from the Consolidated Fund, are appropriated for the services and purposes specified in Schedule 2.

- (2) Where a note to any Part of Schedule 2 states that the authorisation for use or issue of any amount is further to another amount previously appropriated by the Appropriation (No. 2) Act 2005 (c. 8) to a Request for Resources or Estimate in Schedule 2 to that Act, that other amount—

  - (b) where the limit so set has not, by 12th August following the giving of the direction, been increased by a subsequent Appropriation Act or has by that date been so increased by less than the excess, shall be deemed to have authorised appropriations in aid only up to that limit or, as the case may be, up to that limit as so increased.
- (6) Nothing in Schedule 2 limits the amounts which are or may be made applicable, in accordance with any direction, as appropriations in aid of resources for the service of the House of Commons Administration for any year.
