- (3) In this Chapter “relevant accounting period”, in relation to a company by which an election is made under this section, means an accounting period of the company to which the election applies (as to which see section 18F).
- (4) For the purposes of this Chapter the “foreign permanent establishments amount”, in relation to an accounting period of a company, is—
 - (a) the aggregate of the relevant profits amount in the case of each relevant foreign territory in relation to which there is a relevant profits amount for the accounting period, less
 - (b) the aggregate of the relevant losses amount in the case of each relevant foreign territory in relation to which there is a relevant losses amount for the accounting period.
- (5) In this Chapter “relevant foreign territory”, in relation to a company, means a territory outside the United Kingdom in which the company carries on, or has carried on, business through a permanent establishment.
- (6) For the purposes of this Chapter “relevant profits amount”, in relation to a relevant foreign territory and an accounting period of a company, means—
 - (a) in the case of a full treaty territory, profits which would be taken to be attributable to the permanent establishment of the company in the territory for the purpose of ascertaining the amount of any credit to be allowed under TIOPA 2010 (in respect of tax paid under the law of the relevant foreign territory) against corporation tax if the company were to be liable to corporation tax for the accounting period (apart from this Chapter), or
 - (b) in the case of any other territory, profits which would be taken to be so attributable for that purpose if the territory were a full treaty territory and the double taxation arrangements having effect in relation to the territory were in the terms of the OECD model.
- (7) For the purposes of this Chapter “relevant losses amount”, in relation to a relevant foreign territory and an accounting period of a company, means—
 - (a) in the case of a full treaty territory, any losses which would be taken to be attributable to the permanent establishment of the company in the territory on the application of the same rules and principles as fall to be applied under subsection (6)(a), and
 - (b) in the case of any other territory, any losses which would be taken to be so attributable on that basis if it were a full treaty territory and the double taxation arrangements having effect in relation to the relevant foreign territory were in the terms of the OECD model.
- (8) Subsection (9) applies if the amount of any credit to be allowed under TIOPA 2010 in relation to a company in the case of a full treaty territory does not depend on the profits taken to be attributable to the permanent establishment of the company in the territory because tax under the law of the territory is charged, pursuant to the double taxation arrangements having effect in relation to the territory, otherwise than by reference to such profits (as an alternative to a charge by reference to such profits).
- (9) The reference in subsection (6)(a) to profits which would be taken to be attributable to the permanent establishment of the company in the territory is to the profits that would be so taken if tax under the law of the territory were charged by reference to such profits; and subsection (7)(a) is to be construed accordingly.

- (10) For the purposes of subsections (6) and (7) if double taxation arrangements having effect in relation to a relevant foreign territory do not include provision for the credit to be allowed against tax to be computed by reference to the same profits as those by reference to which the tax was computed under the law of the relevant foreign territory, they are to be assumed to do so.
- (11) This section is subject to the following provisions of this Chapter.

- (1) The exemption adjustments required to be made by section 18A(1) include, in the case of any gains or losses on the disposal or realisation of assets which are relevant in the calculation of the taxable total profits of a company for a relevant accounting period, adjustments to remove the effect of any gains or losses relating to the assets taken into account in computing the foreign permanent establishments amount in relation to any relevant accounting period (so that, in appropriate cases, a gain may be increased to reflect a loss so taken into account or a loss increased to reflect a gain so taken into account).
- (2) The references in section 18A(6) to profits which would be taken to be attributable to the permanent establishment of a company in a territory include any gains in respect of immoveable property which has been used for the purposes of the business carried on by the company through the permanent establishment in the territory (to such extent as is appropriate having regard to the extent to which it has been so used); and the references to losses in section 18A(7) are to be construed accordingly.
- (3) The references in section 18A(6) to profits which would be taken, in the case of a company in relation to which an election under section 18A has effect, to be attributable to the permanent establishment of the company in a territory (including as extended by subsection (2)) do not include any gains which would be taken to be so attributable for the purposes of ascertaining credit to be allowed in respect of tax payable under the law of the territory before the election has effect; and the references to losses in section 18A(7) are to be construed accordingly.

18C Capital allowances etc

- (1) Any allowance under Part 2 of CAA 2001 which, but for section 18A and for section 15(2A)(b) of CAA 2001, could be claimed under section 3(1) of that Act in respect of assets provided for the purposes of a permanent establishment in a territory outside the United Kingdom through which business is or has been carried on by a company in relation to which an election under section 18A has effect (and any charge in connection with any such allowance) is to be made automatically and reflected in any calculation for any relevant accounting period of the company of the profits or losses attributable to business carried on by the company through such a permanent establishment.
- (2) In the application of section 13 of CAA 2001 by virtue of subsection (1) on the taking effect of the election under section 18A, references to “market value” have effect as references to “transition value” within the meaning of section 62A of that Act in relation to any plant or machinery in the case of which that is the disposal value under section 61 of that Act.

Status: Point in time view as at 17/07/2012.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2009. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (4) Section 70K of that Act (meaning of “plant or machinery lease” and “lessor”) applies for the purposes of subsection (3).
- (5) In determining for the purposes of section 18A the amount of any credit to be allowed under TIOPA 2010 in respect of tax under the law of a relevant foreign territory in the case of a company, it is to be assumed that the company made any claim or election (other than a claim for allowances under Part 2 of CAA 2001) which would reduce any relevant profits amount, or increase the relevant losses amount, by any means, and within any time limit, applicable to it.

[^{F12}18CA] Income arising from immovable property

Companies with total opening negative amount

18J Companies with total opening negative amount

- (1) The following sections make provision about a company in relation to which an election under section 18A has effect if there is a total opening negative amount in the case of the company at the beginning of the company's first relevant accounting period.

Step 1 Take the adjusted foreign permanent establishments amount in relation to the earliest affected prior accounting period in relation to which that amount is negative.

Status: Point in time view as at 17/07/2012.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2009. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

Step 3 Add to the amount arrived at under step 2 the adjusted foreign permanent establishments amount in relation to each remaining affected prior accounting period, starting with the earliest (but not so as to cause the result to exceed nil). If after the application of the preceding steps there is a negative amount for the last affected prior accounting period there is a total opening negative amount at the beginning of the company's first relevant accounting period of an amount equal to that negative amount.

- (3) In subsection (2) “affected prior accounting period” means—
- (a) the accounting period of the company in which the election under section 18A is made, and
 - (b) any earlier accounting period of the company ending less than 6 years before the end of that accounting period.
- (4) For the purposes of subsection (2) the “adjusted” foreign permanent establishments amount is what the foreign permanent establishments amount would be if it were determined without reference to gains or losses which are chargeable gains or allowable losses for the purposes of corporation tax.

18K Total opening negative amount: “matching”

- (1) At the end of each relevant accounting period of the company (starting with the first) the total opening negative amount is to be reduced (or further reduced) by the amount of any aggregate relevant profits amount of the company for the accounting period (but not to below nil).
- (2) In any relevant accounting period of the company for which there is a reduction under subsection (1), section 18A(1) does not apply in relation to the aggregate relevant profits amount of the company for the accounting period.
- (3) But in the case of the last relevant accounting period of the company for which there is a reduction under subsection (1), section 18A(1) is disapplied by subsection (2) only in relation to so much of the aggregate relevant profits amount of the company for the accounting period as is equal to the total opening negative amount of the company at the beginning of the accounting period.
- (4) The company may, in its company tax return for that relevant accounting period, specify to which part of the aggregate relevant profits amount of the company for the accounting period section 18A(1) is to apply by virtue of subsection (3).
- (5) In this Chapter “aggregate relevant profits amount”, in relation to an accounting period, means the aggregate of the relevant profits amount in the case of each relevant foreign territory in relation to which there is a relevant profits amount for the accounting period.
- (6) This section is subject to section 18L.

18L Streaming

- (1) If a streaming election has effect in relation to the company sections 18M and 18N apply (instead of section 18K).

Status: Point in time view as at 17/07/2012.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2009. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (2) For the purposes of this section “streaming election” means an election, made at the same time as the company's election under section 18A, which—
 - (a) states that sections 18M and 18N are to have effect in relation to the company (instead of section 18K), and
 - (b) specifies which of the territories that are relevant foreign territories in relation to the company are to be streamed territories for the purposes of the operation of sections 18M and 18N in relation to the company.
- (3) Subject to subsection (4), a streaming election is irrevocable.
- (4) A streaming election can be revoked at any time before the first relevant accounting period of the company.
- (5) A streaming election does not have effect unless the company, in the company tax return for the first relevant accounting period of the company, specifies how much of the amount eligible to be streamed to each streamed territory is to constitute for the purposes of sections 18M and 18N the streamed opening negative amount at the beginning of that relevant accounting period.
- (6) For the purposes of subsection (5) the amount eligible to be streamed to a territory by the company is the amount that would be the total opening negative amount of the company at the beginning of the first relevant accounting period of the company if at all material times the territory were the only relevant foreign territory in relation to the company.

18M Streamed opening negative amounts: “matching”

- (1) At the end of each relevant accounting period of the company (starting with the first) the streamed opening negative amount in relation to a territory is to be reduced (or further reduced) by the amount of any relevant profits amount of the company for the territory for the accounting period (but not to below nil).
- (2) In any relevant accounting period of the company for which there is a reduction under subsection (1) in relation to a territory, section 18A(1) does not apply in relation to the relevant profits amount of the company for the territory for the accounting period.
- (3) But in the case of the last relevant accounting period of the company for which there is a reduction under subsection (1) in relation to a territory, section 18A(1) is disapplied by subsection (2) only in relation to so much of the relevant profits amount of the company for the territory for the accounting period as is equal to the streamed opening negative amount in relation to the territory at the beginning of the accounting period.
- (4) The company may, in its company tax return for that relevant accounting period, specify to which part of the relevant profits amount of the company for the territory for the accounting period section 18A(1) is to apply by virtue of subsection (3).

18N Residual opening negative amount: “matching”

- (1) At the end of each relevant accounting period of the company (starting with the first) the residual opening negative amount is to be reduced (or further reduced) by the amount of any residual aggregate relevant profits amount of the company for the accounting period (but not to below nil).

Status: Point in time view as at 17/07/2012.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2009. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (2) For the purposes of this section the “residual opening negative amount”, at the beginning of the company's first relevant accounting period, is—
 - (a) the total opening negative amount of the company at that time, less
 - (b) the aggregate of the streamed opening negative amounts of the company at that time.
- (3) For the purposes of this section the “residual aggregate relevant profits amount”, in relation to an accounting period, means the amount (if any) by which—
 - (a) the aggregate relevant profits amount of the company for the accounting period, exceeds
 - (b) the aggregate of so much of any relevant profits amounts of the company for the accounting period as has effect to bring about a reduction under section 18M(1) for the accounting period.
- (4) In any relevant accounting period of the company for which there is a reduction under subsection (1), section 18A(1) does not apply in relation to the residual aggregate relevant profits amount of the company for the accounting period.
- (5) But in the case of the last relevant accounting period of the company for which there is a reduction under subsection (1), section 18A(1) is disapplied by subsection (4) only in relation to so much of the residual aggregate relevant profits amount of the company for the accounting period as is equal to the residual opening negative amount of the company at the beginning of the accounting period.
- (6) The company may, in its company tax return for that relevant accounting period, specify to which of the amounts forming part of the residual aggregate relevant profits amount of the company for the accounting period section 18A(1) is to apply by virtue of subsection (4).

18O Transfers of foreign permanent establishment business

- (1) This section applies if—
 - (a) business carried on by a company (“the transferor”) through a permanent establishment in a territory outside the United Kingdom is transferred to a connected company that is (or later becomes) a UK resident company (“the transferee”), and
 - (b) there is a transferred total opening negative amount in relation to the business transferred.
- (2) In a case where the transferor had not made an election under section 18A before the transfer took place, or such an election had not had effect before that time, the “transferred total opening negative amount” is the amount that would have been the total opening negative amount in the case of the transferor at the beginning of the transferor's first relevant accounting period if—
 - (a) the only business carried on by the transferor was the business transferred,
 - (b) the transfer had not taken place,
 - (c) the transferor's first relevant accounting period had begun on the day after the transfer day, and
 - (d) any reference in section 18J(3) to the accounting period in which the election is made were a reference to the period beginning with the accounting period in which the transfer took place and ending with the transfer day.

Status: Point in time view as at 17/07/2012.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2009. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (3) In a case where an election made by the transferor under section 18A had effect before the transfer took place, the “transferred total opening negative amount” is—
- (a) the amount that would have been the total opening negative amount in the case of the transferor on the transfer day if the accounting period in which the transfer took place had ended on that day (the “remaining total opening negative amount”), less
 - (b) the amount that would have been the remaining total opening negative amount if the transferor had never carried on the business transferred.
- But the transferred total opening negative amount cannot be below nil.
- (4) In a case where—
- (a) an election made by the transferee under section 18A first has effect after the transfer takes place, and
 - (b) the accounting period of the transferee in which the transfer took place is an affected prior accounting period for the purposes of section 18J(2),
- there is to be added to the adjusted foreign permanent establishments amount in relation to that accounting period a negative amount equal to so much (if any) of the transferred total opening negative amount as is attributable to profits or losses arising after the beginning of the earliest affected prior accounting period of the transferee.
- (5) In a case where an election made by the transferee under section 18A had effect before the transfer took place, sections 18K to 18N have effect in relation to the transferee and the transferred total opening negative amount as if—
- (a) any reference to the total opening negative amount were a reference to the transferred total opening negative amount,
 - (b) any reference to the first relevant accounting period were a reference to the period beginning with the day after the transfer day and ending immediately before the start of the next accounting period of the transferee, and
 - (c) the requirement in section 18L(2) that a streaming election be made at the same time as the company's election under section 18A did not apply.
- (6) Where for the purposes of this section it is necessary to apportion the profits and losses for any accounting period to different parts of that period, that apportionment is to be made on a just and reasonable basis.
- (7) Any amount included in a transferred total opening negative amount is to be disregarded in the application of sections 18J to 18N in the case of the transferor after the transfer day.
- (8) In this section “the transfer day” means the day on which the transfer of the business takes place.

Tenants under taxed leases

62 Tenants under taxed leases: introduction

- (1) Sections 63 to 67 apply if land used in connection with a trade is subject to a taxed lease.
- (2) Section 63 (tenants occupying land for purposes of trade treated as incurring expenses) applies in calculating the profits of a trade carried on by the tenant under the taxed lease for the purpose of making deductions for the expenses of the trade.
- (3) But any deduction for an expense under section 63 is subject to the application of any provision of Chapter 4 of this Part.
- (4) In this section and sections 63 to 67 the following expressions have the same meaning as in Chapter 4 of Part 4 (profits of property businesses: lease premiums etc)—
 - “receipt period” (see section 228(6)),
 - “taxed lease” (see section 227(4)),
 - “taxed receipt” (see section 227(4)), and
 - “unreduced amount” (see section 230(2)).

Status: Point in time view as at 17/07/2012.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2009. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (5) Section 230(3) and (4) (unreduced amount of taxed receipt under section 217 as a result of section 218) applies for the purposes of sections 63 to 67.
- (6) In the application of sections 66 and 67 to Scotland—
- (a) references to a lease being granted out of a taxed lease are to the grant of a sublease of land subject to the taxed lease, and
 - (b) references to the lease so granted are to be read as references to the sublease.

63 Tenants occupying land for purposes of trade treated as incurring expenses

- (1) The tenant under the taxed lease is treated as incurring an expense of a revenue nature in respect of the land subject to the taxed lease for each qualifying day.
- (2) If there is more than one taxed receipt, this section applies separately in relation to each of them.
- (3) A day is a “qualifying day”, in relation to a taxed receipt, if it is a day—
- (a) that falls within the receipt period of the taxed receipt, and
 - (b) on which the tenant occupies the whole or part of the land subject to the taxed lease for the purposes of carrying on a trade.
- (4) If on the qualifying day the tenant occupies the whole of the land subject to the taxed lease for the purposes of the trade, the amount of the expense for the qualifying day by reference to the taxed receipt is given by the formula—

$$\frac{A}{\text{TRP}}$$

where—

A is the unreduced amount of the taxed receipt, and

TRP is the number of days in the receipt period of the taxed receipt.

- (5) If on the qualifying day the tenant occupies part of the land subject to the taxed lease for the purposes of the trade, the amount of the expense for the qualifying day by reference to the taxed receipt is given by the formula—

$$\frac{F \times A}{\text{TRP}}$$

where—

F is the fraction of the land that is so occupied calculated on a just and reasonable basis, and

Status: Point in time view as at 17/07/2012.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2009. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

A and TRP have the same meaning as in subsection (4).

- (6) This section is subject to section 64 (limit on deductions if tenant entitled to mineral extraction allowance).

64 Limit on deductions if tenant entitled to mineral extraction allowance

- (1) This section applies if the tenant under the taxed lease has become entitled, in respect of expenditure on the acquisition of an interest in the land subject to the taxed lease, to an allowance for an accounting period under Part 5 of CAA 2001 (mineral extraction allowances) in respect of expenditure falling within section 403 of that Act (qualifying expenditure on acquiring a mineral asset).
- (2) If the allowance is in respect of the whole of the expenditure, no deduction is allowed for expenses under section 63 for a qualifying day falling within that or a later accounting period.
- (3) If the allowance is in respect of only part of the expenditure (“the allowable part”) the amount of the deduction for expenses under section 63 for a qualifying day falling within that or a later accounting period is calculated by multiplying the amount that, apart from this section, would be the amount of the deduction for the qualifying day by—

$$\frac{WE - AP}{WE}$$

where—

WE is the whole of the expenditure, and

AP is the allowable part of the expenditure.

65 Tenants dealing with land as property employed for purposes of trade

- (1) This section applies if the tenant under the taxed lease—
- (a) does not occupy the land subject to the taxed lease, or a part of it, but
 - (b) deals with its interest in the land, or the part of it, as property employed for the purposes of carrying on a trade.
- (2) Section 63 applies as if the land or the part of it were occupied by the tenant for the purposes of the trade.
- (3) But the tenant is not treated as incurring an expense in respect of the land for a qualifying day as a result of this section so far as the tenant is treated as incurring an expense under section 232 (tenants under taxed leases treated as incurring expenses) in respect of the land for the day in calculating the profits of the tenant's property business.

- (4) This section is subject to sections 66 and 67 (restrictions on section 63 expenses where the additional calculation rule is relevant).

66 Restrictions on section 63 expenses: lease premium receipts

- (1) This section applies if a lease has been granted out of the taxed lease and—
- (a) in calculating the amount of a receipt of a property business under Chapter 4 of Part 4 (profits of property businesses: lease premiums etc) in respect of the lease, there is a reduction under section 228 (the additional calculation rule) by reference to the taxed receipt, or
 - (b) in calculating the amount of a receipt of a property business under Chapter 4 of Part 3 of ITTOIA 2005 (profits of property businesses: lease premiums etc) in respect of the lease, there is a reduction under section 288 of that Act (the additional calculation rule) by reference to the taxed receipt.

In this section and section 67 the receipt that is so reduced is referred to as a “lease premium receipt”.

- (2) Subsections (3) to (5) provide for the application of section 63 as a result of section 65 for a qualifying day that falls within the receipt period of the lease premium receipt.
- (3) The tenant under the taxed lease is treated as incurring an expense under section 63 as a result of section 65 for the qualifying day by reference to the taxed receipt only if the daily amount of the taxed receipt exceeds the daily reduction of the lease premium receipt.
- (4) If the condition in subsection (3) is met, the amount of that expense for the qualifying day by reference to the taxed receipt is equal to that excess.
- (5) If the qualifying day falls within the receipt period of more than one lease premium receipt, the reference in subsection (3) to the daily reduction of the lease premium receipt is to be read as a reference to the total of the daily reductions of each of the lease premium receipts whose receipt period includes the qualifying day.
- (6) In this section—
 the “daily amount” of the taxed receipt is given by the formula—

$$\frac{A}{\text{TRP}}$$

where—

A is the unreduced amount of the taxed receipt, and

TRP is the number of days in the receipt period of the taxed receipt, and
 the “daily reduction” of a lease premium receipt is given by the formula—

$$\frac{AR}{RRP}$$

where—

AR is the reduction under section 228 below or section 288 of ITTOIA 2005 by reference to the taxed receipt, and

RRP is the number of days in the receipt period of the lease premium receipt.

- (7) In this section references to a reduction under section 228 below or section 288 of ITTOIA 2005 by reference to a taxed receipt have the same meaning as in Chapter 4 of Part 4 (see section 230(6)).
- (8) Section 67 explains how this section operates if the lease does not extend to the whole of the premises subject to the taxed lease.

67 Restrictions on section 63 expenses: lease of part of premises

- (1) This section applies if—
- (a) section 66 applies, and
 - (b) the lease granted out of the taxed lease does not extend to the whole of the premises subject to the taxed lease.
- (2) Subsections (3) to (5) apply for a qualifying day that falls within the receipt period of the lease premium receipt.
- (3) Sections 63, 65 and 66 apply separately in relation to the part of the premises subject to the lease and to the remainder of the premises.
- (4) If—
- (a) more than one lease that does not extend to the whole of the premises subject to the taxed lease has been granted out of the taxed lease, and
 - (b) the qualifying day falls within the receipt period of two or more lease premium receipts that relate to different leases,
- sections 63, 65 and 66 apply separately in relation to each part of the premises subject to a lease to which such a lease premium receipt relates and to the remainder of the premises.
- (5) Where sections 63, 65 and 66 apply in relation to a part of the premises, A becomes the amount calculated by multiplying the unreduced amount of the taxed receipt by the fraction of the premises constituted by the part.
- (6) This fraction is calculated on a just and reasonable basis.

Status: Point in time view as at 17/07/2012.

CHAPTER 8

TRADE PROFITS: HERD BASIS RULES

Introduction

109 Election for application of herd basis rules

- (1) A company, or a firm of which a company is a member, which keeps or has kept a production herd for the purposes of a trade may make an election under this Chapter (a “herd basis election”).
- (2) In calculating the profits of the trade, animals which are part of a production herd in relation to which a herd basis election has effect—
 - (a) are not treated as trading stock (see section 50), but
 - (b) are treated instead in accordance with sections 112 to 121 (“the herd basis rules”).
- (3) This Chapter is expressed in terms of farmers but applies to any company, or firm of which a company is a member, which keeps or has kept a production herd for the purposes of a trade, whether or not the trade is farming.
- (4) References in this Chapter to keeping a production herd are to keeping it for the purposes of the trade.

110 Meaning of “animal”, “herd”, “production herd” etc

- (1) In this Chapter—
 - (a) “animal” means any animal or other living creature,
 - (b) “herd” includes a flock and any other collection of animals (however named), and
 - (c) “production herd” means, in relation to a farmer, a herd of animals of the same species (irrespective of breed) kept by the farmer wholly or mainly for the products obtainable from the living animal which the animals produce for the farmer to sell.

Status: Point in time view as at 17/07/2012.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2009. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (2) For this purpose “the products obtainable from the living animal” means—
 - (a) the young of the animal, or
 - (b) any other product obtainable from the animal without slaughtering it.
- (3) For the purposes of this Chapter the general rule is that immature animals kept in a production herd are not part of the herd.
- (4) There is an exception to this rule if—
 - (a) the nature of the land on which the herd is kept means that animals which die or cease to be part of the herd can be replaced only by animals bred and reared on the land,
 - (b) the immature animals in question are bred in the herd and are maintained in the herd for the purpose of replacing other animals, and
 - (c) it is necessary to maintain the immature animals for that purpose.
- (5) In that case the immature animals are part of the herd for the purposes of this Chapter, but only so far as they are required to prevent a fall in the numbers of the herd.
- (6) References in this Chapter to an animal being added to a herd include references to an immature animal that is not part of the herd reaching maturity.
- (7) This Chapter applies—
 - (a) in relation to animals kept singly as it applies in relation to herds, and
 - (b) in relation to shares in animals as it applies in relation to animals themselves.

111 Other interpretative provisions

- (1) This section applies for the purposes of this Chapter.
- (2) A production herd kept by a farmer is of the same class as another production herd only if—
 - (a) the animals kept in both herds are of the same species (irrespective of breed), and
 - (b) the products produced for the farmer to sell (for which the herds are wholly or mainly kept) are of the same kinds in both herds.
- (3) References to the sale of an animal include references to its death or destruction.
- (4) References to the sale proceeds of an animal include references to—
 - (a) money received from an insurer because of the animal's death or destruction,
 - (b) compensation money received because of the animal's death or destruction, and
 - (c) the sale proceeds of the animal's carcass or any part of its carcass.
- (5) Female animals become mature—
 - (a) in the case of laying birds, when they first lay, and
 - (b) in any other case, when they produce their first young.
- (6) 20% or more of a herd is a substantial part of the herd, but a lesser percentage than 20% is capable of being a substantial part of the herd depending on the circumstances of the case concerned.

Status: Point in time view as at 17/07/2012.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2009. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

The herd basis rules

112 Initial cost of herd and value of herd

- (1) In calculating the profits of the trade, no deduction is allowed for the initial cost of the herd.
- (2) In calculating the profits of the trade, the value of the herd is not brought into account.

113 Addition of animals to herd

- (1) This section applies for the purpose of calculating the profits of the trade if an animal is added to the herd, unless it replaces another animal in the herd.
- (2) No deduction is allowed for the cost of the animal.
- (3) If, immediately before it was added to the herd, the animal was part of the farmer's trading stock, the balancing amount is brought into account as a receipt.
- (4) "The balancing amount" means—
 - (a) in the case of an animal bred by the farmer, the cost of breeding the animal and rearing it to maturity, and
 - (b) in any other case, the sum of the initial cost of acquiring the animal and the cost (if any) incurred by the farmer in rearing the animal to maturity.

114 Replacement of animals in herd

- (1) This section applies for the purpose of calculating the profits of the trade if—
 - (a) an animal ("the old animal") is sold from the herd or otherwise ceases to be part of the herd, and
 - (b) it is replaced in the herd by another animal ("the new animal").
- (2) The sale proceeds (if any) of the old animal are brought into account as a receipt.
- (3) But this needs to be read with—
 - (a) section 115 (amount of receipt if old animal slaughtered under disease control order),
 - (b) section 118 (acquisition of new herd begun within 5 years of sale), and
 - (c) section 120 (replacement of part sold begun within 5 years of sale).
- (4) Except so far as otherwise allowable, a deduction is allowed under this section for the cost of the new animal.
- (5) But if the new animal is of better quality than the old animal, the amount of the deduction must not exceed the amount that it would have been necessary to spend to replace the old animal with an animal of the same quality.

115 Amount of receipt if old animal slaughtered under disease control order

- (1) This section applies for the purposes of section 114.
- (2) If—
 - (a) the old animal was slaughtered under a disease control order, and
 - (b) the new animal is of worse quality than the old animal,

Status: Point in time view as at 17/07/2012.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2009. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

the amount brought into account as a receipt under section 114 must not exceed the equivalent amount for the new animal.

- (3) For this purpose “a disease control order” means an order made under the law relating to the diseases of animals by—
- (a) central government,
 - (b) a devolved authority,
 - (c) a local authority, or
 - (d) another public authority.
- (4) If, immediately before it was added to the herd, the new animal was part of the farmer's trading stock, “the equivalent amount for the new animal” means—
- (a) in the case of an animal bred by the farmer, the cost of breeding the animal and rearing it to maturity, and
 - (b) in any other case, the sum of the initial cost of acquiring the animal and the cost (if any) incurred by the farmer in rearing the animal to maturity.
- (5) Otherwise “the equivalent amount for the new animal” means the cost of the new animal.

116 Sale of animals from herd

- (1) This section applies for the purpose of calculating the profits of the trade if an animal is sold from the herd unless—
- (a) it is replaced in the herd by another animal (see section 114), or
 - (b) it is sold as part of the sale of the whole or a substantial part of the herd that takes place all at once or over a period not longer than 12 months (see section 117).
- (2) A profit arising from the sale is brought into account as a receipt.
- (3) A deduction is allowed for a loss arising from the sale.
- (4) The amount of the profit or loss is the difference between the sale proceeds of the animal and the deductible amount for the animal.
- (5) “The deductible amount for the animal” means—
- (a) in the case of an animal bred by the farmer, the cost of breeding the animal and rearing it to maturity,
 - (b) in the case of an animal acquired by the farmer for valuable consideration, the sum of the initial cost to the farmer of acquiring the animal and the cost (if any) incurred by the farmer in rearing the animal to maturity, and
 - (c) in the case of an animal acquired by the farmer but not for valuable consideration, the sum of the market value of the animal when acquired and the cost (if any) incurred by the farmer in rearing the animal to maturity.

117 Sale of whole or substantial part of herd

- (1) This section applies for the purpose of calculating the profits of the trade if, either all at once or over a period not longer than 12 months, the herd or a substantial part of the herd is sold unless—
- (a) section 118 applies (acquisition of new herd begun within 5 years of sale), or

Status: Point in time view as at 17/07/2012.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2009. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

(b) section 120 applies (replacement of part sold begun within 5 years of sale), but paragraph (a) is subject to subsection (5) of section 118 (so far as that section provides for a case in which this section is to apply).

(2) A profit arising from the sale is not brought into account as a receipt.

(3) No deduction is allowed for a loss arising from the sale.

118 Acquisition of new herd begun within 5 years of sale

(1) This section applies for the purpose of calculating the profits of the trade if—

- (a) either all at once or over a period not longer than 12 months, the herd (“the old herd”) is sold, and
- (b) the farmer acquires or starts to acquire another production herd of the same class (“the new herd”) within 5 years of the sale.

(2) Section 114 (replacement of animals in herd) applies as if a number of animals equal to—

- (a) the number of animals in the old herd, or
- (b) if smaller, the number of animals in the new herd,

had been sold from the old herd and replaced in that herd (but see section 119 (sale for reasons outside farmer's control)).

(3) For the purposes of section 114, the sale proceeds of an animal that is treated as a result of subsection (2) above as if it had been—

- (a) sold from the old herd, and
- (b) replaced in that herd by another animal (“the new animal”),

are not brought into account as a receipt until the new animal is acquired.

(4) If—

- (a) the number of animals in the new herd is smaller than the number of animals in the old herd, and
- (b) the difference is not substantial,

section 116 (sale of animals from herd) applies as if a number of animals equal to the difference had been sold from the old herd.

(5) If the number of animals in the new herd is smaller than the number of animals in the old herd and the difference is substantial—

- (a) section 117 (sale of whole or substantial part of herd where replacement not begun within 5 years), or
- (b) section 120 (sale of substantial part of herd where replacement begun within 5 years),

applies as if a number of animals equal to the difference had been sold from the old herd.

(6) If the number of animals in the new herd is larger than the number of animals in the old herd, section 113 (addition of animals to herd) applies as if a number of animals equal to the difference had been added to the old herd.

(7) For the purposes of this section—

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2009. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (a) if the difference between the number of animals in the new herd and the number of animals in the old herd is equal to 20% or more of the number of animals in the old herd, the difference is substantial, but
- (b) a lesser percentage than 20% is capable of being a substantial difference depending on the circumstances of the case concerned.

119 Section 118: sale for reasons outside farmer's control

- (1) This section applies for the purposes of section 114, as applied by section 118(2).
- (2) If—
 - (a) the farmer was compelled to sell the old herd for reasons wholly outside the farmer's control, and
 - (b) an animal (“the new animal”) that is treated as a result of section 118(2) as if it replaced an animal sold (“the old animal”) is of worse quality than the old animal,the amount brought into account as a receipt under section 114 must not exceed the equivalent amount for the new animal.
- (3) If, immediately before it was added to the herd, the new animal was part of the farmer's trading stock, “the equivalent amount for the new animal” means—
 - (a) in the case of an animal bred by the farmer, the cost of breeding the animal and rearing it to maturity, and
 - (b) in any other case, the sum of the initial cost of acquiring the animal and the cost (if any) incurred by the farmer in rearing the animal to maturity.
- (4) Otherwise “the equivalent amount for the new animal” means the cost of the new animal.

120 Replacement of part sold begun within 5 years of sale

 - (a) either all at once or over a period not longer than 12 months, a substantial part of the herd is sold, and
 - (b) the farmer acquires or starts to acquire animals to replace the part sold within 5 years of the sale.
- (2) Section 114 (replacement of animals in herd) applies so far as the animals included in the part sold are replaced (but see section 121 (sale for reasons outside farmer's control)).
- (3) The sale proceeds of an animal included in the part sold are not brought into account as a receipt until the animal that replaces it in the herd is acquired.
- (4) If some of the animals included in the part sold are not replaced—

 - (b) no deduction is allowed for a loss arising from their sale.

 - (b) an animal ("the new animal") that replaces an animal sold ("the old animal") is of worse quality than the old animal,

the amount brought into account as a receipt under section 114 must not exceed the equivalent amount for the new animal.
- (3) If, immediately before it was added to the herd, the new animal was part of the farmer's trading stock, "the equivalent amount for the new animal" means—

Elections

122 Herd basis elections

- (1) A herd basis election must specify the class of production herd to which it relates.
- (2) A herd basis election must be made—
 - (a) not later than two years after the end of the first relevant accounting period (if the farmer is not a firm), or
 - (b) on or before the first anniversary of the normal self-assessment filing date for the tax year in which the first relevant period of account ends (if the farmer is a firm).
- (3) For this purpose—
 - (a) "the first relevant accounting period" means the first accounting period in which the farmer making the election keeps a production herd of the class to which the election relates, and
 - (b) "the first relevant period of account" means the first period of account in which the firm making the election keeps a production herd of the class to which the election relates (but see subsection (8)).
- (4) A herd basis election cannot relate to more than one class of production herd, but separate elections may be made for different classes.
- (5) A herd basis election is irrevocable.
- (6) A herd basis election has effect in relation to all production herds of the class to which it relates, including any which the farmer—
 - (a) has ceased to keep before making the election, or
 - (b) first keeps after making the election.
- (7) A herd basis election has effect—
 - (a) for every accounting period in which the farmer carries on the trade and keeps a production herd of the class to which the election relates (if the farmer is not a firm), or

- (b) for every period of account in which the farmer carries on the trade and keeps a production herd of the class to which the election relates (if the farmer is a firm).
- (8) If the farmer is a firm and there is a change in the persons who are partners in the firm—
 - (a) any herd basis election made by the old firm ceases to have effect, and
 - (b) in relation to the new firm, “the first relevant period of account” means the first period of account in which the new firm keeps a production herd of the class to which the election relates.

123 Five year gap in which no production herd kept

- (1) This section applies if a farmer—
 - (a) keeps a production herd of a particular class, and
 - (b) ceases altogether to keep herds of that class for a period of at least 5 years.
- (2) If the farmer keeps a production herd of that class after the end of that period—
 - (a) the accounting period or (as the case may be) period of account in which the farmer starts to keep the herd is treated as the first accounting period or period of account in which the farmer keeps a production herd of that class, and
 - (b) any herd basis election previously made by the farmer in relation to production herds of that class ceases to have effect.

