[F123] 38A Meaning of “neighbourhood development plan”

(1) Any qualifying body is entitled to initiate a process for the purpose of requiring a local planning authority in England to make a neighbourhood development plan.

(2) A “neighbourhood development plan” is a plan which sets out policies (however expressed) in relation to the development and use of land in the whole or any part of a particular neighbourhood area specified in the plan.

(3) Schedule 4B to the principal Act, which makes provision about the process for the making of neighbourhood development orders, including—

(a) provision for independent examination of orders proposed by qualifying bodies, and

(b) provision for the holding of referendums on orders proposed by those bodies, is to apply in relation to neighbourhood development plans (subject to the modifications set out in section 38C(5) of this Act).
A local planning authority to whom a proposal for the making of a neighbourhood development plan has been made—

(a) must make a neighbourhood development plan to which the proposal relates if in each applicable referendum under that Schedule (as so applied) more than half of those voting have voted in favour of the plan, and

(b) if paragraph (a) applies, must make the plan as soon as reasonably practicable after the referendum is held [F124 and, in any event, by such date as may be prescribed].

If—

(a) there are two applicable referendums under that Schedule as so applied (because the plan relates to a neighbourhood area designated as a business area under section 61H of the principal Act), and

(b) in one of those referendums (but not the other) more than half of those voting have voted in favour of the plan,

the authority may (but need not) make a neighbourhood development plan to which the proposal relates.

The authority are not to be subject to the duty under subsection (4)(a) if they consider that the making of the plan would breach, or would otherwise be incompatible with, any EU obligation or any of the Convention rights (within the meaning of the Human Rights Act 1998).

Regulations made by the Secretary of State may make provision as to the procedure to be followed by local planning authorities in cases where they act under subsection (6).

The regulations may in particular make provision—

(a) for the holding of an examination,

(b) as to the payment by a local planning authority of remuneration and expenses of the examiner,

(c) as to the award of costs by the examiner,

(d) as to the giving of notice and publicity,

(e) as to the information and documents that are to be made available to the public,

(f) as to the making of reasonable charges for anything provided as a result of the regulations,

(g) as to consultation with and participation by the public, and

(h) as to the making and consideration of representations (including the time by which representations must be made).

The authority must publish in such manner as may be prescribed—

(a) their decision to act under subsection (4) or (6),

(b) their reasons for making that decision, and

(c) such other matters relating to that decision as may be prescribed.

The authority must send a copy of the matters required to be published to—

(a) the qualifying body that initiated the process for the making of the plan, and

(b) such other persons as may be prescribed.

If a neighbourhood development plan is in force in relation to a neighbourhood area—

(a) a qualifying body may make a proposal for the existing plan to be replaced by a new one, and
38B Provision that may be made by neighbourhood development plans

(1) A neighbourhood development plan—

(a) must specify the period for which it is to have effect,

(b) may not include provision about development that is excluded development, and

(c) may not relate to more than one neighbourhood area.

(2) Only one neighbourhood development plan may be made for each neighbourhood area.

[Subsection (11) is subject to Schedule A2, which makes provision for the modification of a neighbourhood development plan.]
(2A) Subsections (1)(c) and (2) are subject to section 61G(6D) of the principal Act (as applied by section 38C(5A) of this Act].

(3) If to any extent a policy set out in a neighbourhood development plan conflicts with any other statement or information in the plan, the conflict must be resolved in favour of the policy.

(4) Regulations made by the Secretary of State may make provision—
   (a) restricting the provision that may be included in neighbourhood development plans about the use of land,
   (b) requiring neighbourhood development plans to include such matters as are prescribed in the regulations, and
   (c) prescribing the form of neighbourhood development plans.

(5) A local planning authority must publish each neighbourhood development plan that they make in such manner as may be prescribed by regulations made by the Secretary of State.

(6) Section 61K of the principal Act (meaning of “excluded development”) is to apply for the purposes of subsection (1)(b).

(5) The notice requirements are the requirements under paragraphs 2 and 3 to publish, affix and serve notices in connection with the compulsory purchase order.

(6) A relevant objection is an objection by a person who is a qualifying person for the purposes of paragraph 3(2), but if such a person qualifies only by virtue of paragraph 3(2A)(b) and the Minister thinks that he is not likely to be entitled to make a relevant claim his objection is not a relevant objection.

(2) The conditions are—

(a) the Minister or, if there is a remaining objection in respect of the order, the appropriate authority is satisfied that the order ought to be made so far as it relates to the relevant part but has not for the time being determined whether the order ought to be made so far as it relates to the remaining part;

(b) the Minister is satisfied that the notice requirements have been complied with.

(3) If there is a remaining objection in respect of the order, the Minister may only act under sub-paragraph (1) after the appropriate authority has complied with paragraph 4A(2) or (3) (as the case may be).

(4) But he may act under sub-paragraph (1) without the appropriate authority having complied with those provisions if he is satisfied that all remaining objections relate solely to the remaining part of the land.

(5) If the Minister acts under sub-paragraph (1)—

(a) he must give a direction postponing consideration of the order, so far as it relates to the remaining part, until such time as may be specified by or under the direction;

(4) An objection is an objection made by any person (whether or not a person mentioned in section 12(2)), including an objection which is disregarded.
