing (including its casing or coating) which is designed or adapted for use in connection with the provision of any electronic communications network or electronic communications service;

“structure” includes a building only if the sole purpose of that building is to enclose other electronic communications apparatus.

**The operator’s network**

6 In this code “network” in relation to an operator means—

(a) if the operator falls within paragraph 2(a), so much of any electronic communications network or infrastructure system provided by the operator as is not excluded from the application of the code under section 106(5), and

(b) if the operator falls within paragraph 2(b), the electronic communications network which the Secretary of State or the Northern Ireland department is providing or proposing to provide.

**Infrastructure system**

7 (1) In this code “infrastructure system” means a system of infrastructure provided so as to be available for use by providers of electronic communications networks for the purposes of the provision by them of their networks.

(2) References in this code to provision of an infrastructure system include references to establishing or maintaining such a system.

**PART 2**

CONFERRAL OF CODE RIGHTS AND THEIR EXERCISE

**Introductory**

8 This Part of this code makes provision about—

(a) the conferral of code rights,

(b) the persons who are bound by code rights, and

(c) the exercise of code rights.

**Who may confer code rights?**

9 A code right in respect of land may only be conferred on an operator by an agreement between the occupier of the land and the operator.
Who else is bound by code rights?

10 (1) This paragraph applies if, in accordance with this Part, a code right is conferred on an operator in respect of land by a person (“O”) who is the occupier of the land when the code right is conferred.

(2) If O has an interest in the land when the code right is conferred, the code right also binds—

(a) the successors in title to that interest,
(b) a person with an interest in the land that is created after the right is conferred and is derived (directly or indirectly) out of—
   (i) O’s interest, or
   (ii) the interest of a successor in title to O’s interest, and
(c) any other person at any time in occupation of the land whose right to occupation was granted by—
   (i) O, at a time when O was bound by the code right, or
   (ii) a person within paragraph (a) or (b).

(3) A successor in title who is bound by a code right by virtue of sub-paragraph (2)(a) is to be treated as a party to the agreement by which O conferred the right.

(4) The code right also binds any other person with an interest in the land who has agreed to be bound by it.

(5) If such a person (“P”) agrees to be bound by the code right, the code right also binds—

(a) the successors in title to P’s interest,
(b) a person with an interest in the land that is created after P agrees to be bound and is derived (directly or indirectly) out of—
   (i) P’s interest, or
   (ii) the interest of a successor in title to P’s interest, and
(c) any other person at any time in occupation of the land whose right to occupation was granted by—
   (i) P, at a time when P was bound by the code right, or
   (ii) a person within paragraph (a) or (b).

(6) A successor in title who is bound by a code right by virtue of sub-paragraph (5)(a) is to be treated as a party to the agreement by which P agreed to be bound by the right.

Requirements for agreements

11 (1) An agreement under this Part—

(a) must be in writing,
(b) must be signed by or on behalf of the parties to it,
(c) must state for how long the code right is exercisable, and
(d) must state the period of notice (if any) required to terminate the agreement.

(2) Sub-paragraph (1)(a) and (b) also applies to the variation of an agreement under this Part.

(3) The agreement as varied must still comply with sub-paragraph (1)(c) and (d).
Exercise of code rights

12 (1) A code right is exercisable only in accordance with the terms subject to which it is conferred.

(2) Anything done by an operator in the exercise of a code right conferred under this Part in relation to any land is to be treated as done in the exercise of a statutory power.

(3) Sub-paragraph (2) does not apply against a person who—
   (a) is the owner of the freehold estate in the land or the lessee of the land, and
   (b) is not for the time being bound by the code right.

(4) Sub-paragraph (2) does not apply against a person who has the benefit of a covenant or agreement entered into as respects the land, if—
   (a) the covenant or agreement was entered into under an enactment, and
   (b) by virtue of the enactment, it binds or will bind persons who derive title or otherwise claim—
      (i) under the covenantor, or
      (ii) under a party to the agreement.

(5) In the application of sub-paragraph (3) to Scotland the reference to a person who is the owner of the freehold estate in the land is to be read as a reference to a person who is the owner of the land.

Access to land

13 (1) This paragraph applies to an operator by whom any of the following rights is exercisable in relation to land—
   (a) a code right within paragraph (a) to (g) or (i) of paragraph 3;
   (b) a right under Part 8 (street works rights);
   (c) a right under Part 9 (tidal water rights);
   (d) a right under paragraph 74 (power to fly lines).

(2) The operator may not exercise the right so as to interfere with or obstruct any means of access to or from any other land unless, in accordance with this code, the occupier of the other land has conferred or is otherwise bound by a code right within paragraph (h) of paragraph 3.

(3) A reference in this code to a means of access to or from land includes a means of access to or from land that is provided for use in emergencies.

(4) This paragraph does not require a person to whom sub-paragraph (5) applies to agree to the exercise of any code right on land other than the land mentioned in that sub-paragraph.

(5) This sub-paragraph applies to a person who is the occupier of, or owns an interest in, land which is—
   (a) a street in England and Wales or Northern Ireland,
   (b) a road in Scotland,
   (c) tidal water or lands within the meaning of Part 9 of this code.
Code rights and land registration

14 Where an enactment requires interests, charges or other obligations affecting land to be registered, the provisions of this code about who is bound by a code right have effect whether or not that right is registered.

PART 3

ASSIGNMENT OF CODE RIGHTS, AND UPGRADING AND SHARING OF APPARATUS

Introductory

15 This Part of this code makes provision for—
   (a) operators to assign agreements under Part 2,
   (b) operators to upgrade electronic communications apparatus to which such an agreement relates, and
   (c) operators to share the use of any such electronic communications apparatus.

Assignment of code rights

16 (1) Any agreement under Part 2 of this code is void to the extent that—
   (a) it prevents or limits assignment of the agreement to another operator, or
   (b) it makes assignment of the agreement to another operator subject to conditions (including a condition requiring the payment of money).

   (2) Sub-paragraph (1) does not apply to a term that requires the assignor to enter into a guarantee agreement (see sub-paragraph (7)).

   (3) In this paragraph references to “the assignor” or “the assignee” are to the operator by whom or to whom an agreement under Part 2 of this code is assigned or proposed to be assigned.

   (4) From the time when the assignment of an agreement under Part 2 of this code takes effect, the assignee is bound by the terms of the agreement.

   (5) The assignor is not liable for any breach of a term of the agreement that occurs after the assignment if (and only if), before the breach took place, the assignor or the assignee gave a notice in writing to the other party to the agreement which—
      (a) identified the assignee, and
      (b) provided an address for service (for the purposes of paragraph 91(2)(a)) for the assignee.

   (6) Sub-paragraph (5) is subject to the terms of any guarantee agreement.

   (7) A “guarantee agreement” is an agreement, in connection with the assignment of an agreement under Part 2 of this code, under which the assignor guarantees to any extent the performance by the assignee of the obligations that become binding on the assignee under sub-paragraph (4) (the “relevant obligations”).

   (8) An agreement is not a guarantee agreement to the extent that it purports—
      (a) to impose on the assignor a requirement to guarantee in any way the performance of the relevant obligations by a person other than the assignee, or
(b) to impose on the assignor any liability, restriction or other requirement of any kind in relation to a time after the relevant obligations cease to be binding on the assignee.

(9) Subject to sub-paragraph (8), a guarantee agreement may—
(a) impose on the assignor any liability as sole or principal debtor in respect of the relevant obligations;
(b) impose on the assignor liabilities as guarantor in respect of the assignee's performance of the relevant obligations which are no more onerous than those to which the assignor would be subject in the event of the assignor being liable as sole or principal debtor in respect of any relevant obligation;
(c) make provision incidental or supplementary to any provision within paragraph (a) or (b).

(10) In the application of this paragraph to Scotland references to assignment of an agreement are to be read as references to assignation of an agreement.

(11) Nothing in the Landlord and Tenant Amendment (Ireland) Act 1860 applies in relation to an agreement under Part 2 of this code so as to—
(a) prevent or limit assignment of the agreement to another operator, or
(b) relieve the assignor from liability for any breach of a term of the agreement that occurs after the assignment.

**Power for operator to upgrade or share apparatus**

17 (1) An operator (“the main operator”) who has entered into an agreement under Part 2 of this code may, if the conditions in sub-paragraphs (2) and (3) are met—
(a) upgrade the electronic communications apparatus to which the agreement relates, or
(b) share the use of such electronic communications apparatus with another operator.

(2) The first condition is that any changes as a result of the upgrading or sharing to the electronic communications apparatus to which the agreement relates have no adverse impact, or no more than a minimal adverse impact, on its appearance.

(3) The second condition is that the upgrading or sharing imposes no additional burden on the other party to the agreement.

(4) For the purposes of sub-paragraph (3) an additional burden includes anything that—
(a) has an additional adverse effect on the other party's enjoyment of the land, or
(b) causes additional loss, damage or expense to that party.

(5) Any agreement under Part 2 of this code is void to the extent that—
(a) it prevents or limits the upgrading or sharing, in a case where the conditions in sub-paragraphs (2) and (3) are met, of the electronic communications apparatus to which the agreement relates, or
(b) it makes upgrading or sharing of such apparatus subject to conditions to be met by the operator (including a condition requiring the payment of money).

(6) References in this paragraph to sharing electronic communications apparatus include carrying out works to the apparatus to enable such sharing to take place.
Effect of agreements enabling sharing between operators and others

18 (1) This paragraph applies where—
   (a) this code has been applied by a direction under section 106 in a person's case,
   (b) this code expressly or impliedly imposes a limitation on the use to which
electronic communications apparatus installed by that person may be put or
on the purposes for which it may be used, and
   (c) that person is a party to a relevant agreement or becomes a party to an
agreement which (after the person has become a party to it) is a relevant
agreement.

(2) The limitation does not preclude—
   (a) the doing of anything in relation to that apparatus, or
   (b) its use for particular purposes,
   to the extent that the doing of that thing, or the use of the apparatus for those purposes,
is in pursuance of the relevant agreement.

(3) This paragraph is not to be construed, in relation to a person who is entitled or
authorised by or under a relevant agreement to share the use of apparatus installed
by another party to the agreement, as affecting any consent requirement imposed
(whether by an agreement, an enactment or otherwise) on that person.

(4) In this paragraph—
   “consent requirement”, in relation to a person, means a requirement for
the person to obtain consent or permission to or in connection with—
   (a) the installation by the person of apparatus, or
   (b) the doing by the person of any other thing in relation to apparatus the
use of which the person is entitled or authorised to share;
   “relevant agreement” means an agreement in relation to electronic
communications apparatus which—
   (a) relates to the sharing by different parties to the agreement of the use
of that apparatus, and
   (b) is an agreement that satisfies the requirements of sub-paragraph (5).

(5) An agreement satisfies the requirements of this sub-paragraph if—
   (a) every party to the agreement is a person in whose case this code applies by
virtue of a direction under section 106, or
   (b) one or more of the parties to the agreement is a person in whose case this
code so applies and every other party to the agreement is a qualifying person.

(6) A person is a qualifying person for the purposes of sub-paragraph (5) if the person
is either—
   (a) a person who provides an electronic communications network without being
a person in whose case this code applies, or
   (b) a designated provider of an electronic communications service consisting
in the distribution of a programme service by means of an electronic
communications network.

(7) In sub-paragraph (6)—
   “designated” means designated by regulations made by the Secretary of State;
“programme service” has the same meaning as in the Broadcasting Act 1990.

PART 4

POWER OF COURT TO IMPOSE AGREEMENT

Introductory

This Part of this code makes provision about—

(a) the circumstances in which the court can impose an agreement on a person by which the person confers or is otherwise bound by a code right,

(b) the test to be applied by the court in deciding whether to impose such an agreement,

(c) the effect of such an agreement and its terms,

(d) the imposition of an agreement on a person on an interim or temporary basis.

When can the court impose an agreement?

(1) This paragraph applies where the operator requires a person (a “relevant person”) to agree—

(a) to confer a code right on the operator, or

(b) to be otherwise bound by a code right which is exercisable by the operator.

(2) The operator may give the relevant person a notice in writing—

(a) setting out the code right, and all of the other terms of the agreement that the operator seeks, and

(b) stating that the operator seeks the person's agreement to those terms.

(3) The operator may apply to the court for an order under this paragraph if—

(a) the relevant person does not, before the end of 28 days beginning with the day on which the notice is given, agree to confer or be otherwise bound by the code right, or

(b) at any time after the notice is given, the relevant person gives notice in writing to the operator that the person does not agree to confer or be otherwise bound by the code right.

(4) An order under this paragraph is one which imposes on the operator and the relevant person an agreement between them which—

(a) confers the code right on the operator, or

(b) provides for the code right to bind the relevant person.

What is the test to be applied by the court?

(1) Subject to sub-paragraph (5), the court may make an order under paragraph 20 if (and only if) the court thinks that both of the following conditions are met.

(2) The first condition is that the prejudice caused to the relevant person by the order is capable of being adequately compensated by money.
(3) The second condition is that the public benefit likely to result from the making of the order outweighs the prejudice to the relevant person.

(4) In deciding whether the second condition is met, the court must have regard to the public interest in access to a choice of high quality electronic communications services.

(5) The court may not make an order under paragraph 20 if it thinks that the relevant person intends to redevelop all or part of the land to which the code right would relate, or any neighbouring land, and could not reasonably do so if the order were made.

What is the effect of an agreement imposed under paragraph 20?

An agreement imposed by an order under paragraph 20 takes effect for all purposes of this code as an agreement under Part 2 of this code between the operator and the relevant person.

What are the terms of an agreement imposed under paragraph 20?

(1) An order under paragraph 20 may impose an agreement which gives effect to the code right sought by the operator with such modifications as the court thinks appropriate.

(2) An order under paragraph 20 must require the agreement to contain such terms as the court thinks appropriate, subject to sub-paragraphs (3) to (8).

(3) The terms of the agreement must include terms as to the payment of consideration by the operator to the relevant person for the relevant person’s agreement to confer or be bound by the code right (as the case may be).

(4) Paragraph 24 makes provision about the determination of consideration under sub-paragraph (3).

(5) The terms of the agreement must include the terms the court thinks appropriate for ensuring that the least possible loss and damage is caused by the exercise of the code right to persons who—

(a) occupy the land in question,
(b) own interests in that land, or
(c) are from time to time on that land.

(6) Sub-paragraph (5) applies in relation to a person regardless of whether the person is a party to the agreement.

(7) The terms of the agreement must include terms specifying for how long the code right conferred by the agreement is exercisable.

(8) The court must determine whether the terms of the agreement should include a term—

(a) permitting termination of the agreement (and, if so, in what circumstances);
(b) enabling the relevant person to require the operator to reposition or temporarily to remove the electronic communications equipment to which the agreement relates (and, if so, in what circumstances).
How is consideration to be determined under paragraph 23?

(1) The amount of consideration payable by an operator to a relevant person under an agreement imposed by an order under paragraph 20 must be an amount or amounts representing the market value of the relevant person’s agreement to confer or be bound by the code right (as the case may be).

(2) For this purpose the market value of a person's agreement to confer or be bound by a code right is, subject to sub-paragraph (3), the amount that, at the date the market value is assessed, a willing buyer would pay a willing seller for the agreement—
   (a) in a transaction at arm's length,
   (b) on the basis that the buyer and seller were acting prudently and with full knowledge of the transaction, and
   (c) on the basis that the transaction was subject to the other provisions of the agreement imposed by the order under paragraph 20.