124 Slaughter under disease control order

- (1) This section applies if—
 - (a) the whole or a substantial part of a production herd kept by a farmer is slaughtered under a disease control order, and
 - (b) the circumstances of the slaughter are such that compensation is payable in respect of the animals slaughtered.
- (2) The farmer may make a herd basis election in respect of the class of production herd involved in the slaughter as if the accounting period or (as the case may be) period of account —
 - (a) in which the compensation falls to be brought into account in calculating the profits of the trade, or
 - (b) in which it would (but for the election) fall to be so brought into account, were the first accounting period or period of account in which the farmer keeps a production herd of that class.
- (3) An election made as a result of this section has effect for that accounting period or period of account and every subsequent accounting period or period of account in which the farmer—
 - (a) carries on the trade, and
 - (b) keeps a production herd of the class to which the election relates.
- (4) In this section “disease control order” means an order made under the law relating to the diseases of animals by—

125 Preventing abuse of the herd basis rules

- (1) This section applies if—
 - (a) a person carrying on a trade (the “transferor”) transfers the whole or part of a production herd to another person (the “transferee”),
 - (b) the transfer is not by way of sale or is by way of sale but for a price other than that which the animals sold would have fetched if sold in the open market, and
 - (c) the control condition or herd basis benefit condition is met.
- (2) The control condition is met if—
 - (a) the transferor is a body of persons over which the transferee has control,
 - (b) the transferee is a body of persons over which the transferor has control, or
 - (c) both the transferor and transferee are bodies of persons and another person has control over both of them.
- (3) For this purpose “body of persons” includes a firm.
- (4) The herd basis benefit condition is met if—
 - (a) the transferor or transferee (or both) might (but for this section) have been expected to obtain a herd basis benefit as a result of the transfer or the transactions of which the transfer is one, and
 - (b) the herd basis benefit is the sole or main benefit, or one of the main benefits, that the person in question might have been expected to obtain.
- (5) For this purpose a “herd basis benefit” is a benefit resulting from—
 - (a) the obtaining of a right to make a herd basis election,
 - (b) the herd basis rules applying or not applying, or
 - (c) the herd basis rules having a greater or lesser effect.
- (6) For the purpose of calculating the profits of—
 - (a) the trade carried on by the transferor, and
 - (b) any trade carried on by the transferee,
 the animals transferred are treated as having been sold at the price which they would have fetched if sold in the open market.

- (1) If the herd basis rules apply in calculating the profits of an accounting period after an assessment for that period has become final and conclusive, any assessment or repayment of tax that is necessary to give effect to the rules must be made.

[^{F70}CHAPTER 8A

COMPENSATION FOR COMPULSORY SLAUGHTER OF ANIMALS

Textual Amendments

F70 Ch. 8A inserted (1.3.2012) (with effect in accordance with art. 12 of the amending S.I.) by [The Enactment of Extra-Statutory Concessions Order 2012 \(S.I. 2012/266\)](#), arts. 1, **10**

127A Application of Chapter 8A

- (1) This Chapter applies if—
 - (a) an animal treated as trading stock of a farming trade is slaughtered under a disease control order,
 - (b) the animal is not part of a production herd of a class in respect of which a herd basis election may be made under section 124, and
 - (c) the farm company receives or will receive compensation for the animal.
- (2) Such an animal is referred to in this Chapter as a “relevant animal”.
- (3) “Disease control order” has the same meaning as in section 124.

127B Right to make claim

- (1) The farm company may make a claim under this section.
- (2) A claim may only be made in respect of the total compensation profit for an accounting period.
- (3) The total compensation profit for an accounting period is the sum of the profits which the farm company makes for all the relevant animals slaughtered in that period.
- (4) For the purposes of this Chapter the profit which the farm company makes for a relevant animal is—
 - (a) the amount by which the compensation for the animal exceeds its book value, or
 - (b) if the trade is carried on in partnership, the farm company’s share of that amount, determined in accordance with Part 17.
- (5) Nothing in this section prevents a claim being made before the amount of the compensation has been finally determined.

Status: Point in time view as at 17/07/2012.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2009. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

127C Book value

- (1) For the purposes of this Chapter the book value of an animal is the value shown in the accounts as the value of the animal at the start of the accounting period in which it was slaughtered.
- (2) If, for an animal, no value is shown in the accounts as that value, the book value is as follows—
 - (a) in the case of an animal which was born in the accounting period in which it was slaughtered and did not become part of the trading stock in any other way, the book value is 75% of the compensation payable for it,
 - (b) in the case of an animal in relation to which section 158 (trading stock supplied by trader) or 160 (acquisitions not made in the course of trade) applies, the book value is the cost treated as incurred under section 158(2) or 160(2) as the case may be, and
 - (c) in any other case, the book value is the cost of acquiring the animal for the purposes of the trade.

127D Effect of claim for spreading of profits

If the farm company makes a claim under section 127B in respect of the total compensation profit for an accounting period (“period X”), the profits of the trade carried on by the farm company are to be adjusted for corporation tax purposes as follows—

Step 1

Treat the compensation payable for all of the relevant animals slaughtered in period X as a receipt of that period (regardless of when the compensation is finally determined or paid).

Step 2

If the farm company makes a profit in the trade in period X, deduct from the profits of that period an amount equal to—

- (a) the total compensation profit for period X, or
- (b) if the total compensation profit exceeds the profits of period X, such portion of the total compensation profit as will reduce the profits to nil.

Step 3

In calculating the profits for each of the 3 consecutive accounting periods following period X, include an amount equal to one third of the amount deducted by virtue of step 2.

127E Adjustment: cessation of trading

If the farm company permanently ceases to carry on the farming trade before the end of the second consecutive accounting period following period X, step 3 in section 127D is to be replaced by the following two steps—

Step 3

Divide the amount deducted by virtue of step 2 by the number of accounting periods (“the remaining accounting periods”) in which, or in any part of which, the farm company carried on the farming trade, starting with period X.

Step 4

Status: Point in time view as at 17/07/2012.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2009. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

In calculating the profits for each of the remaining accounting periods, include the amount resulting from the division in step 3.

127F Time limits etc for spreading claim

- (1) A claim under section 127B must be made on or before the first anniversary of the filing date for the company tax return of the farm company for period X (see paragraph 14 of Schedule 18 to FA 1998).
- (2) If the profits for an accounting period are to be adjusted or further adjusted in accordance with this Chapter after an assessment for that period has become final and conclusive, any assessment or repayment or discharge of tax that is necessary to give effect to this Chapter must be made.
- (3) But repayment or discharge of tax is due only if a claim for it is made.

127G Interpretation

In this Chapter—

- “animal” means any animal or other living creature;
- “farming trade” means a trade of farming;
- “the farm company”, in relation to a farming trade, means the company that (alone or in partnership) carries on that trade;
- “the total compensation profit” has the meaning given by section 127B.]

CHAPTER 9

TRADE PROFITS: OTHER SPECIFIC TRADES

Dealers in securities etc

128 Taxation of amounts taken to reserves

- (1) This section applies for the purpose of calculating the profits of a company's trade if—
 - (a) the company carries on a banking business, an insurance business or a business consisting wholly or partly of dealing in securities, and
 - (b) a profit on the sale of securities held by the company would be brought into account in calculating the trading profits of that business.
- (2) Profits and losses from the securities that in accordance with generally accepted accounting practice are—
 - (a) calculated by reference to the fair value of the securities, and
 - (b) recognised in the company's statement of recognised gains and losses or statement of changes in equity,are brought into account in calculating the profits of the trade.
- (3) But subsection (2) does not apply—
 - (a) to an amount so far as deriving from or otherwise relating to an amount brought into account under that subsection in an earlier period of account, or

Status: Point in time view as at 17/07/2012.

 - (a) the company carries on a banking business, an insurance business or a business consisting wholly or partly of dealing in securities,
 - (b) a transaction falling within subsection (2) occurs in relation to securities (“the original holding”), and
 - (c) a profit on the sale of the securities would be brought into account in calculating the trading profits of that business.
- (2) A transaction falls within this subsection if—
 - (a) it results in a new holding being treated as the same as the original holding as a result of sections 126 to 136 of TCGA 1992 (roll-over relief in cases of conversion etc), or
 - (b) it is treated, as a result of section 134 of TCGA 1992 (compensation stock), as an exchange for a new holding which does not involve a disposal of the original holding.
- (3) This section does not apply to securities in respect of which unrealised profits or losses, calculated by reference to the fair value of the securities at the end of the period of account, are taken into account in the period of account in which the transaction occurs.
- (4) The transaction is treated as not involving a disposal of the original holding and the new holding is treated as the same asset as the original holding.
- (5) But if, under the transaction, the company carrying on the trade—
 - (a) receives consideration in addition to the new holding, or
 - (b) becomes entitled to receive such consideration,
 subsection (4) applies as if the references to the original holding were to the proportion of the original holding given by the following fraction.
- (6) The fraction is—

$$\frac{NH}{NH + C}$$

where—

NH is the market value of the new holding at the time of the transaction, and

C is the market value of the consideration at the time of the transaction or (if the consideration is cash) the amount of the consideration.

- (7) In determining whether subsection (2)(a) applies as a result of section 135 or 136 of TCGA 1992, the reference to capital gains tax in section 137(1) of TCGA 1992 is to be read as a reference to income tax.
- (8) In this section “securities” includes—
- (a) shares,
 - (b) rights of unit holders in unit trust schemes to which TCGA 1992 applies as a result of section 99 of TCGA 1992, and

Textual Amendments

F89 Words in s. 162(2) substituted (with effect in accordance with s. 381(1) of the amending Act) by [Taxation \(International and Other Provisions\) Act 2010 \(c. 8\), s. 381\(1\), Sch. 8 para. 125](#) (with [Sch. 9 paras. 1-9, 22](#))

163 Meaning of “trading stock”

- (1) In this Chapter “trading stock” means—
- (a) any property (whether land or other property) which is sold in the ordinary course of the trade or would be so sold if it were mature or its manufacture, preparation or construction were complete, or
 - (b) materials used in the manufacture, preparation or construction of any property mentioned in paragraph (a).
- (2) In this Chapter “trading stock” includes also any services performed in the ordinary course of the trade—
- (a) the performance of which is wholly or partly completed at the time of the cessation, and
 - (b) for which it would be reasonable to expect that a charge would be made if there were no cessation and, in the case of partly completed services, their performance were fully completed,
- and any article produced, and any material used, in the performance of any such services.
- (3) In this Chapter references to the sale or transfer of trading stock include the sale or transfer of any benefits and rights which accrue, or might reasonably be expected to accrue, from the performance of any such services.

- (a) carries on, or intends to carry on, a trade, profession or vocation in the United Kingdom, and
 - (b) is entitled to deduct the cost of the stock as an expense in calculating the profits of that trade, profession or vocation for corporation or income tax purposes, the value is determined in accordance with section 165 (sale to unconnected person), 166 (sale to connected person) or 167 (election by connected persons).
- (3) But if section 125 (preventing abuse of the herd basis rules) applies—
 - (a) the value is not determined in accordance with any of those sections, and
 - (b) the value is instead taken to be that given by section 125 (the price which the animals transferred would have fetched if sold in the open market at the time of the sale).
- (4) In any other case, the value is taken to be the amount which the stock would have realised if sold in the open market at the time of the cessation.

165 Sale basis of valuation: sale to unconnected person

- (1) The value of trading stock is determined in accordance with this section if—
 - (a) it is sold to a person who carries on, or intends to carry on, a trade, profession or vocation in the United Kingdom and is entitled to deduct the cost of the stock as an expense in calculating the profits of that trade, profession or vocation for corporation or income tax purposes, and
 - (b) the buyer is not connected with the seller.
- (2) The value is taken to be the amount in fact realised on the sale.
- (3) If the stock is sold together with other assets, so much of the amount realised on the sale as, on a just and reasonable apportionment, is properly attributable to each asset is treated as the amount realised on the sale of that asset.

166 Sale basis of valuation: sale to connected person

- (1) The value of trading stock is determined in accordance with this section if—
 - (a) it is sold to a person who carries on, or intends to carry on, a trade, profession or vocation in the United Kingdom and is entitled to deduct the cost of the stock as an expense in calculating the profits of that trade, profession or vocation for corporation or income tax purposes,
 - (b) the buyer is connected with the seller, and
 - (c) no election is made under section 167 (election by connected persons).
- (2) The value is taken to be the amount which would have been realised if the sale had been between independent persons dealing at arm's length.

167 Sale basis of valuation: election by connected persons

- (1) The value of trading stock is determined in accordance with this section if—
 - (a) it is sold to a person who carries on, or intends to carry on, a trade, profession or vocation in the United Kingdom and is entitled to deduct the cost of the stock as an expense in calculating the profits of that trade, profession or vocation for corporation or income tax purposes,

- (2) The parties to the sale may make an election under this section if the value of the stock determined under section 166 exceeds both—
 - (a) its acquisition value, and
 - (b) the amount in fact realised on the sale.
- (3) If an election is made, the value is taken to be—
 - (a) its acquisition value, or
 - (b) if greater, the amount in fact realised on the sale.
- (4) An election under this section must be made by both parties not later than two years after the end of the accounting period in which the cessation occurred.
- (5) The “acquisition value” of trading stock means the amount which would have been deductible as representing its acquisition value, in calculating the profits of the trade, on the following assumptions—
 - (a) that the stock had been sold in the course of the trade, immediately before the cessation, for a price equal to the value of the stock determined under section 166, and
 - (b) that the period for which those profits were to be calculated began immediately before the sale.
- (6) If the stock is sold together with other assets, so much of the amount realised on the sale as, on a just and reasonable apportionment, is properly attributable to each asset is treated as the amount realised on the sale of that asset.

168 Connected persons

For the purposes of sections 164 to 167 two persons are connected with each other if any of the following tests is met—

 - (a) a company carrying on a trade changes, from one period of account to the next, the basis on which profits of the trade are calculated for corporation tax purposes,
 - (b) the old basis accorded with the law or practice applicable in relation to the period of account before the change, and
 - (c) the new basis accords with the law and practice applicable in relation to the period of account after the change.
- (2) The practice applicable in any case means the accepted practice in cases of that description as to how profits of a trade should be calculated for corporation tax purposes.
- (3) A company changes the basis on which profits of a trade are calculated for corporation tax purposes if the company makes—
 - (a) a [^{F91}change of accounting policy] (see subsection (4)), or
 - (b) a change in the tax adjustments applied (see subsections (5) and (6)).
- [^{F92}(4) A “change of accounting policy” includes, in particular—

181 Giving effect to positive and negative adjustments

- (1) An amount by way of adjustment must be calculated in accordance with section 182.
- (2) If the amount produced by the calculation is positive—
 - (a) the amount is brought into account as a receipt in calculating the profits of the trade, and
 - (b) the receipt is treated as arising on the first day of the first period of account for which the new basis is adopted.
- (3) If the amount produced by the calculation is negative—
 - (a) a deduction is allowed for the amount as an expense of the trade in calculating the profits of the trade, and
 - (b) the expense is treated as arising on the first day of the first period of account for which the new basis is adopted.
- (4) This section is subject to—
 - (a) section 183 (no adjustment for certain expenses previously brought into account),
 - (b) section 184 (cases where adjustment not required until assets realised or written off), and
 - (c) section 185 (change from realisation basis to mark to market).

182 Calculation of the adjustment

The amount of the adjustment is calculated as follows. *Step 1*

Add together any amounts representing the extent to which, comparing the two bases, profits were understated (or losses overstated) on the old basis.

The amounts are—

	<i>Amounts</i>
1	Receipts which on the new basis would have been brought into account in calculating the profits of a period of account before the change, so far as they were not so brought into account.
2	Expenses which on the new basis fall to be brought into account in calculating the profits of a period of account after the change, so far as they were brought into account in calculating the profits of a period of account before the change.
3	Deductions in respect of opening trading stock or opening work in progress in the first period of account on the new basis, so far as they— <ol style="list-style-type: none">(a) are not matched by credits in respect of closing trading stock or closing work in progress in the

- last period of account before the change, or
 - (b) are calculated on a different basis that if used to calculate those credits would have given a higher figure.
- Amounts recognised for accounting purposes in respect of depreciation in the last period of account before the change, so far as they were not the subject of an adjustment for corporation tax purposes, where such an adjustment would be required on the new basis.

Step 2

Then deduct any amounts representing the extent to which, comparing the two bases, profits were overstated (or losses understated) on the old basis.

The amounts are—

Amounts

- 1
- Receipts which were brought into account in a period of account before the change, so far as they would not have been so brought into account if the profits had been calculated on the new basis.
- 2
- Expenses which were not brought into account in calculating the profits of a period of account before the change, so far as they—
- (a) would have been brought into account for a period of account before the change if the profits had been calculated on the new basis, and
 - (b) would have been brought into account for a period of account after the change if the profits had continued to be calculated on the old basis.
- 3
- Credits in respect of closing trading stock or closing work in progress in the last period of account before the change, so far as they—
- (a) are not matched by deductions in respect of opening trading stock or opening work in progress in the first period of account on the new basis, or

- (b) are calculated on a different basis that if used to calculate those deductions would have given a lower figure.

An amount so deducted may not be deducted again in calculating the profits of a period of account.

Expenses previously brought into account

183 No adjustment for certain expenses previously brought into account

- (1) This section applies if, as a result of a change of basis, expenses brought into account before the change on the old basis would on the new basis be brought into account over more than one period of account after the change.
- (2) In such a case—
 - (a) no adjustment is made under this Chapter, and
 - (b) in calculating the profits of the trade no deduction is allowed for the expenses for any period of account after the change.

Realising or writing off assets

184 Cases where adjustment not required until assets realised or written off

- (1) This section applies if there is a change of basis resulting from a tax adjustment affecting the calculation of any of the following amounts.
- (2) The amounts are—
 - (a) any amount brought into account in respect of closing trading stock in the last period of account before the change of basis,
 - (b) any amount brought into account in respect of opening trading stock in the first period of account on the new basis, and
 - (c) any amount brought into account in respect of depreciation.
- (3) The receipt of the trade or (as the case may be) the expense of the trade is treated as arising only when the asset to which it relates is realised or written off.

Mark to market

185 Change from realisation basis to mark to market

- (1) This section applies if there is a change of basis from—
 - (a) not recognising a profit or loss on an asset until the asset is realised, to
 - (b) bringing assets into account in each period of account at a fair value.
- (2) So far as—
 - (a) a receipt within item 1 of Step 1 in section 182 represents the fair value of an asset that is trading stock, or
 - (b) an expense within item 2 of that step relates to such an asset,

Status: Point in time view as at 17/07/2012.

the receipt of the trade or (as the case may be) the expense of the trade is treated as not arising until the period of account in which the value of the asset is realised.

- (3) In the case of a receipt of the trade, this is subject to any election under section 186 (election for spreading).
- (4) In this section “trading stock” has the same meaning as in section 163.

186 Election for spreading if section 185 applies

- (1) If section 185 applies, the company carrying on the trade may elect for any receipt treated as arising under this Chapter to be spread over 6 periods of account.
- (2) The election must be made within 12 months of the end of the first accounting period to which the new basis applies.
- (3) If an election is made, an amount equal to one-sixth of the amount of the receipt—
 - (a) is treated as arising, and
 - (b) is brought into account in calculating the profits of the trade,
 in each of the 6 periods of account beginning with the first period to which the new basis applies.
- (4) But if, before the whole of the receipt has been so brought into account, the company permanently ceases to carry on the trade, the whole of the amount so far as not previously brought into account—
 - (a) is treated as arising, and
 - (b) is brought into account in calculating the profits of the trade,
 immediately before the cessation.

187 Transfer of insurance business

- (1) This section applies if—
 - (a) an asset to which section 185 or 186 applies is transferred from one insurance company to another,
 - (b) the transfer is made under an insurance business transfer scheme, and
 - (c) immediately after the transfer, the transferee is UK resident or the asset is held for the purposes of a business carried on by the transferee in the United Kingdom through a permanent establishment.
- (2) For the purposes of section 185, the asset is not to be treated as realised by the transferor merely because of its transfer under the scheme.
- (3) If the transfer is of the transferor's whole business, the transferee is responsible under section 185 or 186 for bringing into account any amount required to be brought into account after the transfer.

Status: Point in time view as at 17/07/2012.

188 Charge to tax on post-cessation receipts

The charge to corporation tax on income applies to post-cessation receipts arising from a trade.

189 Extent of charge to tax

- (1) A post-cessation receipt is chargeable to tax under this Chapter only so far as it is not otherwise chargeable to corporation or income tax.
- (2) Accordingly, a post-cessation receipt arising from a trade is not chargeable to tax under this Chapter so far as it is brought into account in calculating the profits of the trade of any period.
- (3) A post-cessation receipt is not chargeable to tax under this Chapter if—
 - (a) it is received by or on behalf of a non-UK resident company which is beneficially entitled to it, and
 - (b) it represents income arising outside the United Kingdom.
- (4) A post-cessation receipt is not chargeable to tax under this Chapter if it arises from a trade carried on wholly outside the United Kingdom.

Meaning of “post-cessation receipts”

- (1) In this Part “post-cessation receipt” means a sum—
 - (a) which is received after a person permanently ceases to carry on a trade, and
 - (b) which arises from the carrying on of the trade before the cessation.
- (2) In this Chapter, except in sections 194 and 195, references to a person permanently ceasing to carry on a trade include—

 - section 82(6) (contributions to local enterprise organisations or urban regeneration companies),

- (a) section 55 (bad debts), or
 - (b) section 35 of ITTOIA 2005 (bad and doubtful debts),
- and a person permanently ceases to carry on the trade.
- (2) A sum received after the cessation is treated as a post-cessation receipt so far as the deduction is made.

193 Debts released after cessation

- (1) This section applies if—
- (a) in calculating the profits of a trade of any period for corporation or income tax purposes, a deduction is allowed for the expense giving rise to a debt owed by the person who carried on the trade,
 - (b) the person has permanently ceased to carry on the trade at or after the end of that period,
 - (c) after the cessation, all or part of the debt is released, and
 - (d) the release is not part of a statutory insolvency arrangement.

Status: Point in time view as at 17/07/2012.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2009. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (b) the transferor transfers to another person (“the transferee”) for value the right to receive sums arising from the carrying on of the trade, and
 - (c) the transferee does not subsequently carry on the trade.
- (2) The transferor is treated as receiving a post-cessation receipt.
- (3) The amount of the receipt is—
 - (a) the amount or value of the consideration for the transfer, if the transfer is at arm's length, or
 - (b) the value of the rights transferred as between parties at arm's length, if the transfer is not at arm's length.
- (4) Any sums mentioned in subsection (1)(b) which are received after the cessation of the trade are not post-cessation receipts.

Sums that are not post-cessation receipts

195 Transfer of trading stock

- (1) When a company permanently ceases to carry on a trade, a sum realised by the transfer of trading stock is not a post-cessation receipt if a valuation of the stock is brought into account in accordance with Chapter 11 (valuation of stock).
- (2) In this section “trading stock” has the meaning given by section 163.

Deductions

196 Allowable deductions

- (1) In calculating the amount on which tax is charged under this Chapter, deductions are allowed in accordance with—
 - (a) this section, and
 - (b) section 197,from the amount which would otherwise be chargeable to tax under this Chapter.

 - (b) would have been deducted from or set off against the profits of the trade for corporation or income tax purposes,but no deduction is allowed if the loss, expense or debit arises directly or indirectly from the cessation itself.
- (3) No deduction for an amount is allowed under this section if the amount has been allowed under any other provision of the Tax Acts.

197 Further rules about allowable deductions

- (1) An amount may not be deducted more than once under section 196.

- (2) A deduction under that section of a loss must be made from post-cessation receipts charged for an earlier accounting period in preference to those charged for a later accounting period.
- (3) But this does not authorise the deduction of a loss from post-cessation receipts charged for an accounting period before the accounting period in which the loss is made.

198 Election to carry back

- (1) This section applies if a post-cessation receipt is received by a company in an accounting period beginning not later than 6 years after the company permanently ceased to carry on the trade.
- (2) The company may elect that the tax chargeable in respect of the receipt is to be charged as if the receipt had been received on the date of the cessation (but see sections 199 and 200).
- (3) The election must be made before the end of the period of two years beginning immediately after the end of the accounting period in which the receipt is received.

199 Deductions already made are not displaced

- (1) This section applies if—
 - (a) a company which has permanently ceased to carry on a trade makes an election under section 198 in respect of a post-cessation receipt (“the carried back receipt”), and
 - (b) a deduction in respect of a loss has already been made under section 196 for an accounting period later than that in which the cessation occurred.
- (2) Nothing in section 196 (read with section 197(2)) requires or permits a deduction in respect of that loss to be allowed, as a result of the election, for the accounting period in which the cessation occurred instead of the accounting period for which the deduction has already been made.
- (3) But if the deduction was made for the accounting period in which the carried back receipt was received, subsection (2) applies to the loss only so far as it has been deducted from post-cessation receipts other than the carried back receipt.

200 Election given effect in accounting period in which receipt is received

- (1) If a company makes an election under section 198, the additional tax is payable for the accounting period in which the receipt is received (and not for the accounting period in which the cessation occurred).
- (2) In subsection (1) “the additional tax” means an amount of tax equal to the difference between—
 - (a) the amount of tax that is chargeable on the company for the accounting period in which the cessation occurred (“amount A”), and
 - (b) the amount of tax that would have been chargeable on the company for that period if the election had not been made (“amount B”).

Status: Point in time view as at 17/07/2012.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2009. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

(3) If—

- (a) the company has made, under section 198, one or more other elections for receipts to be treated as received in the period in which the cessation occurred, and

section 217 (lease premiums),
 section 218 (amount treated as lease premium where work required),
 section 220 (sums payable for surrender of lease), and
 section 222 (assignments for profit of lease granted at undervalue).

- (3) The amounts relate to any lease in the case of—
 section 219 (sums payable instead of rent), and
 section 221 (sums payable for variation or waiver of terms of lease).
- (4) The amounts relate to the sale of any estate or interest in land in the case of—

 section 225 (sale and leaseback transactions).
- (5) This Chapter also permits certain deductions in calculating the profits of property businesses carried on by tenants under certain leases (see sections 231 and 232).

216 Meaning of “short-term lease”

In this Chapter “short-term lease” means a lease whose effective duration is 50 years or less.

Amounts treated as receipts: leases

217 Lease premiums

- (1) This section applies if a premium is required to be paid—
 (a) under a short-term lease, or
 (b) otherwise under the terms subject to which a short-term lease is granted.
- (2) The company to which the premium is due is treated as—
 (a) entering into a transaction mentioned in section 205 (if the land to which the lease relates is in the United Kingdom) or section 206 (if that land is outside the United Kingdom), and
 (b) receiving the amount calculated under subsections (4) and (5) as a result of that transaction.
- (3) That amount is brought into account as a receipt in calculating the profits of the property business which consists of or includes that transaction for the accounting period in which the lease is granted.
- (4) The amount of the receipt is given by the formula—

$$P \times 50 - Y50$$

where—

P is the premium, and

Y is the number of complete periods of 12 months (other than the first) comprised in the effective duration of the lease.

Status: Point in time view as at 17/07/2012.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2009. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (5) But, if the rule in section 228 (the additional calculation rule) applies, the amount given by the formula in subsection (4) is reduced by the amount calculated in accordance with section 228.

218 Amount treated as lease premium where work required

- (1) This section applies if the terms subject to which a lease is granted impose on the tenant an obligation to carry out work on the premises.
- (2) The lease is treated for the purposes of section 217 (lease premiums) as requiring the payment of a premium to the landlord (in addition to any other premium).
- (3) The amount of the premium is the amount by which the value of the landlord's estate or interest immediately after the commencement of the lease exceeds what its value would have been at that time if the terms of the lease did not impose the obligation on the tenant.
- (4) An obligation, or part of an obligation, that requires the carrying out of excepted work is ignored for the purposes of this section.
- (5) Work is “excepted work” if the payment for carrying it out would, if the landlord and not the tenant were obliged to carry it out, be deductible as an expense in calculating the profits of the landlord's property business.

219 Sums payable instead of rent

- (1) This section applies if—
- (a) under the terms subject to which a lease is granted a sum becomes payable by the tenant instead of the whole or a part of the rent for a period, and
 - (b) the period is 50 years or less.
- (2) The company to which the sum is due is treated as—
- (a) entering into a transaction mentioned in section 205 (if the land to which the lease relates is in the United Kingdom) or section 206 (if that land is outside the United Kingdom), and

- (3) That amount is brought into account as a receipt in calculating the profits of the property business which consists of or includes that transaction for the accounting period in which the sum becomes payable.
- (4) The amount of the receipt is given by the formula—

$$S \times 50 - Y50$$

where—

S is the sum payable instead of rent, and

Status: Point in time view as at 17/07/2012.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2009. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (5) But, if the rule in section 228 (the additional calculation rule) applies, the amount given by the formula in subsection (4) is reduced by the amount calculated in accordance with section 228.
- (6) In determining for the purposes of this Chapter the duration of the period in relation to which the sum is payable, any part of the period that falls after the expiry of the effective duration of the lease is excluded.

220 Sums payable for surrender of lease

- (1) This section applies if, under the terms subject to which a short-term lease is granted, a sum becomes payable by the tenant as consideration for the surrender of the lease.
- (2) The company to which the sum is due is treated as—

 - (b) receiving the amount calculated under subsections (4) and (5) as a result of that transaction.

221 Sums payable for variation or waiver of terms of lease

- (1) This section applies if—

- (4) The amount of the receipt is given by the formula—

$$S \times 50 - Y50$$

where—

S is the sum payable as consideration for the variation or waiver, and

Y is the number of complete periods of 12 months (other than the first) comprised in the period for which the variation or waiver has effect.

- (5) But, if the rule in section 228 (the additional calculation rule) applies, the amount given by the formula in subsection (4) is reduced by the amount calculated in accordance with section 228.
- (6) In determining for the purposes of this Chapter the duration of the period for which the variation or waiver has effect, any part of the period that falls after the expiry of the effective duration of the lease is excluded.

 - (b) in the case of a receipt under section 221, the lease was granted out of a taxed lease, and
 - (c) in the case of a receipt under section 222, the assignment is of a taxed lease.
- (4) A lease is a “taxed lease” for the purposes of this Chapter if—
- (a) there is a receipt under any of sections 217 to 222 in respect of the lease,
 - (b) there would be such a receipt, but for the operation of the rule in section 228 (the additional calculation rule) in the calculation of its amount,

- (3) The amount of the reduction is—
 - (a) if there is one taxed receipt which has an unused amount, the basic relieving amount by reference to that receipt, and
 - (b) if there is more than one taxed receipt which has an unused amount, the total of the basic relieving amounts by reference to each receipt, adjusted, if necessary, in the light of section 229(5) (reduction not to exceed amount being reduced).
- (4) The basic relieving amount by reference to a taxed receipt is given by the formula—

$$\frac{A \times \text{LRP}}{\text{TRP}}$$

where—

A is the unreduced amount of the taxed receipt (which is, generally, the amount given by the formula in section 217, 219, 220, 221 or 222, or in section 277, 279, 280, 281 or 282 of ITTOIA 2005, but see section 230(2) to (4) of this Act),

LRP is the receipt period of the receipt under calculation, and

TRP is the receipt period of the taxed receipt.

- (5) But the basic relieving amount is different if section 229(2) or (4) applies (certain special cases).
- (6) For the purposes of this Chapter, the “receipt period” of a receipt is—
 - (a) in the case of a receipt under section 217 or 220, the effective duration of the lease,
 - (b) in the case of a receipt under section 219, the period in relation to which the sum payable instead of rent is payable,
 - (c) in the case of a receipt under section 221, the period for which the variation or waiver has effect,
 - (d) in the case of a receipt under section 222, the effective duration of the lease remaining at the date of the assignment, and
 - (e) in the case of a receipt under Chapter 4 of Part 3 of ITTOIA 2005 (profits of property businesses: lease premiums etc), its receipt period within the meaning of that Chapter (see section 288(6) of that Act).

229 The additional calculation rule: special cases

- (1) This section explains how section 228 operates in some special cases.

Status: Point in time view as at 17/07/2012.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2009. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (2) If—
- (a) the receipt under calculation is under any of sections 217 to 221, and
 - (b) the lease does not extend to the whole of the premises subject to the taxed lease,
- the basic relieving amount by reference to a taxed receipt is calculated by multiplying the amount given by the formula in subsection (4) of section 228 by the fraction of those premises which is subject to the lease.
- (3) This fraction is calculated on a just and reasonable basis.
- (4) If the basic relieving amount given by section 228(4) or subsection (2) above by reference to a taxed receipt would otherwise exceed the unused amount of the taxed receipt, the basic relieving amount is the unused amount.
- (5) If the amount of the reduction under section 228 would otherwise exceed the amount given, in respect of the receipt under calculation, by the formula in section 217, 219, 220, 221 or 222, the amount of the reduction is equal to the amount given by the formula.

230 Meaning of “unused amount” and “unreduced amount”

- (1) For the purposes of this Chapter, a taxed receipt has an “unused amount” if the unreduced amount exceeds the total of the reductions and deductions referred to in subsection (5).
- (2) In this Chapter the “unreduced amount” of a taxed receipt is the amount given, in respect of the taxed receipt, by the formula in—
- (a) section 217, 219, 220, 221 or 222 above, or
 - (b) section 277, 279, 280, 281 or 282 of ITTOIA 2005 (income tax provisions corresponding to those listed in paragraph (a)).
- (3) Subsection (4) applies—
- (a) to a taxed receipt under section 217 (lease premiums) as a result of section 218 (amount treated as lease premium where work required), and
 - (b) to a taxed receipt under section 277 of ITTOIA 2005 (lease premiums) as a result of section 278 of that Act (amount treated as lease premium where work required).
- (4) If the obligation to carry out work included the carrying out of work which gives, or will give, rise to qualifying expenditure under CAA 2001, the unreduced amount of the taxed receipt is calculated as if the obligation had not included the carrying out of that work.
- (5) The reductions and deductions mentioned in subsection (1) are—
- (a) the reductions under section 228 above or section 288 of ITTOIA 2005 (the additional calculation rule) by reference to the taxed receipt,
 - (b) the deductions made in calculating the profits of a trade, profession or vocation for expenses under section 63 above or section 61 of ITTOIA 2005 (tenant under taxed lease who uses land in connection with trade treated as incurring expenses) by reference to the taxed receipt, and
 - (c) the deductions made in calculating the profits of a property business for expenses under section 232 below or section 292 of ITTOIA 2005 (tenant

under taxed lease who uses premises for purposes of property business treated as incurring expenses) by reference to the taxed receipt.

- (6) For the purposes of this Chapter references to a reduction under section 228 above or section 288 of ITTOIA 2005 by reference to a taxed receipt are to a reduction under the section concerned so far as attributable to the taxed receipt.

Deductions in relation to certain receipts

231 Deductions for expenses under section 232

- (1) Section 232 (tenants under taxed leases treated as incurring expenses) applies in calculating the profits of a property business carried on by the tenant under a taxed lease for the purpose of making deductions for the expenses of the property business.
- (2) A deduction is allowed for an expense under section 232 for a qualifying day on which the whole or part of the premises subject to the taxed lease is—
 - (a) occupied by the tenant for the purpose of carrying on the property business, or
 - (b) sublet.
- (3) But any deduction for an expense under section 232 is subject to the application of any provision of Chapter 4 of Part 3 (as applied to property businesses by section 210).
- (4) The amount of the deduction for an expense under section 232 for a qualifying day by reference to a taxed receipt may be reduced in order to comply with section 235 (limit on reductions and deductions).
- (5) For the meaning of expressions used in this section, see in particular—

section 227(4) (“taxed lease”), and

Section 227(4) (“taxed receipt”).

232 Tenants under taxed leases treated as incurring expenses

- (1) The tenant under a taxed lease is treated as incurring an expense of a revenue nature in respect of the premises subject to the taxed lease for each qualifying day.
- (2) If there is more than one taxed receipt, this section applies separately in relation to each of them.
- (3) A day is a “qualifying day”, in relation to a taxed receipt, if it falls within the receipt period of the taxed receipt.
- (4) The amount of the expense for the qualifying day by reference to the taxed receipt is given by the formula—

$$\frac{A}{\text{TRP}}$$

where—

Status: Point in time view as at 17/07/2012.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2009. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

A is the unreduced amount of the taxed receipt, and

TRP is the number of days in the receipt period of the taxed receipt.

- (5) This section is subject to sections 233 and 234 (restrictions on expenses where the additional calculation rule is relevant).
- (6) For the meaning of expressions used in this section, see in particular—
 - section 228(6) (“receipt period”), and
 - section 230(2) to (4) (“unreduced amount”).

233 Restrictions on section 232 expenses: the additional calculation rule

- (1) This section applies if—
 - (a) in calculating the amount of a receipt under this Chapter there is a reduction under section 228 (the additional calculation rule) by reference to a taxed receipt, or
 - (b) in calculating the amount of a receipt under Chapter 4 of Part 3 of ITTOIA 2005 (profits of a property business: lease premiums etc) there is a reduction under section 288 of that Act (the additional calculation rule) by reference to a taxed receipt.

The receipt that is so reduced is referred to in this section as the “lease premium receipt”.

