 - (i) transferring water to another source of supply; or
 - (ii) transferring water to the same source of supply, but at another point, in the course of dewatering activities in connection with mining, quarrying, engineering, building or other operations (whether underground or on the surface),in either case without intervening use (a “transfer licence”);
 - (c) a licence to abstract water from one source of supply over a period of less than twenty-eight days (a “temporary licence”).
- (2) In this Act, a reference (however expressed) to a licence to abstract water is to be taken as a reference to all types of licence, unless it is clear that a different meaning is intended.”

Status: This is the original version (as it was originally enacted).

(2) In section 72 of the WRA (interpretation of Chapter 2), in subsection (1), in the appropriate places there is inserted—

““full licence” has the meaning given in section 24A above;”,

““temporary licence” and “transfer licence” have the meanings given in section 24A above.”

(a) begin, or cause or permit any other person to begin, to construct or alter any impounding works at any point in any inland waters which are not discrete waters; or

(b) cause or permit the flow of any inland waters which are not discrete waters to be obstructed or impeded at any point by means of impounding works,

unless (in either case) the conditions mentioned in subsection (1A) below are satisfied.

(1A) The conditions are—

(a) a licence under this Chapter granted by the Agency to obstruct or impede the flow of those inland waters at that point by means of impounding works is in force;

(b) the impounding works will not (or, as the case may be, do not) obstruct or impede the flow of the inland waters except to the extent, and in the manner, authorised by the licence; and

(c) any other conditions or requirements imposed by the provisions, as for the time being in force, of the licence (whether as to the provision of compensation water or otherwise) are complied with.”

(3) In subsection (2), the words “, in circumstances not constituting such a contravention,” are omitted.

(4) In subsection (5), for “shall not apply to the construction or alteration of any impounding works” there is substituted “shall not apply in respect of any impounding works”.

(5) After subsection (8) there is added—

“(9) In relation to impounding works, references to alteration include the removal or partial removal of those works, and cognate expressions shall be construed accordingly.”

(6) A licence which—

(a) has been granted in respect of particular impounding works, for the purposes of section 25 of the WRA, before the coming into force of subsection (2), and

(b) is in force,

is to be taken to satisfy the condition referred to in section 25(1A)(a) of that Act, as inserted by subsection (2), in respect of those impounding works.

- (7) In section 64 of the WRA (abstraction and impounding by the Agency), for subsection (1)(b) there is substituted—
- “(b) in relation to—
- (i) the construction or alteration by the Agency of impounding works; and
- (ii) the obstruction or impeding by the Agency of the flow of inland waters by means of impounding works.”

- (9) In section 72 of the WRA (interpretation of Chapter 2), in subsection (1), in the definition of “the restriction on impounding works”, for “25(1)” there is substituted “25(1)(a) and (b)”.
- (10) Subject to section 3 of this Act, the amendments of the WRA made by this section apply (as regards any act or omission after this section comes into force) with respect to impounding works whenever constructed.

3 Existing impounding works

- (1) Except as provided in subsection (3), the restriction in section 25(1)(b) of the WRA (as substituted by section 2 of this Act) does not apply in respect of any existing unlicensed impounding works.
- (2) With respect to any existing unlicensed impounding works to which, but for subsection (1), that restriction would apply, the Environment Agency may serve a notice on any relevant person requiring him to apply for a licence.
- (3) If that person fails to apply for such a licence within—
- (a) the period of 28 days beginning with—
- (i) the date of service of the notice, or

- (9) If a licence granted in respect of existing unlicensed impounding works is revoked or varied in the circumstances mentioned in section 61 of the WRA (compensation where licence modified on direction of the Secretary of State), subsection (3) of that section shall apply as if that licence had been granted when construction of the impounding works began and had remained in force since then.
- (10) Subsection (9) does not apply to a licence granted in respect of existing unlicensed impounding works if, before the effective date, there had occurred any contravention of section 25(1) of the WRA in respect of those impounding works.
- (11) Nothing in the preceding subsections affects the application of section 25(1)(a) of the WRA (as substituted by section 2 of this Act) to the alteration, after the effective date, of any existing unlicensed impounding works.

- “(ix) section 3 of the Water Act 2003,”.

4 Existing impounding works: works notices

- (1) Without prejudice to the Environment Agency’s power under subsection (2) of section 3, where it appears to the Agency to be necessary for—
- (a) the protection of the environment, or
 - (b) the performance of its functions in connection with the management of water resources,

- (7) If the Agency is of the opinion that proceedings for an offence under subsection (4) would afford an ineffectual remedy against a person who has failed to comply with the requirements of a works notice, the Agency may take proceedings in the High Court for the purpose of securing compliance with the notice.
- (8) In this section, “the appropriate authority”, “existing unlicensed impounding works” and “relevant person” have the meanings given in section 3.