(3) The market value must be assessed on these assumptions—
   (a) that the right that the transaction relates to does not relate to the provision or use of an electronic communications network;
   (b) that paragraphs 16 and 17 (assignment, and upgrading and sharing) do not apply to the right or any apparatus to which it could apply;
   (c) that the right in all other respects corresponds to the code right;
   (d) that there is more than one site which the buyer could use for the purpose for which the buyer seeks the right.

(4) The terms of the agreement may provide for consideration to be payable—
   (a) as a lump sum or periodically,
   (b) on the occurrence of a specified event or events, or
   (c) in such other form or at such other time or times as the court may direct.

What rights to the payment of compensation are there?

(1) If the court makes an order under paragraph 20 the court may also order the operator to pay compensation to the relevant person for any loss or damage that has been sustained or will be sustained by that person as a result of the exercise of the code right to which the order relates.

(2) An order under sub-paragraph (1) may be made—
   (a) at the time the court makes an order under paragraph 20, or
   (b) at any time afterwards, on the application of the relevant person.

(3) An order under sub-paragraph (1) may—
   (a) specify the amount of compensation to be paid by the operator, or
   (b) give directions for the determination of any such amount.

(4) Directions under sub-paragraph (3)(b) may provide—
   (a) for the amount of compensation to be agreed between the operator and the relevant person;
   (b) for any dispute about that amount to be determined by arbitration.

(5) An order under this paragraph may provide for the operator—
   (a) to make a lump sum payment,
   (b) to make periodical payments,
(c) to make a payment or payments on the occurrence of an event or events, or
(d) to make a payment or payments in such other form or at such other time or
times as the court may direct.

(6) Paragraph 84 makes further provision about compensation in the case of an order
under paragraph 20.

Interim code rights

26 (1) An operator may apply to the court for an order which imposes on the operator and
a person, on an interim basis, an agreement between them which—
(a) confers a code right on the operator, or
(b) provides for a code right to bind that person.

(2) An order under this paragraph imposes an agreement on the operator and a person
on an interim basis if it provides for them to be bound by the agreement—
(a) for the period specified in the order, or
(b) until the occurrence of an event specified in the order.

(3) The court may make an order under this paragraph if (and only if) the operator
has given the person mentioned in sub-paragraph (1) a notice which complies with
paragraph 20(2) stating that an agreement is sought on an interim basis and—
(a) the operator and that person have agreed to the making of the order and the
terms of the agreement imposed by it, or
(b) the court thinks that there is a good arguable case that the test in paragraph
21 for the making of an order under paragraph 20 is met.

(4) Subject to sub-paragraphs (5) and (6), the following provisions apply in relation to an
order under this paragraph and an agreement imposed by it as they apply in relation
to an order under paragraph 20 and an agreement imposed by it—
(a) paragraph 20(3) (time at which operator may apply for agreement to be
imposed);
(b) paragraph 22 (effect of agreement imposed under paragraph 20);
(c) paragraph 23 (terms of agreement imposed under paragraph 20);
(d) paragraph 24 (payment of consideration);
(e) paragraph 25 (payment of compensation);
(f) paragraph 84 (compensation where agreement imposed).

(5) The court may make an order under this paragraph even though the period mentioned
in paragraph 20(3)(a) has not elapsed (and paragraph 20(3)(b) does not apply) if the
court thinks that the order should be made as a matter of urgency.

(6) Paragraphs 23, 24 and 25 apply by virtue of sub-paragraph (4) as if—
(a) references to the relevant person were to the person mentioned in sub-
paragraph (1) of this paragraph, and
(b) the duty in paragraph 23 to include terms as to the payment of consideration
to that person in an agreement were a power to do so.

(7) Sub-paragraph (8) applies if—
(a) an order has been made under this paragraph imposing an agreement relating
to a code right on an operator and a person in respect of any land, and
(b) the period specified under sub-paragraph (2)(a) has expired or, as the case may be, the event specified under sub-paragraph (2)(b) has occurred without (in either case) an agreement relating to the code right having been imposed on the person by order under paragraph 20.

(8) From the time when the period expires or the event occurs, that person has the right, subject to and in accordance with Part 6 of this code, to require the operator to remove any electronic communications apparatus placed on the land under the agreement imposed under this paragraph.

Temporary code rights

27  (1) This paragraph applies where—

(a) an operator gives a notice under paragraph 20(2) to a person in respect of any land,

(b) the notice also requires that person's agreement on a temporary basis in respect of a right which is to be exercisable (in whole or in part) in relation to electronic communications apparatus which is already installed on, under or over the land, and

(c) the person has the right to require the removal of the apparatus in accordance with paragraph 37 or as mentioned in paragraph 40(1) but the operator is not for the time being required to remove the apparatus.

(2) The court may, on the application of the operator, impose on the operator and the person an agreement between them which confers on the operator, or provides for the person to be bound by, such temporary code rights as appear to the court reasonably necessary for securing the objective in sub-paragraph (3).

(3) That objective is that, until the proceedings under paragraph 20 and any proceedings under paragraph 40 are determined, the service provided by the operator's network is maintained and the apparatus is properly adjusted and kept in repair.

(4) Subject to sub-paragraphs (5) and (6), the following provisions apply in relation to an order under this paragraph and an agreement imposed by it as they apply in relation to an order under paragraph 20 and an agreement imposed by it—

(a) paragraph 20(3) (time at which operator may apply for agreement to be imposed);

(b) paragraph 22 (effect of agreement imposed under paragraph 20);

(c) paragraph 23 (terms of agreement imposed under paragraph 20);

(d) paragraph 24 (payment of consideration);

(e) paragraph 25 (payment of compensation);

(f) paragraph 84 (compensation where agreement imposed).

(5) The court may make an order under this paragraph even though the period mentioned in paragraph 20(3)(a) has not elapsed (and paragraph 20(3)(b) does not apply) if the court thinks that the order should be made as a matter of urgency.

(6) Paragraphs 23, 24 and 25 apply by virtue of sub-paragraph (4) as if—

(a) references to the relevant person were to the person mentioned in sub-paragraph (1) of this paragraph, and

(b) the duty in paragraph 23 to include terms as to the payment of consideration to that person in an agreement were a power to do so.
(7) Sub-paragraph (8) applies where, in the course of the proceedings under paragraph 20, it is shown that a person with an interest in the land was entitled to require the removal of the apparatus immediately after it was installed.

(8) The court must, in determining for the purposes of paragraph 20 whether the apparatus should continue to be kept on, under or over the land, disregard the fact that the apparatus has already been installed there.

PART 5

TERMINATION AND MODIFICATION OF AGREEMENTS

Introductory

28 This Part of this code makes provision about—

(a) the continuation of code rights after the time at which they cease to be exercisable under an agreement,
(b) the procedure for bringing an agreement to an end,
(c) the procedure for changing an agreement relating to code rights, and
(d) the arrangements for the making of payments under an agreement whilst disputes under this Part are resolved.

Application of this Part

29 (1) This Part of this code applies to an agreement under Part 2 of this code, subject to sub-paragraphs (2) to (4).

(2) This Part of this code does not apply to a lease of land in England and Wales if—

(a) its primary purpose is not to grant code rights, and
(b) it is a lease to which Part 2 of the Landlord and Tenant Act 1954 (security of tenure for business, professional and other tenants) applies.

(3) In determining whether a lease is one to which Part 2 of the Landlord and Tenant Act 1954 applies, any agreement under section 38A (agreements to exclude provisions of Part 2) of that Act is to be disregarded.

(4) This Part of this code does not apply to a lease of land in Northern Ireland if—

(a) its primary purpose is not to grant code rights, and
(b) it is a lease to which the Business Tenancies (Northern Ireland) Order 1996 (SI 1996/725 (NI 5)) applies.

(5) An agreement to which this Part of this code applies is referred to in this code as a “code agreement”.

Continuation of code rights

30 (1) Sub-paragraph (2) applies if—

(a) a code right is conferred by, or is otherwise binding on, a person (the “site provider”) as the result of a code agreement, and
(b) under the terms of the agreement—
(i) the right ceases to be exercisable or the site provider ceases to be bound by it, or
(ii) the site provider may bring the code agreement to an end so far as it relates to that right.

(2) Where this sub-paragraph applies the code agreement continues so that—
   (a) the operator may continue to exercise that right, and
   (b) the site provider continues to be bound by the right.

(3) Sub-paragraph (2) does not apply to a code right which is conferred by, or is otherwise binding on, a person by virtue of an order under paragraph 26 (interim code rights) or 27 (temporary code rights).

(4) Sub-paragraph (2) is subject to the following provisions of this Part of this code.

**How may a person bring a code agreement to an end?**

31  (1) A site provider who is a party to a code agreement may bring the agreement to an end by giving a notice in accordance with this paragraph to the operator who is a party to the agreement.

(2) The notice must—
   (a) comply with paragraph 89 (notices given by persons other than operators),
   (b) specify the date on which the site provider proposes the code agreement should come to an end, and
   (c) state the ground on which the site provider proposes to bring the code agreement to an end.

(3) The date specified under sub-paragraph (2)(b) must fall—
   (a) after the end of the period of 18 months beginning with the day on which the notice is given, and
   (b) after the time at which, apart from paragraph 30, the code right to which the agreement relates would have ceased to be exercisable or to bind the site provider or at a time when, apart from that paragraph, the code agreement could have been brought to an end by the site provider.

(4) The ground stated under sub-paragraph (2)(c) must be one of the following—
   (a) that the code agreement ought to come to an end as a result of substantial breaches by the operator of its obligations under the agreement;
   (b) that the code agreement ought to come to an end because of persistent delays by the operator in making payments to the site provider under the agreement;
   (c) that the site provider intends to redevelop all or part of the land to which the code agreement relates, or any neighbouring land, and could not reasonably do so unless the code agreement comes to an end;
   (d) that the operator is not entitled to the code agreement because the test under paragraph 21 for the imposition of the agreement on the site provider is not met.

**What is the effect of a notice under paragraph 31?**

32  (1) Where a site provider gives a notice under paragraph 31, the code agreement to which it relates comes to an end in accordance with the notice unless—
within the period of three months beginning with the day on which the notice is given, the operator gives the site provider a counter-notice in accordance with sub-paragraph (3), and

within the period of three months beginning with the day on which the counter-notice is given, the operator applies to the court for an order under paragraph 34.

(2) Sub-paragraph (1) does not apply if the operator and the site provider agree to the continuation of the code agreement.

(3) The counter-notice must state—

(a) that the operator does not want the existing code agreement to come to an end,

(b) that the operator wants the site provider to agree to confer or be otherwise bound by the existing code right on new terms, or

(c) that the operator wants the site provider to agree to confer or be otherwise bound by a new code right in place of the existing code right.

(4) If, on an application under sub-paragraph (1)(b), the court decides that the site provider has established any of the grounds stated in the site provider's notice under paragraph 31, the court must order that the code agreement comes to an end in accordance with the order.

(5) Otherwise the court must make one of the orders specified in paragraph 34.

How may a party to a code agreement require a change to the terms of an agreement which has expired?

33 (1) An operator or site provider who is a party to a code agreement by which a code right is conferred by or otherwise binds the site provider may, by notice in accordance with this paragraph, require the other party to the agreement to agree that—

(a) the code agreement should have effect with modified terms,

(b) where under the code agreement more than one code right is conferred by or otherwise binds the site provider, that the agreement should no longer provide for an existing code right to be conferred by or otherwise bind the site provider,

(c) the code agreement should—

(i) confer an additional code right on the operator, or

(ii) provide that the site provider is otherwise bound by an additional code right, or

(d) the existing code agreement should be terminated and a new agreement should have effect between the parties which—

(i) confers a code right on the operator, or

(ii) provides for a code right to bind the site provider.

(2) The notice must—

(a) comply with paragraph 88 or 89, according to whether the notice is given by an operator or a site provider,

(b) specify—

(i) the day from which it is proposed that the modified terms should have effect,
(ii) the day from which the agreement should no longer provide for the
code right to be conferred by or otherwise bind the site provider,
(iii) the day from which it is proposed that the additional code right
should be conferred by or otherwise bind the site provider, or
(iv) the day on which it is proposed the existing code agreement should
be terminated and from which a new agreement should have effect,
(as the case may be), and
(c) set out details of—
   (i) the proposed modified terms,
   (ii) the code right it is proposed should no longer be conferred by or
        otherwise bind the site provider,
   (iii) the proposed additional code right, or
   (iv) the proposed terms of the new agreement,
       (as the case may be).

(3) The day specified under sub-paragraph (2)(b) must fall—
(a) after the end of the period of 6 months beginning with the day on which the
    notice is given, and
(b) after the time at which, apart from paragraph 30, the code right to which the
    existing code agreement relates would have ceased to be exercisable or to
    bind the site provider or at a time when, apart from that paragraph, the code
    agreement could have been brought to an end by the site provider.

(4) Sub-paragraph (5) applies if, after the end of the period of 6 months beginning with
the day on which the notice is given, the operator and the site provider have not
reached agreement on the proposals in the notice.

(5) Where this paragraph applies, the operator or the site provider may apply to the court
for the court to make an order under paragraph 34.

**What orders may a court make on an application under paragraph 32 or 33?**

34

(1) This paragraph sets out the orders that the court may make on an application under
paragraph 32(1)(b) or 33(5).

(2) The court may order that the operator may continue to exercise the existing code right
in accordance with the existing code agreement for such period as may be specified
in the order (so that the code agreement has effect accordingly).

(3) The court may order the modification of the terms of the code agreement relating to
the existing code right.

(4) Where under the code agreement more than one code right is conferred by or
otherwise binds the site provider, the court may order the modification of the terms
of the code agreement so that it no longer provides for an existing code right to be
conferred by or otherwise bind the site provider.

(5) The court may order the terms of the code agreement relating to the existing code
right to be modified so that—
   (a) it confers an additional code right on the operator, or
   (b) it provides that the site provider is otherwise bound by an additional code
      right.
(6) The court may order the termination of the code agreement relating to the existing code right and order the operator and the site provider to enter into a new agreement which—
   (a) confers a code right on the operator, or
   (b) provides for a code right to bind the site provider.

(7) The existing code agreement continues until the new agreement takes effect.

(8) This code applies to the new agreement as if it were an agreement under Part 2 of this code.

(9) The terms conferring or providing for an additional code right under sub-paragraph (5), and the terms of a new agreement under sub-paragraph (6), are to be such as are agreed between the operator and the site provider.

(10) If the operator and the site provider are unable to agree on the terms, the court must on an application by either party make an order specifying those terms.

(11) Paragraphs 23(2) to (8), 24, 25 and 84 apply—
   (a) to an order under sub-paragraph (3), (4) or (5), so far as it modifies or specifies the terms of the agreement, and
   (b) to an order under sub-paragraph (10) as they apply to an order under paragraph 20.

(12) In the case of an order under sub-paragraph (10) the court must also have regard to the terms of the existing code agreement.

(13) In determining which order to make under this paragraph, the court must have regard to all the circumstances of the case, and in particular to—
   (a) the operator's business and technical needs,
   (b) the use that the site provider is making of the land to which the existing code agreement relates,
   (c) any duties imposed on the site provider by an enactment, and
   (d) the amount of consideration payable by the operator to the site provider under the existing code agreement.

(14) Where the court makes an order under this paragraph, it may also order the operator to pay the site provider the amount (if any) by which A exceeds B, where—
   (a) A is the amount of consideration that would have been payable by the operator to the site provider for the relevant period if that amount had been assessed on the same basis as the consideration payable as the result of the order, and
   (b) B is the amount of consideration payable by the operator to the site provider for the relevant period.

