GAMBLING ACT 2005

EXPLANATORY NOTES

TERRITORIAL EXTENT

Territorial limits – vessels and aircraft

Schedule 13: Licensed premises gaming machine permits

Part 13: Prize Gaming

Section 294: Power to restrict exemptions

747. This section gives the Secretary of State the power to remove some, or all, of the prize gaming entitlements conferred in this Part. The purpose of this section is to provide flexibility in the event that, for example, an additional class of operating licence is added to Part 5 of the Act which covers matters dealt with under the prize gaming sections. If this were to happen, it would be necessary to remove the entitlements from Part 13, in order for new operating licence requirements to apply. This power is included to deal with such future contingencies.