- (2) Subsections (3) to (5) provide for the application of section 232 for a qualifying day that falls within the receipt period of the lease premium receipt.
- (3) The tenant under the taxed lease is treated as incurring an expense under section 232 for the qualifying day by reference to the taxed receipt only if the daily amount of the taxed receipt exceeds the daily reduction of the lease premium receipt.
- (4) If the condition in subsection (3) is met, the amount of the expense under section 232 for the qualifying day by reference to the taxed receipt is equal to that excess.
- (5) If the qualifying day falls within the receipt periods of more than one lease premium receipt, the reference in subsection (3) to the daily reduction of the lease premium receipt is to be read as a reference to the total of the daily reductions of each of the lease premium receipts whose receipt period includes the qualifying day.
- (6) In this section—
 - the “daily amount” of the taxed receipt is given by the formula—

$$\frac{A}{\text{TRP}}$$

where—

A is the unreduced amount of the taxed receipt (see section 230(2) to (4)), and

Status: Point in time view as at 17/07/2012.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2009. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

TRP is the number of days in the receipt period of the taxed receipt, and the “daily reduction” of a lease premium receipt is given by the formula—

$$\frac{AR}{RRP}$$

where—

AR is the reduction under section 228 above or section 288 of ITTOIA 2005 by reference to the taxed receipt (see section 230(6)), and

RRP is the number of days in the receipt period of the lease premium receipt.

- (7) Section 234 explains how this section operates if the lease premium receipt is in respect of a lease that has been granted out of the taxed lease and does not extend to the whole of the premises subject to the taxed lease.

234 Restrictions on section 232 expenses: lease of part of premises

- (1) This section applies if—
- (a) a lease has been granted out of the taxed lease,
 - (b) the lease does not extend to the whole of the premises subject to the taxed lease, and
 - (c) the condition in subsection (2) is met.
- (2) The condition is that—
- (a) in calculating the amount of a receipt under any of sections 217 to 221 (receipts in respect of lease premiums or sums payable instead of rent, for surrender of lease or for variation or waiver of terms of lease) in respect of the lease, there is a reduction under section 228 by reference to a taxed receipt, or
 - (b) in calculating the amount of a receipt under any of sections 277 to 281 of ITTOIA 2005 (receipts in respect of lease premiums or sums payable instead of rent, for surrender of lease or for variation or waiver of terms of lease) in respect of the lease, there is a reduction under section 288 of that Act (the additional calculation rule) by reference to a taxed receipt.

The receipt that is so reduced is referred to in this section as the “lease premium receipt”.

- (3) Subsections (4) to (6) apply for a qualifying day that falls within the receipt period of the lease premium receipt.
- (4) Sections 232 and 233 apply separately in relation to the part of the premises subject to the lease and to the remainder of the premises.
- (5) If—
- (a) more than one lease that does not extend to the whole of the premises subject to the taxed lease has been granted out of the taxed lease, and

Status: Point in time view as at 17/07/2012.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2009. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (b) the qualifying day falls within the receipt period of two or more lease premium receipts that relate to different leases,
sections 232 and 233 apply separately in relation to each part of the premises subject to a lease to which such a receipt relates and to the remainder of the premises.
- (6) Where sections 232 and 233 apply in relation to a part of the premises, A becomes the amount calculated by multiplying the unreduced amount of the taxed receipt by the fraction of the premises constituted by the part.
- (7) This fraction is calculated on a just and reasonable basis.

Limit on effect of additional calculation rule and deductions

235 Limit on reductions and deductions

- (1) The total of—
 - (a) the reductions under section 228 by reference to a taxed receipt, and
 - (b) the deductions allowed in calculating the profits of a property business for expenses under section 232 (tenant under taxed lease which uses premises for purposes of property business treated as incurring expenses) by reference to the taxed receipt,must not exceed the amount referred to in subsection (2).
- (2) The amount mentioned in subsection (1) is the difference between—
 - (a) the unreduced amount of the taxed receipt, and
 - (b) the total of the amounts mentioned in subsection (3).
- (3) Those amounts are—
 - (a) the reductions under section 288 of ITTOIA 2005 (the additional calculation rule) by reference to the taxed receipt,
 - (b) the deductions made in calculating the profits of a property business for expenses under section 292 of ITTOIA 2005 (tenant under taxed lease who uses premises for purposes of property business treated as incurring expenses) by reference to the taxed receipt, and
 - (c) the deductions made in calculating the profits of a trade, profession or vocation for expenses under section 63 above or section 61 of ITTOIA 2005 (tenant under taxed lease who uses land in connection with trade treated as incurring expenses) by reference to the taxed receipt.

- (2) If the seller makes a claim, the seller must be repaid the amount by which A exceeds B, where—
 - A is the amount of tax paid by the seller which was payable by virtue of section 224, and

Effective duration of lease

243 Rules for determining effective duration of lease

- (1) The following rules apply for determining the effective duration of a lease for the purposes of this Chapter.

Rule 1: If—

- (a) the terms of the lease or any other circumstances make it unlikely that the lease will continue beyond a date before the end of the term for which the lease was granted, and
- (b) the premium was not substantially greater than it would have been had the term been one ending on that date,

the lease is treated as ending on that date (or the earliest such date).

Rule 2: If the terms of the lease include provision for the extension of the lease beyond a given date by notice given by the tenant, account may be taken of any circumstances making it likely that the lease will be so extended.

Rule 3: If the tenant or a person connected with the tenant is, or may become, entitled to a further lease or the grant of a further lease (whenever commencing)—

- (a) of the same premises, or
- (b) of premises including the whole or part of the same premises,

the term of the lease may be treated as continuing until the end of the term of the further lease.

- (2) The rules are to be applied in accordance with section 244.
- (3) In Rule 1, “premium” includes—
 - (a) an amount treated as a premium under section 218 (amount treated as lease premium where work required),

- (b) a sum payable by the tenant under the terms subject to which the lease is granted instead of the whole or a part of the rent for a period,
 - (c) a sum payable by the tenant under the terms subject to which the lease is granted as consideration for the surrender of the lease, and
 - (d) a sum payable by the tenant (otherwise than by way of rent) as consideration for the variation or waiver of a term of the lease.
- (4) In this section and section 244, in relation to Scotland, “term”, where referring to the duration of a lease, means period.

244 Applying the rules in section 243

- (1) The rules in section 243 apply by reference to the facts known or ascertainable—
- (a) at the time of the grant of the lease, or
 - (b) if the determination is for the purposes of section 221 (sums payable for variation or waiver of terms of lease), at the time when the contract for the variation or waiver is entered into.
- (2) In applying those rules, it is assumed that all parties concerned, whatever their relationship, act as if they were at arm's length.
- (3) Subsection (5) applies if—
- (a) special benefits were conferred by the lease or in connection with its grant, or
 - (b) payments were made which one would not expect to be made by parties acting at arm's length unless such benefits had been conferred.
- (4) But subsection (5) does not apply if it can be shown that the special benefits were not conferred nor the payments made for the purpose of securing—
- (a) a corporation tax advantage in the application of this Chapter, or
 - (b) an income tax advantage in the application of Chapter 4 of Part 3 of ITTOIA 2005 (profits of property business: lease premiums etc).
- (5) In applying paragraph (b) of Rule 1 in section 243, it is assumed that the special benefits would not have been conferred nor the payments made if the lease had been granted for a term ending on the date mentioned in that rule.

- (4) In the application of this Chapter to Scotland—
 - (a) references to a lease being granted out of a taxed lease are to the grant of a sublease of land subject to the taxed lease, and

- (4) If, on a just and reasonable apportionment of any expenditure, part of the expenditure would qualify for the relief (but the remainder would not), a deduction is allowed for that part.
- (5) “Energy-saving item” means an item of an energy-saving nature of such description as is for the time being specified in regulations made by the Treasury.
- (6) The Treasury may by regulations provide for an item to be an energy-saving item only if it satisfies such conditions as may be—

 - (b) the next 20 tax years.
- (4) The amount of the deduction is 1/21 of the expenditure.
- (5) The deduction is apportioned between the accounting period or periods comprised in the tax year, but—

 - (a) the transferor and the transferee are entitled to a part of any deduction under section 254, and
 - (b) the amount of the deduction is determined by what is just and reasonable.
- (3) For subsequent tax years in the deduction period, the entitlement to any deduction under section 254 depends on whether the interest transferred is in the whole of the premises or in part of them.
- (4) If the interest transferred is in the whole of the premises, the transferee (but not the transferor) is entitled to any deduction under section 254.
- (5) If the interest transferred is in part of the premises—
 - (a) the transferor and the transferee are entitled to a part of any deduction under section 254, and
 - (b) the amount of the deduction is determined by reference to what is properly referable to the part of the premises.

- (2) If a new lease of the premises is granted and the new tenant makes a payment in respect of the embankment in question to the old tenant, the transferee is the new tenant.
- (3) Otherwise the transferee is the owner of the interest in immediate reversion on the lease (or, in Scotland, the landlord).

257 Transfer involving person within the charge to income tax

- (1) This section explains how section 255 works if—
 - (a) the transferor is a company within the charge to corporation tax and the transferee is a person within the charge to income tax, or

- (2) Section 255 applies only for the purpose of determining—
 - (a) whether the company within the charge to corporation tax is entitled to a deduction (or part of a deduction) under section 254, and
 - (b) the amount of any such deduction.
- (3) Accordingly, any reference to—
 - (a) whether a person is entitled to a deduction (or part of a deduction) under section 254, or
 - (b) the amount of any such deduction,
 is ignored if the person is within the charge to income tax.
- (4) For any entitlement of a person within the charge to income tax to a deduction for any of the expenditure, see sections 316 to 318 of ITTOIA 2005 (corresponding income tax provisions).

General principles about the bringing into account of credits and debits

307 General principles about the bringing into account of credits and debits

- (1) This Part operates by reference to the accounts of companies and amounts recognised for accounting purposes.
- (2) The general rule is that the amounts to be brought into account by a company as credits and debits for any period for the purposes of this Part are those that are recognised in determining the company's profit or loss for the period in accordance with generally accepted accounting practice.
- (3) The credits and debits to be brought into account in respect of a company's loan relationships are the amounts that, when taken together, fairly represent for the accounting period in question—
 - (a) all profits and losses of the company that arise to it from its loan relationships and related transactions (excluding interest or expenses),
 - (b) all interest under those relationships, and
 - (c) all expenses incurred by the company under or for the purposes of those relationships and transactions.
- (4) Expenses are only treated as incurred as mentioned in subsection (3)(c) if they are incurred directly—
 - (a) in bringing any of the loan relationships into existence,
 - (b) in entering into or giving effect to any of the related transactions,
 - (c) in making payments under any of those relationships or as a result of any of those transactions, or
 - (d) in taking steps to ensure the receipt of payments under any of those relationships or in accordance with any of those transactions.
- (5) For the treatment of pre-loan relationship and abortive expenses, see section 329.
- (6) Subsection (2) is subject to the provisions of this Part and, in particular, subsection (3).

Amounts recognised in determining a company's profit or loss

308 Amounts recognised in determining a company's profit or loss

- (1) References in this Part to an amount recognised in determining a company's profit or loss for a period are references to an amount recognised in—
 - (a) the company's profit and loss account, income statement or statement of comprehensive income for that period,

Status: Point in time view as at 17/07/2012.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2009. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (b) the company's statement of total recognised gains and losses, statement of recognised income and expense, statement of changes in equity or statement of income and retained earnings for that period, or
 - (c) any other statement of items taken into account in calculating the company's profits and losses for that period.
- (2) If, in accordance with generally accepted accounting practice, an amount is shown as a prior period adjustment in any statement within subsection (1), it must be brought into account for the purposes of this Part in calculating the company's profits and losses for the period to which the statement relates.
- (3) Subsection (2) does not apply to an amount recognised for accounting purposes by way of correction of a fundamental error.

309 Companies without GAAP-compliant accounts

- (1) If a company—
 - (a) draws up accounts which are not GAAP-compliant accounts, or
 - (b) does not draw up accounts at all,this Part applies as if GAAP-compliant accounts had been drawn up.
- (2) Accordingly, references in this Part to amounts recognised for accounting purposes are references to the amounts that would have been recognised if GAAP-compliant accounts had been drawn up for the period of account in question and any relevant earlier period.
- (3) For this purpose a period of account is relevant to a later period if the accounts for the later period rely to any extent on amounts derived from the earlier period.
- (4) In this section “GAAP-compliant accounts” means accounts drawn up in accordance with generally accepted accounting practice.

310 Power to make regulations about recognised amounts

- (1) The Treasury may by regulations—
 - (a) make provision excluding from section 308(1) or (2) amounts of a specified description, and
 - (b) make provision for or in connection with bringing into account in specified circumstances amounts in relation to which section 308(1) or (2) does not have effect as a result of regulations under paragraph (a).
- (2) The regulations may provide that section 308(1) or (2) does not apply to specified amounts in a period of account so far as they derive from or otherwise relate to amounts brought into account in a specified way in a previous period of account.
- (3) The regulations may—
 - (a) make different provision for different cases, and
 - (b) make provision subject to an election or to other specified conditions.
- (4) The regulations may apply to periods of account beginning before they are made, but not earlier than the beginning of the calendar year in which they are made.
- (5) The power to make regulations under this section does not apply to exchange gains or losses (but see section 328(4) to (7)).

Status: Point in time view as at 17/07/2012.

Accounting bases

313 Basis of accounting: “amortised cost basis”, “fair value accounting” and “fair value”

- (1) The general rule is that the amounts to be brought into account by a company as credits and debits for any period of account for the purposes of this Part may be determined on any basis of accounting that is in accordance with generally accepted accounting practice and, in particular, an amortised cost basis of accounting or fair value accounting.
- (2) But subsection (1) is subject to sections 307(3) and (4) and the following provisions (which require a particular accounting basis to be used)—
 - (a) section 312(5) and (6) (determination of credits and debits where amounts not fully recognised for accounting purposes),
 - (b) section 349(2) (application of amortised cost basis to connected companies relationships),
 - (c) section 382(2) (company partners using fair value accounting),
 - (d) section 399(2) (index-linked gilt-edged securities: application of fair value accounting),
 - (e) section 453(2) (application of fair value accounting where connected parties derive benefit from creditor relationships),
 - (f) section 454(4) (application of fair value accounting: reset bonds etc),
 - (g) section 482(2) (application of amortised cost basis of accounting to discounts arising from a money debt under a relevant non-lending relationship),
 - (h) section 490(3) (holdings in OEICs, unit trusts and offshore funds: application of fair value accounting), and
 - (i) section 534(1) (application of fair value accounting where section 523 applies).

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2009. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (4) In this Part “amortised cost basis of accounting”, in relation to a company's loan relationship, means a basis of accounting under which an asset or liability representing the loan relationship is shown in the company's accounts at cost adjusted for cumulative amortisation and any impairment, repayment or release.
- (5) In this Part “fair value accounting” means a basis of accounting under which assets and liabilities are shown in the company's balance sheet at their fair value.
- (6) In this Part “fair value”, in relation to a loan relationship of a company, means the amount which, at the time as at which the value is to be determined, is the amount which the company would obtain from or, as the case may be, would have to pay to a knowledgeable and willing person dealing at arm's length for—
 - (a) the transfer of all the company's rights under the relationship, and
 - (b) the release of all the company's liabilities under it.

314 Power to make regulations about changes from amortised cost basis

- (1) This section applies if the credits or debits to be brought into account for the purposes of this Part in respect of assets or liabilities of a company—
 - (a) are required in accordance with generally accepted accounting practice to be dealt with for accounting purposes using fair value accounting, and
 - (b) were previously dealt with for those purposes on an amortised cost basis.
- (2) The Treasury may by regulations provide that the credits or debits must continue to be determined on an amortised cost basis of accounting.
- (3) The regulations may—
 - (a) make different provision for different cases,
 - (b) make incidental, supplemental, consequential and transitional provision and savings, and
 - (c) make provision subject to an election or to other specified conditions.

Adjustments on change of accounting policy

315 Introduction to sections 316 to 319

- (1) Sections 316 to 319 apply if—
 - (a) there is a change of accounting policy in drawing up a company's accounts from one period of account to the next, and
 - (b) the accounting policy in each of those periods accords with the law and practice applicable in relation to that period.
- (2) In this section and sections 316 to 319—
 - (a) the first of those periods of account is referred to as “the earlier period”, and
 - (b) the next is referred to as “the later period”.
- (3) Sections 316 to 319 apply, in particular, if—
 - (a) the company prepares accounts for the earlier period in accordance with UK generally accepted accounting practice and for the later period in accordance with international accounting standards, or

Status: Point in time view as at 17/07/2012.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2009. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (b) the company prepares accounts for the earlier period in accordance with international accounting standards and for the later period in accordance with UK generally accepted accounting practice.
- (4) For a case where this section and sections 316 to 318 apply as if a change of accounting policy had occurred, see section 416(5) (election for application of sections 415 and 585).

316 Change of accounting policy involving change of value

- (1) If there is an increase in the carrying value of an asset representing a loan relationship of the company between—
 - (a) the end of the earlier period, and
 - (b) the beginning of the later period,
 a credit equal to the increase must be brought into account for the purposes of this Part for the later period.
- (2) If there is a decrease in the carrying value of such an asset between—
 - (a) the end of the earlier period, and
 - (b) the beginning of the later period,
 a debit equal to the decrease must be brought into account for the purposes of this Part for the later period.
- (3) If there is an increase in the carrying value of a liability representing a loan relationship of the company between—
 - (a) the end of the earlier period, and
 - (b) the beginning of the later period,
 a debit equal to the increase must be brought into account for the purposes of this Part for the later period.
- (4) If there is a decrease in the carrying value of such a liability between—
 - (a) the end of the earlier period, and
 - (b) the beginning of the later period,
 a credit equal to the decrease must be brought into account for the purposes of this Part for the later period.
- (5) This section does not apply so far as such a credit or debit as is mentioned in this section falls to be brought into account apart from this section.

317 Carrying value

- (1) In section 316 “carrying value” means the carrying value of the asset or liability recognised for accounting purposes, except as provided in subsection (4).

- (4) In determining the profits and losses to be recognised in determining the carrying value of the asset or liability for the purposes of this section, the provisions specified in subsection (5) apply as they apply for the purposes of determining the credits and debits to be brought into account under this Part.
- (5) Those provisions are—
- [^{F141}(za) sections 311 and 312 (amounts not fully recognised for accounting purposes),]

- (3) For the accounting period in which the transaction or, as the case may be, the first of the series of transactions takes place, the transferor is treated as having entered into that transaction for consideration of an amount equal to the notional carrying value of the asset or liability representing the relationship (see subsection (6)).
- (4) For any accounting period in which the transferee is a party to the relationship, it is treated as if it had acquired the asset or liability representing the relationship for consideration of an amount equal to its notional carrying value.
- (5) If a discount arises in respect of the transaction or series of transactions, the consideration is increased for the purposes of subsection (3) (but not subsection (4)) by the amount of the discount.
- (6) For the purposes of this section—
 - (a) “carrying value” has the same meaning as it has for the purposes of section 316 (see section 317),
 - (b) section 480(5) (when discount arises) applies as it applies for the purposes of section 480, and
 - (c) “notional carrying value”, in relation to an asset or liability, means the amount which would have been its carrying value in the accounts of the transferor if a period of account had ended immediately before the date when the transferor ceased to be a party to the loan relationship.
- (7) [^{F157}Part 4 of TIOPA 2010] (provision not at arm's length) does not apply in relation to the amounts in respect of which credits or debits are to be brought into account under this section.
- (8) This section is subject to sections 332 and 341.

- (4) If a discount arises in respect of the transaction or series of transactions, the transferor’s amount is increased for the purposes of subsection (2) (but not subsection (3)) by the amount of the discount.

- (6) It does not matter for the purposes of subsection (5) if the transferor does not otherwise use fair value accounting in respect of the loan relationship.
- (7) For the purposes of this section, section 480(5) (when discount arises) applies as it applies for the purposes of section 480.

- (3) For the purposes of this section, the notional carrying value of that asset is the amount that would have been its carrying value in the accounts of the receiving company if a period of account had ended immediately before the date when the exchange occurred.

- (3) For any accounting period in which company B is a party to the loan relationship, for the purpose of determining the credits and debits to be brought into account in respect of the relationship for the purposes of this Part, company B is treated as if it had acquired the asset representing the relationship for consideration of an amount equal to the disposal amount.
- (4) Subsections (5) and (6) of section 341 apply for the purposes of this section as they apply for the purpose of that section, taking references in that section to the transferor as references to the receiving company.

- (4) In this section and sections 345 and 346—

“the relevant 6 year period” means the period of 6 years following—

 - (c) the transferee had immediately reacquired the asset or liability for consideration of the same amount.
- (3) Condition A is that if this Part applied as mentioned in subsection (2) because of that subsection applying, a credit would be brought into account for the purposes of this Part by the transferee because of subsection (2)(a) and (b).
- (4) Condition B is that—
 - (a) the relevant loan relationship is a creditor relationship,
 - (b) the transferee has a hedging relationship between a derivative contract and the creditor relationship, and

- (2) In particular, see—
 - (a) sections 354 to 357 (which prevent debits in respect of impairment losses and release debits from being brought into account in the case of connected companies relationships, subject to some exceptions),
 - (b) sections 358 to 360 (which exclude credits in respect of the release of debts or the reversal of impairments from being brought into account in that case,^{F161} subject to some exceptions]), and
 - (c) sections 361 to 363 (which treat debt releases as occurring when impaired debts become held by companies which might otherwise benefit from the exclusion under section 358).

^{F162}(3)

- (4) Section 466 (companies connected for an accounting period) applies for the purposes of sections 354 to 360.

Exclusion of debits for impaired or released connected companies debts

354 Exclusion of debits for impaired or released connected companies debts

- (1) The general rule is that no impairment loss or release debit in respect of a company's creditor relationship is to be brought into account for the purposes of this Part for an accounting period if section 349 (application of amortised cost basis to connected companies relationship) applies to the relationship for the period.
- (2) That rule is subject to—
 - (a) section 356 (swapping debt for equity), and
 - (b) section 357 (insolvent creditors).
- (3) Nothing in this section affects the debits to be brought into account for the purposes of this Part in respect of exchange gains or losses arising from a debt.

355 Cessation of connection

- (1) This section applies if, in the case of a creditor relationship of a company—
 - (a) an impairment loss or release debit is excluded by section 354 from being brought into account for any accounting period, and
 - (b) there is a later accounting period for which the creditor relationship in respect of the debt is not a connected companies relationship.
- (2) So far as any amount represents the impairment loss or release debit, no debit may be brought into account in respect of it—
 - (a) for the first accounting period within subsection (1)(b), or
 - (b) for any subsequent such accounting period.

356 Exception to section 354: swapping debt for equity

- (1) An impairment loss or release debit in relation to a liability to pay any amount to a company (“the creditor company”) under its creditor relationship is not prevented from being brought into account by section 354 if conditions A, B and C are met.
- (2) Condition A is that the creditor company treats the liability as discharged.
- (3) Condition B is that it does so in consideration of—
 - (a) any shares forming part of the ordinary share capital of the company on which the liability would otherwise have fallen, or
 - (b) any entitlement to such shares.
- (4) Condition C is that there would be no connection between the two companies for the accounting period in which the consideration is given if the question whether there is such a connection were determined by reference only to times before the creditor company—
 - (a) acquired possession of the shares, or
 - (b) acquired any entitlement to them.

Status: Point in time view as at 17/07/2012.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2009. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

357 Exception to section 354: insolvent creditors

- (1) An impairment loss or release debit is not prevented from being brought into account by section 354 in relation to an amount accruing to a company (“the creditor”) if—
 - (a) condition A, B, C, D or E is met in relation to the creditor, and
 - (b) the amount accrues to the creditor at a time which is the relevant time for the condition in question.
- (2) Condition A is that the creditor is in insolvent liquidation, and for this condition the relevant time is any time in the course of the winding up.
- (3) Condition B is that the creditor is in insolvent administration, and for this condition the relevant time is any time in the course of the administration.
- (4) Condition C is that the creditor is in insolvent administrative receivership, and for this condition the relevant time is any time when the appointment of the administrative receiver is in force.
- (5) Condition D is that an appointment of a provisional liquidator is in force in relation to the creditor under section 135 of the Insolvency Act 1986 (c. 45) or Article 115 of the Insolvency (Northern Ireland) Order 1989 (S.I. 1989/2405 (N.I. 19)), and for this condition the relevant time is any time when the appointment is in force.
- (6) Condition E is that under the law of a country or territory outside the United Kingdom, circumstances exist corresponding to those described in condition A, B, C or D, and for this condition the relevant time is any time corresponding to that described in the case of the condition in question.
- (7) Section 323 applies for interpreting this section as it applies for interpreting section 322(6).

- [^{F166}(4) For the purposes of this section “relevant rights” means rights of a company (“C”) that—
- (a) were acquired by C in circumstances that, but for the application of the corporate rescue exception or the debt-for-debt exception, would have resulted in a deemed release under section 361(3), or
 - (b) were acquired by another company in such circumstances and transferred to C by way of an assignment or assignments.
- (5) The amount of the credit that D is required to bring into account in respect of a release of relevant rights is—

CHAPTER 7

GROUP RELIEF CLAIMS INVOLVING IMPAIRED OR RELEASED CONSORTIUM DEBTS

364 Introduction to Chapter

- (1) This Chapter applies if—
 - (a) there is (or was) a relevant consortium creditor relationship (see subsection (2)), and
 - (b) either—
 - (i) an impairment loss is or has been brought into account for the purposes of this Part for any group accounting period by the creditor, or
 - (ii) a debit in respect of a release of liability under the relationship is or has been so brought into account.
- (2) For the purposes of this Chapter a relationship is a relevant consortium creditor relationship if—
 - (a) it is a creditor relationship of—
 - (i) a company (the “member company”), which is a member of a consortium by which a consortium company is owned, or
 - (ii) a company (a “group member”) which is a member of the same group of companies as the member company but is not itself a member of the consortium, and
 - (b) the consortium company or, if that company is a holding company, a consortium company which is a subsidiary of that company is (or was) the debtor (the “debtor consortium company”).
- (3) The provisions of this Chapter—
 - (a) reduce debits for impairment losses and release debits under relevant consortium creditor relationships where an amount surrendered as group relief by the consortium company is claimed by a member company or group member (see section 365),
 - (b) provide for a corresponding reduction in credits in respect of such relationships where a reduction within paragraph (a) has occurred (see section 367),
 - (c) reduce claims for group relief where debits within paragraph (a) for earlier group accounting periods exceed reductions within paragraph (b) (see section 368), and
 - (d) provide for such claims to be carried forward where they exceed such debits (see section 369).
- (4) In this Chapter “release debit” means a debit in respect of a release of liability under a relevant consortium creditor relationship.

Status: Point in time view as at 17/07/2012.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2009. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (5) If [^{F182}section 143 or 144 of CTA 2010 (which limit the amount of group relief to be given in certain cases involving a consortium)] applies, effect must be given to that section before effect is given to this Chapter.
- (6) Expressions defined in this section have the same meaning in the other provisions of this Chapter, and sections 370 and 371 also apply for the interpretation of this Chapter.
- (7) For the meaning of “impairment loss” see section 476(1).

Textual Amendments

F182 Words in s. 364(5) substituted (with effect in accordance with s. 1184(1) of the amending Act) by Corporation Tax Act 2010 (c. 4), s. 1184(1), **Sch. 1 para. 608** (with **Sch. 2**)

365 Reduction of impairment loss debits where group relief claimed

- (1) This section applies for any group accounting period for which there is a net consortium debit.
- (2) For the purposes of this Chapter there is a net consortium debit for a group accounting period if—
 - (a) the total of the impairment losses and release debits brought into account for that period in respect of relevant consortium creditor relationships by—
 - (i) the member company, and
 - (ii) every group member,
 exceeds
 - (b) the total credits so brought into account by them in connection with debts owed by the companies which are the debtor consortium companies in respect of those relationships.
- (3) The net consortium debit is equal to that excess.
- (4) If there is a claim for that group accounting period by the member company or a group member for group relief in respect of an amount which may be surrendered as group relief by the debtor consortium companies, the debits brought into account in respect of the impairment losses and the release debits mentioned in subsection (2)(a) are reduced.
- (5) The amount of reduction in the case of each of the debits referred to in subsection (4) (“the relevant debits”) is calculated as follows.

Step 1

Find the total amount which—

- (a) may be surrendered as group relief by the debtor consortium companies, and
- (b) is claimed as group relief for the group accounting period by the member company or any group member.

Step 2

If the amount found at Step 1 does not exceed the net consortium debit, apportion the amount found at Step 1 between the relevant debits in proportion to their respective amounts.

Status: Point in time view as at 17/07/2012.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2009. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

If the amount found at Step 1 exceeds the net consortium debit, apportion so much of the amount found at Step 1 as does not exceed it between the relevant debits in proportion to their respective amounts.

(6) This section is subject to section 366.

366 Effect where credit for release brought into account on amortised cost basis

(1) This section applies if—

- (a) a company releases liability under a relevant consortium creditor relationship of the company (“the release amount”), and
- (b) the debtor consortium company brings into account an amount in respect of the release for any accounting period in accordance with an amortised cost basis of accounting.

(2) An amount equal to the release amount is treated for the purposes of this Chapter as not being a debit brought into account for that period in relation to the relevant consortium creditor relationship.

367 Reduction of credits exceeding impairment losses

(1) This section applies if, apart from this section, for any group accounting period—

- (a) the total of the impairment losses and release debits brought into account for that period in respect of relevant consortium creditor relationships by—
 - (i) the member company, and
 - (ii) every group member,is less than
- (b) the total credits so brought into account by them in connection with debts owed by the companies which are the debtor consortium companies in respect of those relationships.

(2) Those credits are reduced (but not below nil) in accordance with subsection (3).

(3) The amount of reduction in the case of each credit is calculated as follows.

Step 1

Find the total amount by which the debits in respect of the relationships for previous group accounting periods have been reduced under section 365(4).

Step 2

Deduct the total amount by which credits have previously been reduced under this section from the amount found at Step 1.

Step 3

Apportion the amount found at Step 2 between the credits in proportion to their respective amounts.

368 Reduction of claims where there are earlier net consortium debits

(1) This section applies if—

Status: Point in time view as at 17/07/2012.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2009. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (a) for any group accounting period there is a claim by the member company or a group member for group relief in respect of an amount which may be surrendered as group relief by debtor consortium companies, and
 - (b) the total amount of the net consortium debits for earlier group accounting periods in respect of the relevant consortium creditor relationships exceeds any reductions in respect of those debits falling to be made under section 365(4).
- (2) In this section that excess is referred to as “the unreduced debits amount”.
- (3) If—
 - (a) the claim is the only claim for that period, and
 - (b) it exceeds the unreduced debits amount,
 the claim is reduced by the unreduced debits amount.
- (4) If—
 - (a) the claim is not the only claim for that period, and
 - (b) the total of the claims exceeds the unreduced debits amount,
 the claim is reduced by the same proportion of the unreduced debits amount as the claim bears to that total.
- (5) In any other case, the claim is reduced to nil.

369 Carry forward of claims where there are no net consortium debits

- (1) This section applies if for any group accounting period there is—
 - (a) a claim by the member company or a group member for group relief in respect of an amount which may be surrendered as group relief by debtor consortium companies (as reduced under section 368, if it applies), and
 - (b) no net consortium debit in respect of the relevant consortium creditor relationships.
- (2) The claim (as so reduced) is carried forward and treated for the purposes of section 365—
 - (a) as increasing any such claim for group relief made by the claimant company for its next accounting period, or
 - (b) if apart from this subsection there would be no such claim, as being such a claim.

370 Group accounting periods

- (1) In this Chapter “group accounting period” means—
 - (a) any accounting period of the member company beginning on or after 1 October 2002, or
 - (b) any accounting period of a group member which—
 - (i) begins on or after that date, and
 - (ii) corresponds to such an accounting period of the member company.
- (2) Any such accounting period of the member company and any such corresponding accounting periods of group members are treated for the purposes of this Chapter as being the same accounting period.

Status: Point in time view as at 17/07/2012.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2009. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (3) For the purposes of this Chapter an accounting period of a group member corresponds to an accounting period of the member company if condition A, B or C is met.
- (4) Condition A is that the periods coincide.
- (5) Condition B is that the accounting period of the member company includes more than half of the accounting period of the group member.
- (6) Condition C is that—
 - (a) the accounting period of the member company includes part of the accounting period of the group member, and
 - (b) the remainder of that period is not within any accounting period of the member company.

384 Treatment of exchange gains and losses

- (1) Whether credits and debits in respect of exchange gains and losses are to be brought into account by a company partner under this Chapter as a result of section 328(1), or that section is disapplied by section 328(3), depends on the firm's accounts.
- (2) Section 328(3) applies only so far as exchange gains and losses are recognised in the firm's statement of total recognised gains and losses, statement of recognised income and expense, statement of changes in equity or statement of income and retained earnings.
- (3) Accordingly, a company partner must bring credits and debits into account under this Chapter in respect of exchange gains and losses which are not so recognised.
- (4) For the meaning of references in this section to exchange gains and losses, see section 475.

385 Company partners' shares where firm owns deeply discounted securities

- (1) This section applies if the firm holds a deeply discounted security.
- (2) Each partner is treated for the purposes of this Chapter as beneficially entitled to the share of the security specified in subsection (3).
- (3) That share is the share to which the partner would be entitled if—
 - (a) all the partners were companies, and
 - (b) the security were apportioned in the shares in which any profit or loss would be apportioned between them in accordance with the firm's profit-sharing arrangements.
- (4) In this section “deeply discounted security” has the same meaning as in Chapter 8 of Part 4 of ITTOIA 2005 (profits from deeply discounted securities) (see section 430 of that Act).

CHAPTER 10

INSURANCE COMPANIES

Introduction

386 Overview of Chapter

- (1) This Chapter contains special rules about the treatment of the loan relationships of insurance companies.
- (2) In particular, it—
 - (a) provides for special rules to apply [^{F214} for the purposes of the I - E rules] in relation to an insurance company's non-trading deficits referable to BLAGAB instead of those in Chapter 16 (see sections 387 to 391), [^{F214} and]
 - (b) excludes some loan relationships of corporate members of Lloyd's from this Part (see section 392), ^{F215} ...
 - ^{F215}(c)
- (3) For further special rules affecting insurance companies, see—
 - (a) section 298(3) (under which activities carried on by a company in the course of mutual insurance business which is not life assurance business ^{F216}... are treated as not constituting a trade or part of a trade) [^{F217} and section 88 of FA 2012 (equivalent rule for activities carried on in the course of BLAGAB)],
 - (b) Chapter 4 (continuity of treatment on transfers within groups or on reorganisations), and, in particular, sections 335(1) and (2), 336(4) and 337,
 - (c) section 405 (certain non-UK residents with interest on 3½% War Loan 1952 Or After),
 - (d) sections 468 and 471 (connection between creditor and debtor companies to be ignored in some cases where creditor is insurance company carrying on BLAGAB),
 - (e) section 483(6) (treatment of deferred acquisition costs and provision for unearned premiums or for unexpired risks as a money debt for the purposes of Chapter 2 of Part 6 in the case of companies carrying on insurance business), and
 - (f) section 486(4) (no exchange gains or losses to arise for the purposes of that Chapter where relevant debts prevented from being deductible [^{F218} as ordinary BLAGAB management expenses]).
- (4) In this Chapter “BLAGAB” means basic life assurance and general annuity business.

Treatment of deficit on basic life assurance and general annuity business

387 Treatment of deficit on basic life assurance and general annuity business: introduction

- (1) Sections 388 to 391 apply [^{F219}for the purposes of the I - E rules] instead of Chapter 16 (non-trading deficits) if a company has a non-trading deficit from its loan relationships for BLAGAB for any accounting period.
- (2) In those sections “the deficit” and “the deficit period” mean that deficit and that period respectively.