(15) In sub-paragraph (14) the relevant period is the period (if any) that—
   (a) begins on the date on which, apart from the operation of paragraph 30, the code right to which the existing code agreement relates would have ceased to be exercisable or to bind the site provider or from which, apart from that paragraph, the code agreement could have been brought to an end by the site provider, and
   (b) ends on the date on which the order is made.
What arrangements for payment can be made pending determination of the application?

35 (1) This paragraph applies where—

(a) a code right continues to be exercisable under paragraph 30 after the time at which, apart from the operation of that paragraph, the code right would have ceased to be exercisable or to bind the site provider or from which, apart from that paragraph, the code agreement relating to the right could have been brought to an end by the site provider, and

(b) the operator or the site provider has applied to the court for an order under paragraph 32(1)(b) or 33(5).

(2) The site provider may—

(a) agree with the operator that, until the application has been finally determined, the site provider will continue to receive the payments of consideration from the operator to which the site provider is entitled under the agreement relating to the existing code right,

(b) agree with the operator that, until that time, the site provider will receive different payments of consideration under that agreement, or

(c) apply to the court for the court to determine the payments of consideration to be made by the operator to the site provider under that agreement until that time.

(3) The court must determine the payments under sub-paragraph (2)(c) on the basis set out in paragraph 24 (calculation of consideration).

PART 6

RIGHTS TO REQUIRE REMOVAL OF ELECTRONIC COMMUNICATIONS APPARATUS

36 This Part of this code makes provision about—

(a) the cases in which a person has the right to require the removal of electronic communications apparatus or the restoration of land,

(b) the means by which a person can discover whether apparatus is on land pursuant to a code right, and

(c) the means by which a right to require removal of apparatus or restoration of land can be enforced.
When does a landowner have the right to require removal of electronic communications apparatus?

1. A person with an interest in land (a “landowner”) has the right to require the removal of electronic communications apparatus on, under or over the land if (and only if) one or more of the following conditions are met.

2. The first condition is that the landowner has never since the coming into force of this code been bound by a code right entitling an operator to keep the apparatus on, under or over the land.

3. The second condition is that a code right entitling an operator to keep the apparatus on, under or over the land has come to an end or has ceased to bind the landowner—
   (a) as mentioned in paragraph 26(7) and (8),
   (b) as the result of paragraph 32(1), or
   (c) as the result of an order under paragraph 32(4) or 34(4) or (6), or
   (d) where the right was granted by a lease to which Part 5 of this code does not apply.

   This is subject to sub-paragraph (4).

4. The landowner does not meet the first or second condition if—
   (a) the land is occupied by a person who—
       (i) conferred a code right (which is in force) entitling an operator to keep the apparatus on, under or over the land, or
       (ii) is otherwise bound by such a right, and
   (b) that code right was not conferred in breach of a covenant enforceable by the landowner.

5. In the application of sub-paragraph (4)(b) to Scotland the reference to a covenant enforceable by the landowner is to be read as a reference to a contractual term which is so enforceable.

6. The third condition is that—
   (a) an operator has the benefit of a code right entitling the operator to keep the apparatus on, under or over the land, but
   (b) the apparatus is not, or is no longer, used for the purposes of the operator’s network, and
   (c) there is no reasonable likelihood that the apparatus will be used for that purpose.

7. The fourth condition is that—
   (a) this code has ceased to apply to a person so that the person is no longer entitled under this code to keep the apparatus on, under or over the land,
   (b) the retention of the apparatus on, under or over the land is not authorised by a scheme contained in an order under section 117, and
   (c) there is no other person with a right conferred by or under this code to keep the apparatus on, under or over the land.

8. The fifth condition is that—
   (a) the apparatus was kept on, under or over the land pursuant to—
       (i) a transport land right (see Part 7), or
       (ii) a street work right (see Part 8),
(b) that right has ceased to be exercisable in relation to the land by virtue of paragraph 54(9), and
(c) there is no other person with a right conferred by or under this code to keep the apparatus on, under or over the land.

(9) This paragraph does not affect rights to require the removal of apparatus under another enactment (see paragraph 41).

When does a landowner or occupier of neighbouring land have the right to require removal of electronic communications apparatus?

38 (1) A landowner or occupier of any land ("neighbouring land") has the right to require the removal of electronic communications apparatus kept on, under or over other land in exercise of a right mentioned in paragraph 13(1), if both of the following conditions are met.

(2) The first condition is that the apparatus interferes with or obstructs a means of access to or from the neighbouring land.

(3) The second condition is that the landowner or occupier of the neighbouring land is not bound by a code right within paragraph 3(h) entitling an operator to cause the interference or obstruction.

(4) A landowner of neighbouring land who is not the occupier of the land does not meet the second condition if—

(a) the land is occupied by a person who—

(i) conferred a code right (which is in force) entitling an operator to cause the interference or obstruction, or

(ii) is otherwise bound by such a right, and

(b) that code right was not conferred in breach of a covenant enforceable by the landowner.

(5) In the application of sub-paragraph (4)(b) to Scotland the reference to a covenant enforceable by the landowner is to be read as a reference to a contractual term which is so enforceable.

How does a landowner or occupier find out whether apparatus is on land pursuant to a code right?

39 (1) A landowner may by notice require an operator to disclose whether—

(a) the operator owns electronic communications apparatus on, under or over land in which the landowner has an interest or uses such apparatus for the purposes of the operator's network, or

(b) the operator has the benefit of a code right entitling the operator to keep electronic communications apparatus on, under or over land in which the landowner has an interest.

(2) A landowner or occupier of neighbouring land may by notice require an operator to disclose whether—

(a) the operator owns electronic communications apparatus on, under or over land that forms (or, but for the apparatus, would form) a means of access to the neighbouring land, or uses such apparatus for the purposes of the operator's network, or
(b) the operator has the benefit of a code right entitling the operator to keep
electronic communications apparatus on, under or over land that forms (or,
but for the apparatus, would form) a means of access to the neighbouring
land.

(3) The notice must comply with paragraph 89 (notices given by persons other than
operators).

(4) Sub-paragraph (5) applies if—
(a) the operator does not, before the end of the period of three months beginning
with the date on which the notice under sub-paragraph (1) or (2) was given,
give a notice to the landowner or occupier that—
(i) complies with paragraph 88 (notices given by operators), and
(ii) discloses the information sought by the landowner or occupier,
(b) the landowner or occupier takes action under paragraph 40 to enforce the
removal of the apparatus, and
(c) it is subsequently established that—
(i) the operator owns the apparatus or uses it for the purposes of the
operator's network, and
(ii) the operator has the benefit of a code right entitling the operator to
keep the apparatus on, under or over the land.

(5) The operator must nevertheless bear the costs of any action taken by the landowner
or occupier under paragraph 40 to enforce the removal of the apparatus.

How does a landowner or occupier enforce removal of apparatus?

40

(1) The right of a landowner or occupier to require the removal of electronic
communications apparatus on, under or over land, under paragraph 37 or 38, is
exercisable only in accordance with this paragraph.

(2) The landowner or occupier may give a notice to the operator whose apparatus it is
requiring the operator—
(a) to remove the apparatus, and
(b) to restore the land to its condition before the apparatus was placed on, under
or over the land.

(3) The notice must—
(a) comply with paragraph 89 (notices given by persons other than operators),
and
(b) specify the period within which the operator must complete the works.

(4) The period specified under sub-paragraph (3) must be a reasonable one.

(5) Sub-paragraph (6) applies if, within the period of 28 days beginning with the day on
which the notice was given, the landowner or occupier and the operator do not reach
agreement on any of the following matters—
(a) that the operator will remove the apparatus;
(b) that the operator will restore the land to its condition before the apparatus
was placed on, under or over the land;
(c) the time at which or period within which the apparatus will be removed;
(d) the time at which or period within which the land will be restored.
(6) The landowner or occupier may make an application to the court for—
   (a) an order under paragraph 44(1) (order requiring operator to remove apparatus etc), or
   (b) an order under paragraph 44(3) (order enabling landowner to sell apparatus etc).

(7) If the court makes an order under paragraph 44(1), but the operator does not comply with the agreement imposed on the operator and the landowner or occupier by virtue of paragraph 44(7), the landowner or occupier may make an application to the court for an order under paragraph 44(3).

(8) On an application under sub-paragraph (6) or (7) the court may not make an order in relation to apparatus if an application under paragraph 20(3) has been made in relation to the apparatus and has not been determined.

How are other rights to require removal of apparatus enforced?

41 (1) The right of a person (a “third party”) under an enactment other than this code, or otherwise than under an enactment, to require the removal of electronic communications apparatus on, under or over land is exercisable only in accordance with this paragraph.

(2) The third party may give a notice to the operator whose apparatus it is, requiring the operator—
   (a) to remove the apparatus, and
   (b) to restore the land to its condition before the apparatus was placed on, under or over the land.

(3) The notice must—
   (a) comply with paragraph 89 (notices given by persons other than operators), and
   (b) specify the period within which the operator must complete the works.

(4) The period specified under sub-paragraph (3) must be a reasonable one.

(5) Within the period of 28 days beginning with the day on which notice under sub-paragraph (2) is given, the operator may give the third party notice (“counter-notice”)
    (a) stating that the third party is not entitled to require the removal of the apparatus, or
    (b) specifying the steps which the operator proposes to take for the purpose of securing a right as against the third party to keep the apparatus on the land.

(6) If the operator does not give counter-notice within that period, the third party is entitled to enforce the removal of the apparatus.

(7) If the operator gives the third party counter-notice within that period, the third party may enforce the removal of the apparatus only in pursuance of an order of the court that the third party is entitled to enforce the removal of the apparatus.

(8) If the counter-notice specifies steps under paragraph (5)(b), the court may make an order under sub-paragraph (7) only if it is satisfied—
   (a) that the operator is not intending to take those steps or is being unreasonably dilatory in taking them; or
(b) that taking those steps has not secured, or will not secure, for the operator as against the third party any right to keep the apparatus installed on, under or over the land or to re-install it if it is removed.

(9) Where the third party is entitled to enforce the removal of the apparatus, under subparagraph (6) or under an order under sub-paragraph (7), the third party may make an application to the court for—
   (a) an order under paragraph 44(1) (order requiring operator to remove apparatus etc), or
   (b) an order under paragraph 44(3) (order enabling third party to sell apparatus etc).

(10) If the court makes an order under paragraph 44(1), but the operator does not comply with the agreement imposed on the operator and the third party by virtue of paragraph 44(7), the third party may make an application to the court for an order under paragraph 44(3).

(11) An order made on an application under this paragraph need not include provision within paragraph 44(1)(b) or (3)(d) unless the court thinks it appropriate.

(12) Sub-paragraph (9) is without prejudice to any other method available to the third party for enforcing the removal of the apparatus.

How does paragraph 40 apply if a person is entitled to require apparatus to be altered in consequence of street works?

(1) This paragraph applies where the third party's right in relation to which paragraph 41 applies is a right to require the alteration of the apparatus in consequence of the stopping up, closure, change or diversion of a street or road or the extinguishment or alteration of a public right of way.

(2) The removal of the apparatus in pursuance of paragraph 41 constitutes compliance with a requirement to make any other alteration.

(3) A counter-notice under paragraph 41(5) may state (in addition to, or instead of, any of the matters mentioned in paragraph 41(5)(b)) that the operator requires the third party to reimburse the operator in respect of any expenses incurred by the operator in or in connection with the making of any alteration in compliance with the requirements of the third party.

(4) An order made under paragraph 41 on an application by the third party in respect of a counter-notice containing a statement under sub-paragraph (3) must, unless the court otherwise thinks fit, require the third party to reimburse the operator in respect of the expenses referred to in the statement.

(5) Paragraph 44(3)(b) to (e) do not apply.

(6) In this paragraph—
   “road” means a road in Scotland;
   “street” means a street in England and Wales or Northern Ireland.

When can a separate application for restoration of land be made?

(1) This paragraph applies if—
   (a) the condition of the land has been affected by the exercise of a code right, and
(b) restoration of the land to its condition before the code right was exercised does not involve the removal of electronic communications apparatus from any land.

(2) The occupier of the land, the owner of the freehold estate in the land or the lessee of the land (“the relevant person”) has the right to require the operator to restore the land if the relevant person is not for the time being bound by the code right.

(3) The relevant person does not have that right if—
   (a) the land is occupied by a person who—
       (i) conferred a code right (which is in force) entitling the operator to affect the condition of the land in the same way as the right mentioned in sub-paragraph (1), or
       (ii) is otherwise bound by such a right, and
   (b) that code right was not conferred in breach of a covenant enforceable by the relevant person.

(4) In the application of sub-paragraph (3)(b) to Scotland the reference to a covenant enforceable by the relevant person is to be read as a reference to a contractual term which is so enforceable.

(5) A person who has the right conferred by this paragraph may give a notice to the operator requiring the operator to restore the land to its condition before the code right was exercised.

(6) The notice must—
   (a) comply with paragraph 89 (notices given by persons other than operators), and
   (b) specify the period within which the operator must complete the works.

(7) The period specified under sub-paragraph (6) must be a reasonable one.

(8) Sub-paragraph (9) applies if, within the period of 28 days beginning with the day on which the notice was given, the landowner and the operator do not reach agreement on any of the following matters—
   (a) that the operator will restore the land to its condition before the code right was exercised;
   (b) the time at which or period within which the land will be restored.

(9) The landowner may make an application to the court for—
   (a) an order under paragraph 44(2) (order requiring operator to restore land), or
   (b) an order under paragraph 44(4) (order enabling landowner to recover cost of restoring land).

(10) If the court makes an order under paragraph 44(2), but the operator does not comply with the agreement imposed on the operator and the landowner by virtue of paragraph 44(7), the landowner may make an application to the court for an order under paragraph 44(4).

(11) In the application of sub-paragraph (2) to Scotland the reference to a person who is the owner of the freehold estate in the land is to be read as a reference to a person who is the owner of the land.
What orders may the court make on an application under paragraphs 40 to 43?

(1) An order under this sub-paragraph is an order that the operator must, within the period specified in the order—
   (a) remove the electronic communications apparatus, and
   (b) restore the land to its condition before the apparatus was placed on, under or over the land.

(2) An order under this sub-paragraph is an order that the operator must, within the period specified in the order, restore the land to its condition before the code right was exercised.

(3) An order under this sub-paragraph is an order that the landowner, occupier or third party may do any of the following—
   (a) remove or arrange the removal of the electronic communications apparatus;
   (b) sell any apparatus so removed;
   (c) recover the costs of any action under paragraph (a) or (b) from the operator;
   (d) recover from the operator the costs of restoring the land to its condition before the apparatus was placed on, under or over the land;
   (e) retain the proceeds of sale of the apparatus to the extent that these do not exceed the costs incurred by the landowner, occupier or third party as mentioned in paragraph (c) or (d).

(4) An order under this sub-paragraph is an order that the landowner may recover from the operator the costs of restoring the land to its condition before the code right was exercised.

(5) An order under this paragraph on an application under paragraph 40 may require the operator to pay compensation to the landowner for any loss or damage suffered by the landowner as a result of the presence of the apparatus on the land during the period when the landowner had the right to require the removal of the apparatus from the land but was not able to exercise that right.

(6) Paragraph 84 makes further provision about compensation under sub-paragraph (5).