- (1) Subject to subsection (2) below, the restriction on abstraction shall not apply to any transfer, without intervening use, of water from inland waters described in the first column of the Table below to inland waters described in the corresponding entry in the second column, if the transfer is in the course of, or results from, any operations carried out by a navigation authority, harbour authority or conservancy authority in the carrying out of their functions as such an authority.

| <i>Transfer from</i> | <i>Transfer to</i> |
|--|---|
| A water system of the authority's. | The same water system. |

subsection (1) or (1A) above) is an emergency abstraction and the person abstracting the water complies with subsection (2B) below.

(2A) An abstraction of water is an emergency abstraction if, in the opinion of the abstractor, an emergency has arisen which makes the abstraction necessary to prevent immediate danger of interference with any mining, quarrying, engineering, building or other operations (whether underground or on the surface) or, in relation to such operations, to prevent an immediate risk—

- (a) to a human being of death, personal injury or harm to health;
- (b) of serious damage to works resulting from any such operations; or

 - (b) a prescribed source of supply (in the case of an exemption from the restriction on abstraction or the other restrictions imposed by section 24 above); or
 - (c) prescribed inland waters (in the case of an exemption from the restriction on impounding works).
- (4) Subject to subsection (5) below, if regulations under this section provide for an exemption falling within subsection (1)(a) above, the regulations shall—
- (a) if appropriate, make provision for the exemption not to permit a person who is authorised by a licence under this Chapter to carry on an abstraction operation (or series of operations) to carry it on beyond the authorisation conferred by the licence; and
 - (b) make provision as to whether or not, in relation to any abstraction, the exemption provided for by the regulations is to be counted cumulatively with any other exemption which a person has by virtue of this section or section 27 above.
- (5) The regulations may make provision for a licence granted under this Chapter and which is for the time being in force to cease to have effect, or to cease to have effect to the extent specified in the regulations, if it authorises an activity which falls to any extent within the exemption provided for by the regulations.”

- (9) The power of the Assembly to make an order by virtue of subsection (3)(b) or (c)(ii) of this section is to be treated as if it were a relevant transferred environmental function for the purposes of paragraph 6 of Schedule 3 to the Government of Wales Act 1998 (c. 38) (intervention in case of functions relating to water).
- (10) No order may be made under this section before the coming into force of section 6 of this Act.

- (8) In this section—

“point of abstraction” means a place where the licence authorises water to be abstracted from inland waters or (as the case may be) a place consisting of or comprising underground strata from which the licence authorises water to be abstracted; and

“right of access” means, in relation to a point of abstraction, a right of access to land of the kind referred to in subsection (2)(a) or, as the case may be, (3)(a) of section 35 above; and references to a person who will have such a right of access shall be construed in accordance with that section (including subsections (4) to (6)).

59B Vesting of licence on death or bankruptcy of holder

- (1) On the death of the holder of a licence under this Chapter, the licence shall be regarded as property forming part of the deceased’s personal estate, whether or not it would be so regarded apart from this subsection, and shall accordingly vest in his personal representatives.
- (2) If a bankruptcy order is made against the holder of a licence under this Chapter, the licence shall be regarded for the purposes of any of the Second Group of Parts of the Insolvency Act 1986 (insolvency of individuals; bankruptcy) as property forming part of the bankrupt’s estate, whether or not it would be so regarded apart from this subsection, and shall accordingly vest as such in the trustee in bankruptcy.
- (3) A person in whom a licence vests under this section shall become the holder of the licence, in place of the prior holder, from the date of the vesting.
- (4) Where a licence other than a temporary licence vests in any person under this section, that person shall give notice of that fact to the Agency not later than the end of the period of fifteen months beginning with the date of the vesting.

 - (b) that person fails to give the notice required by subsection (4) above within the period mentioned there,
- the licence shall cease to have effect.

59C Apportionment of licence to abstract

- (1) The holder of a full licence or of a transfer licence (the “old licence”) may apply to the Agency for the division of the holder’s right to abstract water in accordance with the old licence and for the transfer—

Status: This is the original version (as it was originally enacted).

