

# Traffic Management Act 2004

## 2004 CHAPTER 18

### PART 5

#### HIGHWAYS AND ROADS

##### *Records of objects placed in highway*

PROSPECTIVE

**65 Duty of [<sup>F1</sup>strategic highways company or] local highway authority to keep records of objects in highway**

- (1) The appropriate national authority may by regulations made by statutory instrument require [<sup>F2</sup>a strategic highways company or] a local highway authority to make and keep a record of the location of any object of a description specified in the regulations which has been placed by [<sup>F3</sup>that company or] that authority in a street.
- (2) Regulations under this section may include provision—
  - (a) as to the form in which a record is to be made;
  - (b) as to supplementary information to be included in a record;
  - (c) requiring a record to be made available for inspection.
- (3) The reference in subsection (1) to an object placed in a street includes an object placed under, over, across, along or upon a street.
- (4) In this section—

“appropriate national authority” means—

  - (a) the Secretary of State, in relation to [<sup>F4</sup>strategic highways companies or] local highway authorities in England;
  - (b) the National Assembly for Wales, in relation to local highway authorities in Wales;

[<sup>F5</sup> “local highway authority” has the same meaning as in the 1980 Act;

*Status: This version of this provision is prospective.*

*Changes to legislation: There are currently no known outstanding effects for the Traffic Management Act 2004, Section 65. (See end of Document for details)*

“ strategic highways company ” means a company for the time being appointed under Part 1 of the Infrastructure Act 2015; ]

“street” has the same meaning as in Part 3 of the New Roads and Street Works Act 1991.

- (5) A statutory instrument containing regulations under this section made by the Secretary of State is subject to annulment in pursuance of a resolution of either House of Parliament.