(7) An order under sub-paragraph (1) or (2) takes effect as an agreement between the operator and the landowner, occupier or third party that—
   (a) requires the operator to take the steps specified in the order, and
   (b) otherwise contains such terms as the court may so specify.

PART 7

CONFERRAL OF TRANSPORT LAND RIGHTS AND THEIR EXERCISE

Introductory

This Part of this code makes provision about—
   (a) the conferral of transport land rights, and
   (b) the exercise of transport land rights.
Transport land and transport undertakers

46 In this Part of this code—

“transport land” means land which is used wholly or mainly—

(a) as a railway, canal or tramway, or
(b) in connection with a railway, canal or tramway on the land;

“transport undertaker”, in relation to transport land, means the person carrying on the railway, canal or tramway undertaking.

Conferral of transport land rights

47 (1) An operator may exercise a transport land right for the statutory purposes.

(2) But that is subject to the following provisions of this Part of this code.

The transport land rights

48 (1) For the purposes of this code a “transport land right”, in relation to an operator, is—

(a) a right to cross any transport land with a line;
(b) a right, for the purposes of crossing any transport land with a line—

(i) to install and keep the line and any other electronic communications apparatus on, under or over the transport land;
(ii) to inspect, maintain, adjust, alter, repair, upgrade or operate electronic communications apparatus on, under or over the transport land;
(iii) a right to carry out any works on the transport land for or in connection with the exercise of a right under sub-paragraph (i) or (ii);
(iv) a right to enter the transport land to inspect, maintain, adjust, alter, repair, upgrade or operate the line or other electronic communications apparatus.

(2) A line installed in the exercise of a transport land right need not cross the transport land in question by a direct route or the shortest route from the point at which the line enters the transport land.

(3) But the line must not cross the transport land by any route which, in the horizontal plane, exceeds that shortest route by more than 400 metres.

(4) The transport land rights do not authorise an operator to install a line or other electronic communications apparatus in any position on transport land in which the line or other apparatus would interfere with traffic on the railway, canal or tramway.

Non-emergency works: when can an operator exercise the transport land rights?

49 (1) Before exercising a transport land right in order to carry out non-emergency works, the operator must give the transport undertaker notice of the intention to carry out the works (“notice of proposed works”).

(2) Notice of proposed works must contain a plan and section of the works; but, if the transport undertaker agrees, the notice may instead contain a description of the works (whether or not in the form of a diagram).

(3) The operator must not begin the proposed works until the notice period has ended.
But the operator's power to carry out the proposed works is subject to paragraph 50.

In this paragraph—

“non-emergency works” means any works which are not emergency works under paragraph 51;

“notice period” means the period of 28 days beginning with the day on which notice of proposed works is given.

What is the effect of the transport undertaker giving notice of objection to the operator?

(1) This paragraph applies if an operator gives a transport undertaker notice of proposed works under paragraph 49.

(2) The transport undertaker may, within the notice period, give the operator notice objecting to the proposed works (“notice of objection”).

(3) If notice of objection is given, the operator or the transport undertaker may, within the arbitration notice period, give the other notice that the objection is to be referred to arbitration under paragraph 52 (“arbitration notice”).

(4) In a case where notice of objection is given, the operator may exercise a transport land right in order to carry out the proposed works only if they are permitted under sub-paragraph (5) or (6).

(5) Works are permitted in a case where—

(a) the arbitration notice period has ended, and

(b) no arbitration notice has been given.

(6) In a case where arbitration notice has been given, works are permitted in accordance with an award made on the arbitration.

(7) In this paragraph—

(a) “arbitration notice period” means the period of 28 days beginning with the day on which objection notice is given;

(b) expressions defined in paragraph 49 have the same meanings as in that paragraph.

Emergency works: when can an operator exercise the transport land rights?

(1) An operator may exercise a transport land right in order to carry out emergency works.

(2) If the operator exercises a transport land right to carry out emergency works, the operator must give the transport undertaker an emergency works notice as soon as reasonably practicable after starting the works.

(3) An “emergency works notice” is a notice which—

(a) identifies the emergency works;

(b) contains a statement of the reason why the works are emergency works; and

(c) contains either—

(i) the matters which would be included in a notice of proposed works (if one were given in relation to the works), or
(ii) a reference to a notice of proposed works which relates to the works that are emergency works (if one has been given).

(4) A transport undertaker may, within the compensation notice period, give the operator notice which requires the operator to pay compensation for loss or damage sustained in consequence of the carrying out of emergency works (“compensation notice”).

(5) The operator must pay the transport undertaker any compensation which is required by a compensation notice (if given within the compensation notice period).

(6) The amount of compensation payable under sub-paragraph (5) is to be agreed between the operator and the transport undertaker.

(7) But if—

(a) the compensation agreement period has ended, and

(b) the operator and the transport undertaker have not agreed the amount of compensation payable under sub-paragraph (6),

the operator or the transport undertaker may give the other notice that the disagreement is to be referred to arbitration under paragraph 52.

(8) A reference in this paragraph to emergency works includes a reference to any works which are included in a notice of proposed works but become emergency works before the operator is authorised by paragraph 50 or 51 to carry them out.

(9) In this paragraph—

“compensation agreement period” means the period of 28 days beginning with the day on which a compensation notice is given;

“compensation notice period” means the period of 28 days beginning with the day on which an emergency works notice is given;

“emergency works” means works carried out in order to stop anything already occurring, or to prevent anything imminent from occurring, which is likely to cause—

(a) danger to persons or property,

(b) the interruption of any service provided by the operator's network, or

(c) substantial loss to the operator,

and any other works which it is reasonable (in all the circumstances) to carry out with those works;

“notice of proposed works” means such notice given under paragraph 49.

What happens if a dispute about the transport land rights is referred to arbitration?

52 (1) This paragraph applies if notice is given under paragraph 50(3) or 51(7) that the following matter (the “matter in dispute”) is to be referred to arbitration—

(a) an objection to proposed works;

(b) a disagreement about an amount of compensation.

(2) The matter in dispute is to be referred to the arbitration of a single arbitrator appointed—

(a) by agreement between the parties, or

(b) in the absence of such agreement, by the President of the Institution of Civil Engineers.
(3) If the matter in dispute is an objection to proposed works, the arbitrator has the following powers—
   (a) power to require the operator to give the arbitrator a plan and section in such form as the arbitrator thinks appropriate;
   (b) power to require the transport undertaker to give the arbitrator any observations on such a plan or section in such form as the arbitrator thinks appropriate;
   (c) power to impose on either party any other requirements which the arbitrator thinks appropriate (including a requirement to provide information in such form as the arbitrator thinks appropriate);
   (d) power to make an award—
      (i) requiring modifications to the proposed works, and
      (ii) specifying the terms on which, and the conditions subject to which, the proposed works may be carried out;
   (e) power to award one or both of the following, payable to the transport undertaker—
      (i) compensation for loss or damage sustained by that person in consequence of the carrying out of the works;
      (ii) consideration for the right to carry out the works.

(4) If the matter in dispute is a disagreement about an amount of compensation, the arbitrator has the following powers—
   (a) power to impose on either party any requirements which the arbitrator thinks appropriate (including a requirement to provide information in such form as the arbitrator thinks appropriate);
   (b) power to award compensation, payable to the transport undertaker, for loss or damage sustained by that person in consequence of the carrying out of the emergency works.

(5) The arbitrator may make an award conditional upon a party complying with a requirement imposed under sub-paragraph (3)(a), (b) or (c) or (4)(a).

(6) In determining what award to make, the matters to which the arbitrator must have regard include the public interest in there being access to a choice of high quality electronic communications services.

(7) The arbitrator's power under sub-paragraph (3) or (4) to award compensation for loss includes power to award compensation for any increase in the expenses incurred by the transport undertaker in carrying on its railway, canal or tramway undertaking.

(8) An award of consideration under sub-paragraph (3)(c)(ii) must be determined on the basis of what would have been fair and reasonable if the transport undertaker had willingly given authority for the works to be carried out on the same terms, and subject to the same conditions (if any), as are contained in the award.

(9) In this paragraph “party” means—
   (a) the operator, or
   (b) the transport undertaker.
When can a transport undertaker require an operator to alter communications apparatus?

53  (1) A transport undertaker may give an operator notice which requires the operator to alter a line or other electronic communications apparatus specified in the notice (“notice requiring alterations”) on the ground that keeping the apparatus on, under or over transport land interferes with, or is likely to interfere with—

(a) the carrying on of the transport undertaker’s railway, canal or tramway undertaking, or

(b) anything done or to be done for the purposes of its railway, canal or tramway undertaking.

(2) The operator may, within the notice period, give the transport undertaker notice (“counter-notice”) specifying the respects in which the operator is not prepared to comply with the notice requiring alterations.

(3) The operator must comply with the notice requiring alterations, within a reasonable time and to the reasonable satisfaction of the transport undertaker, if—

(a) the notice period has ended, and

(b) no counter-notice has been given.

(4) If counter-notice has been given (within the notice period), the transport undertaker may apply to the court for an order requiring the operator to alter any of the specified apparatus.

(5) The court must not make an order unless it is satisfied that the order is necessary on one of the grounds mentioned in sub-paragraph (1).

(6) In determining whether to make an order, the matters to which the court must also have regard include the public interest in there being access to a choice of high quality electronic communications services.

(7) An order under this paragraph may take such form and be on such terms as the court thinks fit.

(8) In particular, the order—

(a) may impose such conditions, and

(b) may contain such directions to the operator or the transport undertaker, as the court thinks necessary for resolving any difference between the operator and the transport undertaker and for protecting their respective interests.

(9) In this paragraph—

“notice period” means the period of 28 days beginning with the day on which notice requiring alterations is given;

“specified apparatus” means the line or other electronic communications apparatus specified in notice requiring alterations.

What happens to the transport land rights if land ceases to be transport land?

54  (1) This paragraph applies if an operator is exercising a transport land right in relation to land immediately before a time when it ceases to be transport land.

(2) After that time, this Part of this code — except for paragraph 53 — continues to apply to the land as if it were still transport land (and, accordingly, the operator may continue to exercise any transport land right in relation to the land as if it were still transport land).
(3) But sub-paragraph (2) is subject to sub-paragraphs (4) to (9).

(4) In the application of this Part of this code to land in accordance with sub-paragraph (2), references to the transport undertaker have effect as references to the occupier of the land.

(5) The application of this Part of this code to land in accordance with sub-paragraph (2) does not authorise the operator—
   (a) to cross the land with any line that is not in place at the time when the land ceases to be transport land, or
   (b) to install and keep any line or other electronic communications apparatus that is not in place at the time when the land ceases to be transport land.

(6) But sub-paragraph (5) does not affect the power of the operator to replace an existing line or other apparatus (whether in place at the time when the land ceased to be transport land or a replacement itself authorised by this sub-paragraph) with a new line or apparatus which—
   (a) is not substantially different from the existing line or apparatus, and
   (b) is not in a significantly different position.

(7) The occupier of the land may, at any time after the land ceases to be transport land, give the operator notice specifying a date on which this Part of this code is to cease to apply to the land in accordance with this paragraph ("notice of termination").

(8) That date specified in the notice of termination must fall after the end of the period of 12 months beginning with the day on which the notice of termination is given.

(9) On the date specified in notice of termination in accordance with sub-paragraph (8), the transport land rights cease to be exercisable in relation to the land in accordance with this paragraph.

**Offence: operators who do not comply with this Part of this code**

55

(1) An operator is guilty of an offence if the operator starts any works in contravention of any provision of paragraph 49, paragraph 50 or paragraph 51.

(2) An operator guilty of an offence under this paragraph is liable on summary conviction to a fine not exceeding level 3 on the standard scale.

(3) In a case where this Part of this code applies in accordance with paragraph 54, the reference in this paragraph to paragraph 49, paragraph 50 or paragraph 51 is a reference to that paragraph as it applies in accordance with paragraph 54.

**PART 8**

CONFERRAL OF STREET WORK RIGHTS AND THEIR EXERCISE

**Introductory**

56

This Part of this code makes provision about—
   (a) the conferral of street work rights, and
   (b) the exercise of street work rights.
Streets and roads

57 In this Part of this code—
“road” means—
(a) a road in Scotland which is a public road;
(b) a road in Northern Ireland;
“street” means a street in England and Wales which is a maintainable highway (within the meaning of Part 3 of New Roads and Street Works Act 1991), other than one which is a footpath, bridleway or restricted byway that crosses, and forms part of, any agricultural land or any land which is being brought into use for agriculture.

Conferral of street work rights

58 (1) An operator may exercise a street work right for the statutory purposes.
(2) But that is subject to the following provisions of this Part of this code.

The street work rights

59 (1) For the purposes of this code a “street work right”, in relation to an operator, is—
(a) a right to install and keep electronic communications apparatus in, on, under, over, along or across a street or a road;
(b) a right to inspect, maintain, adjust, alter, repair, upgrade or operate electronic communications apparatus which is installed or kept by the exercise of the right under paragraph (a);
(c) a right to carry out any works in, on, under, over, along or across a street or road for or in connection with the exercise of a right under paragraph (a) or (b);
(d) a right to enter any street or road to inspect, maintain, adjust, alter, repair, upgrade or operate electronic communications apparatus which is installed or kept by the exercise of the right under paragraph (a).

(2) The works that may be carried out under sub-paragraph (1)(c) include—
(a) breaking up or opening a street or a road;
(b) tunnelling or boring under a street or a road;
(c) breaking up or opening a sewer, drain or tunnel.

PART 9

CONFERRAL OF TIDAL WATER RIGHTS AND THEIR EXERCISE

Modifications etc. (not altering text)

C49 Sch. 3A Pt. 9 applied by 2010 asp 5, s. 36(1) (as amended (28.12.2017) by Digital Economy Act 2017 (c. 30), s. 118(6), Sch. 3 para. 56; S.I. 2017/1286, reg. 2(d))
C50 Sch. 3A Pt. 9 excluded by 1985 c. 48, s. 8A (as amended (28.12.2017) by Digital Economy Act 2017 (c. 30), s. 118(6), Sch. 3 para. 22; S.I. 2017/1286, reg. 2(d))
Introductory

60 This Part of this code makes provision about—
(a) the conferral of tidal water rights, and
(b) the exercise of tidal water rights.

Tidal water or lands

61 In this Part of this code “tidal water or lands” includes—
(a) any estuary or branch of the sea,
(b) the shore below mean high water springs, and
(c) the bed of any tidal water.

Conferral of tidal water rights

62 (1) An operator may exercise a tidal water right for the statutory purposes.

(2) But that is subject to the following provisions of this Part of this code.

The tidal water rights

63 (1) For the purposes of this code a “tidal water right”, in relation to an operator, is—
(a) a right to install and keep electronic communications apparatus on, under or over tidal water or lands;
(b) a right to inspect, maintain, adjust, alter, repair, upgrade or operate electronic communications apparatus on, under or over the tidal water or lands;
(c) a right to carry out any works on, under or over any tidal water or lands for or in connection with the exercise of a right under paragraph (a) or (b);
(d) a right to enter any tidal water or lands to inspect, maintain, adjust, alter, repair, upgrade or operate electronic communications apparatus which is installed or kept by the exercise of the right under paragraph (a).

(2) The works that may be carried out under sub-paragraph (1)(c) include placing a buoy or seamark.

Exercise of tidal water right: Crown land

64 (1) An operator may not exercise a tidal water right in relation to land in which a Crown interest subsists unless agreement to the exercise of the right in relation to the land has been given in respect of that interest by the appropriate authority in accordance with paragraph 104.

