SCHEDULE 4

OVERHEAD LINES: CONSENT

Applications for consent

- 3 (1) An application for consent under this Schedule shall be in writing and shall state—
- (a) the length of the electric line to which it relates,
 - (b) the nominal voltage of that line, and
 - (c) whether the application to any extent relates to exercise of the power conferred by paragraph 3 of Schedule 2.
- (2) An application for consent under this Schedule shall be accompanied by a map showing—
- (a) the land across which the electric line to which it relates is to be installed or kept installed, including details of the route of that line,
 - (b) the limits of deviation for the scheduled works and the limits of land to be acquired or used, so far as relevant to the application, and
 - (c) if the application to any extent relates to exercise of the power conferred by paragraph 3 of Schedule 2, the extent to which it so relates.