- (a) to another person of part, or to a number of other persons of parts not amounting to the whole; or
 - (b) to a number of other persons of parts amounting in all to the whole, of that right.
- (2) The holder of the old licence and any person proposing to carry on a part of the abstraction authorised by the old licence in place of the holder (a “successor”) shall give notice to the Agency of their agreement to the division and transfer (an “apportionment notice”).
- (3) The apportionment notice shall, in relation to the abstraction authorised by the old licence—
 - (a) specify, for each proposed successor, what quantity of water he proposes to abstract, and (if the holder of the old licence is to continue the abstraction in part) what quantity of water he proposes to abstract;
 - (b) specify the purpose or purposes for which those persons referred to in paragraph (a) above who would require a new licence granted under subsection (5) below would abstract water (being one or more of the purposes for which abstraction is authorised under the old licence);
 - (c) specify the point (or points) of abstraction from which it is proposed that the persons referred to in paragraph (a) above would abstract water (being one or more of the points from which abstraction is authorised under the old licence);
 - (d) include a declaration by each of those persons who requires a licence under this Chapter in order to carry on the abstraction that—
 - (i) he has, or at the time when the proposed grant to him of a new licence under subsection (5) below is to take effect will have, a right of access in relation to each such point of abstraction; and
 - (ii) he will continue to have such a right for the period of at least one year beginning with the date on which the new licence is to take effect, or until it is to expire (if sooner); and
 - (e) include such other information as the Agency reasonably requires, and may specify the date on which the holder and the successor (or successors) wish the division and transfer (or transfers) to take effect.
- (4) The apportionment notice shall be accompanied by an application on the part of the holder of the old licence for its revocation.
- (5) Subject to subsection (9) below, if the Agency receives an apportionment notice and the application for revocation referred to in subsection (4) above, the Agency shall—
 - (a) revoke the old licence;
 - (b) if the holder is to continue the abstraction in part and a licence is required under this Chapter for that purpose, grant to the holder of the old licence a licence relating to that part of the abstraction; and
 - (c) grant to each successor who requires a licence under this Chapter in order to carry on his part of the abstraction a licence relating to that part of the abstraction.
- (6) Sections 34 to 45 above shall not apply to the grant of a new licence under subsection (5) above.

- (7) Subject to section 46 above and to any provision of regulations made under section 59D(1) below, each new licence to be granted under subsection (5) above shall be granted subject to provisions which correspond as nearly as practicable to those of the old licence in relation to the part of the abstraction to be authorised by the new licence.
- (8) The revocation of the old licence and the grant of the new licences shall take effect—
- (a) from the date on which the Agency revokes the old licence and grants the new ones; or
 - (b) from the date specified in the apportionment notice, if later.
- (9) The Agency shall not grant a new licence to the holder of the old licence or to a successor if, by virtue of an exemption, the restriction on abstraction would not apply to that part of the abstraction proposed in relation to him in the apportionment notice.
- (10) For the purposes of this Chapter, a person (whether the holder of the old licence or a successor) who proposes to carry on a part of the abstraction in the circumstances mentioned in subsection (9) above shall, if the old licence was a full licence, be taken to have the right to do so in relation to that part, subject to subsection (11) below.
- (11) For the purposes of this Chapter, a person shall cease to be taken to have a right, by virtue of subsection (10) above, to carry on an abstraction if—
- (a) during a period mentioned in subsection (12) below that person does not carry out any such abstraction; or
 - (b) following an order under section 27A(1) above or regulations under section 33A above, that person is granted a full licence in respect of abstraction from the same point.
- (12) The period referred to in subsection (11)(a) above is—
- (a) four years; or
 - (b) if the abstractions authorised under the old licence were abstractions planned to be carried out at intervals of more than four years, or abstractions for emergency purposes only, such longer period as the Agency may determine on the application of the person in question.
- (13) For the purposes of section 39A above, a new licence granted under subsection (5) above shall be treated—
- (a) as if it had been granted at the time the old licence was granted; and
 - (b) as if it and any other new licence granted by virtue of the relevant apportionment notice had been granted in place of the old licence.
- (14) In this section—
- “exemption” means the disapplication of the restriction on abstraction under or by virtue of section 27 or 33A above; and
 - “point of abstraction” and “right of access” have the same meanings as in section 59A above.