(2) Where, in connection with an agreement between the operator and the appropriate authority for the exercise of such a right, the operator and the appropriate authority cannot agree the consideration to be paid by the operator, the operator or the appropriate authority may apply to the appointed valuer for a determination of the market value of the right.

(3) An application under sub-paragraph (2) must be made in writing and must include—
(a) the proposed terms of the agreement, and
(b) the reasoned evidence of the operator and of the appropriate authority as to the market value of the right.
(4) As soon as reasonably practicable after receiving such an application, the appointed valuer must—
   (a) determine the market value of the tidal water right; and
   (b) notify the operator and the appropriate authority in writing of its determination and the reasons for it.

(5) If the agreement mentioned in sub-paragraph (2) or an agreement in substantially the same terms is concluded following a determination under sub-paragraph (4), the consideration payable by the operator must not be more than the market value notified under sub-paragraph (4)(b).

(6) For this purpose the market value of a tidal water right is, subject to sub-paragraph (7), the amount that, at the date the market value is assessed, a willing buyer would pay a willing seller for the right—
   (a) in a transaction at arm's length,
   (b) on the basis that the buyer and seller were acting prudently and with full knowledge of the transaction, and
   (c) on the basis that the transaction was subject to the proposed terms set out in the application.

(7) The market value must be assessed on these assumptions—
   (a) that the right that the transaction relates to does not relate to the provision or use of an electronic communications network;
   (b) that the right in all other respects corresponds to the tidal water right;
   (c) that there is more than one site which the buyer could use for the purpose for which the buyer seeks the right.

(8) The appointed valuer may charge a fee in respect of the consideration of an application under sub-paragraph (4) and may apportion the fee between the operator and the appropriate authority as the appointed valuer considers appropriate.

(9) In this paragraph “the appointed valuer” means—
   (a) such person as the operator and the appropriate authority may agree;
   (b) if no person is agreed, such person as may be nominated, on the application of the operator or the appropriate authority, by the President of the Royal Institution of Chartered Surveyors.

This Part of this code makes provision about the carrying out of undertaker's works by undertakers or operators.

Key definitions

(1) In this Part of this code—

“undertaker” means a person (including a local authority) of a description set out in any of the entries in the first column of the following table;

“undertaker's works”, in relation to an undertaker of a description set out in a particular entry in the first column of the table, means works of the description set out in the corresponding entry in the second column of the table.

A person (apart from the operator) Works that the undertaker is authorised
to whom this code is applied by a to carry out by or in accordance with any
direction under section 106 of the provision of this code

Communications Act 2003

Any person to whom this Part of Works for the purposes of which this
this code is applied by any enactment paragraph is applied to the undertaker
(whenever passed or made)

(2) In this Part of this code—

(a) a reference to undertaker's works which interfere with a network is a
reference to any undertaker's works which involve, or are likely to involve,
an alteration of any electronic communications apparatus kept on, under or
over any land for the purposes of an operator's network;

(b) a reference to an alteration of any electronic communications apparatus is a
reference to a temporary or permanent alteration of the apparatus.

When can an undertaker carry out non-emergency undertaker's works?

67 (1) Before carrying out non-emergency undertaker's works which interfere with a
network, an undertaker must give the operator notice of the intention to carry out the
works (“notice of proposed works”).

(2) Notice of proposed works must specify—

(a) the nature of the proposed undertaker's works,

(b) the alteration of the electronic communications apparatus which the works
involve or are likely to involve, and

(c) the time and place at which the works will begin.

(3) The undertaker must not begin the proposed undertaker's works (including the
proposed alteration of electronic communications apparatus) until the notice period
has ended.

(4) But the undertaker's power to alter electronic communications apparatus (in carrying
out the proposed undertaker's works) is subject to paragraph 68.

(5) In this paragraph—

“non-emergency undertaker's works” means any undertaker's works
which are not emergency works under paragraph 71;

“notice period” means the period of 10 days beginning with the day on
which notice of proposed works is given.

What is the effect of the operator giving counter-notice to the undertaker?

68 (1) This paragraph applies if an undertaker gives an operator notice of proposed works
under paragraph 67.

(2) The operator may, within the notice period, give the undertaker notice (“counter-
notice”) stating either—
(a) that the operator requires the undertaker to make any alteration of the electronic communications apparatus that is necessary or expedient because of the proposed undertaker's works—
   (i) under the supervision of the operator, and
   (ii) to the satisfaction of the operator; or
(b) that the operator intends to make any alteration of the electronic communications apparatus that is necessary or expedient because of the proposed undertaker's works.

(3) In a case where counter-notice contains a statement under sub-paragraph (2)(a), the undertaker must act in accordance with the counter-notice when altering electronic communications apparatus (in carrying out the proposed undertaker's works).

(4) But, if the operator unreasonably fails to provide the required supervision, the undertaker must act in accordance with the counter-notice only insofar as it requires alterations to be made to the satisfaction of the operator.

(5) In a case where counter-notice contains a statement under sub-paragraph (2)(b) (operator intends to make alteration), the undertaker must not alter electronic communications apparatus (in carrying out the proposed undertaker's works).

(6) But that does not prevent the undertaker from making any alteration of electronic communications apparatus which the operator fails to make within a reasonable time.

(7) Expressions defined in paragraph 67 have the same meanings in this paragraph.

What expenses must the undertaker pay?

69 (1) This paragraph applies if an undertaker carries out any non-emergency undertaker's works in accordance with paragraph 67 (including in a case where counter-notice is given under paragraph 68).

(2) The undertaker must pay the operator the amount of any loss or damage sustained by the operator in consequence of any alteration being made to electronic communications apparatus (in carrying out the works).

(3) The undertaker must pay the operator any expenses incurred by the operator in, or in connection with, supervising the undertaker when altering electronic communications apparatus (in carrying out the works).

(4) Any amount which is not paid in accordance with this paragraph is to be recoverable by the operator from the undertaker in any court of competent jurisdiction.

When can the operator alter apparatus in connection with non-emergency undertaker's works?

70 (1) An operator may make an alteration of electronic communications apparatus if—
   (a) notice of proposed works has been given,
   (b) the notice period has ended, and
   (c) counter-notice has been given which states (in accordance with paragraph 68(2)(b)) that the operator intends to make the alteration.

(2) If the operator makes any alteration in accordance with this paragraph, the undertaker must pay the operator—
(a) any expenses incurred by the operator in, or in connection with, making the alteration; and
(b) the amount of any loss or damage sustained by the operator in consequence of the alteration being made.

(3) Any amount which is not paid in accordance with sub-paragraph (2) is to be recoverable by the operator from the undertaker in any court of competent jurisdiction.

(4) Expressions defined in paragraph 67 have the same meanings in this paragraph.

When can an undertaker carry out emergency undertaker's works?

71 (1) An undertaker may, in carrying out emergency undertaker's works, make an alteration of any electronic communications apparatus kept on, under or over any land for the purposes of an operator's network.

(2) The undertaker must give the operator notice of the emergency undertaker's works as soon as practicable after beginning them.

(3) This paragraph does not authorise the undertaker to make an alteration of apparatus after any failure by the undertaker to give notice in accordance with sub-paragraph (2).

(4) The undertaker must make the alteration to the satisfaction of the operator.

(5) If the undertaker makes any alteration in accordance with this paragraph, the undertaker must pay the operator—
   (a) any expenses incurred by the operator in, or in connection with, supervising the undertaker when making the alteration; and
   (b) the amount of any loss or damage sustained by the operator in consequence of the alteration being made.

(6) Any amount which is not paid in accordance with sub-paragraph (5) is to be recoverable by the operator from the undertaker in any court of competent jurisdiction.

(7) In this paragraph “emergency undertaker's works” means undertaker's works carried out in order to stop anything already occurring, or to prevent anything imminent from occurring, which is likely to cause—
   (a) danger to persons or property,
   (b) interference with the exercise of any functions conferred or imposed on the undertaker by or under any enactment, or
   (c) substantial loss to the undertaker,
   and any other works which it is reasonable (in all the circumstances) to carry out with those works.

Offence: undertakers who do not comply with this Part of this code

72 (1) An undertaker, or an agent of an undertaker, is guilty of an offence if that person—
   (a) makes an alteration of electronic communications apparatus in carrying out non-emergency undertaker's works, and
   (b) does so—
(i) without notice of proposed works having been given in accordance with paragraph 67, or
(ii) (in a case where such notice is given) before the end of the notice period under paragraph 67.

(2) An undertaker, or an agent of an undertaker, is guilty of an offence if that person—
(a) makes an alteration of electronic communications apparatus in carrying out non-emergency undertaker's works, and
(b) unreasonably fails to comply with any reasonable requirement of the operator under this Part of this code when doing so.

(3) An undertaker, or an agent of an undertaker, is guilty of an offence if that person—
(a) makes an alteration of electronic communications apparatus in carrying out emergency undertaker's works, and
(b) does so without notice of emergency undertaker's works having been given in accordance with paragraph 71.

(4) A person guilty of an offence under this paragraph is liable on summary conviction to—
(a) a fine not exceeding level 4 on the standard scale, if the service provided by the operator's network is interrupted by the works or failure, or
(b) a fine not exceeding level 3 on the standard scale, if that service is not interrupted.

(5) This paragraph does not apply to a Northern Ireland department.

PART 11

OVERHEAD APPARATUS

Introductory

73 This Part of this code—
(a) confers a power on operators to install and keep certain overhead apparatus, and
(b) imposes a duty on operators to affix notices to certain overhead apparatus.

Power to fly lines

74 (1) This paragraph applies where any electronic communications apparatus is kept on or over any land for the purposes of an operator's network.

(2) The operator has the right, for the statutory purposes, to install and keep lines which
(a) pass over other land adjacent to, or in the vicinity of, the land on or over which the apparatus is kept,
(b) are connected to that apparatus, and
(c) are not, at any point where they pass over the other land, less than three metres above the ground or within two metres of any building over which they pass.
(3) Sub-paragraph (2) does not authorise the installation or keeping on or over any land of—
   (a) any electronic communications apparatus used to support, carry or suspend a line installed under sub-paragraph (2), or
   (b) any line which, as a result of its position, interferes with the carrying on of any business carried on on that land.

(4) In this paragraph “business” includes a trade, profession or employment and includes any activity carried on by a body of persons (whether corporate or unincorporate).

Duty to attach notices to overhead apparatus

75 (1) This paragraph applies where—
   (a) an operator has, for the purposes of the operator's network, installed any electronic communications apparatus, and
   (b) the whole or part of the apparatus is at a height of three metres or more above the ground.

(2) The operator must, before the end of the period of three days beginning with the day after that on which the installation is completed, in a secure and durable manner attach a notice—
   (a) to every major item of apparatus installed, or
   (b) if no major item of apparatus is installed, to the nearest major item of electronic communications apparatus to which the apparatus that is installed is directly or indirectly connected.

(3) A notice attached under sub-paragraph (2)—
   (a) must be attached in a position where it is reasonably legible, and
   (b) must give the name of the operator and an address in the United Kingdom at which any notice of objection may be given under paragraph 77(5) in respect of the apparatus in question.

(4) Any person giving such a notice at that address in respect of that apparatus is to be treated as having given that address for the purposes of paragraph 91(2).

(5) An operator who breaches the requirements of this paragraph is guilty of an offence and liable on summary conviction to a fine not exceeding level 2 on the standard scale.

(6) In any proceedings for an offence under this paragraph it is a defence for the person charged to prove that the person took all reasonable steps and exercised all due diligence to avoid committing the offence.

PART 12

RIGHTS TO OBJECT TO CERTAIN APPARATUS

Introductory

76 This Part of this code makes provision conferring rights to object to certain kinds of apparatus, and makes provision about—
   (a) the cases in which and persons by whom a right can be exercised, and
(b) the power and procedures of the court if an objection is made.

When and by whom can a right to object be exercised?

77 (1) A right to object under this Part of this code is available where, pursuant to the right in paragraph 62, an operator keeps electronic communications apparatus installed on, under or over tidal water or lands within the meaning of Part 9 of this code.

(2) In that case a person has a right to object under this Part of this code if the person—
   (a) is an occupier of, or has an interest in, the tidal water or lands,
   (b) is not bound by a code right enabling the operator to keep the apparatus installed on, under or over the tidal water or lands, and
   (c) is not a person with the benefit of a Crown interest in the tidal water or lands.

(3) A right to object under this Part of this code is available where an operator keeps a line installed over land pursuant to the right in paragraph 74.

(4) In that case a person has a right to object under this Part of this code if the person—
   (a) is an occupier of, or has an interest in, the land, and
   (b) is not bound by a code right enabling the operator to keep the apparatus installed over the land.

(5) A right to object under this Part of this code is available where—
   (a) electronic communications apparatus is kept on or over land for the purposes of an operator’s network, and
   (b) the whole or any part of that apparatus is at a height of three metres or more above the ground.

(6) In that case a person has a right to object under this Part of this code if—
   (a) the person is an occupier of, or has an interest in, any neighbouring land, and
   (b) because of the nearness of the neighbouring land to the land on or over which the apparatus is kept—
      (i) the enjoyment of the neighbouring land is capable of being prejudiced by the apparatus, or
      (ii) any interest in that land is capable of being prejudiced by the apparatus.

(7) There is no right to object under this Part of this code in respect of electronic communications apparatus if the apparatus—
   (a) replaces any electronic communications apparatus which is not substantially different from the new apparatus, and
   (b) is not in a significantly different position.

How may a right to object be exercised?

78 (1) A person with a right to object under this Part (“the objector”) may exercise the right by giving a notice to the operator.

(2) The right to object that the person has, and the procedure that applies to that right, depends on whether—
   (a) the notice is given before the end of the period of 12 months beginning with the date on which installation of the apparatus was completed (see paragraph 79), or
(b) the notice is given after the end of that period (see paragraph 80).

What is the procedure if the objection is made within 12 months of installation?

(1) This paragraph applies if the notice is given before the end of the period of 12 months beginning with the date on which installation of the apparatus was completed.

(2) At any time after the end of the period of two months beginning with the date on which the notice is given, but before the end of the period of four months beginning with that date, the objector may apply to the court to have the objection upheld.

(3) The court must uphold the objection if the following conditions are met.

(4) The first condition is that the apparatus appears materially to prejudice the objector's enjoyment of, or interest in, the land by reference to which the objection is made.

(5) The second condition is that the court is not satisfied that the only possible alterations of the apparatus will—

   (a) substantially increase the cost or diminish the quality of the service provided by the operator's network to persons who have, or may in future have, access to it,

   (b) involve the operator in substantial additional expenditure (disregarding any expenditure caused solely by the fact that any proposed alteration was not adopted originally or, as the case may be, that the apparatus has been unnecessarily installed), or

   (c) give to any person a case at least as good as the objector has to have an objection under this paragraph upheld.

(6) If the court upholds an objection under this paragraph it may by order do any of the following—

   (a) direct the alteration of the apparatus to which the objection relates;

   (b) authorise the installation (instead of the apparatus to which the objection relates), in a manner and position specified in the order, of any apparatus specified in the order;

   (c) direct that no objection may be made under this paragraph in respect of any apparatus the installation of which is authorised by the court.