Textual Amendments

F219 Words in s. 387(1) inserted (17.7.2012) by [Finance Act 2012 \(c. 14\)](#), [Sch. 16 para. 151](#)

388 Basic rule: deficit set off against income and gains of deficit period

- (1) The basic rule is that the deficit must be set off against any income and gains of the deficit period which are referable to BLAGAB.
- (2) The income and gains are reduced accordingly.
- (3) Any such reduction is made [^{F220}in accordance with step 4 in section 73 of FA 2012 (that is to say, before any deduction for the adjusted BLAGAB management expenses of the company for the deficit period)].

Textual Amendments

F220 Words in s. 388(3) substituted (17.7.2012) by [Finance Act 2012 \(c. 14\)](#), [Sch. 16 para. 152](#)

389 Claim to carry back deficit

- (1) If the deficit exceeds the income and gains for the deficit period referred to in section 388(1), the company may make a claim for the whole or part of the excess (“the claim amount”)—
 - (a) to be carried back for up to 3 accounting periods ending within the permitted period, and
 - (b) to be set off against the available profits of the company in those periods in accordance with subsection (2).
- (2) The claim amount reduces the company's available profits in the most recent accounting period of the company, before any remainder reduces those in the next most recent accounting period and then those in the next most recent accounting period.
- [^{F221}(2A) If any of the claim amount is carried back in accordance with this section to an accounting period, the amount which is so carried back is to be left out of account for the purpose of applying section 93 of FA 2012 in the case of that period.]
- (3) For the meaning of “available profits”, see section 390.
- (4) In this section and that section “permitted period” means the period of 12 months immediately before the deficit period.

Status: Point in time view as at 17/07/2012.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2009. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (5) A claim under this section must be made—
- (a) within the period of 2 years after the end of the deficit period, or
 - (b) within such further period as an officer of Revenue and Customs allows.

Textual Amendments

F221 S. 389(2A) inserted (17.7.2012) by [Finance Act 2012 \(c. 14\)](#), [Sch. 16 para. 153](#)

390 Meaning of “available profits”

- (1) For the purposes of section 389 the available profits of the company for an accounting period are its BLAGAB non-trading loan relationships profits for the period (see subsection (4)), less the unused part of the relevant deductions for the period (see subsection (5)).
- (2) If an accounting period ending within the permitted period begins before it, only a part of the amount which would otherwise be the available profit for that accounting period is available profit.
- (3) That part is so much as is proportionate to the part of the accounting period in the permitted period.
- (4) References in this section to a company's BLAGAB non-trading loan relationships profits for an accounting period are references to the amount (if any) [^{F222}of the BLAGAB credits in respect of the company's loan relationships that count as income for the purposes of the I - E rules for that period (as determined by section 88(3) and (4) of FA 2012)].
- (5) The unused part of the relevant deductions for an accounting period is found as follows.

Step 1

Add together—

- (a) [^{F223}the amount for the purposes of section 73 of FA 2012 of the adjusted BLAGAB management expenses of the company for the period], and
- (b) so much of the sum of the deductions made in the case of the company in respect of [^{F224}qualifying charitable donations] for that period as is [^{F225}referable to BLAGAB].

Step 2

Add together—

- [^{F226}(a) so much of the amount for the purposes of section 73 of FA 2012 of the adjusted BLAGAB management expenses of the company for the period as, on the assumption that the company had no BLAGAB non-trading loan relationships profits for the period, could be subtracted at step 6 under that section without producing a negative amount, and]
- (b) the total amounts [^{F227}referable to BLAGAB] which could be applied for the period in making deductions in respect of [^{F228}qualifying charitable donations] if those profits were disregarded.

Step 3

Status: Point in time view as at 17/07/2012.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2009. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

Subtract the amount found at Step 2 from the amount found at Step 1.

The result is the unused part of the relevant deductions for the accounting period.

[^{F229}(6) In the case of any claim under section 389, references in subsection (5) to the amount for the purposes of section 73 of FA 2012 of the adjusted BLAGAB management expenses of the company for the period are references to that amount as determined on the assumptions in subsections (7) and (8).]

- (7) The first assumption is that no account is taken of—
- (a) that claim, or
 - (b) any other claim under section 389 relating to a deficit for an accounting period after the deficit period.
- (8) The second assumption is that all such adjustments are made as are required as a result of any sum having been carried back under the Corporation Tax Acts to the accounting period mentioned in subsection (5), otherwise than as a result of—
- (a) the claim mentioned in subsection (6), or
 - (b) any such other claim as is mentioned in subsection (7)(b).

- (2) That deficit must be carried forward to the accounting period immediately after the deficit period (“the next period”).

Status: Point in time view as at 17/07/2012.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2009. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (2) Condition 1 is that company A is a party to a relevant hedging scheme at any time in the accounting period.
- (3) Condition 2 is that there is an increase in the [^{F249}relevant] prices index between the times mentioned in subsection (1) of section 400.
- (4) Condition 3 is that the index-linked capital return on the security in the accounting period, or a proportion of it, is hedged.
- (5) Where this section applies, any increase in the carrying value of the security at the earlier of the times mentioned in subsection (1) of section 400 that would, apart from this section, be made under subsection (2) of that section is reduced—

 - (b) in a case in which only a proportion of that return is hedged, by the same proportion.
- (6) For the purposes of this section “a relevant hedging scheme” means a scheme the purpose, or one of the main purposes, of any party to which, on entering into the scheme, is to secure that the index-linked capital return on the security, or a proportion of it, is hedged.
- (7) For the purposes of this section the “index-linked capital return” of the security is so much of the return on the security as—
 - (a) would, disregarding section 400, result in an increase in the carrying value of the security between the times mentioned in subsection (1) of that section, and
 - (b) is attributable to an increase in the [^{F250}relevant] prices index.
- (8) For the purposes of this section the index-linked capital return on the security, or any proportion of that return, is “hedged” if (whether because of the operation of a swap or otherwise) the pre-tax economic profit or loss made by the relevant group or company in the accounting period is unaffected by it.
- (9) In subsection (8) “the relevant group or company” means—
 - (a) company A and every other company that is at any time in the accounting period—
 - (i) associated with company A, and
 - (ii) a party to the relevant hedging scheme, or

Options etc

420 Assumptions where options etc apply

- (1) This section applies if—
 - (a) the answer to any question specified in subsection (2)—
 - (i) depends on the exercise of an option by a party to a loan relationship (“A”) or A's associate, or
 - (ii) is otherwise under the control of A or A's associate, and
 - (b) an amortised cost basis of accounting applies for an accounting period.
- (2) The questions are—
 - (a) whether any amount will become due under the relationship after the period ends,

Status: Point in time view as at 17/07/2012.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2009. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (b) how much will become due under it after the period ends, and
 - (c) when after the end of the period an amount will become due under the relationship.
- (3) In determining the credits and debits to be brought into account for the accounting period in accordance with an amortised cost basis, the assumption in subsection (4) is to be made.
- (4) The assumption is that A or A's associate will exercise the power to determine whether and on what date any amount will become due in the way which appears to be the most advantageous to A.
- (5) That way is to be determined—
 - (a) as at the end of the accounting period, and
 - (b) ignoring taxation.

CHAPTER 13

EUROPEAN CROSS-BORDER TRANSFERS OF BUSINESS

Introduction

421 Introduction to Chapter

- (1) This Chapter applies if—
 - (a) condition A or B is met, and
 - (b) each of the companies mentioned in subsection (3)(a) or (4)(a) makes a claim under this section,
 but see section 426 (tax avoidance etc) and section 429 (disapplication of Chapter where transparent entities involved).
- (2) Sections 424 and 425 (reorganisations involving loan relationships) also apply if, in addition to the conditions in section 424(1)(a) and (b), condition C is met in relation to the transfer in the course of which the reorganisation in question occurs.
- (3) Condition A is that—
 - (a) a company resident in one member State transfers to a company resident in another member State the whole or part of a business carried on in the United Kingdom,
 - (b) the transfer is wholly in exchange for shares or debentures issued by the transferee to the transferor, and
 - (c) immediately after the transfer the transferee is within the charge to corporation tax.
- (4) Condition B is that—
 - (a) a company transfers part of its business to one or more companies,
 - (b) the transferor is resident in one member State,
 - (c) the part of the transferor's business which is transferred is carried on by the transferor in the United Kingdom,

Status: Point in time view as at 17/07/2012.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2009. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (d) at least one transferee is resident in a member State other than that in which the transferor is resident (and each transferee is resident in a member State, but not necessarily the same one),
 - (e) the transferor continues to carry on a business after the transfer,
 - (f) immediately after the transfer each transferee is within the charge to corporation tax, and
 - (g) the transfer—
 - (i) is made in exchange for the issue of shares in or debentures of each transferee to each person holding shares in or debentures of the transferor, or
 - (ii) is not so made only because, and only so far as, a transferee is prevented from so issuing such shares or debentures by section 658 of the Companies Act 2006 (c. 46) (general rule against limited company acquiring own shares) or by a corresponding provision of the law of another member State preventing such an issue.
- (5) Condition C is that—
- (a) a UK resident company transfers part of its business to one or more companies,
 - (b) the part of the transferor's business which is transferred to the transferees was carried on immediately before the transfer in a member State other than the United Kingdom through a permanent establishment, and
 - (c) the conditions in subsection (4)(d), (e) and (g) are met.
- (6) In this Chapter—
- “the transfer of business” means the transfer of business mentioned in subsection (3)(a), (4)(a) or (5)(a),
 - “transferee” has the same meaning as in subsection (3), (4) or (5), and
 - “the transferor” has the same meaning as in subsection (3), (4) or (5).
- (7) For the meaning of “company” and “resident in a member State”, see section 430.

Transfers of loan relationships at notional carrying value

422 Transfer of loan relationship at notional carrying value

- (1) This section applies if in the course of the transfer of business the transferor transfers an asset or liability representing a loan relationship to a transferee.
- (2) For the purpose of determining the credits and debits to be brought into account in respect of the loan relationship for the purposes of this Part, the transferor and the transferee are treated as having entered into the transfer of that asset or liability for consideration of an amount equal to the notional carrying value of the asset or liability.
- (3) For the purposes of this section—
 - (a) “carrying value” has the same meaning as it has for the purposes of section 316 (see section 317), and
 - (b) “notional carrying value”, in relation to an asset or liability, means the amount which would have been its carrying value in the accounts of the transferor if a period of account had ended immediately before the date when the transferor ceased to be a party to the loan relationship.

Status: Point in time view as at 17/07/2012.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2009. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (4) This section is subject to section 423 (transferor using fair value accounting).

423 Transferor using fair value accounting

- (1) This section applies instead of section 422 if, in a case where that section would otherwise apply, the transferor is regarded for the purposes of this section as using fair value accounting in respect of the loan relationship (see subsection (4)).
- (2) The amount which is to be brought into account by the transferor in respect of the transfer of the asset or liability mentioned in section 422(1) (“the transferor's amount”) is—
 - (a) if an asset is to be brought into account, its fair value as at the date when the transferee becomes a party to the loan relationship, or the fair value of the rights under or interest in it as at that date, and
 - (b) if a liability is to be brought into account, its fair value as at that date.
- (3) For any accounting period in which the transferee is a party to the loan relationship, for the purpose of determining the credits and debits to be brought into account in respect of it for the purposes of this Part, the transferee is treated as if it had acquired the asset or liability representing the relationship for consideration of an amount equal to the transferor's amount.
- (4) The transferor is regarded for the purposes of this section as using fair value accounting in respect of the loan relationship only if the credits and debits to be brought into account for the purposes of this Part as respects the relationship are determined on that basis.
- (5) It does not matter for the purposes of subsection (4) if the transferor does not otherwise use fair value accounting in respect of the loan relationship.

424 Reorganisations involving loan relationships

- (1) This section applies if—
 - (a) sections 127 to 130 of TCGA 1992 (reorganisations: equation of original shares and new holding)—
 - (i) apply in relation to a reorganisation, or
 - (ii) would so apply but for section 116(5) of that Act (which disapplies those sections where the original shares or the new holding consists of or includes a qualifying corporate bond),
 - (b) the original shares consist of or include an asset representing a loan relationship, and
 - (c) either—
 - (i) section 422 or 423 applies as a result of condition B in section 421 being met in relation to the transfer in the course of which the reorganisation occurs, or
 - (ii) condition C in section 421 is met in relation to that transfer.
- (2) For the purposes of this Part such debits and credits are to be brought into account as would be brought into account if the reorganisation were a disposal of the asset representing the loan relationship for consideration of an amount equal to its notional carrying value.

Status: Point in time view as at 17/07/2012.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2009. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (3) For the purposes of this section, the notional carrying value of that asset is the amount which would have been its carrying value in the accounts of the original holder if a period of account had ended immediately before the date when the reorganisation occurred.
- (4) In this section—
- “carrying value” has the same meaning as it has for the purposes of section 316 (see section 317),
 - “original holder” means a person holding the original shares immediately before the reorganisation,
 - “original shares” has the meaning given by section 126(1) of TCGA 1992 (application of sections 126 to 131 of that Act), and
 - “reorganisation” includes anything to which sections 127 to 130 of that Act apply as if it were a reorganisation.
- (5) This section is subject to—
- (a) section 425 (original holder using fair value accounting), and
 - (b) section 429 (disapplication of Chapter where transparent entities involved).

425 Original holder using fair value accounting

- (1) This section applies instead of section 424 if, in a case where that section would otherwise apply, the original holder is regarded for the purposes of this section as using fair value accounting in respect of the loan relationship constituting or included in the original shares.
- (2) The amount which is to be brought into account by the original holder in respect of the reorganisation (“the disposal amount”) is the fair value of the asset representing the loan relationship as at the date when the reorganisation occurred, or of the rights under or interest in that relationship as at that date.
- (3) For any accounting period in which a successor creditor company is a party to the loan relationship, for the purpose of determining the credits and debits to be brought into account in respect of the relationship for the purposes of this Part, the successor creditor company is treated as if it had acquired the asset representing the loan relationship for consideration of an amount equal to the disposal amount.
- (4) Subsections (4) and (5) of section 423 apply for the purposes of this section as they apply for the purposes of that section, but taking the references in that section to the transferor as references to the original holder.
- (5) In this section—
- “successor creditor company” means a company in relation to which the loan relationship constituting or included in the original shares is a creditor relationship immediately after the reorganisation, and
 - “original holder” and “original shares” have the same meaning as in section 424.
- (6) This section is subject to section 429 (disapplication of Chapter where transparent entities involved).

Status: Point in time view as at 17/07/2012.

 but see section 437 (tax avoidance etc) and section 438 (disapplication of Chapter where transparent entities involved).
- (2) Sections 435 and 436 (reorganisations involving loan relationships) also apply in cases that would be within subsection (1) apart from condition D not being met if, in addition to the conditions in section 435(1)(a) and (b), condition G is met in relation to a transfer in the course of the merger in which the reorganisation in question occurs.
- (3) Condition A is that—
 - (a) an SE is formed by the merger of two or more companies in accordance with Articles 2(1) and 17(2)(a) or (b) of Council Regulation [\(EC\) No. 2157/2001](#) on the Statute for a European company (Societas Europaea),

- (a) the transfer of assets and liabilities to the transferee in the course of the merger is made in exchange for the issue of shares or debentures by the transferee to each person holding shares in or debentures of a transferor, or
 - (b) that transfer is not so made only because, and only so far as, the transferee is prevented from so issuing such shares or debentures by section 658 of the Companies Act 2006 (c. 46) (general rule against limited company acquiring own shares) or by a corresponding provision of the law of another member State preventing such an issue.
- (8) Condition F is that in the course of the merger each transferor ceases to exist without being in liquidation (within the meaning given by section 247 of the Insolvency Act 1986 (c. 45)).
- (9) Condition G is that—
 - (a) in the course of the merger a company resident in the United Kingdom (“company A”) transfers to a company resident in another member State all assets and liabilities relating to a business which company A carried on in a member State other than the United Kingdom through a permanent establishment, and
 - (b) that transfer includes the transfer of an asset or liability representing a loan relationship.
- (10) In this Chapter, “the merger” and “the merging companies” have the same meaning as in this section.
- (11) See—
 - (a) section 432 for the meaning of “the transferee” and “transferor”, and
 - (b) section 439 for the meaning of “company”, “co-operative society” and “resident in a member State”.

Transfers of loan relationships at notional carrying value

433 Transfer of loan relationship at notional carrying value

- (1) This section applies if in the course of the merger a transferor transfers an asset or liability representing a loan relationship to the transferee.

Status: Point in time view as at 17/07/2012.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2009. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (2) For the purpose of determining the credits and debits to be brought into account in respect of the loan relationship in accordance with this Part, the transferor and the transferee are treated as having entered into the transfer of that asset or liability for consideration of an amount equal to the notional carrying value of the asset or liability.
- (3) For the purposes of this section—
 - (a) “carrying value” has the same meaning as it has for the purposes of section 316 (see section 317), and
 - (b) “notional carrying value”, in relation to an asset or liability, means the amount which would have been its carrying value in the accounts of the transferor if a period of account had ended immediately before the date when the transferor ceased to be a party to the loan relationship.
- (4) This section is subject to section 434.

434 Transferor using fair value accounting

- (1) This section applies instead of section 433 if, in a case where that section would otherwise apply, the transferor is regarded for the purposes of this section as using fair value accounting in respect of the loan relationship (see subsection (4)).
- (2) The amount which is to be brought into account by the transferor in respect of the transfer of the asset or liability mentioned in section 433(1) (“the transferor's amount”) is—
 - (a) if an asset is to be brought into account, its fair value as at the date when the transferee becomes a party to the loan relationship, or the fair value of the rights under or interest in it as at that date, and
 - (b) if a liability is to be brought into account, its fair value as at that date.
- (3) For any accounting period in which the transferee is a party to the loan relationship, for the purpose of determining the credits and debits to be brought into account in respect of it for the purposes of this Part, the transferee is treated as if it had acquired the asset or liability representing the relationship for consideration of an amount equal to the transferor's amount.
- (4) The transferor is regarded for the purposes of this section as using fair value accounting in respect of the loan relationship only if the credits and debits to be brought into account for the purposes of this Part as respects the relationship are determined on that basis.
- (5) It does not matter for the purposes of subsection (4) if the transferor does not otherwise use fair value accounting in respect of the loan relationship.

435 Reorganisations involving loan relationships

- (1) This section applies if—
 - (a) sections 127 to 130 of TCGA 1992 (reorganisations: equation of original shares and new holding)—
 - (i) apply in relation to a reorganisation, or
 - (ii) would so apply but for section 116(5) of that Act (which disapplies those sections where the original shares or the new holding consists of or includes a qualifying corporate bond),

Status: Point in time view as at 17/07/2012.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2009. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (b) the original shares consist of or include an asset representing a loan relationship, and
 - (c) section 433 or 434 applies in relation to a transfer in the course of the merger in which the reorganisation occurs or, in a case where those sections would apply apart from condition D in section 431 not being met, condition G in that section is met in relation to such a transfer.
- (2) For the purposes of this Part such debits and credits are to be brought into account as would be brought into account if the reorganisation were a disposal of the asset representing the loan relationship for consideration of an amount equal to its notional carrying value.
- (3) For the purposes of this section, the notional carrying value of that asset is the amount which would have been its carrying value in the accounts of the original holder if a period of account had ended immediately before the date when the reorganisation occurred.
- (4) In this section—
 - “carrying value” has the same meaning as it has for the purposes of section 316 (see section 317),
 - “original holder” means a person holding the original shares immediately before the reorganisation,
 - “original shares” has the meaning given by section 126(1) of TCGA 1992 (application of sections 126 to 131 of that Act), and
 - “reorganisation” includes anything to which sections 127 to 130 of that Act apply as if it were a reorganisation.
- (5) This section is subject to—
 - (a) section 436 (original holder using fair value accounting), and
 - (b) section 438 (disapplication of Chapter where transparent entities involved).

436 Original holder using fair value accounting

- (1) This section applies instead of section 435 if, in a case where that section would otherwise apply, the original holder is regarded for the purposes of this section as using fair value accounting in respect of the loan relationship constituting or included in the original shares.
- (2) The amount which is to be brought into account by the original holder in respect of the reorganisation (“the disposal amount”) is the fair value of the asset representing the loan relationship as at the date when the reorganisation occurred, or of the rights under or interest in that relationship as at that date.
- (3) For any accounting period in which a successor creditor company is a party to the loan relationship, for the purpose of determining the credits and debits to be brought into account in respect of the relationship for the purposes of this Part, the successor creditor company is treated as if it had acquired the asset representing the loan relationship for consideration of an amount equal to the disposal amount.
- (4) Subsections (4) and (5) of section 434 apply for the purposes of this section as they apply for the purposes of that section, but taking the references in that section to the transferor as references to the original holder.
- (5) In this section—

“successor creditor company” means a company in relation to which the loan relationship constituting or included in the original shares is a creditor relationship immediately after the reorganisation, and

“original holder” and “original shares” have the same meaning as in section 435.

- (6) This section is subject to section 438 (disapplication of Chapter where transparent entities involved).

Exception for tax avoidance cases

437 Tax avoidance etc

- (1) This Chapter does not apply in relation to the merger if—
- (a) the merger is not effected for genuine commercial reasons, or
 - (b) the merger forms part of a scheme or arrangements of which the main purpose, or one of the main purposes, is avoiding liability to corporation tax, capital gains tax or income tax.
- (2) But subsection (1) does not prevent this Chapter from applying if before the merger—
- (a) any of the merging companies has applied to the Commissioners for Her Majesty's Revenue and Customs, and
 - (b) the Commissioners have notified the merging companies that they are satisfied that subsection will not have that effect.
- (3) Sections 427 and 428 have effect in relation to subsection (2) as in relation to section 426(2), taking the references in section 428 to section 426(2)(b) as references to subsection (2)(b) of this section.

Transparent entities

438 Disapplication of Chapter where transparent entities involved

- (1) This section applies if one or more of the merging companies is a transparent entity.
- (2) If as a result of the merger the assets and liabilities of a transparent entity are transferred to another company, this Chapter does not apply in relation to the transfer.
- (3) If as a result of the merger the assets and liabilities of one or more other companies are transferred to a transparent entity, sections 435 and 436 do not apply to the new holding.
- (4) In this section—
- “new holding” has the meaning given by section 126(1) of TCGA 1992 (application of sections 126 to 131 of that Act), and
 - “transparent entity” means a company which is resident in a member State other than the United Kingdom and does not have an ordinary share capital.

Transactions not at arm's length: exchange gains and losses

447 Exchange gains and losses on debtor relationships: loans disregarded under [F302Part 4 of TIOPA 2010]

- (1) Subsections (2) and (3) apply if—
- (a) a company has a debtor relationship in an accounting period,
 - (b) an exchange gain or loss arises in the period in respect of a liability representing the relationship, and
 - (c) as a result of [F303section 147(3) or (5) of TIOPA 2010] (provision not at arm's length) the profits and losses of the company are calculated for tax purposes for the period as if—
 - (i) the loan had not been made, or
 - (ii) part of the loan had not been made.
- (2) In a case where subsection (1)(c)(i) applies, the exchange gain or loss must be left out of account in determining the credits or debits to be brought into account for the purposes of this Part.
- (3) In a case where subsection (1)(c)(ii) applies, a proportion of the exchange gain or loss must be left out of account in determining those credits or debits.
- (4) That proportion is the proportion that the part of the loan that is treated as if it had not been made bears to the whole of the loan.
- (5) Nothing in [F304Part 4 of TIOPA 2010] requires the amounts brought into account under this Part in respect of exchange gains or losses from loan relationships to be calculated on the assumption that the arm's length provision had been made instead of the actual provision.
- (6) But subsection (5) does not affect the application of subsections (2) and (3) under subsection (1).
- (7) In this section “the arm's length provision” and “the actual provision” have the same meaning as in [F305Part 4 of TIOPA 2010 (see sections 149 and 151 of that Act)].

448 Exchange gains and losses on debtor relationships: equity notes where holder associated with issuer

- (1) This section applies if—
 - (a) a company has a debtor relationship in an accounting period,
 - (b) an exchange gain or loss arises in the period in respect of a liability representing the relationship, and
 - (c) the whole of any interest or other distribution out of the assets of the company in respect of securities of the company which represent the relationship is regarded as a distribution because of [^{F306}section 1015(6) of CTA 2010] (equity notes held by company associated with issuer or by a funded company).
- (2) The exchange gain or loss must be left out of account in determining the credits or debits to be brought into account for the purposes of this Part.

449 Exchange gains and losses on creditor relationships: no corresponding debtor relationship

- (1) This section applies if—
 - (a) a company has a creditor relationship in an accounting period, and
 - (b) an exchange gain or loss arises in the period in respect of an asset representing the relationship.
- (2) The exchange gain or loss must be left out of account in determining the credits or debits to be brought into account for the purposes of this Part if conditions A and B are met.
- (3) Condition A is that the transaction giving rise to the loan is such that it would not have been entered into at all if the parties had been dealing at arm's length.
- (4) Condition B is that there is no corresponding debtor relationship.
- (5) For the meaning of “corresponding debtor relationship”, see section 450.
- (6) This section is subject to section 451 (exception to this section where loan exceeds arm's length amount).

450 Meaning of “corresponding debtor relationship”

- (1) In section 449 “corresponding debtor relationship” means a debtor relationship which—
 - (a) corresponds to the creditor relationship mentioned in section 449(1), and
 - (b) is of such a kind that conditions A and B are met.
- (2) Condition A is that such credits as are mentioned in subsection (3) would fall to be brought into account for the purposes of this Part in respect of exchange gains from that debtor relationship.

Status: Point in time view as at 17/07/2012.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2009. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (3) Those credits are credits corresponding to, and of the same amount as, the debits that would fall to be so brought into account in respect of exchange losses from the creditor relationship apart from section 449.
- (4) Condition B is that such debits as are mentioned in subsection (5) would fall to be so brought into account in respect of exchange losses from that debtor relationship.
- (5) Those debits are debits corresponding to, and of the same amount as, the credits that would fall to be so brought into account in respect of exchange gains from the creditor relationship apart from section 449.
- (6) In determining for the purposes of this section whether credits or debits would fall to be so brought into account, section 328(2) to (7) (as a result of which some exchange gains and losses are excluded from this Part) is ignored.

451 Exception to section 449 where loan exceeds arm's length amount

- (1) Section 449 does not apply if the circumstances are such that, had the parties to the relevant transaction been dealing at arm's length, the amount of the loan would have been an amount (“the arm's length amount”) greater than nil, but less than its actual amount.
- (2) Accordingly, an exchange gain or loss which arises in the accounting period in respect of an asset representing the creditor relationship is not required by that section to be left out of account.
- (3) But if—
 - (a) the circumstances are as mentioned in subsection (1), and
 - (b) there is no corresponding debtor relationship,only a proportion of the exchange gain or loss may be taken into account in determining the credits or debits to be brought into account for the purposes of this Part.
- (4) That proportion is the proportion which the arm's length amount bears to the actual amount of the loan.
- (5) In this section—
 - “corresponding debtor relationship” has the same meaning as in section 449 (see section 450), and
 - “the relevant transaction” means the transaction giving rise to the loan as a result of which the company has the creditor relationship in the accounting period in question.

452 Exchange gains and losses where loan not on arm's length terms

- (1) This subsection applies if—
 - (a) a company would be treated as having a debtor relationship in an accounting period if a claim were made under [F307section 192(1) of TIOPA 2010] in relation to that period, and
 - (b) for that period there is a connection between that company and the company that would have the corresponding creditor relationship.

Status: Point in time view as at 17/07/2012.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2009. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (2) If subsection (1) applies, it is assumed that such a claim is made for the purpose of determining the debits or credits to be brought into account for the purposes of this Part in respect of any exchange gains or losses arising in that period in respect of the liability representing that debtor relationship.
- (3) Subsections (4) and (5) apply if—
 - (a) because of a claim made under [^{F308}section 192(1) of TIOPA 2010] more than one company is treated for any purpose as having a debtor relationship represented by the same liability, or
 - (b) because of the claim that is assumed to be made under subsection (2) more than one company is so treated.
- (4) The total amount of the credits brought into account for the purposes of this Part in respect of exchange gains from those debtor relationships must not exceed the total amount of the debits brought into account for those purposes in respect of exchange losses from the corresponding creditor relationship.
- (5) The total amount of the debits brought into account for those purposes in respect of exchange losses from those debtor relationships must not exceed the total amount of the credits brought into account for those purposes in respect of exchange gains from the corresponding creditor relationship.
- (6) Section 466 (companies connected for an accounting period) applies for the purposes of this section.

CHAPTER 16

NON-TRADING DEFICITS

456 Introduction to Chapter

- (1) This Chapter applies if for any accounting period a company has a non-trading deficit from its loan relationships under section 301(6).
- (2) In this Chapter “the deficit” and “the deficit period” mean that deficit and that period respectively (but see section 458(5)).
- (3) Sections 457 and 458 set out the rules about carrying the deficit forward to later accounting periods.
- (4) Sections 459 and 460 deal with claims for the deficit to be dealt with differently.
- (5) Sections 461 to 463 deal with the consequences of such claims.

457 Basic rule for deficits: carry forward to accounting periods after deficit period

- (1) The basic rule is that the deficit must be carried forward and set off against non-trading profits of the company for accounting periods after the deficit period in accordance with subsection (3) and section 458.
- (2) That rule does not apply to so much of the deficit as—
 - (a) is surrendered as group relief under [^{F312}Part 5 of CTA 2010], or
 - (b) is the subject of a claim by the company under section 459 (claim to set off deficit against profits of deficit period or earlier periods).
- (3) So much of the amount carried forward from the deficit period as is not the subject of a claim under section 458(1) must be set off against the non-trading profits of the company for the next accounting period after the deficit period.
- (4) Those profits are reduced accordingly.
- (5) In this Chapter “non-trading profits”, in relation to a company, means so much of the company's profits as does not consist of trading income for the purposes of [^{F313}section 37 of CTA 2010 (deduction of trading losses from total)] profits of the same or an earlier period).

486A Overview

- (1) This Chapter provides for Part 5 to apply in relation to returns which are economically equivalent to interest (see section 486B).

Status: Point in time view as at 17/07/2012.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2009. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (2) For exclusions from this Chapter, see—
- (a) section 486C (return otherwise taxable),
 - (b) section 486D (arrangement having no tax avoidance purpose), and
 - (c) section 486E (excluded shares).

486B Disguised interest to be regarded as profit from loan relationship

- (1) Where a company is party to an arrangement which produces for the company a return in relation to any amount which is economically equivalent to interest, Part 5 applies as if the return were a profit arising to the company from a loan relationship.
- (2) For the purposes of this Chapter a return produced for a company by an arrangement in relation to any amount is “economically equivalent to interest” if (and only if)—
 - (a) it is reasonable to assume that it is a return by reference to the time value of that amount of money,
 - (b) it is at a rate reasonably comparable to what is (in all the circumstances) a commercial rate of interest, and
 - (c) at the relevant time there is no practical likelihood that it will cease to be produced in accordance with the arrangement unless the person by whom it falls to be produced is prevented (by reason of insolvency or otherwise) from producing it.
- (3) In subsection (2)(c) “the relevant time” means the time when the company becomes party to the arrangement or, if later, when the arrangement begins to produce a return for the company.
- (4) The credits and debits to be brought into account for the purposes of Part 5 in respect of the return must be determined on an amortised cost basis of accounting.
- (5) But if any of the return is not recognised in determining the company's profit or loss for any period it is to be treated as recognised using an amortised cost basis of accounting.
- (6) Where two or more persons are party to an arrangement which produces a return such as is mentioned in subsection (1)—
 - (a) for the persons (when taken together), but
 - (b) not for either (or any) of them individually,
 this section applies as if there were a profit arising to such (if any) of them as are companies from a loan relationship of so much of the return as is just and reasonable.
- (7) The only amounts which may be brought into account for corporation tax purposes in relation to a return such as is mentioned in subsection (1) in the case of any company are those which are brought into account in accordance with this section (but see section 486C).
- (8) In subsection (4) “credits” and “debits” include exchange gains and losses arising as a result of translating at different times the carrying value of the return or the amount by reference to which the return falls to be produced.
- (9) In this Chapter “arrangement” includes any agreement, understanding, scheme, transaction or series of transactions (whether or not legally enforceable), other than one which constitutes a finance lease (within the meaning given by section 219 of CAA 2001).

486C Exclusion where return otherwise taxable

- (1) This Chapter does not apply to an arrangement which produces a return for a company if or to the extent that the return—
- (a) is charged to corporation tax as income of the company or brought into account as income of the company for corporation tax purposes no later than the time when amounts are brought into account in relation to the return in accordance with section 486B,
 - (b) arises from anything that would produce credits or debits in relation to the company under Part 7 (derivative contracts) or Part 8 (intangible fixed assets) but for any exception relating to particular credits or debits, or
 - (c) arises from anything that would produce credits or debits in relation to the company under Part 5 apart from this Chapter but for any exception relating to particular credits or debits.
- (2) Subsection (1)(b) does not disapply this Chapter in the case of a return in relation to which section 641 (derivative contracts taxed on chargeable gains basis) applies.

486D Exclusion where arrangement has no tax avoidance purpose

- (1) This Chapter does not apply in relation to a return produced by an arrangement to which a company is a party unless it is reasonable to assume that the main purpose, or one of the main purposes, of the company being a party to the arrangement is to obtain a relevant tax advantage.
- (2) But a company for which a return is produced by an arrangement to which this Chapter would otherwise be prevented from applying by subsection (1) may elect that this Chapter is to apply in relation to the return.
- (3) An election under subsection (2)—

 - (c) is irrevocable.

521A Introduction to Chapter

- (1) This Chapter contains rules for Part 5 (and the other provisions of the Corporation Tax Acts) to apply in some cases as if at some times in the accounting period of a company (“A”) which holds shares of a certain kind in another company (“B”) the shares were rights under a creditor relationship of A.
- (2) See, in particular—
 - (a) section 521B (application of Part 5 to some shares as rights under creditor relationship), and
 - (b) section 521C (which describes the shares to which the rules apply).
- (3) In this Chapter references to the investing company are to A and references to the issuing company are to B.
- (4) For the purposes of this Chapter, the definition of “share” in section 476(1) only applies so far as it provides that “share” does not include a share in a building society.
- (5) Section 550(3) (repos: ignoring effect on borrower of sale of securities) does not apply for the purposes of this Chapter.
- (6) See section 116B of TCGA 1992 for the effect for chargeable gains purposes of shares beginning or ceasing to be shares to which section 521C applies.

521B Application of Part 5 to certain shares as rights under creditor relationship

- (1) This section applies in relation to the times in a company's accounting period when—
 - (a) the company holds a share in another company, and
 - (b) section 521C (shares accounted for as liabilities) applies to the share.
- (2) Part 5 (and the other provisions of the Corporation Tax Acts) apply as if at those times—
 - (a) the share were rights under a creditor relationship of the investing company, and

Status: Point in time view as at 17/07/2012.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2009. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (b) any distribution in respect of the share were not a distribution (and accordingly is within Part 5).
- (3) Where Part 5 applies in relation to the investing company in accordance with subsection (2) it so applies as if the issuing company stood in the position of debtor as respects the debt in question.
- (4) No debits are to be brought into account by the investing company as respects the share but this does not affect debits to be brought into account in respect of exchange gains or losses.
- (5) Subsection (2)(b) does not affect the operation of Part 1 of Schedule 25 of ICTA (controlled foreign companies: acceptable distribution policy) (including as it continues to have effect in accordance with paragraph 8(1) of Schedule 16 to FA 2009).
- (6) In this Chapter references to “the share” are to the share mentioned in subsection (1).

