SCHEDULE 4

TRADING SCHEMES: POWERS TO REQUIRE INFORMATION

Information from electricity suppliers and distributors

- 2 (1) An environmental authority may, for the purposes of enabling a trading scheme to be established, by notice require an electricity supplier or electricity distributor to provide any of the following information—
- (a) information about the electricity meters and metering systems for which the supplier or distributor is responsible, including (in particular) their locations and any identifying features;
 - (b) information about the persons to whom electricity measured by those meters or systems is supplied or who purchase such electricity;
 - (c) information about the consumption by those persons of that electricity;
 - (d) any other information that the environmental authority considers necessary for identifying the potential participants in the scheme.
- (2) An “electricity supplier”—
- (a) in relation to England and Wales and Scotland means an authorised supplier within the meaning of the Electricity Act 1989 (c. 29) (see section 64(1) of that Act);
 - (b) in relation to Northern Ireland means—
 - (i) an electricity supplier within the meaning of the Electricity (Northern Ireland) Order 1992 (S.I. 1992/231) (N.I. 1) (see Article 3 of that Order), or
 - (ii) a person who may supply electricity to premises without a licence by virtue of an exemption under Article 9 of that Order.
- (3) An “electricity distributor”—
- (a) in relation to England and Wales and Scotland means an authorised distributor within the meaning of the Electricity Act 1989 (see section 64(1) of that Act);
 - (b) in relation to Northern Ireland means an electricity distributor within the meaning of the Electricity (Northern Ireland) Order 1992 (see Article 3 of that Order).
- (4) References in this Schedule to an electricity supplier or electricity distributor include an agent of such a supplier or distributor.