(7) Where an objector has both given a notice under paragraph 78 and applied for compensation under any of the other provisions of this code—

   (a) the court may give such directions as it thinks fit for ensuring that no compensation is paid until any proceedings under this paragraph have been disposed of, and

   (b) if the court makes an order under this paragraph, it may provide in that order for some or all of the compensation otherwise payable under this code to the objector not to be so payable, or, if the case so requires, for some or all of any compensation paid under this code to the objector to be repaid to the operator.

(8) For the purposes of sub-paragraph (5)(c), the court has the power on an application under this paragraph to give the objector directions for bringing the application to the notice of such other interested persons as it thinks fit.

(9) This paragraph is subject to paragraph 81.
What is the procedure if the objection is made later than 12 months after installation?

80 (1) This paragraph applies if the notice is given after the end of the period of 12 months beginning with the date on which installation of the apparatus was completed.

(2) At any time after the end of the period of two months beginning with the date on which the notice is given, but before the end of the period of four months beginning with that date, the objector may apply to the court to have the objection upheld.

(3) The court may uphold the objection only if it is satisfied that—
   (a) the alteration is necessary to enable the objector to carry out a proposed improvement of the land by reference to which the objection is made, and
   (b) the alteration will not substantially interfere with any service which is or is likely to be provided using the operator's network.

(4) If the court upholds an objection under this paragraph it may by order direct the alteration of the apparatus to which the objection relates.

(5) An order under this paragraph may provide for the alteration to be carried out with such modifications, on such terms and subject to such conditions as the court thinks fit.

(6) But the court must not include any such modifications, terms or conditions in its order without the consent of the objector, and if such consent is not given may refuse to make an order under this paragraph.

(7) An order made under this paragraph must, unless the court otherwise thinks fit, require the objector to reimburse the operator in respect of any expenses which the operator incurs in or in connection with the execution of any works in compliance with the order.

(8) This paragraph is subject to paragraph 81.

(9) In this paragraph “improvement” includes development and change of use.

What limitations are there on the court’s powers under paragraph 79 or 80?

81 (1) This paragraph applies where the court is considering making—
   (a) an order under paragraph 79 directing the alteration of any apparatus or authorising the installation of any apparatus, or
   (b) an order under paragraph 80 directing the alteration of any apparatus.

(2) The court must not make the order unless it is satisfied—
   (a) that the operator has all such rights as it appears to the court appropriate that the operator should have for the purpose of making the alteration or, as the case may be, installing the apparatus, or
   (b) that—
       (i) the operator would have all those rights if the court, on an application under paragraph 20, imposed an agreement on the operator and another person, and
       (ii) it would be appropriate for the court, on such an application, to impose such an agreement.

(3) For the purposes of avoiding the need for the agreement of any person to the alteration or installation of any apparatus, the court has the same powers as it would have if
an application had been duly made under paragraph 20 for an order imposing such
an agreement.

(4) For the purposes of this paragraph, the court has the power on an application under
paragraph 79 or 80 to give the objector directions for bringing the application to the
notice of such other interested persons as it thinks fit.

PART 13

RIGHTS TO LOP TREES

Rights to lop trees

82 (1) This paragraph applies where—
(a) a tree or other vegetation overhangs a street in England and Wales or
Northern Ireland or a road in Scotland, and
(b) the tree or vegetation—
   (i) obstructs, or will or may obstruct, relevant electronic
   communications apparatus, or
   (ii) interferes with, or will or may interfere with, such apparatus.

(2) In sub-paragraph (1) “relevant electronic communications apparatus” means
electronic communications apparatus which—
(a) is installed, or about to be installed, on land, and
(b) is used, or to be used, for the purposes of an operator's network.

(3) The operator may, by notice to the occupier of the land on which the tree or vegetation
is growing, require the tree to be lopped or the vegetation to be cut back to prevent
the obstruction or interference.

(4) If, within the period of 28 days beginning with the day on which the notice is given,
the occupier gives the operator a counter-notice objecting to the lopping of the tree
or cutting back of the vegetation, the notice has effect only if confirmed by an order
of the court.

(5) Sub-paragraph (6) applies if at any time a notice under sub-paragraph (3) has not
been complied with and—
(a) the period of 28 days beginning with the day on which the notice was given
has expired without a counter-notice having been given, or
(b) an order of the court confirming the notice has come into force.

(6) The operator may cause the tree to be lopped or the vegetation to be cut back.

(7) Where the operator lops a tree or cuts back vegetation in exercise of the power in
sub-paragraph (6) the operator must do so in a husband-like manner and in such a
way as to cause the minimum damage to the tree or vegetation.

(8) Sub-paragraph (9) applies where—
(a) a notice under sub-paragraph (3) is complied with (either without a counter-
notice having been given or after the notice has been confirmed), or
(b) the operator exercises the power in sub-paragraph (6).
(9) The court must, on an application made by a person who has sustained loss or damage in consequence of the lopping of the tree or cutting back of the vegetation or who has incurred expenses in complying with the notice, order the operator to pay that person such compensation in respect of the loss or damage as it thinks fit.

PART 14

COMPENSATION UNDER THE CODE

Introductory

This Part of this code makes provision about compensation under this code.

Compensation where agreement imposed or apparatus removed

(1) This paragraph applies to the following powers of the court to order an operator to pay compensation to a person—

(a) the power in paragraph 25(1) (compensation where order made imposing agreement on person);

(b) the power in paragraph 44(5) (compensation in relation to removal of the apparatus from the land).

(2) Depending on the circumstances, the power of the court to order the payment of compensation for loss or damage includes power to order payment for—

(a) expenses (including reasonable legal and valuation expenses, subject to the provisions of any enactment about the powers of the court by whom the order for compensation is made to award costs or, in Scotland, expenses),

(b) diminution in the value of the land, and

(c) costs of reinstatement.

(3) For the purposes of assessing such compensation for diminution in the value of land, the following provisions apply with any necessary modifications as they apply for the purposes of assessing compensation for the compulsory purchase of any interest in land—

(a) in relation to England and Wales, rules (2) to (4) set out in section 5 of the Land Compensation Act 1961;

(b) in relation to Scotland, rules (2) to (4) set out in section 12 of the Land Compensation (Scotland) Act 1963;

(c) in relation to Northern Ireland, rules (2) to (4) set out in Article 6(1) of the Land Compensation (Northern Ireland) Order 1982 (SI 1982/712 (NI 9)).

(4) In the application of this paragraph to England and Wales, section 10(1) to (3) of the Land Compensation Act 1973 (compensation in respect of mortgages, trusts of land and settled land) applies in relation to such compensation for diminution in the value of land as it applies in relation to compensation under Part 1 of that Act.

(5) In the application of this paragraph to Scotland, section 10(1) and (2) of the Land Compensation (Scotland) Act 1973 (compensation in respect of restricted interests in land) applies in relation to such compensation for diminution in the value of land as it applies in relation to compensation under Part 1 of that Act.
(6) In the application of this paragraph to Northern Ireland, Article 13(1) to (3) of the Land Acquisition and Compensation (Northern Ireland) Order 1973 (SI 1973/1896 (NI 21)) (compensation in respect of mortgages, trusts for sale and settlements) applies in relation to such compensation for diminution in the value of land as it applies in relation to compensation under Part II of that Order.

(7) Where a person has a claim for compensation to which this paragraph applies and a claim for compensation under any other provision of this code in respect of the same loss, the compensation payable to that person must not exceed the amount of that person's loss.

Compensation for injurious affection to neighbouring land etc

85 (1) This paragraph applies where a right conferred by or in accordance with any provision of Parts 2 to 9 of this code is exercised by an operator.

(2) In the application of this paragraph to England and Wales, compensation is payable by the operator under section 10 of the Compulsory Purchase Act 1965 (compensation for injurious affection to neighbouring land) as if that section applied in relation to injury caused by the exercise of such a right as it applies in relation to injury caused by the execution of works on land that has been compulsorily acquired.

(3) In the application of this paragraph to Scotland, compensation is payable by the operator under section 6 of the Railway Clauses Consolidation (Scotland) Act 1845 as if that section applied in relation to injury caused by the exercise of such a right as it applies in relation to injury caused by the execution of works on land that has been taken or used for the purpose of a railway.

(4) Any question as to a person's entitlement to compensation by virtue of sub-paragraph (3), or as to the amount of that compensation, is, in default of agreement, to be determined by the Lands Tribunal for Scotland.

(5) In the application of this paragraph to Northern Ireland, compensation is payable by the operator under Article 18 of the Land Compensation (Northern Ireland) Order 1982 (SI 1982/712 (NI 9)) as if that section applied in relation to injury caused by the exercise of such a right as it applies in relation to injury caused by the execution of works on land that has been compulsorily acquired.

(6) Any question as to a person's entitlement to compensation by virtue of sub-paragraph (5), or as to the amount of that compensation, is, in default of agreement, to be determined by the Lands Tribunal for Northern Ireland.

(7) Compensation is payable on a claim for compensation under this paragraph only if the amount of the compensation exceeds £50.

(8) Compensation is payable to a person under this paragraph irrespective of whether the person claiming the compensation has any interest in the land in relation to which the right referred to in sub-paragraph (1) is exercised.

(9) Compensation under this paragraph may include reasonable legal and valuation expenses, subject to the provisions of any enactment about the powers of the court or tribunal by whom an order for compensation is made to award costs or, in Scotland, expenses.
No other compensation available

Except as provided by any provision of Parts 2 to 13 of this code or this Part, an operator is not liable to compensate any person for, and is not subject to any other liability in respect of, any loss or damage caused by the lawful exercise of any right conferred by or in accordance with any provision of those Parts.

PART 15
NOTICES UNDER THE CODE

Introductory

This Part makes provision—
(a) about requirements for the form of notices given under this code by operators,
(b) about requirements for the form of notices given under this code by persons other than operators, and
(c) about procedures for giving notices.

Notices given by operators

(1) A notice given under this code by an operator must—
(a) explain the effect of the notice,
(b) explain which provisions of this code are relevant to the notice, and
(c) explain the steps that may be taken by the recipient in respect of the notice.

(2) If OFCOM have prescribed the form of a notice which may or must be given by an operator under a provision of this code, a notice given by an operator under that provision must be in that form.

(3) A notice which does not comply with this paragraph is not a valid notice for the purposes of this code.

(4) Sub-paragraph (3) does not prevent the person to whom the notice is given from relying on the notice if the person chooses to do so.

(5) In any proceedings under this code a certificate issued by OFCOM stating that a particular form of notice has been prescribed by them as mentioned in this paragraph is conclusive evidence of that fact.

Notices given by others

(1) Sub-paragraph (2) applies to a notice given under paragraph 31(1), 33(1), 39(1) or 40(2) by a person other than an operator.

(2) If OFCOM have prescribed the form of a notice given under the provision in question by a person other than an operator, the notice must be in that form.

(3) A notice which does not comply with sub-paragraph (2) is not a valid notice for the purposes of this code.

(4) Sub-paragraph (3) does not prevent the operator to whom the notice is given from relying on the notice if the operator chooses to do so.
(5) Sub-paragraph (6) applies to a notice given under any other provision of this code by a person other than an operator if—
   (a) OFCOM have prescribed the form of a notice given under that provision by a person other than an operator,
   (b) the notice is given in response to a notice given by an operator, and
   (c) the operator has, in giving the notice, drawn the person's attention to the form prescribed by OFCOM.

(6) The notice is a valid notice for the purposes of this code, but the person giving the notice must bear any costs incurred by the operator as a result of the notice not being in that form.

(7) In any proceedings under this code a certificate issued by OFCOM stating that a particular form of notice has been prescribed by them as mentioned in this paragraph is conclusive evidence of that fact.

Prescription of notices by OFCOM

90 (1) OFCOM must prescribe the form of a notice to be given under each provision of this code that requires a notice to be given.

(2) OFCOM may from time to time amend or replace a form prescribed under sub-paragraph (1).

(3) Before prescribing a form for the purposes of this code, OFCOM must consult operators and such other persons as OFCOM think appropriate.

(4) Sub-paragraph (3) does not apply to the amendment or replacement of a form prescribed under sub-paragraph (1).

Procedures for giving notice

91 (1) A notice given under this code must not be sent by post unless it is sent by a registered post service or by recorded delivery.

(2) For the purposes, in the case of a notice under this code, of section 394 of this Act (service of notifications and other documents) and section 7 of the Interpretation Act 1978 (references to service by post), the proper address of a person (“P”) is—
   (a) if P has given the person giving the notice an address for service under this code, that address, and
   (b) otherwise, the address given by section 394.

(3) Sub-paragraph (4) applies if it is not practicable, for the purposes of giving a notice under this code, to find out after reasonable enquiries the name and address of a person who is the occupier of land for the purposes of this code.

(4) A notice may be given under this code to the occupier —
   (a) by addressing it to a person by the description of “occupier” of the land (and describing the land), and
   (b) by delivering it to a person who is on the land or, if there is no person on the land to whom it can be delivered, by affixing it, or a copy of it, to a conspicuous object on the land.
(5) Sub-paragraph (6) applies if it is not practicable, for the purposes of giving a notice under this code, to find out after reasonable enquiries the name and address of the owner of an interest in land.

(6) A notice may be given under this code to the owner—
   (a) by addressing it to a person by the description of “owner” of the interest (and describing the interest and the land), and
   (b) by delivering it to a person who is on the land or, if there is no person on the land to whom it can be delivered, by affixing it, or a copy of it, to a conspicuous object on the land.

PART 16
ENFORCEMENT AND DISPUTE RESOLUTION

Introductory

This Part of this code makes provision about—
   (a) the court or tribunal by which agreements and rights under this code may be enforced,
   (b) the meaning of references to “the court” in this code, and

   (b) in relation to England and Wales, the Upper Tribunal;
(c) in relation to Scotland, the Lands Tribunal for Scotland;
(d) in relation to Northern Ireland, the Lands Tribunal for Northern Ireland.

(2) Regulations under sub-paragraph (1) may make provision for the function to be exercisable by a tribunal to which the regulations apply—
(a) instead of by the court, or
(b) as well as by the court.

(3) The Secretary of State may by regulations make provision—
(a) requiring proceedings to which regulations under sub-paragraph (1) apply to be commenced in the court or in a tribunal to which the regulations apply;

(a) so far as the regulations relate to Scotland, consult the Scottish Ministers;
(b) so far as the regulations relate to Northern Ireland, consult the Department of Justice in Northern Ireland.

Award of costs by tribunal

96 (1) Where in any proceedings a tribunal exercises functions by virtue of regulations under paragraph 95(1), it may make such order as it thinks fit as to costs, or, in Scotland, expenses.

(2) The matters a tribunal must have regard to in making such an order include in particular the extent to which any party is successful in the proceedings.

Applications to the court

97 Regulation 3 of the Electronic Communications and Wireless Telegraphy Regulations 2011 (SI 2011/1210) makes provision about the time within which certain applications to the court under this code must be determined.

Appeals in Northern Ireland

98 Article 60 of the County Courts (Northern Ireland) Order 1980 (ordinary appeals from the county court in civil cases) is to apply in relation to any determination of the court in Northern Ireland under this code in the same manner as it applies in relation to any decree of the court made in the exercise of the jurisdiction conferred by Part 3 of that Order.
PART 17

(2) Sub-paragraph (1) does not apply if and to the extent that an enactment makes provision to the contrary.

100 (1) This code does not affect any rights or liabilities arising under an agreement to which an operator is a party.

(2) Sub-paragraph (1) does not apply in relation to paragraph 99 or Parts 3 to 6 of this code.

Ownership of property

101 The ownership of property does not change merely because the property is installed on or under, or affixed to, any land by any person in exercise of a right conferred by or in accordance with this code.