521C Shares accounted for as liabilities

- (1) This section applies to the share if—
 - (a) the share would be accounted for by the issuing company as a liability in accordance with generally accepted accounting practice,
 - (b) the share produces for the investing company a return in relation to any amount which is economically equivalent to interest,
 - (c) the issuing company and the investing company are not connected companies,
 - (d) the condition in subsection (4) is met,
 - (e) the share is not an excepted share (see section 521D), and
 - (f) the investing company holds the share for an unallowable purpose (see section 521E).
- (2) For the purposes of this section a return produced for a company by an arrangement in relation to any amount is “economically equivalent to interest” if (and only if)—
 - (a) it is reasonable to assume that it is a return by reference to the time value of that amount of money,
 - (b) it is at a rate reasonably comparable to what is (in all the circumstances) a commercial rate of interest, and
 - (c) at the relevant time there is no practical likelihood that it will cease to be produced in accordance with the arrangement unless the person by whom it falls to be produced is prevented (by reason of insolvency or otherwise) from producing it.
- (3) In subsection (2)(c) “the relevant time” means the time when the investing company first holds the share or, if later, when the share begins to produce a return for the investing company.
- (4) The condition mentioned in subsection (1)(d) is that the share does not fall to be treated for the accounting period in question as if it were rights under a creditor relationship of the investing company because of section 490 (holdings in OEICs, unit trusts and offshore funds treated as creditor relationship rights).
- (5) Section 466 (companies connected for an accounting period) applies for the purposes of this section.

567 Gains on deemed surrenders to be brought into account on related transactions

- (1) Any gain which arose under Chapter 2 of Part 13 of ICTA (life policies etc) as a result of the deemed surrender (“the deemed gain”) is to be brought into account by the relevant company as a non-trading credit for the accounting period in which there is a related transaction (so far as not previously brought into account under this section).
- (2) But if the relevant company is still a party to the old contract immediately after the related transaction, only the relevant fraction of the deemed gain which would otherwise be brought into account under subsection (1) is to be so brought into account.

SAR is the amount which would have been payable on a surrender of all the rights under the old contract immediately before the related transaction.

568 Restriction on credits on old contracts: fair value accounting cases

(1) This section applies if—

- (c) the old contract cost exceeds the fair value of the contract immediately before the beginning of the first accounting period.

(2) In subsection (1)(c) “the old contract cost” means—

is greater than the excess mentioned in subsection (1)(c).

569 Restriction on debits on old contracts: non-fair value accounting cases

Introduction

570 Overview of Part

- (1) This Part is about how profits and losses arising to a company from its derivative contracts are brought into account for corporation tax purposes.
- (2) For the meaning of “derivative contract”, see section 576 and the remainder of Chapter 2.
- (3) For how such profits and losses are calculated and brought into account, see—

 - (b) section 573 (trading credits and debits to be brought into account under Part 3),
 - (c) section 574 (non-trading credits and debits to be brought into account under Part 5), and
 - (d) Chapter 7 (chargeable gains arising in relation to derivative contracts).
- (4) For the priority of this Part for corporation tax purposes, see Chapter 12.
- (5) This Part also contains the following Chapters (which mainly relate to the amounts to be brought into account in respect of derivative contracts)—
 - (a) Chapter 3 (credits and debits to be brought into account: general),
 - (b) Chapter 4 (further provision about credits and debits to be brought into account),
 - (c) Chapter 5 (continuity of treatment on transfers within groups),
 - (d) Chapter 6 (special kinds of company),
 - (e) Chapter 8 (further provision about chargeable gains and derivative contracts),
 - (f) Chapter 9 (European cross-border transfers of business),

Status: Point in time view as at 17/07/2012.

- (6) See also section 980 of ITA 2007 (payments under derivative contracts excepted from duty to deduct income tax).

How profits and losses from derivative contracts are dealt with

571 General rule: profits chargeable as income

- (1) The general rule for corporation tax purposes is that all profits arising to a company from its derivative contracts are chargeable to corporation tax as income in accordance with this Part.
- (2) But see Chapter 7, which makes provision for cases in which profits arising to a company from its derivative contracts are chargeable to corporation tax as chargeable gains.

572 Profits and losses to be calculated using credits and debits given by this Part

- (1) Profits and losses arising to a company from its derivative contracts are to be calculated using the credits and debits given by this Part.
- (2) For exceptions to this section, see sections 652 to 658 (issuers of securities with embedded derivatives: deemed options and contracts for differences).

573 Trading credits and debits to be brought into account under Part 3

- (1) This section applies so far as in an accounting period a company is a party to a derivative contract for the purposes of a trade it carries on.
- (2) The credits in respect of the contract for the period are treated as receipts of the trade which are to be brought into account in calculating the profits of the trade for that period.
- (3) The debits in respect of the contract for the period are treated as expenses of the trade which are deductible in calculating those profits.
- (4) So far as subsection (3) provides for any amount to be deductible, it applies despite anything in—
 - (a) section 53 (capital expenditure),
 - (b) section 54 (expenses not wholly and exclusively for trade and unconnected losses), or
 - (c) section 59 (patent royalties).
- (5) For cases in which this section does not apply, see—
 - (a) section 616 (disapplication of fair value accounting for certain embedded derivatives), and
 - (b) Chapter 7 (chargeable gains arising in relation to derivative contracts).

Status: Point in time view as at 17/07/2012.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2009. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

574 Non-trading credits and debits to be brought into account under Part 5

- (1) This section applies if, for an accounting period, there are credits or debits in respect of the derivative contracts of a company which are not brought into account in accordance with section 573.
- (2) Those credits or debits—
 - (a) are to be treated as non-trading credits or non-trading debits (within the meaning of Part 5 (loan relationships)) for the period, and
 - (b) are accordingly to be brought into account in determining whether the company has non-trading profits or a non-trading deficit from its loan relationships for the period.
- (3) For cases in which this section does not apply, see—
 - (a) section 616 (disapplication of fair value accounting for certain embedded derivatives), and
 - (b) Chapter 7 (chargeable gains arising in relation to derivative contracts).

CHAPTER 2

CONTRACTS TO WHICH THIS PART APPLIES

Introduction

575 Overview of Chapter

- (1) This Chapter makes provision about the contracts to which this Part applies.
- (2) In particular, it—
 - (a) contains a definition of “derivative contract” (see section 576),
 - (b) contains other definitions (such as “relevant contract”, “option”, “future” and “contract for differences”) which are used in determining whether a contract is a derivative contract (see sections 577 to 583),
 - (c) makes provision about cases in which companies are treated as parties to relevant contracts (see sections 584 to 586),
 - (d) provides for certain contracts and transactions to be treated as derivative contracts (see sections 587 and 588), and
 - (e) provides for certain contracts to be treated as not being derivative contracts because of their underlying subject matter (see sections 589 to 593).

Meaning of “derivative contract” and other basic definitions

576 “Derivative contract”

- (1) For the purposes of this Part, a contract of a company is a derivative contract of the company for an accounting period if it—
 - (a) is a relevant contract (see sections 577 and 578),
 - (b) meets any of the accounting conditions for the accounting period (see section 579), and

Status: Point in time view as at 17/07/2012.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2009. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (c) is not prevented from being a derivative contract by section 589 (contracts excluded because of underlying subject matter: general) or any other provision of the Corporation Tax Acts.
- (2) See also sections 587 and 588 (other contracts etc treated as derivative contracts).
- (3) But note section 701 which includes power to amend the provisions of this Chapter relating to the meaning of “derivative contract”.

577 “Relevant contract”

- (1) In this Part “relevant contract” means—
 - (a) an option,
 - (b) a future, or
 - (c) a contract for differences.
- (2) For the meaning of “option”, “future” and “contract for differences”, see sections 580, 581 and 582 respectively.

578 Relevant contracts of a company and being party to such contracts

- (1) For the purposes of this Part, references to a relevant contract of a company are references to a relevant contract entered into or acquired by the company (but see subsection (3)).
- (2) For the purposes of this Part, a relevant contract is acquired by a company if the company becomes—
 - (a) entitled to the rights under the relevant contract, and
 - (b) subject to the liabilities under it.
- (3) For particular cases where companies are treated as parties to relevant contracts, see—
 - (a) section 584 (hybrid derivatives with embedded derivatives),
 - (b) section 585 (loan relationships with embedded derivatives), and
 - (c) section 586 (other contracts with embedded derivatives).
- (4) References in this Part to a company being a party to a relevant contract are to be read in accordance with this section.

579 The accounting conditions

- (1) The accounting conditions for any accounting period are that—
 - (a) the relevant contract is treated for accounting purposes as a derivative,
 - (b) the relevant contract—
 - (i) is not so treated just because of not meeting the requirement in paragraph 9(b) of Financial Reporting Standard 26 issued in December 2004 by the Accounting Standards Board (requirement for no initial net investment or smaller initial net investment than comparable types of contract), but
 - (ii) is or forms part of a financial asset or liability for accounting purposes, or
 - (c) the relevant contract is not within paragraph (a) or (b), but is within subsection (2).

Status: Point in time view as at 17/07/2012.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2009. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (2) A relevant contract is within this subsection if—
 - (a) its underlying subject matter is commodities, or
 - (b) it is a contract for differences whose underlying subject matter is—
 - (i) land,
 - (ii) tangible movable property, other than commodities which are tangible assets,
 - (iii) intangible fixed assets,
 - (iv) weather conditions, or
 - (v) creditworthiness.
- (3) For the purposes of subsection (1)(a), a relevant contract of a company is treated for accounting purposes as a derivative for an accounting period if for that period—
 - (a) it is so treated for the purposes of the relevant accounting standard used by the company for that period, or
 - (b) it would be so treated if the company used the relevant accounting standard for that period in respect of the contract.
- (4) For the purposes of subsection (1)(b), a relevant contract of a company is or forms part of a financial asset or liability for accounting purposes for an accounting period if for that period—
 - (a) it is or does so for the purposes of the relevant accounting standard used by the company for that period, or
 - (b) it would be or would do so if the company used the relevant accounting standard for that period in respect of the contract.
- (5) In this section “relevant accounting standard” means—
 - (a) for any accounting period in relation to which it is required or permitted to be used, Financial Reporting Standard 25 issued in December 2004 by the Accounting Standards Board, as from time to time modified, amended or revised, or
 - (b) for any accounting period in relation to which it is required or permitted to be used, any subsequent accounting standard dealing with transactions which are derivatives, as from time to time modified, amended or revised.
- (6) For the meaning of “underlying subject matter”, see section 583.

580 “Option”

- (1) In this Part “option” includes a warrant.
- (2) References in this Part to an option do not include a contract whose terms—
 - (a) provide—
 - (i) that, after setting off their obligations to each other under the contract, a cash payment is to be made by one party to the other in respect of the excess, if any, or
 - (ii) that each party is liable to make to the other party a cash payment in respect of all that party's obligations to the other under the contract, and
 - (b) do not provide for the delivery of any property.

Status: Point in time view as at 17/07/2012.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2009. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (3) Subsection (2) does not prevent an option whose underlying subject matter is currency from being an option.
- (4) But see—
- (a) section 652 (introduction to sections 653 to 655),
 - (b) section 665 (issuers of securities with embedded derivatives: equity instruments), and
 - (c) section 695 (transfers of value to connected companies),
- in which “option” is to be construed as if subsections (2) and (3) were omitted.

581 “Future”

- (1) In this Part “future” means a contract for the sale of property under which delivery is to be made—
- (a) at a future date agreed when the contract is made, and
 - (b) at a price so agreed,
- but this is subject to subsection (3).
- (2) For the purposes of subsection (1)(b), a price is agreed when the contract is made even if—
- (a) the price is left to be determined by reference to the price at which a contract is to be entered into on a market or exchange or could be entered into at a time and place specified in the contract, or
 - (b) in a case where the contract is expressed to be by reference to a standard lot and quality, provision is made for a variation in the price to take account of any variation in quantity or quality on delivery.
- (3) References in this Part to a future do not include a contract whose terms—
- (a) provide—
 - (i) that, after setting off their obligations to each other under the contract, a cash payment is to be made by one party to the other in respect of the excess, if any, or
 - (ii) that each party is liable to make to the other party a cash payment in respect of all that party's obligations to the other under the contract, and
 - (b) do not provide for the delivery of any property.
- (4) Subsection (3) does not prevent a future whose underlying subject matter is currency from being a future.

582 “Contract for differences”

- (1) In this Part “contract for differences” means a contract the purpose or pretended purpose of which is to make a profit or avoid a loss by reference to fluctuations in—
- (a) the value or price of property described in the contract, or
 - (b) an index or other factor designated in the contract.
- (2) But none of the following is a contract for differences—
- (a) an option,
 - (b) a future,

Status: Point in time view as at 17/07/2012.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2009. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (c) a contract of insurance,
- (d) a capital redemption policy,
- (e) a contract of indemnity,
- (f) a guarantee,
- (g) a warranty, or
- (h) a loan relationship.

- (3) For the purposes of subsection (1)(b), an index or factor may be determined by reference to any matter.

583 “Underlying subject matter”

- (1) In this Part references to the underlying subject matter of a relevant contract are to be read as follows.
- (2) The underlying subject matter of an option is—
- (a) the property which would fall to be delivered if the option were exercised, or
 - (b) if the property which would so fall is a derivative contract, the underlying subject matter of that contract.
- (3) The underlying subject matter of a future is—
- (a) the property which, if the future were to run to delivery, would fall to be delivered at the date and price agreed when the contract is made, or
 - (b) if the property which would so fall is a derivative contract, the underlying subject matter of that contract.
- (4) The underlying subject matter of a contract for differences is—
- (a) if the contract for differences relates to fluctuations in the value or price of property described in the contract, the property so described, or
 - (b) if an index or factor is designated in the contract for differences, the matter by reference to which the index or factor is determined.
- (5) The things which may be the subject matter of a contract for differences include—
- (a) interest rates,
 - (b) weather conditions, and
 - (c) creditworthiness.
- (6) Interest rates are not the underlying subject matter of a relevant contract if—
- (a) under the terms of that contract—
 - (i) the date on which a party to that contract becomes subject to a duty to make a payment is a variable date, and
 - (ii) the amount of that payment varies according to the date of payment, and
 - (b) those terms refer to an interest rate only for the purpose of establishing that amount.
- (7) The underlying subject matter of a relevant contract is not treated as being—
- (a) land,
 - (b) shares in a company, or
 - (c) rights of a unit holder under a unit trust scheme,
- just because its underlying subject matter includes income from that kind of property.

Status: Point in time view as at 17/07/2012.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2009. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

Cases where companies treated as parties to relevant contracts

584 Hybrid derivatives with embedded derivatives

- (1) This section applies if—
 - (a) a company is a party to a relevant contract which meets the condition in section 579(1)(b) or (c) (contracts not treated for accounting purposes as derivatives),
 - (b) in accordance with generally accepted accounting practice, the company treats the rights and liabilities under the contract as divided between—
 - (i) rights and liabilities under one or more derivatives (“embedded derivatives”), and
 - (ii) the remaining rights and liabilities, and
 - (c) a contract consisting of only those remaining rights and liabilities would be a relevant contract.
- (2) The company is treated for the purposes of this Part—
 - (a) as a party to a relevant contract whose rights and liabilities consist only of those of the embedded derivative, or (if there is more than one embedded derivative) as a party to relevant contracts each of whose rights and liabilities consist only of those of one of the embedded derivatives, and
 - (b) as a party to a relevant contract whose rights and liabilities are those within subsection (1)(b)(ii).
- (3) Each relevant contract to which a company is treated as a party under subsection (2) is treated for the purposes of this Part as an option, a future or a contract for differences depending on what the character of a separate contract containing the rights and liabilities of the deemed relevant contract would be.
- (4) In this Part “hybrid derivative” means a relevant contract within subsection (1)(a).
- (5) See also—
 - (a) section 592 (embedded derivatives treated as meeting condition in section 591 etc), and
 - (b) section 616 (disapplication of fair value accounting for certain embedded derivatives).

585 Loan relationships with embedded derivatives

- (1) This section applies if in accordance with generally accepted accounting practice a company treats the rights and liabilities under a loan relationship to which it is a party as divided between—
 - (a) rights and liabilities under a loan relationship, and
 - (b) rights and liabilities under one or more derivative financial instruments or equity instruments (“embedded derivatives”).
- (2) The company is treated for the purposes of this Part—
 - (a) as a party to a relevant contract whose rights and liabilities consist only of those of the embedded derivative, or
 - (b) if there is more than one embedded derivative, as a party to relevant contracts each of whose rights and liabilities consist only of those of one of the embedded derivatives.

Status: Point in time view as at 17/07/2012.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2009. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (3) Each relevant contract to which a company is treated as a party under subsection (2) is treated for the purposes of this Part as an option, a future or a contract for differences depending on what the character of a separate contract containing the rights and liabilities of the embedded derivative would be.
- (4) For the corresponding treatment of the rights and liabilities within subsection (1)(a), see section 415 (loan relationships with embedded derivatives).
- (5) See also—
 - (a) section 416 (election for section 415 and this section to apply), and
 - (b) section 635 (some creditor relationships treated as ones in relation to which section 415 and this section have effect).

586 Other contracts with embedded derivatives

- (1) This section applies if a company—
 - (a) is a party to a contract which is neither a hybrid derivative nor a loan relationship, and
 - (b) in accordance with generally accepted accounting practice, treats the rights and liabilities under the contract as divided between—
 - (i) rights and liabilities under one or more derivatives (“embedded derivatives”), and
 - (ii) the remaining rights and liabilities.
- (2) The company is treated for the purposes of this Part—
 - (a) as a party to a relevant contract whose rights and liabilities consist only of those of the embedded derivative, or
 - (b) if there is more than one embedded derivative, as a party to relevant contracts each of whose rights and liabilities consist only of those of one of the embedded derivatives.
- (3) Each relevant contract to which a company is treated as a party under subsection (2) is treated for the purposes of this Part as an option, a future or a contract for differences depending on what the character of a separate contract containing the rights and liabilities of the embedded derivative would be.
- (4) See also section 616 (disapplication of fair value accounting for certain embedded derivatives).

Other contracts etc treated as derivative contracts

587 Contract relating to holding in OEIC, unit trust or offshore fund

- (1) This section applies in relation to a relevant contract to which a company is a party in an accounting period if—
 - (a) it is not a derivative contract for the purposes of this Part but for this section, and
 - (b) its underlying subject matter consists wholly or partly of a relevant holding in that period.
- (2) This Part has effect—

Status: Point in time view as at 17/07/2012.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2009. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (a) for that accounting period, and
 - (b) for any succeeding accounting period in which the relevant contract is a relevant contract of the company,as if the relevant contract were a derivative contract.
- (3) For the purposes of this section, the underlying subject matter of a contract consists wholly or partly of a relevant holding in an accounting period if—
 - (a) at any time in that period it consists wholly or partly of—
 - (i) any shares in an open-ended investment company,
 - (ii) any rights under a unit trust scheme, or
 - (iii) a material interest in an offshore fund within the meaning of Chapter 3 of Part 6 (see section 489), and
 - (b) there is a time in the period when that company, scheme or fund fails to meet the qualifying investments test.
- (4) In subsection (3) “meeting the qualifying investments test” has the same meaning as in section 493 (the qualifying investments test).
- (5) See section 18(2)(c)(ii) of F(No.2)A 2005 (section 17(3): specific powers) for the power to modify the meaning of “relevant holding” for the purposes of this section by regulations under section 17(3) of that Act (regulations about authorised unit trusts and OEICs).
- (6) For the way in which credits and debits are to be brought into account where this section applies, see section 601 (application of fair value accounting).
- (7) See also—
 - (a) section 602 (contract becoming one relating to holding in OEIC, unit trust or offshore fund), and
 - (b) section 660 (company ceasing to be party to contract relating to holding in OEIC, unit trust or offshore fund).

588 Associated transaction treated as derivative contract

- (1) This section is to be read as if it were in Chapter 7 (shares with guaranteed returns etc) of Part 6 (relationships treated as loan relationships etc).
- (2) See, in particular—
 - section 526(2) (meaning of “non-qualifying share”), and
 - section 532 (meaning of “associated transaction” and “the associated transactions condition”).
- (3) Subsection (4) applies in a case which falls within section 523(1)(b)(ii) (loan relationships: non-qualifying shares) because the share mentioned in section 523(1)(a) is a non-qualifying share as a result of the associated transactions condition being met.
- (4) An associated transaction is treated for the purposes of this Part as a derivative contract or a transaction in respect of a derivative contract if it is not in fact such a contract or transaction.
- (5) For the way in which credits and debits are to be brought into account where subsection (4) applies, see section 603 (application of fair value accounting).

Exclusions from derivative contracts

589 Contracts excluded because of underlying subject matter: general

- (1) A relevant contract is not a derivative contract for the purposes of this Part if its underlying subject matter—
 - (a) consists wholly of excluded property (see subsections (2) to (5)), or
 - (b) is treated as consisting wholly of such property.
- (2) “Excluded property” means—
 - (a) intangible fixed assets,
 - (b) shares in a company other than shares within subsection (3), or
 - (c) rights of a unit holder under a unit trust scheme other than a scheme in relation to which section 490 (holdings in OEICs, unit trusts and offshore funds treated as creditor relationship rights) has effect.
- (3) The shares within this subsection are—
 - (a) shares to which section 524 or 526 (shares subject to outstanding third party obligations and shares which are non-qualifying shares) applies, and
 - (b) shares in an open-ended investment company in relation to which section 490 has effect.
- (4) Subsection (2)(a) applies only in relation to a relevant contract which is an option or future.
- (5) Subsection (2)(b) and (c) apply only in relation to a relevant contract which—
 - (a) meets any of conditions A to E in section 591, and
 - (b) is not designed to produce a return which equates in substance to the return on an investment of money at a commercial rate of interest.
- (6) Section 590 applies for determining whether the underlying subject matter of a relevant contract is to be treated as consisting wholly of excluded property.

590 Disregard of subordinate or small value underlying subject matter

- (1) This section applies in relation to a relevant contract if its underlying subject matter consists only of—
 - (a) excluded property, and
 - (b) other underlying subject matter which is—
 - (i) subordinate in relation to any of the excluded property, or
 - (ii) of small value in comparison with the value of the underlying subject matter as a whole.

Introduction

594 Overview of Chapter

- (1) This Chapter contains rules of general application about the credits and debits to be brought into account for the purposes of this Part.
- (2) In particular, it—
 - (a) sets out the general principles which are to apply in relation to the bringing into account of credits and debits, including the use of generally accepted accounting practice and the taking into account of related transactions (see sections 595 and 596),

Status: Point in time view as at 17/07/2012.

- (h) makes provision in relation to statutory insolvency arrangements (see section 611).

General principles

595 General principles about the bringing into account of credits and debits

- (1) This Part operates by reference to the accounts of companies and amounts recognised for accounting purposes in those accounts.
- (2) The general rule is that the amounts to be brought into account by a company as credits or debits for any period for the purposes of this Part are those which are recognised in determining the company's profit or loss for the period in accordance with generally accepted accounting practice (but this is subject to subsections (3) and (4)).
- (3) The credits and debits to be brought into account in respect of a company's derivative contracts are the amounts which, when taken together, fairly represent for the accounting period in question—
 - (a) all profits and losses of the company which arise to it from its derivative contracts and related transactions (excluding expenses), and
 - (b) all expenses incurred by the company under or for the purposes of those contracts and transactions.
- (4) Expenses are only treated as incurred as mentioned in subsection (3)(b) if they are incurred directly—
 - (a) in bringing any of the derivative contracts into existence,
 - (b) in entering into or giving effect to any of the related transactions,
 - (c) in making payments under any of those contracts or as a result of any of those transactions, or
 - (d) in taking steps to ensure the receipt of payments under any of those contracts or in accordance with any of those transactions.
- (5) For the treatment of pre-contract or abortive expenses, see section 607.
- (6) In subsection (3) “profits and losses” includes profits and losses of a capital nature.
- (7) This section is subject to the following provisions of this Part.
- (8) For the meaning of “related transaction” see section 596.

Status: Point in time view as at 17/07/2012.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2009. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

596 Meaning of “related transaction”

- (1) In this Part “related transaction”, in relation to a derivative contract, means any disposal or acquisition (in whole or in part) of rights or liabilities under the contract.
- (2) For this purpose the cases where there is taken to be such a disposal or acquisition include—
 - (a) those where rights or liabilities under the derivative contract are transferred or extinguished by any sale, gift, surrender or release, and
 - (b) those where the contract is discharged by performance in accordance with its terms.

Amounts recognised in determining a company's profit or loss

597 Amounts recognised in determining a company's profit or loss

- (1) References in this Part to an amount recognised in determining a company's profit or loss for a period are to an amount recognised in—
 - (a) the company's profit and loss account, income statement or statement of comprehensive income for that period,
 - (b) the company's statement of total recognised gains and losses, statement of recognised income and expense, statement of changes in equity or statement of income and retained earnings for that period, or
 - (c) any other statement of items recognised in calculating the company's profits and losses for that period.
- (2) If, in accordance with generally accepted accounting practice, an amount is shown as a prior period adjustment in any statement within subsection (1), it must be brought into account for the purposes of this Part in calculating the company's profits and losses for the period to which the statement relates.
- (3) Subsection (2) does not apply to an amount recognised for accounting purposes by way of correction of a fundamental error.

598 Regulations about recognised amounts

- (1) The Treasury may by regulations make provision—
 - (a) excluding amounts of a specified description from section 597(1) (amounts recognised in determining a company's profit or loss),
 - (b) requiring amounts of a specified description which are not within section 597(1) to be brought into account in determining a company's profit or loss for a period in specified circumstances, and
 - (c) as to the way in which any such amounts are to be brought into account.
- (2) For the purposes of subsection (1)(b), it does not matter whether the amounts are not within section 597(1) because of regulations under subsection (1)(a) or otherwise.
- (3) The regulations may (in particular) make provision by reference to the fact that amounts derive from or otherwise relate to amounts brought into account in a specified way in a previous period of account.
- (4) The regulations may—
 - (a) make different provision for different cases, and

Status: Point in time view as at 17/07/2012.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2009. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (b) make provision subject to an election or to other specified conditions.
- (5) The regulations may apply, exclude or modify any of the provisions of this Part in relation to cases for which provision is made by the regulations.
- (6) The regulations may apply to periods of account beginning before they are made, but not earlier than the beginning of the calendar year in which they are made.

599 Meaning of “amounts recognised for accounting purposes”

- (1) If a company—
 - (a) draws up accounts which are not GAAP-compliant accounts, or
 - (b) does not draw up accounts at all,
 this Part applies as if GAAP-compliant accounts had been drawn up.
- (2) Accordingly, references in this Part to amounts recognised for accounting purposes include references to the amounts which would have been recognised if GAAP-compliant accounts had been drawn up for the period of account in question and any relevant earlier period.
- (3) For this purpose a period of account is relevant to a later period if the accounts for the later period rely to any extent on amounts derived from the earlier period.
- (4) In this section “GAAP-compliant accounts” means accounts drawn up in accordance with generally accepted accounting practice.

(8) In subsection (7)—

- (2) The amounts to be brought into account in accordance with this Part in respect of the contract are to be determined on the basis of fair value accounting.

601 Contract relating to holding in OEIC, unit trust or offshore fund

- (1) This section applies if a company is a party in an accounting period to a relevant contract which is treated as a derivative contract under section 587 (contract relating to holding in OEIC, unit trust or offshore fund).
- (2) The credits and debits which are to be brought into account in accordance with this Part in respect of the relevant contract are to be determined on the basis of fair value accounting.

602 Contract becoming one relating to holding in OEIC, unit trust or offshore fund

- (1) This section applies if—
 - (a) a company is a party to a relevant contract in two successive accounting periods,
 - (b) section 587 (contract relating to holding in OEIC, unit trust or offshore fund) applies in relation to the relevant contract for the second accounting period but not the first accounting period, and
 - (c) immediately before the beginning of the second accounting period the relevant contract was a chargeable asset.

Status: Point in time view as at 17/07/2012.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2009. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (2) For the purposes of section 601(2), the opening valuation of the contract as at the beginning of the second accounting period is taken to be equal to the market value of the contract.

- (3) Subsection (4) applies if credits and debits are required to be brought into account in accordance with this Part in respect of any associated transaction because of section 588 (which treats such a transaction which is not a derivative contract as if it were).
- (4) Those credits and debits are to be determined on the basis of fair value accounting.

Rules differing from generally accepted accounting practice

604 Credits and debits treated as relating to capital expenditure

- (1) This section applies if generally accepted accounting practice allows a credit or debit for an accounting period in respect of a company's derivative contract to be treated in the company's accounts as an amount recognised in determining the value of a fixed capital asset or project.
- (2) Despite that treatment, the credit or debit must be brought into account in accordance with this Part, in the accounting period for which it is given, in the same way as a credit or debit which is recognised in determining the company's profit or loss for that period in accordance with generally accepted accounting practice.
- (3) But subsection (2) does not apply to a debit which is recognised in arriving at the amount of expenditure in relation to which a debit may be given by Part 8 (intangible fixed assets).
- (4) Subsection (5) applies if a debit is recognised as mentioned in subsection (1).
- (5) No debit may be brought into account in accordance with this Part in respect of—

 - (d) regulation 9 of the Disregard Regulations (interest rate contracts) does not apply to the embedded derivative.
- (2) If this section applies—
 - (a) sections 573 and 574 (trading credits and debits to be brought into account under Part 3 and non-trading credits and debits to be brought into account under Part 5) do not apply in relation to the embedded derivative, and
 - (b) subsection (3) or subsections (4) to (6) apply in relation to the original contract, depending on whether that contract is a hybrid derivative or a contract within section 586(1).
- (3) If the original contract is a hybrid derivative, profits and losses are to be calculated for the purposes of this Part as if that contract—
 - (a) were not one where the rights and liabilities are treated for accounting purposes as divided as mentioned in section 584(1) (hybrid derivatives with embedded derivatives), and
 - (b) were not one in relation to which a fair value basis of accounting is used.
- (4) If the original contract is a contract within section 586(1), profits and losses are to be brought into account for the purposes of the Corporation Tax Acts in relation to that contract as if that contract—
 - (a) were not one where the rights and liabilities are treated for accounting purposes as divided as mentioned in section 586(1) (other contracts with embedded derivatives), and
 - (b) were not one in relation to which a fair value basis of accounting is used.
- (5) Accordingly, this Part does not apply to the original contract (except for the purposes of this section), but section 46 applies to that contract as if fair value accounting were not generally accepted accounting practice in relation to the company.
- (6) Subsections (4) and (5) apply despite section 699(1) (priority of this Part for corporation tax purposes).
- (7) In this section—

“the Disregard Regulations” means the Loan Relationships and Derivative Contracts (Disregard and Bringing into Account of Profits and Losses) Regulations 2004 (S.I. 2004/3256), and

“the original contract” means—

 - (a) the hybrid derivative as a result of which the company falls to be treated under section 584(2) (hybrid derivatives with embedded derivatives) as a party to the embedded derivative, or

- (b) the contract within section 586(1) (other contracts with embedded derivatives) as a result of which the company falls to be treated under section 586(2) as a party to the embedded derivative.

617 Election for section 616 not to apply

- (1) A company may elect that section 616 is not to apply in relation to its contracts.
- (2) But such an election does not apply to a contract if—
 - (a) the contract is a contract of long-term insurance, or
 - (b) the underlying subject matter of the embedded derivative is, or includes, commodities.
- (3) An election under this section—
 - (a) must be made before the end of the first applicable accounting period of the company, and
 - (b) is irrevocable.
- (4) In subsection (3) “the first applicable accounting period” means the first accounting period in which the conditions in section 616(1) are met.
- (5) Section 618 makes further provision about elections under this section.

618 Elections under section 617: groups of companies

- (1) If—
 - (a) a company makes an election under section 617 in relation to its contracts, and
 - (b) another company, which is a member of the same group as the company making the election, is a party to a contract to which the election applies,
 the other company is treated, in relation to that contract, as if it had also made such an election.
- (2) If—
 - (a) a company (“the electing company”) makes an election under section 617 in relation to its contracts,
 - (b) another company (“the transferee”) becomes a party to a contract to which section 584 (hybrid derivatives with embedded derivatives) or section 586 (other contracts with embedded derivatives) applies, in place of the electing company (whether before or after the election is made), and
 - (c) the transferee is a member of the same group of companies as the electing company at the time of the transfer,
 the transferee is treated, in relation to the contract mentioned in paragraph (b), as if it had also made such an election.
- (3) If—
 - (a) a company (“A”) is treated under section 584 or 586 as a party to a relevant contract in relation to which section 616(1) applies,
 - (b) another company (“B”) becomes a party to that contract in place of A,
 - (c) A and B are members of the same group of companies when B becomes a party to the contract, and
 - (d) section 616(1) does not apply in relation to B's other relevant contracts because of an election under section 617 (whenever made),

Status: Point in time view as at 17/07/2012.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2009. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

subsection (4) applies, unless A, subsequent to B's becoming a party to the contract, makes such an election.

- (4) B is treated, in relation to the contract mentioned in subsection (3)(b), as if section 616(1) applied in relation to it.
- (5) In this section, references to a company being a member of the same group of companies are to be read in accordance with section 170 of TCGA 1992 (interpretation of sections 171 to 181 of that Act: groups).

Partnerships involving companies

619 Partnerships involving companies

- (1) This section applies if—
 - (a) a trade or business is carried on by a firm,
 - (b) any of the partners in the firm is a company (a “company partner”), and
 - (c) the firm is a party to a contract which is a derivative contract or would be a derivative contract if the firm were a company.
- (2) No credits or debits may be brought into account in accordance with this Part in respect of the contract in calculating the profits and losses of the trade or business for corporation tax purposes under section 1259 (calculation of firm's profits and losses).
- (3) Instead, each company partner must bring into account in accordance with this Part credits and debits in respect of the contract for each of its accounting periods in which the conditions in subsection (1) are met.
- (4) Sections 620 (determination of credits and debits by company partners) and 621 (company partners using fair value accounting) contain special rules about the credits and debits to be brought into account under subsection (3).
- (5) In sections 620 and 621 “company partner” has the same meaning as in this section.

- (1) The credits and debits to be brought into account under section 619(3) are to be determined separately for each company partner as follows.
- (2) The contract entered into or acquired by the firm is treated as if it were instead entered into or acquired by the company partner for the purposes of the trade or business which the company partner carries on.
- (3) Anything done by or in relation to the firm in connection with the contract is treated as done by or in relation to the company partner.
- (4) So far as exchange gains or losses arising from the contract are recognised in the firm's—

they are treated as if they had been recognised in the corresponding statement of the company partner.

- (5) The credits and debits in the case of each company partner are the partner's appropriate share of the total credits and debits determined in accordance with subsections (2) to (4).
- (6) A company partner's "appropriate share" is the share which would be apportioned to it on the assumption in subsection (7).
- (7) The assumption is that the total credits and debits determined in accordance with subsections (2) to (4) are apportioned between the partners in the shares in which any profit or loss would be apportioned between them in accordance with the firm's profit-sharing arrangements.

621 Company partners using fair value accounting

- (1) This section applies if a company partner uses fair value accounting in relation to its interest in the firm.
- (2) The credits and debits to be brought into account by the company partner under section 619(3) are to be determined on the basis of fair value accounting.

Miscellaneous

622 Contracts ceasing to be derivative contracts

- (1) This section applies if a company is a party to a relevant contract which ceases to be a derivative contract.
- (2) The company is treated for the purposes of this Part as if it had disposed of the contract in a related transaction at the relevant time for consideration of an amount equal to the notional carrying value of the contract at that time.
- (3) In this section "the relevant time" means the time when the contract ceases to be a derivative contract.
- (4) For the purposes of this section, the "notional carrying value" of the contract at the relevant time is the amount which would have been the carrying value of the contract in the accounts of the company if a period of account had ended immediately before that time.
- (5) See also section 662 (chargeable gains provision for contracts ceasing to be derivative contracts).

623 Index-linked gilt-edged securities with embedded contracts for differences

- (1) This section applies to a derivative contract of a company for an accounting period if each of conditions A to D is met.
- (2) Condition A is that the derivative contract is a relevant contract to which the company is treated as a party under section 585(2) (loan relationships with embedded derivatives) because of a creditor relationship of the company.

