Part 11: Manufactured payments and repos

Overview

Chapter 3: Tax credits: stock lending arrangements and repos

Overview

Section 593: No tax credits for interim holder under repo

1753. This section prevents the interim holder under a repo from claiming a tax credit when that person in economic terms does not retain a dividend on the securities, but passes it on to the counterparty, by way of a manufactured dividend or other means. It is based on section 231AA of ICTA.