Conduits

1757 Sch. 14 para. 13 in force at 29.12.2003 by S.I. 2003/3142, art. 3(1), Sch. 1 (with art. 11)
(a) immediately after the coming into force of an order under paragraph 11 or 12, a person (“the person in contravention”) is in contravention, in any respect, of a requirement imposed under that paragraph; and

(b) immediately before the coming into force of the order, that person—
   (i) held one or more relevant licences; but
   (ii) was not, in that respect, in contravention of a requirement imposed under that paragraph.

(2) This paragraph does not apply in the case of the first order to be made under paragraph 11 or 12 if the person in contravention was, immediately before the coming into force of the order, in contravention, in relation to one or more of the relevant licences, of a requirement imposed under Part 3 or 4 of Schedule 2 to the 1990 Act.

(3) In sub-paragraphs (1) and (2) the reference to a relevant licence is—
   (a) in relation to the coming into force of an order under paragraph 11, a local sound broadcasting licence; and
   (b) in relation to the coming into force of an order under paragraph 12, a local digital sound programme licence.

(4) The contravention mentioned in sub-paragraph (1)(a), to the extent that it arises by reason of the coming into force of the order, is to be disregarded (in the case of the person in contravention) in relation to any time which falls—
   (a) after the coming into force of the order; and
   (b) before there is a relevant change of circumstances.

(5) Where the contravention is one arising under paragraph 11 in the case of a person who held one or more local sound broadcasting licences immediately before the coming into force of the order, there is a relevant change of circumstances if—
   (a) another person becomes the holder of any of those licences, otherwise than in consequence of a transaction under which the person in contravention ceases to be a holder of the licence; or
   (b) the person in contravention becomes the holder of another local sound broadcasting licence.

(7) Where the contravention is one arising under paragraph 12 in the case of a person who, under a local digital sound programme licence, was providing one or more local digital sound programme services immediately before the coming into force of the order, there is a relevant change of circumstances if—
   (a) another person becomes the holder of that licence, otherwise than in consequence of a transaction under which the person in contravention ceases to be a holder of the licence; or
   (b) the person in contravention becomes the provider of another local digital sound programme service provided under that licence.

(8) A change of circumstances is not a relevant change of circumstances by virtue of sub-paragraph (7)(b) unless the service of which the person in contravention becomes the provider is one the provision of which, with the services already provided by him,
would (apart from sub-paragraph (4)) constitute a contravention of a requirement imposed under paragraph 12.

(9) For the purposes of this paragraph, in its application in relation to a contravention of a requirement imposed under paragraph 11 or 12—

(a) references to holding a licence or providing a local digital sound programme service are to be construed in accordance with the provision having effect for the purposes of that requirement; and

(b) the persons who are taken to be holding a local digital sound programme licence immediately before the coming into force of the order include every person who at that time would, in accordance with that provision, be treated as providing local digital sound programme services that were being provided at that time under that licence.

Steps taken in anticipation of passing or coming into force of Act

2 (1) This paragraph applies where the Secretary of State or OFCOM is or are required—
   (a) by a provision of this Act, or
   (b) by virtue of an amendment made by this Act,
   to take steps before exercising a power or performing a duty.

   (2) The requirement is capable of being satisfied by the taking of the steps in anticipation
   of effect being given to the provision by virtue of which the power or duty is—
   (a) conferred or imposed on the Secretary of State or OFCOM; or
   (b) transferred to OFCOM.

   (3) For the purposes of sub-paragraph (2) it is immaterial—
      (a) that the provision by virtue of which the power or duty is conferred, imposed
          or transferred had not been enacted, or had not come into force, when the
          steps were taken; and
      (b) in the case of steps taken before the enactment of that provision, that the
          provision the effect of which was anticipated was modified before being
          enacted.

   (4) In relation to provisions brought into force as mentioned in subsection (1) of
   section 408 for the purpose of enabling specified functions to be carried out by the
   Director or the Secretary of State—
      (a) this paragraph has effect in relation to steps taken by the Director or the

      steps were taken.

Commencement Information

11247 Sch. 18 para. 1 in force at 29.12.2003 in so far as not already in force by S.I. 2003/3142, art. 3(2) (with art. 11)
Savings for agreements referring to the termination of a 1984 Act licence

3 (1) This paragraph applies where a term or condition of an agreement in force immediately before the abolition of licensing provides—
   (a) for the agreement, or a provision of it, to cease to have effect,
   (b) for the agreement to become capable of being terminated,
   (c) for a requirement to pay or repay an amount (whether liquidated or unliquidated) to arise under the agreement, or to arise earlier than it would otherwise have arisen,
   (d) for a security to become enforceable, or
   (e) for rights or obligations of a person under the agreement to be different or to be modified,

   if a person (whether or not a party to the agreement) ceases to hold a licence under section 7 of the 1984 Act, or ceases to do so in a manner or in circumstances described in the agreement.

(2) Where a person ceases to hold a licence in consequence of the provisions of this Act removing the requirement to hold a licence under section 7 of the 1984 Act—
   (a) the term or condition is not to apply; and
   (b) the rights and obligations of the parties to the agreement are to be the same (subject to the following sub-paragraphs) as they would have been had the person in question continued to hold such a licence.

(3) In relation to times after the abolition of licensing, that term or condition is to have effect as if the reference in that term or condition—
   (a) to a person’s ceasing to hold a licence under section 7 of the 1984 Act, or
   (b) to his ceasing to do so in a particular manner or particular circumstances,

   were a reference to his becoming subject to a direction under this Act by virtue of which he is prohibited from providing the whole or a part of an electronic communications network or electronic communications service.

(4) In sub-paragraph (3) the reference to a person’s becoming subject to a direction by virtue of which he is prohibited from providing the whole or a part of an electronic communications network or electronic communications service—
   (a) does not include a reference to his becoming subject to a direction imposing a prohibition for a fixed period of less than eighteen months or to a direction that will have to be revoked if not confirmed; but
   (b) except in the case of a direction imposing a prohibition for such a fixed period, does include a reference to the confirmation of a direction that would otherwise have had to be revoked.

(5) This paragraph does not apply in the case of a term or condition of an agreement if, on an application to the court by one or both of the parties to the agreement, the court directs—
   (a) that this paragraph is not to apply; or
   (b) that it is to apply with such modifications, or subject to the payment of such compensation, as the court may specify in the direction.

(6) In determining whether to give a direction under sub-paragraph (5) or what modifications or compensation to specify in such a direction the court must have regard to the following—
(a) whether either or both of the parties to the agreement contemplated the abolition of the licensing requirements of the 1984 Act when they entered into the agreement; and

(b) the extent (if any) to which the provisions of this paragraph represent what it would have been reasonable for the parties to have agreed had they both known at that time what provision was to be made by this Act and when it was to come into force.

(7) For the purposes of this paragraph—

(a) references to ceasing to hold a licence include references to its expiring or being revoked; and

(b) references to a licence under section 7 of the 1984 Act include references to a licence under that section of a particular description.

(8) In this paragraph “the court” means the High Court or the Court of Session.

(9) This paragraph “the court” means the High Court or the Court of Session.

**Saving for agreements with special provision for 1984 Act licence holders**

4 (1) This paragraph applies in a case to which paragraph 3 does not apply and in which a term or condition of an agreement in force immediately before the abolition of licensing provides for rights or obligations of a person (“the contracting party”) under the agreement to be different or to be modified according to whether or not he or another person (whether or not a party to the agreement)—

(a) is or has become the holder of a licence under section 7 of the 1984 Act; or

(b) is or has become the holder of such a licence in a manner or in circumstances described in the agreement.

(2) In relation to times after the abolition of licensing, that term or condition is to have effect as if the rights and obligations to which the contracting party is entitled or subject under the agreement were, except in a case falling within sub-paragraph (3), those for which the agreement provides in relation to a case in which the person in question—

(a) is or has become the holder of such a licence; or

(b) is or has become the holder of such a licence in that manner or in those circumstances.

(3) The excepted case is where that person is subject to a direction under this Act by virtue of which he is prohibited from providing the whole or a part of an electronic communications network or electronic communications service.

(4) In sub-paragraph (3) the reference to a person’s being subject to a direction by virtue of which he is prohibited from providing the whole or a part of an electronic communications network or electronic communications service—
(a) does not include a reference to his being subject to a direction imposing a prohibition for a fixed period of less than eighteen months or to a direction that will have to be revoked if not confirmed; but

(b) except in the case of a direction imposing a prohibition for such a fixed period, does include a reference to his being subject to a direction which would have had to be revoked if not confirmed but which has been confirmed.

(5) This paragraph does not apply in the case of a term or condition of an agreement if, on an application to the court by one or both of the parties to the agreement, the court directs—

(a) that this paragraph is not to apply; or

(b) that it is to apply with such modifications, or subject to the payment of such compensation, as the court may specify in the direction.

(6) In determining whether to give a direction under sub-paragraph (5) or what modifications or compensation to specify in such a direction the court must have regard to the following—

(a) whether either or both of the parties to the agreement contemplated the abolition of the licensing requirements of the 1984 Act when they entered into the agreement; and

(b) the extent (if any) to which the provisions of this paragraph represent what it would have been reasonable for the parties to have agreed had they both known at that time what provision was to be made by this Act and when it was to come into force.

(7) For the purposes of this paragraph references to a licence under section 7 of the 1984 Act include references to a licence under that section of a particular description.

(8) In this paragraph “the court” means the High Court or the Court of Session.

**General saving for agreements conditional on certain Broadcasting Act licences**

(1) This paragraph has effect where an agreement in force immediately before the coming into force of a provision of this Act removing a requirement for a relevant Broadcasting Act licence provides—

(a) for the agreement to cease to have effect, or

(b) for it to be capable of being terminated,

if a party to the agreement ceases to hold a relevant Broadcasting Act licence of a particular description, or so ceases in a manner described in the agreement.

(2) In this paragraph “relevant Broadcasting Act licence” means—

(a) a licence under Part 1 of the 1990 Act to provide a satellite television service or a licensable programme service;
(b) a licence under that Part to provide the service mentioned in section 49(2) of that Act;
(c) a licence under Part 2 of that Act to provide a local delivery service; or
(d) a licence under Part 3 of that Act to provide a formerly regulated radio service (within the meaning of section 251 of this Act).

(3) The agreement is not to cease to have effect, or to be capable of being terminated, by reason only of the coming into force of the provisions of this Act under which the requirement for the licence is removed.

(4) In relation to times after the commencement of the provision of this Act removing the requirement for a licence to provide a satellite television service or a licensable programme service, a reference to such a licence in the provision of the agreement in question is to have effect as a reference to a licence granted or having effect as if granted as a licence to provide a television licensable content service.

(5) In relation to times after the commencement of the provision of this Act removing the requirement for a licence to provide the service mentioned in section 49(2) of the 1990 Act, a reference to such a licence in the provision of the agreement in question is to have effect as a reference to a licence to provide the public teletext service.

(6) In relation to times after the commencement of the provision of this Act removing the requirement for a licence to provide a licensable sound programme service, a reference to such a licence in the provision of the agreement in question is to have effect as a reference to a licence to provide a radio licensable content service.

(7) References in this paragraph to a provision having effect if a person ceases to hold a licence include references—
(a) to a provision having effect if a licence of his expires without being renewed; and
(b) to a provision having effect if his licence is revoked.

(8) Expressions used in this paragraph and in Part 3 of this Act have the same meanings in this paragraph as in that Part.
Pre-commencement proposals relating to universal service matters

7  (1) Where a proposal for the designation of a person as a universal service provider has been confirmed under regulation 4(10) of the Electronic Communications (Universal Service) Regulations 2003 (S.I. 2003/33), the designation is to have effect after the commencement of section 66 of this Act as a designation in accordance with regulations under that section.

    (2) Where in any person’s case a proposal to set a condition has been confirmed under regulation 4(10) or 5(4) of those regulations, that condition is to have effect after the commencement of that section as a condition set by OFCOM under section 45 of this Act and applied to that person.

    (3) Where an appeal under regulation 6 of those regulations against a decision under them has been brought but not concluded before the commencement of section 192 of this Act—

        (a) that appeal is to be stayed or sisted as from the commencement of the section; but

        (b) the appellant is to have a new right of appeal under the section against the decision (as it has effect by virtue of this paragraph) as if—

            (i) it were the corresponding decision made by OFCOM under Chapter 1 of Part 2 of this Act; and

            (ii) it had been made immediately after the commencement of the section.

    (4) Tribunal rules (within the meaning of Chapter 3 of Part 2 of this Act) may, in relation to an appeal stayed or sisted under sub-paragraph (3), make transitional provision for requiring steps taken and things done for the purposes of that appeal to be taken into account, to the extent set out in the rules, in the case of an appeal brought by virtue of paragraph (b) of that sub-paragraph.

Local loop notifications

8  (1) This paragraph applies where, as a result of a market power determination made by OFCOM for the purposes of a provision of Chapter 1 of Part 2 of this Act, they conclude that a person who is for the time being LLU notified is no longer a person falling to be so notified.

    (2) OFCOM must give a notification of their conclusion to—

        (a) the Secretary of State; and

        (b) the notified person.

    (3) On receiving a notification under sub-paragraph (2) the Secretary of State must withdraw the LLU notification of the person in question.
(4) For the purposes of this paragraph a person is LLU notified if he is a person who, for the purposes of Regulation (EC) No. 2887/2000 of the European Parliament and of the Council on unbundled access to the local loop, is notified to the European Commission as having significant market power in an identified market, and “LLU notification” shall be construed accordingly.

Conditions relating to premium rate services and conditions corresponding to SMP or access-related conditions

9

(1) This paragraph applies where OFCOM give a continuation notice to the holder of a licence granted under section 7 of the 1984 Act.

(2) A continuation notice is a notice that a provision contained in a condition of the licence is to have effect, after the abolition of licensing—

(a) to the extent specified in the notice; and

(b) subject to such modifications (if any) as may be so specified.

(3) OFCOM are not to give a continuation notice except to the extent that they consider that provision to which it will give effect, as modified by the notice, (“the continued provision”)—

(a) regulates the provision of premium rate services; or

(b) falls within sub-paragraph (4).

(4) The continued provision falls within this sub-paragraph in so far as it corresponds to provision of one or more of the following descriptions—

(a) provision that OFCOM have power to include in SMP conditions;

(b) provision authorised by section 73(2) or (4) for inclusion in access-related conditions;

(c) provision relating to matters mentioned in Article 16 of the Universal Service Directive or Article 7 of the Access Directive.

(5) A continuation notice relating to provision corresponding to anything that OFCOM have power to include in SMP conditions—

(a) may identify the market by reference to which an SMP condition replacing the provision would have to be set; and

(b) in so far as the provision corresponds to anything that OFCOM have power to include only in SMP apparatus conditions, must do so.

(6) OFCOM are not to give a continuation notice relating to provision corresponding to anything that OFCOM have power to include only in SMP apparatus conditions except to the extent that it has effect in relation to the supply of electronic communications apparatus of a description supplied in the market identified in the...
notice as the market by reference to which SMP conditions replacing the continued
provision would have to be set.

(7) The modifications for which a continuation notice may provide—
(a) must be confined to modifications for the purpose of securing that the
provision to which they relate continues to have effect for so long as the
notice is in force; but
(b) in the case of provision which is expressed to impose a requirement to be met
before the abolition of licensing, may include a modification under which
that requirement must continue to be met for so long as the notice remains
in force.