Status: Point in time view as at 17/07/2012.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2009. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (3) Condition B is that the derivative contract is treated as a contract for differences by section 585(3) (contract treated as option, future or contract for differences).
- (4) Condition C is that the creditor relationship is an index-linked gilt-edged security.
- (5) Condition D is that the credits and debits which fall to be brought into account for the accounting period for the purposes of Part 5 (loan relationships) in respect of the host contract are non-trading credits and non-trading debits.
- (6) The credits and debits which would fall to be brought into account in accordance with this Part in respect of the derivative contract for the accounting period apart from this section may not be so brought into account.
- (7) In this section—
 - “the host contract” means the loan relationship to which the company is treated as a party under section 415(2) (loan relationships with embedded derivatives) because of the creditor relationship mentioned in subsection (2), and
 - “index-linked gilt-edged security” has the same meaning as in Part 5 (see section 399(4)).

CHAPTER 5

CONTINUITY OF TREATMENT ON TRANSFERS WITHIN GROUPS

Introductory

624 Introduction to Chapter

- (1) This Chapter makes provision—
 - (a) about continuity of treatment in some cases in which a company replaces a member of the same group of companies as a party to a derivative contract, and
 - (b) about cases in which the company ceases to be a member of the group.
- (2) For the meaning of references in this Chapter to a company replacing another as a party to a derivative contract, see section 627.
- (3) In this Chapter, references to a company being a member of a group of companies are to be read in accordance with section 170 of TCGA 1992 (interpretation of sections 171 to 181 of that Act: groups).
- (4) For modifications of this Chapter for insurance companies, see section 636.

Group member replacing another as party to derivative contract

625 Group member replacing another as party to derivative contract

- (1) This section applies if—
 - (a) there is a transaction within section 626(2) or a series of transactions within section 626(3),

Status: Point in time view as at 17/07/2012.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2009. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (b) as a result one of the companies involved (“the transferee”) directly or indirectly replaces the other (“the transferor”) as a party to a derivative contract.
- (2) The credits and debits to be brought into account in accordance with this Part in respect of the derivative contract are determined in accordance with subsections (3) to (5).
- (3) For the accounting period in which the transaction or, as the case may be, the first of the transactions takes place, the transferor is treated as having entered into that transaction for consideration of an amount equal to the notional carrying value of the contract (see subsection (6)).
- (4) For any accounting period in which the transferee is a party to the contract, it is treated as if it had acquired the contract for consideration of an amount equal to its notional carrying value.
- (5) If a discount arises in respect of the transaction or series of transactions, the consideration is increased for the purposes of subsection (3) (but not subsection (4)) by the amount of the discount.
- (6) For the purposes of this section—
 - (a) “discount” has same meaning as in section 480 (relevant non-lending relationships involving discounts), and
 - (b) the notional carrying value of a contract is the amount which would have been its carrying value in the accounts of the transferor if a period of account had ended immediately before the date when the transferor ceased to be a party to the contract.
- (7) [^{F445}Part 4 of TIOPA 2010] (provision not at arm's length) does not apply in relation to the amounts in respect of which credits or debits are to be brought into account under this section.
- (8) This section is subject to sections 628 (transferor using fair value accounting) and 629 (tax avoidance).

Exceptions to section 625

628 Transferor using fair value accounting

- (1) This section applies instead of section 625 if, in a case where that section would otherwise apply, the transferor uses fair value accounting as respects the derivative contract.
- (2) The amount which is to be brought into account by the transferor in respect of—
 - (a) the transaction mentioned in that section, or
 - (b) the series of transactions mentioned in that section taken together,
 is the fair value of the derivative contract as at the date of transfer to the transferee.
- (3) For any accounting period in which the transferee is a party to the contract, for the purpose of determining the credits and debits to be brought into account in respect of the contract in accordance with this Part, the transferee is treated as if it had acquired the contract for consideration of an amount equal to the fair value of the contract as at the date of transfer to it.
- (4) If a discount arises in respect of the transaction or series of transactions, the amount to be brought into account under subsection (2) is increased by the amount of the discount.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2009. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (3) Condition B is that the purpose or one of the main purposes of the arrangements is to secure a tax advantage for the transferor or a person connected with it.
- (4) Section 625 does not apply in relation to a disposal if section 698 (disposals for consideration not fully recognised by accounting practice) applies in relation to the disposal.
- (5) In this section—
 - “arrangements” includes any scheme, agreement, understanding, transaction or series of transactions,
 - “tax advantage” has the meaning given by [^{F446}section 1139 of CTA 2010],
 - “transfer” includes any arrangement which equates in substance to a transfer (including any acquisition or disposal of, or increase or decrease in, a share of the profits or assets of a firm), and
 - “the transferor” and “the transferee” have the same meaning as in section 625.

Textual Amendments

F446 Words in s. 629(5) substituted (with effect in accordance with s. 1184(1) of the amending Act) by Corporation Tax Act 2010 (c. 4), s. 1184(1), Sch. 1 para. 639 (with Sch. 2)

Transferee leaving group after replacing transferor as party to derivative contract

630 Introduction to sections 631 and 632

- (1) Sections 631 and 632 apply if—
 - (a) section 625 (group member replacing another as party to derivative contract) applies because of a transaction or series of transactions within section 626(2) or (3), and
 - (b) before the end of the relevant 6 year period and while still a party to the relevant derivative contract, the transferee ceases to be a member of the relevant group.
- (2) But the transferee is not to be treated for the purposes of this section and sections 631 and 632 as having left the relevant group if—
 - (a) rights and liabilities under a derivative contract are transferred in the course of a transfer or merger in relation to which Chapter 9 (European cross-border transfers of business) or Chapter 10 (European cross-border mergers) applies, and
 - (b) the transferee ceases to be a member of the relevant group in consequence of the transfer or merger.
- (3) In a case where subsection (2) applies, if the transferee becomes a member of another group in consequence of the transfer or merger, it is to be treated for the purposes of this section and sections 631 and 632 as if the relevant group and the other group were the same.
- (4) In this section and sections 631 and 632—
 - “the relevant 6 year period” means the period of 6 years following—

631 Transferee leaving group otherwise than because of exempt distribution

- (1) This section applies if—

 - (b) it does not so cease just because of a distribution which is exempt [^{F447}as a result of section 1075 of CTA 2010 (exempt distributions)].
- (2) If condition A or B is met, this Part applies as if—
 - (a) the transferee had assigned its rights and liabilities under the relevant derivative contract immediately before so ceasing,
 - (b) the assignment had been for consideration of an amount equal to their fair value at that time, and
 - (c) the transferee had immediately reacquired them for consideration of the same amount.
- (3) Condition A is that if subsection (2) applied a credit would be brought into account in accordance with this Part by the transferee because of subsection (2)(a) and (b).
- (4) Condition B is that—
 - (a) the transferee has a hedging relationship between the relevant derivative contract and a creditor relationship, and
 - (b) because of section 345(2)(a) and (b) (transferee leaving group otherwise than because of exempt distribution) a credit is to be brought into account by the transferee for the purposes of Part 5 (loan relationships) in respect of the creditor relationship.

- (2) This Chapter also makes provision about cases in which—
- (a) credits and debits are not to be brought into account in accordance with section 573 (trading credits and debits to be brought into account under Part 3: trading income) or section 574 (non-trading credits and debits to be brought into account under Part 5: loan relationships) (see section 651), but

Some credits and debits not to be brought into account under Part 5

640 Credits and debits not to be brought into account under Part 5

- (1) If any of the provisions in subsection (2) applies to a derivative contract of a company for an accounting period, section 574 (non-trading credits and debits to be brought into account under Part 5: loan relationships) does not apply to the relevant credits and debits.

 - (c) section 648 (creditor relationships: embedded derivatives which are exactly tracking contracts for differences), and
 - (d) section 650 (property based total return swaps).
- (3) For the purposes of corporation tax on chargeable gains—
 - (a) if C exceeds D, a chargeable gain equal to the amount of the excess is treated as accruing to the company in the accounting period,
 - (b) if D exceeds C, an allowable loss equal to the amount of the excess is treated as accruing to the company in the accounting period.
- (4) “C” means the sum of the relevant credits for the accounting period in respect of the derivative contract.
- (5) “D” means the sum of the relevant debits for the accounting period in respect of the derivative contract.
- (6) For a case in which this section does not apply, see section 642.
- (7) See also section 663 (carry back of net losses on derivative contracts to which this section applies).

642 Exception from section 641

- (1) Section 641 does not apply to a derivative contract to which section 645 applies if, on the assumptions in subsection (2), paragraph 2 of Schedule 7AC to TCGA 1992 (substantial shareholding exemptions: gain on disposal of asset related to shares not a chargeable gain) would apply to the gain mentioned in subsection (2)(d).
- (2) Those assumptions are that—
 - (a) the rights and liabilities treated as comprised in the derivative contract were contained in a separate contract,
 - (b) that separate contract was an option,
 - (c) that option was disposed of at the end of the accounting period, and
 - (d) a gain accrued to the company on the disposal for the purposes of corporation tax on chargeable gains.

 - (b) an amount (“the discharge amount”) is paid to discharge all the company's obligations under that relationship.
- (2) For the purposes of corporation tax on chargeable gains, a chargeable gain or allowable loss equal to the amount mentioned in subsection (3) is treated as accruing to the company.
- (3) That amount is the amount of the gain or loss (as the case may be) which would accrue on the assumptions in subsection (4).
- (4) Those assumptions are that—
 - (a) the derivative contract is an asset of the company,
 - (b) there is a disposal of that asset at the time when the debtor relationship comes to an end,
 - (c) the consideration for the disposal of that asset is equal to the relevant amount, and
 - (d) the cost of the asset is equal to the discharge amount.
- (5) In subsection (4) “the relevant amount” means—
 - (a) if the company was a party to the debtor relationship at the time it was created, the amount of the proceeds of issue of the security representing that relationship, or
 - (b) if the company became a party to the debtor relationship after that time, the amount of the carrying value of the host contract at that time.
- (6) In this section “the host contract” means the loan relationship to which the company is treated as a party under section 415(2) (loan relationships with embedded derivatives) because of the debtor relationship.

Interpretation

659 Meaning of “relevant credits” and “relevant debits”

- (1) This section applies for the purposes of this Chapter.
- (2) In the case of a derivative contract which is not one to which section 650 (property based total return swaps) applies for an accounting period, the relevant credits and debits are the credits and debits which are given in relation to the derivative contract for the accounting period by section 595.
- (3) In the case of a derivative contract to which section 650 applies for an accounting period, the relevant credits and debits are the credits and debits which—
 - (a) are given in relation to the derivative contract for the accounting period by section 595, and
 - (b) are within subsection (4).
- (4) The credits and debits are those found for the period by applying $R\%$ to N , where—
 - N is the amount which is the notional principal amount in the case of the derivative contract, and
 - $R\%$ is the percentage change (if any) in the capital value index over the relevant period.

- (5) In subsection (4) “the relevant period” means—
- (a) the accounting period, if the company is a party to the derivative contract throughout that period,
 - (b) in any other case, any part of the accounting period throughout which the company is a party to the derivative contract.
- (6) For the meaning of “the capital value index”, see section 650(4).

CHAPTER 8

FURTHER PROVISION ABOUT CHARGEABLE GAINS AND DERIVATIVE CONTRACTS

Company ceasing to be party to certain contracts

660 Contract relating to holding in OEIC, unit trust or offshore fund

- (1) This section applies if—
- (a) a company is a party to a relevant contract in two successive accounting periods,
 - (b) section 587 (contract relating to holding in OEIC, unit trust or offshore fund) applies in relation to the relevant contract for the second of those periods but not the first, and
 - (c) immediately before the beginning of the second period the relevant contract was a chargeable asset.
- (2) The company must bring into account for the accounting period in which it ceases to be a party to the contract the amount of any chargeable gain or allowable loss which would have been treated as accruing to it on the assumptions in subsection (3).
- (3) Those assumptions are that—
- (a) the company disposed of the relevant contract immediately before the beginning of the second period mentioned in subsection (1), and
 - (b) the disposal was for consideration of an amount equal to the value (if any) given to the relevant contract in the accounts of the company at the end of the first such period.

661 Contract which becomes derivative contract

- (1) This section applies if—
- (a) a company is a party to a relevant contract which (not having been a derivative contract) becomes a derivative contract, and
 - (b) immediately before the relevant contract becomes a derivative contract it is a chargeable asset.
- (2) The company must bring into account for the accounting period in which it ceases to be a party to the relevant contract the amount of any chargeable gain or allowable loss which would have been treated as accruing to it on the assumptions in subsection (3).
- (3) Those assumptions are that—

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2009. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (a) the company disposed of the relevant contract immediately before the relevant time, and
 - (b) the disposal was for consideration of an amount equal to the notional carrying value of the relevant contract at that time.
- (4) In this section “the relevant time” means the time when the relevant contract becomes a derivative contract.
- (5) Section 622(4) (meaning of “notional carrying value”) applies for the purposes of this section.

Contracts ceasing to be derivative contracts

662 Contracts ceasing to be derivative contracts

- (1) This section applies if a company is a party to a relevant contract which ceases to be a derivative contract.
- (2) The company is treated for the purposes of corporation tax on chargeable gains as if it had acquired the contract immediately after the relevant time for consideration of an amount equal to the notional carrying value of the contract at that time.
- (3) In this section “the relevant time” means the time when the contract ceases to be a derivative contract.
- (4) Section 622(4) (meaning of “notional carrying value”) applies for the purposes of this section.

Carry back of net losses on certain derivative contracts

663 Contracts to which section 641 applies

- (1) This section applies in the case of a company if—
 - (a) there are net section 641 losses for an accounting period (“the loss period”),
 - (b) there are net section 641 gains for a previous accounting period (“the gains period”),
 - (c) the gains period falls wholly or partly within the period of 24 months immediately preceding the start of the loss period, and
 - (d) within two years after the end of the loss period the company makes a claim in respect of the whole or a part of the net section 641 losses for the loss period.
- (2) The net section 641 gains for the gains period are reduced (but not below nil) by the amount in respect of which the claim is made.
- (3) And the net section 641 losses for the loss period are reduced by the amount in respect of which the claim is made.
- (4) For the purposes of this section—
 - (a) the net section 641 gains for a later period are reduced so far as possible before the net section 641 gains for an earlier period, and
 - (b) where a gains period falls partly before the start of the 24 month period mentioned in subsection (1), only the appropriate fraction of the net section 641 gains for that period may be reduced.

Status: Point in time view as at 17/07/2012.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2009. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (5) For the meaning of “net section 641 gains”, “net section 641 losses” and “the appropriate fraction”, see section 664.

664 Meaning of certain expressions in section 663

- (1) This section applies for the purposes of section 663.
- (2) If for an accounting period L exceeds G, there are net section 641 losses for the period of an amount equal to the excess.
- (3) If for an accounting period G exceeds the sum of L and N, there are net section 641 gains for the period of an amount equal to the excess.
- (4) In this section—
- G is the sum of the amounts of any chargeable gains treated as accruing to the company in the period under section 641(3)(a) in respect of derivative contracts of the company (“section 641 gains”),
- L is the sum of the amounts of any allowable losses treated as accruing to the company in the period under section 641(3)(b) in respect of derivative contracts of the company (“section 641 losses”), and
- N is the sum of the amounts of any non-section 641 losses which would fall to be deducted in the period from section 641 gains, on the assumption in subsection (5).
- (5) That assumption is that, as respects the accounting period, non-section 641 losses are treated as being deducted from non-section 641 gains, so far as possible, before any remainder is deducted from section 641 gains.
- (6) The “appropriate fraction” is—

$$\frac{A}{B}$$

where—

A is the number of days in the gains period which fall within the 24 month period mentioned in section 663(1)(c), and

B is the number of days in the gains period.

- (7) In this section—
- “the gains period” has the same meaning as in section 663,
- “non-section 641 losses” means any allowable losses of the company which may be deducted in the accounting period, other than section 641 losses.

Status: Point in time view as at 17/07/2012.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2009. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

 - (b) if it was carrying on such a business, it did not become a party to that relationship in the ordinary course of that business.
- (7) Condition F is that the company is not an excluded body.
- (8) In this section “option” is to be construed as if section 580(2) and (3) (meaning of “option”) were omitted.

666 Allowable loss treated as accruing

- (1) If A exceeds B, an allowable loss equal to the amount of the excess is treated as accruing to the company in the accounting period for the purposes of corporation tax on chargeable gains.
- (2) In this section—

A is the amount paid as mentioned in section 665(5) reduced (but not below nil) by an amount equal to the fair value of the host contract at the time that amount is paid,

B is the amount treated as the carrying value of the relevant contract mentioned in section 665(4) at the time the company became a party to the debtor relationship mentioned in section 665(2), and

“the host contract” means the loan relationship to which the company is treated as a party under section 415(2) (loan relationships with embedded derivatives) because of the debtor relationship.

 - (b) if L exceeds G, reduced by the amount of that excess,
- and, in the case of a part disposal of those shares, section 42(2) of that Act (part disposals) has effect accordingly.

CHAPTER 9

EUROPEAN CROSS-BORDER TRANSFERS OF BUSINESS

Introduction

674 Introduction to Chapter

- (1) This Chapter applies if—

Status: Point in time view as at 17/07/2012.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2009. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (a) condition A or B is met, and
- (b) each of the companies mentioned in subsection (2)(a) or (3)(a) makes a claim under this section,

but see section 677 (tax avoidance etc) and section 680 (disapplication of Chapter where transparent entities involved).

(2) Condition A is that—

- (a) a company resident in one member State transfers to a company resident in another member State the whole or part of a business carried on in the United Kingdom,
- (b) the transfer is wholly in exchange for shares or debentures issued by the transferee to the transferor, and
- (c) immediately after the transfer the transferee is within the charge to corporation tax.

(3) Condition B is that—

- (a) a company transfers part of its business to one or more companies,
- (b) the transferor is resident in one member State,
- (c) the part of the transferor's business which is transferred is carried on by the transferor in the United Kingdom,
- (d) at least one transferee is resident in a member State other than that in which the transferor is resident (and each transferee is resident in a member State, but not necessarily the same one),
- (e) the transferor continues to carry on a business after the transfer,
- (f) immediately after the transfer each transferee is within the charge to corporation tax, and
- (g) the transfer—
 - (i) is made in exchange for the issue of shares in or debentures of each transferee to each person holding shares in or debentures of the transferor, or
 - (ii) is not so made only because, and only so far as, a transferee is prevented from so issuing such shares or debentures by section 658 of the Companies Act 2006 (c. 46) (general rule against limited company acquiring own shares) or by a corresponding provision of the law of another member State preventing such an issue.

(4) In this Chapter—

“the transfer of business” means the transfer of business mentioned in subsection (2)(a) or (3)(a),

“transferee” has the same meaning as in subsection (2) or (3), and

“the transferor” has the same meaning as in subsection (2) or (3).

(5) For the meaning of “company” and “resident in a member State”, see section 681.

Transfers of derivative contracts at notional carrying value

675 Transfer of derivative contract at notional carrying value

- (1) This section applies if in the course of the transfer of business the transferor transfers the rights and liabilities under a derivative contract to a transferee.

Status: Point in time view as at 17/07/2012.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2009. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (2) For the purpose of determining the credits and debits to be brought into account in respect of the derivative contract in accordance with this Part, the transferor and the transferee are treated as having entered into the transfer of those rights and liabilities for consideration of an amount equal to the notional carrying value of the contract.
- (3) For the purposes of this section, the notional carrying value of a contract is the amount which would have been its carrying value in the accounts of the transferor if a period of account had ended immediately before the date when the transferor ceased to be a party to the contract.
- (4) This section is subject to section 676 (transferor using fair value accounting).

676 Transferor using fair value accounting

- (1) This section applies instead of section 675 if, in a case where that section would otherwise apply, the transferor uses fair value accounting as respects the derivative contract.
- (2) The amount which is to be brought into account by the transferor in respect of the transfer of the rights and liabilities mentioned in section 675(1) is the fair value of the derivative contract as at the date of transfer to the transferee.
- (3) For any accounting period in which the transferee is a party to the derivative contract, for the purpose of determining the credits and debits to be brought into account in respect of the contract in accordance with this Part, the transferee is treated as if it had acquired the contract for consideration of an amount equal to the fair value of the contract as at the date of transfer to it.

Exception for tax avoidance cases and clearances

677 Tax avoidance etc

- (1) This Chapter does not apply in relation to the transfer of business if—
 - (a) the transfer of business is not effected for genuine commercial reasons, or
 - (b) the transfer of business forms part of a scheme or arrangements of which the main purpose, or one of the main purposes, is avoiding liability to corporation tax, capital gains tax or income tax.
- (2) But subsection (1) does not prevent this Chapter from applying if before the transfer of business—
 - (a) the companies mentioned in section 674(2)(a) or (3)(a) have applied to the Commissioners for Her Majesty's Revenue and Customs, and
 - (b) the Commissioners have notified them that they are satisfied that subsection will not have that effect.

678 Procedure on application for clearance

- (1) This section applies in relation to an application under section 677(2).
- (2) The application must be in writing and must contain particulars of the operations which are to be effected.

Status: Point in time view as at 17/07/2012.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2009. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (3) The Commissioners for Her Majesty's Revenue and Customs may by notice require the applicant to provide further particulars for the purpose of enabling them to make their decision.
- (4) Such a notice may only be given within 30 days of the receipt of the application or of any further particulars previously required under subsection (3).
- (5) If such a notice is not complied with within 30 days or such longer period as the Commissioners for Her Majesty's Revenue and Customs may allow, they need not proceed further on the application.

679 Decision on application for clearance

- (1) The Commissioners for Her Majesty's Revenue and Customs must notify their decision on an application under section 677(2) to the applicant—
 - (a) within 30 days of receiving the application, or
 - (b) if they give a notice under section 678(3), within 30 days of the notice being complied with.
- (2) If the Commissioners for Her Majesty's Revenue and Customs—
 - (a) notify the applicant that they are not satisfied as mentioned in section 677(2)(b), or
 - (b) do not notify their decision to the applicant within the time required by subsection (1),the applicant may within 30 days of the notification or of that time require them to transmit the application to the tribunal, together with any notice given and further particulars provided under section 678(3).
- (3) In that case any notification by the tribunal has effect for the purposes of section 677(2)(b) as if it were a notification by the Commissioners for Her Majesty's Revenue and Customs.
- (4) If any particulars provided under section 678 do not fully and accurately disclose all facts and considerations material for the decision—
 - (a) of the Commissioners for Her Majesty's Revenue and Customs, or
 - (b) of the tribunal,any resulting notification by the Commissioners for Her Majesty's Revenue and Customs or the tribunal is void.

Transparent entities

680 Disapplication of Chapter where transparent entities involved

Status: Point in time view as at 17/07/2012.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2009. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (3) Condition B is that each merging company is resident in a member State.
- (4) Condition C is that the merging companies are not all resident in the same State.
- (5) Condition D is that immediately after the merger the transferee is within the charge to corporation tax.
- (6) Condition E is that—
 - (a) the transfer of assets and liabilities to the transferee in the course of the merger is made in exchange for the issue of shares or debentures by the transferee to each person holding shares in or debentures of a transferor, or
 - (b) that transfer is not so made only because, and only so far as, the transferee is prevented from so issuing such shares or debentures by section 658 of the Companies Act 2006 (c. 46) (general rule against limited company acquiring own shares) or by a corresponding provision of the law of another member State preventing such an issue.
- (7) Condition F is that in the course of the merger each transferor ceases to exist without being in liquidation (within the meaning given by section 247 of the Insolvency Act 1986 (c. 45)).
- (8) In this Chapter, “the merger” and “the merging companies” have the same meaning as in this section.
- (9) See—
 - (a) section 683 for the meaning of “the transferee” and “transferor”, and
 - (b) section 688 for the meaning of “company”, “co-operative society” and “resident in a member State”.

- (2) For the purpose of determining the credits and debits to be brought into account in respect of the derivative contract in accordance with this Part, the transferor and the transferee are treated as having entered into the transfer of those rights and liabilities for consideration of an amount equal to the notional carrying value of the contract.
- (3) For the purposes of this section, the notional carrying value of a contract is the amount which would have been its carrying value in the accounts of the transferor if a period of account had ended immediately before the date when the transferor ceased to be a party to the contract.
- (4) This section is subject to section 685 (transferor using fair value accounting).

685 Transferor using fair value accounting

Exception for tax avoidance cases and clearances

686 Tax avoidance etc

- (1) This Chapter does not apply in relation to the merger if—
 - (a) the merger is not effected for genuine commercial reasons, or
 - (b) the merger forms part of a scheme or arrangements of which the main purpose, or one of the main purposes, is avoiding liability to corporation tax, capital gains tax or income tax.
- (2) But subsection (1) does not prevent this Chapter from applying if before the merger—
 - (a) any of the merging companies has applied to the Commissioners for Her Majesty's Revenue and Customs, and
 - (b) the Commissioners have notified the merging companies that they are satisfied that subsection will not have that effect.
- (3) Sections 678 and 679 have effect in relation to subsection (2) as in relation to section 677(2), taking the references in section 679 to section 677(2)(b) as references to subsection (2)(b) of this section.

Status: Point in time view as at 17/07/2012.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2009. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

Transparent entities

687 Disapplication of Chapter where transparent entities involved

- (1) This section applies if one or more of the merging companies is a transparent entity.
- (2) If as a result of the merger the assets and liabilities of a transparent entity are transferred to another company, this Chapter does not apply in relation to the transfer.

691 Meaning of “unallowable purpose”

- (1) For the purposes of sections 690 and 692, a derivative contract of a company has an unallowable purpose in an accounting period if the purposes for which, at times during that period, the company—
 - (a) is a party to the contract, or
 - (b) enters into transactions which are related transactions by reference to it,include a purpose (“the unallowable purpose”) which is not amongst the business or other commercial purposes of the company.
- (2) If a company is not within the charge to corporation tax in respect of a part of its activities, for the purposes of this section the business and other commercial purposes of the company do not include the purposes of that part.
- (3) Subsection (4) applies if a tax avoidance purpose is one of the purposes for which a company—
 - (a) is a party to a derivative contract at any time, or
 - (b) enters into a transaction which is a related transaction by reference to a derivative contract of the company.
- (4) For the purpose of subsection (1), the tax avoidance purpose is only regarded as a business or other commercial purpose of the company if it is not—
 - (a) the main purpose for which the company is a party to the derivative contract or, as the case may be, enters into the related transaction, or
 - (b) one of the main purposes for which it is or does so.
- (5) The references in subsections (3) and (4) to a tax avoidance purpose are references to any purpose which consists of securing a tax advantage for the company or any other person.
- (6) In this section “tax advantage” has the meaning given by ^{F464}section 1139 of CTA 2010] (meaning of “tax advantage”).

692 Allowance of accumulated net losses

- (1) This section applies if—
 - (a) in any accounting period a derivative contract of a company has an unallowable purpose, and
 - (b) there is a net loss in respect of that contract for that period.
- (2) For the purposes of this section, there is such a net loss if—
 - (a) the sum of the debits in respect of that contract which are excluded from being brought into account for that period by section 690(3), exceeds
 - (b) the sum of the exchange credits in respect of that contract which are so excluded by section 690(2).
- (3) The amount of that excess is the amount of the net loss in respect of the contract for the period.

Status: Point in time view as at 17/07/2012.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2009. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (4) The amount of the excess accumulated net losses in respect of the contract for an accounting period is to be brought into account as a debit for that period.
- (5) The amount of the excess accumulated net losses in respect of a contract for an accounting period is found as follows.

Step 1

Add together the amount of any net loss arising in respect of the contract for that accounting period and earlier accounting periods.

Step 2

Deduct from the result of Step 1 any amount which was brought into account in accordance with this section in any earlier accounting period.

Step 3

Add together the amount of any credits (other than exchange credits) arising in respect of the contract for that accounting period or any earlier accounting period.

Step 4

Deduct from the result of Step 3 (but not so as to reduce it below nil)—

- (a) so much of any debits arising in respect of the contract for that accounting period or any earlier accounting period as is not excluded from being brought into account by section 690(3), and
- (b) any amount which was brought into account in accordance with this section in any earlier accounting period.

Step 5

Compare the result of Step 2 and the result of Step 4.

The amount of the excess accumulated net losses for the period is the lower of those results.

Transactions not at arm's length

693 Bringing into account adjustments under [F465Part 4 of TIOPA 2010]

- (1) This section deals with the credits and debits which are to be brought into account in accordance with this Part as a result of [F466Part 4 of TIOPA 2010] (provision not at arm's length) applying in relation to a company's derivative contracts or related transactions.
- (2) Subsection (3) applies if under [F467Part 4 of TIOPA 2010] an amount ("the imputed amount") is treated as an amount of profits or losses arising to a company from any of its derivative contracts or related transactions.
- (3) Credits or debits relating to the imputed amount are to be brought into account in accordance with this Part to the same extent as they would be in the case of an actual amount of such profits or losses.

Status: Point in time view as at 17/07/2012.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2009. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

694 Exchange gains and losses

- (1) Subsections (2) to (7) apply if—
 - (a) a company is a party to a derivative contract in an accounting period, and
 - (b) an exchange gain or exchange loss arises to the company for the accounting period from the contract.
- (2) Subsection (3) applies if as a result of [^{F469}Part 4 of TIOPA 2010] (provision not at arm's length) the company's profits and losses are calculated for tax purposes as if it were not a party to the contract.
- (3) Any exchange gains or losses which arise to the company from the contract for the accounting period are left out of account in determining the credits and debits to be brought into account in accordance with this Part.
- (4) Subsection (5) applies if as a result of [^{F470}Part 4 of TIOPA 2010] the company's profits and losses are calculated for tax purposes as if the terms of the contract were those which would have been agreed by the company and the other party to the contract had they been dealing at arm's length (“the arm's length terms”).
- (5) The credits and debits which are to be brought into account in accordance with this Part in the case of the company are to be determined on the assumption that the amount of any exchange gain or loss arising to the company from the contract in the accounting period is the adjusted amount.
- (6) In subsection (5), the “adjusted amount” means the amount of an exchange gain or loss which would have arisen from the contract if its terms were the arm's length terms.
- (7) That amount may be nil.

Status: Point in time view as at 17/07/2012.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2009. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (8) Nothing in [^{F471}Part 4 of TIOPA 2010] requires the amounts brought into account in accordance with this Part in respect of exchange gains and losses from derivative contracts to be calculated on the assumption that the arm's length provision had been made instead of the actual provision.
- (9) But subsection (8) does not affect the application of—
- (a) subsection (3) under subsection (2), or
 - (b) subsection (5) under subsection (4).
- (10) In subsection (8) “the actual provision” and “the arm's length provision” have the same meaning as in [^{F472}Part 4 of TIOPA 2010 (see sections 149 and 151 of that Act)].

695 Transfers of value to connected companies

- (1) This section applies if—
- (a) a company (“A”) paid an amount (“amount X”) to a company (“B”) for the grant of an option,
 - (b) there is a failure to exercise in full all the rights under the option,
 - (c) until the failure the option was a derivative contract of A,
 - (d) as a result of the failure there is a transfer of value by A to B,
 - (e) B is a connected company in relation to A, and
 - (f) B is not chargeable to corporation tax in accordance with this Part in respect of the derivative contract.
- (2) A must bring into account a credit of the appropriate amount in respect of the derivative contract for the accounting period in which the option expired or would have expired if none of the rights under it had been exercised.
- (3) If the option expired, “the appropriate amount” means amount X.
- (4) If any rights under the option were exercised (in whole or in part), “the appropriate amount” means amount X less so much of it as is referable, on a just and reasonable basis, to the rights which have been so exercised.
- (5) In determining for the purposes of subsection (1)(d) whether there is a transfer of value, the assumption in subsection (6) is made.

Status: Point in time view as at 17/07/2012.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2009. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (6) That assumption is that if there had not been a connection between A and B—
 - (a) all the rights under the option would have been exercised in full, and
 - (b) all of those rights would have been exercised on the latest date on which they were exercisable.
- (7) In this section “option” is to be construed as if section 580(2) and (3) (meaning of “option”) were omitted.
- (8) For the purposes of this section, B is a connected company in relation to A in an accounting period if there is a time in the period when—
 - (a) A controls B,
 - (b) B controls A, or
 - (c) A and B are both controlled by the same person.
- (9) But A and B are not taken to be controlled by the same person just because they have been under the control of—
 - [^{F473}(za) the Crown,]
 - (a) a Minister of the Crown,
 - (b) a government department,
 - (c) a Northern Ireland department,
 - (d) a foreign sovereign power, or
 - (e) an international organisation.
- (10) Section 472 (meaning of “control”) applies for the purposes of this section.

 - (a) A becomes a party to a derivative contract to which a non-UK resident (“NR”) is a party,
 - (b) NR becomes a party to a derivative contract to which A is a party, or
 - (c) A and NR both become a party to a derivative contract.
- (2) For each accounting period for any part of which A and NR are both a party to a derivative contract which makes provision for notional interest payments, the credits and debits which fall to be brought into account in accordance with this Part in respect of the contract in the case of A do not include the amount of any excluded debit in relation to that contract.
- (3) The amount of an excluded debit is calculated by determining for the accounting period the amount (if any) by which—
 - (a) the sum of any notional interest payments made by A to NR while A and NR are both a party to the contract,

(b) the sum of any notional interest payments made by NR to A during that time.

(i) a notional principal amount,

(ii) a period, and

(iii) a rate of interest,

(b) the amount of the payment is determined (wholly or mainly) by applying a rate to the specified notional principal amount for the specified period, and

(c) the value of the rate is the same at all times as that of the specified rate of interest.

(5) This section is subject to section 697.

When the relief is given

754 The relief: the “old asset” and “other assets”

- (1) This Chapter provides for relief if a company realises an intangible fixed asset and incurs expenditure on other intangible fixed assets.
- (2) In this Chapter references to the “old asset” are references to the asset that is realised and references to “other assets” are references to the other assets on which expenditure is incurred.
- (3) A company is entitled to relief under this Chapter only if—
 - (a) the conditions in section 755 are met in relation to the old asset and its realisation,
 - (b) the conditions in section 756 are met in relation to the expenditure on other assets, and
 - (c) the company claims the relief in accordance with section 757.
- (4) See also the following provisions (which extend or restrict the circumstances in which relief is available)—
 - (a) sections 777 to 779 (application of roll-over relief where there is reinvestment by group members),
 - (b) section 791 (application of roll-over relief in relation to degrouping charge),
 - (c) section 794 (application of roll-over relief in relation to reallocated charge),
 - (d) section 850 (part realisation involving related party acquisition: exclusion of roll-over relief), and
 - (e) sections 898 and 899 (roll-over relief for disposals of pre-FA 2002 assets).

755 Conditions relating to the old asset and its realisation

- (1) The old asset must have been a chargeable intangible asset of the company throughout the period during which it was held by the company (but see subsection (5)).
- (2) The proceeds of realisation of the old asset must exceed—
 - (a) the cost of the asset,
 - (b) in the case of a part realisation, the appropriate proportion of the cost of the asset (see section 759(1) and (2)), or
 - (c) in the case of the realisation of an asset that has previously been the subject of a part realisation, the adjusted cost of the asset (see section 759(3)).
- (3) In subsection (2) “the cost of the asset” means the total capitalised expenditure on the asset recognised for tax purposes.
- (4) The condition in subsection (2) is met if the old asset has no cost as defined in subsection (3).
- (5) Subsection (6) applies if the old asset was a chargeable intangible asset of the company—

Status: Point in time view as at 17/07/2012.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2009. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (a) at the time of its realisation, and
 - (b) for a substantial proportion of the period during which it was held by the company, but not for the whole of that period.
- (6) The same proportion of the asset is treated for the purposes of this Chapter as if it were a separate asset in relation to which the condition in subsection (1) was wholly met.
- (7) Any apportionment necessary for the purposes of subsections (5) and (6) must be made on a just and reasonable basis.

756 Conditions relating to expenditure on other assets

- (1) The expenditure on other assets must be incurred in the period—
 - (a) beginning 12 months before the date of realisation of the old asset or at such earlier time as an officer of Revenue and Customs may by notice allow, and
 - (b) ending 3 years after the date of realisation of the old asset or at such later time as an officer of Revenue and Customs may by notice allow.
- (2) The expenditure on other assets must be capitalised by the company for accounting purposes.
- (3) Immediately after the expenditure is incurred the other assets must be chargeable intangible assets in relation to the company.
- (4) For the purposes of this section expenditure is treated as incurred when it is recognised for accounting purposes.

