### COMMENTARY ON SECTIONS

#### **Part 8: High Hedges**

##### *Section 65: Complaints to which this Part applies*

135. Complaints must be made by the owner or occupier of a domestic property, on the grounds that his reasonable enjoyment of that property is being adversely affected by the height of a high hedge situated on land owned or occupied by another person (the "neighbouring land"). Even if the property is currently unoccupied, the owner may still bring a complaint under the amendments (subsection (2)). Complaints about the effects of roots are specifically excluded (subsection (4)).
