39 Quality contracts schemes in connection with service modifications

(1) After subsection (1) of section 124 of the 2000 Act insert—

“(1A) A Passenger Transport Authority, or a Passenger Transport Authority jointly with one or more other local transport authorities, may also make a quality contracts scheme covering the whole or part of their area or combined area if they are satisfied—

- (a) that making a quality contracts scheme is an appropriate way of securing that the transport needs of the potential users of a relevant railway service that has been or is to be reduced or discontinued are met;
- (b) that the making of the scheme will contribute, in an appropriate way, to meeting the transport needs of other persons living, working or studying in the localities served by that service;
- (c) that the scheme is compatible with the local transport plan of the Passenger Transport Authority who make the scheme or (as the case may be) of each of the authorities who join in making the scheme; and
- (d) that the scheme will meet the needs of the persons mentioned in paragraphs (a) and (b) in a way which is economic, efficient and effective.

(1B) A local transport authority may join in making a scheme under subsection (1A) by reference to the reduction or discontinuance of a railway passenger service only if—

(2) After subsection (9) of that section insert—

"(10) In subsection (1A) the references to a local transport plan, in the case of a local transport authority not having a local transport plan, are references to the policies developed by that authority under section 108(1)(a).

(11) In this section "relevant railway service"—

- (a) in relation to a scheme made by a single Passenger Transport Authority acting alone, means—
 - (i) a railway passenger service operating entirely within the area of that Authority; or

 - (ii) a railway passenger service operating wholly or primarily within the combined area of two or more Passenger Transport Authorities who join in making the scheme; or
 - (iii) the part of a railway passenger service operating as mentioned in sub-paragraph (i) or (ii).

(12) In this section—

"potential users", in relation to a relevant railway service, means persons who (but for the reduction or discontinuance of the service) would have made use of it; and

"railway passenger service" has the same meaning as in the Railways Act 1993 (c. 43) (see section 83(1) of that Act).

(13) For the purposes of references in this section to where a railway passenger service or part of such a service operates—

- (a) a service shall be treated as operating at each of the places where stops are made at stations for the purpose of allowing passengers to join or leave the service; and
- (b) a part of a service is any part of that service so far as it operates at any one or more of those places."

(3) In section 126(4) of that Act (approval of scheme), after "section 124(1)" insert " or (as the case may be) paragraphs (a) to (d) of section 124(1A) ".

- (b) in subsection (3) and (4), for “those conditions”, in each place, substitute “the relevant conditions”; and
- (c) after subsection (4) insert the subsection set out in subsection (5) of this section.

(5) The subsection inserted after section 132(4) of that Act is—

“(4A) In subsections (3) and (4) “the relevant conditions” means—