757 Claim for relief

A claim by a company for relief under this Chapter must specify—

- (a) the old assets to which the claim relates,
- (b) the amount of the relief claimed in relation to each old asset, and
- (c) in relation to each old asset, the expenditure on other assets by reference to which relief is claimed.

How the relief is given

758 How the relief is given: general

- (1) A company that is entitled to relief under this Chapter is treated for the purposes of this Part as if—
 - (a) the proceeds of realisation of the old asset, and
 - (b) the cost recognised for tax purposes of acquiring the other assets,were each reduced by the amount available for relief.
- (2) If the qualifying expenditure on other assets equals or exceeds the proceeds of realisation of the old asset, the amount available for relief is the amount by which the proceeds of realisation exceed the cost of the old asset.
- (3) If the qualifying expenditure on other assets is less than the proceeds of realisation of the old asset, the amount available for relief is the amount by which the qualifying expenditure on other assets exceeds the cost of the old asset.

Status: Point in time view as at 17/07/2012.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2009. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (4) In this section “qualifying expenditure” means expenditure in relation to which the conditions in section 756 are met.
- (5) In this section “the cost of the old asset” means the total capitalised expenditure on the asset recognised for tax purposes, but—
- (a) in the case of a part realisation, references to the cost of the old asset are references to the appropriate proportion of the cost (see section 759(1) and (2)), and
 - (b) in the case of the realisation of an asset that has previously been the subject of a part realisation, references to the cost of the old asset are references to the adjusted cost (see section 759(3)).
- (6) The relief does not affect the treatment of any other party to—
- (a) any transaction involved in the realisation of the old asset, or
 - (b) the expenditure on the other assets,
- for any purpose of the enactments relating to income tax, corporation tax or chargeable gains.

759 Determination of appropriate proportion of cost and adjusted cost

- (1) In the case of a part realisation, any reference in section 755 or 758 to the appropriate proportion of the cost of the old asset is to the following proportion of it—

$$\frac{AVB - AVA}{AVB}$$

where—

AVB is the accounting value immediately before the part realisation, and

AVA is the accounting value immediately after the part realisation.

- (2) If the old asset has previously been the subject of a part realisation, the reference in subsection (1) to the cost of the old asset is a reference to the adjusted cost.
- (3) References in sections 755 and 758 and subsection (2) to the adjusted cost are references to the cost of the old asset, less the sum of the amounts given by subsections (1) and (2) in relation to earlier part realisations.

760 References to cost of asset where asset affected by change of accounting policy

- (1) In the case of an asset to which Chapter 15 has applied (adjustments on change of accounting policy) the references in this Chapter to the cost of the asset must be read as follows.
- (2) If section 872 (adjustments in respect of change) applied, the references are unaffected.

Status: Point in time view as at 17/07/2012.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2009. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (3) If section 874 or 876 (change of accounting policy involving disaggregation) applied, the references to the cost of the asset must be read as references to the appropriate proportion of that cost.
- (4) For the purposes of subsection (3) the appropriate proportion is determined by applying to the cost of the asset the same fraction as is applied by section 875(2) or (3) or 876(3), as the case may be, to determine the tax written-down value of the asset after the change.
- (5) References in this section to sections 872, 874, 875 and 876 include references to those provisions as applied by section 877 (election for fixed-rate writing down in relation to resulting asset).

761 Declaration of provisional entitlement to relief

- (1) A company realising an intangible fixed asset may make a declaration of provisional entitlement to relief under this Chapter.
- (2) While the declaration continues in force, this Chapter applies as if the conditions for relief under this Chapter were met.
- (3) A declaration of provisional entitlement is a declaration by the company, in its company tax return for the accounting period in which the realisation takes place, that the company—
 - (a) has realised an intangible fixed asset,
 - (b) proposes to meet the conditions for relief under this Chapter, and
 - (c) accordingly is provisionally entitled to relief of a specified amount.
- (4) A declaration of provisional entitlement ceases to have effect if or to the extent that—
 - (a) it is withdrawn, or
 - (b) it is superseded by a claim for relief under this Chapter.
- (5) So far as not previously withdrawn or superseded, a declaration of provisional entitlement ceases to have effect 4 years after the end of the accounting period in which the realisation took place.
- (6) If a declaration of provisional entitlement ceases to have effect, in whole or in part, all necessary adjustments must be made, by assessment or otherwise.
- (7) Subsection (6) applies despite any limitation on the time within which assessments or amendments may be made.

762 Realisation and reacquisition

If a company realises an asset and subsequently reacquires it, this Chapter applies as if what is reacquired were a different asset from that previously realised.

763 Disregard of deemed realisations and reacquisitions

- (1) This Chapter does not apply in relation to a realisation of an asset that does not actually occur but is treated as occurring, except as provided by—
 - (a) section 791 (application of roll-over relief in relation to degrouping charge), or
 - (b) section 794 (application of roll-over relief in relation to reallocated charge).

Status: Point in time view as at 17/07/2012.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2009. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

CHAPTER 14

MISCELLANEOUS PROVISIONS

Grants and other contributions to expenditure

852 Treatment of grants and other contributions to expenditure

- (1) This section applies if a grant or other payment is intended by the payer to meet, directly or indirectly, expenditure of a company on an intangible fixed asset.
- (2) A gain recognised in the company's profit and loss account in respect of the grant or other payment is treated for the purposes of section 721 (receipts recognised as they accrue) as a gain representing a receipt in respect of the intangible fixed asset.
- (3) This section does not apply to a grant within section 853.

853 Grants to be left out of account for tax purposes

- (1) This section applies to the following grants (“exempt grants”)—
 - (a) grants under Part 2 of the Industrial Development Act 1982 (c. 52) (regional development grants), and
 - (b) grants made under Northern Ireland legislation and declared by the Treasury by order to correspond to a grant under that Part.
- (2) A gain in respect of an exempt grant to a company is ignored for the purposes of this Part, even though it is recognised in determining the company's profit or loss.
- (3) This subsection applies if, as a result of an exempt grant being brought into account by the company to which it is made, there is a reduction—
 - (a) in the amount of a loss recognised in determining the company's profit or loss, or
 - (b) in the amount of expenditure on an intangible fixed asset that is capitalised for accounting purposes.
- (4) If subsection (3) applies, the amount of the reduction is added back for the purposes of this Part.

Finance leasing

854 Finance leasing etc

- (1) The Treasury may make provision by regulations as to the application of this Part in relation to a company that is the finance lessor of an intangible asset that is the subject of a finance lease.
- (2) Section 855 is about the provision that the regulations may make.
- (3) References in this section and that section to a finance lease—
 - (a) have the meaning they have for accounting purposes, and
 - (b) include hire-purchase, conditional sale or other arrangements if they are of a similar character to a finance lease.

Status: Point in time view as at 17/07/2012.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2009. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (4) References to the finance lessor or finance lessee have a corresponding meaning.
- (5) Regulations under this section may be made so as to have effect from 1 April 2002.

855 Further provision about regulations under section 854

- (1) Regulations under section 854 may provide that this Part applies as if the asset were an intangible fixed asset of the finance lessor and not a financial asset, even though the asset is accounted for by the finance lessor as a financial asset.
- (2) The regulations may provide that this Part applies as if the amount at which the asset is recognised in the finance lessor's balance sheet were capitalised expenditure on an intangible fixed asset, but that—
 - (a) no election may be made under section 730 (writing down at fixed rate: election for fixed-rate basis) in respect of that amount, and
 - (b) that amount is not to be treated as capitalised expenditure for the purposes of section 756(2) (roll-over relief in case of realisation and reinvestment: conditions to be met in relation to expenditure on other assets).
- (3) The regulations may provide that if an asset formerly recognised by the finance lessor for accounting purposes as an intangible fixed asset becomes subject to a finance lease (and so comes to be accounted for as a financial asset), the value of the asset so created is recognised as realisation proceeds of the intangible fixed asset on the change of accounting treatment.
- (4) The regulations may provide that assets partially excluded from this Part by sections 810 to 813 ^{F551}... (assets excluded except as respects royalties) are entirely excluded from this Part as respects the finance lessor if they—
 - (a) are subject to a finance lease, and
 - (b) are accounted for by the finance lessor as financial assets.
- (5) The regulations may provide for excluding from the regulations assets used by the finance lessee for the purposes of a trade or business in respect of which the finance lessee is liable to income tax.
- (6) The regulations may provide that an intangible asset counts as a pre-FA 2002 asset in the hands of the finance lessor if the finance lessee is—
 - (a) a company for which the asset was the whole or part of a pre-FA 2002 asset, or
 - (b) a person who is a related party in relation to such a company.
- (7) The regulations may make incidental, supplemental, consequential and transitional provision and savings.
- (8) That provision may include modifications of the operation of other provisions of the Corporation Tax Acts.

Values to be used in special cases

856 Assets acquired or realised together

- (1) Any reference in this Part to the acquisition or realisation of an asset includes a reference to the acquisition or realisation of that asset together with other assets.
- (2) For the purposes of this Part assets acquired or realised as a result of one bargain are treated as acquired or realised together even though—
 - (a) separate prices are, or purport to be, agreed for separate assets, or
 - (b) there are, or purport to be, separate acquisitions or realisations of separate assets.
- (3) If assets are acquired together, any values allocated to particular assets by the company in accordance with generally accepted accounting practice must be accepted for the purposes of this Part.
- (4) If no such values are so allocated, so much of the expenditure as on a just and reasonable apportionment is properly attributable to each asset is treated for the purposes of this Part as referable to that asset.
- (5) If assets are realised together, so much of the proceeds of realisation as on a just and reasonable apportionment is properly attributable to each asset is treated for the purposes of this Part as proceeds of the realisation of that asset.

857 Deemed market value acquisition: adjustment where nil accounting value

- (1) This section applies if—
 - (a) a company is treated for the purposes of this Part as acquiring an asset at market value, but
 - (b) the accounting value of the asset transferred is nil in the hands of the transferee.
- (2) In such a case any reference in this Part to—
 - (a) the cost of the asset recognised for accounting purposes,
 - (b) the accounting value of the asset, or
 - (c) any loss recognised for accounting purposes in respect of capitalised expenditure on the asset,
 is a reference to the cost, value or loss that would have been recognised if the asset had been acquired at market value.
- (3) If the asset is revalued, the revaluation is ignored.
- (4) In this section “revaluation” has the same meaning as in section 723 (see subsection (5) of that section) and “revalued” must be read accordingly.

Fungible assets

858 Fungible assets

- (1) For the purposes of this Part—
 - (a) fungible assets of the same kind that are held by the same person in the same capacity are treated as indistinguishable parts of a single asset,

Status: Point in time view as at 17/07/2012.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2009. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (b) that asset is treated as growing as additional assets of the same kind are created or acquired, and
 - (c) that asset is treated as diminishing as some of the assets are realised.
- (2) In this Part “fungible assets” means assets of a nature to be dealt in without identifying the particular assets involved.

Assets ceasing to be or becoming chargeable intangible assets

859 Asset ceasing to be chargeable intangible asset: deemed realisation at market value

- (1) If an asset ceases to be a chargeable intangible asset in relation to a company in any of the circumstances specified in subsection (2), this Part applies as if—
 - (a) immediately before the asset ceased to be a chargeable intangible asset in relation to the company, the company had realised the asset for its market value at that time, and
 - (b) the company had immediately reacquired it at that value.
- (2) The circumstances are—
 - (a) that the company ceases to be UK resident,
 - (b) in the case of a company that is not UK resident, any circumstances not involving the realisation of the asset by the company, and
 - (c) that the asset begins to be held for the purposes of a mutual trade or business.
- (3) Subsection (1) is subject to section 860.

860 Asset ceasing to be chargeable intangible asset: postponement of gain

- (1) This subsection applies if—
 - (a) section 859 applies because a company (“A”) ceases to be UK resident,
 - (b) immediately before A ceases to be UK resident the asset is held by it for the purposes of a trade carried on by it outside the United Kingdom through a permanent establishment,
 - (c) the proceeds of the realisation of the asset that is treated as occurring under section 859 exceed the original cost of the asset recognised for tax purposes,
 - (d) immediately after A ceases to be UK resident it is a 75% subsidiary of another company (“B”) that is UK resident, and
 - (e) A and B so elect by notice given to an officer of Revenue and Customs not later than 2 years after the date on which A ceased to be UK resident.
- (2) If subsection (1) applies, this Part applies as if the proceeds of the realisation of the asset that is treated as occurring under section 859 were reduced to the original cost of the asset recognised for tax purposes.
- (3) For the later treatment of the amount of the reduction under subsection (2), see sections 861 and 862.
- (4) In those sections—
 - (a) “the postponed gain” means the amount of that reduction, and
 - (b) references to “A” and “B” must be read in accordance with this section.

Status: Point in time view as at 17/07/2012.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2009. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

861 Treatment of postponed gain on subsequent realisation

- (1) This section applies if A realises the asset to which section 860 applies before the end of the period of 6 years after the date on which it ceases to be UK resident.
- (2) B must bring into account for tax purposes—
 - (a) a credit equal to the postponed gain, or
 - (b) in the case of a part realisation, a credit equal to the appropriate proportion of the postponed gain.
- (3) The appropriate proportion is—

$$\frac{MVB - MVA}{MVB}$$

where—

MVB is the market value of the asset immediately before the part realisation, and

MVA is the market value of the asset immediately after the part realisation.

- (4) Subsection (2) does not apply—
 - (a) so far as the postponed gain has already been brought into account on a previous part realisation, or
 - (b) if the postponed gain has already been brought into account under section 862.
- (5) A credit brought into account by B under this section is treated as a non-trading credit for the purposes of Chapter 6 (how credits and debits are given effect).

862 Treatment of postponed gain in other cases

- (1) This section applies if at any time after A ceases to be UK resident—
 - (a) A ceases to be a 75% subsidiary of B on the disposal by B of ordinary shares of A,
 - (b) A ceases to be such a subsidiary otherwise than on such a disposal and later B disposes of such shares, or
 - (c) B ceases to be UK resident.
- (2) B must bring into account for tax purposes a credit equal to the postponed gain.
- (3) Subsection (2) does not apply so far as the postponed gain has already been brought into account under section 861.
- (4) Any credit falling to be brought into account under subsection (2) because B ceases to be UK resident must be brought into account immediately before it does so.
- (5) A credit brought into account by B under this section is treated as a non-trading credit for the purposes of Chapter 6 (how credits and debits are given effect).

Status: Point in time view as at 17/07/2012.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2009. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

863 Asset becoming chargeable intangible asset

- (1) This section applies if an asset becomes a chargeable intangible asset in relation to a company—
 - (a) on the company becoming UK resident,
 - (b) in the case of a company that is not UK resident, on the asset beginning to be held for the purposes of a trade carried on by the company in the United Kingdom through a permanent establishment, or
 - (c) on the asset ceasing to be held for the purposes of a mutual trade or business.
- (2) This Part applies as if—
 - (a) the company had acquired the asset immediately after it became a chargeable intangible asset in relation to the company, and
 - (b) had done so for its accounting value at that time.

Matters to be ignored

864 Tax avoidance arrangements to be ignored

- (1) In determining whether a credit or a debit is to be brought into account under this Part and, if so, its amount, any tax avoidance arrangements are ignored.
- (2) Arrangements are “tax avoidance arrangements” for this purpose if their main object or one of their main objects is to enable a company—
 - (a) to obtain a debit under this Part to which it would not otherwise be entitled,
 - (b) to obtain a debit under this Part which exceeds that to which it would otherwise be entitled,
 - (c) to avoid having to bring a credit into account under this Part, or
 - (d) to reduce the amount of any such credit.
- (3) In this section—

“arrangements” includes any scheme, agreement or understanding, whether or not it is legally enforceable, and

“brought into account” means brought into account for tax purposes.

865 Debits for expenditure not generally deductible for tax purposes

- (1) No debit may be brought into account for tax purposes under this Part in respect of expenditure that is not generally deductible for tax purposes.
- (2) Expenditure is “not generally deductible for tax purposes” so far as revenue expenditure of that description incurred for the purposes of a trade would be non-deductible because of a provision specified in subsection (3).
- (3) Those provisions are—
 - (a) section 56 (car ^{F552}... hire),
 - (b) section 1298 (business entertainment and gifts),
 - (c) section 1304 (crime-related payments), and
 - (d) section 246(2) of FA 2004 (expenditure on benefits under employer-financed retirement benefits schemes).

Delayed payments and bad debts

866 Delayed payment of employees' remuneration

- (1) This subsection applies if—
 - (a) a debit in respect of employees' remuneration is recognised by a company for accounting purposes, and
 - (b) apart from this section, a debit in respect of the remuneration could be brought into account for the purposes of this Part for the period of account in which the debit is recognised.
- (2) No such debit may be so brought into account unless the remuneration is paid before the end of the period of 9 months beginning with the end of the period of account.
- (3) If the remuneration is paid after the end of the 9 month period, the debit may be brought into account for the purposes of this Part for the period of account in which it is paid.
- (4) Section 867 makes further provision relating to the application of this section.

867 Provisions supplementing section 866

- (1) For the purposes of section 866 a debit in respect of employees' remuneration recognised for accounting purposes includes an amount reserved in the accounts of an employer with a view to its becoming employees' remuneration.
- (2) For the purposes of section 866 it does not matter if the debit is in respect of—
 - (a) particular employments, or
 - (b) employments generally.
- (3) Any adjustment required by section 866 of an accounting debit that is partly referable to an amount to which that section applies and partly to other matters must be made on a just and reasonable basis.
- (4) In making a calculation for tax purposes that has to be made before the end of the 9 month period mentioned in section 866(2), it must be assumed that any remuneration which is unpaid when the calculation is made will not be paid before the end of that period.
- (5) But if the remuneration is subsequently paid before the end of the period, nothing in subsection (4) prevents the calculation being revised and any tax return being amended accordingly.
- (6) For the purposes of section 866 and this section, remuneration is paid when it—
 - (a) is treated as received by an employee for the purposes of ITEPA 2003 by section 18 or 19 of that Act (receipt of money and non-money earnings), or
 - (b) would be so treated if it were not exempt income.

868 Delayed payment of pension contributions

 - (a) a debit in respect of pension contributions is recognised by a company for accounting purposes, and
 - (b) the contributions are not paid until after the end of the period of account in which the debit is recognised.
- (2) The contributions may be brought into account for the purposes of this Part only when they are paid.
- (3) For the purposes of this section “pension contributions” means—
 - (a) sums paid by an employer by way of contributions under a registered pension scheme,
 - (b) sums paid to the trustees or managers of such a scheme that are treated as if they were the payment of contributions under the pension scheme (see section 199 of FA 2004), or

- (4) Any adjustment required by this section of an accounting debit that is partly referable to an amount to which this section applies and partly to other matters must be made on a just and reasonable basis.

869 Bad debts etc

- (1) No debit may be brought into account for the purposes of this Part in respect of a debt owed to the company, except—
 - (a) by way of impairment loss, or
 - (b) so far as the debt is released as part of a statutory insolvency arrangement.
- (2) If a debt is so released, any gain in respect of the release that is brought into account for accounting purposes by the debtor is disregarded for the purposes of this Part.
- (3) Any other gain in respect of an unpaid debt in respect of an intangible fixed asset that is brought into account by the debtor for accounting purposes is treated for the purposes of section 721 (receipts recognised as they accrue) as a gain in respect of an intangible fixed asset.
- (4) Any adjustment required by this section of an accounting gain or loss that is partly referable to an amount affected by this section and partly to other matters must be made on a just and reasonable basis.

CHAPTER 15

ADJUSTMENTS ON CHANGE OF ACCOUNTING POLICY

Introductory

871 Introduction to Chapter

- (1) This Chapter applies if—
 - (a) there is a change of accounting policy in drawing up a company's accounts from one period of account to the next, and
 - (b) the approach in each of those periods accords with the law and practice applicable in relation to that period.
- (2) In this Chapter—
 - (a) the first of those periods of account is referred to as “the earlier period”, and
 - (b) the next is referred to as “the later period”.
- (3) This Chapter applies, in particular, if—
 - (a) the company prepares accounts for the earlier period in accordance with UK generally accepted accounting practice and for the later period in accordance with international accounting standards, or
 - (b) the company prepares accounts for the earlier period in accordance with international accounting standards and for the later period in accordance with UK generally accepted accounting practice.

Change of policy involving change of value

872 Adjustments in respect of change

- (1) This section and section 873 apply if—
 - (a) as a result of the change of accounting policy there is a difference (“the accounting difference”) between—
 - (i) the accounting value of an intangible fixed asset of the company at the end of the earlier period, and
 - (ii) the accounting value of that asset at the beginning of the later period, and

Status: Point in time view as at 17/07/2012.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2009. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (b) no election has been made in respect of the asset under section 730 (writing down at fixed rate: election for fixed-rate basis).
- (2) If there is an increase in that value, a corresponding credit must be brought into account for tax purposes in the later period.
- (3) If there is a decrease in that value, a corresponding debit must be brought into account for tax purposes in the later period.
- (4) The amount of the credit or debit is—

$$D \times \frac{\text{WDVE}}{\text{AVE}}$$

where—

D is the accounting difference,

WDVE is the tax written-down value of the asset at the end of the earlier period, and

AVE is the accounting value of the asset at the end of the earlier period.

- (5) But if subsection (2) applies, the credit must not exceed—
 - (a) the sum of debits brought into account for tax purposes in respect of the asset before the later period, less
 - (b) the sum of the credits so brought into account.
- (6) This section is subject to section 878 (exclusion of credits or debits brought into account under other provisions).

873 Effect of application of section 872 in later period and subsequently

- (1) A credit or debit that is required to be brought into account under section 872 is treated as arising at the beginning of the later period (“the relevant time”).
- (2) If a credit is to be brought into account, the tax written-down value of the asset at the relevant time is the sum of—
 - (a) the tax written-down value of the asset at the end of the earlier period, and
 - (b) the credit.
- (3) If a debit is to be brought into account, the tax written-down value of the asset at the relevant time is—
 - (a) the tax written-down value of the asset at the end of the earlier period, less
 - (b) the debit.
- (4) After the relevant time the cost recognised for tax purposes is the sum of—
 - (a) the tax written-down value given by subsection (2) or (3), and
 - (b) the cost recognised for tax purposes of any subsequent expenditure on the asset that is capitalised for accounting purposes.

Status: Point in time view as at 17/07/2012.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2009. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (5) After the relevant time the tax written-down value is determined taking account only of subsequent credits and debits.

Change of policy involving disaggregation

874 Original asset not subject to fixed-rate writing down

- (1) This section and section 875 apply if—
- (a) the change of accounting policy results in an intangible fixed asset of the company that was treated as one asset (“the original asset”) in the earlier period being treated as two or more assets (“the resulting assets”) in the later period,
 - (b) there is a difference (“the accounting difference”) between—
 - (i) the accounting value of the original asset at the end of the earlier period, and
 - (ii) the sum of the accounting values of the resulting assets at the beginning of the later period,
 - (c) no election under section 730 (writing down at fixed rate: election for fixed-rate basis) has been or is subsequently made in respect of the original asset, and
 - (d) no such election is subsequently made in respect of any of the resulting assets.
- (2) If the accounting difference is an increase, a corresponding credit must be brought into account for tax purposes in the later period.
- (3) If the accounting difference is a decrease, a corresponding debit must be brought into account for tax purposes in the later period.
- (4) The credit or debit is—

$$D \times \frac{\text{WDVE}}{\text{AVE}}$$

where—

D is the accounting difference,

WDVE is the tax written-down value of the original asset at the end of the earlier period, and

AVE is the accounting value of that asset at the end of that period.

- (5) But if subsection (2) applies the credit must not exceed—
- (a) the sum of the debits brought into account for tax purposes in respect of the original asset before the later period, less
 - (b) the sum of the credits so brought into account.

Status: Point in time view as at 17/07/2012.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2009. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (6) This section is subject to section 878 (exclusion of credits or debits brought into account under other provisions).

875 Effect of application of section 874 in later period and subsequently

- (1) A credit or debit that is required to be brought into account under section 874 is treated as arising at the beginning of the later period (“the relevant time”).
- (2) If section 874(2) applies, the tax written-down value of each resulting asset at the relevant time is—

$$(WDVE + C) \times \frac{AV}{TAV}$$

where—

WDVE is the tax written-down value of the original asset at the end of the earlier period,

C is the credit,

AV is the accounting value of the resulting asset in question at the relevant time, and

TAV is the sum of the accounting values of all the resulting assets at the relevant time.

- (3) If section 874(3) applies, the tax written-down value of each resulting asset at the relevant time is—

$$(WDVE - D) \times \frac{AV}{TAV}$$

where—

WDVE, AV and TAV have the same meaning as in subsection (2), and

D is the debit.

- (4) After the relevant time the cost recognised for tax purposes for each resulting asset is taken to be the sum of—
- (a) the tax written-down value given by subsection (2) or, as the case may be, subsection (3), and
 - (b) the cost recognised for tax purposes of any subsequent expenditure on the asset that is capitalised for accounting purposes.
- (5) After the relevant time the tax written-down value for each resulting asset is determined taking account only of subsequent credits and debits.

Status: Point in time view as at 17/07/2012.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2009. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

876 Original asset subject to fixed-rate writing down

- (1) This section applies if—
 - (a) the change of accounting policy results in an intangible fixed asset of the company that was treated as one asset (“the original asset”) in the earlier period being treated as two or more assets (“the resulting assets”) in the later period, and
 - (b) an election under section 730 (writing down at fixed rate: election for fixed-rate basis) has been or is subsequently made in respect of the original asset.
- (2) That election has effect—
 - (a) in relation to the original asset, for periods up to and including the earlier period, and
 - (b) in relation to each of the resulting assets, for the later period and subsequent periods.
- (3) The tax written-down value of each resulting asset at the beginning of the later period (“the relevant time”) is—

$$\text{WDVE} \times \frac{\text{AVL}}{\text{TAVL}}$$

where—

WDVE is the tax written-down value of the original asset at the end of the earlier period,

AVL is the accounting value of the asset in question at the beginning of the later period, and

TAVL is the sum of the accounting values of all the resulting assets at the beginning of that period.

- (4) After the relevant time the cost recognised for tax purposes for each resulting asset is the sum of—
 - (a) the tax written-down value given by subsection (3), and
 - (b) the cost recognised for tax purposes of any subsequent expenditure on the asset that is capitalised for accounting purposes.
- (5) After the relevant time the tax written-down value for each resulting asset is determined taking account only of subsequent credits and debits.

877 Election for fixed-rate writing down in relation to resulting asset

- (1) This section applies if—
 - (a) the change of accounting policy results in an intangible fixed asset of the company that was treated as one asset (“the original undivided asset”) in the earlier period being treated as two or more assets (“the resulting assets”) in the later period, and

Status: Point in time view as at 17/07/2012.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2009. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (b) no election under section 730 (writing down at fixed rate: election for fixed-rate basis) has been or is subsequently made in respect of the original undivided asset.
- (2) An election under that section may be made in respect of any of the resulting assets.
- (3) But such an election may be made only within the period during which such an election could have been made in relation to the original undivided asset.
- (4) The effect of the election is that—
 - (a) the original undivided asset is treated as if it had at all material times consisted of as many assets (“notional original assets”) as there are resulting assets,
 - (b) each notional original asset is taken to be the same asset as one of the resulting assets (its “corresponding resulting asset”),
 - (c) the appropriate proportion of every amount falling to be taken into account in relation to the original undivided asset is attributed to each of the notional original assets, and
 - (d) this Part applies in relation to each of the notional original assets and its corresponding resulting asset accordingly.
- (5) For the purposes of subsection (4)(c) the appropriate proportion of every amount falling to be taken into account in relation to the original undivided asset that is to be attributed to each notional original asset is found by reference to the notional original asset’s corresponding resulting asset.
- (6) The appropriate proportion in relation to each resulting asset is—

$$\frac{AVL}{TAVL}$$

where—

AVL is the accounting value of that resulting asset at the beginning of the later period, and

TAVL is the sum of the accounting values of all the resulting assets at the beginning of that period.

Supplementary

- (2) Those provisions are—
 - (a) section 723 (revaluation),

886 Assets representing production expenditure on films: time of creation

- (1) In determining for the purposes of this Part whether an asset representing production expenditure on a film was created before 1 April 2002 or on or after that date, the asset is treated as created when the film is completed.
- (2) In this section—
 - (a) “completed” has the same meaning as in Part 15 (see section 1181(5)),

Status: Point in time view as at 17/07/2012.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2009. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (b) “film” has the same meaning as in that Part (see section 1181), and
- (c) “production expenditure” has the same meaning as in that Part (see section 1184).

When expenditure treated as incurred

887 General rule

- (1) For the purposes of section 883 (assets treated as created or acquired when expenditure incurred) the general rule is that expenditure on the acquisition of an asset is treated as incurred when it is recognised for accounting purposes.
- (2) This is subject to—
 - section 888 (cases where chargeable gains rule applies), and
 - section 889 (cases where capital allowances general rule applies).

888 Cases where chargeable gains rule applies

- (1) This section applies if—
 - (a) expenditure on the acquisition of an asset does not qualify for any form of tax relief against income under the law as it was before 1 April 2002,
 - (b) that expenditure would be treated as incurred on or after that date under the general rule in section 887, and
 - (c) the relevant disposal of the asset is treated as occurring before that date for the purposes of TCGA 1992 or would be so treated under the law as it was before 1 April 2002.
- (2) For the purposes of section 883 (assets treated as created or acquired when expenditure incurred), the expenditure is treated as incurred before 1 April 2002.
- (3) In subsection (1) “the relevant disposal” means the disposal on which the acquisition mentioned in subsection (1)(a) occurred.

889 Cases where capital allowances general rule applies

- (1) This section applies if under the law as it was before 1 April 2002 expenditure on the creation or acquisition of an asset is qualifying expenditure for the purposes of any allowance under CAA 2001.
- (2) For the purposes of section 883 (assets treated as created or acquired when expenditure incurred) the expenditure is treated as incurred when an unconditional obligation to pay it arises.
- (3) For this purpose the fact that the whole or part of the expenditure is not required to be paid until a later date does not prevent there being an unconditional obligation to pay it.

Fungible assets

890 Fungible assets: application of section 858

- (1) This section and section 891 apply for the purposes of this Chapter in relation to assets to which section 858 (treatment of fungible assets) applies.

Status: Point in time view as at 17/07/2012.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2009. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (2) Section 858 applies as if—
 - (a) pre-FA 2002 assets, and
 - (b) intangible fixed assets that are not pre-FA 2002 assets, were assets of different kinds.
- (3) If section 858 applies (whether or not it is a case where subsection (2) has effect)—
 - (a) a single asset comprising pre-FA 2002 assets is treated as itself being a pre-FA 2002 asset, and
 - (b) a single asset comprising intangible fixed assets that are not pre-FA 2002 assets is treated as itself being an asset to which this Part applies.

891 Realisation and acquisition of fungible assets

- (1) Subsection (2) applies if—
 - (a) a company realises a fungible asset, and
 - (b) apart from section 890(2), the asset would be treated as part of a single asset comprising both pre-FA 2002 assets and assets that are not pre-FA 2002 assets.
- (2) The realisation is treated as diminishing the single asset of the company comprising pre-FA 2002 assets in priority to diminishing the single asset of the company comprising assets that are not pre-FA 2002 assets.
- (3) Fungible assets acquired by a company that would not otherwise be treated as pre-FA 2002 assets are so treated so far as they are identified, in accordance with the following rules, with pre-FA 2002 assets realised by the company.
- (4) Rule 1 is that assets acquired are identified with pre-FA 2002 assets of the same kind realised by the company within the period beginning 30 days before and ending 30 days after the date of the acquisition.
- (5) The reference in subsection (4) to assets “of the same kind” is to assets that are, or but for section 890(2) would be, treated as part of a single asset because of section 858.
- (6) Rule 2 is that assets realised earlier are identified before assets realised later.
- (7) Rule 3 is that assets acquired earlier are identified before assets acquired later.
- (8) In this section “fungible asset” means an intangible fixed asset to which section 858 applies.

Assets treated as pre-FA 2002 assets

892 Certain assets acquired on transfer of business

- (1) This section applies if—
 - (a) a company (“the transferor”) transfers to another company (“the transferee”) an asset that is a pre-FA 2002 asset in the hands of the transferor company,
 - (b) the transfer is one in relation to which the transferor is treated for the purposes of TCGA 1992 as disposing of the asset for a consideration that secures that neither a gain nor a loss accrues to it, and
 - (c) it is so treated because of a provision specified in subsection (2).
- (2) The provisions are—

Status: Point in time view as at 17/07/2012.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2009. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (a) section 139 of TCGA 1992 (reconstruction involving transfer of business),
 - (b) section 140A of that Act (transfer or division of UK business), and
 - (c) section 140E of that Act (merger leaving assets within UK tax charge).
- (3) In the hands of the transferee the asset is treated for the purposes of this Part as a pre-FA 2002 asset.
- (4) This section does not apply if the transfer mentioned in subsection (1) occurred before 28 June 2002.

893 Assets whose value derives from pre-FA 2002 assets

- (1) This section applies if—
- (a) on or after 1 April 2002 a company (“the acquiring company”) acquires an intangible fixed asset (“the acquired asset”) from a person (“the transferor”),
 - (b) the acquired asset is created on or after 1 April 2002,
 - (c) at the time of the acquisition the transferor and the acquiring company are related parties,
 - (d) the value of the acquired asset derives in whole or in part from any other asset (“the other asset”), and
 - (e) the other asset meets the preserved status conditions (see section 894).
- (2) In the hands of the acquiring company the acquired asset is treated for the purposes of this Part as a pre-FA 2002 asset so far as its value derives from the other asset.
- (3) If only part of the value of the acquired asset derives from the other asset—
- (a) this Part applies as if there were a separate asset representing the part of the value that does not so derive, and
 - (b) the alternative enactments apply as if there were a separate asset representing the part of the value that does so derive.
- (4) In subsection (3) “the alternative enactments” means the enactments that apply where this Part does not apply.
- (5) For the purposes of this section the cases in which the value of an asset may be derived from any other asset include any case where—
- (a) assets have been merged or divided,
 - (b) assets have changed their nature, or
 - (c) rights or interests in or over assets have been created or extinguished.
- (6) Section 894 supplements this section.

894 The preserved status conditions etc

- (1) For the purposes of section 893(1) the other asset meets the preserved status conditions if subsections (2) and (3) apply.
- (2) This subsection applies if on or after 1 April 2002 the other asset—
- (a) has been a pre-FA 2002 asset in the hands of the transferor at a time when the transferor and the acquiring company were related parties, or
 - (b) has been a pre-FA 2002 asset in the hands of any other person at a time when—
 - (i) the other person and the acquiring company were related parties, or

Status: Point in time view as at 17/07/2012.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2009. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (ii) the other person and the transferor were related parties.
- (3) This subsection applies if the other asset has not at any time on or after 5 December 2005 been a chargeable intangible asset in the hands of—
 - (a) the acquiring company,
 - (b) a person who is a related party in relation to that company, or
 - (c) the transferor.
- (4) It does not matter for the purposes of section 893(1)(b) who created the acquired asset.
- (5) Any apportionment necessary for the purposes of section 893(3) must be made on a just and reasonable basis.
- (6) Sections 883 to 889 (provisions explaining when assets are treated as created or acquired) apply for the purposes of section 893 as they apply for the purposes of section 882.
- (7) Expressions used in this section have the same meaning as in section 893.