59D Apportionment of licence to abstract: supplementary

- (1) The Secretary of State may make regulations about the provisions to be contained in licences granted under section 59C above.
 - (2) Nothing in section 59C above shall affect the liability of the holder of the old licence for any failure by him, before the revocation of that licence took effect, to comply with any condition or requirement of that licence.
 - (3) If the holder of the old licence is a person in whom the old licence has vested under section 59B above, an apportionment notice shall be of no effect unless the notice required by section 59B(4) has been given.
 - (4) In this section, “apportionment notice” and “old licence” have the same meanings as in section 59C above.”
- (2) In section 47 of the WRA (holders of licence)—

 - (b) subsection (3) is omitted.
- (3) In section 189 of the WRA (register of abstraction and impounding licences), in subsection (1)(b), for the words from “section 49” to the end there is substituted “section 59A, 59B or 59C above”.
- (4) Sections 49 and 50 of the WRA (which relate to the succession to licences to abstract water) shall cease to have effect.
- (5) Subsection (4) does not affect the succession to a licence to abstract water where the death or other act or event referred to in section 49(2)(a) or 50(1)(a) or (b) of the WRA occurred before the coming into force of that subsection, and section 49 of the WRA or (as applicable) any regulations under section 50 of the WRA which were in force immediately before the coming into force of subsection (4) are to continue to have effect in relation to such a case despite the repeal of the applicable section.

Claims and compensation

24 Claims arising out of water abstraction

- (1) After section 48 of the WRA there is inserted—

“48A Civil remedies for loss or damage due to water abstraction

- (1) Subject to subsection (7) below and to section 79 (including that section as applied by section 79A(9)) below, a person who abstracts water from any inland waters or underground strata (an “abstractor”) shall not by that abstraction cause loss or damage to another person.

Status: This is the original version (as it was originally enacted).

- (2) A person who suffers such loss or damage (a “relevant person”) may bring a claim against the abstractor.
- (3) Such a claim shall be treated as one in tort for breach of statutory duty.
- (4) In proceedings in respect of a claim under this section, the court may not grant an injunction against the abstractor if that would risk interrupting the supply of water to the public, or would put public health or safety at risk.
- (5) Except as provided in this section, no claim may be made in civil proceedings by a person (whether or not a relevant person) against an abstractor in respect of loss or damage caused by his abstraction of water.
- (6) Nothing in this section prevents or affects a claim for negligence or breach of contract.
- (7) This section does not apply, and no claim may be brought under this section, where the loss or damage is caused by an abstractor acting in pursuance of a licence under this Chapter and is loss or damage—
 - (a) in respect of which a person is entitled to bring a claim under section 60 below (or would be so entitled if there were a breach of the duty referred to in that section);
 - (b) in respect of which a person would have been entitled to bring a claim under section 60 below but for an express provision (including, for example, section 39(1A) above and section 59C(6) below) disapplying that duty; or
 - (c) constituting grounds on which a person is entitled to apply to the Secretary of State under section 55 below (or would be so entitled but for subsection (2) of that section) for the revocation or variation of that licence,

but without prejudice to the application of section 48 above.”

- (2) In section 48 of the WRA (general effect of licence), in subsection (2), after “supply” there is inserted “(other than an abstraction in respect of which a claim could be brought under section 48A below, in which case that section shall apply)”.
- (3) In relation to loss or damage suffered before the coming into force of this section—
 - (a) section 48A of the WRA inserted by subsection (1) of this section does not apply, and
 - (b) section 48 of, and paragraphs 1(2) and 2 of Schedule 7 to, the WRA continue to have effect as if subsection (2) of this section were not in force.

25 Compensation for modification of licence on direction of Secretary of State

- (1) Section 61 of the WRA (compensation where licence modified on direction of the Secretary of State) is amended in accordance with subsections (2) and (3).
- (2) In subsection (4), for “seven” there is substituted “four”.
- (3) After subsection (4) there is inserted—

“(4A) No compensation shall be payable under this section in respect of the variation of a full licence, or of a transfer licence which specifies a minimum value under section 46(2A) above, so as to reduce the quantity of water which the

holder of the licence is authorised by the licence to abstract from the source of supply to which the licence relates if—

- (a) the ground for varying the licence is that the Secretary of State is satisfied that the variation is necessary in order to protect the availability of water in the source of supply to which the licence relates;
- (b) the variation does not reduce the quantity of water which the holder of the licence is authorised by the licence to abstract to less than the minimum value specified in the licence under section 46(2A) above for the purposes of this subsection; and
- (c) the conditions set out in subsection (4B) below are satisfied.

(4B) Those conditions are that—

- (a) the licence was granted after the coming into force of section 19 of the Water Act 2003;
- (b) the variation is made no sooner than the end of the period of six years beginning with the date on which the licence took effect; and
- (c) the variation takes effect no sooner than the end of the period of six years beginning with the date of the variation.”

- (4) The amendment made by subsection (2) has effect in relation to the revocation or variation of a licence only if the period referred to in section 61(4) of the WRA during which no water was abstracted in pursuance of the licence began after the coming into force of that subsection.