(8) Notwithstanding any repeal or revocation made by this Act—
(a) the continued provision,
(b) every provision made by a direction, determination or consent given or made
for the purposes of the continued provision, and
(c) so far as necessary for giving effect to anything mentioned in paragraph (a)
or (b), every provision made by or under the licence under the 1984 Act that
is not so mentioned,
are to remain in force for so long as the continuation notice is in force.

(9) A continuation notice shall cease to have effect if OFCOM give a notice to that effect
to the holder of the licence.

(10) Where the continued provision is one that OFCOM have power to include only in
an SMP apparatus condition, it shall be their duty, as soon as reasonably practicable
after giving the continuation notice—
(a) to carry out an analysis of the market which, under sub-paragraph (5), is
identified in that notice;
(b) to take all other steps necessary for enabling them to decide whether or not to
set an SMP apparatus condition by reference to that market for the purpose
of replacing the continued provision; and
(c) to decide whether or not to exercise their power to set such a condition for
that purpose.

(11) In the case of every other continued provision falling within sub-paragraph (4),
it shall be OFCOM’s duty, as soon as reasonably practicable after giving the
continuation notice—
(a) to take all steps necessary for enabling them to decide whether or not to set
a condition of any other description under Chapter 1 of Part 2 of this Act for
the purpose of replacing the continued provision; and
(b) to decide whether or not to exercise their power to set a condition under that
Chapter for that purpose.

(12) It shall be the duty of OFCOM—
(a) as soon as reasonably practicable after making a decision required by sub-
paragraph (10) or (11), but
(b) in a case where that decision is a decision to set a condition, not before the
coming into force of that condition,
to give a notice under sub-paragraph (9) with respect to the continuation notice.
(13) The duties imposed by sub-paragraphs (10) to (12) apply only where OFCOM have not previously given a notice under sub-paragraph (9) with respect to the continuation notice in question.

(14) This paragraph has effect in the case of a licence granted under section 7 of the 1984 Act to persons of a particular class as if—
(a) references to the holder of that licence were references to the members of that class; and
(b) the manner in which a continuation notice or notice under sub-paragraph (9) is to be given to members of that class were by its publication in such manner as, in OFCOM’s opinion, is appropriate for bringing it to the attention of the members of that class who are affected by the notice.

[F701](14A) Sections 185 to 191 apply to a dispute relating to a provision of a kind mentioned in paragraph (4), other than a dispute relating to provision that OFCOM have power to include in SMP apparatus conditions, as they apply to disputes of a kind mentioned in subsections (1A) and (2) of section 185.]

(15) Section 192 applies to a decision by OFCOM to give a notice under this paragraph as it applies to a decision by them under Part 2 of this Act.

(16) In this paragraph “Access Directive”, “electronic communications apparatus”, “the provision of premium rate services”, “SMP condition”, “SMP apparatus condition” and “Universal Service Directive” each has the same meaning as in Chapter 1 of Part 2 of this Act.

(c) the setting of conditions by reference to a proposal for a market power determination,

(a) are satisfied that a procedure has been followed in relation to the proposal that satisfies the requirements of Article 7 of the Framework Directive, and
(b) publish a notification to that effect in such manner as they consider appropriate for bringing it to the attention of the persons who, in their opinion, are likely to be affected by the proposal,

(3) The proposal is to have effect as follows—

(a) in the case of a proposal for identifying a market, as an identification of a services market in accordance with and for the purposes of section 79 of this Act;

(4) Where an appeal under regulation 11 of those regulations against a decision under them has been brought but not concluded before the commencement of section 192 of this Act—

(a) that appeal is to be stayed or sisted as from the commencement of the section; but

(b) the appellant is to have a new right of appeal under the section against the decision (as it has effect by virtue of this paragraph) as if—

(4) Notwithstanding any repeal or revocation made by this Act—
   (a) the licence under the 1984 Act is to continue in force to the extent that it imposes requirements as respects which a notice has been given under this paragraph; but
   (b) those requirements, so far as they require the provision of accounts or information to the Director, are to have effect in relation to times after the abolition of licensing, as requirements to provide the accounts or information to OFCOM.

(5) Section 192 applies to a decision by OFCOM to give a notice under this paragraph as it applies to a decision by them under Part 2 of this Act.

(b) conditions in respect of which notices under paragraph 11 have been given;
(c) liabilities under paragraph 12; and

### Electronic communications code

17

1. Sub-paragraph (2) applies where, immediately before the coming into force of section 106 of this Act, the telecommunications code set out in Schedule 2 to the
1984 Act applies to a person by virtue of the provisions of his licence under section 7 of that Act.

(2) That person shall be treated after the commencement of section 106 of this Act as a person in whose case the electronic communications code applies by virtue of a direction given by OFCOM.

(3) The deemed direction shall be assumed to be one given in relation to so much of any electronic communications network as—
   (a) was included immediately before the commencement of section 106 of this Act in the telecommunication system which was the operator’s system for the purposes of the application of the code; or
   (b) which would have been so included if it had been being provided at that time.

(4) So much of the code in Schedule 2 to the 1984 Act as has effect immediately before the commencement of Schedule 3 to this Act—
   (a) in relation to telecommunication apparatus, or
   (b) in relation a telecommunication system,
    is to have effect after the commencement of that Schedule in relation to so much of the apparatus or system as is electronic communications apparatus or the operator’s network for the purposes of the application of that Schedule to this Act by virtue of this paragraph or section 106(3)(b) of this Act.

(5) A right which for the purposes of the code in Schedule 2 to the 1984 Act has effect immediately before the commencement of Schedule 3 to this Act as conferred for purposes connected with the provision of a telecommunication service is to have effect after the commencement of that Schedule as conferred for the purposes of the corresponding electronic communications service.

(6) Any agreement which, immediately before the repeal of the provisions contained in section 10(3A) and (3B) of the 1984 Act or section 189 of the 1990 Act, is a relevant agreement for the purposes of those provisions shall be deemed in relation to times after the coming into force of that repeal to be a relevant agreement for the purposes of paragraph 29 of the electronic communications code.

(7) In this paragraph “the electronic communications code” has the same meaning as in Chapter 1 of Part 2 of this Act.

**Saving for guarantees of liabilities of telecommunications code operators**

18  (1) This paragraph applies where, immediately before the abolition of licensing, a person holding a licence under section 7 of the 1984 Act (“the operator”)—
   (a) is a person to whom the telecommunications code applies in respect of the running of a telecommunications system by him (“the operator’s system”); and
(b) in pursuance of a condition of his licence imposed for the purpose of securing that sufficient funds are available to meet code-related liabilities specified in the licence, is a party to any guarantee arrangements.

(2) Arrangements are guarantee arrangements for the purposes of this paragraph if they are arrangements under which a person (the “guarantor”) is obliged, in circumstances specified in the arrangements, to make payments in respect of a failure by the operator to meet a code-related liability specified in the licence.

(3) The guarantor’s obligation to make payments under the guarantee arrangements is not to arise by reason only of the abolition of licensing.

(4) In relation to times after the abolition of licensing, the guarantee arrangements are to have effect, notwithstanding the operator’s licence having ceased to have effect on the abolition of licensing and subject to sub-paragraph (7), as if the following references continued to have effect—

(a) references in those arrangements to the code-related liabilities specified in the licence; and

(b) (subject to sub-paragraph (5)(a)) references, for the purposes of any provision identifying the circumstances in which payments are to be made under the arrangements, to events specified in the licence.

(5) In relation to such times, those arrangements are also to have effect—

(a) as if references (directly or indirectly) to the revocation, or to the expiration without renewal, of the operator’s licence were references to his becoming subject to a direction by virtue of which he is prohibited from providing the whole or a part of his network; and

(b) as if references to the telecommunications code were references to the electronic communications code.

(6) In sub-paragraph (5) the reference to a person’s becoming subject to a direction by virtue of which he is prohibited from providing the whole or a part of an electronic communications network—

(a) does not include a reference to his becoming subject to a direction imposing a prohibition for a fixed period of less than eighteen months or to a direction that will have to be revoked if not confirmed; but

(b) except in the case of a direction imposing a prohibition for such a fixed period, does include a reference to the confirmation of a direction that would otherwise have had to be revoked.

(7) The guarantor is not to be liable in respect of any liability arising in connection with or as a result of activities carried on after the abolition of licensing except in so far as those activities are activities carried on for the purposes of providing the operator’s network.

(8) In this paragraph “code-related liabilities”, in relation to the operator, means liabilities arising or incurred by him—

(a) by reason of the application to him of the telecommunications code; 

(b) by reason of its ceasing to apply to him; or

(c) otherwise in respect of activities carried on by him in connection with running the operator’s system.

(9) In this paragraph—
“the electronic communications code” has the same meaning as in Chapter 1 of Part 2 of this Act;
“the operator’s network” means so much of any electronic communications network provided by the operator as is a network in relation to which the electronic communications code applies in the operator’s case by virtue of paragraph 17(3)(a) of this Schedule;
“the telecommunications code” means the code set out in Schedule 2 to the 1984 Act (as it had effect immediately before the abolition of licensing).

Compulsory purchase

Where—
(a) a compulsory purchase order made under section 34 or 35 of the 1984 Act, 
(b) a vesting order, or an application for a vesting order, made under section 36 of that Act, or
(c) an authorisation given by the Secretary of State under section 37, 38 or 39 of that Act,
is effective immediately before the commencement of Schedule 4 to this Act, it is to have effect after the commencement of that Schedule as if made or given under that Schedule.

Disputes about interconnection

22 (1) Where—

(a) before the revocation by this Act of the Telecommunications (Interconnection) Regulations 1997 (S.I. 1997/2931) a dispute was referred to the Director under regulation 6 of those regulations, and

(b) that dispute has not been resolved when the revocation comes into force,

Chapter 3 of Part 2 of this Act (except sections 189 and 190) is to have effect as if that dispute were a dispute which, immediately after the commencement of section 185 of this Act, was referred to OFCOM under that section.

(2) Where a dispute—

(a) has arisen or arises about anything occurring or existing before the time when the revocation of those regulations comes into force (“the relevant time”),

(b) relates to matters disputes about which would (before that time) have been referable to the Director under regulation 6,

(c) is neither a dispute which was referred to him before that time nor a dispute arising after that time which is referable to OFCOM under section 185, and

(d) is referred to OFCOM after that time either during the transitional period or in a case in which OFCOM are satisfied that the circumstances that prevented the making of a reference before the end of that period are exceptional,

sub-paragraph (1) is to have effect as if the dispute were a dispute arising before the relevant time in the case of which a reference to the Director had been made under regulation 6 before that time.

(3) Where OFCOM make a determination for resolving a dispute falling to be resolved in accordance with sub-paragraph (1) or (2)—

(a) their powers on making that determination are to be those which would have been exercisable by the Director under those regulations (instead of those under Chapter 3 of Part 2);

(b) conditions of a licence under section 7 of the 1984 Act requiring compliance with directions given by the Director under regulation 6 of those regulations are to continue to have effect as if they also applied to directions given by OFCOM by virtue of paragraph (a); and

(c) paragraph 13 of this Schedule has effect as if the reference in sub-paragraph (1)(d) to directions given by the Director under that regulation
(4) But OFCOM are not to give a direction by virtue of sub-paragraph (3)(a) containing provision which they would have no power to include in—
(a) a condition set under Chapter 1 of Part 2 of this Act; or
(b) a direction under section 190.

(5) Where the Director gave a direction under regulation 6 of those regulations at any time before the coming into force of their revocation, the direction is to continue, after the revocation comes into force, to have effect (and be enforceable in accordance with paragraph 13 of this Schedule) to the extent that it is continued in force under this paragraph.

(6) The direction is continued in force under this paragraph only where OFCOM have at any time after the passing of this Act given notice to the persons to whom it applies that it is continued in force.

(7) OFCOM are to give such a notice only if they consider that the direction makes provision corresponding to that which they have power to include in—
(a) conditions set under Chapter 1 of Part 2 of this Act; or
(b) directions under section 190.

(8) OFCOM may at any time by notice to the person to whom it applies revoke (in whole or in part) a direction which—
(a) was given by virtue of sub-paragraph (3)(a); or
(b) is a direction to which a notice under sub-paragraph (6) relates.

(9) Where a direction which OFCOM have power to revoke under sub-paragraph (8) makes provision corresponding to anything that OFCOM have power to include in a condition set under Chapter 1 of Part 2 of this Act, it shall be their duty, as soon as reasonably practicable after giving the direction or as the case may be the notice under sub-paragraph (6)—
(a) to take all steps necessary for enabling them to decide whether or not to set such a condition for the purpose of replacing the direction; and
(b) to decide whether or not to exercise their power to set a condition under that Chapter for that purpose.

(10) It shall be the duty of OFCOM—
(a) as soon as reasonably practicable after making a decision required by sub-paragraph (9), but
(b) in a case where that decision is a decision to set a condition, not before the coming into force of that condition,
to give a notice under sub-paragraph (8) revoking the direction in question.

(11) The duties imposed by sub-paragraphs (9) and (10) apply only where OFCOM have not previously revoked the direction in question.

(12) Section 192 applies to a decision by OFCOM to give a notice under this paragraph as it applies to a decision by them under Part 2 of this Act.

(13) In this paragraph “transitional period” means the period which is the transitional period (within the meaning of section 408) in relation to this paragraph.
Appeals against wireless telegraphy and telecommunications decisions

23 (1) This paragraph applies where—

(a) a decision was made before the commencement of section 192;

(b) the decision has effect after the commencement of a provision of this Act as a decision made by OFCOM, or is a decision not to do something which (if done) would so have had effect; and

(c) the decision is one against which an appeal was or could have been brought under—

(i) 

(ii) section 46B of the 1984 Act.

(2) If no such appeal has been brought before the commencement of section 192 of this Act, that section applies to the decision as it applies to decisions by OFCOM under Part 2 of this Act ..., but as if that section had been in force when the decision was made.

(3) If an appeal under ... section 46B of the 1984 Act—

(a) has been brought against the decision, but

(b) has not been concluded before the commencement of section 192 of this Act, the court in which it was brought may stay or sist the appeal as from the commencement of that section of this Act.

(4) If the court stays or sists the appeal under sub-paragraph (3), the appellant is to have a new right of appeal under section 192 against the decision as if (subject to sub-paragraph (7)) it were a decision to which that section applies that had been made immediately after the commencement of that section.

(5) Tribunal rules (within the meaning of Chapter 3 of Part 2 of this Act) may, in relation to an appeal stayed or sisted under sub-paragraph (3), make transitional provision—

(a) for requiring steps taken and things done for the purposes of that appeal to be taken into account, to the extent set out in the rules, in the case of an appeal brought by virtue of sub-paragraph (4); and

(b) for enabling the Tribunal in an appeal under sub-paragraph (4) to give directions to OFCOM as to the carrying out of functions of theirs that are the same as or correspond to those in the course of carrying out which the maker of the appealed decision made that decision.

(6) If, in a case falling within sub-paragraph (3), the court does not stay or sist the appeal—

(a) it must determine the appeal in the manner in which the Tribunal is required under section 195 of this Act to determine an appeal under section 192; but
(b) its powers on determining the appeal include a power to give directions to OFCOM as to the carrying out of any functions of theirs that correspond to those in the course of which the appealed decision was made.

(7) On an appeal brought or continued under this paragraph against a decision, the court or the Tribunal, in determining what was the appropriate action for the maker of the decision to take, must determine that question according to the law in force at the time when the decision was made.