895 Assets acquired in connection with disposals of pre-FA 2002 assets

- (1) This section applies if—
 - (a) a person disposes of an asset which is a pre-FA 2002 asset in the person's hands at the time of the disposal,
 - (b) a company acquires an intangible fixed asset directly or indirectly in consequence of the disposal or otherwise in connection with it,
 - (c) the company and the person are related parties at the time of the disposal, and
 - (d) the acquired asset would be a chargeable intangible asset in the hands of the company at the time of the acquisition apart from this section.
- (2) The acquired asset is treated for the purposes of this Part as a pre-FA 2002 asset in the company's hands.
- (3) For the purposes of this section—
 - (a) “asset”, in relation to any disposal, means any asset for the purposes of TCGA 1992,
 - (b) a person “disposes of” an asset if, for the purposes of that Act, the person makes a part disposal of the asset or any other disposal of it, and
 - (c) the time at which a disposal of an asset is made is the time at which it is made for the purposes of that Act.
- (4) For the purposes of this section it does not matter whether—
 - (a) the asset that the person disposes of is the same asset as the acquired asset,
 - (b) the acquired asset is acquired at the time of the disposal, or
 - (c) the acquired asset is acquired by merging assets or otherwise.

CHAPTER 3

BENEFICIARIES' INCOME FROM ESTATES IN ADMINISTRATION

Introduction

934 Charge to tax on estate income

- (1) The charge to corporation tax on income applies to estate income.
- (2) In this Chapter—
 - “estate” means the estate of a deceased person (whether a UK estate or a foreign estate), and
 - “estate income” means the income treated under this Chapter as arising from an absolute, limited or discretionary interest in the whole or part of the residue of an estate.
- (3) If different parts of an estate are subject to different residuary dispositions, those parts are treated for the purposes of this Chapter as if they were separate estates.

935 Absolute, limited and discretionary interests

- (1) A person has an absolute interest in the whole or part of the residue of an estate for the purposes of this Chapter if—
 - (a) the capital of the residue or that part is properly payable to the person, or
 - (b) it would be so payable if the residue had been ascertained.
- (2) A person has a limited interest in the whole or part of the residue of an estate during any period for the purposes of this Chapter if—
 - (a) the person does not have an absolute interest in it, and
 - (b) the income from it would be properly payable to the person if the residue had been ascertained at the beginning of that period.
- (3) A person has a discretionary interest in the whole or part of the residue of an estate for the purposes of this Chapter if—
 - (a) a discretion may be exercised in the person's favour, and
 - (b) on its exercise in the person's favour any of the income of the residue during the whole or part of the administration period (see section 938) would be properly payable to the person if the residue had been ascertained at the beginning of that period.
- (4) For the purposes of this section, an amount is only treated as properly payable to a person (“A”) if—
 - (a) it is properly payable to A, or to another person in A's right, for A's benefit, or
 - (b) A is a personal representative and subsection (5) applies.
- (5) The personal representatives of a deceased person (“B”) are to be treated as having an absolute or limited interest in the whole or part of the residue of the estate of another deceased person (“C”) if—
 - (a) they have a right in their capacity as B's personal representatives, and
 - (b) were the right vested in them for their own benefit, they would have that interest in C's estate.

Status: Point in time view as at 17/07/2012.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2009. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (6) For the purposes of subsection (4), it does not matter whether the amount is payable directly by the personal representatives or through a trustee or other person.

936 Meaning of “UK estate” and “foreign estate”

- (1) In this Chapter—
 “UK estate”, in relation to a tax year, means an estate which meets conditions A and B, or condition C, for that year, and
 “foreign estate”, in relation to a tax year, means an estate which is not a UK estate in relation to that year.
- (2) Condition A is that all the income of the estate either—
 (a) has borne United Kingdom income tax by deduction, or
 (b) is income in respect of which the personal representatives are directly assessable to United Kingdom income tax for the tax year.
- (3) Condition B is that none of the income of the estate is income for which the personal representatives are not liable to United Kingdom income tax for the tax year because they are not UK resident or not ordinarily UK resident.
- (4) For the purposes of conditions A and B, sums within section 963(3) or (4) (sums treated as bearing income tax) are ignored.
- (5) Condition C is that the aggregate income of the estate for the tax year consists only of sums within section 963(3) or (4).

Types of estate income

937 Absolute interests in residue

- (1) Income is treated as arising in an accounting period from a company's absolute interest in the whole or part of the residue of an estate if—
 (a) the company has an assumed income entitlement for the accounting period in respect of the interest (see sections 948 to 952), and
 (b) condition A or B is met.
- (2) Condition A is that a payment is made in respect of the interest in the accounting period and before the end of the administration period (see section 938).
- (3) Condition B is that the accounting period is the final accounting period (see section 938).
- (4) Income treated as arising as a result of this section is estate income for the purposes of this Chapter.

938 Meaning of “the administration period”, “the final accounting period” and “the final tax year”

- (1) In this Chapter “the administration period”, in relation to the estate of a deceased person, means the period beginning with the deceased's death and ending with the completion of the administration of the estate.

Status: Point in time view as at 17/07/2012.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2009. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (2) In the application of subsection (1) to Scotland, the reference to the completion of the administration is to be taken as a reference to the date at which, after discharge of, or provision for, liabilities falling to be met out of the deceased's estate, the free balance held in trust for the residuary legatees or for the persons with the right to the intestate estate has been ascertained.
- (3) In this Chapter “the final accounting period” means the accounting period in which the administration period ends.
- (4) In this Chapter “the final tax year” means the tax year in which the administration period ends.

939 Limited interests in residue

- (1) Income is treated as arising in an accounting period from a company's limited interest in the whole or part of the residue of an estate in cases A, B and C.
- (2) Case A is where—
 - (a) the interest has not ceased before the beginning of the accounting period, and
 - (b) a sum is paid in respect of the interest in that period and before the end of the administration period.
- (3) Case B is where—
 - (a) the accounting period is the final accounting period,
 - (b) the interest has not ceased before the beginning of that period, and
 - (c) a sum remains payable in respect of the interest at the end of the administration period.
- (4) Case C is where—
 - (a) the accounting period is a period before the final accounting period,
 - (b) the interest ceases in the accounting period, and
 - (c) a sum is paid in respect of the interest in a later accounting period but before the end of the administration period, or remains payable in respect of it at the end of the administration period.
- (5) This section does not apply to limited interests to which section 957 (successive interests: holders of limited interests) applies.
- (6) Income treated as arising as a result of this section or section 957 is estate income for the purposes of this Chapter.

940 Discretionary interests in residue

- (1) Income is treated as arising in an accounting period from a company's discretionary interest in the whole or part of the residue of an estate if a payment is made in the accounting period in exercise of the discretion in the company's favour.
- (2) Income treated as arising as a result of this section is estate income for the purposes of this Chapter.

Status: Point in time view as at 17/07/2012.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2009. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

Income charged

941 UK estates

- (1) In the case of a UK estate, tax is charged under section 934 on the amount of estate income treated as arising in the accounting period.
- (2) That amount is the basic amount of that income for the accounting period (see subsection (4)), grossed up by reference to the applicable rate for the relevant tax year (see section 946).
- (3) The gross amount is treated as having borne income tax by deduction at that rate.
- (4) In this Chapter “the basic amount”, in relation to estate income, has the meaning given by—
 - (a) section 943 (basic amount of estate income: absolute interests),
 - (b) section 944 (basic amount of estate income: limited interests),
 - (c) section 945 (basic amount of estate income: discretionary interests), and
 - (d) section 958 (basic amount of estate income: successive limited interests).

942 Foreign estates

- (1) In the case of a foreign estate, tax is charged under section 934 on the amount of estate income treated as arising in the accounting period.
- (2) That amount depends on whether the estate income arising in the accounting period is paid from sums within section 963(3) or (4) (sums treated as bearing income tax).
- (3) So far as the estate income is paid from such sums, that amount is the basic amount of that income for the accounting period grossed up by reference to the applicable rate for the relevant tax year (see section 946).
- (4) That gross amount is treated as having borne income tax by deduction at that rate.
- (5) So far as the estate income is not paid from sums within section 963(3) or (4), the amount of estate income treated as arising in the accounting period is the basic amount of that income for that period.

Basic amount of estate income: general calculations rules

943 Absolute interests

- (1) The basic amount of estate income relating to a company's absolute interest in the whole or part of the residue of an estate for an accounting period before the final accounting period is the lower of—
 - (a) the total of all sums paid in the accounting period in respect of that interest, and
 - (b) the amount of the company's assumed income entitlement for the accounting period in respect of it.
- (2) The basic amount for the final accounting period is equal to the amount of the company's assumed income entitlement for that accounting period in respect of that interest.

Status: Point in time view as at 17/07/2012.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2009. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (3) But if the residuary income of the estate for the final tax year is nil because the allowable estate deductions exceed the aggregate income of the estate, the basic amount for the final accounting period is reduced—
- (a) where the company has an absolute interest in the whole of the residue of the estate, by an amount equal to the excess, and
 - (b) in any other case, by an amount equal to such part of the excess as is just and reasonable.
- (4) See sections 948 to 952 for the meaning of references to assumed income entitlement and residuary income of an estate.
- (5) See sections 947 and 949(2) for the meaning of aggregate income of an estate and allowable estate deductions respectively.
- (6) This section is subject to sections 953 to 956 (successive interests).

944 Limited interests

- (1) The basic amount of estate income relating to a company's limited interest in the whole or part of the residue of an estate for an accounting period is the total of the sums within section 939(2)(b), (3)(c) and (4)(c) for that period.
- (2) This does not apply, and section 958 applies instead, if the limited interest is one to which section 957 (successive interests: holders of limited interests) applies.

945 Discretionary interests

The basic amount of estate income relating to a company's discretionary interest in the whole or part of the residue of an estate for an accounting period is the total of the payments made in the accounting period in exercise of the discretion in favour of the company.

946 Applicable rate for grossing up basic amounts of estate income

- (1) The applicable rate by reference to which a basic amount of estate income is grossed up for the purposes of sections 941 and 942 depends on the rate at which income tax is borne by the aggregate income of the estate for the relevant tax year (see subsection (5)).
- (2) If the aggregate income of the estate all bears income tax at the same rate, the applicable rate is that rate.
- (3) If—
- (a) different parts of the aggregate income of the estate bear income tax at different rates, and
 - (b) the same rate applies to all the income from which section 962 treats the basic amount as having been paid,
- the applicable rate is that rate.
- (4) If—
- (a) different parts of the aggregate income of the estate bear income tax at different rates, and

Status: Point in time view as at 17/07/2012.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2009. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (b) different rates apply to different parts of the income from which section 962 treats the basic amount as having been paid,
each of those rates is the applicable rate by reference to which the corresponding part of the basic amount is grossed up.
- (5) In this Chapter “the relevant tax year” in relation to an amount of estate income, means the tax year in which the amount of estate income would be treated as arising if—
 - (a) the references in this Chapter to accounting periods were references to tax years, and
 - (b) section 950(3) (apportionment between accounting periods) were ignored.

947 Aggregate income of the estate

- (1) For the purposes of this Chapter the aggregate income of the estate for a tax year is the total of the income and amounts specified in subsection (2), but excluding the income specified in subsection (5).
- (2) The income and amounts are—
 - (a) the income of the deceased's personal representatives in that capacity which is charged to United Kingdom income tax for the tax year,
 - (b) the income of the deceased's personal representatives in that capacity on which such tax would have been charged for the tax year if—
 - (i) it was income of a UK resident who was ordinarily UK resident, and
 - (ii) it was income from a source in the United Kingdom,
 - (c) any amount of income treated as arising to the personal representatives under section 410(4) (stock dividends) of ITTOIA that would be charged to income tax under Chapter 5 of Part 4 of that Act if income arising to personal representatives were so charged (see section 411 of that Act),
 - (d) in a case where section 419(2) of ITTOIA applies (release of loans to participator in close company: loans and advances to persons who die), the amount that would be charged to income tax under Chapter 6 of Part 4 of that Act apart from that section, and
 - (e) any amount that would have been treated as income of the personal representatives in that capacity under section 466 of ITTOIA if the condition in section 466(2) had been met (gains from contracts for life insurance).
- (3) In calculating the amount of the income within subsection (2)(a), any allowable deductions are to be taken into account.
- (4) In calculating the amount of the income within subsection (2)(b), any deductions which would be allowable if the income had been charged to United Kingdom income tax are to be deducted from the full amount of the income actually arising in the tax year.
- (5) The excluded income is—
 - (a) income to which any person is or may become entitled under a specific disposition, and
 - (b) income from property devolving on the personal representatives otherwise than as assets for payment of the deceased's debts.
- (6) In subsection (5)(a) “specific disposition” means a gift of specific property under a will, including—

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2009. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (a) the disposition of personal chattels by section 46 of the Administration of Estates Act 1925 (c. 23) (succession on intestacy), and
- (b) any disposition which under the law of another country has a similar effect to a gift of specific property by will under the law of England and Wales, but excluding real property included in a residuary gift made by will by a specific or general description of it or, in Scotland, heritable estate included in such a gift.

Further provisions for calculating estate income relating to absolute interests

948 Assumed income entitlement

- (1) Whether a company has an assumed income entitlement for an accounting period in respect of an absolute interest in the whole or part of the residue of an estate depends on the results of the following steps.

Step 1

Find the amount of the company's share of the residuary income of the estate that is attributable to that interest for that accounting period and each previous accounting period during which the company had that interest (see sections 949 to 951).

Step 2

If the estate is a UK estate in relation to any tax year by reference to which the amount of that share for any accounting period is determined under section 950, deduct from that amount income tax on that amount at the applicable rate for that year (see section 952).

Step 3

Add together the amounts found under step 1 after making any deductions necessary under step 2.

Step 4

Add together the basic amounts relating to the company's absolute interest in respect of which the company was liable for corporation tax for all previous accounting periods (or would have been so liable if the company had been a company liable for corporation tax for those accounting periods).

- (2) For the purposes of this Chapter the company has an assumed income entitlement for the accounting period if the amount resulting from step 3 exceeds the amount resulting from step 4.
- (3) The assumed income entitlement is equal to the excess.
- (4) This section is subject to—
- section 954 (successive absolute interests), and
 - section 955 (successive interests: assumed income entitlement of holder of absolute interest following limited interest).

Status: Point in time view as at 17/07/2012.

949 Residuary income of the estate

- (1) For the purposes of this Chapter the residuary income of an estate for a tax year is the aggregate income of the estate for that year, less the allowable estate deductions for that year.
- (2) The allowable estate deductions for a tax year are—
 - (a) all interest paid in that year by the personal representatives in that capacity (but see section 233(3) of IHTA 1984: exclusion of interest on unpaid inheritance tax),
 - (b) all annual payments for that year which are properly payable out of residue,
 - (c) all payments made in that year in respect of expenses incurred by the personal representatives in that capacity in the management of the assets of the estate, and
 - (d) any excess deductions from the previous tax year.

This is subject to subsections (3) to (5).

- (3) No sum is to be treated as an allowable estate deduction if it is allowable in calculating the aggregate income of the estate.
- (4) No sum is to be counted twice as an allowable estate deduction.
- (5) Payments in respect of expenses are only allowable estate deductions if they are properly chargeable to income (ignoring any specific direction in a will).
- (6) In this section “excess deductions from the previous tax year” means so much of the allowable deductions for the previous tax year as exceeded the aggregate income of the estate for that year.

950 Shares of residuary income of estate

- (1) In the case of a company which has an absolute interest in the whole of the residue of an estate for a whole tax year, the company's share of the residuary income of the estate in respect of that interest for that year is equal to the whole of that income for that year.
- (2) In the case of a company which—
 - (a) has an absolute interest in the whole of the residue of an estate for part of the tax year, or
 - (b) an absolute interest in part of the residue of an estate for the whole or part of the tax year,
 the company's share of the residuary income of the estate for that year is a proportionate part of that income for that year.
- (3) The company's share of the residuary income of an estate in respect of an absolute interest for each of the accounting periods (if more than one) comprising a tax year is found by apportioning the company's share of the residuary income of the estate for that year between the accounting periods.
- (4) Subsections (1) and (2) are subject to section 951 (reduction in share of residuary income of estate).

951 Reduction in share of residuary income of estate

- (1) This section applies if a company has an absolute interest in the whole or part of the residue of an estate at the end of the administration period and—
 - (a) the total of the company's shares of the residuary income of the estate in respect of that interest for all tax years (apart from this section), exceeds
 - (b) the total of all sums paid during or payable at the end of the administration period in respect of that interest to any person (grossed up where subsection (5) applies).
- (2) In the final accounting period the company's share of the residuary income of the estate is to be reduced by that excess.
- (3) If that excess is greater than the company's share of that income for the final accounting period, the company's share of that income for the previous accounting period is to be reduced, and so on.
- (4) If subsection (3) applies, all necessary adjustments and repayments of corporation tax are to be made.
- (5) For the purposes of calculating the total mentioned in subsection (1)(b)—
 - (a) if the estate is a UK estate in relation to a tax year in which a sum is paid, the sum is to be grossed up by reference to the basic rate for that year, and
 - (b) if the estate is a UK estate in relation to the final tax year, a sum payable at the end of the administration period is to be grossed up by reference to the basic rate for that year.
- (6) For the application of this section where two or more absolute interests in the whole or the same part of the residue are held successively by different persons, see section 954(5) and (6).

952 Applicable rate for determining assumed income entitlement (UK estates)

- (1) The applicable rate by reference to which income tax on a company's share of the residuary income of the estate is calculated for the purposes of step 2 of the calculation in section 948(1) depends on the rate at which income tax is borne by the aggregate income of the estate for the tax year in question.
- (2) If the aggregate income of the estate all bears income tax at the same rate, the applicable rate is that rate.
- (3) If different parts of the aggregate income of the estate bear income tax at different rates, the applicable rate is the rate that applies to the income to which the company's share of the residuary income of the estate relates.
- (4) If different rates apply to different parts of that income, each of those rates is the applicable rate that applies to the corresponding part of the income to which the company's share of the residuary income of the estate relates.
- (5) For the purposes of this section, if there is more than one person with an absolute interest in the residue of the estate, such apportionments of parts of the aggregate income of the estate bearing income tax at different rates are to be made as are just and reasonable for their different interests.

- (6) Section 650(1) of ITTOIA 2005 (absolute interests) applies for the purposes of subsection (5) in the case of any person who is not a company chargeable to corporation tax.

Successive interests

953 Introduction

- (1) Sections 954 to 959 relate to cases where two or more interests in the whole or part of the residue of an estate are held successively during the administration period by different persons.
- (2) For the purposes of this section and those sections, two interests are held successively even where one is not held immediately before or after the other.
- (3) It is assumed for the purposes of those sections—
 - (a) that each of the persons holding the interests in question is a company within the charge to corporation tax (but without prejudice to the references to interests ceasing otherwise than by death), and
 - (b) that in the case of a person who is not a company the person's accounting periods correspond with tax years.

954 Successive absolute interests

- (1) This section applies if two or more absolute interests in the whole or part of the residue of an estate are held successively during the administration period by different persons.
- (2) In determining whether a company with a later such interest (“the later holder”) has an assumed income entitlement in respect of that interest and, if so, its amount—
 - (a) the later holder's share of the residuary income of the estate in respect of that interest for any accounting period is to be treated as including the share of any person with a previous such interest (“a previous holder”), and
 - (b) the basic amounts relating to the later holder's interest are to be treated as including the basic amounts relating to any previous such interest.
- (3) In applying subsection (2), all determinations under that subsection or section 955(2) that fall to be made in relation to a person with an earlier interest are to be made before determinations under those provisions relating to a person with a later interest.
- (4) A company which is a previous holder in the final accounting period is to be taxed for that period, in relation to the interest as to which that company is a previous holder, as if that period were not the final accounting period, and the later holder's assumed income entitlement is to be calculated accordingly (or, where the previous holder is not a company, having regard to the application of section 671(4) of ITTOIA 2005 to the previous holder).
- (5) The calculation under section 951(1)(a) and (b) (amount of reduction in the share of the residuary income of the company with an absolute interest at the end of the administration period) is to be made by reference to all the absolute interests taken together.
- (6) If the amount resulting from that calculation is greater than the total amount of the reductions which can be made under section 951(2) and (3), the share of the residuary

income of the estate of the last previous holder of the interest for the last accounting period in which that last holder had that interest is to be reduced, and so on.

- (7) But if subsection (6) applies in a case where the last previous holder or any earlier previous holder is not a company, in applying that subsection regard must be had to the application of section 671(6) of ITTOIA 2005 to the previous holder.

955 Assumed income entitlement of holder of absolute interest following limited interest

- (1) This section applies if—
- (a) two or more interests in the whole or part of the residue of an estate are held successively during the administration period by different persons,
 - (b) each later interest arises or is created on the cessation of the previous interest otherwise than by death,
 - (c) at least one of the interests is an absolute interest, and
 - (d) at least one of the interests preceding that interest is a limited interest.
- (2) Rules A and B apply to determine in relation to such an absolute interest—
- (a) whether the company with the interest has an assumed income entitlement in respect of the interest, and
 - (b) if so, its amount.
- (3) Rule A is that the company's share of the residuary income of the estate in respect of the absolute interest for any accounting period is treated as including any amount which would be included in it if—
- (a) the interest had subsisted throughout the period when any such limited interest subsisted, and
 - (b) no such limited interest had ever subsisted.
- (4) Rule B is that the basic amounts relating to the absolute interest are treated as including the basic amounts relating to any such limited interest.

956 Payments in respect of limited interests followed by absolute interests

- (1) This section applies if—
- (a) two or more interests in the whole or part of the residue of an estate are held successively during the administration period by different persons,
 - (b) each later interest arises or is created on the cessation of the previous interest otherwise than by death,
 - (c) at least one of the interests is an absolute interest, and
 - (d) at least one of the interests preceding that interest is a limited interest.
- (2) A sum to which a company (“C”) with such an absolute interest is entitled in respect of any such limited interest which is paid while C has the absolute interest is treated as paid in respect of the absolute interest (and not the limited interest).
- (3) Subsection (4) applies if—
- (a) C's absolute interest ceases during the administration period, and
 - (b) a sum to which C is entitled in respect of any such limited interest—
 - (i) is paid after the absolute interest ceases but before the end of the administration period, or

- (ii) remains payable at the end of it.
- (4) This Chapter applies as respects any such sum as if the limited interest had continued to subsist while that absolute interest subsisted and had been held by C.
- (5) Subsection (4) is subject to subsection (6).
- (6) For the purposes only of section 951 (reduction in share of residuary income of estate), any such sum is treated as paid or payable in respect of the absolute interest.

957 Holders of limited interests

- (1) This section applies if—
 - (a) two or more interests in the whole or part of the residue of an estate are held successively during the administration period by different persons,
 - (b) the earlier or, if there are more than two, the earliest of the interests is a limited interest, and
 - (c) each later interest arises or is created on the cessation of the previous interest otherwise than by death.
- (2) Income is treated as arising from a limited interest in the whole or part of the residue of the estate in an accounting period in cases A, B and C.
- (3) Case A is where—
 - (a) one of the successive interests subsists at the beginning of the accounting period of a company which has or has had one of the interests which is a limited interest (the “limited holder”),
 - (b) a sum is paid in respect of one of the interests in that period and before the end of the administration period, and
 - (c) the limited holder is entitled to receive the payment.
- (4) Case B is where—
 - (a) the accounting period of a limited holder is the final accounting period,
 - (b) one of the successive interests subsists at the beginning of that period,
 - (c) a sum remains payable in respect of one of the interests at the end of the administration period, and
 - (d) the limited holder is entitled to receive the payment.
- (5) Case C is where—
 - (a) the accounting period of a limited holder is a period before the final accounting period,
 - (b) the last of the successive interests ceases in the accounting period,
 - (c) a sum is either—
 - (i) paid in respect of one of the interests in a later accounting period but before the end of the administration period, or
 - (ii) remains payable in respect of it at the end of the administration period, and
 - (d) the limited holder is entitled to receive the payment.

958 Basic amount of estate income: successive limited interests

The basic amount of estate income relating to a limited interest within section 957 for an accounting period is the total of the sums within section 957(3)(b), (4)(c) and (5)(c) for that period.

959 Apportionments

- (1) Such apportionments as are just and reasonable are to be made for the purposes of this Chapter if—
- (a) the part of a residuary estate in which an interest within any of the provisions specified in subsection (2) subsists does not wholly correspond with the part in which another such interest held successively subsists, or
 - (b) one of those interests is in the whole of the residuary estate and the other is only in part of it.
- (2) The provisions are—
- section 954 (successive absolute interests),
 - section 955 (successive interests: assumed income entitlement of holder of absolute interest following limited interest),
 - section 956 (successive interests: payments in respect of limited interests followed by absolute interests),
 - section 957 (successive interests: holders of limited interest) and,
 - section 958 (basic amount of estate income: successive limited interests).

 - (b) the estate is a foreign estate in relation to the relevant tax year, and
 - (c) United Kingdom income tax has already been borne by part of the aggregate income of the estate for the relevant tax year.
- (2) If the company makes a claim under this section, the corporation tax charged on the company on that estate income is to be reduced by an amount equal to—

A is so much of the aggregate income of the estate as has already borne United Kingdom income tax for the relevant tax year, and

B is the aggregate income of the estate for the relevant tax year.

961 Relief in respect of tax relating to limited or discretionary interests

(1) This section applies if—

- (a) United Kingdom corporation tax has been charged on a company for an accounting period on estate income from an estate treated as arising under—
 - (i) section 939 (estate income: limited interests in residue), or
 - (ii) section 940 (estate income: discretionary interests in residue),
- (b) the estate is a foreign estate in relation to the relevant tax year, and
- (c) United Kingdom income tax has already been borne by part of the aggregate income of the estate for the relevant tax year.

(2) If the company makes a claim under this section, the corporation tax charged on the company on that estate income is to be reduced by an amount equal to—

$$T \times \frac{A - C}{B - C}$$

where—

T is the corporation tax charged on the company,

A is so much of the aggregate income of the estate as has already borne United Kingdom income tax for the relevant tax year,

B is the aggregate income of the estate for the relevant tax year, and

C is the amount of United Kingdom income tax already borne by the aggregate income of the estate for the relevant tax year.

General

962 Income from which basic amounts are treated as paid

- (1) The part of the aggregate income of the estate from which a basic amount is treated as paid is determined by applying assumptions A and B in that order.
- (2) Assumption A is that if there are different persons with interests in the residue of the estate, payments in respect of their basic amounts are paid out of the different parts of the aggregate income of the estate in such proportions as are just and reasonable for their different interests.
- (3) Assumption B is that payments are made from those parts in the following order—
 - (a) income bearing income tax at the basic rate, and

Status: Point in time view as at 17/07/2012.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2009. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (b) income bearing income tax at the dividend ordinary rate.
- (4) If some, but not all, of the aggregate income of the estate is income treated under section 963 as bearing income tax, assumption C is applied before assumptions A and B.
- (5) Assumption C is that the basic amount is paid from income that is not within section 963 before it is paid from income within that section.
- (6) Assumptions A and B then apply—
 - (a) first to determine the part of the income not within that section from which the basic amount is paid, and
 - (b) then to determine the part of the income within that section from which the basic amount is paid.

963 Income treated as bearing income tax

- (1) This section has effect for the purposes of—
 - section 946 (the applicable rate for grossing up basic amounts of estate income),
 - section 952 (applicable rate for determining assumed income entitlement (UK estates)), and
 - section 962 (income from which basic amounts are treated as paid).
- (2) If the aggregate income of the estate includes a sum within subsection (3) or (4), the sum is treated as bearing income tax at the rate specified for it in that subsection.
- (3) The following sums are treated as bearing income tax at the dividend ordinary rate—
 - (a) a sum charged under Chapter 3 of Part 4 of ITTOIA 2005 (dividends etc. from UK resident companies etc.), or
 - (b) a sum that is part of the aggregate income of the estate because of falling within—
 - (i) section 947(2)(c) (stock dividends), or
 - (ii) section 947(2)(d) (release of loan to participator in close company where debt due from personal representatives).
- (4) A sum that is part of the aggregate income of the estate because of falling within section 947(2)(e) (gains from life insurance contracts etc.) is treated as bearing income tax at the basic rate.
- (5) Income tax treated as borne under section 941(3) or 942(4) (gross amount of estate income treated as bearing tax at the applicable rate) is not repayable so far as the basic amount of the estate income in question is paid from sums within this section.

964 Transfers of assets etc treated as payments

- (1) For the purposes of this Chapter—
 - (a) a transfer of assets, or
 - (b) the appropriation of assets by personal representatives to themselves,is treated as the payment of an amount equal to the assets' value at the date of transfer or appropriation.
- (2) The set off or release of a debt is treated for the purposes of this Chapter as the payment of an amount equal to it.

Status: Point in time view as at 17/07/2012.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2009. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (3) If at the end of the administration period—
- (a) there is an obligation to transfer assets to any person, or
 - (b) personal representatives are entitled to appropriate assets to themselves,
- an amount equal to the assets' value at that time is treated as payable then for the purposes of this Chapter.
- (4) If at the end of the administration period—
- (a) there is an obligation to release or set off a debt owed by any person, or
 - (b) personal representatives are entitled to release or set off a debt in their own favour,
- a sum equal to the debt is treated as payable then for the purposes of this Chapter.

965 Assessments, adjustments and claims after the administration period

- (1) This subsection applies if after the administration period ends it is apparent that a company is liable for corporation tax on estate income for any accounting period for which it previously appeared not to be so liable or to be liable for tax on a lesser amount.
- (2) If subsection (1) applies—
- (a) the company may be assessed and taxed for the accounting period, and
 - (b) any relief or additional relief to which the company may be entitled for the accounting period is to be allowed if a claim is made.
- (3) This subsection applies if after the administration period ends it is apparent that a company which previously appeared to be liable for corporation tax on estate income for any accounting period is not so liable or is liable for tax on a lesser amount.
- (4) If subsection (3) applies—
- (a) all necessary adjustments and repayments of corporation tax for the accounting period are to be made, and
 - (b) if the company has been allowed relief which exceeds the relief that could have been given by reference to the amount actually charged for the accounting period, the excess is to be treated as chargeable for that accounting period under the charge to corporation tax on income.
- (5) An assessment or adjustment made for the purposes of this Chapter or a claim made as a result of this Chapter may be made after the end of the period otherwise allowed if it is made on or before the third anniversary of the 31 January following the accounting period in which the administration period ends.

972 Charge to tax under this Chapter

- (1) The charge to corporation tax on income applies to income treated as received by a unit holder from a unit trust scheme to which this section applies.
- (2) For the purposes of this Chapter a unit holder is treated as receiving such income if an amount is shown in the scheme's accounts as income available for payment to unit holders or for investment.
- (3) This section applies to a unit trust scheme if—
 - (a) the scheme is an unauthorised unit trust, and

R is the unit holder's rights, and

TR is all the unit holders' rights.

- (1) For the purposes of this Chapter costs are incurred when they are represented in the state of completion of the work in progress.
- (2) Accordingly—

- (2) The expenditure may be treated as expenditure of the separate film trade and as if incurred immediately after the company began to carry on that trade.
- (3) If expenditure so treated has previously been taken into account for other tax purposes, the company must amend any relevant company tax return accordingly.
- (4) Any amendment or assessment necessary to give effect to subsection (3) may be made despite any limitation on the time within which an amendment or assessment may normally be made.

1194 Estimates

 - (b) a film is not regarded as intended for theatrical release unless it is intended that a significant proportion of the earnings from the film should be obtained by such exhibition.
- (3) Whether this condition is met is determined for each accounting period of the company during which film-making activities are carried on in relation to the film, in accordance with the following rules.
- (4) If at the end of an accounting period the film is intended for theatrical release, the condition is treated as having been met throughout that period (subject to subsection (5)(b)).
- (5) If at the end of an accounting period the film is not intended for theatrical release, the condition—
 - (a) is treated as having been not met throughout that period, and
 - (b) cannot be met in any subsequent accounting period.

This does not affect any entitlement of the company to relief in an earlier accounting period for which the condition was met.

- (b) if less, 80% of the total amount of qualifying expenditure, and

R is the rate of enhancement (see subsection (3)).

1212 Introduction

- (1) In this Chapter—
 - “the company” means the film production company in relation to a film,
 - “the completion period” means the accounting period of the company—
 - (a) in which the film is completed, or
 - (b) if the company does not complete the film, in which it abandons film-making activities in relation to it,
 - “interim accounting period” means any earlier accounting period of the company during which film-making activities are carried on in relation to the film,
 - “interim certificate” and “final certificate” refer to certificates under Schedule 1 to the Films Act 1985 (c. 21) (certification of films as British films for purposes of film tax relief),
 - “the separate film trade” means the company's separate trade in relation to the film (see section 1188), and
 - “special film relief” means—
 - (a) film tax relief, or
 - (b) relief under section 1211 (transfer of terminal losses from one qualifying film to another).
- (2) The company's company tax return for the completion period must state that the film has been completed or that the company has abandoned film-making activities in relation to it (as the case may be).

1213 Certification as a British film

- (1) The company is not entitled to special film relief for an interim accounting period unless its company tax return for the period is accompanied by an interim certificate.
- (2) If an interim certificate ceases to be in force (otherwise than on being superseded by a final certificate) or is revoked, the company—
 - (a) is not entitled to special film relief for any period for which its entitlement depended on the certificate, and
 - (b) must amend accordingly its company tax return for any such period.
- (3) If the film is completed by the company—
 - (a) its company tax return for the completion period must be accompanied by a final certificate,
 - (b) if that requirement is met, the final certificate has effect for the completion period and for any interim accounting period, and
 - (c) if that requirement is not met, the company—
 - (i) is not entitled to special film relief for any period, and
 - (ii) must amend accordingly its company tax return for any period for which such relief was claimed.
- (4) If the company abandons film-making activities in relation to the film—

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2009. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (a) its company tax return for the completion period may be accompanied by an interim certificate, and
 - (b) the abandonment of film-making activities does not affect any entitlement to special film relief in that or any previous accounting period.
- (5) If a final certificate is revoked, the company—
 - (a) is not entitled to special film relief for any period, and
 - (b) must amend accordingly its company tax return for any period for which such relief was claimed.

1214 The UK expenditure condition

- (1) The company is not entitled to special film relief for an interim accounting period unless—
 - (a) its company tax return for the period states the amount of planned core expenditure on the film that is UK expenditure, and
 - (b) that amount is such as to indicate that the condition in section 1198 (the UK expenditure condition) will be met on completion of the film.

If those requirements are met, the company is provisionally treated in relation to that period as if that condition was met.

- (2) If such a statement is made but it subsequently appears that the condition will not be met on completion of the film, the company—
 - (a) is not entitled to special film relief for any period for which its entitlement depended on such a statement, and
 - (b) must amend accordingly its company tax return for any such period.
- (3) When the film is completed or the company abandons film-making activities in relation to it (as the case may be), the company's company tax return for the completion period must be accompanied by a final statement of the amount of the core expenditure on the film that is UK expenditure.
- (4) If that statement shows that the condition in section 1198 is not met, the company—
 - (a) is not entitled to special film relief for any period, and
 - (b) must amend accordingly its company tax return for any period for which such relief was claimed.

1215 Film tax relief on basis that film is limited-budget film

- (1) The company is not entitled to film tax relief for an interim accounting period on the basis that the film is a limited-budget film unless—
 - (a) its company tax return for the period states the amount of planned core expenditure on the film, and
 - (b) that amount is such as to indicate that the condition in section 1184(2) (definition of “limited-budget film”) will be met on completion of the film.

In that case, the film is provisionally treated in relation to that period as if that condition was met.

- (2) If it subsequently appears that the condition will not be met on completion of the film, the company—

- (3) When the film is completed or the company abandons film-making activities in relation to it (as the case may be), the company's company tax return for the completion period must be accompanied by a final statement of the core expenditure on the film.
- (4) Subsection (5) applies if that statement shows—
 - (a) that the film is not a limited-budget film, or (as the case may be)
 - (b) that, having regard to the proportion of work on the film that was completed, the film would not have been a limited-budget film had it been completed.
- (5) The company—
 - (a) is not entitled to film tax relief for any period on the basis that the film is a limited-budget film, and
 - (b) must amend accordingly its company tax return for any period for which such relief was claimed on that basis.

 - (a) the reversal amount is, as far as possible, applied in reducing (but not below nil) the company's expenses of management belonging to that period, and

 - (a) the reversal amount is apportioned between any accounting periods that fall within the period of the credit, and