26 Recovery of compensation from new licence-holder

After section 61 of the WRA there is inserted—

“61A Recovery of compensation from new licence-holder

- (1) This section applies where compensation has been paid under section 61 above to the holder of a licence (“licence A”) following its revocation, and—
 - (a) the holder of licence A was a water undertaker;
 - (b) at the time of the revocation an application from a qualifying person for a licence to abstract water (“licence B”) was outstanding;
 - (c) if the Agency had granted licence B while licence A still had effect, the Agency would have been in breach of the duty imposed on it by section 39(1) above owed to the holder of licence A;
 - (d) the ground for revoking licence A was that the Agency was of the view that in the interests of greater efficiency in the use of water resources it would be better for licence B to be granted and licence A revoked; and
 - (e) the Agency proposes to grant licence B.
- (2) If this section applies, the Agency may (if licence B is granted) recover from the qualifying person the amount of the compensation referred to in subsection (1) above (or such lesser amount as the Agency determines).
- (3) Subsection (6) of section 41 of the 1995 Act (which confers powers to make schemes imposing charges) shall apply to the amount referred to in subsection (2) above as if it were a charge due and payable to the Agency in respect of the subsistence of licence B.

- (4) In this section, “qualifying person” means—
- (a) a water undertaker; or
 - (b) a person who has made an application for an appointment or variation replacing a company as a water undertaker under section 8 of the Water Industry Act 1991 which has not been determined.”

27 Withdrawal of compensation for certain revocations and variations

- (1) This section applies where—
- (a) a licence to abstract water is revoked or varied on or after 15th July 2012 in pursuance of a direction under section 54 or 56 of the WRA (which provide for the Secretary of State to direct the Environment Agency to revoke or vary a licence in certain circumstances);
 - (b) the licence was granted before the coming into force of section 19 of this Act;
 - (c) the licence is one which is expressed to remain in force until revoked; and
 - (d) the ground for revoking or varying the licence is that the Secretary of State is satisfied that the revocation or variation is necessary in order to protect from serious damage—
 - (i) any inland waters,
 - (ii) any water contained in underground strata,
 - (iii) any underground strata themselves,or any flora or fauna dependent on any of them.
- (2) Where this section applies, no compensation is payable under section 61 of the WRA in respect of the revocation or variation of the licence.
- (3) Expressions used in sub-paragraphs (i), (ii) and (iii) of subsection (1)(d) are to be construed in accordance with section 221 of the WRA; and “waters”, in relation to a lake, pond, river or watercourse which is for the time being dry, includes its bottom, channel or bed.

 - (b) any reservoirs, apparatus or other works which are used for the purposes of or in connection with their abstractions and which belong to them, are operated by them or are otherwise under their control,
- as the Agency from time to time considers appropriate for the purpose of carrying out its functions under section 6(2) of the 1995 Act.

Status: This is the original version (as it was originally enacted).

 - (a) make provision by virtue of subsection (1)(a) above with respect to the construction or installation of any reservoirs, apparatus or other works which the holder of the licence will use for the purposes of or in connection with his abstraction;
 - (b) contain provision requiring payments to be made by the Agency to the holder of the licence; and
 - (c) require the reference to and determination by the Secretary of State or the Water Services Regulation Authority of questions arising under the arrangements.
- (3) The Agency shall send a copy of any arrangements entered into by it under this section to the Secretary of State.
- (4) In this section, references to abstraction licences are to licences under Chapter 2 of this Part to abstract water.”

29 Water resources management schemes: referral to Secretary of State

- (1) After section 20A of the WRA (inserted by section 28) there is inserted—

“20B Water resources management schemes: referral to Secretary of State

- (3) If the Secretary of State determines that arrangements should be entered into or (as the case may be) renewed or varied, such arrangements on the terms determined by the Secretary of State shall be enforceable—
 - (a) by civil proceedings by the Secretary of State for an injunction or for any other appropriate relief; and
 - (b) where the other party is a water undertaker, also under section 18 of the Water Industry Act 1991 (enforcement orders) by the Secretary of State.
- (4) The functions of the Secretary of State under subsection (2) above shall be treated for the purposes of section 114 of the 1995 Act (delegation or reference

of appeals) as if they were functions to which paragraph (a) of subsection (1) of that section applied.”

- (5) An enforcement notice must specify the periods within which the person on whom it is served must do each of the things specified in the notice.
- (6) Before serving an enforcement notice on any person, the Agency shall take reasonable steps to consult that person about the works or operations which are to be specified in the notice.
- (7) The Secretary of State may by regulations make provision for or in connection with—
